Forward Looking Statements

This press release contains "forward-looking" statements based on the Company's beliefs and assumptions and on information currently available to the Company. Forward-looking statements can be identified by words such as "anticipates," "intends," "plans," "seeks," "believes," "estimates," "expects" and similar references to future periods, or by the inclusion of forecasts or projections. Examples of forward-looking statements include, but are not limited to, statements we make regarding the outlook for our future business and financial performance, business strategy and plans and objectives of management for future operations, including, among other things, statements regarding expected growth, future capital expenditures, fund performance, dividends and dividend policy and debt service obligations.

Forward-looking statements are based on our current expectations and assumptions regarding our business, the economy and other future conditions. Because forward-looking statements relate to the future, by their nature, they are subject to inherent uncertainties, risks and changes in circumstances that are difficult to predict. As a result, our actual results may differ materially from those contemplated by any forward-looking statements. Important factors that could cause actual results to differ materially from those in the forward-looking statements include regional, national or global political, economic, business, competitive, market and regulatory conditions, among various other risks.

For the reasons described above, we caution you against relying on any forward-looking statements, which should be read in conjunction with the other cautionary statements and risk factors discussed from time to time in the Company's filings with the SEC, which can be found at the SEC's website at <http://www.sec.gov>. Any forward-looking statement in this press release speaks only as of the date of this press release. Factors or events that could cause our actual results to differ may emerge from time to time, and it is not possible for us to predict all of them. We undertake no obligation to update or revise any forward-looking statement after the date of this press release, whether as a result of new information, future developments or otherwise, except as may be required by law. No recipient should, therefore, rely on these forward-looking statements as representing the views of the Company or its management as of any date subsequent to the date of the press release.

This press release does not constitute an offer of any TPG Fund.
