ARTICLE 3
UNITS; PARTNERS; BOOKS AND RECORDS; REPORTS

Section 3.01. Units; Admission of Partners.

(a) The number of Common Units and Promote Units owned by each Partner shall be set forth on Schedule A (the "**Partner Schedule**"). The Partner Schedule shall be maintained by the General Partner on behalf of the Partnership in accordance with this Agreement.

(b) The General Partner may cause the Partnership to authorize and issue from time to time such other Units or other Equity Securities of any type, class or series and having the designations, preferences or special rights as may be determined the General Partner. Such Units or other Equity Securities may be issued pursuant to such agreements as the General Partner shall approve, with respect to Persons employed by or otherwise performing services for the Partnership or any of its Subsidiaries, other equity compensation agreements, options or warrants. When any such other Units or other Equity Securities are authorized and issued, the Partner Schedule and this Agreement shall be amended by the General Partner to reflect such additional issuances.

Section 3.02. Substitute Partners and Additional Partners. No Transferee of any Units or Person to whom any Units are issued pursuant to this Agreement shall be

admitted as a Partner hereunder or acquire any rights hereunder, including the right to receive distributions and allocations in respect of the Transferred or issued Units, as applicable, unless (i) such Units are Transferred or issued in compliance with the provisions of this Agreement (including Article 8) and (ii) such Transferee or recipient shall have executed and delivered to the Partnership such instruments as the General Partner deems necessary or desirable, in its reasonable discretion, to effectuate the admission of such Transferee or recipient as a Partner and to confirm the agreement of such Transferee or recipient to be bound by all the terms and provisions of this Agreement. Upon complying with the immediately preceding sentence, without the need for any further action of any Person, a Transferee or recipient shall be deemed admitted to the Partnership as a Partner. A Substitute Partner shall enjoy the same rights, and be subject to the same obligations, as the Transferor; *provided* that such Transferor shall not be relieved of any obligation or liability hereunder arising prior to the consummation of such Transfer but shall be relieved of all future obligations with respect to the Units so Transferred. As promptly as practicable after the admission of any Person as a Partner, the books and records of the Partnership shall be changed to reflect such admission of a Substitute Partner or Additional Partner. In the event of any admission of a Substitute Partner or Additional Partner pursuant to this Section 3.02, this Agreement shall be deemed amended to reflect such admission, and any formal amendment of this Agreement (including the Partner Schedule) in connection therewith shall only require execution by the Partnership and such Substitute Partner or Additional Partner, as applicable, to be effective.

Section 3.03. Tax Information.

(a) Records and Accounting Maintained. The books and records of the Partnership shall be kept, and the financial position and the results of its operations recorded, in all material respects in accordance with United States generally accepted accounting principles as in effect from time to time ("**GAAP**"). The Fiscal Year of the Partnership shall be used for financial reporting and for U.S. federal income tax purposes.

(b) Financial Reports.

(i) The books and records of the Partnership shall be audited (as part of the audit of the books and records of PubCorp) as of the end of each Fiscal Year by the same accounting firm that audits the books and records of PubCorp.

(c) Tax Returns.

(i) The General Partner shall cause to be prepared by an accounting firm selected by the General Partner all federal, state, local and foreign tax returns (including information returns) of the Partnership which the General Partner determines are required to be filed by the Partnership.

(ii) The Partnership shall furnish to each Partner (A) as soon as reasonably practical after the end of each Fiscal Year (taking into account when the Partnership receives the necessary information) all information that the

General Partner determines is required for the preparation of any U.S. federal, state or local (and, to the extent determined by the General Partner in its discretion, non-U.S.) tax returns of such Partners (or any beneficial owner(s) of such Partner), including a report (including Schedule K-1), indicating each Partner's share of the Partnership's taxable income, gain, credits, losses and deductions for such year; *provided* that estimates of such information shall be provided within 90 days of the end of the Fiscal Year and (B) as soon as reasonably possible after a request by such Partner, such other information concerning the Partnership that is reasonably requested by such Partner for compliance with its tax obligations (or the tax obligations of any beneficial owner(s) of such Partner) or for tax planning purposes (provided that the out-of-pocket costs of providing the information contemplated by section (B) shall be borne by the requesting Partner, in the General Partner's discretion).

(d) Inconsistent Positions. No Partner shall take a position on its income tax return with respect to any item of Partnership income, gain, deduction, loss or credit that is different from the position taken on the Partnership's income tax return with respect to such item unless such Partner notifies the Partnership of the different position the Partner desires to take and the Partnership consents (not to be unreasonably withheld) to such Partner taking such inconsistent position.

Section 3.04. Books and Records. The Partnership shall keep full and accurate books of account and other records of the Partnership at its principal place of business. No Partner (other than the General Partner) shall have any right to inspect the books and records of PubCorp, the Partnership or any of its Subsidiaries.

ARTICLE 4
PUBCORP OWNERSHIP; RESTRICTIONS ON PUBCORP STOCK

Section 4.01. PubCorp Ownership.

(a) If at any time PubCorp issues a share of Class A Common Stock or any other Equity Security of PubCorp entitled to any economic rights (including in the IPO) (an "**Economic PubCorp Security**") with regard thereto (it being understood that this sentence shall not apply to Class B Common Stock or any other Equity Security of PubCorp not entitled to any economic rights thereto), (i) the Partnership shall issue to a PubCorp Partner one Common Unit (if PubCorp issues a share of Class A Common Stock) or such other Equity Security of the Partnership (if PubCorp issues an Economic PubCorp Security other than Class A Common Stock) corresponding to the Economic PubCorp Security, and (when taken together with the corresponding partnership interests issued by the other TPG Operating Group Partnerships in connection with the issuance of such Economic PubCorp Security) with substantially the same rights to dividends and distributions (including distributions upon liquidation) and other economic rights as those of such Economic PubCorp Security and (ii) the PubCorp Partners shall cause the Relative Partnership Percentage of the net proceeds received by PubCorp with respect to the corresponding Economic PubCorp Security, if any, to be concurrently contributed by

a PubCorp Partner to the Partnership; *provided*, *however*, that if PubCorp issues any Economic PubCorp Securities, some or all of the net proceeds of which are to be used to fund expenses or other obligations of PubCorp for which PubCorp would be permitted a distribution pursuant to Section 5.03(c), then PubCorp shall not be required to transfer such net proceeds to the Partnership which are used or will be used to fund such expenses or obligations(it being understood that the absence of such transfer shall not limit the requirement to issue Common Units), and *provided*, *further*, that if PubCorp issues any shares of Class A Common Stock in order to purchase or fund the purchase from a Non-PubCorp Partner of a number of Common Units (and shares of Class B Common Stock) or to purchase or fund the purchase of shares of Class A Common Stock equal to the number of shares of Class A Common Stock issued, then the Partnership shall not issue any new Common Units in connection therewith and PubCorp shall not be required to transfer such net proceeds to the Partnership (it being understood that such net proceeds shall instead be transferred to such Non-PubCorp Partner as consideration for such purchase).

(b) Notwithstanding Section 4.01(a), this Article 4 shall not apply (i) to the issuance and distribution to holders of shares of PubCorp Common Stock of rights to purchase Equity Securities of PubCorp under a "**poison pill**" or similar shareholders rights plan (it being understood that upon exchange of Paired Interests for Class A Common Stock pursuant to the Exchange Agreement, such Class A Common Stock will be issued together with a corresponding right) or (ii) to the issuance under the PubCorp Equity Plan or PubCorp's other employee benefit plans of any warrants, options or other rights to acquire Equity Securities of PubCorp or rights or property that may be converted into or settled in Equity Securities of PubCorp, but shall in each of the foregoing cases apply to the issuance of Equity Securities of PubCorp in connection with the exercise or settlement of such rights, warrants, options or other rights or property.

Section 4.02. Restrictions on PubCorp Common Stock.

(a) Except as otherwise determined by the General Partner in accordance with Section 4.02(d), (i) the Partnership may not issue any additional Common Units to PubCorp or any of its Subsidiaries unless (x) each of the other TPG Operating Group Partnerships issues its respective component of a TOG Common Unit and (y) substantially simultaneously therewith PubCorp or such Subsidiary issues or sells an equal number of shares of Class A Common Stock to another Person and (ii) the Partnership may not issue any other Equity Securities of the Partnership to PubCorp or any of its Subsidiaries unless substantially simultaneously, PubCorp or such Subsidiary issues or sells, to another Person, an equal number of shares of a new class or series of Equity Securities of PubCorp or such Subsidiary with substantially the same rights to dividends and distributions (including distributions upon liquidation) and other economic rights as those of such Equity Securities of the Partnership (when taken together with the corresponding partnership interests issued by the other TPG Operating Group Partnerships in connection with the issuance of such Economic PubCorp Security).

(b) Except as otherwise determined by the General Partner in accordance with Section 4.02(d), (i) the PubCorp Partners shall cause PubCorp and its Subsidiaries not to

redeem, repurchase or otherwise acquire any shares of Class A Common Stock unless substantially simultaneously each TPG Operating Group Partnership redeems, repurchases or otherwise acquires from a PubCorp Partner an equal number of their respective components of TOG Common Units for the same aggregate price per security (or, if PubCorp uses funds received from distributions from the Partnership or the net proceeds from an issuance of Class A Common Stock to fund such redemption, repurchase or acquisition, then the Partnership shall cancel an equal number of Units for no consideration) and (ii) PubCorp or any of its Subsidiaries may not redeem or repurchase any other Equity Securities of PubCorp unless substantially simultaneously, the Partnership redeems or repurchases from PubCorp an equal number of Equity Securities of the Partnership of a corresponding class or series with substantially the same rights to dividends and distributions (including distributions upon liquidation) or other economic rights (when taken together with the corresponding partnership interests redeemed by the other TPG Operating Group Partnerships in connection with the redemption of such Economic PubCorp Security) as those of such Equity Securities of PubCorp for the same price per security (or, if PubCorp uses funds received from distributions from the Partnership or the net proceeds from an issuance of Equity Securities other than Class A Common Stock to fund such redemption, repurchase or acquisition, then the Partnership shall cancel an equal number of its corresponding Equity Securities for no consideration). Except as otherwise determined by the General Partner in accordance with Section 4.02(d): (x) the Partnership may not redeem, repurchase or otherwise acquire Common Units from PubCorp or any of its Subsidiaries unless (A) each of the other TPG Operating Group Partnerships redeems, repurchases or otherwise acquires the component of a TOG Common Unit issued by such TPG Operating Group Partnership and (B) substantially simultaneously PubCorp or such Subsidiary redeems, repurchases or otherwise acquires an equal number of Class A Common Stock for the same aggregate price per security from holders thereof (except that if the Partnership cancels Common Units for no consideration as described in this Section 4.02(b), then the price per security need not be the same) and (y) the Partnership may not redeem, repurchase or otherwise acquire any other Equity Securities of the Partnership from PubCorp or any of its Subsidiaries unless (A) each of the other TPG Operating Group Partnership redeems, repurchases or otherwise acquires a proportionate Equity Security of such other TPG Operating Group Partnership and (B) substantially simultaneously PubCorp or such Subsidiary redeems, repurchases or otherwise acquires for the same aggregate price per security an equal number of Equity Securities of PubCorp of a corresponding class or series (when taken together with the corresponding partnership interests redeemed, repurchased, or otherwise acquired by the other TPG Operating Group Partnerships in connection with the redemption, repurchase or the acquisition of such Economic PubCorp Security) with substantially the same rights to dividends and distributions (including dividends and distributions upon liquidation) and other economic rights as those of such Equity Securities of PubCorp (except that if the Partnership cancels Equity Securities for no consideration as described in Section 4.02(b)(ii), then the price per security need not be the same). Notwithstanding the immediately preceding sentence, to the extent that any consideration payable to PubCorp in connection with the redemption or repurchase of any shares or other Equity Securities of PubCorp or any of its Subsidiaries consists (in whole or in part) of shares or such other Equity Securities

(including, for the avoidance of doubt, in connection with the cashless exercise of an option or warrant), then redemption or repurchase of the corresponding Common Units or other Equity Securities of the Partnership shall be effectuated in an equivalent manner (except if the Partnership cancels Common Units or other Equity Securities for no consideration as described in this Section 4.02(b)).

(c) The Partnership shall not in any manner effect any subdivision (by any stock or unit split, stock or unit dividend or distribution, reclassification, reorganization, recapitalization or otherwise) or combination (by reverse stock or unit split, reclassification, reorganization, recapitalization or otherwise) of the outstanding Common Units unless accompanied by a substantively identical subdivision or combination, as applicable, by each other TPG Operating Group Partnership and of the outstanding PubCorp Common Stock, with corresponding changes made with respect to any other exchangeable or convertible securities. PubCorp shall not in any manner effect any subdivision (by any stock or unit split, stock or unit dividend or distribution, reclassification, reorganization, recapitalization or otherwise) or combination (by reverse stock or unit split, reclassification, reorganization, recapitalization or otherwise) of the outstanding PubCorp Common Stock unless accompanied by a substantively identical subdivision or combination, as applicable, of the outstanding TOG Common Units, with corresponding changes made with respect to any other exchangeable or convertible securities.

(d) Notwithstanding anything to the contrary in this Article 4:

(i) if at any time the General Partner shall determine that any debt instrument of PubCorp, the Partnership or its Subsidiaries shall not permit PubCorp or the Partnership to comply with the provisions of Section 4.02(a) or Section 4.02(b) in connection with the issuance, redemption or repurchase of any shares of Class A Common Stock or other Equity Securities of PubCorp or any of its Subsidiaries or any Units or other Equity Securities of the Partnership, then the General Partner may in good faith implement an economically equivalent alternative arrangement without complying with such provisions;

(ii) if (x) PubCorp incurs any indebtedness and desires to transfer the proceeds of such indebtedness to the Partnership and (y) PubCorp is unable to lend the proceeds of such indebtedness to the Partnership on an equivalent basis because of restrictions in any debt instrument of PubCorp, the Partnership or its Subsidiaries, then notwithstanding Section 4.02(a) or Section 4.02(b), the General Partner may in good faith implement an economically equivalent alternative arrangement in connection with the transfer of proceeds to the Partnership using non-participating preferred Equity Securities of the Partnership without complying with such provisions; and

(iii) If PubCorp receives a distribution pursuant to Section 5.03 and PubCorp subsequently contributes any of the amounts received to the Partnership, the General Partner may take any reasonable action to properly reflect the changes

in the Partners' economic interests in the Partnership including by making appropriate adjustments to the number of Common Units held by the Partners other than PubCorp in order to proportionally reduce the respective Common Percentage held by the Partners other than PubCorp.

(e) If any adjustment pursuant to this Agreement in the number of Common Units held by a Partner results (x) in a decrease in the number of Common Units held by a Partner that constitute a portion of a Paired Interest, concurrently with such decrease, such Partner shall surrender the number of shares of Class B Common Stock constituting the remainder of such Paired Interest (which, as of the date hereof, would be one share of Class B Common Stock) to PubCorp or (y) in an increase in the number of Common Units held by a Partner that constitute a portion of a Paired Interest, concurrently with such increase, the PubCorp Partner(s) shall cause PubCorp to issue the number of shares of Class B Common Stock constituting the remainder of such Paired Interest (which, as of the date hereof, would be one share of Class B Common Stock) to such Partner.

ARTICLE 5
CAPITAL CONTRIBUTIONS; CAPITAL ACCOUNTS; DISTRIBUTIONS; ALLOCATIONS

Section 5.01. Capital Contributions.

(a) From and after the date hereof, no Partner shall have any obligation to the Partnership, to any other Partner or to any creditor of the Partnership to make any further Capital Contribution, except as expressly provided in Section 4.01(a).

(b) Except as expressly provided herein, no Partner, in its capacity as a Partner, shall have the right to receive any cash or any other property of the Partnership.

Section 5.02. Capital Accounts.

(a) Maintenance of Capital Accounts. The Partnership shall maintain a Capital Account for each Partner on the books of the Partnership in accordance with the provisions of Treasury Regulations Section 1.704-1(b)(2)(iv) and, to the extent consistent with such provisions, the provisions set forth in Section 5.02. In addition, the Partnership shall maintain a "sub capital account" with respect to each class of Units for each Partner on the books of the Partnership, applying the principles of such provisions.

(i) The Capital Account of each Partner as of the end of the IPO Date shall be as set forth in the books and records of the Partnership.

(ii) To each Partner's Capital Account there shall be credited: (A) such Partner's Capital Contributions (if any), (B) such Partner's distributive share of Net Income and any item in the nature of income or gain that is allocated pursuant to Section 5.04 and (C) the amount of any Partnership liabilities assumed by such Partner or that are secured by any Property distributed to such Partner.

(iii) To each Partner's Capital Account there shall be debited: (A) the amount of money and the Carrying Value of any Property distributed to such Partner pursuant to any provision of this Agreement, (B) such Partner's distributive share of Net Loss and any items in the nature of expenses or losses that are allocated to such Partner pursuant to Section 5.04 and (C) the amount of any liabilities of such Partner assumed by the Partnership or that are secured by any Property contributed by such Partner to the Partnership.

(iv) In determining the amount of any liability for purposes of subparagraphs (ii) and (iii) above there shall be taken into account Section 752(c) of the Code and any other applicable provisions of the Code and the Treasury Regulations.

The foregoing provisions and the other provisions of this Agreement relating to the maintenance of Capital Accounts are intended to comply with Treasury Regulations Section 1.704-1(b) and shall be interpreted and applied in a manner consistent with such Treasury Regulations. If the General Partner reasonably determines that it is prudent to modify the manner in which the Capital Accounts or any debits or credits thereto are maintained (including debits or credits relating to liabilities that are secured by contributed or distributed Property or that are assumed by the Partnership or the Partners), the General Partner may make such modification so long as such modification will not have any effect on the amounts distributed to any Person pursuant to Article 10 upon the dissolution of the Partnership. The General Partner also shall (i) make any adjustments that are necessary or appropriate to maintain equality between Capital Accounts of the Partners and the amount of capital reflected on the Partnership's balance sheet, as computed for book purposes, in accordance with Treasury Regulations Section 1.704-1(b)(2)(iv)(g) and (ii) make any appropriate modifications in the event unanticipated events might otherwise cause this Agreement not to comply with Treasury Regulations Section 1.704-1(b).

(b) Succession to Capital Accounts. In the event any Person becomes a Substitute Partner in accordance with the provisions of this Agreement, such Substitute Partner shall succeed to the Capital Account of the former Partner to the extent such Capital Account relates to the Transferred Units (as determined by the General Partner).

(c) Adjustments of Capital Accounts. The Partnership shall revalue the Capital Accounts of the Partners in accordance with Treasury Regulations Section 1.704-1(b)(2)(iv)(f) (a "**Revaluation**") at the following times: (i) immediately prior to the contribution of more than a *de minimis* amount of money or other property to the Partnership by a new or existing Partner as consideration for one or more Units; (ii) the distribution by the Partnership to a Partner of more than a *de minimis* amount of property in redemption of one or more Units; (iii) the issuance by the Partnership of more than a *de minimis* amount of Units as consideration for the provision of services to or for the benefit of the Partnership (as described in Treasury Regulations Section 1.704-1(b)(2)(iv)(f)(5)(iii)); and (iv) the liquidation of the Partnership within the meaning of Treasury Regulations Section 1.704-1(b)(2)(ii)(g); *provided*, *however*, that adjustments pursuant to clauses (i), (ii) and (iii) above shall be made only if the General Partner reasonably determines that such adjustments are necessary or appropriate to reflect the relative economic interest of the Partners.

(d) No Partner shall be entitled to withdraw capital or receive distributions except as specifically provided herein. Unless otherwise agreed to by a Partner and the Partnership, such Partner shall have no obligation to the Partnership, to any other Partner or to any creditor of the Partnership to restore any negative balance in the Capital Account of such Partner. Except as expressly provided elsewhere herein, no interest shall be paid on the balance in any Partner's Capital Account.

Section 5.03. Amounts and Priority of Distributions.

(a) Distributions Generally. Except as otherwise provided in Sections 5.03(e) and 10.02, distributions shall be made to the Partners as set forth in this Section 5.03, at such times and in such amounts as the General Partner, in its sole discretion, shall determine.

(b) Distributions to Holders of Common Units. Subject to Section 5.03(c) and (g), any distributions of Distributable Cash or Other Property (including distributions made under this section pursuant to Section 5.03(e)) shall be made to the Partners pro rata in accordance with their respective Common Percentages.

(c) PubCorp Distributions. Notwithstanding the provisions of Section 5.03(b), the General Partner, in its sole discretion, may authorize that (i) cash be paid to a PubCorp Partner (which payment shall be made without pro rata distributions to the other Partners) out of Distributable Cash or Other Property in exchange for the redemption, repurchase or other acquisition of Common Units held by such PubCorp Partner to the extent that such cash payment (together with cash paid by the other TPG Operating Group Partnerships) is used to redeem, repurchase or otherwise acquire an equal number of shares of Class A Common Stock in accordance with Section 4.02(b) and (ii) to the extent that the General Partner determines that expenses or other obligations of PubCorp (or its wholly owned Subsidiaries) are related to its role as the General Partner or its business and affairs that are conducted through the Partnership or any of the Partnership's direct or indirect Subsidiaries, cash (and, for the avoidance of doubt, only cash) distributions may be made to PubCorp (which distributions shall be made without pro rata distributions to the other Partners) out of Distributable Cash or Other Property in amounts required for PubCorp (or such Subsidiary) to pay (w) operating, administrative and other similar costs incurred by PubCorp (or such Subsidiary), including payments in redemption of Indebtedness and preferred stock, to the extent the proceeds are used or will be used by PubCorp (or such Subsidiary) to pay expenses or other obligations described in this clause (ii) (in either case only to the extent economically equivalent Indebtedness or Equity Securities of the Partnership were not issued to PubCorp), payments representing interest with respect to payments not made when due under the terms of the Tax Receivable Agreement and payments pursuant to any legal, tax, accounting and other professional fees and expenses (but, for the avoidance of doubt, excluding any tax liabilities of PubCorp), (x) any judgments, settlements, penalties, fines or other costs and expenses in respect of any claims against, or any litigation or

proceedings involving, PubCorp, (y) fees and expenses (including any underwriters discounts and commissions) related to any securities offering, investment or acquisition transaction (whether or not successful) authorized by the board of directors of PubCorp and (z) other fees and expenses in connection with the maintenance of the existence and operation of PubCorp (including any costs or expenses associated with being a public company listed on a national securities exchange). For the avoidance of doubt, distributions made under this Section 5.03(c) may not be used to pay or facilitate dividends or distributions on the PubCorp Common Stock and must be used solely for one of the express purposes set forth under clause (i) or (ii) of the immediately preceding sentence.

(d) Distributions in Kind. Any distributions in kind out of Distributable Cash or Other Property shall be made at such times and in such amounts and in such manner (including vesting conditionality associated thereto), in each case, as the General Partner, in its sole discretion, shall determine based on their fair market value as determined by the General Partner in the same proportions as if distributed in accordance with Section 5.03(b), *mutatis mutandis*.

(e) Tax Distributions.

(i) Notwithstanding any other provision of this Section 5.03 to the contrary, to the extent permitted by Applicable Law and consistent with the Partnership's (and its Subsidiaries') obligations to its creditors as reasonably determined by the General Partner, the Partnership shall make a cash distribution pursuant to Section 5.03(b) in an amount that the General Partner determines in its discretion will allow each holder of Common Units to satisfy its estimated tax liability with respect to such Common Units and the period covered by such estimated tax payment, computed by (A) taking into account any amounts required to be allocated under Section 704(c) or reverse Section 704(c) described in Treasury Regulations Section 1.704-3(a)(6), (B) computed using the Tax Rate, (C) assuming that (1) each holder is a U.S. corporation or U.S. individual which is a tax resident in San Francisco, California or New York, New York (whichever results in a higher amount) and (2) the only items of income, gain, loss or deduction of such holder are those allocated to such holder in respect of the Common Units held by such holder as of such date and (D) taking into account any prior Tax Distributions for the relevant period.

(ii) If the Partnership makes a distribution to the holders of Common Units under Section 5.03(b), the Partnership may thereafter designate all or a portion of such distribution as a Tax Distribution with respect to such Common Units (applying the principles of Section 5.03(e)(i)).

(iii) Notwithstanding any other provision of this Section 5.03 to the contrary, to the extent permitted by Applicable Law and consistent with the Partnership's obligations to its creditors as reasonably determined by the General Partner, the Partnership shall (on or prior to the date that is 75 days after the end of the taxable year of the Partnership) make a cash distribution pursuant to

Section 5.03(b) in an amount that in the General Partner's discretion, based upon then-available information, allows each holder of Common Units to satisfy its tax liability with respect to such Common Units, computed by (i) taking into account any amounts required to be allocated under Section 704(c) or (reverse Section 704(c) described in Treasury Regulations Section 1.7-4-3(a)(6)), (ii) computed using the Tax Rate, (iii) assuming that (A) each holder is a U.S. corporation or U.S. individual which is a tax resident in San Francisco, California or New York, New York (whichever results in a higher amount) and (B) the only items of income, gain, loss or deduction of such holder are those allocated to such holder in respect of the Common Units held by such holder as of such date and (iv) taking into account any prior Tax Distributions for the relevant period.

(iv) Notwithstanding any other provision of this Section 5.03(e), the amount of tax distributions required to be made by the Partnership with respect to any period shall be reduced to the extent that the other TPG Operating Group Partnerships make distributions with respect to such period that are not treated as "Tax Distributions" under the limited partnership agreements of such TPG Operating Group Partnerships, as appropriately determined by the General Partner.

(v) Notwithstanding the other provisions of this Agreement, except as otherwise provided in Section 5.03(g), Tax Distributions will not be made with respect to taxable years (or portions thereof) ending on or prior to the Effective Date.

(f) Promote Units. All distributions of Promote Unit Cash or Other Property shall be made to the holders of Promote Units in the manner determined by the General Partner in accordance with the Promote Unit Principles.

(g) Pre-IPO Profits Distribution.

(i) Notwithstanding Section 5.03(b), before any distributions are made pursuant to Section 5.03(b), the Partnership shall (out of Distributable Cash and Other Property) make distributions in accordance with the "Shares" outstanding as of December 31, 2021 under the Existing Agreement until the total distributions made by the TPG Operating Group Partnerships pursuant to this Section 5.03(g) (and the corresponding provisions of the partnership agreements of the other TPG Operating Group Partnerships) is equal to the 2021 Undistributed Earnings plus the 2022 Pre-IPO Tax Distribution. For the avoidance of doubt, if any Shares (or Common Units received in exchange for such Shares) have been transferred, any distribution under this Section 5.03(g) shall be made to the transferee of such Shares (or Common Units).

(ii) Definitions:

(A) "2021 Undistributed Earnings" means the excess (if any), as of the close of business on the Effective Date, of (i) the 2021 Distributable Earnings over (ii) any distribution of the 2021 Distributable Earnings prior to close of business on the Effective Date (other than, for the avoidance of doubt, any Special Distributions).

(B) “2021 Distributable Earnings” means the sum of the “distributable earnings” of the TPG Operating Group Partnerships for 2021 (as determined in accordance with the past practice of the TPG Operating Group Partnerships) other than any such distributable earnings contributed to a RemainCo Partnership.

(C) “2022 Pre-IPO Tax Distribution” means a tax distribution (calculated based on the principles set forth in this Agreement in respect of the portion of the 2022 taxable year of the TOG Partnership ending on the Effective Date (as determined by the General Partner in good faith).

Section 5.04. Allocations.

(a) Net Income and Net Loss; Promote Unit Items. Except as otherwise provided in this Agreement, and after giving effect to the special allocations set forth in Section 5.04(b), Section 5.04(c) and Section 5.04(d), Net Income and Net Loss (and, to the extent necessary, individual items of income, gain, loss, deduction or credit) of the Partnership attributable to periods commencing after the Effective Date shall be allocated among the Capital Accounts of the Partners pro rata in accordance with their respective Common Percentages. Notwithstanding the foregoing, the General Partner shall make such adjustments to Capital Accounts as it determines in its sole discretion to be appropriate to ensure allocations are made in accordance with a Partner’s interest in the Partnership. Promote Unit Items shall be allocated among the holders of Promote Units by the General Partner in accordance with the Promote Units Principles and Section 704(b) of the Code. Net Income and Net Loss (and, to the extent necessary, individual items of income, gain, loss, deduction or credit) of the Partnership attributable to periods ending on or prior to the Effective Date shall be allocated among the Pre-IPO Partners in accordance with the Existing Agreement.

(b) Special Allocations. The following special allocations shall be made in the following order:

(i) Minimum Gain Chargeback. Except as otherwise provided in Treasury Regulations Section 1.704-2(f), notwithstanding any other provision of this Article 5, if there is a net decrease in Partnership Minimum Gain during any Fiscal Year, each Partner shall be specially allocated items of Partnership income and gain for such Fiscal Year (and, if necessary, subsequent Fiscal Years) in an amount equal to such Partner’s share of the net decrease in Partnership Minimum Gain, determined in accordance with Treasury Regulations Section 1.704-2(g). Allocations pursuant to the immediately preceding sentence shall be made in proportion to the respective amounts required to be allocated to each Partner pursuant thereto. The items to be so allocated shall be determined in accordance with Treasury Regulations Section 1.704-2(f)(6) and 1.704-2(j)(2). This Section 5.04(b)(i) is intended to comply with the minimum gain chargeback requirement in Treasury Regulations Section 1.704-2(f) and shall be interpreted consistently therewith.

(ii) Partner Nonrecourse Debt Minimum Gain Chargeback. Except as otherwise provided in Treasury Regulations Section 1.704-2(i)(4), notwithstanding any other provision of this Article 5, if there is a net decrease in Partner Nonrecourse Debt Minimum Gain attributable to a Partner Nonrecourse Debt during any Fiscal Year, each Partner who has a share of the Partner Nonrecourse Debt Minimum Gain attributable to such Partner Nonrecourse Debt, determined in accordance with Treasury Regulations Section 1.704-2(i)(5), shall be specially allocated items of Partnership income and gain for such Fiscal Year (and, if necessary, subsequent Fiscal Years) in an amount equal to such Partner's share of the net decrease in Partner Nonrecourse Debt Minimum Gain attributable to such Partner Nonrecourse Debt, determined in accordance with Treasury Regulations Section 1.704-2(i)(4). Allocations pursuant to the previous sentence shall be made in proportion to the respective amounts required to be allocated to each Partner pursuant thereto. The items to be so allocated shall be determined in accordance with Treasury Regulations Sections 1.704-2(i)(4) and 1.704-2(j)(2). This Section 5.04(b)(ii) is intended to comply with the minimum gain chargeback requirement in Treasury Regulations Section 1.704-2(i)(4) and shall be interpreted consistently therewith.

(iii) Qualified Income Offset. In the event any Partner unexpectedly receives any adjustments, allocations, or distributions described in Treasury Regulations Sections 1.704-1(b)(2)(ii)(d)(4), 1.704-1(b)(2)(ii)(d)(5) or Section 1.704-1(b)(2)(ii)(d)(6), items of Partnership income and gain shall be specially allocated to such Partner in an amount and manner sufficient to eliminate, to the extent required by the Treasury Regulations, the Adjusted Capital Account Deficit of the Partner as promptly as possible; *provided* that an allocation pursuant to this Section 5.04(b)(iii) shall be made only if and to the extent that the Partner would have an Adjusted Capital Account Deficit after all other allocations provided for in this Article 5 have been tentatively made as if this Section 5.04(b)(iii) were not in the Agreement.

(iv) Nonrecourse Deductions. Nonrecourse Deductions for any Fiscal Year shall be specially allocated to the Partners in a manner determined by the General Partner consistent with Treasury Regulations Sections 1.704-2(b) and 1.704-2(c).

(v) Partner Nonrecourse Deductions. Any Partner Nonrecourse Deductions for any Fiscal Year shall be specially allocated to the Partner who bears the economic risk of loss with respect to the Partner Nonrecourse Debt to which such Partner Nonrecourse Deductions are attributable in accordance with Treasury Regulations Sections 1.704-2(i)(1) and 1.704-2(j)(1).

(vi) Section 754 Adjustments. (A) To the extent an adjustment to the adjusted tax basis of any Partnership asset pursuant to Sections 734(b) or 743(b) of the Code is required, pursuant to Treasury Regulations Section 1.704-1(b)(2)(iv)(m)(4), to be taken into account in determining Capital Accounts as a result of a distribution other than in liquidation of a Partner's interest in the Partnership, the amount of such adjustment shall be treated as an item of gain (if the adjustment increases the basis of such asset) or loss (if the adjustment decreases the basis of such asset) from the disposition of the asset and shall be taken into account for purposes of computing Net Income and Net Loss, and further (B) to the extent an adjustment to the adjusted tax basis of any Partnership asset pursuant to Sections 734(b) or 743(b) of the Code is required, pursuant to Treasury Regulations Section 1.704-1(b)(2)(iv)(m)(2) or Section 1.704-1(b)(2)(iv)(m)(4), to be taken into account in determining Capital Accounts as the result of a distribution to a Partner in complete liquidation of such Partner's interest in the Partnership, the amount of such adjustment to Capital Accounts shall be treated as an item of gain (if the adjustment increases the basis of the asset) or loss (if the adjustment decreases such basis) and such gain or loss shall be specially allocated to such Partners in accordance with their interests in the Partnership in the event Treasury Regulations Section 1.704-1(b)(2)(iv)(m)(2) applies, or to the Partner to whom such distribution was made in the event Treasury Regulations Section 1.704-1(b)(2)(iv)(m)(4) applies.

(c) Curative Allocations. The allocations set forth in Section 5.04(b)(i) through Section 5.04(b)(iv) and Section 5.04(d) (the "**Regulatory Allocations**") are intended to comply with certain requirements of the Treasury Regulations. It is the intent of the Partners that, to the extent possible, all Regulatory Allocations shall be offset either with other Regulatory Allocations or with special allocations of other items of Partnership income, gain, loss, or deduction pursuant to this Section 5.04(c). Therefore, notwithstanding any other provision of this Article 5 (other than the Regulatory Allocations), the General Partner shall make such offsetting special allocations of Partnership income, gain, loss, or deduction in whatever manner it determines appropriate so that, after such offsetting allocations are made, each Partner's Capital Account balance is, to the extent possible, equal to the Capital Account balance such Partner would have had if the Regulatory Allocations were not part of the Agreement and all Partnership items were allocated pursuant to Section 5.04.

(d) Loss Limitation. Net Loss (or individual items of loss or deduction) allocated pursuant to Section 5.04. hereof shall not exceed the maximum amount of Net Loss (or individual items of loss or deduction) that can be allocated without causing any Partner to have an Adjusted Capital Account Deficit at the end of any Fiscal Year. In the event some but not all of the Partners would have Adjusted Capital Account Deficits as a consequence of an allocation of Net Loss (or individual items of loss or deduction) pursuant to Section 5.04 hereof, the limitation set forth in this Section 5.04(d) shall be applied on a Partner by Partner basis and Net Loss (or individual items of loss or deduction) not allocable to any Partner as a result of such limitation shall be allocated to the other Partners in accordance with the positive balances in such Partner's adjusted Capital Accounts so as to allocate the maximum permissible Net Loss to each Partner under Treasury Regulations Section 1.704-1(b)(2)(ii)(d). Any reallocation of Net Loss pursuant to this Section 5.04(d) shall be subject to chargeback pursuant to the curative allocation provision of Section 5.04(c).

Section 5.05. Other Allocation Rules.

(a) Interim Allocations Due to Percentage Adjustment. If there is a change in the relative number of Common Units held by any Partner during any Fiscal Year, the amount of Net Income and Net Loss (or items thereof) to be allocated to the Partners for such entire Fiscal Year shall be allocated to the portion of such Fiscal Year which precedes the date of such Transfer or change (and if there shall have been a prior Transfer or change in such Fiscal Year, which commences on the date of such prior Transfer or change) and to the portion of such Fiscal Year which occurs on and after the date of such Transfer or change (and if there shall be a subsequent Transfer or change in such Fiscal Year, which precedes the date of such subsequent Transfer or change), in accordance with Section 706 of the Code and the regulations thereunder in the manner determined by the General Partner, which may include a pro rata allocation or an interim closing of the books.

(b) Tax Allocations: Code Section 704(c). For U.S. federal, state and local income tax purposes, items of income, gain, loss, deduction and credit shall be allocated to the Partners in accordance with the allocations of the corresponding items for Capital Account purposes under Section 5.04, except that in accordance with Section 704(c) of the Code and the Treasury Regulations thereunder, income, gain, loss, and deduction with respect to any Property contributed to the capital of the Partnership and with respect to reverse Code Section 704(c) allocations described in Treasury Regulations Section 1.704-3(a)(6) shall, solely for tax purposes, be allocated among the Partners so as to take account of any variation between the adjusted basis of such Property to the Partnership for U.S. federal income tax purposes and its initial Carrying Value or its Carrying Value determined pursuant to Treasury Regulations Section 1.704-1(b)(2)(iv)(f) (computed in accordance with the definition of Carrying Value) using the traditional allocation method under Treasury Regulations Section 1.704-3(b). Any elections or other decisions relating to such allocations shall be made by the General Partner in any manner that reasonably reflects the purpose and intention of this Agreement. Allocations pursuant to this Section 5.05(b), Section 704(c) of the Code (and the principles thereof), and Treasury Regulations Section 1.704-1(b)(4)(i) are solely for purposes of federal, state, and local taxes and shall not affect, or in any way be taken into account in computing, any Partner's Capital Account or share of Net Income, Net Loss, other items, or distributions pursuant to any provision of this Agreement.

(c) Modification of Allocations. The allocations set forth in Section 5.04 and Section 5.05 are intended to comply with certain requirements of the Treasury Regulations. Notwithstanding the other provisions of this Article 5, the General Partner shall be authorized to make, in its reasonable discretion, appropriate amendments to the allocations of Net Income and Net Loss (and to individual items of income, gain, loss, deduction and credit) pursuant to this Agreement (i) in order to comply with Section 704 of the Code or applicable Treasury Regulations, (ii) to allocate properly Net Income and Net Loss (and individual items of income, gain, loss, deduction and credit) to those Partners that bear the economic burden or benefit associated therewith and (iii) to cause the Partners to achieve the objectives underlying this Agreement as reasonably determined by the General Partner.

Section 5.06. Tax Withholding; Withholding Advances.

(a) Tax Withholding.

(i) If requested by the General Partner, each Partner shall, if able to do so, deliver to the General Partner: (A) an affidavit in form satisfactory to the Partnership that the applicable Partner (or its partners, as the case may be) is not subject to withholding under the provisions of any Applicable Law; (B) any certificate that the Partnership may reasonably request with respect to any Applicable Law; or (C) any other form or instrument reasonably requested by the Partnership relating to any Partner's status under Applicable Law.

(ii) After receipt of a written request of any Partner, the Partnership shall provide such information as is reasonably available to it to such Partner and take such other action as may be reasonably necessary to assist such Partner in making any necessary filings, applications or elections to obtain any available exemption from, or any available refund of, any withholding imposed by any foreign taxing authority with respect to amounts distributable or items of income allocable to such Partner hereunder to the extent not adverse to the Partnership or any Partner. In addition, the Partnership shall, at the request of any Partner, make or cause to be made (or cause the Partnership to make) any such filings, applications or elections; *provided* that any such requesting Partner shall cooperate with the Partnership, with respect to any such filing, application or election to the extent reasonably determined by the Partnership and that any filing fees, taxes or other out-of-pocket expenses reasonably incurred and related thereto shall be paid and borne by such requesting Partner or, if there is more than one requesting Partner, by such requesting Partners in accordance with their Relative Percentage Interests.

(b) Withholding Advances. To the extent the Partnership is required by Applicable Law to withhold or to make tax payments on behalf of or with respect to any Partner (e.g., backup withholding, and any payment of liabilities pursuant to the Partnership Audit Provisions that is attributed to a Partner as determined by the General Partnership) ("**Withholding Advances**"), the Partnership may withhold such amounts and make such tax payments as so required.

(c) Repayment of Withholding Advances. All Withholding Advances made on behalf of a Partner, plus interest thereon at a rate equal to the Prime Rate as of the date of such Withholding Advances plus 2.0% per annum, shall (i) be paid on demand by the Partner on whose behalf such Withholding Advances were made (it being understood that no such payment shall increase such Partner's Capital Account), or (ii) with the consent of the General Partner and the affected Partner be repaid by reducing the amount of the current or next succeeding distribution or distributions that would otherwise have been made to such Partner or, if such distributions are not sufficient for that purpose, by so reducing the proceeds of liquidation otherwise payable to such Partner. Whenever repayment of a Withholding Advance by a Partner is made as described in clause (ii) of this Section 5.06(c), for all other purposes of this Agreement such Partner shall be treated as having received all distributions (whether before or upon any Dissolution Event) unreduced by the amount of such Withholding Advance and interest thereon.

(d) Withholding Advances — Reimbursement of Liabilities. Each Partner shall reimburse the Partnership for any liability with respect to Withholding Advances (including interest thereon and any expenses related thereto) required or made on behalf of or with respect to such Partner (including penalties imposed with respect thereto).

ARTICLE 6
CERTAIN TAX MATTERS

Section 6.01. Tax Representatives. Each Tax Representative shall be selected by the General Partner. Each Tax Representative may retain, at the Partnership's expense, such outside counsel, accountants and other professional consultants as it may reasonably deem necessary in the course of fulfilling its obligations as the Tax Representative. Except as otherwise provided herein, each Tax Representative is authorized to take, and shall determine in its sole discretion whether or not the Partnership will take, such actions and execute and file all statements and forms on behalf of the Partnership that are approved by the General Partner and are permitted or required by the applicable provisions of the Partnership Audit Provisions. Each Partner agrees to cooperate with the Tax Representative and to use commercially reasonable efforts to do or refrain from doing any or all things requested by the Tax Representative (including paying any and all resulting taxes, additions to tax, penalties and interest in a timely fashion and providing any information to the Partnership that is reasonably requested by the Partnership) in connection with any examination of the Partnership's affairs by any federal, state, or local tax authorities, including resulting administrative and judicial proceedings. Notwithstanding any other provision of this Agreement, no Tax Representative shall cause or permit the Partnership (or any tax predecessor) to adopt a Push-Out Election for any Pre-Closing Tax Period without the consent of a majority in interest and TPG Group Holdings (SBS), L.P.

Section 6.02. Section 754 Election. The Partnership has previously made or will make a timely election under Section 754 of the Code (and a corresponding election under state and local law) effective starting with the taxable year ended December 31, 2021, and the General Partner shall not take any action to revoke such election.

Section 6.03. Debt Allocation. Indebtedness of the Partnership treated as "excess nonrecourse liabilities" (as defined in Treasury Regulations Section 1.752-3(a)(3)) shall be allocated among the Partners in the manner determined by the General Partner.

ARTICLE 7
MANAGEMENT OF THE PARTNERSHIP

Section 7.01. Management by the General Partner. Except as otherwise specifically set forth in this Agreement, the General Partner shall have the rights, powers and obligations required to be vested in or assumed by a general partner of a limited partnership under the Partnership Act and otherwise as provided by Applicable Law. Except as otherwise provided by Applicable Law, or as specifically set forth in this Agreement, the General Partner is hereby vested with the full, exclusive and complete right, power and discretion to operate, manage and control the affairs of the Partnership and to make all decisions affecting Partnership affairs, as deemed necessary, appropriate or advisable by the General Partner to carry on the purposes of the Partnership. Without limiting the generality of the foregoing, all of the Partners hereby specifically agree that the General Partner may, on behalf of the Partnership, at any time, and without further notice to the Partners or the Consent of any Partner (except as otherwise provided by Applicable Law or as specifically set forth herein) consummate a reorganization of the Partnership or the Partnership's subsidiaries or the other TPG Operating Group Partnerships. Except as expressly provided in this Agreement, the Partnership Act or otherwise as provided by Applicable Law, the day-to-day business and affairs of the Partnership and its Subsidiaries shall be managed, operated and controlled by the General Partner in accordance with the terms of this Agreement and no Limited Partners shall have management authority or rights over the Partnership or its Subsidiaries. The General Partner is, to the extent of its rights and powers set forth in this Agreement, an agent of the Partnership for the purpose of the Partnership's and its Subsidiaries' business, and the actions of the General Partner taken in accordance with such rights and powers, shall bind the Partnership (and no Limited Partners shall have such right) including the Limited Partners; *provided* that, in the case of any provision of this Agreement that explicitly requires or contemplates that the General Partner shall act in good faith or under another explicit standard, any decision or action of the General Partner under or pursuant to such provision shall be consistent with such standard and shall not be conclusive and binding upon the Limited Partners unless so consistent. Third parties dealing with the Partnership may rely conclusively upon any certificate of the General Partner to the effect that it is acting on behalf of the Partnership. Except as expressly provided in this Agreement, the General Partner shall have all necessary powers to carry out the purposes, business, and objectives of the Partnership and its Subsidiaries. The signature of the General Partner shall be sufficient to bind the Partnership in every manner to any agreement or on any document. The General Partner may delegate to Limited Partners, employees, officers or agents of the Partnership or any Subsidiary in its discretion the authority to sign agreements and other documents on behalf of the Partnership or any Subsidiary.

Section 7.02. Withdrawal of the General Partner.

(a) The General Partner may withdraw as the General Partner with the Consent of the Limited Partners at any time; *provided* that the General Partner may, without the Consent of any Partner, withdraw from the Partnership in connection with the Transfer to any Affiliate of PubCorp of all of its general partner interest in the Partnership pursuant to Section 8.04, and appoint such Affiliate as its successor, upon written notice to the Partnership, which withdrawal and replacement shall be effective upon the delivery of such notice.

(b) No Partner, other than the General Partner, may at any time withdraw from the Partnership without the consent of the General Partner, which consent may be granted or withheld in the sole discretion of the General Partner.

(c) The withdrawal of any Partner shall not dissolve the Partnership and the Partnership shall continue notwithstanding such withdrawal.

Section 7.03. Decisions by the Partners.

(a) The Limited Partners shall take no part in the management of the Partnership's business, shall transact no business for the Partnership and shall have no power to act for or to bind the Partnership; *provided, however*, that the Partnership may engage any Limited Partner or principal, partner, member, shareholder or interest holder thereof as an employee, independent contractor or consultant to the Partnership, in which event the duties and liabilities of such individual or firm with respect to the Partnership as an employee, independent contractor or consultant shall be governed by the terms of such engagement with the Partnership.

(b) Except as expressly provided herein, no Limited Partners shall have the power or authority to vote, approve or consent to any matter or action taken by the Partnership.

(c) In making any decisions, the General Partner may rely upon the advice of the independent accountants of, or other third party independent advisers to, the Partnership.

Section 7.04. Fiduciary Duties. The General Partner shall have no obligations, fiduciary or otherwise, with respect to the Partnership or any or all of the Partners other than those expressly set forth herein or as required under the Partnership Act.

Section 7.05. Officers.

(a) Appointment of Officers. The General Partner may appoint individuals as officers ("**Officers**") of the Partnership, which may include such officers as the General Partner determines are necessary and appropriate. No Officer need be a Limited Partner. An individual may be appointed to more than one office.

(b) Authority of Officers. The Officers shall have the duties, rights, powers and authority as may be prescribed by the General Partner from time to time.

(c) Removal, Resignation and Filling of Vacancy of Officers. The General Partner may remove any Officer, for any reason or for no reason, at any time. Any Officer may resign at any time by giving written notice to the Partnership, and such resignation shall take effect at the date of the receipt of that notice or any later time specified in that notice; *provided* that, unless otherwise specified in that notice, the acceptance of the resignation shall not be necessary to make it effective. Any such resignation shall be without prejudice to the rights, if any, of the Partnership or such Officer under this Agreement. A vacancy in any office because of death, resignation, removal or otherwise shall be filled by the General Partner.

ARTICLE 8
TRANSFERS OF INTERESTS

Section 8.01. Restrictions on Transfers.

(a) Except as expressly permitted by Section 8.02, and subject to Section 8.01(b), Section 8.01(c) and Section 8.01(d), any underwriter lock-up agreement applicable to such Partner or any other agreement between such Partner and the Partnership, PubCorp or any of their controlled Affiliates, without the prior written approval of the General Partner, no Limited Partner shall directly or indirectly Transfer all or any part of its Units or any right or economic interest pertaining thereto, including the right to receive or have any economic interest in distributions or advances from the Partnership pursuant thereto. Any such Transfer which is not in compliance with the provisions of this Agreement shall be deemed a Transfer by such Limited Partner of Units in violation of this Agreement (and a breach of this Agreement by such Limited Partner) and shall be null and void *ab initio*. Notwithstanding anything to the contrary in this Article 8 (other than Section 8.01(c)), (i) a Transfer of Registrable Securities (as such term is defined in the Investor Rights Agreement) in accordance with the Investor Rights Agreement shall not be considered a "Transfer" for the purposes of the Agreement and (ii) any other Transfer of shares of Class A Common Stock shall not be considered a "Transfer" for purposes of this Agreement.

(b) Except as otherwise expressly provided herein, it shall be a condition precedent to any Transfer otherwise permitted or approved pursuant to this Article 8 that:

(i) the Transferor shall have provided to the Partnership prior notice of such Transfer; and

(ii) the Transfer shall comply with all Applicable Laws.

(c) Notwithstanding any other provision of this Agreement to the contrary, no Limited Partner shall directly or indirectly Transfer all or any part of its Units (or any right or economic interest pertaining thereto), other than a Transfer expressly contemplated by the Exchange Agreement, unless and until (i) such Limited Partner provides the General Partner with information (including, if requested, reasonable and customary representations and warranties) relating to such proposed Transfer and (ii) the General Partner determines, in its reasonable discretion, that such proposed Transfer (when combined with any other Transfer) could not reasonably be expected to cause the Partnership to be classified as a "publicly traded partnership" as that term is defined in Section 7704 of the Code and Treasury Regulations promulgated thereunder.

(d) Any Transfer of Units pursuant to this Agreement, including this Article 8, shall be subject to the provisions of Section 3.01 and Section 3.02.

Section 8.02. Certain Permitted Transfers. Notwithstanding anything to the contrary herein (other than Section 8.01(c)), the following Transfers shall (subject to Section 8.01(c)) be permitted:

(a) any Permitted Transfer;

(b) any Exchange (as defined in the Exchange Agreement) pursuant to (and permitted by) both the Exchange Agreement and the Investor Rights Agreement;

(c) a pledge by a Limited Partner of the cash distributions (but not, for the avoidance of doubt the underlying Common Units) on up to fifty percent (50%) of the Common Units held in the aggregate by such Limited Partner and his, her or its Affiliates, Immediate Family and Estate Planning Entities; provided that the terms of any such pledges must provide that the lender acknowledges it has no right to foreclose on the underlying Common Units;

(d) (i) a Permitted Pledge or (ii) an exercise by a lender or creditor or any Transferee (including any third-party Transferee) designated by any such lender or creditor of its right of foreclosure under a Permitted Pledge; provided that, as a condition to such Transfer such lender, creditor or other Transferee executes a joinder to the TPG Partner Holdings LPA, the Exchange Agreement and the Investor Rights Agreement agreeing to be bound by the terms and conditions thereto; and

(e) at any time, any Transfer by any Limited Partner of Units to any Transferee approved in writing by the General Partner in its sole discretion and, with respect to any Units held by a TPG Partner Holdings Entity or the TPEP Feeder and for so long as such TPG Partner Holdings Entity or TPEP Feeder is not treated as a disregarded entity for U.S. federal income tax purposes, the indirect transfer of Units by a partner in such TPG Partner Holdings Entity or TPEP Feeder approved in writing by the general partner of such entity.

Section 8.03. Registration of Transfers. When any Units are Transferred in accordance with the terms of this Agreement, the Partnership shall cause such Transfer to be registered on the books of the Partnership.

Section 8.04. General Partner Transfers.

(a) The General Partner shall not Transfer the whole or any fraction of its interest as a general partner in the Partnership except in connection with a withdrawal pursuant to and in accordance with Section 7.02; provided that the General Partner shall have the right, without the Consent of any Partner, to Transfer the whole or any fraction of its interest as a general partner in the Partnership to any Affiliate of PubCorp.

(b) In connection with any Transfer of part but not all of the General Partner's interest as a general partner of the Partnership in accordance with Section 8.04(a), the General Partner may, in its sole discretion, at the time of such Transfer or at anytime thereafter, admit the Transferee of such interest as an additional general partner in respect of the interest Transferred. In connection with the Transfer of all of the General Partner's interest as a general partner of the Partnership, the Transferee of such interest shall be deemed to be admitted as a general partner of the Partnership, as applicable, immediately

prior to the effective time of such Transfer and is authorized to, and shall, continue the business of the Partnership without dissolution. If at any time there is more than one general partner of the Partnership, the withdrawal of one general partner of the Partnership shall not cause the dissolution of the Partnership and the remaining general partner is authorized to, and shall, continue the business of the Partnership without dissolution.

Section 8.05. Required Transfer. Upon the request of the General Partner, a limited partner shall transfer its Common Units to a partnership that will act as a holding entity for Common Units in the TPG Operating Group Partnerships.

ARTICLE 9
LIMITATION ON LIABILITY, EXCULPATION AND INDEMNIFICATION

Section 9.01. Limitation on Liability. The debts, obligations and liabilities of the Partnership, whether arising in contract, tort or otherwise, shall be solely the debts, obligations and liabilities of the Partnership, and, to the fullest extent permitted by Applicable Law, no Covered Person shall be obligated personally for any such debt, obligation or liability of the Partnership; *provided* that the foregoing shall not alter a Partner's obligation to return funds wrongfully distributed to it.

Section 9.02. Exculpation and Indemnification.

(a) Subject to the duties of the General Partner and Officers set forth in Section 7.04, neither the General Partner nor any other Covered Person described in clause (iii) of the definition thereof shall be liable, including under any legal or equitable theory of fiduciary duty or other theory of liability, to the Partnership or to any other Covered Person for any losses, claims, damages or liabilities incurred by reason of any act or omission performed or omitted by such Covered Person in good faith on behalf of the Partnership. There shall be, and each Covered Person shall be entitled to, a presumption that such Covered Person acted in good faith.

(b) A Covered Person shall be fully protected in relying in good faith upon the records of the Partnership and upon such information, opinions, reports or statements presented to the Partnership by any Person as to matters the Covered Person reasonably believes are within such Person's professional or expert competence.

(c) The Partnership shall indemnify and provide advancement to any Covered Person to the fullest extent permitted by law (as such may be amended from time to time), subject only to the limitations set forth in Section 9.08. The rights to indemnification and advancement conferred in this Section shall be contract rights. In furtherance of the foregoing indemnification and advancement obligations, and without limiting the generality thereof:

(i) Proceedings Other Than Proceedings by or in the Right of the Partnership. Any Covered Person shall be entitled to the rights of indemnification and advancement provided in this Section 9.02(c)(i) if, by reason of his or her status as a Covered Person, such Covered Person was, is, will or might be involved as a party, potential party, non-party witness or otherwise in any Proceeding other than a Proceeding by or in the right of the Partnership. Pursuant to this Section 9.02(c)(i), any Covered Person shall be indemnified against all Expenses, judgments, penalties, fines and amounts paid in settlement actually and reasonably incurred by such Covered Person (or on such Covered Person's behalf) in connection with such Proceeding if such Covered Person acted in good faith and in a manner such Covered Person reasonably believed to be in or not opposed to the best interests of the Partnership, and with respect to any criminal Proceeding, had no reasonable cause to believe such Covered Person's conduct was unlawful. The termination of any Proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent, shall not, of itself, create a presumption that such Covered Person did not act in good faith and in a manner which such Covered Person reasonably believed to be in or not opposed to the best interests of the Partnership, and, with respect to any criminal action or proceeding, had reasonable cause to believe that such Covered Person's conduct was unlawful.

(ii) Proceedings by or in the Right of the Partnership. Any Covered Person shall be entitled to the rights of indemnification and advancement provided in this Section 9.02(c)(ii) if, by reason of his or her status as a Covered Person, such Covered Person was, is, will or might be involved as a party, potential party, non-party witness or otherwise in any Proceeding other than a Proceeding by or in the right of the Partnership. Pursuant to this Section 9.02(c)(ii), any Covered Person shall be indemnified against all Expenses actually and reasonably incurred by such Covered Person (or on such Covered Person's behalf) in connection with such Proceeding if such Covered Person acted in good faith and in a manner such Covered Person reasonably believed to be in or not opposed to the best interests of the Partnership; *provided*, *however*, if applicable law so provides, no indemnification against such Expenses shall be made in respect of any claim, issue or matter in such Proceeding as to which such Covered Person shall have been finally adjudged to be liable to the Partnership unless and to the extent that the Court of Chancery of the State of Delaware or the court in which such Proceeding was brought shall determine that such indemnification may be made.

(iii) Other Sources. The Partnership hereby acknowledges that Covered Persons may have certain rights to indemnification, advancement of expenses or insurance provided by sources other than the Partnership ("**Third Party Indemnitors**"). The Partnership hereby agrees (i) that it is the indemnitor of first resort (i.e., its obligations to the Covered Persons are primary and any

obligation of the Third Party Indemnitors to advance expenses or to provide indemnification for the same expenses or liabilities incurred by the Covered Persons are secondary), (ii) that it shall be required to advance the full amount of Expenses incurred by the Covered Persons (or on the Covered Persons' behalf) and shall be liable for the full amount of all Expenses, judgments, penalties, fines and amounts paid in settlement by reason of such Covered Person's status as a Covered Person to the extent legally permitted and as required by the terms of this paragraph from time to time (or any other agreement between the Partnership and the Covered Persons), without regard to any rights the Covered Persons may have against the Third Party Indemnitors and (iii) that it irrevocably waives, relinquishes and releases the Third Party Indemnitors from any and all claims against the Third Party Indemnitors for contribution, subrogation or any other recovery of any kind in respect thereof. The Partnership further agrees that no advancement or payment by the Third Party Indemnitors on behalf of the Covered Persons with respect to any claim for which the Covered Persons have sought indemnification from the Partnership shall affect the foregoing and the Third Party Indemnitors shall have a right of contribution or to be subrogated to the extent of such advancement or payment to all of the rights of recovery of the Covered Persons against the Partnership. The Third Party Indemnitors are express third party beneficiaries of the terms of this paragraph.

(d) The obligations of the Partnership under Section 9.02(c) shall be satisfied solely out of and to the extent of the Partnership's assets, and no Covered Person shall have any personal liability on account thereof.

Section 9.03. Indemnification for Expenses of a Party Who is Wholly or Partly Successful. Notwithstanding any other provision of this Article 9, to the extent that any Covered Person is, by reason of his or her status as a Covered Person, a party to (or participant in) and is successful, on the merits or otherwise, in any Proceeding, or in defense of any claim, issue or matter therein, in whole or in part, such Covered Person shall be indemnified to the maximum extent permitted by law, as such may be amended from time to time, against all Expenses actually and reasonably incurred by such Covered Person or on such Covered Person's behalf in connection therewith. If such Covered Person is not wholly successful in such Proceeding but is successful, on the merits or otherwise, as to one or more but less than all claims, issues or matters in such Proceeding, the Partnership shall, to the fullest extent permitted by applicable law, indemnify such Covered Person against all Expenses actually and reasonably incurred by him or her or on his or her behalf in connection with each successfully resolved claim, issue or matter. For purposes of this Section 9.03 and without limitation, the termination of any claim, issue or matter in such a Proceeding by dismissal, with or without prejudice, shall be deemed to be a successful result as to such claim, issue or matter.

Section 9.04. Employees and Agents. This Article 9 shall not limit the right or ability of the Partnership, to the extent and in the manner permitted by law, to indemnify and to advance expenses to persons other than Covered Persons when and as authorized by appropriate action. Moreover, nothing in this Article 9 shall limit the right or ability of the Partnership, to the extent and in the manner permitted by law, to indemnify and to

advance expenses to officers of the Partnership. Without limiting the generality of the foregoing, the Partnership may, to the extent authorized from time to time by the General Partner, provide rights to indemnification and advancement of expenses to employees and agents of the Partnership.

Section 9.05. Advancement of Expenses. Notwithstanding any other provision of this Article 9, the Partnership shall advance all Expenses incurred by or on behalf of any Covered Person in connection with any Proceeding by reason of such Covered Person's status as a Covered Person within thirty (30) days after the receipt by the Partnership of a statement or statements from such Covered Person requesting such advance or advances from time to time, whether prior to or after final disposition of such Proceeding, and regardless of such Covered Person's ability to repay any such amounts in the event of an ultimate determination that such Covered Person is not entitled thereto. Such statement or statements shall reasonably evidence the Expenses incurred by such Covered Person and shall, to the extent required by law, include or be preceded or accompanied by a written undertaking by or on behalf of such Covered Person to repay any Expenses advanced if it shall ultimately be determined that such Covered Person is not entitled to be indemnified against such Expenses. Any advances and undertakings to repay pursuant to this Section 9.05 shall be unsecured and interest free.

Section 9.06. Non-Exclusivity. The rights to indemnification and to the payment of Expenses incurred in defending a Proceeding in advance of the final disposition of such Proceeding conferred in this Article 9 shall not be exclusive of any other rights which any person may have or hereafter acquire under applicable law. The assertion or employment of any right or remedy in this Article 9, or otherwise, shall not prevent the concurrent assertion or employment of any other right or remedy.

Section 9.07. Insurance. The Partnership shall have the power to purchase and maintain insurance, at its expense, to the fullest extent permitted by law, as such may be amended from time to time. Without limiting the generality of the foregoing, the Partnership shall have the power to purchase and maintain insurance on behalf of any person who is or was or has agreed to become a director, officer, employee or agent of the Partnership, or who is serving, was serving, or has agreed to serve at the request of the Partnership as a director, officer, trustee, general partner, managing member, fiduciary, employee or agent of any other Enterprise, against any liability asserted against him or her and incurred by him or her or on his or her behalf in such capacity, or arising out of his or her status as such, whether or not the Partnership would have the power to indemnify him or her against such liability.

Section 9.08. Exception to Rights of Indemnification and Advancement. Notwithstanding any provision in this Article 9, the Partnership shall not be obligated by this Article 9 to make any indemnity or advancement in connection with any claim made against a Covered Person:

(a) subject to Section 9.02(c)(iii), for which payment has actually been made to or on behalf of such Covered Person under any insurance policy or other indemnity provision, except with respect to any excess beyond the amount paid under any insurance policy or other indemnity provision;

(b) for an accounting of profits made from the purchase and sale (or sale and purchase) by such Covered Person of securities of the Partnership within the meaning of Section 16(b) of the Exchange Act or similar provisions of state statutory law or common law;

(c) for reimbursement to the Partnership of any bonus or other incentive-based or equity based compensation or of any profits realized by Covered Person from the sale of securities of the Partnership in each case as required under the Exchange Act; or

(d) in connection with any Proceeding (or any part of any Proceeding) initiated by such Covered Person, including any Proceeding (or any part of any Proceeding) initiated by such Covered Person against the Partnership or its directors, officers, employees or other Covered Persons, unless (i) the Partnership has joined in or, prior to such Proceeding's initiation, the General Partner authorized such Proceeding (or any part of such Proceeding), (ii) the Partnership provides the indemnification or advancement, in its sole discretion, pursuant to the powers vested in the Partnership under applicable law, or (iii) the Proceeding is one to enforce such Covered Person's rights under this Article 9 or any other indemnification, advancement or exculpation rights to which such Covered Person may at any time be entitled under applicable law or any agreement.

Section 9.09. Right of Covered Person to Bring Suit. If a request for indemnification under Section 9.02 or Section 9.03 is not paid in full by the Partnership within ninety (90) days, or if a request for an advancement of expenses under Section 9.05 is not paid in full by the Partnership within thirty (30) days, in each case, after a written request has been received by the Partnership, the Covered Person may at any time thereafter bring suit against the Partnership in the Court of Chancery of the State of Delaware or any other court of competent jurisdiction in the State of Delaware to recover the unpaid amount of the claim. In any such action, the Partnership shall have the burden of proving that such Covered Person was not entitled to the requested indemnification, advancement or payment of Expenses. It shall be a defense to any such action (other than an action brought to enforce a claim for Expenses incurred in defending any proceeding in advance of its final disposition where the required undertaking, if any is required, has been tendered to the Partnership) that such Covered Person has not met the standards of conduct which make it permissible under this Agreement or the Partnership Act for the Partnership to indemnify such Covered Person for the amount claimed. Neither the failure of the Partnership to have made a determination prior to the commencement of such action that indemnification or advancement is proper in the circumstances because such Covered Person has met the applicable standard of conduct set forth in this Agreement or the Partnership Act, nor an actual determination by the Partnership that such Covered Person has not met such applicable standard of conduct, shall be a defense to the action or create a presumption that such Covered Person has not met any applicable standard of conduct. If successful, in whole or in part, such Covered Person shall also be entitled to be paid the Expenses of prosecuting such action to the fullest extent permitted by law.

Section 9.10. Survival of Indemnification and Advancement of Expenses. The indemnification and advancement of expenses provided by, or granted pursuant to, this Article 9 shall continue as to a person who has ceased to be a director or officer and shall inure to the benefit of the heirs, executors and administrators of such a person.

Section 9.11. Change in Rights. Neither any amendment nor repeal of this Article 9, nor the adoption of any provision in this Agreement inconsistent with this Article 9, shall eliminate or reduce the effect of this Article 9 in respect of any acts or omissions occurring prior to such alteration, amendment, addition to, repeal or adoption.

ARTICLE 10

DISSOLUTION AND TERMINATION

Section 10.01. Dissolution.

(a) The Partnership shall not be dissolved by the admission of Additional Partners or Substitute Partners pursuant to Section 3.02.

(b) No Partner shall (i) resign from the Partnership prior to the dissolution and winding up of the Partnership except in connection with a Transfer of Units pursuant to the terms of this Agreement or (ii) take any action to dissolve, terminate or liquidate the Partnership or to require apportionment, appraisal or partition of the Partnership or any of its assets, or to file a bill for an accounting, except as specifically provided in this Agreement, and each Partner, to the fullest extent permitted by Applicable Law, hereby waives any rights to take any such actions under Applicable Law, including any right to petition a court for judicial dissolution under the Partnership Act.

(c) The Partnership shall be dissolved and its business wound up only upon the earliest to occur of any one of the following events (each a "**Dissolution Event**"):

(i) the last remaining general partner of the Partnership ceases to be the general partner of the Partnership, unless within ninety (90) days after such event the Partners elect in writing to continue the business of the Partnership and to appoint, effective as of the date of such event, a successor general partner;

(ii) the expiration of forty-five (45) days after the sale or other disposition of all or substantially all the assets of the Partnership; or

(iii) upon the approval of the General Partner.

(d) The death, retirement, resignation, expulsion, bankruptcy, insolvency or dissolution of a Partner or the occurrence of any other event that terminates the continued partnership of a Partner of the Partnership shall not in and of itself cause dissolution of the Partnership.

Section 10.02. Winding Up of the Partnership.

(a) The General Partner shall promptly notify the Limited Partners of any Dissolution Event. Upon dissolution, the Partnership's business shall be liquidated in an orderly manner. The General Partner shall appoint a liquidating trustee to wind up the affairs of the Partnership pursuant to this Agreement. In performing its duties, the liquidating trustee is authorized to sell, distribute, exchange or otherwise dispose of the assets of the Partnership in accordance with the Partnership Act and in any reasonable manner that the liquidating trustee shall determine to be in the best interest of the Partners.

(b) The proceeds of the liquidation of the Partnership shall be distributed in the following order and priority:

(i) first, to the creditors (including any Partners or their respective Affiliates that are creditors) of the Partnership in satisfaction of all of the Partnership's liabilities (whether by payment or by making reasonable provision for payment thereof, including the setting up of any reserves which are, in the judgment of the liquidating trustee, reasonably necessary therefor); and

(ii) second, to the Partners in the same manner as distributions under Section 5.03(b) and Section 5.03(f), subject to Section 5.03(e).

(c) In the event it becomes necessary in connection with the liquidation of the Partnership to make a distribution of Property in-kind, subject to the priority set forth in Section 10.02(b), the liquidating trustee shall have the right to compel each Partner to accept a distribution of Property (i) in the case of a holder of Promote Units, constituting Promote Unit Cash or Other Property (which distribution shall be in accordance with the Promote Unit Principles) and (ii) in the case of a holder of Common Units, constituting Distributable Cash or Other Property (which distribution shall be *pro rata* based upon such Partner's Common Percentage), in each case, with such distribution of Property being based upon the amount of cash that would be distributed to such Partners if such Property were sold for an amount of cash equal to the fair market value of such Property, as determined by the liquidating trustee in good faith, subject to the last sentence of Section 5.03(d).

Section 10.03. Termination. The Partnership and this Agreement shall terminate when all of the assets of the Partnership, after payment of or reasonable provision for the payment of all debts and liabilities of the Partnership, shall have been distributed to the Partners in the manner provided for in this Article 10, and the Certificate has been cancelled as provided in Section 17-203 of the Partnership Act.

Section 10.04. Survival. Termination, dissolution, liquidation or winding up of the Partnership for any reason shall not release any party from any liability which at the time of such termination, dissolution, liquidation or winding up already had accrued to any other party or which thereafter may accrue in respect to any act or omission prior to such termination, dissolution, liquidation or winding up.

ARTICLE 11

MISCELLANEOUS

Section 11.01. Expenses. All costs and expenses incurred in connection with this Agreement and the transactions contemplated hereby shall be paid by the party incurring such cost or expense; *provided that* the Partnership shall, in the sole discretion of the General Partner, bear or reimburse the General Partner for (i) any costs, fees or expenses incurred by the General Partner (or any direct or indirect equityholders of the General Partner) in connection with serving as the General Partner, (ii) all other expenses allocable to the Partnership or otherwise incurred by the General Partner (or any direct or indirect equityholders of the General Partner) in connection with operating the Partnership's business (including expenses allocated to the General Partner (or any direct or indirect equityholders of the General Partner) by its Affiliates). If the General Partner determines in its sole discretion that such expenses are related to the business and affairs of the General Partner that are conducted through the Partnership or its subsidiaries (including expenses that relate to the business and affairs of the Partnership or its subsidiaries and that also relate to other activities of the General Partner), the General Partner may cause the Partnership to pay or bear all expenses of the General Partner (or any direct or indirect equityholders of the General Partner), including compensation and meeting costs of any board of directors or similar body of the General Partner, any salary, bonus, incentive compensation and other amounts paid to any Person including Affiliates of the General Partner to perform services for the Partnership, litigation costs and damages arising from litigation, accounting and legal costs and franchise taxes.

Section 11.02. Further Assurances. Each Partner agrees to execute, acknowledge, deliver, file and record such further certificates, amendments, instruments and documents, and to do all such other acts and things, as may be required by Applicable Law or as, in the reasonable judgment of the General Partner, may be necessary or advisable to carry out the intent and purposes of this Agreement.

Section 11.03. Powers of Attorney.

(a) Each Limited Partner hereby constitutes and appoints the General Partner, with full power of substitution as his, her or its true and lawful agent and attorney-in-fact for such Limited Partner and empowers and authorizes such attorney, in the name, place and stead of such Limited Partner, to make, execute, sign, acknowledge, swear to, deliver, record and file in all necessary or appropriate places all documents (and all amendments or supplements to or restatements thereof in accordance with this Agreement) relating to the Partnership and its activities, including:

(i) any amendment to this Agreement that has been adopted as herein provided;

(ii) all certificates and other instruments deemed advisable by the General Partner to comply with the provisions of this Agreement and Applicable Law or to permit the Partnership to become or to continue as a limited partnership or other entity wherein the Limited Partners have limited liability in each jurisdiction where the Partnership may be doing business;

(iii) any applications, forms, certificates, reports or other documents, or amendments thereto, which may be requested or required by any federal, state or local governmental agency, securities exchange, securities association, self- regulatory organization or similar institution and which are deemed necessary or advisable by such General Partner;

(iv) all instruments that the General Partner deems appropriate to reflect a change or modification of this Agreement or the Partnership in accordance with this Agreement, including (x) the admission of Additional Partners in accordance with Section 3.01, or (y) the substitution of assignees as Substitute Partners when a Transfer occurs in accordance with the provisions of Section 8.02 or when a Partner withdraws;

(v) all conveyances and other instruments or papers deemed advisable by the General Partner to effect the dissolution and winding-up of the Partnership pursuant to the provisions of this Agreement;

(vi) all fictitious or assumed name certificates required or permitted to be filed on behalf of the Partnership;

(vii) all other instruments or papers not inconsistent with the terms of this Agreement which may be required by law to be filed on behalf of the Partnership;

(viii) making certain elections contained in the Code or state law governing taxation of limited partnerships; and

(ix) performing any and all other ministerial duties or functions necessary for the conduct of the business of the Partnership.

Each Limited Partner hereby ratifies, confirms and adopts as his own, all actions that may be taken by such attorney-in-fact pursuant to this Section 11.02; *provided* that the power of attorney provided by such Limited Partner under this Section 11.02 may not be used by the General Partner in any manner that is inconsistent with the terms of this Agreement or otherwise outside the scope of the relevant grant of authority. The General Partner confirms that the power of attorney granted herein is intended to be administrative in scope and shall be limited solely to, those items expressly permitted under the relevant grant of authority.

(b) With respect to each Limited Partner, the foregoing power of attorney (i) is deemed coupled with an interest, shall be irrevocable and shall survive the bankruptcy, death or incapacity of such Limited Partner, (ii) may be exercised by the General Partner either by signing separately as attorney-in-fact for such Limited Partner or, executing an instrument, by a single signature of the General Partner acting as attorney-in-fact for all of them, and (iii) shall survive the direct or indirect assignment by such Limited Partner

of the whole or any fraction of its Units; except that, where the assignee of the whole of such Limited Partner's Units has been approved by the General Partner in accordance with the provisions of the Agreement, the power of attorney of the assignor shall survive the delivery of such assignment for the sole purpose of enabling the General Partner to execute, swear to, acknowledge, deliver, record and file any instrument necessary or appropriate to effect such substitution and shall thereafter terminate. The General Partner shall, as soon as reasonably practicable, provide the Limited Partner with copies of any documents signed on behalf of such Limited Partner pursuant to any such power of attorney.

Section 11.04. Notices.

(a) All notices, requests and other communications to any party hereunder shall be in writing (including electronic mail ("**e-mail**") transmission, so long as a receipt of such e-mail is requested and received) and shall be given to such party at the address or e-mail address specified for such party on the Partner Schedule hereto. All such notices, requests and other communications shall be deemed received on the date of receipt by the recipient thereof if received prior to 5:00 p.m. on a Business Day in the place of receipt. Otherwise, any such notice, request or communication shall be deemed to have been received on the next succeeding Business Day in the place of receipt.

or to such other address or email address as the General Partner may designate by notice to the Partners in accordance with this Section 11.04.

(c) The Partners and the Partnership shall have the right from time to time, and at any time during the term of this Agreement, to change their respective addresses and each shall have the right to specify as his, her or its address any other address within the United States of America by giving to the other parties at least thirty (30) days' written notice thereof, in the manner prescribed in Section 11.04(b); *provided*, *however*, that to be effective, any such notice must be actually received (as evidenced by a return receipt).

(d) All notices to any Partner shall be made at the address at which notices are sent unless otherwise specified in writing by any such Partner.

Section 11.05. Binding Effect; Benefit; Assignment.

(a) The provisions of this Agreement shall be binding upon and shall inure to the benefit of the parties hereto and their respective successors and assigns. No provision of this Agreement is intended to confer any rights, benefits, remedies, obligations or liabilities hereunder upon any Person other than the parties hereto and their respective successors and assigns.

(b) Except as provided in Article 8, no Partner may assign, delegate or otherwise transfer any of its rights or obligations under this Agreement without the consent of the General Partner.

Section 11.06. Jurisdiction and Arbitration.

(a) Any dispute, controversy or claim arising out of, relating to or in connection with this Agreement, including, without limitation, any dispute regarding the validity or termination of this Agreement, or the performance or breach hereof, shall be finally settled by arbitration administered by the American Arbitration Association ("AAA"), in accordance with its Commercial Arbitration Rules in effect at the time of the arbitration. The place of arbitration shall be Fort Worth, Texas and the proceedings shall be conducted in the English language. The arbitration shall be conducted by three arbitrators. Each arbitrator shall be a person with significant experience in the financial services industry or representing persons in the financial services industry. Each of the General Partner, on the one hand, and the other parties who are parties to such arbitration and who hold a majority of the Units held by all such parties to the arbitration as of the Effective Date and not Transferred (other than Transfers to Permitted Transferees), on the other hand, shall nominate one arbitrator within 15 days after delivery of a request for arbitration in writing by any of the parties. In the event that any of the parties to the arbitration fail to nominate an arbitrator as and within such time period provided in the preceding sentence, upon request of either of such parties, such arbitrator shall instead be appointed by the AAA within 15 days of receiving such request. The two arbitrators appointed in accordance with the above provisions shall nominate the third arbitrator within 15 days of their appointment. If the first two appointed arbitrators fail to nominate a third arbitrator, then, upon request of the parties to the arbitration, the third arbitrator

shall be appointed by the AAA within 30 days of receiving such request. The third arbitrator shall serve as Chairman of the arbitral tribunal. The arbitrators shall endeavor to render a final award within 90 days of submission of a request for arbitration. Failure to adhere to this time limit shall not be a basis for challenging the award. The award rendered by the arbitrators shall be final and binding on the parties thereto and judgment on such award may be entered in any court of competent jurisdiction. All costs and expenses incurred by the parties in connection with any arbitration hereunder shall be borne by the party against whom the arbitrators' award is rendered, and such party shall promptly reimburse the party in whose favor the arbitrators' award is rendered for any of such costs and expenses incurred by such party.

(b) By agreeing to arbitration, the parties do not intend to deprive any court with jurisdiction of its ability to issue a preliminary injunction, attachment or other form of provisional remedy in aid of the arbitration, and a request for such provisional remedies by a party to a court shall not be deemed a waiver of this agreement to arbitrate. In addition to the authority conferred upon the arbitrators by the rules specified above, the arbitrators shall also have the authority to grant provisional remedies, including injunctive relief.

(c) Except as may be required by Applicable Law or court order, the parties agree to maintain confidentiality as to all aspects of any arbitration arising out of, relating to or in connection with this Agreement, including any such arbitration's existence and results, except that nothing herein shall prevent a party from disclosing information regarding such arbitration for purposes of enforcing the award or this arbitration clause, or in any court proceeding requesting the issuance of provisional remedies in accordance with Section 11.06(b). The parties further agree to obtain the arbitrators' agreement to preserve the confidentiality of the arbitration.

(d) Without limiting the foregoing, each party agrees that service of process on such party as provided in Section 11.04 shall be deemed effective service of process on such party.

Section 11.07. Counterparts; Electronic Signatures. This Agreement may be signed in any number of counterparts, each of which shall be an original, with the same effect as if the signatures thereto and hereto were upon the same instrument. Until and unless each party has received a counterpart hereof signed by the other party hereto, this Agreement shall have no effect and no party shall have any right or obligation hereunder (whether by virtue of any other oral or written agreement or other communication). The parties irrevocably and unreservedly agree that the document(s) in question may be executed by way of electronic signatures and the parties agree that such document(s), or any part thereof, shall not be challenged or denied any legal effect, validity and/or enforceability solely on the ground that it is in the form of an electronic record.

Section 11.08. Entire Agreement; Third Party Beneficiaries. This Agreement (including all schedules and annexes hereto) constitute the entire agreement between the parties with respect to the subject matter of this Agreement and supersede all prior agreements and understandings, both oral and written, between the parties with respect to the subject matter of this Agreement; *provided* that notwithstanding any other provision of this Agreement, the General Partner, on its own behalf or on behalf of the Partnership, without any act, consent or approval of any Partners, may from time to time enter into, deliver and perform other written agreements with one or more Partners establishing rights under, or supplementing or altering the terms of, this Agreement with respect to such Partners signatory thereto. Nothing in this Agreement shall create any third-party beneficiary rights in favor of any Person or other party, except to the extent provided herein with respect to Third Party Indemnitors, each of whom are intended third-party beneficiaries of those provisions that specifically relate to them with the right to enforce such provisions as if they were a party hereto.

Section 11.09. Severability. If any term, provision, covenant or restriction of this Agreement is held by a court of competent jurisdiction or other Governmental Authority to be invalid, void or unenforceable, the remainder of the terms, provisions, covenants and restrictions of this Agreement shall remain in full force and effect and shall in no way be affected, impaired or invalidated so long as the economic or legal substance of the transactions contemplated hereby is not affected in any manner materially adverse to any party. Upon such a determination, the parties shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible in an acceptable manner in order that the transactions contemplated hereby are consummated as originally contemplated to the fullest extent possible.

Section 11.10. Amendment.

(a) This Agreement can be amended at any time and from time to time by the General Partner; *provided that*, in addition to the approval of the General Partner, no amendment to this Agreement may, by its terms, adversely modify in any material respect the Units (or the rights, preferences or privileges of the Units) then held by any Partners in any materially disproportionate manner to those then held by any other Partners without the prior written consent of a majority in interest of such disproportionately affected Partner or Partners. Notwithstanding the foregoing, the General Partner shall have full authority without the consent of any other Person to revise the Promote Units Principles from time to time.

(b) No waiver of any provision or default under, nor consent to any exception to, the terms of this Agreement or any agreement contemplated hereby shall be effective unless in writing and signed by the party to be bound and then only to the specific purpose, extent and instance so provided.

Section 11.11. Confidentiality.

(a) Each Partner shall, and shall direct those of its Affiliates and their respective directors, officers, members, stockholders, partners, employees, attorneys, accountants, consultants, trustees and other advisors (the "**Partner Parties**") who have access to Confidential Information to, keep confidential and not disclose any Confidential Information to any Person other than a Partner Party who agrees to keep such Confidential Information confidential in accordance with this Section 11.11, in each case without the express consent, in the case of Confidential Information acquired from the Partnership, of the General Partner or, in the case of Confidential Information acquired from another Partner, such other Partner, unless (in each case, subject to Section 11.11(c)):

(i) with the prior written consent of the General Partner;

(ii) to Partner Parties who either agree in writing to keep such Confidential Information confidential or are otherwise legally obligated to maintain such Confidential Information as confidential;

(iii) such disclosure is required by Applicable Law;

(iv) such disclosure is reasonably required in connection with any tax audit or tax compliance involving the Partnership or any Partner or its Affiliates; or

(v) such disclosure is reasonably required in connection with any proposed Transfer of all or any part of such Partner's Units in the Partnership; *provided* that with respect to any such use of any Confidential Information referred to in this clause (v), advance notice must be given to the General Partner so that it may require any proposed Transferee that is not a Partner to enter into a confidentiality agreement containing terms substantially similar to the terms of this Section 11.11 (excluding this clause (v)) prior to the disclosure of such Confidential Information.

(b) "**Confidential Information**" means any information related to the activities of the Partnership, the Partners and their respective Affiliates that a Partner may acquire from the Partnership or the Partners, other than information that (i) is already available through publicly available sources of information (other than as a result of disclosure by such Partner), (ii) was available to a Partner on a non-confidential basis prior to its disclosure to such Partner by the Partnership, or (iii) becomes available to a Partner on a non-confidential basis from a third party, provided such third party is not known by such Partner, after reasonable inquiry, to be bound by this Agreement or another confidentiality agreement with the Partnership. Such Confidential Information may include information that pertains or relates to the business and affairs of any other Partner or any other Partnership matters. Confidential Information may be used by a Partner and its Partner Parties only in connection with Partnership matters and in connection with the maintenance of its interest in the Partnership.

(c) In the event that any Partner or any Partner Parties of such Partner is required to disclose any of the Confidential Information, such Partner shall use reasonable efforts to provide the Partnership with prompt written notice so that the Partnership may seek a protective order or other appropriate remedy or waive compliance with the provisions of this Agreement, and such Partner shall use reasonable efforts to cooperate with the Partnership in any effort any such Person undertakes to obtain a protective order or other remedy. In the event that such protective order or other remedy

is not obtained, or that the Partnership waives compliance with the provisions of this Section 11.11, such Partner and its Partner Parties shall furnish only that portion of the Confidential Information that is required and shall exercise all reasonable efforts to obtain reasonably reliable assurance that the Confidential Information shall be accorded confidential treatment.

(d) Notwithstanding a Partner ceasing to hold any Units, such Partner's obligations under this Section 11.11 shall survive.

Section 11.12. Governing Law. This Agreement will be governed by and construed in accordance with the internal laws of the State of Delaware without giving effect to choice of law principles that would require the application of the laws of another state, except that the arbitration provisions set forth in Section 11.06, shall be construed and enforced in accordance with the Federal Arbitration Act, Title 9, United States Code.

Section 11.13. Waiver. No consent or waiver, express or implied, by any Partner to or for any breach or default by any other Partner in the performance by such other Partner of his, her or its obligations under this Agreement shall be deemed or construed to be a consent or waiver to or of any other breach or default in the performance by such other Partner of the same or any other obligations of such other Partner under this Agreement. Failure on the part of any Partner to complain of any act or failure to act of any of the other Partners or to declare any of the other Partners in default, regardless of how long such failure continues, shall not constitute a waiver by such Partner of his or its rights hereunder. The rights and remedies herein provided shall be cumulative and not exclusive of any rights or remedies provided by Applicable Law.

Section 11.14. Waiver of Immunity. Each Partner, to the extent that it has or may hereafter acquire any immunity from the jurisdiction of any court or from any legal process (whether through service or notice, attachment prior to judgment, attachment in aid to execution, execution or otherwise) with respect to itself or its property, hereby irrevocably waives such immunity in respect of its obligations under this Agreement and agrees that such obligations shall be deemed to be, and interpreted as, obligations with respect to which such Partner may not assert immunity as a defense.

Section 11.15. Specific Performance. The parties agree that irreparable damage would occur in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms. It is accordingly agreed that the parties shall be entitled to specific performance of the terms hereof, this being in addition to any other remedies to which they are entitled at law or in equity.

Section 11.16. Offset. Section 2.4 Registration, Registration of Transfer and Exchange.

(a) The Issuers shall cause the Notes to be Registered and shall cause to be kept the Register in which, subject to such reasonable regulations as it may prescribe, the Issuers shall provide for the registration of the Notes (including the identity of the Holders and the Outstanding principal amounts and stated interest on the Notes (which amounts shall include the amounts of any Additional Notes under Section 2.9)) and the registration of all assignments and transfers of the Notes. If any holder of one or more Notes is a nominee, then (a) the name and address of the beneficial owner of such Note or Notes shall also be registered in such register as an owner and holder thereof and (b) at any such beneficial owner's option, either such beneficial owner or its nominee may execute any amendment, waiver or consent pursuant to this Indenture. The Trustee is hereby initially appointed, solely for this purpose as agent of the Issuers to act as "Registrar" for the purpose of registering and recording in the Register the Notes and assignments and transfers of such Notes as herein provided. Upon any resignation or removal of the Registrar, the Issuer shall promptly appoint a successor.

If a Person other than the Trustee is appointed by the Issuer as Registrar, the Issuers will give the Trustee prompt written notice of the appointment of a Registrar and of the location, and any change in the location, of the Registrar, and the Trustee shall have the right to inspect the Register at all reasonable times and to obtain copies thereof and the Trustee shall have the right to rely upon a certificate executed on behalf of the Registrar by an Officer thereof as to the names and addresses of the Holders of the Notes and the principal amounts or notional amounts, as the case may be, of such Notes.

Subject to this Section 2.4, upon surrender for registration of transfer of any Notes at the Corporate Trust Office of the Trustee, the surrendered Notes shall be returned to the Issuer marked "canceled," and retained or destroyed by the Trustee in accordance with its standard retention policy and the Issuers shall execute, and the Trustee, upon Issuer Order, shall authenticate and deliver in the name of the designated transferee or transferees, one or more new Notes of any authorized denomination and of a like aggregate principal amount or notional amount, as the case may be.

The Issuers or the Servicer, as applicable, will notify the Trustee in writing of any Note beneficially owned by or pledged to any Issuer, the Servicer or any of their respective Affiliates promptly upon its knowledge of the acquisition thereof or the creation of such pledge. The Issuers and the Servicer will not and will not permit any of their respective Affiliate to purchase, redeem, prepay or otherwise acquire, directly or indirectly, any of the outstanding Notes except upon the payment or prepayment of the Notes in accordance with this Indenture and the Notes. The Trustee will promptly cancel all Notes acquired by any Issuer, the Servicer or any of their Affiliate pursuant to any payment or prepayment of Notes pursuant to this Indenture and no Notes may be issued in substitution or exchange for any such Notes.

All Notes issued and authenticated upon any registration of transfer or exchange of the Notes shall be the valid obligations of each Issuer, evidencing the same debt and entitled to the same benefits under this Indenture as the Notes surrendered upon such registration of transfer or exchange.

A Note, and the rights to payments evidenced thereby, may be assigned or otherwise transferred in whole or in part pursuant to the terms of this Section 2.4 only by the registration of such assignment and transfer of such Note (and each Note shall so expressly provide on the Register). No transfer of a Note shall be effective unless such transfer shall have been recorded in the Register by the Registrar as provided in this Section 2.4. Any assignment or transfer of all or part of such Note shall be registered on the Register only upon surrender for registration of transfer or exchange shall be accompanied by a written instrument of transfer in form satisfactory to the Issuers and the Registrar, duly executed by the Holder thereof or his attorney duly authorized in writing. The Registrar may request evidence reasonably satisfactory to it proving the identity of the transferee or the transferor or the authenticity of their signatures. Prior to the due presentment for registration of transfer of any Note and in the absence of manifest error, the Issuers, the Trustee and the Registrar shall treat the Person in whose name such Note is registered as the owner thereof for the purpose of receiving all payments or distribution thereon as the case may be, and for all other purposes, notwithstanding any notice to the contrary.

No service charge shall be made to a Holder for any exchange of the Notes, but the Issuers may require payment of a sum sufficient to cover any stamp tax or other governmental charge that may be imposed in connection with any exchange of the Notes.

The Issuers shall not be required (i) to issue, register the transfer of or exchange any Note during a period beginning at the opening of business 15 days before any scheduled Payment Date or Redemption Date and ending at the close of business on such date, or (ii) to register the transfer of or exchange any Note redeemed on such date.

(b) No Note may be sold or transferred (including, by pledge or hypothecation) unless such sale or transfer is exempt from the registration requirements of the Securities Act and is exempt under applicable state securities laws and will not cause any of the Issuers or the pool of collateral to become subject to the requirement that it register as an investment company under the Investment Company Act.

(c) No Note may be sold or transferred (including, by pledge or hypothecation) (i) except in accordance with applicable law to U.S. Persons or Canadian Persons that are Qualified Institutional Buyers and Qualified Purchasers and (ii) except upon the occurrence and continuation of an Event of Default, to any Disqualified Purchaser.

(d) Notes may only be transferred (including, by pledge or hypothecation) to U.S. Persons or Canadian Persons that are Qualified Institutional Buyers and Qualified Purchasers so long as, except upon the occurrence and continuation of an Event of Default, such Person is any of (A) existing Noteholders, (B) Affiliates of existing Noteholders that are not Disqualified Purchasers or (C) Persons who are included on the Permitted Transferee List as of the Series B Closing Date, *provided* that if a Person on the Permitted Transferee List becomes a Disqualified Purchaser, such Person shall be deemed removed from the Permitted Transferee List (each of the foregoing, an "Eligible Transferee").

(e) [Reserved].

(f) Any transferee, by its acceptance of a Note registered in its name (or the name of its nominee), shall be deemed to have (i) made the representation set forth in Section 6.2 of the Note Purchase Agreement and (ii) represented that it is a U.S. Person or a Canadian Person that is both a Qualified Institutional Buyer and a Qualified Purchaser.

(g) Any purported transfer of a Note not in accordance with this Section 2.4 shall be null and void and shall not be given effect for any purpose hereunder.

(h) Nothing in this Section 2.4 shall be construed to limit any contractual restrictions on transfers of the Notes or interests therein that may apply to any Person.

(i) If any Person that is not a Qualified Institutional Buyer and a Qualified Purchaser, is not a U.S. Person or Canadian Person or is a Disqualified Purchaser, shall become the owner of any Note (any such Person, a "Non-Permitted Holder"), the Issuers or the Trustee on its behalf shall, promptly after discovery that such Person is a Non-Permitted Holder by the Issuer or the Trustee (and notice by the Trustee to the Issuer), send notice to such Non-Permitted Holder demanding that such Non-Permitted Holder transfer its interest to a Person that is not a Non-Permitted Holder within 30 days of the date of such notice. If such Non-Permitted Holder fails to so transfer its Notes, the Issuer shall have the right, without further notice to the Non-Permitted Holder, to sell such Notes or such Non-Permitted Holder's interest in such Notes to a purchaser selected by the Issuer that is not a Non-Permitted Holder on such terms as the Issuer may choose. The Issuer, with the assistance of an independent investment bank of national reputation engaged at the expense of the Issuer, shall select the purchaser by soliciting one or more bids from one or more brokers or other market professionals that regularly deal in securities similar to the Notes and selling such Notes to the highest such bidder. However, the Issuer may select a purchaser by any other means determined by it in its sole discretion. The Holder of each Note, the Non-Permitted Holder and each other Person in the chain of title from the Holder to the Non-Permitted Holder, by their acceptance of an interest in the Notes, agree to cooperate with the Issuer and the Trustee to effect such transfers. The proceeds of such sale, net of any commissions, expenses and taxes due in connection with such sale, shall be remitted to the Non-Permitted Holder. The terms and conditions of any sale under this subsection shall be determined in the sole discretion of the Issuer, and the Issuer shall not be liable to any Person having an interest in the Notes sold as a result of any such sale or the exercise of such discretion.

(j) Notwithstanding anything contained herein to the contrary, neither the Trustee nor the Registrar shall be responsible for ascertaining whether any transfer complies with the registration provisions of or any exemptions from the Securities Act, applicable state securities laws or the applicable laws of any other jurisdiction.

Section 2.5 Mutilated, Destroyed, Lost or Stolen Notes.

If (i) any mutilated Note is surrendered to the Trustee, or if there shall be delivered to the Issuers and the Trustee evidence to their reasonable satisfaction of the destruction, loss or theft of any Note and (ii) there is delivered to the Issuers and the Trustee such security or indemnity as may be required by them to save each of them and any agent of any of them harmless; provided that an unsecured agreement to indemnify of an institutional investor with a net worth in excess of $100,000,000 may be deemed satisfactory in the sole discretion of the Trustee for such purpose, then, in the absence of written notice to the Issuers, a Trust Officer of the Trustee that such Note has been acquired by a Protected Purchaser, the Issuers shall execute and, upon Issuer Request, the Trustee shall authenticate and deliver, in lieu of any such mutilated, destroyed, lost or stolen Note, a new Note of same tenor and principal amount or notional amount, as applicable, and bearing a number not contemporaneously outstanding.

If, after delivery of such new Note, a Protected Purchaser of the predecessor Note presents for payment, transfer or exchange such predecessor Note, the Issuer and the Trustee shall be entitled to recover such new Note from the Person to whom it was delivered or any Person taking therefrom, and shall be entitled to recover upon the security or indemnity provided therefor to the extent of any loss, damage, cost or expense incurred by the Issuer and the Trustee in connection therewith.

In case any such mutilated, destroyed, lost or stolen Note has become due and payable, the Issuers in their discretion may, instead of issuing a new Note pay such Note without requiring surrender thereof except that any mutilated Note shall be surrendered.

Upon the issuance of any new Note under this Section 2.5, the Issuers or the Trustee may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Trustee) connected therewith.

Every new Note issued pursuant to this Section 2.5 in lieu of any mutilated, destroyed, lost or stolen Note shall constitute an original additional contractual obligation of the Issuers, and such new Note shall be entitled, subject to the second paragraph of this Section 2.5, to all the benefits of this Indenture equally and proportionately with any and all other Notes duly issued hereunder.

The provisions of this Section 2.5 are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Notes.

Section 2.6 Payment of Principal and Interest, Preservation of Rights.

(a) Interest on the Notes shall be due and payable on each Payment Date. Additional Interest shall be due and payable on each Payment Date occurring after the Reinvestment Period as amounts are available for payment thereof. The principal of each Note shall be due and payable on the Stated Maturity thereof unless the unpaid principal of such Note becomes due and payable at an earlier date by declaration of acceleration, call for redemption or otherwise.

(b) All sums becoming due on the Notes for principal, the Make-Whole Amount, if any, interest and all other amounts shall be payable by the Trustee by wire transfer in immediately available funds pursuant to such wire instruction specified for such purpose below such Purchaser's name in the Purchaser Schedule, or by such other method or at such other address as such Purchaser shall have from time to time specified in writing to the Issuers and the Trustee. Upon final payment due on the Maturity of a Note, the Holder thereof shall present and surrender such Note at the Corporate Trust Office of the Trustee on or prior to such Maturity; *provided* that, if there is delivered to the Issuers and the Trustee such security or indemnity as may be required by them to save each of them harmless and an undertaking thereafter to surrender such certificate; *provided further* that an unsecured agreement to indemnify of an institutional investor with a net worth in excess of $100,000,000 may be deemed satisfactory in the sole discretion of the Trustee for such purpose, then, in the absence of notice to the Issuer or the Trustee that the applicable Note has been acquired by a Protected Purchaser, such final payment shall be made without presentation or surrender. Anything in this Indenture or the Notes to the contrary notwithstanding, (x) except as set forth in clause (y), any payment of interest on any Note that is due on a date that is not a Business Day shall be made on the next succeeding Business Day without including the additional days elapsed in the computation of the interest payable on such next succeeding Business Day; and (y) any payment of principal of or Make-Whole Amount on any Note (including principal due on the Stated Maturity thereof) that is due on a date that is not a Business Day shall be made on the next succeeding Business Day and shall include the additional days elapsed in the computation of interest payable on such next succeeding Business Day.

(c) Subject to the foregoing provisions of this Section 2.6, each Note delivered under this Indenture and upon registration of transfer of or in exchange for or in lieu of any other Note shall carry the rights of unpaid interest and principal that were carried by such other Note.

(d) Notwithstanding any of the foregoing provisions with respect to payments of principal of and interest on the Notes, if the Notes have become or been declared due and payable following an Event of Default and such acceleration of Maturity and its consequences have not been rescinded and annulled, then payments of principal of and interest on such Notes shall be made in accordance with Section 5.6.

Section 2.7 Cancellation.

All Notes surrendered for payment, registration of transfer, exchange or redemption, or deemed lost or stolen, shall, if surrendered to any Person other than the Trustee, be delivered to the Trustee and shall be promptly cancelled by it. No Notes shall be authenticated in lieu of or in exchange for any Notes cancelled as provided in this Section 2.7, except as expressly permitted by this Indenture. All cancelled Notes held by the Trustee shall be destroyed or held by the Trustee in accordance with its standard retention policy unless the Issuers shall direct by an Issuer Order that they be returned to the Issuer. No Notes shall be cancelled except under the circumstances specified in this Section 2.7.

Section 2.8 No Gross Up.

No Issuer shall be obligated to pay any additional amounts to the Holders or beneficial owners of the Notes to compensate for any withholding or deduction for, or on account of, any present or future taxes, duties, assessments or governmental charges required with respect to amounts payable under the Notes.

Section 2.9 Additional Notes.

(a) Additional Notes (including Additional Notes with a Stated Maturity after the Stated Maturity of the Initial Notes) may be issued from time to time subject to the terms and conditions herein, including the terms set forth in subsection (b) below (each such issuance, an “Additional Issuance”). The Registrar will make a record of each such Additional Note in the Register.

(b) No Additional Notes shall be issued or authenticated unless:

(i) such Additional Notes are issued pursuant to a supplemental indenture in accordance with Section 8.1 and pursuant to a note purchase agreement substantially in the form of the Note Purchase Agreement with respect to the Initial Notes;

(ii) such Additional Notes that are not issued in a ‘‘qualified reopening’’ for U.S. federal income tax purposes, with no more than a de minimis amount of original issue discount or otherwise as part of the same ‘‘issue’’ for U.S. federal income tax purposes, shall be issued under a separate private placement number;

(iii) no Default or Event of Default has occurred and is continuing;

(iv) such Additional Notes shall rank *pari passu* with the Initial Notes in payment and lien priority and shall have the same rights with respect to the Collateral as the holders of the Initial Notes;

(v) the Rating Agency shall have confirmed that the issuance of such Additional Notes will not result in a downgrade or withdrawal of the Rating Agency's rating then in effect with respect to the Initial Notes;

(vi) after giving effect to such Additional Issuance, the Debt to Asset Ratio shall be less than or equal to 70%;

(vii) the Issuers shall have caused to be deposited the Additional Notes Interest Reserve Amount into the Interest Reserve Account; and

(viii) such Additional Notes shall not mature earlier than the Stated Maturity of the Initial Notes.

Section 2.10 Tax Certification.

Each Holder and beneficial owner of a Note, by acceptance of such Note or an interest in such Note, shall be deemed to understand and acknowledge that failure to provide the Issuers or the Trustee with the properly completed and signed applicable tax certifications may result in withholding from payments in respect of such Note, including U.S. federal withholding or back-up withholding. In the case of any such Holder that is a U.S. Person, such Holder shall provide to the Issuers or the Trustee a valid and properly executed IRS Form W-9, including such Holder's United States tax identification number, and any other forms reasonably requested by the Issuers necessary to establish such Holder's status as a U.S. Person under FATCA and as may otherwise be necessary for the Issuers to comply with their obligations under FATCA and any other tax reporting or withholding requirement imposed on the Issuer (or its direct and indirect owners). In the case of any such holder that is not a U.S. Person, such Holder shall provide to the Issuers or the Trustee a valid and properly executed IRS Form W-8BEN, IRS Form W-8BEN-E, IRS Form W-8ECI or W-8IMY, as applicable, together with all applicable attachments and such documentation prescribed by applicable law (including as prescribed by section 1471(b)(3)(C)(i) of the Code) and such additional documentation as may be necessary for the Issuers to comply with their obligations under FATCA and any other tax reporting or withholding requirement imposed on the Issuers (or it its direct and indirect owners) and to determine that such Holder has complied with such Holder's obligations under FATCA or to determine the amount (if any) to deduct and withhold from any such payment made to such Holder.

(e) the institution by any Issuer of Proceedings for an Obligor to be adjudicated as bankrupt or insolvent, or the consent by an Issuer to the institution of bankruptcy or insolvency Proceedings against an Issuer, or the filing by an Obligor of a petition or answer or consent seeking reorganization or relief under any Bankruptcy Law or any other applicable law, or the consent by an Issuer to the filing of any such petition or to the appointment of a receiver, liquidator, assignee, trustee or sequestrator (or other similar official) of an Issuer or of any substantial part of the property of an Obligor, or the making by an Issuer of an assignment for the benefit of creditors, or the admission by an Issuer in writing of its inability to pay its debts generally as they become due, or the taking of any action by an Issuer in furtherance of any such action;

(f) a Default in the performance, or the breach, of the covenant in Section 7.7;

(g) except as otherwise provided in this Section 5.1, a Default in the performance, or the breach, of any other covenant or other agreement of any Obligor in this Indenture or in any other Transaction Documents, or the failure of any representation or warranty of an Obligor made in this Indenture or in any other Transaction Document or in any certificate or other writing delivered pursuant hereto or thereto or in connection herewith or therewith to be correct in all material respects when the same shall have been made, and the continuation of such Default, breach or failure for a period of 30 days which, in the aggregate, give rise to a Material Adverse Effect after the earlier of (x) written notice to the Issuers (which may be by e-mail) by the Trustee or to the Issuers and a Trust Officer of the Trustee by the Holders of at least a Majority of the Noteholders, specifying such Default, breach or failure and requiring it to be remedied and stating that such notice is a "Notice of Default" hereunder and (y) actual knowledge of the Issuers;

(h) after the resignation, removal or termination of the Servicer under the Servicing Agreement, a successor Servicer has not been appointed within 90 days;

(i) the Trustee ceases to have a fully valid and perfected first priority lien with respect to the Collateral;

(j) one or more final judgments or orders by a court of competent jurisdiction for the payment of money aggregating in excess of $10,000,000 (or its equivalent in the relevant currency of payment and exclusive of any amounts fully covered by insurance), including any such final order enforcing a binding arbitration decision, are rendered against any Issuer and which judgments are not, within 60 days after entry thereof, bonded, discharged or stayed pending appeal, or are not discharged within 60 days after the expiration of such stay;

(k) any Obligor or the portfolio of collateral becomes an investment company required to be registered under the Investment Company Act and such requirement has not been eliminated after a period of 45 days;

(l) the occurrence of a Change of Control; or

(m) a Default in the performance, or the breach, of any covenant or other agreement of any Holding Company in the Support Letter or any other Transaction Document to which such Holding Company is party, or the failure of any representation or warranty of any Holding Company made in the Support Letter or any other Transaction Document to which such Holding Company is party to be correct in all material respects when the same shall have been made, and the continuation of such Default, breach or failure for a period of 30 days which, in the aggregate, give rise to a Material Adverse Effect after written notice to the relevant Holding Company (which may be by e-mail) by the Trustee or to the relevant Holding Company and a Trust Officer of the Trustee by the Holders of at least a Majority of the Noteholders, specifying such Default, breach or failure and requiring it to be remedied and stating that such notice is a "Notice of Default" hereunder.

Upon the occurrence of an Event of Default, the Issuers shall promptly notify a Trust Officer of the Trustee, the Servicer and the Holders in writing.

Section 5.2 Acceleration of Maturity; Rescission and Annulment.

(a) If an Event of Default occurs and is continuing (other than an Event of Default specified in Section 5.1(d) or 5.1(e)), the Trustee, if a Trust Officer has actual knowledge thereof, may by notice to the Issuers or shall, at the written direction of a Majority of the Noteholders by notice to the Issuers (and the Trustee shall in turn provide notice to the Holders of all the Notes then Outstanding) declare the principal of and accrued and unpaid interest (including any Additional Interest and interest accrued thereon, if any, at the Default Rate) on all the Notes to be immediately due and payable, and upon any such declaration such principal, together with all accrued and unpaid interest thereon, and other amounts payable hereunder, shall become immediately due and payable. If an Event of Default specified in Section 5.1(d) or (e) occurs, all unpaid principal, together with all accrued and unpaid interest thereon (including interest accrued thereon, if any, at the Default Rate), of all the Notes, and other amounts payable hereunder, shall automatically become due and payable without any declaration or other act on the part of the Trustee or any Noteholder. If any Event of Default described in Section 5(b) has occurred and is continuing, any holder or holders of Notes at the time outstanding affected by such Event of Default may at any time, at its or their option, instruct the Trustee to, and the Trustee shall by notice to the Issuers, declare all the Notes held by it or them to be immediately due and payable.

(b) At any time after such a declaration of acceleration of the Stated Maturity has been made and before a judgment or decree for payment of the money due has been obtained by the Trustee as hereinafter provided in this Article V, a Majority of the Noteholders, by written notice to the Issuer and the Trustee, may rescind and annul such declaration and its consequences if:

(i) the Issuer has paid or deposited with the Trustee a sum sufficient to pay, and shall pay:

(x) all overdue installments of interest on, principal and Make-Whole Amount, if any, of the Notes (other than amounts due solely as a result of such acceleration); and

(y) all unpaid taxes and Administrative Expenses and other sums due hereunder and the reasonable compensation, expenses and disbursements of the Trustee and its agents and counsel and accrued and unpaid Servicing Fees; and

(ii) a Trust Officer of the Trustee has actual knowledge or has received written notice that either (1) all Events of Default, other than the non-payment of the interest on, principal and Make-Whole Amount, if any, of the Notes that have become due solely by such acceleration, have been cured and a Majority of the Noteholders by written notice to the Trustee has agreed or consented to such cure or (2) a Majority of the Noteholders by written notice to the Trustee has waived such Event of Default as provided in Section 5.13.

No such rescission shall affect any subsequent Default or impair any right consequent thereon.

Section 5.3 Collection of Indebtedness and Suits for Enforcement by Trustee.

If an Event of Default has occurred and is continuing and the Notes have been declared due and payable and such declaration and its consequences have not been rescinded and annulled, or at any time on or after the Stated Maturity, the Trustee shall upon written direction of a Majority of the Noteholders (subject to the terms hereof) proceed to protect and enforce its rights and the rights of the Secured Parties by such appropriate Proceedings, in its own name and as trustee of an express trust, as the Trustee shall reasonably deem most effective (if no direction by a Majority of the Noteholders is received

by the Trustee) or as the Trustee may be directed by a Majority of the Noteholders, to protect and enforce any such rights, whether for the specific enforcement of any covenant or agreement in this Indenture or in aid of the exercise of any power granted herein, or to enforce any other proper remedy or legal or equitable right vested in the Trustee by this Indenture or by law.

In case there shall be pending Proceedings relative to any Obligor upon the Notes under the Bankruptcy Law or any other applicable bankruptcy, insolvency or other similar law, or in case a receiver, assignee or trustee in bankruptcy or reorganization, liquidator, sequestrator or similar official shall have been appointed for or taken possession of any Obligor or its property, or in case of any other comparable Proceedings relative to an Obligor upon the Notes, or the creditors or property of an Obligor, the Trustee, regardless of whether the principal of any Notes shall then be due and payable as therein expressed or by declaration or otherwise and regardless of whether the Trustee shall have made any demand pursuant to the provisions of this Section 5.3, shall be entitled and empowered, by intervention in such Proceedings or otherwise:

(a) to file and prove a claim or claims for the whole amount of principal, Make-Whole Amount, if any, and interest owing and unpaid in respect of each of the Notes and, to file such other papers or documents and take such other actions as may be necessary, including sitting on a committee of creditors, or advisable in order to have the claims of the Trustee (including any claim for reasonable compensation to the Trustee and each predecessor Trustee, and their respective agents, attorneys and counsel, and for reimbursement of all expenses and liabilities incurred, and all advances made, by the Trustee and each predecessor Trustee) and of the Holders of the Notes allowed in any Proceedings relative to an Obligor upon the Notes or to the creditors or property of such Obligor;

(b) unless prohibited by applicable law and regulations, to vote on behalf of the Holders of the Notes in any election of a trustee or a standby trustee in arrangement, reorganization, liquidation or other bankruptcy or insolvency Proceedings or a Person performing similar functions in comparable Proceedings; and

(c) to collect and receive any monies or other property payable to or deliverable on any such claims, and to distribute all amounts received with respect to the claims of the Holders of the Notes and of the Trustee on their behalf; and any trustee, receiver or liquidator, custodian or other similar official is hereby authorized by each of the Holders of the Notes to make payments to the Trustee, and, in the event that the Trustee shall consent to the making of payments directly to the Holders of the Notes, to pay to the Trustee such amounts as shall be sufficient to cover reasonable compensation to the Trustee, each predecessor Trustee and their respective agents, attorneys and counsel, and all other reasonable expenses and liabilities incurred, and all advances made, by the Trustee and each predecessor Trustee, except as a result of its negligence or bad faith.

Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or vote for or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder thereof or to authorize the Trustee to vote in respect of the claim of any Holder in any such Proceeding except, as aforesaid, to vote for the election of a trustee in bankruptcy or similar Person.

In any Proceedings brought by the Trustee on behalf of the Holders of the Notes (and any such Proceedings involving the interpretation of any provision of this Indenture to which the Trustee shall be a party), the Trustee shall be held to represent all the Holders of the Notes.

Section 5.4 Remedies.

(a) If an Event of Default shall have occurred and be continuing, and the Notes have been declared due and payable and such declaration and its consequences have not been rescinded and annulled, each of the Issuers agrees that the Trustee may (and shall, subject to the terms hereof, upon written direction by a Majority of the Noteholders), to the extent permitted by applicable law, exercise one or more of the following rights, privileges and remedies:

(i) institute Proceedings for the collection of all amounts then payable on the Notes or otherwise payable under this Indenture, whether by declaration or otherwise, enforce any judgment obtained, and collect from the Collateral monies adjudged due;

(ii) sell all or a portion of the Collateral or rights of interest therein, at one or more public or private sales called and conducted in any manner permitted by law and in accordance with Section 5.16 and provided such sale of all or a portion of the Collateral is at market prices obtained at public auction;

(iii) institute Proceedings from time to time for the complete or partial foreclosure of this Indenture or the other Transaction Documents with respect to the Collateral;

(iv) exercise any remedies of a secured party under the UCC and take any other appropriate action to protect and enforce the rights and remedies of the Secured Parties hereunder; and

(v) to the extent not inconsistent with subclauses (i) through (iv), exercise any other rights and remedies that may be available at law or in equity.

The Trustee may, but need not, obtain and rely upon an opinion or advice of an Independent investment banking firm of national reputation as to the feasibility and recommended manner of any action proposed to be taken in accordance with this Section 5.4 and as to the sufficiency of the Collections and other amounts receivable with respect to the Collateral to make the required payments of principal and interest on the Notes, which opinion shall be conclusive evidence as to such feasibility or sufficiency and the fees and expenses of any firm so retained shall be Administrative Expenses.

(b) Upon any sale, whether made under the power of sale hereby given or by virtue of judicial proceedings, any Secured Party, to the extent permitted by the UCC, may bid for and purchase the Collateral or any part thereof and, upon compliance with the terms of sale, may hold, retain, possess or dispose of such property in its or their own absolute right without accountability; and any purchaser at any such sale may, in paying the purchase money, turn in any of the Notes in lieu of cash equal to the amount which shall, upon distribution of the net proceeds of such sale, be payable on the Notes so turned in by such Holder (taking into account any amounts payable prior to such Secured Party in accordance with the Priority of Payments). Said Notes, in case the amounts so payable thereon shall be less than the amount due thereon, shall be returned to the Holders thereof after proper notation has been made thereon to show partial payment.

The Issuers recognize that, by reason of certain prohibitions contained in the Securities Act of 1933, as amended, and applicable federal, foreign or state securities laws, or otherwise, the Trustee, at the written direction of the Majority of Noteholders, may determine that a public sale is impracticable, not desirable or not commercially reasonable and may be compelled, with respect to any sale of all or any part of the Collateral, to limit purchasers to those who will agree, among other things, to acquire the Collateral for their own account, for investment and not with a view to the distribution or resale thereof. The Issuers acknowledge that any such private sales may be at prices and on terms less favorable to the Issuers than those obtainable through a public sale without such restrictions, and,

notwithstanding such circumstances, agree that any such private sale shall be deemed to have been made in a commercially reasonable manner and that the Trustee, without the direction of the Majority of Noteholders, shall have no obligation to engage in public sales and no obligation to delay the sale of any Collateral for the period of time necessary to permit the issuer thereof to register it for public sale.

Section 5.5 Trustee May Enforce Claims Without Possession of the Notes.

All rights of action and claims under this Indenture or the Notes may be prosecuted and enforced by the Trustee without the possession of any of the Notes or the production thereof in any Proceeding relating thereto, and any such Proceeding instituted by the Trustee shall be brought in its own name as Trustee of an express trust, and any recovery of judgment, subject to the payment of the reasonable expenses, disbursements and compensation of the Trustee, each predecessor Trustee and its agents and attorneys in counsel, shall be applied as set forth in Section 5.6.

Section 5.6 Application of Money Collected.

The application of any money collected by the Trustee pursuant to this Article V and any money that may then be held or thereafter received by the Trustee hereunder shall be applied on one or more dates fixed by the Trustee (which may be dates other than Interest Payment Dates, and which may be dates directed by a Majority of Noteholders in writing to the Trustee) and otherwise in accordance with the Priority of Payments. For the avoidance of doubt, any such application of money under this Indenture shall be made only in accordance with the Priority of Payments.

Section 5.7 Limitation on Suits.

No Noteholder shall have any right to institute any Proceedings, judicial or otherwise, with respect to this Indenture, or for the appointment of a receiver or Trustee, or for any other remedy hereunder, unless:

(a) such Holder has previously given written notice to the Trustee of a continuing Event of Default;

(b) except as otherwise provided in Section 5.8, the Holders of at least 25% of the Aggregate Outstanding Amount of the Notes shall have made a written request to the Trustee to institute Proceedings in respect of such Event of Default in its own name as the Trustee hereunder;

(c) such Holder or Holders have offered to the Trustee indemnity reasonably satisfactory to it against the costs, expenses and liabilities to be incurred in compliance with such request; provided that an unsecured agreement to indemnify of an institutional investor with a net worth in excess of $100,000,000 may be deemed satisfactory in the sole discretion of the Trustee for such purpose;

(d) the Trustee for 30 days after its receipt of such notice, request and offer of indemnity has failed to institute any such Proceeding; and

(e) no direction inconsistent with such written request has been given to the Trustee during such 30-day period by a Majority of the Noteholders;

it being understood and intended that no one or more Holders shall have any right in any manner whatever by virtue of, or by availing of, any provision of this Indenture to affect, disturb or prejudice the rights of any other Holders of the Notes or to obtain or to seek to obtain priority or preference over any other Holders of the Notes or to enforce any right under this Indenture, except in the manner herein provided and for the equal and ratable benefit of all the Holders of the Notes, subject to and in accordance with Section 13.1 and otherwise in accordance with the Priority of Payments.

In the event the Trustee shall receive conflicting or inconsistent requests and indemnity pursuant to this Section 5.7 from two or more groups of Holders of the Notes, each representing less than a Majority of the Notes, the Trustee shall act on the direction of the group of Holders representing the greater percentage of the Notes and if the groups shall represent the same percentage, the Trustee in its sole discretion may determine what action, if any, shall be taken, notwithstanding any other provisions of this Indenture.

Section 5.8 Unconditional Rights of Holders of the Notes to Receive Principal and Interest.

Notwithstanding any other provision in this Indenture, the Holder of any Note shall have the right, which is absolute and unconditional, to receive payment of the principal of, Make-Whole Amount, if any, and interest on such Note as such principal, Make-Whole Amount and interest become due and payable in accordance with the Priority of Payments.

Section 5.9 Restoration of Rights and Remedies.

If the Trustee or any Holder of the Notes has instituted any Proceeding to enforce any right or remedy under this Indenture and such Proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Holder of the Notes then and in every such case the Issuers, the Trustee and such Holder of the Notes shall, subject to any determination in such Proceeding, be restored severally and respectively to their former positions hereunder, and thereafter all rights and remedies of the Trustee and the Holders of the Notes shall continue as though no such Proceeding had been instituted.

Section 5.10 Rights and Remedies Cumulative.

No right or remedy herein conferred upon or reserved to the Trustee or to the Holders of the Notes is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing by law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 5.11 Delay or Omission Not Waiver.

No delay or omission of the Trustee or of any Holder to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article V or by law to the Trustee or to the Holders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders, as the case may be.

Section 5.12 Control by Noteholders.

A Majority of the Noteholders shall have the right to cause the institution of and direct the time, method and place of conducting any Proceeding for any remedy available to the Trustee or exercising any trust, right, remedy or power conferred on the Trustee; *provided* that:

(a) such direction shall be in writing and shall not be in conflict with any rule of law or with this Indenture;

(b) the Trustee may take any other action deemed proper by it that is not inconsistent with such direction or this Indenture; *provided* that, subject to Section 6.1, it need not take any action that it determines might involve it in liability;

(c) the Trustee shall have been provided with indemnity reasonably satisfactory to it; provided that an unsecured agreement to indemnify of an institutional investor with a net worth in excess of $100,000,000 may be deemed satisfactory in the sole discretion of the Trustee for such purpose; and

(d) any direction to the Trustee to undertake a sale of the Collateral shall be by the Noteholders secured thereby representing the percentage of the Aggregate Outstanding Amount of the Notes specified in Section 5.4.

Section 5.13 Undertaking for Costs.

All parties to this Indenture agree, and each Holder of any Note by his acceptance thereof shall be deemed to have agreed, that any court may in its discretion require, in any suit for the enforcement of any right or remedy under this Indenture, or in any suit against the Trustee for any action taken, or omitted by it as Trustee, the filing by any party litigant in such suit of an undertaking to pay the costs of such suit, and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; but the provisions of this Section 5.13 shall not apply to any suit instituted by the Trustee, to any suit instituted by any Holder of the Notes, or group of Holders of the Notes, holding in the aggregate more than 10% of the Aggregate Outstanding Amount of the Notes, or to any suit instituted by any Holder of the Notes for the enforcement of the payment of the principal of or interest on any Note on or after the Stated Maturity thereof (or, in the case of redemption, on or after the applicable Redemption Date).

Section 5.14 Waiver of Stay or Extension Laws.

The Issuers covenant (to the extent that it may lawfully do so) that it will not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law wherever enacted, now or at any time hereafter in force, which may affect the covenants, the performance of or any remedies under this Indenture; and the Issuers (to the extent that it may lawfully do so) hereby expressly waive all benefit or advantage of any such law, and covenants that it will not hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted.

Section 5.15 Sale of Collateral.

The power to effect any sale of any portion of the Collateral pursuant to Section 5.4 shall not be exhausted by any one or more sales as to any portion of such Collateral remaining unsold, but shall continue unimpaired until the entire Collateral shall have been sold or all amounts secured by the Collateral shall have been paid. The Trustee may and shall, upon written direction of a Majority of the Noteholders, from time to time postpone any sale. The Trustee hereby expressly waives its rights to any amount fixed by law as compensation for any sale; *provided* that the Trustee shall be authorized to deduct the reasonable costs, charges and expenses incurred by it in connection with such sale from the proceeds thereof notwithstanding the provisions of Section 6.7. The Trustee may bid for and acquire any portion of the Collateral in connection with a public sale thereof. The Trustee may hold, lease, operate, manage or

otherwise deal with any property so acquired in any manner permitted by law in accordance with this Indenture. The Trustee shall execute and deliver an appropriate instrument of conveyance transferring its interest, without recourse, representation or warranty, in any portion of the Collateral in connection with a sale thereof. In addition, the Trustee is hereby irrevocably appointed the agent and attorney-in-fact of the Issuer to transfer and convey its interest in any portion of the Collateral in connection with a sale thereof, and to execute and deliver any instruments and take all action (whether in its name or in the name of the Issuer) necessary to effect such sale. No purchaser or transferee at such a sale shall be bound to ascertain the Trustee's authority, to inquire into the satisfaction of any conditions precedent or see to the application of any monies.

Notwithstanding any other provision of this Article V, in connection with the sale of the Collateral following an acceleration of the Notes, an Affiliate of the Issuers designated by them shall have the right (which right, for avoidance of doubt, shall be forfeited if not exercised within the specified timeframe) to bid to purchase all of the Collateral within five Business Days of the Issuers' receipt of notice of such acceleration. If such bid is for an amount at least equal to all unpaid Secured Obligations (other than unclaimed contingent Secured Obligations), including any applicable accrued Additional Interest and/or interest at the Default Rate through the expected date of settlement, the Trustee, at the direction of the Majority of Noteholders shall accept such bid.

Section 5.16 Action on the Notes.

The Trustee's right to seek and recover judgment on the Notes or under this Indenture shall not be affected by the seeking or obtaining of or application for any other relief under or with respect to this Indenture. Neither the lien of this Indenture nor any rights or remedies of the Trustee or the Holders of the Notes shall be impaired by the recovery of any judgment by the Trustee against any Issuer or by the levy of any execution under such judgment upon any portion of the Collateral or upon any of the assets of any Issuer.

ARTICLE VI.

THE TRUSTEE

Section 6.1 Certain Duties and Responsibilities.

(a) Except during the continuance of an Event of Default actually known to a Trust Officer of the Trustee:

(i) the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture and the other Transaction Documents to which it is a party, and no implied covenants or obligations shall be read into this Indenture or any Transaction Document against the Trustee; and

(ii) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture and the other Transaction Documents to which it is a party; *provided* that in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether or not they substantially conform on their face to the requirements of this Indenture and shall promptly notify the party delivering the same if such certificate or opinion does not conform. If a corrected form shall not have been delivered to the Trustee within fifteen days after such notice from the Trustee, the Trustee shall so notify the Noteholders.

(b) In case an Event of Default actually known to a Trust Officer of the Trustee has occurred and is continuing, the Trustee shall, prior to the receipt of directions, if any, from a Majority of the Noteholders, exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in its exercise as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(c) No provision of this Indenture shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(i) this subsection shall not be construed to limit the effect of subsection (a) of this Section 6.1;

(ii) the Trustee shall not be liable for any error of judgment made in good faith by a Trust Officer, unless it shall be proven that the Trustee was negligent in ascertaining the pertinent facts;

(iii) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with advice of counsel or an Opinion of Counsel, the direction of the Issuer or the Servicer and/or a Majority (or such larger or smaller percentage as may be expressly required by the terms hereof) of the Noteholders relating to its obligations as set forth herein and relating to the time, method and place of conducting any Proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Indenture or the other Transaction Documents;

(iv) no provision of this Indenture or the other Transaction Documents shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder or under any other Transaction Document, or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or indemnity satisfactory to it against such risk or liability is not reasonably assured to it (provided that an unsecured agreement to indemnify of an institutional investor with a net worth in excess of $100,000,000 (or such greater amount as the Trustee shall have determined is the amount at risk or of such liability) may be deemed satisfactory in the sole discretion of the Trustee for such purpose) unless such risk or liability relates to its ordinary services, including delivery of notices under Article V under this Indenture; and

(v) in no event shall the Trustee be liable for special, indirect, punitive or consequential loss or damage of any kind whatsoever (including loss profits) even if the Trustee has been advised of the likelihood of such damages and regardless of the form of such action.

(d) For all purposes under this Indenture, the Trustee shall not be deemed to have notice or knowledge of any Default or Event of Default described in 5.1(d), 5.1(e), 5.1(g) or 5.1(k) unless a Trust Officer assigned to and working in the Corporate Trust Office has actual knowledge thereof or unless written notice of any event which is in fact such an Event of Default or Default is received by a Trust Officer of the Trustee at the Corporate Trust Office, and such notice references the Notes generally, the Issuer, the Collateral or this Indenture. For purposes of determining the Trustee's responsibility and liability hereunder, whenever reference is made in this Indenture to such an Event of Default or a Default, such reference shall be construed to refer only to such an Event of Default or Default of which the Trustee is deemed to have notice as described in this Section 6.1.

(e) Whether or not therein expressly so provided, every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section 6.1 and Section 6.3.

Section 6.2 Notice of Default.

Promptly (and in no event later than three Business Days) after the occurrence of any Default actually known to a Trust Officer of the Trustee or after any declaration of acceleration has been made or delivered to the Trustee pursuant to Section 5.2, the Trustee shall transmit by mail, telecopy or e-mail to the Servicer and to all Holders of the Notes, as their names and addresses appear on the Register, notice of all Defaults hereunder actually known to a Trust Officer of the Trustee, unless such Default shall have been cured or waived (in which case notice that such Event of Default has been cured or waived shall be promptly provided to the Servicer and the Issuers).

Section 6.3 Certain Rights of Trustee.

Except as otherwise provided in Section 6.1:

(a) the Trustee may request and conclusively rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, note or other paper or document reasonably believed by it to be genuine and to have been signed or presented by the proper party or parties;

(b) any request or direction of the Issuer mentioned herein shall be sufficiently evidenced by an Issuer Request or Issuer Order, as the case may be;

(c) whenever in the administration of this Indenture the Trustee shall (i) deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, rely upon an Officer's Certificate or Issuer Order or (ii) be required to determine the value of any Collateral or funds hereunder or the cashflows projected to be received therefrom, the Trustee may, in the absence of bad faith on its part, rely on reports, opinions or advice of nationally recognized accountants, investment bankers or other persons qualified to provide the information required to make such determination, including nationally recognized dealers in securities of the type being valued and securities or loan pricing quotation services;

(d) as a condition to the taking or omitting of any action by it hereunder, the Trustee may consult with counsel and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken or omitted by it hereunder in good faith and in reliance thereon;

(e) the Trustee shall be under no obligation to exercise or to honor any of the rights or powers vested in it by this Indenture or to institute, conduct or defend any litigation hereunder or in relation hereto at the request or direction of any of the Noteholders pursuant to this Indenture, unless such Noteholders shall have offered to the Trustee security or indemnity satisfactory to it against all costs, expenses (including reasonable attorneys' fees and expenses) and liabilities which might reasonably be incurred by it in compliance with such request or direction; provided that an unsecured agreement to indemnify of an institutional investor with a net worth in excess of $100,000,000 may be deemed satisfactory in the sole discretion of the Trustee for such purpose;

(f) the Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, note or other paper or documents, but the Trustee, upon the written direction of a Majority of the Noteholders, shall make such further inquiry or investigation into such facts or matters as it may see fit or as it shall be directed (which shall be reimburseable as an Administrative Expense), and the Trustee shall be entitled to receive, on reasonable prior notice to the Servicer, copies of the books and records of the Servicer relating to the Notes and the Collateral, and on reasonable prior notice to the Issuers, to examine the books and records relating to the Notes and the Collateral and the premises of the Issuers personally or by agent or attorney during the Issuers' normal business hours; *provided* that (x) the Trustee shall, and shall cause its agents, to hold in confidence all such information, except (i) to the extent disclosure may be required by law or by any regulatory or governmental authority and (ii) except to the extent that the Trustee in its sole judgment may determine that such disclosure is consistent with its obligations hereunder, and (y) the Trustee may disclose on a confidential basis any such information to its agents, attorneys and auditors in connection with the performance of its responsibilities hereunder (so long as such agents, attorneys and auditors have agreed, or are under an obligation, to maintain such information on a confidential basis);

(g) the Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys; *provided* that the Trustee shall not be responsible for any misconduct or negligence on the part of any agent or attorney appointed with due care by it hereunder;

(h) the Trustee shall not be liable for any action it takes or omits to take in good faith that it reasonably believes to be authorized or within its rights or powers hereunder;

(i) for the avoidance of doubt, any permissive right or discretionary act of the Trustee to take or refrain from taking any actions enumerated in this Indenture shall not be construed as a duty and the Trustee shall not be responsible for any such action or inaction other than its own negligent action, its own negligent failure to act, or its own willful misconduct with respect to the performance of such act;

(j) the Trustee shall not be responsible for the accuracy of the books or records of, or for any acts or omissions of, any Intermediary (other than the Bank acting in such capacity);

(k) in making or disposing of any investment permitted by this Indenture, the Trustee is authorized to deal with itself (in its individual capacity) or with any one or more of its Affiliates, whether it or such Affiliate is acting as a subagent of the Trustee or for any third person or dealing as principal for its own account. If otherwise qualified, obligations of the Bank or any of its Affiliates shall qualify as Eligible Investments hereunder;

(l) the Trustee shall not be liable for the actions or omissions of the Servicer, and without limiting the foregoing, the Trustee shall not (except to the extent expressly provided in this Indenture) be under any obligation to monitor, evaluate or verify compliance by the Servicer with the terms hereof or the Servicing Agreement, or to verify or independently determine the accuracy of information received by it from the Servicer (or from any selling institution, agent bank, trustee or similar source) with respect to the Collateral and the Trustee shall have no additional duties following the resignation or removal of the Servicer;

(m) the Trustee shall have no duty (i) to see to any recording, filing, or depositing of this Indenture or any other Transaction Document referred to herein or any Financing Statement or continuation statement evidencing a security interest, or to see to the maintenance of any such recording or filing or depositing or to any rerecording, refiling or redepositing of any thereof or (ii) to see to any insurance;

(n) the Trustee shall not be required to give any bond or surety in respect of the execution of this Indenture or the powers granted hereunder;

(o) nothing herein shall be construed to impose an obligation on the part of the Trustee to recalculate, evaluate, verify or independently determine the accuracy of any report, certificate or information received from the Issuers or Servicer;

(p) the Trustee shall not be responsible or liable for any failure or delay in the performance of its obligations under this Indenture arising out of or caused, directly or indirectly, by circumstances beyond its reasonable control, including acts of God; earthquakes; fires; floods; wars; civil or military disturbances; sabotage; epidemics; riots; interruptions, loss or malfunctions of utilities, computer (hardware or software) or communications service; accidents; labor disputes; acts of civil or military authority or governmental actions (it being understood that the Trustee shall use commercially reasonable efforts to resume performance as soon as practicable under the circumstances);

(q) the Trustee or its Affiliates are permitted to receive additional compensation that could be deemed to be in the Trustee's economic self-interest for (i) serving as investment adviser, administrator, shareholder, servicing agent, custodian or sub-custodian with respect to certain of the Eligible Investments, (ii) using Affiliates to effect transactions in certain Eligible Investments and (iii) effecting transactions in certain Eligible Investments. Such compensation is not payable or reimbursable under Section 6.7 of this Indenture;

(r) to help fight the funding of terrorism and money laundering activities, the Trustee will obtain, verify, and record information that identifies individuals or entities that establish a relationship or open an account with the Trustee. The Trustee will ask for the name, address, tax identification number and other information that will allow the Trustee to identify the individual or entity who is establishing the relationship or opening the account. The Trustee may also ask for formation documents such as articles of incorporation, an offering memorandum, or other identifying documents to be provided;

(s) notwithstanding anything to the contrary herein, any and all communications (both text and attachments) by or from the Trustee that the Trustee in its sole discretion deems to contain confidential, proprietary, and/or sensitive information and sent by electronic mail may be encrypted; the recipient of the e-mail communication will be required to complete a one-time registration process; and information and assistance on registering and using the e-mail encryption technology can be found at the Trustee's secure website or phone numbers identified on the Schedule A hereto;

(t) the Trustee shall not be deemed to have notice or knowledge of any matter unless a Trust Officer assigned to administer the Indenture has actual knowledge thereof or unless written notice thereof is received by a Trust Officer of the Trustee at the Corporate Trust Office and such notice references the Notes generally, the Issuers or this Indenture;

(u) the Trustee shall not have any obligation to determine if the conditions specified in the definition of "Deliver" have been complied with; and

(v) the Trustee shall not have any responsibility to any Issuer or the Secured Parties hereunder to make any inquiry or investigation as to, and shall have no obligation in respect of, the terms of any engagement of Independent accountants by the Issuers (or the Servicer on behalf of the Issuers); *provided* that the Trustee shall be authorized, upon receipt of an Issuer Order directing the same, to

execute any acknowledgment or other agreement with the Independent accountants required for the Trustee to receive any of the reports or instructions provided for herein, which acknowledgment or agreement may include, among other things, (i) acknowledgements with respect to the sufficiency of the agreed upon procedures to be performed by the Independent accountants by the Issuer, (ii) releases of claims (on behalf of itself and to the extent properly directed by the requisite Noteholders, the Noteholders) and other acknowledgments of limitations of liability in favor of the Independent accountants, or (iii) restrictions or prohibitions on the disclosure of information or documents provided to it by such firm of Independent accountants (including to the Noteholders). It is understood and agreed that the Trustee will deliver such acknowledgement or other agreement in conclusive reliance on the foregoing direction of the Issuers, and the Trustee shall make no inquiry or investigation as to, and shall have no obligation in respect of, the sufficiency, validity or correctness of such procedures. Notwithstanding the foregoing, in no event shall the Trustee be required to execute any agreement in respect of the Independent accountants that the Trustee determines adversely affects it in its individual capacity.

Section 6.4 Not Responsible for Recitals or Issuance of the Notes.

The recitals contained herein and in the Notes, other than the Certificate of Authentication thereon with respect to the Trustee, shall be taken as the statements of the Issuers, and the Trustee assumes no responsibility for their correctness. Except as set forth in Section 6.13, the Trustee makes no representation as to the validity or sufficiency of this Indenture (except as may be made with respect to the validity of the Trustee's obligations hereunder), of the Collateral or of the Notes. The Trustee shall not be accountable for the use or application by the Issuers of the Notes or the proceeds thereof or any money paid to the Issuers pursuant to the provisions hereof.

Section 6.5 May Hold Notes.

The Trustee, Registrar or any other agent of the Issuer, in its individual or any other capacity, may become the owner or pledgee of the Notes and may otherwise deal with the Issuer or any of its Affiliates, with the same rights it would have if it were not Trustee, Registrar or such other agent.

Section 6.6 Money Held in Trust.

Money held by the Trustee hereunder shall be held in trust to the extent required herein. The Trustee shall be under no liability for interest on any money received by it hereunder except as otherwise agreed upon with the Issuer and except to the extent of income or other gain on investments that are deposits in or certificates of deposit of the Trustee in its commercial capacity and income or other gain actually received by the Trustee on Eligible Investments.

Section 6.7 Compensation and Reimbursement.

(a) The Issuers agree:

(i) to pay the Trustee on each Payment Date, the compensation set forth in the Trustee Letter Agreement (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust);

(ii) except as otherwise expressly provided herein, to reimburse the Trustee (subject to any written agreement between the Issuer and the Trustee) in a timely manner upon its request for all reasonable expenses, costs, disbursements and advances incurred or made by the Trustee in accordance with any provision of this Indenture relating to the maintenance and administration of the

Collateral, the administration of the terms of this Indenture, the performance of its duties hereunder, or in the enforcement of any provision hereof or exercise of any rights or remedies hereunder (including securities transaction charges and the reasonable compensation and expenses and disbursements of its agents and legal counsel and of any accounting firm or investment banking firm employed by the Trustee pursuant to Section 5.4, 5.15 or 10.5, except any such expense, disbursement or advance as may be attributable to its negligence, willful misconduct or bad faith); and

(iii) to indemnify the Trustee (both in its individual capacity and as Trustee) and its officers, directors, employees and agents for, and to hold them harmless against, any loss, liability or expense (including reasonable attorneys' fees and expenses, including costs and attorneys' fees and expenses incurred in connection with any action, suit or proceeding brought by the Trustee to enforce any indemnification by, or other obligation of, the Issuers with respect hereto or thereto and the costs of defending any claim) incurred without negligence, willful misconduct or bad faith on their part, arising out of or in connection with the acceptance or administration of this trust, Indenture, Collateral or the transactions contemplated thereby, including the costs and expenses of defending themselves against any claim or liability in connection with the exercise or performance of any of its powers or duties hereunder or under any other Transaction Document.

(b) The Issuer shall pay the Trustee the fees and expenses specified in this Section 6.7 in accordance with Section 11.1 of this Indenture.

(c) The Trustee hereby agrees not to cause the filing of a petition in bankruptcy against the Issuer for the non-payment to the Trustee of any amounts provided by this Section 6.7 until at least one year and one day (or, if longer, the applicable preference period) after the payment in full of all of the Notes.

(d) The amounts payable to the Trustee on any Payment Date pursuant to Section 6.7(a), or which may be deducted by the Trustee pursuant to Section 6.7(b) shall not exceed the amounts permitted to be applied to such Administrative Expenses on such Payment Date as provided in and in accordance with the Priority of Payments, and the Trustee shall have a lien ranking senior to that of the Holders upon all property and funds held or collected as part of the Collateral to secure payment of amounts payable to the Trustee under Section 6.7 not to exceed such amount with respect to any Payment Date; *provided* that (x) the Trustee shall not institute any Proceeding for the enforcement of such lien except in connection with an action pursuant to Section 5.3 for the enforcement of the lien of this Indenture for the benefit of the Secured Parties, and (y) the Trustee may only enforce such a lien in conjunction with the enforcement of the rights of Holders in the manner set forth in Sections 5.4. For the avoidance of doubt, any amount payable to the Trustee pursuant to Section 6.7(a) and not paid on any Payment Date pursuant to this paragraph shall remain outstanding and be payable on the next Interest Date (subject to the limitations of this paragraph and the Priority of Payments).

The fees payable to the Trustee shall be computed on the basis of 30 days elapsed in each month of the applicable Collection Period divided by 360, and fees applicable to periods shorter or longer than each semi-annual period shall be prorated based on the number of days within such period. Subject to Section 6.1(c)(iv) and Section 6.9, the Trustee shall continue to serve as Trustee under this Indenture notwithstanding the fact that the Trustee shall not have received amounts due it hereunder; *provided* that nothing herein shall impair or affect the Trustee's rights under Section 6.9. No direction by a Majority of the Noteholders shall affect the right of the Trustee to collect amounts owed to it under this Indenture.

The payment of any fee or expense due to the Trustee is subject to the availability of funds and the Priority of Payments. If, on any date when a fee shall be payable to the Trustee pursuant to this Indenture, insufficient funds are available for the payment thereof, any portion of a fee not so paid

shall be deferred and payable, together with compensatory interest thereon (at a rate not to exceed the federal funds rate), on such later date on which a fee shall be payable and sufficient funds are available therefor. The Issuers' obligations under this Section 6.7 shall survive the termination of this Indenture and the resignation or removal of the Trustee pursuant to Section 6.9.

Section 6.8 Corporate Trustee Required; Eligibility.

There shall at all times be a Trustee hereunder which shall be an organization, corporation, association or other entity Independent of the Issuer, organized and doing business under the laws of the United States of America or of any state thereof, authorized under such laws to exercise corporate trust powers, having a combined capital and surplus of at least U.S.$200,000,000, subject to supervision or examination by federal or state authority, having a long term senior unsecured debt rating of at least "BBB" by S&P and having an office within the United States. If such organization, corporation, association or other entity publishes reports of condition at least annually, pursuant to law or to the requirements of the aforesaid supervising or examining authority, then for the purposes of this Section 6.8, the combined capital and surplus of such organization, corporation, association or other entity shall be deemed to be its combined capital and surplus as set forth in its most recent published report of condition. If at any time the Trustee shall cease to be eligible in accordance with the provisions of this Section 6.8, it shall resign immediately in the manner and with the effect hereinafter specified in this Article VI.

Section 6.9 Resignation and Removal; Appointment of Successor.

(a) No resignation or removal of the Trustee and no appointment of a successor Trustee pursuant to this Article VI shall become effective until the acceptance of appointment by the successor Trustee under Section 6.10. The indemnification in favor of the Trustee in Section 6.7 shall survive any resignation or removal of the Trustee (to the extent of indemnified liabilities, costs, expenses and other indemnified amounts arising or incurred prior to, or arising as a result of actions or omissions occurring prior to, such resignation or removal).

(b) The Trustee may resign at any time by giving 30 days' prior written notice thereof to the Issuers, the Noteholders and the Servicer.

(c) The Trustee may be removed at any time by Act of a Majority of the Noteholders.

(d) If at any time:

(i) the Trustee shall cease to be eligible under Section 6.8 and shall fail to resign after written request therefor by the Issuer or by a Majority of the Noteholders; or

(ii) the Trustee shall become incapable of acting or shall be adjudged as bankrupt or insolvent or a receiver or liquidator of the Trustee or of its property shall be appointed or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation;

then, in any such case (subject to Section 6.9(a)), (A) the Issuers, by Issuer Order, may remove the Trustee or (B) subject to Section 5.14, any Holder may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

(e) Upon (i) receiving any notice of resignation of the Trustee, (ii) any determination that the Trustee be removed, or (iii) any vacancy in the position of Trustee, then the Issuers shall promptly appoint a successor Trustee or Trustees by written instrument, in duplicate, executed by an Authorized Officer of each Issuer, one copy of which shall be delivered to the Trustee so resigning and one copy to the successor Trustee or Trustees; *provided* that such successor Trustee shall be appointed (i) only upon the written consent of a Majority of the Noteholders, and (ii) subject to the approval of the Servicer, not to be unreasonably withheld by the Servicer. If the Issuers shall fail to appoint a successor Trustee within 30 days after such notice of resignation, determination of removal or the occurrence of a vacancy, a successor Trustee may be appointed by Act of a Majority of the Noteholders with the consent of the Servicer (not to be unreasonably withheld). If no successor Trustee shall have been appointed and an instrument of acceptance by a successor Trustee shall not have been delivered to the Trustee within 60 days after the giving of such notice of resignation, determination of removal or the occurrence of a vacancy, then the Trustee to be replaced, or any Noteholder, on behalf of himself and all others similarly situated, may petition any court of competent jurisdiction for the appointment of a successor Trustee. Notwithstanding the foregoing, at any time that an Event of Default shall have occurred and be continuing, a Majority of the Noteholders shall have, in lieu of the Issuers, the Issuers' rights to appoint a successor Trustee, such rights to be exercised by notice delivered to the Issuers and the retiring Trustee. Any successor Trustee shall, forthwith upon its acceptance of such appointment in accordance with Section 6.10, become the successor Trustee and supersede any predecessor Trustee.

(f) The Issuers shall give prompt notice of each resignation and each removal of the Trustee and each appointment of a successor Trustee (which shall be subject to the approval of the Servicer, not to be unreasonably withheld) to the Servicer and to the Holders of the Notes as their names and addresses appear in the Register. Each notice shall include the name of the successor Trustee and the address of its Corporate Trust Office. If the Issuers fail to deliver any such notice within 10 days after acceptance of appointment by the successor Trustee, the successor Trustee shall cause such notice to be given at the expense of the Issuers.

(g) Any resignation or removal of the Trustee under this Section 6.9 shall be an effective resignation or removal of the Bank in all capacities under this Indenture.

Section 6.10 Acceptance of Appointment by Successor.

Every successor Trustee appointed hereunder shall execute, acknowledge and deliver to the Issuers and the retiring Trustee an instrument accepting such appointment. Upon delivery of the required instruments, the resignation or removal of the retiring Trustee shall become effective and such successor Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts, duties and obligations of the retiring Trustee; but, on request of the Issuers or a Majority of the Noteholders or the successor Trustee, such retiring Trustee shall, upon payment of all fees, expenses and indemnification then unpaid, execute and deliver an instrument transferring to such successor Trustee all the rights, powers and trusts of the retiring Trustee, and shall duly assign, transfer and deliver to such successor Trustee all property and money held by such retiring Trustee hereunder, subject nevertheless to its lien, if any, provided for in Section 6.7(d). Upon request of any such successor Trustee, the Issuers shall execute any and all instruments for more fully and certainly vesting in and confirming to such successor Trustee all such rights, powers and trusts.

Section 6.11 Merger, Conversion, Consolidation or Succession to Business of Trustee.

Any corporation or association into which the Trustee may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which the Trustee (which for purposes of this Section 6.11 shall be deemed to be the Trustee) shall be a party, or any corporation succeeding to all or substantially all of the corporate trust business of the Trustee, shall be the successor of the Trustee hereunder, *provided* that such corporation shall be otherwise qualified and eligible under this Article VI, without the execution or filing of any paper or any further act on the part of any of the parties hereto. In case any of the Notes have been authenticated, but not delivered, by the Trustee then in office, any successor by merger, conversion or consolidation to such authenticating Trustee may adopt such authentication and deliver the Notes so authenticated with the same effect as if such successor Trustee had itself authenticated such Notes.

Section 6.12 Co-Trustees and Separate Trustee.

At any time or times, for the purpose of meeting the legal requirements of any jurisdiction in which any part of the Collateral may at the time be located, the Issuers and the Trustee (which for purposes of this Section 6.12 shall be deemed to be the Trustee) shall have power to appoint one or more Persons to act as co-Trustee jointly with the Trustee of all or any part of the Collateral, with the power to file such proofs of claim and take such other actions pursuant to Section 5.4 and to make such claims and enforce such rights of action on behalf of the Noteholders subject to the other provisions of this Section 6.12.

The Issuers shall join with the Trustee in the execution, delivery and performance of all instruments and agreements necessary or proper to appoint a co-Trustee. If the Issuers do not join in such appointment within 15 days after the receipt by it of a request to do so, the Trustee shall have power to make such appointment.

The Issuers shall, on request, execute, acknowledge and deliver any and all instruments required by any co-Trustee so appointed to confirm the applicable property, title, right or power attributable to the co-Trustee. The Issuers agree to pay for any reasonable fees and expenses in connection with such appointment.

Every co-Trustee shall, to the extent permitted by law, but to such extent only, be appointed subject to the following terms:

(a) the Notes shall be authenticated and delivered by, and all rights, powers, duties and obligations hereunder in respect of the custody of securities, cash and other personal property held by, or required to be deposited or pledged with, the Trustee hereunder, shall be exercised solely by, the Trustee;

(b) the rights, powers, duties and obligations hereby conferred or imposed upon the Trustee in respect of any property covered by the appointment of a co-Trustee shall be conferred or imposed upon and exercised or performed by the Trustee or by the Trustee and such co-Trustee jointly in the case of the appointment of a co-Trustee, except to the extent that under any law of any jurisdiction in which any particular act is to be performed, the Trustee shall be incompetent or unqualified to perform such act, in which event such rights, powers, duties and obligations shall be exercised and performed by a co-Trustee;

(c) the Trustee at any time, by an instrument in writing executed by it, with the concurrence of the Issuer evidenced by an Issuer Order with a copy to the Servicer, may accept the resignation of or remove any co-Trustee appointed under this Section 6.12, and in case an Event of Default has occurred and is continuing, the Trustee shall have the power to accept the resignation of, or remove, any such co-Trustee without the concurrence of the Issuer. A successor to any co-Trustee so resigned or removed may be appointed in the manner provided in this Section 6.12;

(d) no co-Trustee hereunder shall be personally liable by reason of any act or omission of the Trustee hereunder;

(e) the Trustee shall not be liable by reason of any act or omission of a co-Trustee; and

(f) any Act of the Noteholders delivered to the Trustee shall be deemed to have been delivered to each co-Trustee.

Section 6.13 Representations and Warranties of the Trustee.

The Trustee represents and warrants that: (a) the Trustee is a national banking association or a state-chartered banking association or corporation with trust powers, duly and validly existing under the laws of the United States or a state thereof, with corporate power and authority to execute, deliver and perform its obligations under this Indenture, and is duly eligible and qualified to act as Trustee under this Indenture; (b) this Indenture has been duly authorized, executed and delivered by the Trustee and constitutes the valid and binding obligation of the Trustee, enforceable against it in accordance with its terms except (i) as limited by bankruptcy, fraudulent conveyance, fraudulent transfer, insolvency, reorganization, liquidation, receivership, moratorium or other similar laws now or hereafter in effect relating to creditors' rights generally and by general equitable principles, regardless of whether considered in a proceeding in equity or at law, and (ii) that the remedy of specific performance and injunctive and other forms of equitable relief may be subject to equitable defenses and to the discretion of the court before which any proceeding therefor may be brought; (c) neither the execution or delivery by the Trustee of this Indenture nor performance by the Trustee of its obligations under this Indenture requires the consent or approval of, the giving notice to or the registration or filing with, any governmental authority or agency under any existing law of the United States or any state thereof governing the banking or trust powers of the Trustee; and (d) as of the Closing Date, the Trustee is eligible under Section 6.8 to serve as Trustee hereunder.

Section 6.14 Representative for Holders of the Notes Only; Agent for all other Secured Parties.

With respect to the security interests created hereunder, the pledge of any item of Collateral to the Trustee is to the Trustee as representative of the Holders of the Notes and agent for each of the other Secured Parties; in furtherance of the foregoing, the possession by the Trustee of any item of Collateral, the endorsement to or registration in the name of the Trustee of any item of Collateral are all undertaken by the Trustee in its capacity as representative of the Holders of the Notes and agent for each of the other Secured Parties. The Trustee shall have no fiduciary duties to any Person; *provided* that the foregoing shall not limit any of the express obligations of the Trustee under this Indenture.

Section 6.15 Right of Trustee in Capacity of Registrar or Intermediary.

In the event that the Trustee is also acting in the capacity of Registrar or Intermediary hereunder, the rights, protections, immunities or indemnities afforded to the Trustee pursuant to this Article VI shall also be afforded to the Trustee in its capacity as Registrar or Intermediary.

ARTICLE VII.

REPRESENTATIONS, WARRANTIES AND COVENANTS

Section 7.1 Payment of Principal and Interest.

The Issuers will duly and punctually pay the principal of and interest on the Notes in accordance with the terms of the Notes and this Indenture. Amounts properly withheld under the Code, the United States Treasury Regulations under the Code or other applicable law, by the Issuers, the Trustee, or any other Person from a payment to any Holder of the Notes of interest, principal, and/or any other distribution shall be considered as having been paid by the Issuers to such Holder for all purposes of this Indenture, and the Issuers shall not be obligated to pay any additional amounts to such Holder or any beneficial owner of the Notes as a result of any withholding or deduction for, or on account of, any present or future taxes, duties, assessments or governmental charges.

Section 7.2 Compliance With Laws, Insurance, Etc.

Each Issuer will comply in all material respects with applicable laws, rules, regulations, writs, judgments, injunctions, decrees, awards and orders with respect to it, its business and its properties. Each Issuer will ensure that its Issuer General Partner will at all times maintain an Independent Manager; *provided* that no Issuer shall be in breach of this covenant if an Independent Manager resigns, is unable to serve as an Independent Manager or is otherwise incapacitated so long as such Issuer and/or its governing body replaces such Independent Manager promptly thereafter. Each Issuer will at all times comply with its Constitutive Documents. The Issuers shall cause the Servicer to list each Issuer as an “additional insured” or “loss payee” or otherwise cause each Issuer to be covered under any insurance maintained by the Servicer for the benefit of each such Issuer.

Section 7.3 Maintenance of Books and Records.

The Issuers shall maintain and implement administrative and operating procedures reasonably necessary in the performance of its obligations under the Transaction Documents to which it is a party, and each Issuer shall keep and maintain, or cause its Issuer General Partner’s Board of Managers to keep or maintain at all times, or cause to be kept and maintained at all times in the registered office of such Issuer specified in its respective Constitutive Documents, all documents, books, records, accounts and other information as are required under applicable law.

Section 7.4 Money for Security Payments to be Held in Trust.

All payments of amounts due and payable with respect to any Notes that are to be made from amounts withdrawn from the Collection Accounts shall be made on behalf of the Issuers.

Section 7.5 Existence of Issuers, Etc.

(a) Each Issuer shall take all reasonable steps to maintain its identity as a separate legal entity from that of its members. Each Issuer shall keep its principal place of business at the address specified in Section 12.3. Each Issuer shall keep separate books and records and will not commingle its respective funds with those of any other Person.

(b) Each Issuer shall (i) ensure that its Issuer General Partner has a Board of Managers separate from that of any other Person (although members of the Board of Managers of such Issuer General Partner may serve as directors of one or more Affiliates of such Issuer General Partner);

(ii) file its own tax returns, if any, as may be required under applicable law, to the extent (1) not part of a consolidated group filing a consolidated return or returns or (2) not treated as a division, or part of, for tax purposes of another taxpayer, and pay any taxes so required to be paid under applicable law; (iii) not commingle its assets with assets of any other Person; (iv) conduct its business in its own name and strictly comply with all organizational formalities necessary to maintain its separate existence (and all such formalities have been complied with since the Issuer's formation); (v) maintain separate financial statements (it being understood that, if an Issuer's financial statements are part of a consolidated group with its Affiliates, then any such consolidated statements shall contain a note indicating such Issuer's separateness from any such Affiliates and that its assets are not available to pay the debts of any such Affiliate); (vi) pay its own liabilities only out of its own funds; (vii) maintain an arm's-length relationship with its Affiliates; (viii) not hold out its credit or assets as being available to satisfy the obligations of others; (ix) pay its fair and reasonable share of overhead for shared office space, if any; (x) use separate stationery, invoices and checks and not of any other entity (unless such entity is clearly designated as being the Issuer's agent); (xi) not pledge its assets as security for the obligations of any other Person; (xii) maintain adequate capital in light of its contemplated business purpose, transactions and liabilities and pay its operating expenses and liabilities from its own assets; and (xiii) not take any Material Action without the unanimous affirmative vote of each member of its Issuer General Partner's Board of Managers, including, in all cases, each of the Independent Managers.

Section 7.6 Protection of Collateral.

(a) Each Issuer shall cause the taking of such action as is reasonably necessary in order to maintain the perfection and priority of the security interest of the Trustee in the Collateral. Each Issuer shall from time to time execute and deliver all such supplements and amendments hereto and file or authorize the filing of all such Financing Statements, continuation statements, instruments of further assurance and other instruments, and shall take such other action as may be necessary or advisable or desirable, to secure the rights and remedies of the Trustee for the benefit of the Secured Parties hereunder and to:

Each Issuer further appoints the Trustee as its agent and attorney-in-fact for the purpose of preparing and filing any other Financing Statement, continuation statement or other instrument as may be required pursuant to this Section 7.6(a).

Section 7.7 Debt Service Coverage Ratio. The Issuers shall cause on each Interest Payment Date the Debt Service Coverage Ratio for such Interest Payment Date to be greater than 1.05:1.00, *provided* that the Issuers shall be deemed in compliance with this Section 7.7 if, on or prior to the applicable Determination Date, the Issuers shall have received aggregate cash equity contributions from the respective Funding Companies that if treated as additional Collections during the immediately preceding Collection Period would have resulted in the Debt Service Coverage Ratio for such Interest Payment Date being greater than 1.05:1.00.

Section 7.8 Performance of Obligations

The Issuers may contract with other Persons, including the Servicer, for the performance of actions and obligations to be performed by the Issuers hereunder by such Persons and the performance of the actions and other obligations with respect to the Collateral of the nature set forth in the Servicing Agreement by the Servicer. Notwithstanding any such arrangement, the Issuers shall remain primarily liable with respect thereto. In the event of such contract, the performance of such actions and obligations by such Persons shall be deemed to be performance of such actions and obligations by the Issuers; and the Issuers will punctually perform, and use their commercially reasonable efforts to cause the Servicer or such other Person to perform, all of their obligations and agreements contained in the Servicing Agreement or such other agreement.

Section 7.9 Negative Covenants.

(a) No Issuer will:

(i) sell, transfer, assign, participate, exchange or otherwise dispose of, or pledge, mortgage, hypothecate or otherwise encumber (by security interest, lien (statutory or otherwise), preference, priority or other security agreement or preferential arrangement of any kind or nature whatsoever or otherwise) (or permit such to occur or suffer such to exist), any part of the Collateral, except as expressly permitted by this Indenture;

The Issuers will have obtained a confidential private rating by the Rating Agency on the Closing Date of "BBB+" for the Initial Notes and will continue to maintain a confidential private rating (which may however be higher or lower than BBB+) thereafter. The Issuers will from time to time provide the Rating Agency with any information as to the Issuers' affairs as may be reasonably requested by the Rating Agency in connection with such ratings. The Trustee shall have no obligation to monitor or confirm that such rating has been obtained.

Section 7.16 Representations Relating to Security Interests in the Collateral.

(a) Each Issuer hereby represents and warrants that, as of the Closing Date (which representations and warranties shall survive the execution of this Indenture and be deemed to be repeated on each date on which Collateral is Granted to the Trustee hereunder):

(i) Such Issuer owns such Collateral free and clear of any lien, claim or encumbrance of any person, other than such as are created under, or permitted by, this Indenture.

(ii) Other than the security interest Granted to the Trustee pursuant to this Indenture, except as permitted by this Indenture, such Issuer has not pledged, assigned, sold, granted a security interest in, or otherwise conveyed any of the Collateral. Such Issuer has not authorized the filing of and is not aware of any Financing Statements against such Issuer that include a description of collateral covering the Collateral other than any Financing Statement relating to the security interest Granted to the Trustee hereunder or that has been terminated; the Issuer is not aware of any judgment, PBGC liens or tax lien filings against such Issuer.

(iii) All Accounts constitute "securities accounts" under Article 8 of the UCC.

(iv) This Indenture creates a valid and continuing security interest (as defined in Article 1 of the UCC) in such Collateral in favor of the Trustee, for the benefit and security of the Secured Parties, which security interest is prior to all other liens, claims and encumbrances (except as permitted otherwise in this Indenture), and is enforceable as such against creditors of and purchasers from such Issuer.

(v) Such Issuer has caused or will have caused, within ten days after the Closing Date, the filing of all appropriate Financing Statements in the proper filing office in the appropriate jurisdictions under applicable law in order to perfect the security interest in the Collateral Granted to the Trustee for the benefit and security of the Secured Parties.

(viii) All Collateral with respect to which a security entitlement may be created by the Intermediary have been credited to one or more Accounts.

(ix) (A) Such Issuer has delivered to the Trustee fully executed Account Agreements pursuant to which the Intermediary or Depositary, as applicable, has agreed to comply with all instructions originated by with respect to the Collection Accounts and prior to delivery of a Shifting Control Notice, the Servicer) and with respect to all of the Accounts, the Trustee without further consent by the Issuer or (B) such Issuer has taken all steps necessary to cause the Intermediary to identify in its records the Trustee as the person having a security entitlement against the Intermediary in each of the Accounts.

(x) The Accounts are not in the name of any Person other than the Issuer or the Trustee. The Issuer has not consented to the Intermediary complying with the Entitlement Order of any Person other than the Trustee.

(xi) None of (I) the financial statements or other written information either (a) furnished by the Issuers or their Affiliates and made available in the Intralinks data room in connection with the offering and sale of the Notes and the negotiation of this Agreement or (b) set forth in the Private Placement Memorandum dated March 29, 2018 furnished to investors in relation to the Notes or (II) the Financial and Other Information furnished by or on behalf of any Issuer or the Servicer in writing to the Trustee or any Noteholder hereunder (in each case as modified or supplemented by other information so furnished) contained any material misstatement of fact or other material misleading statement as of the date made therein; *provided* that, with respect to projected financial information, such Issuer represents only that such information was prepared in good faith based upon assumptions believed to be reasonable at the time.

Section 7.17 Certain Regulations.

Neither the Servicer nor any Issuer: (a) is a Sanctioned Person; (b) is controlled by or is acting on behalf of a Sanctioned Person; or (c) will fund any repayment of the proceeds of the Notes with proceeds derived from any transaction that would cause the Noteholders or any party to this Indenture to be in breach of any applicable Sanctions.

Neither the Servicer nor any Issuer will, directly or indirectly, use the proceeds of the Notes, or lend, contribute, or otherwise make available such proceeds to any subsidiary, joint venture partner, or other Person to fund any activities or business of or with a Sanctioned Person, or in any other manner, in each case as would cause the Noteholders to be in breach of any applicable Sanctions. The Servicer and each Issuer shall maintain policies and procedures designed to ensure compliance by the Servicer or such Issuer with applicable Sanctions.

Section 7.18 Margin Stock Related Collateral Provisions.

The Issuers (a) shall not own any Margin Stock and (b) shall cause on each date the Margin Stock Indirect Percentage to be 20% or lower. On any date on which the Margin Stock Indirect Percentage is higher than 25%, a portion of the Margin Stock Related Collateral shall be deemed excluded from the Collateral (and shall not be taken into account for purposes of determining the Debt to Asset Ratio) to the extent necessary so that the Margin Stock Indirect Percentage is no longer higher than 25% (the "Excluded Portion"). On any date on which the Margin Stock Indirect Percentage is higher than 20%, the Issuer shall take such measures as are necessary to cause the Margin Stock Indirect Percentage to be 20% or lower (without giving effect to the exclusion of the Excluded Portion), which may include a sale or transfer by the Issuers of the Excluded Portion at a price at least equal to 90% of the Margin Stock Market Value for such Excluded Portion.

For the purposes of the foregoing the following terms have the meanings indicated below:

"Margin Stock" has the meaning provided under Regulation U of the Board of Governors of the Federal Reserve System (12 CFR 221).

"Margin Stock Indirect Percentage": At any time, the ratio of (a) the Margin Stock Market Value to (b) the sum of (I) the outstanding aggregate amount of Eligible Investments held in the Accounts at such time plus (II) the current fair value of the other Collateral (i.e. excluding Margin Stock Related Collateral and Eligible Investments counted in (I)) at such time, as determined by the Servicer based on the most recent financial statements of the Issuers provided pursuant to Section 7.13(b) or (c), as applicable (subject to adjustment in good faith by the Servicer for subsequent investment and realization activity, including any new Collateral credited to the Issuers on such date and giving effect to any Advance Payments made on such date).

"Margin Stock Market Value": On any date of determination, the sum of the current fair market values of each item of Margin Stock Related Collateral, each as reasonably determined by the Servicer based on the most recent publicly reported closing price of the Margin Stock to which such Margin Stock Collateral relates on the stock exchange on which such Margin Stock is listed and traded (or if the available closing price information is more than 15 days old, the most recently available public trading price as adjusted in good faith by the Servicer for subsequent investment and realization activity).

"Margin Stock Related Collateral": Any Participation included in the Collateral with respect to which the related Covered Distribution Interest is Margin Stock.

ARTICLE VIII.

SUPPLEMENTAL INDENTURES

Section 8.1 Supplemental Indentures.

(a) Any provision of this Indenture may be amended, modified or waived if, and only if, such amendment, modification or waiver is in writing and signed, in the case of an amendment, by the parties hereto, or in the case of a waiver, by the party against whom the waiver is to be effective. Any purported amendment, modification or waiver that is not in compliance with this Section 8.1 will be void *ab initio*.

(b) Supplemental Indentures Without Consent of Noteholders. Without the consent of any of the Noteholders, the Issuers, when duly authorized, and the Trustee may, from time to time and at any time, enter into one or more supplemental indentures, which supplemental indenture(s) shall form a part hereof, to:

(i) to add to the covenants of the Co-Issuers or the Trustee for the benefit of the Secured Parties;

(ii) to convey, transfer, assign, mortgage or pledge any property permitted to be acquired under this Indenture to or with the Trustee or add to the conditions, limitations or restrictions on the authorized amount, terms and purposes of the issue, authentication and delivery of the Notes; *provided* that, if any Notes would be materially and adversely affected by such supplemental indenture entered into pursuant to this clause (ii), the consent to such supplemental indenture has been obtained from a Majority of the Noteholders so affected;

(iii) to evidence and provide for the acceptance of appointment hereunder by a successor Trustee and to add to or change any of the provisions of this Indenture as shall be necessary to facilitate the administration of the trusts hereunder by more than one Trustee, pursuant to the requirements of Sections 6.9, 6.10 and 6.12 hereof;

(iv) to correct or amplify the description of any property at any time subject to the lien of this Indenture, or to better assure, convey and confirm unto the Trustee any property subject or required to be subjected to the lien of this Indenture (including any and all actions necessary or desirable as a result of changes in law or regulations, whether pursuant to Section 7.6 or otherwise) or to subject to the lien of this Indenture any additional property permitted to be acquired under this Indenture;

(v) to cure any ambiguity, or cure, correct or supplement any defective or inconsistent provision contained in this Indenture or in the Notes so long as such cure, correction or supplement does not adversely affect the rights of the Noteholders in any material respect;

(vi) to change any provision hereof to maintain the ratings of the Notes by Rating Agency, in any such case in such manner as shall not be inconsistent with this Indenture or adversely affect the Noteholders;

(vii) to amend, modify or otherwise accommodate changes to the Indenture that are not reasonably likely to be material and adverse to Noteholders to comply with any law, rule or regulation enacted by the U.S. federal government or any other state thereof or non-U.S. government or any U.S. or non-U.S. regulatory agency that is applicable to the Issuers, Notes or the transactions contemplated herein (including the Dodd-Frank Act and commodity pool rules);

(viii) to change the day of the month on which reports are required to be delivered under the Indenture; *provided* that such change does not decrease the frequency with which such reports are required to be delivered; or

(ix) to make any modifications as necessary and appropriate to implement the issuance by the Issuers of Additional Notes ranking *pari passu* with the Initial Notes in accordance with the terms of Section 2.9.

(c) Supplemental Indentures With Consent of Noteholders. With the consent of the Majority of the Noteholders, when duly authorized, and the Trustee may, from time to time and at any time, enter into one or more supplemental indentures, which supplemental indenture(s) shall form a part hereof, for the purpose of adding any provisions to or changing in any manner or waiving compliance with or eliminating any of the provisions of this Indenture or consenting to an amendment or modification of the Constitutive Documents of any Issuer (to the extent required thereby); *provided*, *however*, that without the consent of each affected Noteholder, no such supplemental indenture shall:

(i) change the rate or change the time of payment of any interest on any of the Notes;

(ii) modify any provisions of this Indenture or the Notes with respect to the payment of the Notes;

(iii) permit the creation of any lien on the Collateral equal or prior to the Lien of this Indenture or deprive any of the Noteholders of a Lien on the Collateral;

(iv) change the percentage of principal amount of the Notes then outstanding required to approve or consent to any such supplemental indenture or to take action in respect of any other matter hereunder;

(v) amend or modify Section 5.1, Section 5.6, this Section 8.1 or the respective definitions of "Outstanding" or "Majority of Noteholders" in Article 1; or

(vi) amend or modify Article XI (other than solely as permitted by Section 8.1(b)(ix)); unless such amendment or modification could not be reasonably likely to be material and adverse to any Noteholder.

The Issuers will not directly or indirectly pay or cause to be paid any remuneration, whether by way of interest, fee or otherwise, or grant any security, to any Noteholder as consideration for or as an inducement to the consent by such Noteholder to any supplemental indenture unless such remuneration is concurrently paid, or security is concurrently granted, on the same terms, ratably to each Noteholder even if such Noteholder did not consent to such supplemental indenture or to such amendment or modification.

Not later than 15 Business Days prior to the execution of any proposed supplemental indenture pursuant to this Section 8.1, the Trustee, at the expense of the Issuers, shall deliver to the Noteholders and the Servicer a copy of any proposed supplemental indenture, together with an Officer's Certificate as to whether the proposed amendments or modifications are material and adverse to the Noteholders. Notwithstanding such certification, the Noteholders may object to such determination. If

any changes are made to such supplemental indenture other than to correct typographical errors or to adjust formatting, then at the cost of the Issuers, for so long as any Notes shall remain Outstanding, not later than 5 Business Days prior to the execution of such proposed supplemental indenture (*provided* that the execution of such proposed supplemental indenture shall not in any case occur earlier than the date 15 Business Days after the initial distribution of such proposed supplemental indenture pursuant to the first sentence of this paragraph), the Trustee shall deliver to the Servicer and the Noteholders a copy of such supplemental indenture as revised, indicating the changes that were made. Receipt of the consent of all Noteholders to a proposed supplemental indenture shall be deemed to be an express waiver of any notice period required pursuant to this Section 8.1 for purposes of executing such proposed supplemental indenture.

Promptly after the execution by the Issuers and the Trustee of any supplemental indenture pursuant to this Section 8.1, the Trustee, at the expense of the Issuers, shall deliver to the Holders of the Notes and the Servicer a copy of such supplemental indenture. Any failure of the Trustee to publish or deliver such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such supplemental indenture.

Section 8.2 Execution of Supplemental Indentures.

In executing or accepting the additional trusts created by any supplemental indenture or amendment to other Transaction Documents permitted by this Article VIII or the modifications thereby, the Trustee shall be entitled to receive, and shall be fully protected in relying upon an Opinion of Counsel stating that the execution of such supplemental indenture or other amendment to a Transaction Document is authorized or permitted by this Indenture and the other Transaction Documents and that all conditions precedent thereto have been complied with. The Trustee may, but shall not be obligated to, enter into (or consent to the entry into) any such supplemental indenture or other amendment to a Transaction Document which affects the Trustee's own rights, duties or immunities under this Indenture or otherwise.

Section 8.3 Effect of Supplemental Indentures.

Upon the execution of any supplemental indenture under this Article VIII, this Indenture shall be modified in accordance therewith, and such supplemental indenture shall form a part of this Indenture for all purposes; and every Holder of the Notes theretofore and thereafter authenticated and delivered hereunder shall be bound thereby.

Section 8.4 Reference in Notes to Supplemental Indentures.

Notes authenticated and delivered after the execution of any supplemental indenture pursuant to this Article VIII may, and if required by the Issuers shall, bear a notation in form approved by the Issuers as to any matter provided for in such supplemental indenture. If the Issuers shall so determine, new Notes, so modified as to conform in the opinion of the Trustee and the Issuer to any such supplemental indenture, may be prepared and executed by the Issuer and authenticated and delivered by the Trustee in exchange for Outstanding Notes.

Section 8.5 Effect on the Servicer.

Unless the Servicer has been given prior written notice of such amendment and has consented thereto in writing, no supplemental indenture may (1) affect the obligations or rights of the Servicer under this Indenture or the Servicing Agreement including modifying the restrictions on the acquisitions of Additional Participations (including the definition of "Participation") or expanding or restricting the Servicer's discretion, (2) affect the amount or priority of any fees or other amounts payable to the Servicer under the Servicing Agreement and this Indenture or (3) otherwise materially and adversely affect the Servicer.

ARTICLE IX.

REDEMPTION OF SECURITIES

Section 9.1 Optional Redemption.

The Issuers may, at their option, upon notice as provided below, redeem at any time all, or from time to time any part of, the Notes (such a redemption, an "Optional Redemption"), in an amount not less than 5% of the aggregate principal amount of the Notes then outstanding in the case of a partial prepayment, at 100% of the principal amount so prepaid, and the Make-Whole Amount (if any), determined for the Redemption Date with respect to such principal amount.

Section 9.2 Notice by the Issue of Optional Redemption or of Maturity.

The Issuers shall notify the Trustee and the Trustee shall forward the notice received by the Trustee of any Optional Redemption by overnight courier or by first-class mail, postage prepaid, mailed to each Noteholder at such Noteholder's address in the Register or e-mailed to such Noteholder at such Noteholder's e-mail address in the Register, in each case not less than 10 days prior and not more than 60 days prior to the applicable Redemption Date or Stated Maturity.

All notices of redemption shall state:

(a) the Redemption Date;

(b) the Redemption Price *plus* accrued and unpaid interest for all or a portion of the Notes, as applicable; and

(c) the Notes that are being Paid in Full and that interest on such Notes shall cease to accrue on the date specified in the notice.

Such redemption notice shall be accompanied by a certificate of an Officer of each Issuer as to the estimated Make-Whole Amount (if any) due in connection with such redemption (calculated as if the date of such notice were the Redemption Date), setting forth the details of such computation. Two Business Days prior to such redemption, the Issuers shall deliver, or cause the Trustee to deliver, to each Holder of any Note a certificate of an officer of each Issuer specifying the calculation of such Make-Whole Amount as of the Redemption Date.

Notice of redemption shall be given by the Issuers or, at the Issuers' request, by the Trustee in the name and at the expense of the Issuers. Failure to give notice of redemption, or any defect therein, to any Holder of any Note selected for redemption shall not impair or affect the validity of the redemption of any other Note.

Section 9.3 Notes Payable on Redemption Date.

Notice of redemption having been given as aforesaid and not withdrawn, the Notes so to be redeemed shall, on the Redemption Date, become due and payable at the amounts therein specified, and from and after the Redemption Date (unless a default is made in the payment of any such amounts) such Notes shall cease to bear interest. In the case of each partial redemption of the Notes, the principal

amount of the Notes to be prepaid shall be allocated among all of the Notes at the time outstanding in proportion, as nearly as practicable, to the respective unpaid principal amounts thereof not theretofore called for redemption. If any Note called for Optional Redemption shall not be paid upon surrender thereof for redemption, the principal thereof shall, until paid, bear interest from the Redemption Date at the Default Rate for so long as the Note remains Outstanding.

Section 9.4 Make-Whole Amount.

The Issuers hereby promise to pay the Make-Whole Amount on any principal payment of the Notes hereunder made on or prior to May 9, 2023 pursuant to Section 9.1; *provided* that, no Make-Whole Amount shall apply or be determined pursuant to Section 11.1 as a result of any Partial Cash Trap Condition, Full Cash Trap Condition or Rapid Amortization Event, upon acceleration due to any Event of Default or otherwise or in connection with an Optional Redemption effected with funds from the Principal Reserve Account that were credited thereto as a result of any Partial Cash Trap Condition, Full Cash Trap Condition or the failure to meet the Asset Coverage Test. As used herein:

"Called Principal" means, with respect to any Note, the principal of such Note that is to be prepaid pursuant to Section 9.1 (any such date of payment or deemed payment, a "Settlement Date").

"Discounted Value" means, with respect to the Called Principal of any Note, the amount obtained by discounting all Remaining Scheduled Payments with respect to such Called Principal from their respective scheduled due dates to the Settlement Date with respect to such Called Principal, in accordance with accepted financial practice and at a discount factor (applied on the same periodic basis as that on which interest on the Notes is payable) equal to the Reinvestment Yield with respect to such Called Principal.

"Make-Whole Amount" means, with respect to any Note, an amount equal to the excess, if any, of the Discounted Value of the Remaining Scheduled Payments with respect to the Called Principal of such Note over the amount of such Called Principal, *provided* that the Make-Whole Amount may in no event be less than zero.

"Reinvestment Yield" means, with respect to the Called Principal of any Note, the sum of (a) 0.50% plus (b) the yield to maturity implied by the "Ask Yield(s)" reported as of 10:00 a.m. (New York City time) on the second Business Day preceding the Settlement Date with respect to such Called Principal, on the display designated as "Page PX1" (or such other display as may replace Page PX1) on Bloomberg Financial Markets for the most recently issued actively traded on-the-run U.S. Treasury securities ("Reported") having a maturity equal to the Remaining Average Life of such Called Principal as of such Settlement Date. If there are no such U.S. Treasury securities Reported having a maturity equal to such Remaining Average Life, then such implied yield to maturity will be determined by (i) converting U.S. Treasury bill quotations to bond equivalent yields in accordance with accepted financial practice and (ii) interpolating linearly between the "Ask Yields" Reported for the applicable most recently issued actively traded on-the-run U.S. Treasury securities with the maturities (1) closest to and greater than such Remaining Average Life and (2) closest to and less than such Remaining Average Life. The Reinvestment Yield shall be rounded to the number of decimal places as appears in the interest rate of the applicable Note.

If such yields are not Reported or the yields Reported as of such time are not ascertainable (including by way of interpolation), then "Reinvestment Yield" means, with respect to the Called Principal of any Note, the sum of (x) 0.50% plus (y) the yield to maturity implied by the U.S. Treasury constant maturity yields reported, for the latest day for which such yields have been so reported as of the second Business Day preceding the Settlement Date with respect to such Called Principal, in Federal Reserve Statistical Release H.15 (or any comparable successor publication) for the U.S. Treasury constant maturity

having a term equal to the Remaining Average Life of such Called Principal as of such Settlement Date. If there is no such U.S. Treasury constant maturity having a term equal to such Remaining Average Life, such implied yield to maturity will be determined by interpolating linearly between (1) the U.S. Treasury constant maturity so reported with the term closest to and greater than such Remaining Average Life and (2) the U.S. Treasury constant maturity so reported with the term closest to and less than such Remaining Average Life. The Reinvestment Yield shall be rounded to the number of decimal places as appears in the interest rate of the applicable Note.

"Remaining Average Life" means, with respect to any Called Principal, the number of years obtained by dividing (i) such Called Principal into (ii) the sum of the products obtained by multiplying (a) the principal component of each Remaining Scheduled Payment with respect to such Called Principal by (b) the number of years, computed on the basis of a 360-day year comprised of twelve 30-day months and calculated to two decimal places, that will elapse between the Settlement Date with respect to such Called Principal and the scheduled due date of such Remaining Scheduled Payment.

Section 9.5 Purchase of Notes.

The Issuers will not and will not permit any Affiliate to purchase, redeem, prepay or otherwise acquire, directly or indirectly, any of the outstanding Notes except (a) upon the payment or prepayment of the Notes in accordance with this Indenture and the Notes or (b) pursuant to an offer to purchase made by the Issuers or an Affiliate pro rata to the holders of each Series of Notes having the same Stated Maturity and Interest Rate at the time outstanding upon the same terms and conditions. Any such offer shall provide each holder of such Series with sufficient information to enable it to make an informed decision with respect to such offer, and shall remain open for at least 15 Business Days. If the holders of more than a Majority of the principal amount of such Notes then outstanding accept such offer, the Issuers shall promptly notify the remaining holders of such fact and the expiration date for the acceptance by holders of such Series of Notes of such offer shall be extended by the number of days necessary to give each such remaining holder at least ten Business Days from its receipt of such notice to accept such offer. ARTICLE X.

ACCOUNTS, ACCOUNTINGS AND RELEASES

Section 10.1 Collection of Money.

Except as otherwise expressly provided herein, the Trustee may demand payment or delivery of, and shall receive and collect from the Servicer, directly and without intervention or assistance of any fiscal agent or other intermediary, all money and other property payable to or receivable by the Trustee pursuant to this Indenture. The Intermediary on behalf of the Trustee shall segregate and hold all such money and property received by it in the Accounts for the benefit of the Holders of the Notes and

shall apply it as directed by the Servicer and as provided in this Indenture. If a default occurs in the making of any payment or performance in connection with any Collateral, the Trustee, at the direction of the Majority of Noteholders, shall take such action as may be appropriate to enforce such payment or performance, including the institution and prosecution of appropriate proceedings.

Notwithstanding anything else contained herein, the Trustee agrees that with respect to each of the Accounts, it shall cause the Intermediary establishing such accounts to enter into an Account Agreement and, if the Intermediary is the Bank, shall cause the Bank to comply with the provisions of such Account Agreement. The Trustee may open such subaccounts of any such Account as it deems necessary or appropriate for convenience of administration.

Each Account shall be established and maintained (a) with a federal or state-chartered depository institution with a short-term rating of at least "A-1" by S&P (or a long-term rating of at least "A+" by S&P if such institution has no short-term rating) and if such institution's short-term rating falls below "A-1" by S&P (or its long-term rating falls below "A+" by S&P if such institution has no short-term rating), the assets held in such Account shall be transferred within 60 calendar days to another institution that has a short-term rating of at least "A-1" by S&P (or which has a long-term rating of at least "A+" by S&P if such institution has no short-term rating) or (b) with respect to securities accounts, in segregated trust accounts with the corporate trust department of a federal or state-chartered deposit institution subject to regulations regarding fiduciary funds on deposit similar to Title 12 of the Code of Federal Regulation Section 9.10(b). Such institution shall have a combined capital and surplus of at least U.S.$200,000,000.

All investment or application of funds in accordance with Section 10.3 shall be made pursuant to an Issuer Order (which may be in the form of standing instructions) executed by an Authorized Officer of the Issuers or the Servicer on their behalf. The Issuers shall at all times direct the Trustee or the Intermediary, as applicable to, and, upon receipt of such Issuer Order (which may be in the form of standing instructions), the Trustee or the Intermediary shall, invest or cause the investment of, pending application in accordance with Section 10.3, all funds received into the U.S. Bank Accounts during a Collection Period (except when such funds shall be required to be disbursed hereunder), and amounts received in prior Collection Periods and retained in any of the U.S. Bank Accounts as so directed, in Eligible Investments. If, prior to the occurrence of an Event of Default, the Issuers shall not have given any such investment directions, the Trustee shall seek instructions from the Issuers within three Business Days after transfer of such funds to the applicable U.S. Bank Account. If the Trustee does not thereupon receive written instructions from the Issuers within five Business Days after transfer of such funds to such U.S. Bank Account, it shall invest and reinvest the funds held in such U.S. Bank Account, as fully as practicable, but only in one or more Eligible Investments maturing (as selected by the Servicer in a writing delivered to the Trustee) no later than the third Business Day prior to the next Interest Payment Date unless such Eligible Investments are issued by the Bank, in which event such Eligible Investments may mature up to the Business Day preceding such Interest Payment Date. After the occurrence and during the continuance of an Event of Default, the Trustee shall invest and reinvest, or cause the investment or reinvestment of, such monies as fully as practicable in Eligible Investments (as selected by the Servicer in a writing delivered to the Trustee, which may be in the form of standing instructions) maturing not later than the earlier of (i) 30 days after the date of such investment or (ii) the third Business Day prior to the next Interest Payment Date unless such Eligible Investments are issued by the Bank, in which event such Eligible Investments may mature up to the Business Day preceding such Interest Payment Date. In the absence of any direction from the Servicer the Trustee shall invest amounts on deposit in each U.S. Bank Account in Eligible Investments of the type described in clause (b)(ii) of the definition thereof. All interest and other income from such Eligible Investments shall be deposited into the applicable U.S. Bank Accounts, and any gain realized from such investments shall be credited to the applicable U.S. Bank Account, and any loss resulting from such investments shall be charged to the

applicable U.S. Bank Account. Except as otherwise provided herein, the Trustee shall not in any way be held liable by reason of any insufficiency of funds in any U.S. Bank Account resulting from any loss relating to any such investment; and the Trustee shall not be under any obligation to invest any funds held hereunder except as otherwise expressly set forth herein.

Section 10.2 Collection Accounts.

(a) The Issuers have established at the Depositary four deposit accounts, (i) account number 758179985 designated as the "TPG I Collection Account", (ii) account number 758180306 designated as the "TPG II Collection Account", (iii) account number 758181403 designated as the "TPG III Collection Account" and (iv) account number 758286434 designated as the "TPG I-III Master Collection Account" (such account, together with the TPG I Collection Account, the TPG II Collection Account and the TPG III Collection Account, the "Collection Accounts"), each of which shall be held by the Depositary in accordance with the applicable Account Agreement. Each Collection Account shall be a "deposit account" (as defined in Section 9-102 of the UCC). Prior to the Closing Date, the Issuers will instruct each Purchaser (as defined in the Note Purchase Agreement) to deposit on the Closing Date the purchase price of the Notes it is purchasing on the Closing Date into the TPG I-III Master Collection Account. On the Closing Date, the Servicer on behalf of the Issuers shall apply funds from the TPG I-III Master Collection Account to (x) deposit the Initial Interest Reserve Amount into the Interest Reserve Account, (y) pay expenses of the Issuers incurred in connection with the establishment of the Issuers, the structuring and consummation of the offering and the issuance of the Notes and (z) distribute any remaining amounts pro rata to the Funding Companies as Advance Payments. In addition, each Issuer may, but under no circumstances shall be required to, deposit or cause to be deposited from time to time such monies in its respective Collection Account as it deems, in its sole discretion, to be advisable. The Servicer on behalf of each Issuer shall determine which Collections are attributed to the Collateral and shall remain in the respective Collection Accounts and whether any Collections are made in error, are not attributable to Collateral or are otherwise required to be returned or disgorged to the respective Funding Company. No later than the second Business Day after the Determination Date preceding each Payment Date, the Servicer shall instruct the Depositary to transfer the remaining amounts on deposit in the TPG I Collection Account, the TPG II Collection Account and the TPG III Collection Account into the TPG I-III Master Collection Account.

(c)All property in the Collection Accounts, together with any securities in which funds included in such property are or will be invested or reinvested during the term of this Indenture, and any income or other gain realized from such investments, shall be held by the Depositary in the Collection Account as part of the Collateral subject to disbursement and withdrawal solely as provided in this Section 10.2 and Section 11.1.

(d) Unless and until a Shifting Control Notice is delivered by the Trustee as defined in and in accordance with the applicable Account Agreement, the Depositary shall honor withdrawal, payment, transfer, or other instructions originated by the Servicer on behalf of an Issuer concerning the disposition of funds in each Collection Account, but on and after the effective time of a Shifting Control Notice, the Depositary shall only honor instructions originated by the Trustee concerning the disposition of funds in each Collection Account, without further consent from the Servicer or any Issuer and neither the Servicer nor any Issuer shall have the right or ability to access, withdraw or transfer funds from the Collection Accounts.

Funds on deposit in the Principal Reserve Account may be applied on any date to (i) effect an Optional Redemption or (ii) to make Advance Payments to the Funding Companies in accordance with the Sale and Contribution Agreements up to the Current Purchase Amount so long as no Event of Default has occurred and is continuing and no Rapid Amortization Event has occurred, irrespective of whether the Full Cash Trap Condition, the Partial Cash Trap Condition or the Asset Coverage Test is met on such date. On each Interest Payment Date or Redemption Date, (i) funds on deposit in the Principal Reserve Account shall be remitted to the Notes Payment Account at the written direction of the Servicer, on behalf of the Issuers, to make up any shortfall on such date in the funds available in the TPG I-III Master Collection Account in accordance with the Priority of Payments to pay amounts required under Section 11.1(a)(6)(C)*first* or Section 11.1(b)(3) (a "Principal Reserve Application Amount") as set forth in the Interest Payment Date Report or Payment Date instructions and (ii) the balance of the Principal Reserve Account (the "Remaining Principal Reserve Amount") not applied on an Interest Payment Date pursuant to clause (i) shall be applied on such Interest Payment Date in accordance with the Priority of Payments. ARTICLE XII.

MISCELLANEOUS

Section 12.1 Form of Documents Delivered to Trustee.

In any case where several matters are required to be certified by, or covered by an opinion of, any specified Person, it is not necessary that all such matters be certified by, or covered by the opinion of, only one such Person, or that they be so certified or covered by only one document, but one such Person may certify or give an opinion with respect to some matters and one or more other such Persons as to other matters, and any such Person may certify or give an opinion as to such matters in one or several documents. Any certificate of an Authorized Officer of the Issuers or the Servicer may be based, insofar as it relates to legal matters, upon a certificate or opinion of, or representations by, counsel, unless such Authorized Officer knows, or in the exercise of reasonable care should know, that the certificate or opinion or representations with respect to the matters upon which his certificate or opinion is based are erroneous. Any such certificate of an Authorized Officer of the Issuers or the Servicer or Opinion of Counsel may be based, insofar as it relates to factual matters, upon a certificate of, or representations by, the Issuers, the Servicer or any other Person, stating that the information with respect to such factual matters is in the possession of the Issuers, the Servicer or such other Person, unless such Authorized Officer of the Issuers or the Servicer or such counsel knows that the certificate or representations with respect to such matters are erroneous. Any Opinion of Counsel may also be based, insofar as it relates to factual matters, upon a certificate of, or representations by, an Authorized Officer of the Issuers or the Servicer, stating that the information with respect to such matters is in the possession of the Issuer or the Servicer, unless such counsel knows that the certificate or representations with respect to such matters are erroneous. Where any Person is required to make, give or execute two or more applications, requests, consents, certificates, statements, opinions or other instruments under this Indenture, they may, but need not, be consolidated and form one instrument. Whenever in this Indenture it is provided that the absence of the occurrence and continuation of a Default or Event of Default is a condition precedent to the taking of any action by the Trustee at the request or direction of the Issuers, then notwithstanding that the satisfaction of such condition is a condition precedent to the Issuers' rights to make such request or direction, the Trustee shall be protected in acting in accordance with such request or direction if it does not have knowledge of the occurrence and continuation of such Default or Event of Default as provided in Section 6.1(d).

Section 12.2 Acts of the Noteholders.

Any request, demand, authorization, direction, notice, consent, waiver or other action provided by this Indenture to be given or taken by Holders of the Notes may be embodied in and evidenced by one or more instruments of substantially similar tenor signed by such Holders in Person or by an agent duly appointed in writing, and, except as herein otherwise expressly provided, such action shall become effective when such instrument or instruments are delivered to the Trustee, and, where it is hereby expressly required, to the Issuers. Such instrument or instruments (and the action or actions embodied therein and evidenced thereby) are herein sometimes referred to as the "Act" of the Holders signing such instrument or instruments. Proof of execution of any such instrument or of a writing appointing any such agent shall be sufficient for any purpose of this Indenture and conclusive in favor of the Trustee and the Issuer, if made in the manner provided in this Section 12.2. The fact and date of the execution by any Person of any such instrument or writing may be proved in any manner which the Trustee deems sufficient. The principal amount, notional amount and registered numbers of the Notes held by any Person, and the date of such Person holding the same, shall be proved by the Register. Any request, demand, authorization, direction, notice, consent, waiver or other action by the Holder of any

Notes shall bind the Holder (and any transferee thereof) of such Note and of every Note issued upon the registration thereof or in exchange therefor or in lieu thereof, in respect of anything done, omitted or suffered to be done by the Trustee, or the Issuers in reliance thereon, whether or not notation of such action is made upon such Note.

Section 12.3 Notices.

Except as otherwise expressly provided herein, any request, demand, authorization, direction, instruction, notice, consent, waiver or Act of the Noteholders or other documents provided or permitted by this Indenture to be made upon, given or furnished to, or filed with any of the parties indicated below shall be sufficient for every purpose hereunder if made, given, furnished or filed in writing to and mailed, by first class mail, hand delivered, sent by overnight courier service guaranteeing next day delivery, by telecopy or by e-mail in legible form at the addresses set forth on Schedule A.

Section 12.4 Notices to Noteholders; Waiver.

Except as otherwise expressly provided herein, where this Indenture provides for notice to Holders of the Notes of any event, (a) such notice shall be sufficiently given to Holders of the Notes if in writing and (i) by telecopy if the sender on the same day sends a confirming copy of such notice by an internationally recognized overnight delivery service (charges prepaid), (ii) by registered or certified mail with return receipt requested (postage prepaid), (iii) by a nationally or internationally recognized overnight delivery service (charges prepaid) or (iv) by e-mail if such e-mail is received by the intended recipient thereof; and (b) sent to (i) if to any Purchaser or its nominee, to such Purchaser or nominee at the address or e-mail address specified for such communications in the Purchaser Schedule, or at such other address as such Purchaser or nominee shall have specified to the Issuers and the Trustee in writing and (ii) if to any other holder of any Note, to such holder at such address or e-mail address as such other holder shall have specified to the Issuers and Trustee in writing. Such notices will be deemed to have been given when received. The Trustee will deliver to the Holders of the Notes any notice requested to be so delivered by such Holder (at the expense of Issuers); *provided* that the Trustee may decline to deliver any such notice that it reasonably determines is contrary to any terms of this Indenture or any duty or obligation it may have, or that may expose it to liability or that may be contrary to law. Where this Indenture provides for notice in any manner, such notice may be waived in writing by any Person entitled to receive such notice, either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice by Noteholders shall be filed with the Trustee but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

Section 12.5 Effect of Headings and Table of Contents.

The Article and Section headings herein and the Table of Contents are for convenience only and shall not affect the construction hereof.

Section 12.6 Successors and Assigns.

All covenants and agreements in this Indenture by an Issuer shall bind its successors and assigns, whether so expressed or not.

Section 12.7 Severability.

In case any provision in this Indenture or in the Notes shall be invalid, illegal or unenforceable, the validity, legality, and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

Section 12.8 Benefits of Indenture.

Nothing in this Indenture or in the Notes, expressed or implied, shall give to any Person other than the parties hereto and the Noteholders any benefit or any legal or equitable right, remedy or claim under this Indenture.

Section 12.9 Governing Law.

This Indenture and each Note shall be construed and enforced in accordance with, and the rights of the parties shall be governed by, the law of the State of New York excluding choice of law principles of the law of such State that would permit the application of the laws of a jurisdiction other than such State.

Section 12.10 Submission to Jurisdiction; Service of Process.

Each Issuer and the Trustee irrevocably submits to the non-exclusive jurisdiction of any New York State or federal court sitting in the Borough of Manhattan, The City of New York, over any suit, action or proceeding arising out of or relating to this Agreement or the Notes. To the fullest extent permitted by applicable law, Each Issuer and the Trustee irrevocably waives and agrees not to assert, by way of motion, as a defense or otherwise, any claim that it is not subject to the jurisdiction of any such court, any objection that it may now or hereafter have to the laying of the venue of any such suit, action or proceeding brought in any such court and any claim that any such suit, action or proceeding brought in any such court has been brought in an inconvenient forum. Each Issuer and the Trustee agree, to the fullest extent permitted by applicable law, that a final judgment in any suit, action or proceeding of the nature referred to in this Section 12.10 brought in any such court shall be conclusive and binding upon it subject to rights of appeal, as the case may be, and may be enforced in the courts of the United States of America or the State of New York (or any other courts to the jurisdiction of which it or any of its assets is or may be subject) by a suit upon such judgment. Each Issuer consents to process being served by or on behalf of any holder of Notes in any suit, action or proceeding of the nature referred to in this Section 12.10 by mailing a copy thereof by registered, certified, priority or express mail (or any substantially similar form of mail), postage prepaid, return receipt or delivery confirmation requested, to it at its address specified in Schedule A. Each Issuer agrees that such service upon receipt (i) shall be deemed in every respect effective service of process upon it in any such suit, action or proceeding and (ii) shall, to the fullest extent permitted by applicable law, be taken and held to be valid personal service upon and personal delivery to it. Notices hereunder shall be conclusively presumed received as evidenced by a delivery receipt furnished by the United States Postal Service or any reputable commercial delivery service. Nothing in this Section 12.10 shall affect the right of any holder of a Note to serve process in any manner permitted by law, or limit any right that the holders of any of the Notes may have to bring proceedings against the Company in the courts of any appropriate jurisdiction or to enforce in any lawful manner a judgment obtained in one jurisdiction in any other jurisdiction. THE PARTIES HERETO HEREBY WAIVE TRIAL BY JURY IN ANY ACTION BROUGHT ON OR WITH RESPECT TO THIS AGREEMENT, THE NOTES OR ANY OTHER DOCUMENT EXECUTED IN CONNECTION HEREWITH OR THEREWITH.

Section 12.11 Counterparts.

This Indenture may be executed in any number of counterparts, each of which shall be an original but all of which together shall constitute one instrument. Each counterpart may consist of a number of copies hereof, each signed by less than all, but together signed by all, of the parties hereto.

Section 12.12 Confidential Information.

(a) For the purposes of this Section 12.12(a), "Confidential Information" means information delivered to any Noteholder by or on behalf of an Issuer (or by the Trustee) prior to the Closing Date or from time to time after the Closing Date in connection with the transactions contemplated by or otherwise pursuant to this Indenture that either (i) constitutes Financial and Other Information or (ii) is otherwise proprietary in nature and clearly marked or labeled or otherwise adequately identified when received by such Noteholder as being confidential information of any Issuer or its Affiliates, *provided* that such term does not include information that (a) was publicly known or otherwise known to such Noteholder prior to the time of such disclosure, (b) subsequently becomes publicly known through no act or omission by such Noteholder or any Person acting on such Noteholder's behalf or (c) otherwise becomes known to such Noteholder other than through disclosure by the an Issuer. Each Noteholder will maintain the confidentiality of such Confidential Information in accordance with procedures adopted by such Noteholder in good faith to protect confidential information of third parties delivered to such Noteholder, *provided* that such Noteholder may deliver or disclose Confidential Information to (i) its directors, officers, employees, agents, attorneys, trustees and affiliates (to the extent such disclosure reasonably relates to the administration of the investment represented by its Notes and such persons are subject to a duty to hold confidential the Confidential Information substantially in accordance with this Section 12.12(a)), (ii) its auditors, financial advisors and other professional advisors who agree to hold confidential the Confidential Information substantially in accordance with this Section 12.12(a), (iii) any other holder of any Note, (iv) any Institutional Investor (as defined in the Note Purchase Agreement) to which it sells or offers to sell such Note or any part thereof or any participation therein (if such Person has agreed in writing prior to its receipt of such Confidential Information to be bound by this Section 12.12(a)), (v) any Person from which it offers to purchase any security of an Issuer (if such Person has agreed in writing prior to its receipt of such Confidential Information to be bound by this Section 12.12(a)), (vi) any federal or state regulatory authority having jurisdiction over such Noteholder, (vii) the National Association of Insurance Commissioners or the Securities Valuation Office of the National Association of Insurance Commissioners or, in each case, any similar organization, or any nationally recognized rating agency that requires access to information about such Noteholder 's investment portfolio, or (viii) any other Person to which such delivery or disclosure may be necessary to (w) effect compliance with any law, rule, regulation or order applicable to such Purchaser, (x) in response to any subpoena or other legal process, (y) in connection with any litigation to which such Noteholder is a party or (z) if any Event of Default has occurred and is continuing, to the extent such Noteholder may reasonably determine such delivery and disclosure to be necessary or appropriate in the enforcement or for the protection of the rights and remedies under such Noteholder's Notes or this Indenture. Each holder of a Note, by its acceptance of a Note, will be deemed to have agreed to be bound by and to be entitled to the benefits of this Section 12.12(a) as though it were a party to this Indenture. On reasonable request by an Issuer in connection with the delivery to any Noteholder of information required to be delivered to such Noteholder under this Agreement or requested by such Noteholder (other than a Noteholder that is a party to this Indenture or its nominee), such Noteholder will enter into an agreement with such Issuer embodying this Section 12.12(a).

In the event that as a condition to receiving access to information relating to an Issuer in connection with the transactions contemplated by or otherwise pursuant to this Indenture, any Noteholder is required to agree to a confidentiality undertaking (whether through Intralinks, another secure website, a secure virtual workspace or otherwise) which is different from this Section 12.12(a), this Section 12.12(a) shall not be amended thereby and, as between such Noteholder and the Issuers, this Section 12.12(a) shall supersede any such other confidentiality undertaking.

(b) The Issuers acknowledge and agree with each GP Entity that any non-public, partnership or otherwise confidential information (as determined under each Underlying Partnership LPA) disclosed to them with respect to any Underlying Partnership ("LPA Confidential Information"), is made in confidence, for the purposes set out in each Underlying Partnership LPA and shall be kept in confidence. Furthermore, the Issuers and the Trustee hereby agree with each GP Entity that they shall be bound by limitations on the use and disclosure of the LPA Confidential Information on the terms set forth on Schedule C hereto; provided that the Issuers shall be responsible in making available any LPA Confidential Information to the Trustee for (i) expressly identifying it as such, and (ii) informing the Trustee as to any other terms and conditions referenced in Schedule C (including any relevant defined terms under the Underlying Partnership LPA) that are relevant to the Trustee's obligations under this Section 12.12(b) ((i) and (ii), "Confidentiality Terms") and the Trustee shall be obligated under this Section 12.12(b) solely to the extent it has been fully informed by the Issuers of such Confidentiality Terms in connection with the Issuer's providing the relevant LPA Confidential Information, and shall have no liability where acting in reliance on Confidentiality Terms as provided by the Issuers. This Section 12.12(b) shall, to the maximum extent permitted by law and notwithstanding any other provision of this Indenture, bind the aforementioned parties with effect from the earlier of (i) the date of this Indenture and (ii) the moment immediately prior to the disclosure of any LPA Confidential Information to the applicable party to this Indenture. Each party hereto also hereby acknowledges that each GP Entity shall be a third-party beneficiary of this Indenture, entitled to enforce this Section 12.12(b) as if a party hereto. Capitalized terms used in this Section 12.12(b) but not otherwise defined in this Indenture have the respective meanings specified in the relevant Master Transfer Agreement. No party hereto shall have any liability for any mismatch of the terms set forth on Schedule C and the applicable Underlying Partnership LPA.

ARTICLE XIII.

JOINT AND SEVERAL LIABILITY

Section 13.1 Joint and Several Liability

Each of the Issuers is accepting joint and several liability with respect to the Notes and all other Secured Obligations in consideration of the financial accommodation to be provided by the Purchasers under this Indenture and the other Transaction Documents, for the mutual benefit, directly and indirectly, of each of the Issuers and in consideration of the undertakings of each of the Issuers to accept joint and several liability for the obligations of each of them, regardless of which Issuer actually receives the benefit of such Note or other Secured Obligations or the manner in which the Noteholders account for such Notes or other Secured Obligations on their books and records. Each Issuer's obligations with respect to the Notes issued by it, and each Issuer's obligations arising as a result of the joint and several liability of such Issuer hereunder, with respect to the Notes of the other Issuer hereunder, shall be separate and distinct obligations (without duplication), but all such obligations shall be primary obligations of each Issuer.

Each Issuer's obligations arising as a result of the joint and several liability of such Issuer hereunder with respect to the Secured Obligations in respect of the other Issuer hereunder shall, to the fullest extent permitted by law, be unconditional irrespective of (i) the validity or enforceability or subordination of such Secured Obligations of the other Issuer, (ii) the absence of any attempt to collect such Secured Obligations from the other Issuer, any other guarantor, or any other security therefor, or the absence of any other action to enforce the same, (iii) the waiver, consent, extension, forbearance or granting of any indulgence by the Trustee or the Noteholders with respect to such Secured Obligations of the other Issuer, or any part thereof, or any other agreement now or hereafter executed by the other Issuer and delivered to the Trustee or the Noteholders, (iv) the failure by the Trustee or the Noteholders to take any steps to perfect and maintain their security interest in, or to preserve their rights to, any security or collateral for such Secured Obligations of the other Issuer or (v) any other circumstances which might constitute a legal or equitable discharge or defense of a guarantor or of the other Issuer (other than the occurrence of the Stated Maturity and the irrevocable payment in full of the Secured Obligations). With

respect to each Issuer's obligations arising as a result of the joint and several liability of such Issuer hereunder with respect to the Notes and other Secured Obligations of the other Issuer hereunder, such Issuer waives, until the Stated Maturity and the irrevocable payment in full of the Secured Obligations, any right to enforce any right of subrogation or any remedy which the Trustee or any Purchaser now has or may hereafter have against such Issuer, any endorser or any guarantor of all or any part of such Secured Obligations, and any benefit of, and any right to participate in, any security or collateral given to the Trustee or any Noteholder to secure payment of such Secured Obligations or any other liability of the Issuers to the Trustee or the Noteholders.

Upon the occurrence and during the continuation of any Event of Default, the Noteholders may proceed directly and at once, without notice except as expressly provided in Sections 5.1, against either Issuer to collect and recover the full amount, or any portion of, the Secured Obligations, without first proceeding against the other Issuer or any other Person, or against any security or collateral for such Secured Obligations. Each Issuer consents and agrees that the Noteholders shall be under no obligation to marshal any assets in favor of any Issuer or against or in payment of any or all of such Secured Obligations.

Notwithstanding any provision to the contrary contained herein or in any other of the Transaction Documents, the obligations of the Issuers hereunder shall be limited to an aggregate amount equal to the largest amount that would not render its obligations hereunder subject to avoidance under Section 548 of the Bankruptcy Code of the United States or any comparable provisions of any applicable fraudulent conveyance, fraudulent preference, or fraudulent transfer law or similar law of any state, nation or other governmental unit.

NOW, THEREFORE, in consideration of the above premises and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

SECTION 1. Defined Terms. Capitalized terms used but not otherwise defined herein have the meanings assigned to them in the Existing Credit Agreement or the Amended Credit Agreement (as defined below), as the context may require.

SECTION 2. Amendment of Existing Credit Agreement.

(a) Subject to the satisfaction or waiver of the conditions set forth in Section 5 and Section 6 of this Agreement, (x) the Existing Credit Agreement is hereby amended and restated in its entirety to reflect the deletions of the bold, red stricken text (indicated textually in the same manner as the following example: ~~**stricken text**~~) and the additions of the bold, blue double-underlined text (indicated textually in the same manner as the following example: double-underlined text) (including, subject to the occurrence of the Second Restatement Effective Date, the All-Lender Amendments (as defined below)), in each case as set forth in the credit agreement attached as Annex A hereto (the Existing Credit Agreement, as so amended, being referred to as the "Amended Credit Agreement") and (y) Schedule 1.08 is hereby added and Schedules 7.01 and 7.02 to the Existing Credit Agreement are hereby amended and restated in the form of Annex B attached hereto.

(b) For purposes of this Agreement, the "All-Lender Amendments" shall refer to any amendments set forth in the credit agreement attached as Annex A (i) changing which entity comprises the Borrower in the definition of "Borrower" set forth therein (and the corresponding changes to the cover page thereof), (ii) changing which entities comprise the Guarantors in the definition of "Guarantor" set forth therein (and the corresponding changes to the cover page thereof and the recitals thereto and corresponding deletions of the defined terms for "Holdings I-A", "Holdings II-A" and "Holdings III-A" set forth therein), (iii) changing the reference to the Restated Guarantee Agreement in the definition of "Guarantee Agreement" set forth therein, (iv) changing which entities comprise Covered Subsidiaries in the definition of "Covered Subsidiaries" set forth therein, (v) changing the consent requirements for releasing Guarantees set forth in Section 10.01(a)(v) thereof and (vi) changing the benchmark rates for Euro- and Sterling-denominated Loans from LIBOR to EURIBOR and SONIA, respectively. (c) Following the Second Restatement Effective Date, the Amended Credit Agreement may be further amended with the consent of the Administrative Agent at the request of the Borrower without the need to obtain the consent of any other Lender if such amendment is effectuated in order to cure ambiguities or defects, any obvious error or any error or omission of a technical nature, in each case in connection with the changes contemplated by the All-Lender Amendments (including any such amendments to any Exhibit to the Existing Credit Agreement or any Schedule to the Existing Credit Agreement).

(d) Notwithstanding anything in this Agreement or the annexes thereto to the contrary, in no event shall the Borrower be required to pay any Commitment Fees, letter of credit participation fees, letter of credit fronting fees or interest on any Loan to the extent such fees or interest would be duplicative of any fees or interest the Borrower has previously paid under the Existing Credit Agreement.

Nothing herein shall be deemed to entitle any Loan Party to a consent to, or a waiver, amendment, modification or other change of, any of the terms, conditions, obligations, covenants or agreements contained in the Existing Credit Agreement or any other Loan Document in similar or different circumstances.

(b) From and after the Restatement Effective Date (as defined in the Amended Credit Agreement), the terms "Agreement", "this Agreement", "herein", "hereinafter", "hereto", "hereof" and words of similar import, as used (i) in the Amended Credit Agreement, shall, unless the context otherwise requires, refer to the Existing Credit Agreement as amended by this Agreement, and the term "Credit Agreement", as used in any Loan Document, shall mean the Amended Credit Agreement and (ii) in the Restated Guarantee Agreement, shall, unless the context otherwise requires, refer to the Guarantee Agreement as amended and restated in the form of the Restated Guarantee Agreement, and the term "Collateral and Guarantee Agreement" or "Guarantee Agreement", as used in any Loan Document, shall be deemed to be a reference to the Restated Guarantee Agreement. Delivery of an executed counterpart of a signature page of this Agreement by facsimile transmission or electronic transmission, including the use of any Electronic Signatures (as defined in the Restated Credit Agreement), shall be effective as delivery of a manually executed counterpart of this Agreement.

Each Issuing Bank shall, promptly following its receipt thereof, examine all documents purporting to represent a demand for payment under a Letter of Credit and shall promptly notify the Administrative Agent and the Borrower by telephone (confirmed by hand delivery or facsimile) of such demand for payment and whether such Issuing Bank has made or will make an LC Disbursement thereunder; provided that any failure to give or delay in giving such notice shall not relieve the Borrower of its obligation to reimburse such LC Disbursement.

(f) Reimbursements. If an Issuing Bank shall make an LC Disbursement in respect of a Letter of Credit, the Borrower shall reimburse such LC Disbursement by paying to the Administrative Agent an amount equal to such LC Disbursement, in the currency (or, in the case of currencies other than Dollars, in Dollars the Dollar Equivalent amount of such LC Disbursement) of such LC Disbursement, not later than (i) if the Borrower shall have received notice of such LC Disbursement prior to 12:00 noon Local Time on any Business Day, then 4:00 p.m. on the next Business Day or (ii) otherwise, 4:00 p.m. Local Time, on the second Business Day following the day that the Borrower receives such notice; provided that, in the case of an LC Disbursement denominated in Dollars, if the amount of such LC Disbursement is $500,000 or more, the Borrower may, subject to the conditions to borrowing set forth herein, request in accordance with Section 2.02 that such payment be financed with a Revolving Loan that is an Base Rate Borrowing, in an equivalent amount, and to the extent so financed, the Borrower's obligation to make such payment shall be discharged and replaced by the resulting Loan. If the Borrower fails to reimburse any LC Disbursement by the time specified above, the Administrative Agent shall notify each Revolving Lender of such failure, the amount and currency of the payment then due from the Borrower in respect of such LC Disbursement and such Lender's Applicable Percentage thereof. Promptly following receipt of such notice, each Revolving Lender shall pay to the Administrative Agent its Applicable Percentage of the payment then due from the Borrower, in the same manner as provided in Section 2.11 with respect to Revolving Loans made by such Lender (and Section 2.11 shall apply, mutatis mutandis, to the payment obligations of the Lenders pursuant to this paragraph), and the Administrative Agent shall promptly remit to the applicable Issuing Bank the amounts so received by it from the Lenders. Promptly following receipt by the Administrative Agent of any payment from the Borrower pursuant to this paragraph, the Administrative Agent shall distribute such payment to the applicable Issuing Bank or, to the extent that Lenders have made payments pursuant to this paragraph to reimburse such Issuing Bank, then to such Lenders and such Issuing Bank, as their interests may appear. Any payment made by a Lender pursuant to this paragraph to reimburse an Issuing Bank for an LC Disbursement (other than the funding of an Base Rate Borrowing as contemplated above) shall not constitute a Loan and shall not relieve the Borrower of its obligation to reimburse such LC Disbursement.

(g) Obligations Absolute. The Borrower's obligation to reimburse LC Disbursements as provided in paragraph (f) of this Section is absolute, unconditional and irrevocable and shall be performed strictly in accordance with the terms of this Agreement under any and all circumstances whatsoever and irrespective of (i) any lack of validity or enforceability of any Letter of Credit or this Agreement, or any term or provision thereof or hereof, (ii) any draft or other document presented under a Letter of Credit proving to be forged, fraudulent or invalid in any respect or any statement therein being untrue or inaccurate in any respect, (iii) payment by an Issuing Bank under a Letter of Credit against

presentation of a draft or other document that does not comply with the terms of such Letter of Credit or (iv) any other event or circumstance whatsoever, whether or not similar to any of the foregoing, that might, but for the provisions of this paragraph, constitute a legal or equitable discharge of, or provide a right of setoff against, the Borrower's obligations hereunder. None of the Administrative Agent, the Lenders, the Issuing Banks or any of their Related Parties shall have any liability or responsibility by reason of or in connection with the issuance or transfer of any Letter of Credit, any payment or failure to make any payment thereunder (irrespective of any of the circumstances referred to in the preceding sentence), any error, omission, interruption, loss or delay in transmission or delivery of any draft, notice or other communication under or relating to any Letter of Credit (including any document required to make a drawing thereunder), any error in interpretation of technical terms or any other act, failure to act or other event or circumstance; provided that none of the foregoing in this paragraph (g) shall be construed to excuse any Issuing Bank from liability to the Borrower to the extent of any direct damages (as opposed to consequential damages, claims in respect of which are hereby waived by the Borrower to the extent permitted by applicable law) suffered by the Borrower that are caused by such Issuing Bank's failure to exercise due care when determining whether drafts and other documents presented under a Letter of Credit comply with the terms thereof. The parties hereto expressly agree that, in the absence of gross negligence or willful misconduct on the part of the Issuing Bank (as finally determined by a non-appealable judgment of a court of competent jurisdiction), such Issuing Bank shall be deemed to have exercised due care in each such determination. In furtherance of the foregoing and without limiting the generality thereof, the parties agree that, with respect to documents presented that appear on their face to be in substantial compliance with the terms of a Letter of Credit, an Issuing Bank may, in its sole discretion, either accept and make payment upon such documents without responsibility for further investigation, regardless of any notice or information to the contrary, or refuse to accept and make payment upon such documents if such documents are not in strict compliance with the terms of such Letter of Credit.

(h) Interim Interest. If an Issuing Bank shall make any LC Disbursement, then, unless the Borrower shall reimburse such LC Disbursement in full on the date such LC Disbursement is made, the unpaid amount thereof shall bear interest, for each day from and including the date such LC Disbursement is made to but excluding the date that the Borrower reimburses such LC Disbursement in full, (i) in the case of any LC Disbursement denominated in Dollars, at the rate per annum then applicable to Base Rate Loans and (ii) in the case of any LC Disbursement denominated in Euro or Sterling, at the Overnight ~~Eurocurrency~~ Rate, plus, the Applicable Rate for determining the interest rate on ~~Eurocurrency Rate~~EURIBOR Loans or SONIA Loans, as the case may be; provided that if the Borrower fails to reimburse such LC Disbursement when due pursuant to paragraph (f) of this Section, then Section 2.07(b) shall apply. Interest accrued pursuant to this paragraph shall be paid to the Administrative Agent, for the account of the applicable Issuing Bank, except that interest accrued on and after the date of payment by any Lender pursuant to paragraph (f) of this Section to reimburse such Issuing Bank shall be for the account of such Lender to the extent of such payment, and shall be payable on demand or, if no demand has been made, on the date on which the Borrower reimburses the applicable LC Disbursement in full.

(i) Cash Collateralization. If any Event of Default under Sections 8.01(b), (c), (g) or (h) shall occur and be continuing, on the first Business Day following the Business Day that the Borrower receives notice from the Administrative Agent or the Required Lenders (or, if the maturity of the Loans has been accelerated, Lenders representing more than 50% of the aggregate LC Exposures) demanding the deposit of Cash Collateral pursuant to this paragraph, the Borrower shall deposit, with respect to each outstanding Letter of Credit, in an account with the Administrative Agent, in the name of the Administrative Agent and for the benefit of the Lenders, an amount in cash and in the currency of such Letter of Credit equal to the LC Exposure attributable to such Letter of Credit as of such date plus any accrued and unpaid interest thereon; provided that the obligation to deposit such Cash Collateral shall become effective immediately, and such deposit shall become immediately due and payable, without demand or other notice of any kind, upon the occurrence of any Event of Default with respect to the Borrower described in Sections 8.01(g) or (h). The Borrower also shall deposit Cash Collateral in accordance with this paragraph as and to the extent required by Section 2.04. Each such deposit shall be held by the Administrative Agent as collateral for the payment and performance of the obligations of the Borrower under this Agreement. The Administrative Agent shall have exclusive dominion and control, including the exclusive right of withdrawal, over such account. Other than any interest earned on the investment of such deposits, which investments shall be made in investments of a type to be agreed by the Borrower and the Administrative Agent and at the Borrower's risk and expense, such deposits shall not bear interest. Interest or profits, if any, on such investments shall accumulate in such account. Monies in such account shall be applied by the Administrative Agent to reimburse the Issuing Banks for LC Disbursements for which they have not been reimbursed and, to the extent not so applied, shall be held for the satisfaction of the reimbursement obligations of the Borrower for the LC Exposure at such time or, if the maturity of the Loans has been accelerated (but subject to the consent of the Revolving Lenders with LC Exposures representing more than 50% of the aggregate LC Exposures), be applied to satisfy other obligations of the Borrower under this Agreement. If the Borrower is required to provide Cash Collateral hereunder as a result of the occurrence of an Event of Default, such Cash Collateral (to the extent not applied as aforesaid) shall be returned to the Borrower within three Business Days after all Events of Default have been cured or waived. If the Borrower is required to provide Cash Collateral hereunder pursuant to Section 2.04, such Cash Collateral (to the extent not applied as aforesaid) shall be returned to the Borrower as and to the extent that, after giving effect to such return, the aggregate Credit Exposures would not exceed the aggregate Commitments and no Default shall have occurred and be continuing.

(j) Designation of Additional Issuing Banks. The Borrower may, at any time and from time to time, with the consent of the Administrative Agent (which consent shall not be unreasonably withheld), designate as additional Issuing Banks one or more Lenders that agree to serve in such capacity as provided below. The acceptance by a Lender of an appointment as an Issuing Bank hereunder shall be evidenced by an agreement, which shall be in form and substance reasonably satisfactory to the Administrative Agent, executed by the Borrower, the Administrative Agent and such designated Lender and, from and after the effective date of such agreement, (i) such Lender shall have all the rights and obligations of an Issuing Bank under this Agreement and the other Loan Documents and (ii) references herein or therein to the term "Issuing Bank" shall be deemed to include such Lender in its capacity as an issuer of Letters of Credit hereunder.

(k) Termination of an Issuing Bank. The Borrower may terminate the appointment of any Issuing Bank as an "Issuing Bank" hereunder by providing a written notice thereof to such Issuing Bank, with a copy to the Administrative Agent. Any such termination shall become effective upon the earlier of (i) such Issuing Bank acknowledging receipt of such notice and (ii) the 10th Business Day following the date of the delivery thereof; provided that no such termination shall become effective until and unless the LC Exposure attributable to Letters of Credit issued by such Issuing Bank (or its Affiliates) shall have been reduced to zero. At the time any such termination shall become effective, the Borrower shall pay all unpaid fees accrued for the account of the terminated Issuing Bank pursuant to Section 2.08(b). Notwithstanding the effectiveness of any such termination, the terminated Issuing Bank shall remain a party hereto and shall continue to have all the rights of an Issuing Bank under this Agreement with respect to Letters of Credit issued by it prior to such termination, but shall not issue any additional Letters of Credit.

(l) Issuing Bank Reports to the Administrative Agent. Unless otherwise agreed by the Administrative Agent, each Issuing Bank shall, in addition to its notification obligations set forth elsewhere in this Section, report in writing to the Administrative Agent (i) on the last Business Day of each calendar month for so long as any Letter of Credit issued by such Issuing Bank is outstanding, activity in respect of Letters of Credit issued by such Issuing Bank, including all issuances, extensions, amendments and renewals, all expirations and cancellations and all disbursements and reimbursements, (ii) reasonably prior to the time that such Issuing Bank issues, amends, renews or extends any Letter of Credit, the date of such issuance, amendment, renewal or extension, and the currencies and the face amount of the Letters of Credit issued, amended, renewed or extended by it and outstanding after giving effect to such issuance, amendment, renewal or extension (and whether the amounts thereof shall have changed), (iii) on each Business Day on which such Issuing Bank makes any LC Disbursement, the date, the currency and amount of such LC Disbursement, (iv) on any Business Day on which the Borrower fails to reimburse an LC Disbursement required to be reimbursed to such Issuing Bank on such day, the date of such failure and the amount of such LC Disbursement and (v) on any other Business Day, such other information as the Administrative Agent shall reasonably request as to the Letters of Credit issued by such Issuing Bank.

(m) LC Exposure Determination. For all purposes of this Agreement, the amount of a Letter of Credit that, by its terms or the terms of any document related thereto, provides for one or more automatic increases in the stated amount thereof shall be deemed to be the maximum stated amount of such Letter of Credit after giving effect to all such increases, whether or not such maximum stated amount is in effect at the time of determination; provided that, at any time of determination, the Letter of Credit fees shall at all times be calculated based on the maximum stated amount of the Letter of Credit in effect at such time rather than the maximum stated amount thereof after giving effect to any such future increases.

SECTION 2.04. Prepayments.

(a) Voluntary Prepayments of Loans. Borrower may, upon notice from the Borrower to the Administrative Agent, at any time or from time to time voluntarily prepay any Borrowing in whole or in part without premium or penalty; provided that (A) such notice must be in a form reasonably acceptable to the Administrative Agent and received by the Administrative Agent not later than 12:00 noon (1) three Business Days prior to any date of prepayment of Eurocurrency Rate Loans ~~and~~, (2) four Business Days prior to any date of prepayment of SONIA Loans or EURIBOR Loans and (3) on the date of prepayment of Base Rate Loans; (B) any such prepayment of Eurocurrency Rate Loans, SONIA Loans or EURIBOR Loans shall be in a principal amount of the Borrowing Minimum or a whole multiple of the Borrowing Multiple in excess thereof (or, if less, the entire principal amount thereof then outstanding); and (C) any prepayment of Base Rate Loans shall be in a principal amount of the Borrowing Minimum or a whole multiple of the Borrowing Multiple in excess thereof (or, if less, the entire principal amount thereof then outstanding). Each such notice shall specify the date, amount and currency of such prepayment, and the Type(s) of Loans to be prepaid. Each such notice shall be irrevocable; provided that, if a notice of prepayment is given in connection with a conditional notice of termination of the Commitments as contemplated by Section 2.05, such notice of prepayment may be revoked if such notice of termination is revoked in accordance with Section 2.05. The Administrative Agent will promptly notify each Lender of its receipt of a notice of prepayment and of the amount of such Lender's ratable portion of the Loans included in such prepayment. If such notice is given by the Borrower, unless such notice is revoked as provided above, the Borrower shall make such prepayment and the payment amount specified in such notice shall be due and payable on the date specified therein. Any prepayment pursuant to this Section 2.04(a) shall be applied as set forth in Section 2.04(c).

(b) Mandatory Prepayments of Loans. If for any reason, including as a result of the permanent reduction of the Aggregate Revolving Commitments pursuant to Section 2.05(b), the Total Revolving Outstandings at any time exceed the Aggregate Revolving Commitments then in effect, the Borrower shall prepay, within two Business Days of receiving notice from the Administrative Agent (or such longer period as the Administrative Agent may agree to in order to avoid LIBOR breakage costs), without premium or penalty but subject to Section 3.05, Revolving Loans and/or Cash Collateralize the LC Exposures in such amounts as shall be necessary to eliminate the excess of such Total Revolving Outstandings over the Aggregate Revolving Commitments. Any prepayment pursuant to this clause (b) shall be applied as set forth in clause (c) below.

(c) Application of Voluntary and Mandatory Prepayments. All amounts repaid pursuant to this Section 2.04 shall be applied to any Class of Loans as directed by the Borrower (and absent such direction, first to Base Rate Loans and then to Eurocurrency Rate Loans, SONIA Loans and EURIBOR Loans in direct order of Interest Period maturities, relevant interest payment date or payment period, as applicable). Any prepayment of ~~a Eurocurrency Rate~~any Loan shall be accompanied by all accrued interest on the amount prepaid, together with any additional amounts required pursuant to Section 3.05. Each such prepayment shall be applied to the Loans of the Lenders ratably in accordance with their respective Commitments of the applicable Class.

SECTION 2.05. Termination or Reduction of Commitments.

(a) Unless previously terminated, the Commitments shall terminate on the Maturity Date.

(b) The Borrower may, upon notice to the Administrative Agent, at any time terminate the Commitments of any Class, or from time to time permanently reduce the Commitments of any Class; provided that (i) the Borrower shall not terminate or reduce the Aggregate Revolving Commitments to an amount less than the Outstanding Amount of Revolving Loans after giving effect to any concurrent prepayment of the Loans in accordance with Section 2.04, (ii) any such notice shall be received by the Administrative Agent not later than 12:00 noon three Business Days prior to the date of termination or reduction (or such shorter period agreed to by the Administrative Agent) and (iii) any such partial reduction shall be in an aggregate amount of the Borrowing Minimum or any whole multiple of the Borrowing Multiple in excess thereof. The Administrative Agent will promptly notify the Lenders of any such notice of termination or reduction of the Commitments of any tranche. Any reduction of the Commitments of any tranche shall be applied ratably among the applicable Lenders in accordance with their Commitments of the applicable Class. All fees accrued with respect thereto until the effective date of any termination of the Commitments of any Class shall be paid on the effective date of such termination. Each notice delivered by the Borrower pursuant to this Section shall be irrevocable; provided that a notice of termination of the Commitments of any tranche may state that such notice is conditioned upon the effectiveness of other credit facilities, in which case such notice may be revoked or extended by the Borrower (by notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied or the effectiveness of such other credit facilities is delayed.

(c) The Borrower may terminate the unused amount of the Commitment of any Class of a Defaulting Lender upon not less than three Business Days' prior notice to such Defaulting Lender and the Administrative Agent (which will promptly notify the other Lenders thereof) and the Commitments of such Class shall be reduced by such amount; provided that such termination will not be deemed to be a waiver or release of any claim the Borrower, the Administrative Agent or any Lender may have against such Defaulting Lender.

SECTION 2.06. Repayment of Loans. The Borrower shall repay on the Maturity Date to the Administrative Agent for the account of each Lender the aggregate principal amount of all Loans outstanding on such date, together with all accrued but unpaid interest and all other unpaid amounts owing with respect thereto. The Borrower hereby unconditionally promises to pay to the Administrative Agent, the Incremental Term Loans and Incremental Revolving Loans as set forth in the applicable Incremental Facility Amendment

SECTION 2.07. Interest.

(a) Subject to the provisions of Section 2.07(b), (i) each Eurocurrency Rate Loan shall bear interest on the outstanding principal amount thereof for each Interest Period applicable thereto at a rate per annum equal to the sum of the Eurocurrency Rate for such Interest Period plus the Applicable Rate ~~and~~, (ii) each Base Rate Loan shall bear interest on the outstanding principal amount thereof from the applicable borrowing date at a rate per annum equal to the sum of the Base Rate plus the Applicable Rate~~.~~, (iii) each SONIA Loan shall bear interest on the outstanding principal amount thereof from the applicable borrowing date at a rate per annum equal to the Adjusted SONIA Rate plus the Applicable Rate and (iv) each EURIBOR Loan shall bear interest on the outstanding principal amount thereof for each Interest Period at a rate per annum equal to the EURIBOR for such Interest Period plus the Applicable Rate.

(b) While any Event of Default under Section 8.01(b) or (c) exists with respect to the payment of principal, interest and/or fees, the Borrower shall pay interest on such overdue amount at a fluctuating interest rate per annum at all times equal to the Default Rate to the fullest extent permitted by applicable Laws. Accrued and unpaid interest on past due amounts (including interest on past due interest) shall be due and payable upon demand.

(c) Interest on each Loan shall be due and payable in arrears on each Interest Payment Date applicable thereto and at such other times as may be specified herein. Interest hereunder shall be due and payable in accordance with the terms hereof before and after judgment, and before and after the commencement of any proceeding under any Debtor Relief Law.

SECTION 2.08. Fees.

(a) Commitment Fees. The Borrower shall pay to the Administrative Agent, for the account of each Revolving Lender in accordance with its Applicable Percentage, a commitment fee equal to (i) the Applicable Rate times (ii) the actual daily amount by which the Aggregate Revolving Commitments then in effect exceed the Outstanding Amount of Revolving Loans and LC Exposures, subject to adjustment as provided in Section 2.13. The Commitment Fees shall accrue at all times during the Availability Period, including at any time during which one or more of the conditions in Article V is not met, and shall be due and payable quarterly in arrears commencing on the first quarterly payment date to occur after the ~~Restatement~~Original Effective Date, thereafter on the last Business Day of each March, June, September and December and on the Maturity Date. The Commitment Fees shall be calculated quarterly in arrears.

(b) Participation and Fronting Fees. The Borrower agrees to pay (i) to the Administrative Agent for the account of each Lender a participation fee with respect to its participations in Letters of Credit, which shall accrue at the Applicable Rate used to determine the interest rate applicable to Eurocurrency Rate Loans less 0.20% on the Dollar Equivalent of the daily outstanding amount of each such Letter of Credit during the period from and including the ~~Restatement~~Original Effective Date to but excluding the later of the date on which such Lender's Revolving Commitment terminates and the date on which such Lender ceases to have any LC Exposure, and (ii) to each Issuing Bank, a fronting fee which shall accrue at the rate of 0.20% per annum on the average daily amount of the LC Exposure attributable to Letters of Credit issued by such Issuing Bank (excluding any portion thereof attributable to unreimbursed LC Disbursements) during the period from and including the ~~Restatement~~Original Effective Date to but excluding the later of the date

of termination of the Revolving Commitments and the date on which there ceases to be any such LC Exposure, as well as such Issuing Bank's standard fees with respect to the issuance, amendment, renewal or extension of any Letter of Credit or processing of drawings thereunder. Participation fees and fronting fees accrued through and including the last day of March, June, September and December of each year shall be payable in arrears on such last day, commencing on the first such date to occur after the ~~Restatement~~Original Effective Date; provided that all such fees shall be payable on the date on which the Revolving Commitments terminate, and any such fees accruing after the date on which the Revolving Commitments terminate shall be payable on demand. Any other fees payable to an Issuing Bank pursuant to this paragraph shall be payable within 10 days after demand. All participation fees and fronting fees shall be computed on the basis of a year of 360 days and shall be payable for the actual number of days elapsed (including the first day but excluding the last day).

(c) Other Fees. The Borrower shall pay to the Arrangers and the Administrative Agent for their own respective accounts fees in the amounts and on the dates agreed to in the applicable Fee Letter. Such fees shall be fully earned when paid and shall not be refundable for any reason whatsoever.

SECTION 2.09. Computation of Interest and Fees. All computations of interest for Base Rate Loans (including Base Rate Loans determined by reference to the Eurocurrency Rate) and for Loans denominated in Euro and Sterling shall be made on the basis of a year of 365 or 366 days, as the case may be, and actual days elapsed~~-~~, or, in the case of interest in respect of Loans denominated in Euro or Sterling as to which market practice differs from the foregoing, in accordance with such market practice. All other computations of fees and interest shall be made on the basis of a 360-day year and actual days elapsed (which results in more fees or interest, as applicable, being paid than if computed on the basis of a 365 or 366 -day year). Interest shall accrue on each Loan for the day on which the Loan is made, and shall not accrue on a Loan, or any portion thereof, for the day on which the Loan or such portion is paid; provided that any Loan that is repaid on the same day on which it is made shall, subject to Section 2.11(a), bear interest for one day. Each determination by the Administrative Agent of an interest rate or fee hereunder shall be conclusive and binding for all purposes absent demonstrable error.

SECTION 2.10. Evidence of Debt.

(a) The Borrowings extended by each Lender and amounts of principal and interest payable or paid to such Lender from time to time hereunder shall be evidenced by one or more accounts or records maintained by such Lender and by the Administrative Agent in the ordinary course of business. The accounts or records maintained by the Administrative Agent and each Lender shall be conclusive absent demonstrable error of the amount of the Borrowings extended by the Lenders to the Borrower and the interest and payments thereon. Any failure to so record or any error in doing so shall not, however, limit or otherwise affect the obligation of the Borrower hereunder to pay any amount owing with respect to the Obligations. In the event of any conflict between the accounts and records maintained by any Lender and the accounts and records of the Administrative Agent in respect of such matters, the accounts and records of the Administrative Agent

shall control in the absence of demonstrable error. At the request of a Lender, the Borrower shall execute and deliver to such Lender (through the Administrative Agent) a promissory note, which shall evidence a Lender's Loans, in substantially the form of Exhibit 2.10 (each a "Note"), in addition to such accounts or records. Each Lender may attach schedules to its Note(s) and endorse thereon the date, Type (if applicable), amount and maturity of its Loans and payments with respect thereto.

(b) The Administrative Agent shall promptly provide copies of the accounts and records maintained in accordance with this Section 2.10 to the Borrower at its reasonable request.

SECTION 2.11. Payments Generally; Administrative Agent's Clawback.

(a) General. All payments to be made by the Borrower shall be made free and clear of and without condition or deduction for any counterclaim or setoff. Except as otherwise expressly provided herein and other than with respect to principal and interest on Loans denominated in Euro or Sterling, all payments by the Borrower hereunder shall be made to the Administrative Agent, for the account of the respective Lenders to which such payment is owed, at the Administrative Agent's Office in Dollars and in immediately available funds not later than 2:00 p.m., Local Time, on the date specified herein. Except as otherwise expressly provided herein, all payments by the Borrower hereunder with respect to principal and interest on Loans denominated in Euro or Sterling shall be made to the Administrative Agent, for the account of the respective Lenders to which such payment is owed, at the applicable Administrative Agent's Office in such currency and in immediately available funds not later than 1:00 p.m., Local Time, on the date specified herein. The Administrative Agent will promptly distribute to each Lender its Applicable Percentage (or other applicable share as provided herein) of such payment in like funds as received by wire transfer to such Lender's Lending Office. All payments received by the Administrative Agent after (i) 2:00 p.m., Local Time, in the case of payments in Dollars, or (ii) after 1:00 p.m., Local Time, in the case of payments in Euro or Sterling, may, in the discretion of the Administrative Agent, be deemed received on the next succeeding Business Day for purposes of calculating interest or fees thereon. Subject to the definition of "Interest Period," if any payment to be made by the Borrower shall come due on a day other than a Business Day, payment shall be made on the next following Business Day, and such extension of time shall be reflected in computing interest or fees, as the case may be.

(b) (i) Funding by Lenders; Presumption by Administrative Agent. Unless the Administrative Agent shall have received notice from a Lender prior to the proposed date of any Borrowing of Eurocurrency Rate Loans, SONIA Loans or EURIBOR Loans (or, in the case of any Borrowing of Base Rate Loans, prior to 12:00 noon on the date of such Borrowing) that such Lender will not make available to the Administrative Agent such Lender's share of such Borrowing, the Administrative Agent may assume that such Lender has made such share available on such date in accordance with Section 2.02 (or, in the case of any Borrowing of Base Rate Loans, that such Lender has made such share available in accordance with and at the time required by Section 2.02) and may, in reliance upon such assumption, make available to the Borrower a corresponding amount.

In such event, if a Lender has not in fact made its share of the applicable Borrowing available to the Administrative Agent, then the applicable Lender and the Borrower severally agree to pay to the Administrative Agent forthwith on demand such corresponding amount in immediately available funds with interest thereon, for each day from and including the date such amount is made available to the Borrower to but excluding the date of payment to the Administrative Agent, at (x) in the case of a payment to be made by such Lender, the greater of the Federal Funds Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation and (y) in the case of a payment to be made by the Borrower, the interest rate applicable to Base Rate Loans. If the Borrower and such Lender shall pay such interest to the Administrative Agent for the same or an overlapping period, the Administrative Agent shall promptly remit to the Borrower the amount of such interest paid by the Borrower for such period. In the event the Borrower pays such amount to the Administrative Agent, then such amount shall reduce the principal amount of such Borrowing. If such Lender pays its share of the applicable Borrowing to the Administrative Agent, then the amount so paid shall constitute such Lender's Loan included in such Borrowing. Any payment by the Borrower shall be without prejudice to any claim the Borrower may have against a Lender that shall have failed to make such payment to the Administrative Agent.

(ii) Payments by Borrower; Presumptions by Administrative Agent. With respect to any payment that is due to the Administrative Agent for the account of the Lenders or any Issuing Bank, the Administrative Agent may assume that the Borrower has made the payment on the date that the payment is due and may, in reliance upon such assumption, distribute to the Lenders or the applicable Issuing Bank the amount due. ~~In such event, if~~ With respect to any payment that the Administrative Agent makes for the account of the Lenders or any Issuing Bank hereunder as to which the Administrative Agent determines (which determination shall be conclusive absent manifest error) that any of the following applies (such payment referred to as the "Rescindable Amount"): (1) the Borrower has not in fact made such payment; (~~or if~~2) the Administrative Agent has ~~erroneously~~ made a payment ~~to the Lenders or any Issuing Bank when~~in excess of the amount so paid by the Borrower ~~has not~~(whether or not then owed); or (3) the Administrative Agent has for any reason otherwise erroneously made such payment~~),~~; then each of the Lenders or the applicable Issuing Bank severally agrees to repay to the Administrative Agent forthwith on demand the ~~amount~~Rescindable Amount so distributed to such Lender or such Issuing Bank, in immediately available funds with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the Federal Funds Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation.

A notice of the Administrative Agent to any Lender or the Borrower with respect to any amount owing under this subsection (b) shall be conclusive, absent demonstrable error.

(c) Failure to Satisfy Conditions Precedent. If any Lender makes available to the Administrative Agent funds for any Loan to be made by such Lender as provided in the foregoing provisions of this Article II, and such funds are not made available to the Borrower by the Administrative Agent because the conditions to the applicable Borrowing set forth in Article V are not satisfied or waived in accordance with the terms hereof, the Administrative Agent shall promptly return such funds (in like funds as received from such Lender) to such Lender, without interest.

(d) Obligations of Lenders Several. The obligations of the Lenders hereunder to make Loans and to make payments pursuant to Section 10.04(c) are several and not joint. The failure of any Lender to make any Loan or to make any payment under Section 10.04(c) on any date required hereunder shall not relieve any other Lender of its corresponding obligation to do so on such date, and no Lender shall be responsible for the failure of any other Lender to so make its Loan, to purchase its participation or to make its payment under Section 10.04(c).

(e) Funding Source. Nothing herein shall be deemed to obligate any Lender to obtain the funds for any Loan in any particular place or manner or to constitute a representation by any Lender that it has obtained or will obtain the funds for any Loan in any particular place or manner.

SECTION 2.12. Sharing of Payments by Lenders. If any Lender shall, by exercising any right of setoff or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of its Revolving Loans or participation in LC Disbursements resulting in such Lender's receiving payment of a proportion of the aggregate amount of such Revolving Loans and participations in LC Disbursements and accrued interest thereon greater than its pro rata share thereof as provided herein, then the Lender receiving such greater proportion shall (a) notify the Administrative Agent of such fact and (b) purchase (for cash at face value) participations in the Revolving Loans and participations in LC Disbursements of the other applicable Lenders, or make such other adjustments as shall be equitable, so that the benefit of all such payments shall be shared by the applicable Lenders ratably in accordance with the relative aggregate amount of principal of and accrued interest on their respective Revolving Loans and participations in LC Disbursements and other amounts owing them; provided that:

(i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest; and

(ii) the provisions of this Section 2.12 shall not be construed to apply to (x) any payment made by or on behalf of the Borrower pursuant to and in accordance with the express terms of this Agreement (including the application of funds arising from the existence of a Defaulting Lender or a Disqualified Institution and including Section 2.15), (y) the application of Cash Collateral provided for in Section 2.03(i) or (z) any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Revolving Loans or participations in LC Disbursements to any assignee or participant, other than an assignment to the Borrower (as to which the provisions of this Section 2.12 shall apply).

The Borrower consents to the foregoing and agrees, to the extent it may effectively do so under applicable Law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against the Borrower rights of setoff and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of the Borrower in the amount of such participation.

SECTION 2.13. Incremental Commitments~~Incremental Commitments~~. (a) The Borrower may by written notice to the Administrative Agent (whereupon the Administrative Agent shall promptly deliver a copy to each of the Lenders) request, from time to time prior to the Maturity Date, (i) commitments to make one or more tranches of term loans in an aggregate amount not to exceed the then available Incremental Amount (any such new commitment to make term loans, an "Incremental Term Commitment") or (ii) one or more increases in the Revolving Commitments or one or more new tranches of commitments to make revolving loans, in an aggregate amount for all such increased and new commitments not to exceed the then available Incremental Amount (any such Revolving Commitment increase, a "Revolving Commitment Increase" and, together with new commitments to make revolving loans, an "Incremental Revolving Commitment"); provided that the aggregate amount of Incremental Term Commitments and Incremental Revolving Commitments becoming effective on any date shall not in any event exceed the available Incremental Amount on such date. Each Incremental Commitment shall be (A) an integral multiple of $5,000,000 and not less than $10,000,000 or (B) such lesser Incremental Amount then available at such time. Each notice delivered pursuant to this Section 2.13(a) shall specify (x) the date (the "Increase Effective Date") on which the Borrower proposes that the proposed Incremental Commitments shall be effective, which shall be a date not less than 10 Business Days after the date on which such notice is delivered to the Administrative Agent (or such shorter period as may be agreed by the Administrative Agent), (y) the total amount of the Incremental Commitments requested by the Borrower and (z) the identity of the banks, financial institutions and other entities to whom the Borrower proposes that any portion of such Incremental Commitments be allocated and the amounts of such allocations. Any existing Lender approached to provide all or a portion of the Incremental Commitments may elect or decline, in its sole discretion, to provide such Incremental Commitment. The fees payable in respect of the Incremental Facility shall be determined by the Borrower and the Lenders providing such Incremental Facility.

(b) Conditions. An Incremental Commitment shall become effective, as of the Increase Effective Date specified therefor; provided that:

(i) at the time of and immediately after giving effect to the establishment of such Incremental Commitment and the Borrowings to be made thereunder on such Increase Effective Date and the use of proceeds thereof, each of the conditions set forth in Section 5.02 shall be satisfied;

(ii) no Default or Event of Default shall have occurred and be continuing or would result from the establishment of such Incremental Commitment, the Borrowings to be made thereunder on such Increase Effective Date and the use of proceeds thereof;

(iii) at the time and immediately after giving pro forma effect to the establishment of such Incremental Commitments and the Borrowings to be made thereunder (assuming, in the case of an Incremental Revolving Commitment, that such Commitment is fully utilized) and the use of proceeds thereof (including any Acquisition or repayment of Indebtedness consummated simultaneously therewith), the Borrower shall be in compliance with the covenants set forth in Section 7.10 on a pro forma basis in accordance with Section 1.04(b);

(iv) [reserved];

(v) the Borrower shall deliver or cause to be delivered any legal opinions, reaffirmation agreements of Loan Parties, officer's certificates, board resolutions and evidence of authority in connection with such Incremental Commitment, including a certificate dated the Increase Effective Date and executed by a Financial Officer of the Borrower certifying that all the requirements set forth in this clause (b) have been satisfied, and including reasonably detailed calculations demonstrating satisfaction of the requirement set forth in (b)(iii);

(vi) the Administrative Agent and, solely in the case of Incremental Revolving Commitments, each Issuing Bank, shall have consented to any Lender's providing such Incremental Commitments if such consent would be required under Section 10.06 for an assignment of Loans or Commitments, as applicable, to such Lender.

(c) Terms of New Loans and Commitments. The Incremental Term Loans and Incremental Revolving Loans may but need not be part of the same Class as an existing Class of Loans and Borrowings, and the representations, warranties, covenants and Events of Default applicable to each Incremental Facility shall be identical to the representations, warranties, covenants and Events of Default applicable to the then existing Classes of Loans and Commitments under this Agreement; provided that any Incremental Facility may contain additional or different covenants applicable during periods after the latest Maturity Date, Incremental Term Maturity Date or Incremental Revolving Maturity Date applicable to any existing Class of Loans and Commitments. The pricing and maturity terms of the Incremental Facilities shall be as set forth in the Incremental Facility Amendment; provided that (i) the Loans and Commitments under any Incremental Facility shall not mature or have a scheduled termination date prior to the Maturity Date; (ii) any Incremental Term Loans may not have a weighted average life to maturity prior to the Maturity Date; (iii) no Incremental Facility shall require any mandatory prepayments or commitment reductions prior to the Maturity Date, (iii) no Incremental Facility shall require any amortization of the Loans or Commitments thereunder prior to the Maturity Date, other than, in the case of Incremental Term Loans, amortization in amounts not in excess of 5.00% per annum of the initial principal amount thereof; (iv) the terms of each Revolving Commitment Increase (other than the maturity date thereof, which shall comply with clause (i) above) shall be identical to the Revolving Commitments; and (v) the fees (other than fronting fees) payable in respect of any letters of credit issued under any Incremental Revolving Commitment will be identical to those applicable to the Letters of Credit. None of the Issuing Banks immediately prior to the effectiveness of any Incremental Revolving Commitments shall have any obligation to issue any Letters of Credit after the Maturity Date in effect immediately prior to the effectiveness of any Incremental Revolving Commitments, or any Letters of Credit expiring later than the date that is five Business Days prior to such Maturity Date.

(d) Incremental Revolving Commitments. Upon the effectiveness of any new Incremental Revolving Commitments, (i) each Lender holding Revolving Commitments and existing Incremental Revolving Commitments immediately prior to the effectiveness of such new Commitments will automatically and without further act be deemed to have assigned to each Lender providing a portion of such new Incremental Revolving Commitments (each, a "New Incremental Revolving Lender") and each such New Incremental Revolving Lender will automatically and without further act be deemed to have assumed, a portion of such Lender's participations hereunder in outstanding Letters of Credit such that, after giving effect to each such deemed assignment and assumption of participations, the percentage of the aggregate outstanding participations hereunder in Letters of Credit held by each Revolving Lender (including each existing Incremental Revolving Lender and Revolving Lender and each New Incremental Revolving Lender) will equal the percentage of the Aggregate Revolving Commitments (including the existing Revolving Commitments and Incremental Revolving Commitments and the New Incremental Revolving Commitments) of all Revolving Lenders represented by such Revolving Lender's Revolving Commitment and (ii) if, on the date of the effectiveness of such Incremental Revolving Commitments, there are any Revolving Loans outstanding, such Revolving Loans shall on or prior to the effectiveness of such Incremental Revolving Commitments be prepaid from the proceeds of additional Revolving Loans made hereunder (including under the existing Revolving Commitments and Incremental Revolving Commitments and such new Incremental Revolving Commitments), which prepayment shall be accompanied by accrued interest on the Revolving Loans being prepaid and any costs incurred by any Lender in accordance with Section 3.05. The Administrative Agent and the Lenders hereby agree that the minimum borrowing, pro rata borrowing and pro rata payment requirements contained elsewhere in this Agreement shall not apply to the transactions effected pursuant to the immediately preceding sentence. Following the effectiveness of any Incremental Revolving Commitments and the transactions described in the two immediately preceding sentences, all Revolving Loans and Letters of Credit shall utilize, and all voluntary prepayments of Revolving Loans and terminations all Revolving Commitments and Incremental Revolving Commitments shall be applied to, all outstanding Revolving Commitments and Incremental Revolving Commitments on a pro rata basis.

(e) Incremental Term Loan Repurchases. Subject to the terms and conditions set forth below, the Incremental Facility Amendment for any Incremental Term Commitments may permit the Borrower, any Loan Party or any Subsidiary or any Affiliate of the foregoing (any of the foregoing, a "Borrower Affiliate") to purchase Incremental Term Loans from time to time so long as (1) no Default or Event of Default shall have occurred and be continuing, and each of the conditions set forth in Section 5.02 shall be satisfied, in each case on the date of such assignment of Incremental Term Loans (the Incremental Term Loans assigned to any Borrower Affiliate, the "Borrower Purchased Incremental Term Loans"), (2) the cumulative aggregate principal amount of all Borrower

Purchased Incremental Term Loans assigned to any Borrower Affiliates since the applicable Increase Effective Date cannot exceed 20% of the original principal amount of the Incremental Term Loans, (3) the Loan Parties shall not use the proceeds of Revolving Loans to acquire such Borrower Purchased Incremental Term Loans and (4) the aggregate principal amount (calculated on the face amount thereof) of all Borrower Purchased Incremental Loans, and all accrued and unpaid interest, if any, on such Borrower Purchased Incremental Loans, shall automatically be canceled and retired and deemed satisfied by the Borrower on the settlement date of the relevant assignment (and may not be resold) to the extent permitted by applicable law and not giving rise to material adverse tax consequences other than cancellation of debt income; provided that if any such Borrower Purchased Incremental Loans are not canceled and retired in compliance with this clause (4), then (i) such Borrower Purchased Incremental Term Loans shall nevertheless be deemed to have been retired, canceled and satisfied for the purposes of calculating the vote percentages required to take any action hereunder or under the Loan Documents and shall be subordinated on terms acceptable to Administrative Agent to the Obligations in respect of the Loans and other extensions of credit hereunder other than those relating to such Borrower Purchased Incremental Term Loans and (ii) none of the Borrower, any Loan Party or any Subsidiary or any Affiliate of the foregoing shall be deemed to have acquired, through such assignment of Borrower Purchased Incremental Term Loans, any rights or obligations of a Lender (including any rights to assign the Borrower Purchased Incremental Term Loans to any other party or rights to receive information), or to be a Lender, under this Agreement or any other Loan Document (it being agreed that the Administrative Agent is authorized to make appropriate entries in the Register to reflect any such cancellation); provided further that (x) on the date of such assignment of Borrower Purchased Incremental Term Loans, the Loan Parties shall be deemed to have represented and warranted that the conditions specified in clauses (1) through (4) above have been satisfied (it being agreed that the assignor Lender in respect of such assignment and the Administrative Agent shall be entitled to rely, and shall not incur any liability for relying, upon the foregoing representation and warranty of the Loan Parties) and (y) any such assignment of Borrower Purchased Incremental Term Loans to any Borrower Affiliate shall not be, and shall not be deemed to be, a payment, repayment, prepayment, realization or receipt of such Incremental Term Loan pursuant to, or for the purposes of, Section 2.04 or Section 3.06) and any income or gains attributable to the cancellation of such Borrower Purchased Incremental Term Loans shall be excluded from the definition of "Economic Net Income".

(f) Equal and Ratable Benefit. The Loans and Commitments established pursuant to this Section shall constitute Loans and Commitments under, and shall be entitled to all the benefits afforded by, this Agreement and the other Loan Documents, and shall, without limiting the foregoing, benefit equally and ratably in right of payment from the Guarantees created under the Loan Documents.

(g) Amendment to Loan Documents. The Borrower, the Administrative Agent and the Lenders providing the Incremental Commitments in respect of an Incremental Facility may, without the consent of any other Lender, enter into an amendment to this Agreement and any other Loan Document (an "Incremental Facility Amendment") to appropriately incorporate and reflect any Incremental Facility contemplated by this Section 2.13. Each lender under the Incremental Facility, if not

already a Lender hereunder, shall become a party to this Agreement by completing and delivering to the Administrative Agent a duly executed accession agreement in a form satisfactory to the Administrative Agent and the Borrower (an "Accession Agreement"), and on the Increase Effective Date, Schedule 2.01 shall be deemed to have been amended to reflect the Incremental Commitments of such Lender as provided in such Accession Agreement.

SECTION 2.14. Additional Guarantors~~Additional Guarantors~~. The Borrower may at any time and from time to time, for purposes of complying with Section 7.07, designate any Eligible Additional Guarantor (other than any entity described in clause (a) of the definition of "Excluded Subsidiary") as an additional Guarantor hereunder, in each case by satisfying the requirements with respect to such Eligible Additional Guarantor set forth the definition of "Guarantee Requirement".

SECTION 2.15. Extension of Maturity Date. (a) The Borrower may, by delivery of a Maturity Date Extension Request to the Administrative Agent (which shall promptly deliver a copy thereof to each of the Lenders) not less than 180 days (or such shorter period as may be agreed by the Administrative Agent in its sole discretion) prior to the then existing maturity date for Loans or Commitments of any Class hereunder (the "Existing Maturity Date"), request that the Lenders of such Class extend the Existing Maturity Date in accordance with this Section 2.15. Each Maturity Date Extension Request shall (i) specify the date to which the Maturity Date is sought to be extended, (ii) specify the changes, if any, to the Applicable Rate to be applied in determining the interest payable on Loans of, and fees payable hereunder to, Consenting Lenders in respect of that portion of their Commitments (and related Loans) or Incremental Term Loans extended to such new Maturity Date and the time as of which such changes will become effective (which may be prior to the Existing Maturity Date), and (iii) specify any other amendments or modifications to this Agreement to be effected in connection with such Maturity Date Extension Request, provided that no such changes or modifications requiring approvals pursuant to Section 10.01 shall become effective unless such other approvals have been obtained. In the event a Maturity Date Extension Request shall have been delivered by the Borrower, each Lender of the applicable Class shall have the right to agree to the extension of the Existing Maturity Date and other matters contemplated thereby on the terms and subject to the conditions set forth therein (each Lender agreeing to the Maturity Date Extension Request being referred to herein as a "Consenting Lender" and each Lender not agreeing thereto being referred to herein as a "Declining Lender"), which right may be exercised by written notice thereof, specifying the maximum amount of the Commitment or Incremental Term Loans of the relevant Class of such Lender with respect to which such Lender agrees to the extension of the Maturity Date, delivered to the Borrower (with a copy to the Administrative Agent) not later than a day to be agreed upon by the Borrower and the Administrative Agent following the date on which the Maturity Date Extension Request shall have been delivered by the Borrower (it being understood that any Lender that shall have failed to exercise such right as set forth above shall be deemed to be a Declining Lender). If a Lender elects to extend only a portion of its then existing Commitment, it will be deemed for purposes hereof to be a Consenting Lender in respect of such extended portion and a Declining Lender in respect of the remaining portion of its Commitment. If Consenting Lenders shall have agreed to such Maturity Date Extension Request in respect

of Commitments or Incremental Term Loans of the relevant Class held by them, then, subject to paragraph (d) of this Section and subject to, in the case of any requested extension of any Revolving Commitments or Incremental Revolving Commitments, the receipt of the consent of Consenting Lenders in respect of Credit Exposures and unused Revolving Commitments and Incremental Revolving Exposures and unused Incremental Revolving Commitments representing more than 50% of the sum of the aggregate Credit Exposures and unused Aggregate Revolving Commitments and Incremental Revolving Exposures and unused Incremental Revolving Commitments at such time, on the date specified in the Maturity Date Extension Request as the effective date thereof (the "Extension Effective Date"), (i) the Existing Maturity Date of the applicable Class of Commitments or Incremental Term Loans shall, as to the Consenting Lenders, be extended to such date as shall be specified therein, (ii) the terms and conditions of the Commitments and Loans of the Consenting Lenders (including interest and fees (including Letter of Credit fees) payable in respect thereof), shall be modified as set forth in the Maturity Date Extension Request and (iii) such other modifications and amendments hereto specified in the Maturity Date Extension Request shall (subject to any required approvals (including those of the Required Lenders) having been obtained) become effective.

(b) Notwithstanding the foregoing, the Borrower shall have the right, in accordance with the provisions of Sections 3.06 and 10.06, at any time prior to the Existing Maturity Date, to replace a Declining Lender (for the avoidance of doubt, only in respect of that portion of such Lender's Commitments or Incremental Term Loans of a Class subject to a Maturity Date Extension Request that it has not agreed to extend) with a Lender or other financial institution that will agree to such Maturity Date Extension Request, and any such replacement Lender shall for all purposes constitute a Consenting Lender in respect of the Commitment or Incremental Term Loans assigned to and assumed by it on and after the effective time of such replacement.

(c) If a Maturity Date Extension Request has become effective hereunder, on the Existing Maturity Date:

(i) the Commitment of each Declining Lender shall, to the extent not assumed, assigned or transferred as provided in paragraph (b) of this Section, terminate, and the Borrower shall repay all the Loans of the applicable Class of each Declining Lender, to the extent such Loans shall not have been so purchased, assigned and transferred, in each case together with accrued and unpaid interest and all fees and other amounts owing to such Declining Lender hereunder (accordingly, the Commitment or Loans of the applicable Class of any Consenting Lender shall, to the extent the amount of such Commitment or Loans exceeds the amount set forth in the notice delivered by such Lender pursuant to paragraph (a) of this Section, be permanently reduced by the amount of such excess, and the Borrower shall prepay the proportionate part of the outstanding Loans of the relevant Class of such Consenting Lender, in each case together with accrued and unpaid interest thereon to but excluding the Existing Maturity Date and all fees and other amounts payable in respect thereof on or prior to the Existing Maturity Date); and

(ii) in the case of an Existing Maturity Date applicable to Revolving Commitments or Incremental Revolving Commitments, the Borrower shall make such other prepayments of Loans of the applicable Class pursuant to Section 2.04 as shall be required in order that, after giving effect to the termination and permanent reductions of the Commitments of Declining Lenders of such Class pursuant to clause (i) above, and all payments to such Declining Lenders, the aggregate credit exposures of such Class do not exceed the aggregate Commitments of such Class.

(d) Notwithstanding the foregoing, no Maturity Date Extension Request shall become effective hereunder unless, on the Extension Effective Date, the conditions set forth in Section 5.02 shall be satisfied (with all references in such Section to a Borrowing being deemed to be references to such Maturity Date Extension Request) and the Administrative Agent shall have received a certificate to that effect dated such date and executed by a Financial Officer.

(e) Notwithstanding any provision of this Agreement to the contrary, it is hereby agreed that no extension of an Existing Maturity Date in accordance with the express terms of this Section 2.15, or any amendment or modification of the terms and conditions of the Commitments and Loans of the Consenting Lenders of any Class effected pursuant thereto, shall be deemed to (i) violate any provision of this Agreement requiring the ratable reduction of Commitments or the ratable sharing of payments or (ii) require the consent of all Lenders or all affected Lenders under Section 10.01.

(f) The Borrower and the Administrative Agent may enter into an amendment to this Agreement to effect such modifications as may be necessary to reflect the terms of any Maturity Date Extension Request that has been approved by the Required Lenders and become effective in accordance with the provisions of this Section 2.15.

SECTION 2.16. Defaulting Lenders.

(a) Adjustments. Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as that Lender is no longer a Defaulting Lender, to the extent permitted by applicable Law:

(i) Waivers and Amendments. Such Defaulting Lender's right to approve or disapprove any amendment, waiver or consent with respect to this Agreement shall be restricted as set forth in the definition of "Required Lenders" and Section 10.01.

(ii) Reallocation of Payments. Any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of that Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Article VIII or otherwise, and including any amounts made available to the Administrative Agent by that Defaulting Lender pursuant to Section 10.08), shall be applied at such time or times as may be determined by the Administrative Agent as follows: *first*, to the payment of any amounts owing by that Defaulting Lender to the Administrative Agent hereunder; *second*, to the payment on a pro rata basis

of any amounts owing by such Defaulting Lender to any Issuing Bank hereunder; *third*, to Cash Collateralize the Issuing Banks' Fronting Exposure with respect to such Defaulting Lender in accordance with Section 2.03; *fourth*, as the Borrower may request (so long as no Default or Event of Default exists), to the funding of any Loan in respect of which that Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent; *fifth*, if so determined by the Administrative Agent and the Borrower, to be held in a deposit account and released pro rata in order to (x) satisfy such Defaulting Lender's potential future funding obligations with respect to Loans under this Agreement and (y) Cash Collateralize the Issuing Banks' future Fronting Exposure with respect to such Defaulting Lender with respect to future Letters of Credit issued under this Agreement, in accordance with Section 2.16; *sixth*, to the payment of any amounts owing to the Lenders or Issuing Banks as a result of any judgment of a court of competent jurisdiction obtained by any Lender or any Issuing Bank against that Defaulting Lender as a result of that Defaulting Lender's breach of its obligations under this Agreement; *seventh*, so long as no Default or Event of Default exists, to the payment of any amounts owing to the Borrower as a result of any judgment of a court of competent jurisdiction obtained by the Borrower against that Defaulting Lender as a result of that Defaulting Lender's breach of its obligations under this Agreement; and *eighth*, to that Defaulting Lender or as otherwise directed by a court of competent jurisdiction; provided that if (x) such payment is a payment of the principal amount of any Loans or in respect of which that Defaulting Lender has not fully funded its appropriate share and (y) such Loans were made or the related Letters of Credit were issued at a time when the conditions set forth in Section 5.02 were satisfied or waived, such payment shall be applied solely to pay the Loans of, and LC Exposure of, all Non-Defaulting Lenders on a pro rata basis prior to being applied to the payment of any Loans and LC Exposure of that Defaulting Lender. Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender pursuant to this Section 2.16(a)(ii) shall be deemed paid to and redirected by that Defaulting Lender, and each Lender irrevocably consents hereto.

(iii) Certain Fees. No Defaulting Lender shall be entitled to receive any fee payable under Section 2.08 for any period during which that Lender is a Defaulting Lender (and the Borrower shall not be required to pay any such fee that otherwise would have been required to have been paid to that Defaulting Lender).

(iv) Reallocation of Applicable Percentages to Reduce Fronting Exposure. All or any part of such Defaulting Lender's LC Exposure shall automatically be reallocated (effective on the day such Lender becomes a Defaulting Lender) among the Non-Defaulting Lenders in accordance with their respective Applicable Percentages (calculated without regard to such Defaulting Lender's Commitment) but only to the extent that such reallocation does not cause the aggregate Credit Exposure of any Non-Defaulting Lender to exceed such Non- Defaulting Lender's Commitment as in effect at the time of such reallocation. No reallocation hereunder shall constitute a waiver or release of any claim of any party hereunder against a Defaulting Lender arising from that Lender having become a Defaulting Lender, including any claim of a Non-Defaulting Lender as a result of such Non-Defaulting Lender's increased exposure following such reallocation.

(v) Cash Collateral. If the reallocation described in clause (a)(iv) above cannot, or can only partially, be effected, the Borrower shall, without prejudice to any right or remedy available to it hereunder or under applicable Law, Cash Collateralize the Issuing Banks' Fronting Exposure in accordance with the procedures set forth in Section 2.03(i).

(b) Defaulting Lender Cure. If the Borrower, the Administrative Agent and each Issuing Bank agree in writing that a Lender is no longer a Defaulting Lender, the Administrative Agent will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein, that Lender will, to the extent applicable, purchase at par that portion of outstanding Loans or participations in Letters of Credit of the other Lenders or take such other actions as the Administrative Agent may determine to be necessary to cause the Credit Exposure of the Lenders to be held on a pro rata basis by the Lenders in accordance with their Applicable Percentages, whereupon such Lender will cease to be a Defaulting Lender; provided that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Borrower while that Lender was a Defaulting Lender; and provided, further, that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender. The parties agree that this Section 2.16 does not violate any of the pro rata provisions of this Agreement.

(c) New Letters of Credit. So long as any Lender is a Defaulting Lender, no Issuing Bank shall be required to issue, extend, increase, reinstate or renew any Letter of Credit unless it is satisfied that it will have no Fronting Exposure after giving effect thereto.

ARTICLE III
Taxes, Yield Protection And Illegality

SECTION 3.01. Taxes.

(a) Payments Free of Taxes; Obligation to Withhold; Payments on Account of Taxes.

(i) Any and all payments by or on account of any obligation of the Borrower under any Loan Document shall be made without deduction or withholding for any Taxes, except as required by applicable Laws. If any applicable Laws (as determined in the good faith discretion of the Administrative Agent or the Borrower, as applicable) require the deduction or withholding of any Tax from any such payment by the Administrative Agent or the Borrower, then the Administrative Agent or the Borrower shall be entitled to make such deduction or withholding, upon the basis of the information and documentation to be delivered pursuant to subsection (e) below.

(ii) If the Borrower or the Administrative Agent shall be required by the Internal Revenue Code to withhold or deduct any Taxes, including both United States Federal backup withholding and withholding taxes, from any payment under any Loan Document, then (x) the Administrative Agent shall withhold or make such deductions as are determined by it to be required based upon the information and documentation it has received pursuant to subsection (e) below, (y) the Administrative Agent shall timely pay the full amount withheld or deducted to the relevant Governmental Authority in accordance with the Internal Revenue Code, and (z) to the extent that the withholding or deduction is made on account of Indemnified Taxes, the sum payable by the Borrower shall be increased as necessary so that after any required withholding or the making of all required deductions (including deductions applicable to additional sums payable under this Section 3.01) the applicable Recipient receives an amount equal to the sum it would have received had no such withholding or deduction been made.

(iii) If the Borrower or the Administrative Agent shall be required by any applicable Laws other than the Internal Revenue Code to withhold or deduct any Taxes from any payment under any Loan Document, then (x) the Borrower or the Administrative Agent, as applicable, shall withhold or make such deductions as are determined by it to be required based upon the information and documentation it has received pursuant to subsection (e) below, (y) the Borrower or the Administrative Agent, as applicable, shall timely pay the full amount withheld or deducted to the relevant Governmental Authority in accordance with such laws, and (z) to the extent that the withholding or deduction is made on account of Indemnified Taxes, the sum payable by the Borrower shall be increased as necessary so that after any required withholding or the making of all required deductions (including deductions applicable to additional sums payable under this Section 3.01) the applicable Recipient receives an amount equal to the sum it would have received had no such withholding or deduction been made.

(b) Payment of Other Taxes by the Borrower. Without limiting the provisions of subsection (a) above, the Borrower shall timely pay to the relevant Governmental Authority in accordance with applicable Law, or at the option of the Administrative Agent timely reimburse it for the payment of, any Other Taxes.

(c) Indemnification. (i) Borrower shall, and does hereby indemnify each Recipient, and shall make payment in respect thereof within 10 days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section 3.01) paid by such Recipient or, to the extent the Borrower has not previously indemnified such Recipient pursuant to subsection (a)(ii) or (a)(iii) above, required to be withheld or deducted from a payment to such Recipient, and any penalties, interest and reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Borrower by a Lender (with a copy to the Administrative Agent), or by the Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent demonstrable error. The

Borrower shall and does hereby indemnify the Administrative Agent, and shall make payment in respect thereof within 10 days after demand therefor, for any amount which a Lender for any reason fails to pay indefeasibly to the Administrative Agent as required pursuant to Section 3.01(c)(ii); provided, however, that (i) the Administrative Agent shall not make any such demand on the Borrower without first using commercially reasonable efforts to obtain payment of such amount from the applicable Lender and (ii) to the extent that the Borrower pays an amount to the Administrative Agent pursuant to the preceding sentence, then upon request of the Borrower, the Administrative Agent shall use commercially reasonable efforts to exercise its set-off rights described in the last sentence of Section 3.01(c)(ii) below to collect the applicable amount from the applicable Lender and shall pay the amount so collected to the Borrower net of any expenses incurred by the Administrative Agent in its efforts to collect from such Lender.

(ii) Each Lender shall, and does hereby, severally indemnify, and shall make payment in respect thereof within 10 days after demand therefor, (x) the Administrative Agent against any Indemnified Taxes attributable to such Lender (but only to the extent that the Borrower has not already indemnified the Administrative Agent for such Indemnified Taxes and without limiting the obligation of the Borrower to do so), (y) the Administrative Agent and the Borrower, as applicable, against any Taxes attributable to such Lender's failure to comply with the provisions of Section 10.06(d) relating to the maintenance of a Participant Register and (z) the Administrative Agent and the Borrower, as applicable, against any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by the Administrative Agent or the Borrower in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent demonstrable error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under this Agreement or any other Loan Document against any amount due to the Administrative Agent under this clause (ii) (or otherwise as contemplated by Section 3.01(c)(i)).

(d) Evidence of Payments. Upon request by the Borrower or the Administrative Agent, as the case may be, after any payment of Taxes by the Borrower or by the Administrative Agent to a Governmental Authority as provided in this Section 3.01, the Borrower shall deliver to the Administrative Agent or the Administrative Agent shall deliver to the Borrower, as the case may be, the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of any return required by laws to report such payment or other evidence of such payment reasonably satisfactory to the Borrower or the Administrative Agent, as the case may be.

(e) Status of Lenders; Tax Documentation.

(i) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Loan Document shall deliver to the Borrower and the Administrative Agent, at the time or times reasonably requested by the Borrower or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Borrower or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Borrower or the Administrative Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section 3.01(e)(ii)(A), (ii)(B) and (ii)(D)) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender (it being understood that providing any information currently required by any U.S. federal income withholding form shall not be considered prejudicial to the position of a Lender).

(ii) Without limiting the generality of the foregoing, in the event that the Borrower is a U.S. Person,

(A) any Lender that is a U.S. Person shall deliver to the Borrower and the Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed originals of IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding tax;

(B) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), whichever of the following is applicable:

(I) in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Loan Document, executed originals of IRS Form W-8BEN-E (or W-8BEN, as applicable) establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "interest" article of such tax treaty and (y) with respect to any other applicable payments under any Loan Document, IRS Form W-8BEN-E (or W-8BEN, as applicable) establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "business profits" or "other income" article of such tax treaty;

(II) executed originals of IRS Form W-8ECI;

(III) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Internal Revenue Code, (x) a certificate substantially in the form of Exhibit 3.01(e) to the effect that such Foreign Lender is not (x) a "bank" within the meaning of Section 881(c)(3)(A) of the Internal Revenue Code, (y) a "10 percent shareholder" of the Borrower within the meaning of Section 881(c)(3)(B) of the Internal Revenue Code, or (z) a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Internal Revenue Code (a "U.S. Tax Compliance Certificate") and (y) executed originals of IRS Form W-8BEN-E (or W-8BEN, as applicable); or

(IV) to the extent a Foreign Lender is not the beneficial owner, executed originals of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN-E (or W-8BEN, as applicable), a U.S. Tax Compliance Certificate substantially in the form of Exhibit 3.01(e), IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided that if the Foreign Lender is a partnership and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit 3.01(e) on behalf of each such direct and indirect partner;

(C) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed originals of any other form prescribed by applicable Law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable Law to permit the Borrower or the Administrative Agent to determine the withholding or deduction required to be made; and

(D) if a payment made to a Lender under any Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Internal Revenue Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the

Borrower or the Administrative Agent such documentation prescribed by applicable Law (including as prescribed by Section 1471(b)(3)(C)(i) of the Internal Revenue Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (D), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

(iii) Each Lender agrees that if any form or certification it previously delivered pursuant to this Section 3.01 expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Borrower and the Administrative Agent in writing of its legal inability to do so.

(f) Treatment of Certain Refunds. Unless required by applicable Laws, at no time shall the Administrative Agent have any obligation to file for or otherwise pursue on behalf of a Lender ~~or an Issuing Bank~~, or have any obligation to pay to any Lender ~~or any Issuing Bank~~, any refund of Taxes withheld or deducted from funds paid for the account of such Lender ~~or such Issuing Bank~~. If any Recipient determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified by the Borrower or with respect to which the Borrower has paid additional amounts pursuant to this Section 3.01, it shall pay to the Borrower an amount equal to such refund (but only to the extent of indemnity payments made, or additional amounts paid, by the Borrower under this Section 3.01 with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) incurred by such Recipient, and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund); provided that the Borrower, upon the request of the Recipient, agrees to repay the amount paid over to the Borrower (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Recipient in the event the Recipient is required to repay such refund to such Governmental Authority.

Notwithstanding anything to the contrary in this subsection, in no event will the applicable Recipient be required to pay any amount to the Borrower pursuant to this subsection the payment of which would place the Recipient in a less favorable net after-Tax position than such Recipient would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This subsection shall not be construed to require any Recipient to make available its tax returns (or any other information relating to its taxes that it deems confidential) to the Borrower or any other Person.

(g) Survival. Each party's obligations under this Section 3.01 shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender ~~or an Issuing Bank~~, the termination of the Aggregate Revolving Commitments and the repayment, satisfaction or discharge of all other Obligations.

(a) Defined Terms. For purposes of this Section, the term "Lender" includes any Issuing Bank and the term "applicable Law" includes FATCA.

SECTION 3.02. Illegality~~Illegality~~. If any Lender reasonably determines that any Change in Law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for any Lender or its Lending Office to make, maintain or fund Loans whose interest is determined by reference to ~~the Eurocurrency~~a Relevant Rate, or to determine or charge interest rates based upon the Eurocurrency Rate, or any Governmental Authority has imposed material restrictions on the authority of such Lender to determine or charge interest rates based upon a Relevant Rate or to purchase or sell, or to take deposits of, Dollars or any other currency in the applicable interbank market, then, on notice thereof by such Lender to the Borrower through the Administrative Agent, (i) any obligation of such Lender to make or continue or maintain Eurocurrency Rate Loans, SONIA Loans or EURIBOR Loans in the affected currency or currencies or, in the case of Eurocurrency Rate Loans ~~denominated in Dollars~~, to convert Base Rate Loans to Eurocurrency Rate Loans shall be, in each case, suspended, and (ii) if such notice asserts the illegality of such Lender making or maintaining Base Rate Loans the interest rate on which is determined by reference to the Eurocurrency Rate component of the Base Rate, the interest rate on which Base Rate Loans of such Lender shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to the Eurocurrency Rate component of the Base Rate, in each case until such Lender notifies the Administrative Agent and the Borrower that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, (x) the Borrower shall, upon demand from such Lender (with a copy to the Administrative Agent), prepay or, if applicable and such Loans are denominated in Dollars, convert all Eurocurrency Rate Loans of such Lender to Base Rate Loans (the interest rate on which Base Rate Loans of such Lender shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to the Eurocurrency Rate component of the Base Rate), ~~either~~ in each case, immediately, or, in the case of Eurocurrency Rate Loans and EURIBOR Loans, on the last day of the Interest Period therefor, if such Lender may lawfully continue to maintain such Eurocurrency Rate Loans or EURIBOR Loans to such day~~, or immediately, if such Lender may not lawfully continue to maintain such Eurocurrency Rate Loans~~ and (y) if such notice asserts the illegality of such Lender determining or charging interest rates based upon the Eurocurrency Rate, the Administrative Agent shall during the period of such suspension compute the Base Rate applicable to such Lender without reference to the Eurocurrency Rate component thereof until the Administrative Agent is advised in writing by such Lender that it is no longer illegal for such Lender to determine or charge interest rates based upon the Eurocurrency Rate. Upon any such prepayment or conversion, the Borrower shall also pay accrued interest on the amount so prepaid or converted.

SECTION 3.03. Inability to Determine Rates.

(a) If in connection with any request for a Eurocurrency Rate Loan, a SONIA Loan or a EURIBOR Loan or a conversion ~~to or~~of Base Rate Loans to Eurocurrency Rate Loans or a continuation ~~thereof~~of any of such Loans, as applicable, (i) the Administrative Agent determines ~~that (A) deposits (whether in Dollars, Euro or Sterling) are not being offered to banks in the applicable offshore interbank eurodollar market for such currency for the applicable amount and Interest Period of such Eurocurrency Rate Loan,~~ (which determination shall be conclusive absent manifest error) that (A) no Successor Rate for the Relevant Rate for the Applicable Currency has been determined in accordance with Section 3.03(b) and the circumstances under clause (i) of Section 3.03(b) or the Scheduled Unavailability Date has occurred with respect to such Relevant Rate (as applicable), or (B~~)(1~~) adequate and reasonable means do not otherwise exist for determining the ~~Eurocurrency~~Relevant Rate for ~~any~~the Applicable Currency for any determination date(s) or requested Interest Period, as applicable, with respect to a proposed Eurocurrency Rate Loan ~~(whether in Dollars, Euro or Sterling)~~, a SONIA Loan or a EURIBOR Loan or in connection with an existing or proposed Base Rate Loan ~~and (2) the circumstances described in Section 3.03(c)(i) do not apply or (C) a fundamental change has occurred in the foreign exchange or interbank markets with respect to Euro or Sterling (including, without limitation, changes in national or international financial, political or economic conditions or currency exchange rates or exchange controls) (in each case with respect to clause (a)(i) above, "Impacted Loans")~~, or (ii) the Administrative Agent or the Required Lenders determine that for any reason that the ~~Eurocurrency Rate~~ Relevant Rate with respect to a proposed Loan denominated in an Applicable Currency for any requested Interest Period ~~with respect to a proposed Eurocurrency Rate Loan (whether denominated in Dollars, Euro or Sterling~~or determination date(s) does not adequately and fairly reflect the cost to such Lenders of funding such ~~Eurocurrency Rate~~ Loan, the Administrative Agent will promptly so notify the Borrower and each Lender.

Thereafter, (x) the obligation of the Lenders to make or maintain ~~Eurocurrency Rate~~ Loans in the affected currencies, as applicable, or to convert Base Rate Loans to Eurocurrency Rate Loans, shall be suspended ~~(~~, in each case, to the extent of the affected ~~Eurocurrency Rate~~ Loans or Interest ~~Periods)~~Period or determination date(s), as applicable, and (y) in the event of a determination described in the preceding sentence with respect to the Eurocurrency Rate component of the Base Rate, the utilization of the Eurocurrency Rate component in determining the Base Rate shall be suspended, in each case until the Administrative Agent (or, in the case of a determination by the Required Lenders described in clause (ii) of this Section 3.03(a), until the Administrative Agent upon the instruction of the Required Lenders) revokes such notice.

Upon receipt of such notice, (i) the Borrower may revoke any pending request for a Borrowing of, conversion to or continuation of Eurocurrency Rate Loans ~~in the affected currency or currencies~~, SONIA Loans or EURIBOR Loans (to the extent of the affected ~~Eurocurrency Rate~~ Loans or Interest ~~Periods~~Period or determination date(s), as applicable) or, failing that, will be deemed to have converted such request into a request for a Borrowing of Base Rate Loans denominated in Dollars in the Dollar Equivalent of the amount specified therein and (ii)(A) any outstanding affected Eurocurrency Rate Loans ~~denominated in Dollars~~ will be deemed to have been converted into Base Rate Loans at the end of the applicable Interest Period and (B) any outstanding affected ~~Eurocurrency Rate Loans denominated in Euro or Sterling~~SONIA Loans or EURIBOR Loans, at the Borrower's election, shall either (1) be converted into a Borrowing of Base Rate Loans

denominated in Dollars in the Dollar Equivalent of the amount of such outstanding ~~Eurocurrency Rate~~SONIA Loan immediately or such outstanding EURIBOR Loan at the end of the applicable Interest Period or (2) be prepaid in full immediately, in the case of a SONIA Loan, or at the end of the applicable Interest ~~Period in full~~Rate, in the case of a EURIBOR Loan; provided that if no election is made by the Borrower ~~by the earlier of~~ (x) in the case of a SONIA Loan, by the date that is three Business Days after receipt by the Borrower of such notice ~~and~~or (y) in the case of a EURIBOR Loan, by the last day of the current Interest Period for ~~the applicable Eurocurrency Rate~~such EURIBOR Loan, the Borrower shall be deemed to have elected clause (1) above.

~~(b) Notwithstanding the foregoing, if the Administrative Agent has made the determination described in clause (a)(i) of this Section 3.03, the Administrative Agent, in consultation with the Borrower, may establish an alternative interest rate for the Impacted Loans, in which case, such alternative rate of interest shall apply with respect to the Impacted Loans until (i) the Administrative Agent revokes the notice delivered with respect to the Impacted Loans under clause (a) of the first sentence of this Section 3.03, (ii) the Administrative Agent or the Required Lenders notify the Administrative Agent and the Borrower that such alternative interest rate does not adequately and fairly reflect the cost to such Lenders of funding the Impacted Loans, or (iii) solely with respect to the Impacted Loans of a Lender making the following determination, any Lender determines that any Law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for such Lender or its applicable Lending Office to make, maintain or fund Loans whose interest is determined by reference to such alternative rate of interest or to determine or charge interest rates based upon such rate or any Governmental Authority has imposed material restrictions on the authority of such Lender to do any of the foregoing and provides the Administrative Agent and the Borrower written notice thereof.~~

(~~c~~b) Replacement of Relevant Rate or Successor Rate. Notwithstanding anything to the contrary in this Agreement or any other Loan Documents, but without limiting Sections 3.03(a) and (b) above, if the Administrative Agent determines (which determination shall be conclusive absent manifest error), or the Borrower or Required Lenders notify the Administrative Agent (with, in the case of the Required Lenders, a copy to the Borrower) that the Borrower or Required Lenders (as applicable) have determined, that:

(i) adequate and reasonable means do not exist for ascertaining ~~LIBOR~~the Relevant Rate for an Applicable Currency ~~for any requested Interest Period, including, without limitation, because the LIBOR Screen Rate for such Applicable Currency is not~~because none of the tenors of such Relevant Rate (including any forward-looking term rate thereof) is available or published on a current basis and such circumstances are unlikely to be temporary; or

(ii) the ~~administrator of the LIBOR Screen Rate for an~~ Applicable ~~Currency or a Governmental~~ Authority ~~having jurisdiction over the Administrative Agent~~ has made a public statement identifying a specific date after which ~~LIBOR for an Applicable Currency or the LIBOR Screen~~all tenors of the Relevant Rate for an Applicable Currency (including any forward-looking term rate thereof) shall or

will no longer be representative or made available, or used for determining the interest rate of loans denominated in such Applicable Currency, or shall or will otherwise cease, provided that, in each case, at the time of such statement, there is no successor administrator that is satisfactory to the Administrative Agent that will continue to provide ~~LIBOR~~such representative tenor(s) of the Relevant Rate for such Applicable Currency ~~after such specific date (such specific date~~(the latest date on which all tenors of the Relevant Rate for such Applicable Currency (including any forward-looking term rate thereof) are no longer representative or available permanently or indefinitely, the "Scheduled Unavailability Date"); or

(iii) syndicated loans currently being executed~~, or that include language similar to that contained in this Section 3.03~~ and agented in the U.S., are being executed or amended (as applicable) to incorporate or adopt a new benchmark interest rate to replace ~~LIBOR~~the Relevant Rate for an Applicable Currency,;

~~then, reasonably promptly after such determination by the Administrative Agent or receipt by the Administrative Agent of such notice, as applicable~~or if the events or circumstances of the type described in Section 3.03(b)(i), (ii) or (iii) have occurred with respect to the Successor Rate then in effect, then, the Administrative Agent and the Borrower may amend this Agreement solely for the purpose of replacing ~~LIBOR for the~~ the Relevant Rate for an Applicable Currency or any then current Successor Rate for an Applicable Currency in accordance with this Section 3.03 with (x) in the case of Dollars, one or more SOFR-Based Rates or (y) ~~another~~an alternate benchmark rate giving due consideration to any evolving or then existing convention for similar ~~syndicated~~ credit facilities syndicated and agented in the U.S. and denominated in ~~the~~such Applicable Currency for such alternative benchmarks and, in each case, including any mathematical or other adjustments to such benchmark giving due consideration to any evolving or then existing convention for similar ~~syndicated~~ credit facilities syndicated and agented in the U.S. and denominated in ~~the~~such Applicable Currency for such benchmarks, which adjustment or method for calculating such adjustment shall be published on an information service as selected by the Administrative Agent from time to time in its reasonable discretion and may be periodically updated (the "Adjustment;" and any such proposed rate, ~~a "LIBOR~~ including for the avoidance of doubt, any adjustment thereto, a "Successor Rate"), and any such amendment shall become effective at 5:00 p.m. on the fifth Business Day after the Administrative Agent shall have posted such proposed amendment to all Lenders and the Borrower unless, prior to such time, Lenders comprising the Required Lenders have delivered to the Administrative Agent written notice that such Required Lenders (A) in the case of an amendment to replace LIBOR with respect to Eurocurrency Rate Loans ~~denominated in Dollars~~ with a rate described in clause (x), object to the Adjustment; or (B) in the case of an amendment to replace ~~LIBOR with respect to Eurocurrency Rate Loans denominated in the~~the Relevant Rate for an Applicable Currency with a rate described in clause (y), object to such amendment; provided that for the avoidance of doubt, in the case of clause (A), the Required Lenders shall not be entitled to object to any SOFR-Based Rate contained in any such amendment. ~~Such LIBOR Successor Rate for the Applicable Currency~~

The Administrative Agent will promptly (in one or more notices) notify the Borrower and each Lender of the implementation of any Successor Rate.

Any Successor Rate shall be applied in a manner consistent with market practice; provided that to the extent such market practice is not administratively feasible for the Administrative Agent, such ~~LIBOR~~ Successor Rate ~~for such Applicable Currency~~ shall be applied in a manner as otherwise reasonably determined by the Administrative Agent.

~~If no LIBOR Successor Rate has been determined for the Applicable Currency and the circumstances under clause (i) above exist or the Scheduled Unavailability Date has occurred (as applicable), the Administrative Agent will promptly so notify the Borrower and each Lender. Thereafter, (x) the obligation of the Lenders to make or maintain Eurocurrency Rate Loans in each such Applicable Currency shall be suspended (to the extent of the affected Eurocurrency Rate Loans or Interest Periods), and (y) the Eurocurrency Rate component shall no longer be utilized in determining the Base Rate. Upon receipt of such notice, (i) the Borrower may revoke any pending request for a Borrowing of, conversion to or continuation of Eurocurrency Rate Loans in each such affected Applicable Currency (to the extent of the affected Eurocurrency Rate Loans or Interest Periods) or, failing that, will be deemed to have converted each such request into a request for a committed Borrowing of Base Rate Loans (subject to the foregoing clause (y)) denominated in Dollars in the Dollar Equivalent of the amount specified therein and (ii)(A) any outstanding affected Eurocurrency Rate Loans denominated in Dollars will be deemed to have been converted into Base Rate Loans at the end of the applicable Interest Period and (B) any outstanding affected Eurocurrency Rate Loans denominated in Euro or Sterling, at the Borrower's election, shall either (1) be converted into a Borrowing of Base Rate Loans denominated in Dollars in the Dollar Equivalent of the amount of such outstanding Eurocurrency Rate Loan at the end of the applicable Interest Period or (2) be prepaid at the end of the applicable Interest Period in full; provided that if no election is made by the Borrower by the earlier of (x) the date that is three Business Days after receipt by the Borrower of such notice and (y) the last day of the current Interest Period for the applicable Eurocurrency Rate Loan, the Borrower shall be deemed to have elected clause (1) above.~~

Notwithstanding anything else herein, if at any ~~definition of LIBOR~~time any Successor Rate ~~for any currency shall provide that in no event shall such LIBOR Successor Rate~~as so determined would otherwise be less than zero ~~for~~, the Successor Rate will be deemed to be zero for the purposes of this Agreement and the other Loan Documents.

In connection with the implementation of a ~~LIBOR~~ Successor Rate ~~for any currency~~, the Administrative Agent ~~and~~, with the consent of the Borrower, will have the right to make ~~LIBOR Successor Rate~~ Conforming Changes ~~with respect to such currency~~ from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such ~~LIBOR Successor Rate~~ Conforming Changes will become effective without any further action or consent of any other party to this Agreement, which are reasonably acceptable to each of the Borrower and the Administrative Agent; provided that, with respect to any such amendment effected, the Administrative Agent shall post each such amendment implementing such ~~LIBOR Successor~~ Conforming Changes ~~for the Applicable Currency to~~to the Borrower and the Lenders reasonably promptly after such amendment becomes effective.

SECTION 3.04. Increased Costs.

(a) Increased Costs Generally. If any Change in Law shall:

(ii) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended by, any Lender (except any reserve requirement contemplated by Section 3.04(e)) or any Issuing Bank;

(iii) subject any Recipient to any Taxes (other than (A) Indemnified Taxes or (B) Excluded Taxes) on its loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto; or

(iv) impose on any Lender or any Issuing Bank or ~~the London~~any applicable interbank market any other condition, cost or expense (excluding any Taxes) affecting this Agreement or Eurocurrency Rate Loans, SONIA Loans or EURIBOR Loans made by such Lender or any Letter of Credit or participation therein;

and the result of any of the foregoing shall be to increase the cost to such Lender of making, converting to or maintaining any Loan ~~the interest on which is determined by reference to the applicable Eurocurrency Rate~~ (or of maintaining its obligation to make any such Loan), or to increase the cost to such Lender or such Issuing Bank of participating in, issuing or maintaining any Letter of Credit (or of maintaining its obligation to participate in or to issue any Letter of Credit), or to reduce the amount of any sum received or receivable by such Lender or such Issuing Bank (whether of principal, interest or any other amount) then, upon request of such Lender or such Issuing Bank, the Borrower will pay to such Lender or such Issuing Bank, as the case may be, such additional amount or amounts as will compensate such Lender or such Issuing Bank for such additional costs incurred or reduction suffered. Notwithstanding the foregoing, no Lender or Issuing Bank shall be entitled to request compensation for any increased cost relating to items described in paragraph (a)(iii) of this Section 3.04 if it shall not be the general policy and practice of such Lender to seek compensation in similar circumstances under similar provisions in comparable credit facilities.

(b) Capital Requirements. If any Lender or any Issuing Bank determines that any Change in Law affecting such Lender or such Issuing Bank or any Lending Office of such Lender or such Lender's or such Issuing Bank's holding company, if any, regarding capital requirements has the effect of reducing the rate of return on such Lender's or such Issuing Bank's capital or on the capital of such Lender's or such Issuing Bank's holding company, if any, as a consequence of this Agreement, the Revolving Commitments of such Lender or the Loans made, or participations in Letters of Credit held by, by such Lender, or the Letters of Credit issued by such Issuing Bank, to a level below that which such Lender or such Issuing Bank or such Lender's or such Issuing Bank's holding company could have achieved but for such Change in Law (taking into consideration such Lender's or such Issuing Bank's policies and the policies of such Lender's or Issuing Bank's holding company with respect to capital adequacy), then from time to time the Borrower will pay to such Lender or such Issuing Bank, as the case may be, such additional amount or amounts as will compensate such Lender or such Issuing Bank or such Lender's or such Issuing Bank's holding company for any such reduction suffered.

(c) Certificates for Reimbursement. A certificate of a Lender or an Issuing Bank setting forth the amount or amounts necessary to compensate such Lender or such Issuing Bank or its holding company, as the case may be, as specified in subsection (a) or (b) of this Section 3.04 and setting forth in reasonable detail the manner of determination of such amount or amounts, shall be delivered to the Borrower and shall be conclusive absent demonstrable error. The Borrower shall pay such Lender or such Issuing Bank, as the case may be, the amount shown as due on any such certificate within 15 days after receipt thereof.

(d) Delay in Requests. Failure or delay on the part of any Lender or any Issuing Bank to demand compensation pursuant to the foregoing provisions of this Section 3.04 shall not constitute a waiver of such Lender's or such Issuing Bank's right to demand such compensation; provided that the Borrower shall not be required to compensate a Lender or an Issuing Bank pursuant to the foregoing provisions of this Section 3.04 for any increased costs incurred or reductions suffered more than 180 days prior to the date that such Lender or such Issuing Bank, as the case may be, notifies the Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender's or such Issuing Bank's intention to claim compensation therefor (except that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 180 day period referred to above shall be extended to include the period of retroactive effect thereof).

(e) Reserves on Eurocurrency Rate Loans. The Borrower shall pay to each Lender, as long as such Lender shall be required to maintain reserves with respect to liabilities or assets consisting of or including Eurocurrency funds or deposits (currently referred to as "Eurocurrency Liabilities" in Regulation D of the Board), additional interest on the unpaid principal amount of each Eurocurrency Rate Loan equal to the actual costs of such reserves allocated to such Loan by such Lender (as determined by such Lender in good faith, which determination shall be conclusive absent demonstrable error), which shall be due and payable on each date on which interest is payable on such Loan, provided the Borrower shall have received at least 10 days' prior notice (with a copy to the Administrative Agent) of such additional interest from such Lender. If a Lender fails to give notice 10 days prior to the relevant Interest Payment Date, such additional interest shall be due and payable 10 days from receipt of such notice; provided that the Borrower shall not be required to compensate a Lender pursuant to the foregoing provisions of this Section 3.04(e) if such Lender fails to give notice within 90 days after the date such Lender becomes aware of the additional interest which is due.

SECTION 3.05. Compensation for Losses. Upon demand of any Lender to the Borrower (with a copy to the Administrative Agent) from time to time (pursuant to a certificate of such Lender setting forth the amount such Lender is entitled to receive pursuant to this Section 3.05 and setting forth in reasonable detail in the matter of determination of such amount), the Borrower shall compensate such Lender for and hold such Lender harmless from any loss, cost or reasonable expense incurred by it as a result of:

(a) any continuation, conversion, prepayment or payment of any ~~principal of any Eurocurrency~~Loan other than a Base Rate Loan on a day other than the last day of ~~the~~any Interest Period ~~for such Eurocurrency Rate~~, relevant interest payment date or payment period, as applicable, for such Loan, if applicable (whether voluntary, mandatory, automatic, by reason of acceleration, or otherwise);

(b) any failure by the Borrower (for a reason other than the failure of such Lender to make a Loan) to prepay, borrow, continue or convert any ~~Eurocurrency~~Loan other than a Base Rate Loan on the date or in the amount notified by the Borrower; or

(c) any assignment of a Eurocurrency Rate Loan or a EURIBOR Loan on a day other than the last day of the Interest Period therefor as a result of a request by the Borrower pursuant to Section 10.13;

including any loss or reasonable expense (excluding loss of anticipated profits or margin) actually incurred by reason of the liquidation or reemployment of funds obtained by it to maintain such Loan or from fees payable to terminate the deposits from which such funds were obtained and from any foreign currency exchange losses.

SECTION 3.06. Mitigation Obligations; Replacement of Lenders.

(a) Designation of a Different Lending Office. If any Lender or any Issuing Bank requests compensation under Section 3.04, or the Borrower is required to pay any Indemnified Taxes or additional amounts to any Lender, any Issuing Bank or any Governmental Authority for the account of any Lender or any Issuing Bank pursuant to Section 3.01, or if any Lender gives a notice pursuant to Section 3.02, then at the request of the Borrower, such Lender or such Issuing Bank shall use reasonable efforts to designate a different Lending Office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the good faith judgment of such Lender or such Issuing Bank, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 3.01 or 3.04, as the case may be, in the future, or eliminate the need for the notice pursuant to Section 3.02, as applicable, and (ii) in each case, would not subject such Lender or such Issuing Bank to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender or such Issuing Bank. The Borrower hereby agrees to pay all reasonable costs and expenses incurred by any Lender or any Issuing Bank in connection with any such designation or assignment.

(b) Replacement of Lenders. If any Lender requests compensation under Section 3.04, or if the Borrower is required to pay any Indemnified Taxes or additional amounts to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.01 and, in each case, such Lender has declined or is unable to designate a different lending office in accordance with Section 3.06(a), the Borrower may replace such Lender in accordance with Section 10.13.

(c) Notwithstanding the foregoing provisions of this Section 3.06, no Lender or Issuing Bank may request compensation under Section 3.04, and the Borrower shall not be required to pay any Indemnified Taxes or additional amounts to any Lender, any Issuing Bank or any Governmental Authority for the account of any Lender or any Issuing Bank pursuant to Section 3.01, if such Lender or Issuing Bank shall not at such time demand compensation from, or require the payment of such additional amounts by, its best customers at such time in similar circumstances.

SECTION 3.07. Survival~~Survival~~ . All of the Borrower's obligations under Section 3.04 and Section 3.05 shall survive termination of the Aggregate Revolving Commitments and repayment of all other Obligations hereunder.

The Administrative Agent

SECTION 9.01. Appointment and Authority. The provisions of this Article IX are solely for the benefit of the Administrative Agent and the Lenders, and neither the Borrower nor any Guarantor shall have rights as a third party beneficiary of any of such provisions, except with respect to the provisions set forth in Section 9.06 relating to the consent of the Borrower to appoint a successor Administrative Agent. It is understood and agreed that the use of the term "agent" herein or in any other Loan Documents (or any other similar term) with reference to the Administrative Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable Law. Instead such term is used as a matter of market custom, and is intended to create or reflect only an administrative relationship between contracting parties.

SECTION 9.02. Rights as a Lender~~Rights as a Lender~~. The Person serving as the Administrative Agent hereunder shall have the same rights and powers in its capacity as a Lender or an Issuing Bank as any other Lender or Issuing Bank and may exercise the same as though it were not the Administrative Agent and the term "Lender" or "Lenders" shall, unless otherwise expressly indicated or unless the context otherwise requires, include the Person serving as the Administrative Agent hereunder in its individual capacity. Such Person and its Affiliates may accept deposits from, lend money to, own securities of, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with the Borrower or any Subsidiary or other Affiliate thereof as if such Person were not the Administrative Agent hereunder and without any duty to account therefor to the Lenders.

SECTION 9.03. Exculpatory Provisions~~Exculpatory Provisions~~. The Administrative Agent and the Arrangers shall not have any duties or obligations except those expressly set forth herein and in the other Loan Documents, and its duties hereunder shall be administrative in nature. Without limiting the generality of the foregoing, the Administrative Agent and the Arrangers, as applicable:

(a) shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing;

(b) shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that the Administrative Agent is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents); provided that the Administrative Agent shall not be required to take any action that, in its opinion or the opinion of its counsel, may expose the Administrative Agent to liability or that is contrary to any Loan Document or applicable Law;

(c) shall not, except as expressly set forth herein and in the other Loan Documents, have any duty to disclose, and shall not be liable for the failure to disclose to any Lender or any Issuing Bank any information relating to the Borrower or any of its Affiliates that is communicated to or obtained by the Person serving as the Administrative Agent, any Arranger or any of their respective Affiliates in any capacity;

(d) shall not be responsible or have any liability for, or have any duty to ascertain, inquire into, monitor or enforce, compliance with the provisions of this Agreement relating to Disqualified Institutions. Without limiting the generality of the foregoing, the Administrative Agent shall not (x) be obligated to ascertain, monitor or inquire as to whether any Lender or Participant or prospective Lender or Participant is a Disqualified Institution or (y) have any liability with respect to or arising out of any assignment or participation of Loans or disclosure of confidential information, to any Disqualified Institution;

(e) shall not be liable for any action taken or not taken by it (i) with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Administrative Agent shall believe in good faith shall be necessary, under the circumstances as provided in Sections 10.01 and 8.02) or (ii) in the absence of its own gross negligence or willful misconduct as determined by a court of competent jurisdiction by final and non-appealable judgment. The Administrative Agent shall be deemed not to have knowledge of any Default unless and until notice describing such Default is given in writing to the Administrative Agent by the Borrower, an Issuing Bank or a Lender; and

(f) shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Loan Document or any other agreement, instrument or document, or (v) the satisfaction of any condition set forth in Article IV or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent.

SECTION 9.04. Reliance by Administrative Agent. The Administrative Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. The Administrative Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Loan, or the issuance, extension, renewal or increase of a Letter of Credit, that by its terms must be fulfilled to the satisfaction of a Lender or an Issuing Bank, the Administrative Agent may presume that such condition is satisfactory to such Lender or such Issuing Bank unless the Administrative Agent shall have received notice to the contrary from such Lender or such Issuing Bank prior to the making of such Loan or the issuance of such Letter of Credit. The Administrative Agent may consult with legal counsel (who may be counsel for the Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

SECTION 9.05. Delegation of Duties. The Administrative Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any other Loan Document by or through any one or more sub-agents appointed by the Administrative Agent. The Administrative Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective Related Parties. The exculpatory provisions of this Article IX shall apply to any such sub-agent and to the Related Parties of the Administrative Agent and any such sub-agent, and

shall apply to their respective activities in connection with the syndication of the credit facility provided for herein as well as activities as Administrative Agent. The Administrative Agent shall not be responsible for the negligence or misconduct of any sub-agents except to the extent that a court of competent jurisdiction determines in a final and non-appealable judgment that the Administrative Agent acted with gross negligence or willful misconduct in the selection of such sub-agents.

SECTION 9.06. Resignation of Administrative Agent. The Administrative Agent may at any time give sixty (60) days' prior notice of its resignation to the Lenders, the Issuing Banks and the Borrower. Upon receipt of any such notice of resignation, the Required Lenders shall have the right, and, with the consent of the Borrower (such consent not to be unreasonably withheld) (or, if an Event of Default pursuant to Section 8.01(b), (c), (g) or (h) has occurred and is continuing, in consultation with the Borrower), to appoint a successor, which shall be a bank with an office in the United States, or an Affiliate of any such bank with an office in the United States; provided that if any such potential successor is not classified as a "U.S. person" and a "financial institution" within the meaning of Treasury Regulation Section 1.1441-1, then the Borrower shall have the right to prohibit such potential successor from becoming the Administrative Agent in its reasonable discretion. If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within thirty (30) days after the retiring Administrative Agent gives notice of its resignation, then (i) if the retiring Administrative Agent provides written notice to the Borrower that it wants the ability to exercise its right to seek appointment of a successor Administrative Agent, the retiring Administrative Agent, with the consent of the Borrower (such consent not to be unreasonably withheld) (or, if an Event of Default pursuant to Section 8.01(b), (c), (g) or (h) has occurred and is continuing, in consultation with the Borrower), may (but shall not be obligated to) on behalf of the Lenders appoint a successor Administrative Agent meeting the qualifications set forth above; provided that if any such potential successor is not classified as a "U.S. person" and a "financial institution" within the meaning of Treasury Regulation Section 1.1441-1, then the Borrower shall have the right to prohibit such potential successor from becoming the Administrative Agent in its reasonable discretion and (ii) otherwise, the Borrower may (but shall not be obligated to) appoint a successor Administrative Agent. If no such successor shall have been so appointed as set forth above and shall have accepted such appointment within sixty (60) days after the retiring Administrative Agent gives notice of its resignation, then the Borrower may (but shall not be obligated to) appoint a successor Administrative Agent. If no qualifying Person has accepted such appointment within sixty (60) days after the retiring Administrative Agent gives notice of its resignation (or such earlier day as shall be agreed by the Required Lenders and the Borrower) (the "Resignation Effective Date"), then such resignation shall nonetheless become effective in accordance with such notice on the Resignation Effective Date.

(a) If the Person serving as Administrative Agent is a Defaulting Lender pursuant to clause (d) of the definition thereof, the Required Lenders may, to the extent permitted by applicable law, by notice in writing to the Borrower and such Person remove such Person as Administrative Agent and with the consent of the Borrower (such consent not to be unreasonably withheld) (or, if an Event of Default pursuant to Section 8.01(b),

(c), (g) or (h) has occurred and is continuing, in consultation with the Borrower), appoint a successor. If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within 30 days (or such earlier day as shall be agreed by the Required Lenders) (the "Removal Effective Date"), then such removal shall nonetheless become effective in accordance with such notice on the Removal Effective Date.

(b) With effect from the Resignation Effective Date or the Removal Effective Date (as applicable), (i) the retiring or removed Administrative Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents and (ii) except for any indemnity payments or other amounts owed to the retiring or removed Administrative Agent as of the Resignation Effective Date or the Removal Effective Date, as applicable, all payments, communications and determinations provided to be made by, to or through the Administrative Agent shall instead be made by or to each Lender directly, until such time, if any, as a successor Administrative Agent is appointed as provided for above in this Section 9.06. Upon the acceptance of a successor's appointment as Administrative Agent hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring or removed Administrative Agent (other than as provided in Section 3.01(g) and other than any rights to indemnity payments or other amounts owed to the retiring or removed Administrative Agent as of the Resignation Effective Date or the Removal Effective Date, as applicable), and the retiring or removed Administrative Agent shall be discharged from all of its duties and obligations hereunder or under the other Loan Documents (if not already discharged therefrom as provided above in this Section 9.06). The fees payable by the Borrower to a successor Administrative Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrower and such successor. After the retiring or removed Administrative Agent's resignation or removal hereunder and under the other Loan Documents, the provisions of this Article IX and Section 10.04 shall continue in effect for the benefit of such retiring or removed Administrative Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring Administrative Agent was acting as Administrative Agent.

SECTION 9.07. Non-Reliance on Administrative Agent and Other Lenders. Each Lender and each Issuing Bank acknowledges that it has, independently and without reliance upon the Administrative Agent, the Arrangers, any Issuing Bank or any other Lender or any of their Related Parties and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender and each Issuing Bank also acknowledges that it will, independently and without reliance upon the Administrative Agent, the Arrangers, any Issuing Bank or any other Lender or any of their Related Parties and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Loan Document or any related agreement or any document furnished hereunder or thereunder.

SECTION 9.08. No Other Duties; Etc~~No Other Duties; Etc~~. Anything herein to the contrary notwithstanding, none of the bookrunners, arrangers, syndication agents, documentation agents or co-agents shall have any powers, duties or responsibilities under this Agreement or any of the other Loan Documents, except in its capacity, as applicable, as the Administrative Agent, an Issuing Bank or a Lender hereunder.

SECTION 9.09. Administrative Agent May File Proofs of Claim. In case of the pendency of any receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or other judicial proceeding relative to the Borrower or any Guarantor, the Administrative Agent (irrespective of whether the principal of any Loan shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrower) shall be entitled and empowered, by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans, LC Exposures and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders, the Issuing Banks and the Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders, Issuing Banks and the Administrative Agent and their respective agents and counsel and all other amounts due the Lenders, Issuing Banks and the Administrative Agent under Sections 2.07 and 10.04) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender and each Issuing Bank to make such payments to the Administrative Agent and, in the event that the Administrative Agent shall consent to the making of such payments directly to the Lenders and the Issuing Banks, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Administrative Agent and its agents and counsel, and any other amounts due the Administrative Agent under Sections 2.07 and 10.04.

Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender or any Issuing Bank any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or any Issuing Bank or to authorize the Administrative Agent to vote in respect of the claim of any Lender or any Issuing Bank in any such proceeding.

SECTION 9.10. Certain ERISA Matters.

(a) Each Lender (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and not, for the avoidance of doubt, to or for the benefit of the Borrower or any Guarantor that at least one of the following is and will be true:

(i) such Lender is not using "plan assets" (within the meaning of Section 3(42) of ERISA or otherwise) of one or more Benefit Plans with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Revolving Commitments or this Agreement,

(ii) the transaction exemption set forth in one or more PTEs, such as PTE 84-14 (a class exemption for certain transactions determined by independent qualified professional asset managers), PTE 95-60 (a class exemption for certain transactions involving insurance company general accounts), PTE 90-1 (a class exemption for certain transactions involving insurance company pooled separate accounts), PTE 91-38 (a class exemption for certain transactions involving bank collective investment funds) or PTE 96-23 (a class exemption for certain transactions determined by in-house asset managers), is applicable with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Revolving Commitments and this Agreement,

(iii) (A) such Lender is an investment fund managed by a "Qualified Professional Asset Manager" (within the meaning of Part VI of PTE 84-14), (B) such Qualified Professional Asset Manager made the investment decision on behalf of such Lender to enter into, participate in, administer and perform the Loans, the Revolving Commitments and this Agreement, (C) the entrance into, participation in, administration of and performance of the Loans, the Revolving Commitments and this Agreement satisfies the requirements of sub-sections (b) through (g) of Part I of PTE 84-14 and (D) to the best knowledge of such Lender, the requirements of subsection (a) of Part I of PTE 84-14 are satisfied with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Revolving Commitments and this Agreement, or

(iv) such other representation, warranty and covenant as may be agreed in writing between the Administrative Agent, in its sole discretion, and such Lender.

(b) In addition, unless either (1) sub-clause (i) in the immediately preceding clause (a) is true with respect to a Lender or (2) a Lender has provided another representation, warranty and covenant in accordance with sub-clause (iv) in the immediately preceding clause (a), such Lender further (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and not, for the avoidance of doubt, to or for the benefit of the Borrower or any Guarantor, that the Administrative Agent

is not a fiduciary with respect to the assets of such Lender involved in such Lender's entrance into, participation in, administration of and performance of the Loans, the Revolving Commitments and this Agreement (including in connection with the reservation or exercise of any rights by the Administrative Agent under this Agreement, any Loan Document or any documents related hereto or thereto).

SECTION 9.11. Recovery of Erroneous Payments. Without limitation of any other provision in this Agreement, if at any time the Administrative Agent makes a payment hereunder in error to any Lender Recipient Party, whether or not in respect of an Obligation due and owing by the Borrower at such time, where such payment is a Rescindable Amount, then in any such event, each Lender Recipient Party receiving a Rescindable Amount severally agrees to repay to the Administrative Agent forthwith on demand the Rescindable Amount received by such Lender Recipient Party in immediately available funds in the currency so received, with interest thereon, for each day from and including the date such Rescindable Amount is received by it to but excluding the date of payment to the Administrative Agent, at the greater of the Federal Funds Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation. Each Lender Recipient Party irrevocably waives any and all defenses, including any "discharge for value" (under which a creditor might otherwise claim a right to retain funds mistakenly paid by a third party in respect of a debt owed by another) or similar defense to its obligation to return any Rescindable Amount. The Administrative Agent shall inform each Lender Recipient Party promptly upon determining that any payment made to such Lender Recipient Party comprised, in whole or in part, a Rescindable Amount. The provisions of this Section 9.11 are intended to reflect an agreement among the Lenders, Issuing Banks and the Administrative Agent and the provisions hereof shall not constitute or create any obligations on the part of the Borrower or any other Loan Party.

SECTION 10.01. Amendments, Etc. Subject to Section 3.03(c), no amendment or waiver of any provision of this Agreement or any other Loan Document, and no consent to any departure by the Borrower or any Guarantor therefrom, shall be effective unless in writing entered into by the Required Lenders and the Borrower (and/or the Guarantors, as applicable) (or by the Administrative Agent with the consent of the Required Lenders and the Borrower (and/or the Guarantors, as applicable)), and each such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given; provided that:

(a) no such amendment, waiver or consent shall:

(i) increase the Revolving Commitment of a Lender without the written consent of such Lender whose Revolving Commitment is being increased (it being understood and agreed that a waiver of any condition precedent as set forth in Section 5.02 or of any Default, Event of Default, mandatory prepayment or a mandatory reduction in Revolving Commitments, if any, is not considered an increase in Revolving Commitments of any Lender);

(ii) postpone any date fixed by this Agreement or any other Loan Document for any payment of principal (excluding mandatory prepayments), interest, fees or other amounts due to a Lender or the required date of reimbursement of any LC Disbursement, including, without limitation, by amending the definition of "Maturity Date", without the written consent of any such Lender entitled to receive such payment;

(iii) reduce the principal of, or the rate of interest specified herein on, any Loan, or (subject to clause (i) of the final proviso to this Section 10.01) any fees or other amounts payable hereunder or under any other Loan Document without the written consent of each Lender entitled to receive such payment of principal, interest, fees or other amounts; provided, however, that only the consent of the Required Lenders shall be necessary to amend the definition of "Default Rate";

(iv) change Section 8.02 in a manner that would alter the pro rata sharing of payments required thereby without the written consent of each Lender directly and adversely affected thereby;

(v) release all or substantially all of the value of ~~any Guarantee~~the Guarantees under the Guarantee Agreement without the written consent of each Lender; or

(b) unless also signed by the Administrative Agent, no amendment, waiver or consent shall affect the rights or duties of the Administrative Agent under this Agreement or any other Loan Document;

(c) unless also signed by such Issuing Bank, no amendment, waiver or consent shall affect the rights or duties of any Issuing Bank under this Agreement or any other Loan Document;

provided, however, that notwithstanding anything to the contrary herein:

(i) any Fee Letter may be amended, or rights or privileges thereunder waived, in a writing executed only by the parties thereto;

(ii) no Defaulting Lender shall have any right to approve or disapprove any amendment, waiver or consent hereunder (and any amendment, waiver or consent which by its terms requires the consent of all Lenders or each affected Lender may be effected with the consent of the applicable Lenders other than Defaulting Lenders), except that (x) the Revolving Commitment of any Defaulting Lender may not be increased or extended without the consent of such Lender and (y) any waiver, amendment or modification requiring the consent of all Lenders or each affected Lender that by its terms affects any Defaulting Lender disproportionately adversely relative to other affected Lenders shall require the consent of such Defaulting Lender;

(iii) each Lender is entitled to vote as such Lender sees fit on any bankruptcy reorganization plan that affects the Loans, and each Lender acknowledges that the provisions of Section 1126(c) of the Bankruptcy Code of the United States supersedes the unanimous consent provisions set forth herein;

(iv) the Required Lenders shall determine whether or not to allow the Borrower (or any Guarantor) to use cash collateral in the context of a bankruptcy or insolvency proceeding and such determination shall be binding on all of the Lenders; and

(d) this Agreement may, in the Administrative Agent's reasonable discretion, be amended and waived with the consent of the Administrative Agent at the request of the Borrower without the need to obtain the consent of any other Lender if such amendment or waiver is not objected to in writing by the Required Lenders to the Administrative Agent within ten Business Days following receipt of notice thereof and if such amendment or waiver is effectuated in order to cure ambiguities or defects, any obvious error or any error or omission of a technical nature. The Administrative Agent shall promptly notify each Lender of any such amendment. Each of the parties hereto hereby agrees that, upon the effectiveness of any such amendment, this Agreement or the applicable Loan Document shall be deemed amended to the extent (but only to the extent) necessary to reflect the existence and terms of such amendment evidenced thereby. Notwithstanding the foregoing, any provision of this Agreement requiring the consent of all Lenders or all affected Lenders to amend or waive may be amended by an agreement in writing entered into by the Loan Parties, the Required Lenders and the Administrative Agent if (i) by the terms of such agreement the Commitment of each Lender not consenting to the amendment provided for therein shall terminate upon the effectiveness of such amendment and (ii) at the time such amendment becomes effective, each Lender not consenting thereto receives payment in full of the principal of and interest accrued on each Loan made by it and all other amounts owing to it or accrued for its account under this Agreement.

The Administrative Agent or the Borrower may each, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it; provided that approval of such procedures may be limited to particular notices or communications. Unless otherwise notified by the Administrative Agent to the Borrower, the Borrower may satisfy its obligation to deliver documents or notices to the Administrative Agent or the Lenders under Sections 6.04, 6.05 and 6.06 by delivering an electronic copy to such e-mail address as provided to the Borrower in a notice from the Administrative Agent).

NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY ANY AGENT PARTY IN CONNECTION WITH THE BORROWER MATERIALS OR THE PLATFORM. In no event shall the Administrative Agent or any of its Related Parties (collectively, the "Agent Parties") have any liability to the Borrower, any Lender or any other Person for losses, claims, damages, liabilities or expenses of any kind (whether in tort, contract or otherwise) arising out of the Borrower's or the Administrative Agent's transmission of Borrower Materials through the Internet, except to the extent that such losses, claims, damages, liabilities or expenses are determined by a court of competent jurisdiction by a final judgment to have resulted from the gross negligence or willful misconduct of such Agent Party; provided, however, that in no event shall any Agent Party have any liability to the Borrower, any Lender or any other Person for indirect, special, incidental, consequential or punitive damages (as opposed to direct or actual damages).

(d) Change of Address, Etc. Each of the Borrower and the Administrative Agent may change its address, facsimile or telephone number for notices and other communications hereunder by notice to the other parties hereto. Each other Lender may change its address, facsimile or telephone number for notices and other communications hereunder by notice to the Borrower and the Administrative Agent. (e) Reliance by Administrative Agent and Lenders. The Administrative Agent and the Lenders shall be entitled to rely and act upon any notices (including telephonic or electronic Loan Notices) purportedly given by or on behalf of the Borrower even if (i) such notices were not made in a manner specified herein, were incomplete or were not preceded or followed by any other form of notice specified herein, or (ii) the terms thereof, as understood by the recipient, varied from any confirmation thereof. The Borrower shall indemnify the Administrative Agent, each Lender and the Related Parties of each of them from all losses, costs, expenses and liabilities resulting from the reliance by such Person on each notice purportedly given by or on behalf of the Borrower. All telephonic notices to and other telephonic communications with the Administrative Agent may be recorded by the Administrative Agent, and each of the parties hereto hereby consents to such recording.

SECTION 10.03. No Waiver; Cumulative Remedies. No failure by any Lender, any Issuing Bank or the Administrative Agent to exercise, and no delay by any such Person in exercising, any right, remedy, power or privilege hereunder or under any other Loan Document shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges herein provided, and provided under each other Loan Document are cumulative and not exclusive of any rights, remedies, powers and privileges provided by law.

Notwithstanding anything to the contrary contained herein or in any other Loan Document, the authority to enforce rights and remedies hereunder and under the other Loan Documents against the Borrower shall be vested exclusively in, and all actions and proceedings at law in connection with such enforcement shall be instituted and maintained exclusively by, the Administrative Agent in accordance with Section 8.01 for the benefit of all the Lenders, the Issuing Banks or any other holder of any Obligations; provided, however, that the foregoing shall not prohibit (a) the Administrative Agent from exercising on its own behalf the rights and remedies that inure to its benefit (solely in its capacity as Administrative Agent) hereunder and under the other Loan Documents, (b) any Issuing Bank from exercising the rights and remedies that inure to its benefit (solely in its capacity as Issuing Bank) hereunder and under the other Loan Documents, (c) any Lender from exercising setoff rights in accordance with Section 10.08 (subject to the terms of Section 2.11), or (d) any Lender from filing proofs of claim or appearing and filing pleadings on its own behalf during the pendency of a proceeding relative to the Borrower or any Guarantor under any Debtor Relief Law; and provided, further, that if at any time there is no Person acting as Administrative Agent hereunder and under the other Loan Documents, then (i) the Required Lenders shall have the rights otherwise ascribed to the Administrative Agent pursuant to Section 8.02 and (ii) in addition to the matters set forth in clauses (b), (c) and (d) of the preceding proviso and subject to Section 2.11, any Lender may, with the consent of the Required Lenders, enforce any rights and remedies available to it and as authorized by the Required Lenders.

SECTION 10.04. Expenses; Indemnity; and Damage Waiver.

(a) Costs and Expenses. The Borrower shall pay (i) all reasonable documented out-of-pocket expenses incurred (and submitted with backup documentation supporting such reimbursement request) by the Administrative Agent, any Issuing Bank and each Arranger (including the reasonable and documented fees, charges and disbursements of one outside counsel for the Administrative Agent and the Arrangers taken as a whole and, if necessary, of one local counsel in any material jurisdiction), in connection with the preparation, negotiation, execution, delivery and administration of this Agreement and the other Loan Documents or any amendments, modifications or waivers of the provisions hereof or thereof and (ii) all reasonable and documented out-of-pocket expenses incurred by the Administrative Agent, any Issuing Bank or any Lender, submitted with backup documentation supporting such reimbursement request (but limited, in the case of legal fees and expenses, to the reasonable and documented fees, disbursements and other charges of one outside counsel to the Administrative Agent and the Lenders taken as

Without limiting the provisions of Section 3.01(c), this Section 10.04(b) shall not apply with respect to Taxes other than any Taxes that represent losses, claims, damages, etc. arising from any non-Tax claim.

To the extent that the Borrower for any reason fails to indefeasibly pay any amount required under subsection (a) or (b) of this Section 10.04 to be paid by it to the Administrative Agent (or any sub-agent thereof), any Issuing Bank or any Related Party of any of the foregoing (and without limiting their obligation to do so), each Lender severally agrees to pay to the Administrative Agent (or any such sub-agent), such Issuing Bank or such Related Party, as the case may be, such Lender's Applicable Percentage (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought based on each Lender's share of the Credit Exposure at such time) of such unpaid amount (including any such unpaid amount in respect of a claim asserted by such Lender), such payment to be made severally among them based on such Lender's Applicable Percentages (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought); provided that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Administrative Agent (or any such sub-agent) or such Issuing Bank in its capacity as such, or against any Related Party of any of the foregoing acting for the Administrative Agent (or any such sub-agent) or such Issuing Bank in connection with such capacity. The obligations of the Lenders under this subsection (c) are subject to the provisions of Section 2.10(d).

To the fullest extent permitted by applicable Law, neither (x) the Borrower nor (y) the Administrative Agent (and any sub-agent thereof), each Issuing Bank, each Lender, and each Related Party of any of the foregoing Persons (each of the foregoing persons in clause (y), a "Lender Related Person") shall assert, and the Borrower and each Lender Related Person hereby waives, and acknowledges that no other Person shall have, any claim against any Lender Related Person or the Borrower, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document or any agreement or instrument contemplated hereby, the transactions contemplated hereby or thereby, any Loan or Letter of Credit or the use of the proceeds thereof; it being understood that this sentence does not limit the Borrower's indemnification obligations with respect to such damages owed ~~to~~ by an Indemnitee to a third party other than in connection with a Barred Claim of such Indemnitee. Neither the Borrower nor any Lender Related Person shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed by it through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Loan Documents or the transactions contemplated hereby or thereby unless such damages were caused by the Borrower's (or any Guarantor's) or such Lender Related Person's gross negligence or willful misconduct, as determined in a final judgment by a court of competent jurisdiction.

The agreements in this Section 10.04 and the indemnity provisions of Section 10.02(e) shall survive the resignation of the Administrative Agent and each Issuing Bank, the replacement of any Lender, the termination of the Revolving Commitments and the repayment, satisfaction or discharge of all the other Obligations.

SECTION 10.05. Payments Set Aside. To the extent that any payment by or on behalf of the Borrower or any Guarantor is made to the Administrative Agent, any Issuing Bank or any Lender, or the Administrative Agent, any Issuing Bank or any Lender exercises its right of setoff, and such payment or the proceeds of such setoff or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by the Administrative Agent, such Issuing Bank or such Lender in its discretion) to be repaid to a trustee, receiver or any other party, in connection with any proceeding under any Debtor Relief Law or otherwise, then (a) to the extent of such recovery, the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such setoff had not occurred, and (b) each Lender and each Issuing Bank severally agrees to pay to the Administrative Agent upon demand its applicable share (without duplication) of any amount so recovered from or repaid by the Administrative Agent, plus interest thereon from the date of such demand to the date such payment is made at a rate per annum equal to the Federal Funds Rate from time to time in effect. The obligations of the Lenders and the Issuing Banks under clause (b) of the preceding sentence shall survive the payment in full of the Obligations and the termination of this Agreement.

SECTION 10.06. Successors and Assigns.

(a) Successors and Assigns Generally. The provisions of this Agreement and the other Loan Documents shall be binding upon and inure to the benefit of the parties hereto and thereto and their respective successors and assigns permitted hereby, except that the Borrower may not assign or otherwise transfer any of its rights or obligations hereunder or thereunder without the prior written consent of the Administrative Agent and each Lender and no Lender may assign or otherwise transfer any of its rights or obligations hereunder except (i) to an assignee in accordance with the provisions of Section 10.06(b), (ii) by way of participation in accordance with the provisions of Section 10.06(d) or (iii) by way of pledge or assignment of a security interest subject to the restrictions of Section 10.06(e) (and any other attempted assignment or transfer by any party hereto shall be null and void). Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants to the extent provided in Section 10.06(d) and, to the extent expressly contemplated hereby, the Related Parties of each of the Administrative Agent, the Issuing Banks and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) Assignments by Lenders. Any Lender may assign all or a portion of its rights and obligations under this Agreement and the other Loan Documents (including all or a portion of its Revolving Commitment and the Loans) at any time owing to it); provided that any such assignment shall be subject to the following conditions:

(i) Minimum Amounts.

(x) in the case of an assignment of the entire remaining amount of the assigning Lender's Revolving Commitment and the related Loans at the time owing to it or in the case of an assignment to a Lender, no minimum amount need be assigned; and

(y) in any case not described in Section 10.06(b)(i)(x), the aggregate amount of the Revolving Commitment or, if the Revolving Commitment is not then in effect, the principal outstanding balance of the Loans of the assigning Lender subject to each such assignment, determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent or, if "Trade Date" is specified in the Assignment and Assumption, as of the "Trade Date" specified in the Assignment and Assumption, shall not be less than $5,000,000 unless each of the Administrative Agent and, so long as no Event of Default pursuant to Section 8.01(b), (c), (g) or (h) (in the case of clauses (g) and (h), with respect to the Borrower) has occurred and is continuing at the time of such assignment, the Borrower otherwise consents.

(ii) Proportionate Amounts. Each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's Loans and Revolving Commitments, and rights and obligations with respect thereto, assigned, except that this Section 10.06(b)(ii) shall not prohibit any Lender from assigning all or a portion of its rights and obligations in respect of its Revolving Commitment (and the related Revolving Loans thereunder) on a non-pro rata basis;

(iii) Required Consents. No consent shall be required for any assignment except to the extent required by Section 10.06(b)(i)(y) and, in addition:

(A) the prior written consent of the Borrower shall be required unless an Event of Default under Section 8.01(b), (c), (g) or (h) (in the case of clauses (g) and (h), with respect to the Borrower) has occurred and is continuing at the time of such assignment; and

(B) the consent of the Administrative Agent (such consent not to be unreasonably withheld, delayed or conditioned) shall be required for assignments in respect of any Revolving Commitment if such assignment is to a Person that is not a Lender or an Affiliate of such Lender (and provided that only prior notice to and not the consent of the Administrative Agent shall be required for any assignment of Incremental Term Loans or Incremental Term Commitments); and

(C) the consent of each Issuing Bank (such consent not to be unreasonably withheld, delayed or conditioned) shall be required for any assignment; provided that no consent of the Issuing Bank shall be required for any assignment of Incremental Term Loans or Incremental Term Commitments; and

(D) except as expressly permitted pursuant to Section 10.07(f)(i), no Lender may provide any Information (as defined in Section 10.07) to any prospective Lender, Participant or pledgee without the prior written consent of the Borrower.

(iv) Assignment and Assumption. The parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption, together with a processing and recordation fee in the amount of $3,500; provided, however, that the Administrative Agent may, in its sole discretion, elect to waive such processing and recordation fee in the case of any assignment. The assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire.

(v) No Assignment to Certain Persons. No such assignment shall be made (w) to any Defaulting Lender or any of its Subsidiaries or any Person who, upon becoming a Lender hereunder, would constitute any of the foregoing Persons described in this clause (w), (x) to a natural Person, (y) to any Person that fails to make a representation that it is a Qualified Person or (z) to a Disqualified Institution.

(vi) Certain Additional Payments. In connection with any assignment of rights and obligations of any Defaulting Lender hereunder, no such assignment shall be effective unless and until, in addition to the other conditions thereto set forth herein, the parties to the assignment shall make such additional payments to the Administrative Agent in an aggregate amount sufficient, upon distribution thereof as appropriate (which may be outright payment, purchases by the assignee of participations, or other compensating actions, including funding, with the consent of the Borrower and the Administrative Agent, the applicable pro rata share of Loans previously requested but not funded by the Defaulting Lender, to each of which the applicable assignee and assignor hereby irrevocably consent), to (x) pay and satisfy in full all payment liabilities then owed by such Defaulting Lender to the Administrative Agent, any Issuing Bank or any Lender hereunder (and interest accrued thereon) and (y) acquire (and fund as appropriate) its full pro rata share of all Loans and participations in Letters of Credit in accordance with its Applicable Percentage. Notwithstanding the foregoing, in the event that any assignment of rights and obligations of any Defaulting Lender hereunder shall become effective under applicable Law without compliance with the provisions of this paragraph, then the assignee of such interest shall be deemed to be a Defaulting Lender for all purposes of this Agreement until such compliance occurs.

Subject to acceptance and recording thereof by the Administrative Agent pursuant to Section 10.06(c), from and after the effective date specified in each Assignment and Assumption, the assignee thereunder shall be a party to this Agreement and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall,

to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto) but shall continue to be entitled to the benefits of Sections 3.01, 3.04, 3.05 and 10.04 with respect to facts and circumstances occurring prior to the effective date of such assignment; provided that, except to the extent otherwise expressly agreed by the affected parties, no assignment by a Defaulting Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender. Upon request, the Borrower (at its expense) shall execute and deliver a Note or Notes to the assignee Lender. Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this subsection shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with Section 10.06(d).

(c) Register. The Administrative Agent, acting solely for this purpose as an agent of the Borrower (and such agency being solely for tax purposes), shall maintain at the Administrative Agent's Office a copy of each Assignment and Assumption delivered to it (or the equivalent thereof in electronic form) and a register for the recordation of the names and addresses of the Lenders, and the Revolving Commitments of, and principal amounts (and stated interest) of the Loans and LC Exposure owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive absent demonstrable error, and the Borrower, the Administrative Agent and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. In addition, the Administrative Agent shall maintain on the Register information regarding the designation, and revocation of designation, of any Lender as a Defaulting Lender. The Register shall be available for inspection by the Borrower and any Lender at any reasonable time and from time to time upon reasonable prior notice.

(d) Participations. A Lender may, but only with the prior written consent of the Borrower, and notice to the Borrower and the Administrative Agent, in accordance with applicable Law, sell participations to any Person (other than a natural Person, a Defaulting Lender, the Borrower or any of the Borrower's Affiliates or Subsidiaries, a Person that fails to represent to such Lender that it is a Qualified Person or a Disqualified Institution) (each, a "Participant") in all or a portion of such Lender's rights and/or obligations under this Agreement (including all or a portion of its Revolving Commitment and/or the Loans at any time owing to it); provided that (i) such Lender's obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (iii) the Borrower, the Administrative Agent, the Issuing Banks and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. For the avoidance of doubt, each Lender shall be responsible for the indemnity under Section 10.04(c) without regard to the existence of any participation.

Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, waiver or other modification described in clauses (i) through (vi) of the Section 10.01(a) that affects such Participant. The Borrower agrees that each Participant shall be entitled to the benefits of Sections 3.01, 3.04 and 3.05 to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to subsection (b) of this Section 10.06 (it being understood that the documentation required under Section 3.01(e) shall be delivered to the Lender who sells the participation); provided that such Participant (i) agrees to be subject to the provisions of Sections 3.06 and 10.13 as if it were an assignee under paragraph (b) of this Section 10.06 and (ii) shall not be entitled to receive any greater payment under Sections 3.01 or 3.04, with respect to any participation, than the Lender from whom it acquired the applicable participation would have been entitled to receive. Each Lender that sells a participation agrees, at the Borrower's request and expense, to use reasonable efforts to cooperate with the Borrower to effectuate the provisions of Section 3.06 with respect to any Participant. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 10.08 as though it were a Lender; provided that such Participant agrees to be subject to Section 2.11 as though it were a Lender. Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under the Loan Documents (the "Participant Register"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any commitments, loans, letters of credit or its other obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such commitment, loan, letters of credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent demonstrable error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(e) Certain Pledges. Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement (including under its Revolving Note, if any) to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank or any central bank having jurisdiction over such Lender; provided that no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto or grant such pledgee or assignee enforcement rights prior to a foreclosure on such pledge or assignment or any voting rights.

(f) Lender Representations. Each Lender, by the execution and delivery of an Assignment and Assumption or other documentation by which it became a Lender hereto, hereby represents and warrants to the Borrower and the Administrative Agent that (i) it is a Qualified Person and (ii) as of the date of execution of such Assignment and

Assumption or other applicable documentation such Lender has not (x) sold a participation to a Person that is not a Qualified Person or (y) agreed to (1) assign its Revolving Commitments or Loans to a Person that is not a Qualified Person, or (2) sell a participation to a Person that is not a Qualified Person.

(g) Disqualified Institutions. (i) No assignment or participation shall be made to any Person that was a Disqualified Institution as of the date (the "Trade Date") on which the applicable Lender entered into a binding agreement to sell and assign or participate all or a portion of its rights and obligations under this Agreement to such Person (unless the Borrower has consented to such assignment in writing, in which case such Person will not be considered a Disqualified Institution for the purpose of such assignment). For the avoidance of doubt, with respect to any assignee or participant that becomes a Disqualified Institution after the applicable Trade Date (including as a result of the delivery of a notice pursuant to, and/or the expiration of the notice period referred to in, the definition of "Disqualified Institution"), (x) such assignee shall not retroactively be disqualified from becoming a Lender or participant and (y) the execution by the Borrower of an Assignment and Assumption with respect to such assignee will not by itself result in such assignee no longer being considered a Disqualified Institution. Any assignment in violation of this clause (g)(i) shall not be void, but the other provisions of this clause (g) shall apply.

(ii) If any assignment or participation is made to any Disqualified Institution without the Borrower's prior consent in violation of clause (i) above, or if any Person becomes a Disqualified Institution after the applicable Trade Date, the Borrower may, at its sole expense and effort, upon notice to the applicable Disqualified Institution and the Administrative Agent, (A) terminate any Revolving Commitment of such Disqualified Institution and repay all obligations of the Borrower owing to such Disqualified Institution in connection with such Revolving Commitment and/or (B) require such Disqualified Institution to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in this Section 10.06), all of its interest, rights and obligations under this Agreement and related Loan Documents to an Eligible Assignee that shall assume such obligations at the lesser of (x) the principal amount thereof and (y) the amount that such Disqualified Institution paid to acquire such interests, rights and obligations, in each case plus accrued interest, accrued fees and all other amounts (other than principal amounts) payable to it hereunder and under the other Loan Documents; provided that (i) the Borrower shall have paid to the Administrative Agent the assignment fee (if any) specified in Section 10.06(b) and (ii) such assignment does not conflict with applicable Laws.

(iii) Notwithstanding anything to the contrary contained in this Agreement, Disqualified Institutions (A) will not (x) have the right to receive information, reports or other materials provided to Lenders by the Borrower, the Administrative Agent or any other Lender, (y) attend or participate in meetings attended by the Lenders and the Administrative Agent, or (z) access any electronic site established for the Lenders or confidential communications from counsel to or financial advisors of the Administrative Agent or the Lenders and (B)(x) for

purposes of any consent to any amendment, waiver or modification of, or any action under, and for the purpose of any direction to the Administrative Agent or any Lender to undertake any action (or refrain from taking any action) under this Agreement or any other Loan Document, each Disqualified Institution will be deemed to have consented in the same proportion as the Lenders that are not Disqualified Institutions consented to such matter, and (y) for purposes of voting on any plan of reorganization or plan of liquidation pursuant to any Debtor Relief Laws ("Plan of Reorganization"), each Disqualified Institution party hereto hereby agrees (1) not to vote on such Plan of Reorganization, (2) if such Disqualified Institution does vote on such Plan of Reorganization notwithstanding the restriction in the foregoing clause (1), such vote will be deemed not to be in good faith and shall be "designated" pursuant to Section 1126(e) of the Bankruptcy Code (or any similar provision in any other Debtor Relief Laws), and such vote shall not be counted in determining whether the applicable class has accepted or rejected such Plan of Reorganization in accordance with Section 1126(c) of the Bankruptcy Code (or any similar provision in any other Debtor Relief Laws) and (3) not to contest any request by any party for a determination by the Bankruptcy Court (or other applicable court of competent jurisdiction) effectuating the foregoing clause (2).

(iv) The Administrative Agent shall have the right, and the Borrower hereby expressly authorizes the Administrative Agent, to (A) post the list of Disqualified Institutions provided by the Borrower and any updates thereto from time to time (collectively, the "DQ List") on the Platform, including that portion of the Platform that is designated for "public side" Lenders or (B) provide the DQ List to each Lender requesting the same.

SECTION 10.07. Treatment of Certain Information; Confidentiality. Each of the Administrative Agent, the Issuing Banks and the Lenders agrees to maintain the confidentiality of the Information (as defined below) and to not use the Information for any purpose except in connection with the Loan Documents, except that Information may be disclosed (a) to its Affiliates, its auditors and to its Related Parties whom it reasonably determines needs to know such information in connection with this Agreement and the transactions contemplated hereby (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential), (b) to the extent required or requested by any regulatory authority purporting to have jurisdiction over such Person or its Related Parties (including any self-regulatory authority, such as the National Association of Insurance Commissioners) or in connection with any pledge or assignment permitted under Section 10.06(e), (c) to the extent required by applicable laws or regulations or by any subpoena or similar legal process (in which case such disclosing Person agrees to inform the Borrower promptly thereof prior to such disclosure to the extent not prohibited by law, rule or regulation and to the extent reasonably practicable so that the Borrower may seek a protective order or other appropriate remedy (including by participation in any proceeding to which the Administrative Agent or any such Lender is a party, and each of them hereby agrees to use reasonable effort to permit the Borrower to do so)), (d) to any other party hereto, (e) in connection with the exercise of any remedies hereunder or under any other Loan Document or any action or proceeding relating to this Agreement or any other Loan

Document or the enforcement of rights hereunder or thereunder, (f) subject to an agreement (x) containing provisions substantially the same as (or containing provisions more restrictive than) those of this Section 10.07 and (y) listing the Borrower as an express third party beneficiary, to (i) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential) or (ii) any actual or prospective counterparty (or its Related Parties) to any swap or derivative transaction relating to the Borrower and its obligations (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential), (g) on a confidential basis to (i) any rating agency in connection with rating the ~~Borrower or its~~ParentCos or Subsidiaries of any ParentCo or the credit facility provided hereunder or (ii) the provider of any Platform or other electronic delivery service used by the Administrative Agent to deliver Borrower Materials or notices to the Lenders, (h) the CUSIP Service Bureau or any similar agency in connection with the application, issuance, publishing and monitoring of CUSIP numbers or other market identifiers with respect to the credit facility provided hereunder, or (i) to the extent such Information (x) becomes publicly available other than as a result of a breach of this Section 10.07 or (y) becomes available to the Administrative Agent, any Issuing Bank, any Lender or any of their respective Affiliates on a nonconfidential basis from a source other than the Borrower.

For the purposes of this Section 10.07, "Information" means all information (including financial statements, certificates and reports and analyses, compilations and studies prepared by or on behalf of the Administrative Agent, any Issuing Bank or any Lender based on any of the foregoing) received from or on behalf of the Borrower relating to the Borrower or its Affiliates or its business or relating to any employee, member or partner or customer of the Borrower, other than any such information that is or becomes available to the Administrative Agent, any Issuing Bank or any Lender on a nonconfidential basis. Any Person required to maintain the confidentiality of Information as provided in this Section shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

Each of the Administrative Agent, the Issuing Banks and the Lenders acknowledges that (a) the Information may include material non-public information concerning the Borrower, a Subsidiary, their respective Affiliates or any of their respective securities, as the case may be, (b) it has developed compliance procedures regarding the use of material non-public information and (c) it will handle such material non-public information in accordance with applicable Law, including United States Federal and state securities Laws.

SECTION 10.08. Set-off~~Set-off~~ . If an Event of Default shall have occurred and be continuing, each Lender, Issuing Bank and each of its respective Affiliates is hereby authorized at any time and from time to time to the fullest extent permitted by applicable Law, to set-off and apply any and all deposits (general or special, time or demand, provisional or final, in whatever currency) at any time held and other obligations

(in whatever currency) at any time owing by such Lender, Issuing Bank or any such Affiliate to or for the credit or the account of the Borrower against any and all of the obligations of the Borrower now or hereafter existing under this Agreement or any other Loan Document to such Lender, Issuing Bank or its respective Affiliates, irrespective of whether or not such Lender or Issuing Bank shall have made any demand under this Agreement or any other Loan Document and although such obligations of the Borrower may be contingent or unmatured or are owed to a branch or office of such Lender or Issuing Bank different from the branch or office holding such deposit or obligated on such indebtedness; provided that, in the event that any Defaulting Lender shall exercise any such right of setoff, (x) all amounts so set off shall be paid over immediately to the Administrative Agent for further application in accordance with the provisions of Section 2.12 and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Administrative Agent and the Lenders, and (y) the Defaulting Lender shall provide promptly to the Administrative Agent a statement describing in reasonable detail the Obligations owing to such Defaulting Lender as to which it exercised such right of setoff. The rights of each Lender, Issuing Bank and its respective Affiliates under this Section 10.08 are in addition to other rights and remedies (including other rights of set-off) that such Lender, Issuing Bank or its respective Affiliates may have. Each Lender and each Issuing Bank agrees to notify the Borrower and the Administrative Agent promptly after any such setoff and application; provided that the failure to give such notice shall not affect the validity of such setoff and application.

SECTION 10.09. Interest Rate Limitation. Notwithstanding anything to the contrary contained in any Loan Document, the interest paid or agreed to be paid under the Loan Documents shall not exceed the maximum rate of non-usurious interest permitted by applicable Law (the "Maximum Rate"). If the Administrative Agent or any Lender shall receive interest in an amount that exceeds the Maximum Rate, the excess interest shall be applied to the principal of the Loans or, if it exceeds such unpaid principal, refunded to the Borrower. In determining whether the interest contracted for, charged, or received by the Administrative Agent or a Lender exceeds the Maximum Rate, such Person may, to the extent permitted by applicable Law, (a) characterize any payment that is not principal as an expense, fee, or premium rather than interest, (b) exclude voluntary prepayments and the effects thereof, and (c) amortize, prorate, allocate, and spread in equal or unequal parts the total amount of interest throughout the contemplated term of the Obligations hereunder.

SECTION 10.10. Integration~~Integration~~. This Agreement and the other Loan Documents constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof.

SECTION 10.11. Survival of Representations and Warranties. All representations and warranties made hereunder and in any other Loan Document or other document delivered pursuant hereto or thereto or in connection herewith or therewith shall survive the execution and delivery hereof and thereof. Such representations and warranties have been or will be relied upon by the Administrative Agent, each Issuing Bank and each other Lender, regardless of any investigation made by the Administrative Agent, any

Issuing Bank or any other Lender or on their behalf and notwithstanding that the Administrative Agent, any Issuing Bank or any other Lender may have had notice or knowledge of any Default at the time of any Borrowing, and shall continue in full force and effect until the Obligations have been indefeasibly paid in full and the Commitments and the Letters of Credit have expired or terminated and all LC Disbursements have been reimbursed.

SECTION 10.12. Severability~~Severability~~. If any provision of this Agreement or the other Loan Documents is held to be illegal, invalid or unenforceable, (a) the legality, validity and enforceability of the remaining provisions of this Agreement and the other Loan Documents shall not be affected or impaired thereby and (b) the parties shall endeavor in good faith negotiations to replace the illegal, invalid or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the illegal, invalid or unenforceable provisions. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. Without limiting the foregoing provisions of this Section 10.12, if and to the extent that the enforceability of any provisions in this Agreement relating to Defaulting Lenders shall be limited by Debtor Relief Laws, as determined in good faith by the Administrative Agent or any Issuing Bank, as applicable, then such provisions shall be deemed to be in effect only to the extent not so limited.

SECTION 10.13. Replacement of Lenders. If (a) any Lender requests compensation under Section 3.04, (b) the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.01, (c) any Lender is a Non-Consenting Lender, (d) any Lender is a Defaulting Lender or (e) any other circumstance exists hereunder that gives the Borrower the right to replace a Lender as a party hereto, then the Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in, and consents required by, Section 10.06), all of its interests, rights (other than its existing rights to payments pursuant to Sections 3.01 and 3.04) and obligations under this Agreement and the related Loan Documents to an Eligible Assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment); provided that:

(i) the Borrower or the applicable replacement Lender shall have paid the Administrative Agent the assignment fee specified in Section 10.06(b);

(ii) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans and participations in LC Disbursements, accrued interest thereon, accrued fees and all other amounts payable to it hereunder and under the other Loan Documents (including any amounts under Section 3.05) from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other amounts);

(iii) in the case of any such assignment resulting from a claim for compensation under Section 3.04 or payments required to be made pursuant to Section 3.01, such assignment will result in a reduction in such compensation or payments thereafter;

(iv) such assignment does not conflict with applicable Laws; and

(v) in the case of any such assignment resulting from a Non-Consenting Lender's failure to consent to a proposed change, waiver, discharge or termination with respect to any Loan Document, the applicable replacement bank or financial institution consents to the proposed change, waiver, discharge or termination; provided that the failure by such Non-Consenting Lender to execute and deliver an Assignment and Assumption shall not impair the validity of the removal of such Non-Consenting Lender and the mandatory assignment of such Non-Consenting Lender's Revolving Commitments and outstanding Loans pursuant to this Section 10.13 shall nevertheless be effective without the execution by such Non-Consenting Lender of an Assignment and Assumption.

A Lender shall not be required to make any such assignment or delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrower to require such assignment and delegation cease to apply.

Each party hereto agrees that (a) an assignment required pursuant to this Section 10.13 may be effected pursuant to an Assignment and Assumption executed by the Borrower, the Administrative Agent and the assignee and (b) the Lender required to make such assignment need not be a party thereto in order for such assignment to be effective and shall be deemed to have consented to and be bound by the terms thereof; provided that, following the effectiveness of any such assignment, the other parties to such assignment agree to execute and deliver such documents necessary to evidence such assignment as reasonably requested by the applicable Lender, provided, further that any such documents shall be without recourse to or warranty by the parties thereto.

SECTION 10.14. Governing Law; Jurisdiction; Etc.

(a) GOVERNING LAW. THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS AND ANY CLAIMS, CONTROVERSY, DISPUTE OR CAUSE OF ACTION (WHETHER IN CONTRACT OR TORT OR OTHERWISE) BASED UPON, ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT (EXCEPT, AS TO ANY OTHER LOAN DOCUMENT, AS EXPRESSLY SET FORTH THEREIN) AND THE TRANSACTIONS CONTEMPLATED HEREBY AND THEREBY SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

(b) SUBMISSION TO JURISDICTION. THE BORROWER IRREVOCABLY AND UNCONDITIONALLY AGREES THAT IT WILL NOT COMMENCE ANY ACTION, LITIGATION OR PROCEEDING OF ANY KIND OR DESCRIPTION, WHETHER IN LAW OR EQUITY, WHETHER IN CONTRACT OR IN TORT OR OTHERWISE, AGAINST THE ADMINISTRATIVE AGENT, ANY ISSUING BANK, ANY LENDER OR ANY RELATED PARTY OF THE FOREGOING IN ANY WAY RELATING TO THIS AGREEMENT OR ANY OTHER LOAN

DOCUMENT OR THE TRANSACTIONS RELATING HERETO OR THERETO, IN ANY ~~OTHER~~ FORUM OTHER THAN THE COURTS OF THE STATE OF NEW YORK SITTING IN NEW YORK COUNTY AND OF THE UNITED STATES DISTRICT COURT FOR THE SOUTHERN DISTRICT OF NEW YORK, AND ANY APPELLATE COURT FROM ANY THEREOF, AND EACH OF THE PARTIES HERETO IRREVOCABLY AND UNCONDITIONALLY SUBMITS TO THE JURISDICTION OF SUCH COURTS AND AGREES THAT ALL CLAIMS IN RESPECT OF ANY SUCH ACTION, LITIGATION OR PROCEEDING MAY BE HEARD AND DETERMINED IN SUCH NEW YORK STATE COURT OR, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, IN SUCH FEDERAL COURT. EACH OF THE PARTIES HERETO AGREES THAT A FINAL JUDGMENT IN ANY SUCH ACTION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW. NOTHING IN THIS AGREEMENT OR IN ANY OTHER LOAN DOCUMENT SHALL AFFECT ANY RIGHT THAT THE ADMINISTRATIVE AGENT, ANY ISSUING BANK OR ANY LENDER MAY OTHERWISE HAVE TO BRING ANY ACTION OR PROCEEDING RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT AGAINST THE BORROWER OR ITS PROPERTIES IN THE COURTS OF ANY JURISDICTION.

(c) WAIVER OF VENUE. THE BORROWER HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY OBJECTION THAT IT MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY SUIT, ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT IN ANY COURT REFERRED TO IN PARAGRAPH (B) OF THIS SECTION. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY LAW, THE DEFENSE OF AN INCONVENIENT FORUM TO THE MAINTENANCE OF SUCH ACTION OR PROCEEDING IN ANY SUCH COURT.

(d) SERVICE OF PROCESS. EACH PARTY HERETO IRREVOCABLY CONSENTS TO SERVICE OF PROCESS IN THE MANNER PROVIDED FOR NOTICES IN SECTION 10.02. NOTHING IN THIS AGREEMENT WILL AFFECT THE RIGHT OF ANY PARTY HERETO TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY APPLICABLE LAW.

SECTION 10.15. WAIVER OF RIGHT TO TRIAL BY JURY. **EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE,**

THAT SUCH OTHER PERSON WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 10.15.

SECTION 10.16. USA PATRIOT Act Notice. Each Lender that is subject to the PATRIOT Act (as hereinafter defined) and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies the Loan Parties that pursuant to the requirements of the USA Patriot Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)) (the "PATRIOT Act"), it is required to obtain, verify and record information that identifies the Borrower and any Guarantors, which information includes the name and address of the Borrower or such Guarantor and other information that will allow such Lender or the Administrative Agent, as applicable, to identify the Borrower or such Guarantor in accordance with the PATRIOT Act. The Borrower shall, promptly following a written request by the Administrative Agent or any Lender through the Administrative Agent, provide all documentation and other information that the Administrative Agent or such Lender requires pursuant to applicable Law or reasonably requests, in any such case, in order to comply with its ongoing obligations under applicable "know your customer" and anti-money laundering rules and regulations, including the PATRIOT Act.

SECTION 10.17. No Advisory or Fiduciary Responsibility. In connection with all aspects of each transaction contemplated hereby (including in connection with any amendment, waiver or other modification hereof or of any other Loan Document), each of the Borrower and each other Loan Party acknowledges and agrees that: (a) (i) the arranging and other services regarding this Agreement provided by the Administrative Agent, the Arrangers and the Lenders are arm's-length commercial transactions between the Borrower and each other Loan Party, on the one hand, and the Administrative Agent, the Arrangers and the Lenders, on the other hand, (ii) each of the Borrower and each other Loan Party has consulted its own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate and (iii) the Borrower and each other Loan Party are capable of evaluating, and understands and accepts, the terms, risks and conditions of the transactions contemplated hereby and by the other Loan Documents; (b) (i) the Administrative Agent, each Arranger and each Lender is and has been acting solely as a principal and, except as expressly agreed in writing by the relevant parties, has not been, is not, and will not be acting as an advisor, agent or fiduciary for the Borrower or any other Loan Party and (ii) neither the Administrative Agent, any Arranger nor any Lender has any obligation to the Borrower or any other Loan Party with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Loan Documents; and (c) the Administrative Agent, the Arrangers, the Lenders and their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Borrower and the other Loan Parties, and neither the Administrative Agent, any Arranger nor any Lender has any obligation to disclose any of such interests to the Borrower and each other Loan Party. To the fullest extent permitted by law, each of the Borrower and each other Loan Party hereby waives and releases any claims that it may have against the Administrative Agent, any Arranger or any Lender with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transaction contemplated hereby.

SECTION 10.18. Electronic Execution of Assignments and Certain Other Documents. Any document, amendment, approval, consent, information, notice, certificate, request, statement, disclosure or authorization related to this Agreement (each a "Communication"), including Communications required to be in writing, may be in the form of an Electronic Record and may be executed using Electronic Signatures. The Borrower agrees that any Electronic Signature on or associated with any Communication shall be valid and binding on the Borrower to the same extent as a manual, original signature, and that any Communication entered into by Electronic Signature, will constitute the legal, valid and binding obligation of the Borrower enforceable against such in accordance with the terms thereof to the same extent as if a manually executed original signature was delivered. Any Communication may be executed in as many counterparts as necessary or convenient, including both paper and electronic counterparts, but all such counterparts are one and the same Communication. For the avoidance of doubt, the authorization under this Section may include, without limitation, use or acceptance by the Administrative Agent and each of the Lenders of a manually signed paper Communication which has been converted into electronic form (such as scanned into .pdf format), or an electronically signed Communication converted into another format, for transmission, delivery and/or retention. The Administrative Agent and each of the Lenders may, at its option, create one or more copies of any Communication in the form of an imaged Electronic Record ("Electronic Copy"), which shall be deemed created in the ordinary course of the such Person's business, and destroy the original paper document. All Communications in the form of an Electronic Record, including an Electronic Copy, shall be considered an original for all purposes, and shall have the same legal effect, validity and enforceability as a paper record. Notwithstanding anything contained herein to the contrary, the Administrative Agent is under no obligation to accept an Electronic Signature in any form or in any format unless expressly agreed to by the Administrative Agent pursuant to procedures approved by it; provided, that, without limiting the foregoing, (a) to the extent the Administrative Agent has agreed to accept such Electronic Signature, the Administrative Agent and each of the Lenders shall be entitled to rely on any such Electronic Signature purportedly given by or on behalf of the Borrower without further verification and (b) upon the request of the Administrative Agent or any Lender, any Electronic Signature shall be promptly followed by such manually executed counterpart.

SECTION 10.19. Acknowledgement and Consent to Bail-In of Affected Financial Institutions. Solely to the extent any Lender or Issuing Bank that is an Affected Financial Institution is a party to this Agreement, notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Lender that is an Affected Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of the applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by the applicable Resolution Authority to any such liabilities arising hereunder which may be payable to it by any Lender that is an Affected Financial Institution; and

(b) the effects of any Bail-In Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such Affected Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of the applicable Resolution Authority.

SECTION 10.20. ENTIRE AGREEMENT~~ENTIRE AGREEMENT~~. **THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS REPRESENT THE FINAL AGREEMENT AMONG THE PARTIES AND MAY NOT BE CONTRADICTED BY EVIDENCE OF PRIOR, CONTEMPORANEOUS, OR SUBSEQUENT ORAL AGREEMENTS OF THE PARTIES. THERE ARE NO UNWRITTEN ORAL AGREEMENTS AMONG THE PARTIES.**

SECTION 10.21. Judgment Currency~~Judgment Currency~~. If, for the purposes of obtaining judgment in any court, it is necessary to convert a sum due hereunder or any other Loan Document in one currency into another currency, the rate of exchange used shall be that at which in accordance with normal banking procedures the Administrative Agent could purchase the first currency with such other currency on the Business Day preceding that on which final judgment is given. The obligation of each Loan Party in respect of any such sum due from it to the Administrative Agent or any Lender hereunder or under the other Loan Documents shall, notwithstanding any judgment in a currency (the "Judgment Currency") other than that in which such sum is denominated in accordance with the applicable provisions of this Agreement (the "Agreement Currency"), be discharged only to the extent that on the Business Day following receipt by the Administrative Agent or such Lender, as the case may be, of any sum adjudged to be so due in the Judgment Currency, the Administrative Agent or such Lender, as the case may be, may in accordance with normal banking procedures purchase the Agreement Currency with the Judgment Currency. If the amount of the Agreement Currency so purchased is less than the sum originally due to the Administrative Agent or any Lender from any Loan Party in the Agreement Currency, such Loan Party agrees, as a separate obligation and notwithstanding any such judgment, to indemnify the Administrative Agent or such Lender, as the case may be, against such loss. If the amount of the Agreement Currency so purchased is greater than the sum originally due to the Administrative Agent or any Lender in such currency, the Administrative Agent or such Lender, as the case may be, agrees to return the amount of any excess to such Loan Party (or to any other Person who may be entitled thereto under applicable Law)

SECTION 10.22. Termination, Release of Guarantees. (a) The Guarantee Agreement and the guarantees made therein shall terminate when all the Obligations (other than contingent indemnification obligations) have been indefeasibly paid in full in cash, the Commitments have expired or been terminated, the Issuing Banks have no further obligations to issue Letters of Credit, all outstanding Letters of Credit have expired or have been terminated and all LC Disbursements have been reimbursed.

(b) A Guarantor shall automatically be released from its obligations under the Loan Documents~~,~~ and the guarantee of such Guarantor made under the Guarantee Agreement shall automatically be released upon the consummation of any transaction permitted by this Agreement as a result of which (i) such Guarantor ceases to be a Covered Subsidiary pursuant to the terms of this Agreement or (ii) the equity of such Guarantor ceases to be owned, directly or indirectly, by (x) prior to the Second Restatement Effective Date, Group Holdings SBS and (y) after the Second Restatement Effective Date, any ParentCo.

(c) Notwithstanding anything to the contrary in this Agreement or the other Loan Documents, it is understood and agreed that, except as specifically set forth above in paragraphs (a) and (b) of this Section, the Guarantee of any Guarantor pursuant to the Guarantee Agreement will not be released except pursuant to a consent or amendment entered into pursuant to and in compliance with Section 10.01, including without limitation in the event that, for whatever reason, such a Guarantor ceases to be a Covered Subsidiary.

(d) In connection with any termination or release pursuant to this Section, the Administrative Agent shall execute and deliver to the applicable Loan Party, at such Loan Party's expense, all documents that such Loan Party shall reasonably request to evidence such termination or release. Any execution and delivery of documents pursuant to this Section shall be without recourse to or warranty by the Administrative Agent.

SECTION 10.23. Acknowledgement Regarding Any Supported QFCs. To the extent that the Loan Documents provide support, through a guarantee or otherwise, for any swap contract or any other agreement or instrument that is a QFC (such support, "QFC Credit Support", and each such QFC, a "Supported QFC"), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the "U.S. Special Resolution Regimes") in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Loan Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States): in the event a Covered Entity that is party to a Supported QFC (each, a "Covered Party") becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of

such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.

ANNEX B
SCHEDULE 1.08

PERMITTED REORGANIZATION

1. Up to the percentage of direct or indirect rights or interests in each entity as set forth opposite such entity in the attached table (which, in the case of indirect rights or interests, may take the form of rights or interests in each other entity through which any ParentCo owns such entity).

2. Up to 15% of the rights, whether now in existence or existing in the future, to receive distributions in respect of carried interest, promote or incentive allocations from a fund (including any investment fund, separately managed account or similar investment vehicle, together with its related parallel investment entities, alternative investment vehicles, co-investment vehicles or other special purpose vehicles) which rights may, for the avoidance of doubt, take the form of equity interests of any entity through which any ParentCo participates in the aforementioned carried interest, promote or incentive allocation, to the extent such rights (including equity interests) are not set forth in the attached table.

ARTICLE II

Guarantee

SECTION 2.01. Guarantee. Each Guarantor absolutely, irrevocably and unconditionally guarantees, jointly with the other Guarantors and severally, as a primary obligor and not merely as a surety, for the ratable benefit of the Guaranteed Parties, the due and punctual payment and performance of the Guaranteed Obligations. Each Guarantor further agrees that the Guaranteed Obligations may be extended or renewed, in whole or in part, without notice to or further assent from it, and that it will remain bound upon its guarantee hereunder notwithstanding any such extension or renewal of any Guaranteed Obligation. Each Guarantor waives presentment to, demand of payment from and protest to the Borrower or any other Loan Party of any of the Guaranteed Obligations, and also waives notice of acceptance of its guarantee hereunder and notice of protest for nonpayment.

SECTION 2.02. Guarantee of Payment; Continuing Guarantee. Each Guarantor further agrees that its guarantee hereunder constitutes an absolute, irrevocable and unconditional guarantee of payment when due (whether or not any bankruptcy, insolvency, receivership or other similar proceeding shall have stayed the accrual or collection of any of the Guaranteed Obligations or operated as a discharge thereof) and not merely of collection, and waives any right to require that any resort be had by the Administrative Agent or any other Guaranteed Party to any balance of any deposit account or credit on the books of the Administrative Agent or any other Guaranteed Party in favor of the Borrower, any other Loan Party or any other Person. Each Guarantor agrees that its guarantee hereunder is continuing in nature and applies to all Guaranteed Obligations, whether currently existing or hereafter incurred.

SECTION 2.03. No Limitations. Except for the termination or release of a Guarantor's obligations hereunder as expressly provided in Section 4.13, the obligations of each Guarantor hereunder shall not be subject to any reduction, limitation, impairment or termination for any reason, including any claim of waiver, release, surrender, alteration or compromise, and shall not be subject to any defense or setoff, counterclaim, recoupment or termination whatsoever, by reason of the invalidity, illegality or unenforceability of the Guaranteed Obligations, any impossibility in the performance of the Guaranteed Obligations or otherwise. Without limiting the generality of the foregoing, the obligations of each Guarantor hereunder shall not be discharged, impaired or otherwise affected by (a) the failure of the Administrative Agent or any other Guaranteed Party to assert any claim or demand or to enforce or exercise any right or remedy under the provisions of any Loan Document or otherwise, (b) any extension or renewal of any of the Guaranteed Obligations, (c) any rescission, waiver, amendment or modification of, or any release from any of the terms or provisions of, any Loan Document or any other agreement, including with respect to any other Guarantor under this Agreement, (d) any default, failure or delay, willful or otherwise, in the performance of the Guaranteed Obligations or (e) any other act,

omission or delay to do any other act that may or might in any manner or to any extent vary the risk of any Guarantor or otherwise operate as a discharge of any Guarantor as a matter of law or equity (other than the indefeasible payment in full in cash of all the Guaranteed Obligations) or which would impair or eliminate the right of any Guarantor to subrogation. Each Guarantor expressly authorizes the Administrative Agent and the other Guaranteed Parties to release or substitute any one or more other guarantors or obligors upon or in respect of the Guaranteed Obligations, all without affecting the obligations of any Guarantor hereunder. Each Guarantor acknowledges that it will receive substantial direct and indirect benefits from the financing arrangements contemplated by the Loan Documents.

SECTION 2.04. Defenses Waived. To the fullest extent permitted by applicable law, each Guarantor waives any defense based on or arising out of any defense of the Borrower or any other Loan Party or the unenforceability of the Guaranteed Obligations or any part thereof from any cause, or the cessation from any cause of the liability of the Borrower or any other Loan Party, other than the indefeasible payment in full in cash of all the Guaranteed Obligations. The Administrative Agent and the other Guaranteed Parties may, at their election, compromise or adjust any part of the Guaranteed Obligations, make any other accommodation with the Borrower or any other Loan Party or exercise any other right or remedy available to them against the Borrower or any other Loan Party, without affecting or impairing in any way the liability of any Guarantor hereunder except to the extent all the Guaranteed Obligations have been fully and indefeasibly paid in full in cash. To the fullest extent permitted by applicable law, each Guarantor waives any defense arising out of any such election even though such election operates, pursuant to applicable law, to impair or to extinguish any right of reimbursement or subrogation or other right or remedy of such Guarantor against the Borrower or any other Loan Party, as the case may be, or any security.

SECTION 2.05. Reinstatement. Each Guarantor agrees that this Agreement and its guarantee hereunder shall continue to be effective or be reinstated, as the case may be, if at any time payment, or any part thereof, of any Guaranteed Obligation is rescinded or must otherwise be restored by the Administrative Agent or any other Guaranteed Party upon the bankruptcy, insolvency, dissolution, liquidation or reorganization of the Borrower, any other Loan Party or otherwise.

SECTION 2.06. Agreement to Pay; Subrogation. In furtherance of the foregoing and not in limitation of any other right that the Administrative Agent or any other Guaranteed Party may have at law or in equity against any Guarantor by virtue hereof, upon the failure of the Borrower or any other Loan Party to pay any Guaranteed Obligation when and as the same shall become due, whether at maturity, by acceleration, after notice of prepayment or otherwise, each Guarantor hereby promises to and will forthwith pay, or cause to be paid, to the Administrative Agent for distribution to the applicable Guaranteed Parties in cash the amount of such unpaid Guaranteed Obligation. Upon payment by any Guarantor of any sums to the Administrative Agent as provided above, all rights of such Guarantor against the Borrower or any other Loan Party arising as a result thereof by way of right of subrogation, contribution, reimbursement, indemnity or otherwise shall in all respects be subject to Article III.

SECTION 2.07. Information. Each Guarantor (a) assumes all responsibility for being and keeping itself informed of the Borrower's and each other Loan Party's financial condition and assets, and of all other circumstances bearing upon the risk of nonpayment of the Guaranteed Obligations and the nature, scope and extent of the risks that such Guarantor assumes and incurs hereunder, and (b) agrees that none of the Administrative Agent or the other Guaranteed Parties will have any duty to advise such Guarantor of information known to it or any of them regarding such circumstances or risks.

SECTION 2.08. Consents. Each Guarantor has obtained all consents and approvals (including without limitation amendments of, or consents or approvals required under, the organizational agreements or documents of any Guarantor) required to be obtained to provide a Guarantee of the Guaranteed Obligations hereunder.

SECTION 2.09. Taxes. Each Guarantor agrees that the provisions of Section 3.01 of the Credit Agreement shall apply equally to such Guarantor with respect to payments made by it hereunder.

ARTICLE III

Indemnity, Subrogation, Contribution and Subordination

SECTION 3.01. Indemnity and Subrogation. In addition to all such rights of indemnity and subrogation as the Guarantors may have under applicable law (but subject to Section 3.03), the Borrower agrees that in the event a payment in respect of any Guaranteed Obligation shall be made by any Guarantor pursuant to this Agreement, the Borrower shall indemnify such Guarantor for the full amount of such payment and such Guarantor shall be subrogated to the rights of the Person to whom such payment shall have been made to the extent of such payment.

SECTION 3.02. Contribution and Subrogation. Each Guarantor (each, a "Contributing Party") agrees (subject to Section 3.03) that, in the event a payment shall be made by any other Guarantor hereunder in respect of any Guaranteed Obligation and such other Guarantor (the "Claiming Party") shall not have been fully indemnified by the Borrower as provided in Section 3.01, the Contributing Party shall indemnify the Claiming Party in an amount equal to the amount of such payment multiplied by a fraction of which the numerator shall be the amount of Combined EBITDA allocable to the Contributing Party for the four-fiscal quarter period most recently ended prior to the Second Restatement Effective Date (or, in the case of any Guarantor becoming a party hereto pursuant to Section 4.14, the four-fiscal quarter period most recently ended prior to the date of the Guarantor Supplement hereto executed and delivered by such Guarantor) and the denominator shall be the aggregate amount of Combined EBITDA allocable to each of the Guarantors for the four-fiscal quarter period most recently ended prior the Second Restatement Effective Date (or, in the case of any Guarantor becoming a party hereto pursuant to Section 4.14, the four-fiscal quarter period most recently ended prior date of the Guarantor Supplement hereto executed and delivered by such Guarantor). Any Contributing Party making any payment to a Claiming Party pursuant to this Section 3.02 shall (subject to Section 3.03) be subrogated to the rights of such Claiming Party under Section 3.01 to the extent of such payment.

Anything herein or in any other Loan Document to the contrary notwithstanding, the maximum liability of each Guarantor hereunder and under the other Loan Documents (after giving effect to the contribution arrangements established hereunder) shall in no event exceed the amount which can be guaranteed by such Guarantor under applicable federal and state laws relating to the insolvency of debtors (the "Maximum Liability"). This Section with respect to Maximum Liability of each Guarantor is intended solely to preserve the rights of the Guaranteed Parties to the maximum extent not subject to avoidance under applicable law, and no Guarantor nor any other Person or entity shall have any right or claim under this Section with respect to Maximum Liability, except to the extent necessary so that the obligations of any Guarantor hereunder shall not be rendered voidable under applicable law. Each Guarantor agrees that the Guaranteed Obligations may at any time and from time to time exceed the Maximum Liability of each Guarantor without impairing this Guarantee or affecting the rights and remedies of the Guaranteed Parties hereunder.

SECTION 3.03. Subordination. Notwithstanding any provision of this Agreement to the contrary, all rights of the Guarantors under Sections 3.01 and 3.02 and all other rights of the Guarantors of indemnity, contribution or subrogation under applicable law or otherwise shall be fully subordinated to the indefeasible payment in full in cash of the Guaranteed Obligations. No failure on the part of the Borrower or any Guarantor to make the payments required by Sections 3.01 and 3.02 (or any other payments required under applicable law or otherwise) shall in any respect limit the obligations and liabilities of any Guarantor with respect to its obligations hereunder, and each Guarantor shall remain liable for the full amount of the obligations of such Guarantor hereunder.

ARTICLE IV

Miscellaneous

SECTION 4.01. Notices. All communications and notices hereunder shall (except as otherwise expressly permitted herein) be in writing and given as provided in Section 10.02 of the Credit Agreement. All communications and notices hereunder to any Guarantor shall be given to it in care of the Borrower as provided in Section 10.02 of the Credit Agreement.

SECTION 4.02. Waivers; Amendments, Etc. (a) No failure by any Lender, any Issuing Bank or the Administrative Agent to exercise, and no delay by any such Person in exercising, any right, power or privilege hereunder or under any other Loan Document shall operate as a waiver thereof; nor shall any single or partial exercise of any right, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, power or privilege. The rights, powers and privileges herein provided, and provided under each other Loan Document are cumulative and not exclusive of any rights, powers and privileges provided by law. No waiver of any provision of this Agreement or consent to any departure by any Loan Party therefrom shall in any event be

effective unless the same shall be permitted by paragraph (b) of this Section 4.02, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Without limiting the generality of the foregoing, the making of a Loan or issuance, amendment, renewal or extension of a Letter of Credit shall not be construed as a waiver of any Default, regardless of whether the Administrative Agent, the Issuing Banks or any Lender may have had notice or knowledge of such Default at the time. No notice or demand on any Loan Party in any case shall entitle any Loan Party to any other or further notice or demand in similar or other circumstances.

(b) No amendment or waiver of any provision of this Agreement, and no consent to any departure by the Borrower or any Guarantor therefrom, shall be effective unless in writing signed by the Required Lenders and the Borrower and/or the Guarantor, as applicable, and acknowledged by the Administrative Agent, subject to any consent required in accordance with Section 10.01 of the Credit Agreement, and each such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given.

SECTION 4.03. Administrative Agent's Fees and Expenses; Indemnification. (a) The Loan Parties hereto agree to reimburse the Administrative Agent for its fees and expenses incurred hereunder as provided in Section 10.04(a) of the Credit Agreement as if the first reference to the Borrower therein were a reference to the Loan Parties.

(b) Without limitation of its indemnification obligations under the other Loan Documents, the Guarantors jointly and severally agree to indemnify and hold harmless each Indemnitee as provided in Section 10.04(b) of the Credit Agreement as if the first reference to the Borrower therein were a reference to the Guarantors.

(c) The Guarantors jointly and severally agree not to assert, and each of the Guarantors hereby waives and acknowledges that no other Person shall have, any claim against any Lender Related Person as provided in Section 10.04(d) of the Credit Agreement as if references to the Borrower therein were references to the Guarantors.

(d) Any amounts payable as provided hereunder shall be additional Guaranteed Obligations guaranteed hereby. The provisions of this Section 4.03 shall remain operative and in full force and effect regardless of the termination of this Agreement or any other Loan Document, the consummation of the transactions contemplated hereby or thereby, the repayment of any of the Guaranteed Obligations, the invalidity or unenforceability of any term or provision of this Agreement or any other Loan Document or any investigation made by or on behalf of the Administrative Agent or any other Guaranteed Party. All amounts due under this Section 4.03 shall be payable not later than twenty Business Days after written demand therefor (accompanied by back up documentation). Notwithstanding any of the foregoing in clauses (a) and (b) of this Section 4.03, each Indemnitee (and its Related Parties) shall be obligated to refund or return promptly any and all amounts paid under this Section 4.03 to such Indemnitee to the extent such Indemnitee (or its Related Parties) is not entitled to payment of such amount in accordance with the terms hereof.

SECTION 4.04. Successors and Assigns. Whenever in this Agreement any of the parties hereto is referred to, such reference shall be deemed to include the permitted successors and assigns of such party; and all covenants, promises and agreements by or on behalf of any Guarantor or the Administrative Agent that are contained in this Agreement shall bind and inure to the benefit of their respective successors and assigns.

SECTION 4.05. Survival of Agreement. All representations and warranties made hereunder and in any other Loan Document or other document delivered pursuant hereto or thereto or in connection herewith or therewith shall survive the execution and delivery hereof and thereof. Such representations and warranties have been or will be relied upon by the Administrative Agent, each Issuing Bank and each other Lender, regardless of any investigation made by the Administrative Agent, any Issuing Bank or any other Lender or on their behalf and notwithstanding that the Administrative Agent, any Issuing Bank or any other Lender may have had notice or knowledge of any Default at the time of any Borrowing, and shall continue in full force and effect until the Guaranteed Obligations have been indefeasibly paid in full in cash and the Commitments and the Letters of Credit have expired or terminated and all LC Disbursements have been reimbursed.

SECTION 4.06. Effectiveness; Several Agreement. This Agreement shall be binding upon each Loan Party and the Administrative Agent and their respective permitted successors and assigns, and shall inure to the benefit of such Loan Party, the Administrative Agent and the other Guaranteed Parties and their respective successors and assigns, except that no Loan Party shall have the right to assign or transfer its rights or obligations hereunder or any interest herein (and any such assignment or transfer shall be void), except as expressly contemplated by this Agreement or the Credit Agreement. This Agreement shall be construed as a separate agreement with respect to each Loan Party and may be amended, modified, supplemented, waived or released with respect to any Loan Party without the approval of any other Loan Party and without affecting the obligations of any other Loan Party hereunder.

SECTION 4.07. Severability. If any provision of this Agreement is held to be illegal, invalid or unenforceable, (a) the legality, validity and enforceability of the remaining provisions of this Agreement shall not be affected or impaired thereby and (b) the parties shall endeavor in good faith negotiations to replace the illegal, invalid or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the illegal, invalid or unenforceable provisions. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

SECTION 4.08. Right of Setoff. If an Event of Default shall have occurred and be continuing, each Lender, Issuing Bank and each of its respective Affiliates is hereby authorized at any time and from time to time to the fullest extent permitted by applicable Law, to set off and apply any and all deposits (general or special, time or demand, provisional or final, in whatever currency) at any time held and other obligations (in whatever currency) at any time owing by such Lender, Issuing Bank or any such Affiliate to or for the credit or the account of any Loan Party against any and all of the

obligations of such Loan Party now or hereafter existing under this Agreement to such Lender, Issuing Bank or its respective Affiliates, irrespective of whether or not such Lender or Issuing Bank shall have made any demand under this Agreement and although such obligations of the Loan Party may be contingent or unmatured or are owed to a branch or office of such Lender or Issuing Bank different from the branch or office holding such deposit or obligated on such indebtedness; provided that, in the event that any Defaulting Lender shall exercise any such right of setoff, (x) all amounts so set off shall be paid over immediately to the Administrative Agent for further application in accordance with the provisions of Section 2.12 of the Credit Agreement and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Administrative Agent and the Lenders, and (y) the Defaulting Lender shall provide promptly to the Administrative Agent a statement describing in reasonable detail the Guaranteed Obligations owing to such Defaulting Lender as to which it exercised such right of setoff. The rights of each Lender, Issuing Bank and its respective Affiliates under this Section 4.08 are in addition to other rights and remedies (including other rights of setoff) that such Lender, Issuing Bank or its respective Affiliates may have. Each Lender and each Issuing Bank agrees to notify the Loan Party and the Administrative Agent promptly after any such setoff and application; provided that the failure to give such notice shall not affect the validity of such setoff and application.

SECTION 4.09. Governing Law; Jurisdiction; Consent to Service of Process. (a) THIS AGREEMENT AND ANY CLAIMS, CONTROVERSY, DISPUTE OR CAUSE OF ACTION (WHETHER IN CONTRACT OR TORT OR OTHERWISE) BASED UPON, ARISING OUT OF OR RELATING TO THIS AGREEMENT AND THE TRANSACTIONS CONTEMPLATED HEREBY SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

foregoing, (b) any change in the time, manner or place of payment of, or in any other term of, all or any of the Guaranteed Obligations, or any other amendment to or waiver of, or any consent to any departure from, the Credit Agreement, any other Loan Document or any other agreement or instrument relating to any of the foregoing, (c) any release or amendment to or waiver of, or any consent to any departure from, any guarantee guaranteeing all or any of the Guaranteed Obligations or (d) any other circumstance that might otherwise constitute a defense available to, or a discharge of, any Guarantor in respect of the Guaranteed Obligations or this Agreement.

Notwithstanding anything herein to the contrary, all leases of the ParentCos and the Covered Subsidiaries (whenever incurred) that would have been treated as operating leases for purposes of GAAP prior to the issuance by the Financial Accounting Standards Board on February 25, 2016 of an Accounting Standards Update (the "ASU") shall continue to be accounted for as operating leases had been treated prior to the issuance of the ASU for purposes of all financial definitions and calculations hereunder notwithstanding the fact that such leases are required in accordance with the ASU to be treated as Capital Lease Obligations or capital leases in the financial statements to be delivered pursuant to Section 6.04; provided, further that, the financial statements to be delivered pursuant to Section 6.04 shall be prepared in accordance with GAAP.

(c) For purposes of determining compliance with the covenants set forth in Section 7.10 during or determined by reference to any period during which an Acquisition or Disposition has occurred, Combined EBITDA may or shall, as applicable, be calculated for such period giving effect to such Acquisition or Disposition on a pro forma basis in accordance with paragraph (b) of this Section.

SECTION 1.05. Times of Day. Unless otherwise specified, all references herein to times of day shall be references to Eastern time (daylight or standard, as applicable).

SECTION 1.06. Interest Rates. The interest rate on Loans denominated in Dollars may be determined by reference to a benchmark rate that is, or may in the future become, the subject to regulatory reform or cessation. Regulators have signaled the need to use alternative reference rates for some of these benchmark rates and, as a result, such benchmark rates may cease to comply with applicable laws and regulations, may be permanently discontinued or the basis on which they are calculated may change. The

London interbank offered rate, which may be one of the benchmark rates with reference to which the interest rate on Loans may be determined, is intended to represent the rate at which contributing banks may obtain short-term borrowings from each other in the London interbank market. On March 5, 2021, ICE Benchmark Administration ("IBA"), the administrator of the London interbank offered rate, and the Financial Conduct Authority (the "FCA"), the regulatory supervisor of IBA, announced in public statements (the "Announcements") that the final publication or representativeness date for the London interbank offered rate for (a) Dollars for 1-week and 2-month tenor settings will be December 31, 2021 and (b) Dollars for overnight, 1-month, 3-month, 6-month and 12-month tenor settings will be June 30, 2023. No successor administrator for IBA was identified in such Announcements. As a result, it is possible that commencing immediately after such dates, the London interbank offered rate for such currencies and tenors may no longer be available or may no longer be deemed a representative reference rate upon which to determine the interest rate on applicable Loans. There is no assurance that the dates set forth in the Announcements will not change or that IBA or the FCA will not take further action that could impact the availability, composition or characteristics of any London interbank offered rate. Public and private sector industry initiatives have been and continue, as of the Closing Date, to be underway to implement new or alternative reference rates to be used in place of London interbank offered rates. In the event that the London interbank offered rate or any other then-current Benchmark is no longer available or in certain other circumstances set forth in Section 3.03(c), Section 3.03(c) provides a mechanism for determining an alternative rate of interest. The Administrative Agent will notify the Borrower, pursuant to Section 3.03(c), of any change to the reference rate upon which the interest rate on Loans is based. However, the Administrative Agent does not warrant or accept any responsibility for, and shall not have any liability with respect to, the administration of, submission of, calculation of or any other matter related to the London interbank offered rate or other rates in the definition of "LIBOR" or with respect to any alternative, comparable or successor rate thereto, or replacement rate thereof (including any then-current Benchmark or any Benchmark Replacement), including whether the composition or characteristics of any such alternative, successor or replacement reference rate (including any Benchmark Replacement), as it may or may not be adjusted pursuant to Section 3.03(c), will be similar to, or produce the same value or economic equivalence of, LIBOR or any other Benchmark, or have the same volume or liquidity as did the London interbank offered rate or any other Benchmark prior to its discontinuance or unavailability. The parties hereto agree and acknowledge that the Announcements resulted in the occurrence of a Benchmark Transition Event with respect to the London interbank offered rate for each of the aforementioned currencies and that any obligation of the Administrative Agent to notify any parties of any such Benchmark Transition Event pursuant to Section 3.03(c) shall be deemed satisfied.

SECTION 1.07. Currency Translation. Notwithstanding anything herein to the contrary, for purposes of any determination under Article V, Article VI or Article VII or any determination under any other provision of this Agreement expressly requiring the use of a current exchange rate, all amounts incurred, outstanding or proposed to be incurred or outstanding in currencies other than Dollars shall be translated into Dollars at the currency exchange rates used in preparing Group Holdings SBS's or any IPO Entity's, as applicable, most recently delivered financial statements.

SECTION 1.08. Permitted Reorganization. Notwithstanding any covenant, term, default, condition or other provision set forth in this Agreement or any other Loan Document, the Loan Parties and the Covered Subsidiaries shall be permitted (regardless of whether or not the Permitted Reorganization is expressly permitted as a basket under or carveout to any restriction in this Agreement or any other Loan Document) to consummate all or any part of the Permitted Reorganization, and neither the Permitted Reorganization nor any step thereof shall constitute a Default or Event of Default hereunder.

ARTICLE II

The Credits

SECTION 2.01. Commitments, Loans and Borrowings. (a) Subject to the terms and conditions set forth herein, each Lender severally agrees to make a loan (such loan, the "Term Loan") to the Borrower in Dollars from time to time on any Business Day during the Availability Period in an aggregate principal amount not to exceed the amount of such Lender's Term Commitment. Amounts paid or prepaid in respect of the Term Loans may not be reborrowed. Term Loans may be Base Rate Loans or Eurocurrency Rate Loans, as further provided herein.

SECTION 2.02. Borrowings, Conversions and Continuations of Loans. (a) Each Borrowing, each conversion of Loans from one Type to the other, and each continuation of Eurocurrency Rate Loans shall be made upon the Borrower's irrevocable notice to the Administrative Agent, which may be given by (A) telephone, or (B) a Loan Notice; provided that any telephonic notice must be confirmed promptly by delivery to the Administrative Agent of a Loan Notice. Each such Loan Notice must be received by the Administrative Agent not later than 12:00 noon (i) two Business Days prior to the requested date of any Borrowing of, conversion to or continuation of, Eurocurrency Rate Loans denominated in Dollars or of any conversion of Eurocurrency Rate Loans to Base Rate Loans denominated in Dollars and (ii) on the requested date of any Borrowing of Base Rate Loans; provided, however, that if the Borrower wishes to request Eurocurrency Rate Loans having an Interest Period other than one, three or six months in duration as provided in the definition of "Interest Period," the applicable notice must be received by the Administrative Agent not later than 12:00 noon four Business Days prior to the requested date of such Borrowing, conversion or continuation, whereupon the Administrative Agent shall give prompt notice to the Lenders of such request and determine whether the requested Interest Period is acceptable to all of them. Not later than 12:00 noon, two Business Days before the requested date of such Borrowing, conversion or continuation, the Administrative Agent shall notify the Borrower (which notice may be by telephone) whether or not the requested Interest Period has been consented to by all the Lenders. Each Borrowing of, conversion to or continuation of Eurocurrency Rate Loans shall be in a principal amount of the Borrowing Minimum or a whole multiple of the Borrowing Multiple in excess thereof. Each Borrowing of or conversion to Base Rate Loans shall be in a principal amount of the Borrowing Minimum or a whole multiple of Borrowing Multiple in excess thereof. Each Loan Notice (whether telephonic or written) shall specify (i) whether the Borrower

is requesting a Borrowing under the Term Loan, a conversion of Loans from one Type to the other or a continuation of Eurocurrency Rate Loans, (ii) the requested date of the Borrowing, conversion or continuation, as the case may be (which shall be a Business Day), (iii) the principal amount of such Loans to be borrowed, converted or continued, (iv) the Type of Loans to be borrowed or to which existing Loans are to be converted, and (v) if applicable, the duration of the Interest Period with respect thereto. If the Borrower fails to specify a Type of a Loan in a Loan Notice or if the Borrower fails to give a timely notice requesting a conversion or continuation, then the applicable Loans shall be continued as Eurocurrency Rate Loans (with the same Interest Period) or Base Rate Loans, as applicable. If the Borrower requests a Borrowing of, conversion to, or continuation of Eurocurrency Rate Loans in any Loan Notice, but fails to specify an Interest Period, it will be deemed to have specified an Interest Period of one month.

(b) Following receipt of a Loan Notice, the Administrative Agent shall promptly notify each applicable Lender of the amount of its Pro Rata Share of the applicable Loans, and if no timely notice of a conversion or continuation is provided by the Borrower, the Administrative Agent shall notify each applicable Lender of the details of any continuation of Loans, in each case, as described in the preceding Section 2.02(a). In the case of a Borrowing, each applicable Lender shall make the amount of its Loan available to the Administrative Agent in immediately available funds at the Administrative Agent's Office not later than 2:00 p.m. on the Business Day specified in the applicable Loan Notice. For a Borrowing, upon satisfaction of the applicable conditions set forth in Section 5.01, the Administrative Agent shall make all funds so received available to the Borrower in like funds as received by the Administrative Agent either by (i) crediting the account of the Borrower on the books of the Administrative Agent with the amount of such funds or (ii) wire transfer of such funds, in each case in accordance with instructions provided to (and reasonably acceptable to) the Administrative Agent by the Borrower.

(c) Except as otherwise provided herein, a Eurocurrency Rate Loan may be continued or converted only on the last day of the Interest Period for such Eurocurrency Rate Loan. Notwithstanding any contrary provision hereof, if an Event of Default has occurred and is continuing and the Administrative Agent, at the request of the Required Lenders, so notifies the Borrower, then, so long as an Event of Default is continuing, (A) no outstanding Borrowing may be converted to or continued as a Eurocurrency Rate Loan and (B) unless repaid, each of the then outstanding Eurocurrency Rate Loans shall be converted to a Base Rate Loan at the end of the Interest Period applicable thereto.

(d) The Administrative Agent shall promptly notify the Borrower and the Lenders of the interest rate applicable to any Interest Period for Eurocurrency Rate Loans upon determination of such interest rate. At any time that Base Rate Loans are outstanding, the Administrative Agent shall notify the Borrower and the Lenders of any change in the Administrative Agent's prime rate used in determining the Base Rate promptly following the public announcement of such change.

(e) After giving effect to all Borrowings, all conversions of Loans from one Type to the other, and all continuations of Loans as the same Type, there shall not be more than ten Interest Periods in effect with respect to all outstanding Loans.

SECTION 2.03. [Reserved].

SECTION 2.04. Prepayments.

(a) Voluntary Prepayments of Loans. Borrower may, upon notice from the Borrower to the Administrative Agent, at any time or from time to time voluntarily prepay any Borrowing in whole or in part without premium or penalty; provided that (A) such notice must be in a form reasonably acceptable to the Administrative Agent and received by the Administrative Agent not later than 12:00 noon (1) two Business Days prior to any date of prepayment of Eurocurrency Rate Loans and (2) on the date of prepayment of Base Rate Loans; (B) any such prepayment of Eurocurrency Rate Loans shall be in a principal amount of the Borrowing Minimum or a whole multiple of the Borrowing Multiple in excess thereof (or, if less, the entire principal amount thereof then outstanding); and (C) any prepayment of Base Rate Loans shall be in a principal amount of the Borrowing Minimum or a whole multiple of the Borrowing Multiple in excess thereof (or, if less, the entire principal amount thereof then outstanding). Each such notice shall specify the date, amount and currency of such prepayment, and the Type(s) of Loans to be prepaid. Notwithstanding anything to the contrary contained in this Agreement, the Borrower may revoke (or delay the date of prepayment identified in) any notice of prepayment under this Section 2.04(a) if such prepayment would have resulted from a refinancing of all or a portion of the Term Facility or other transaction or conditional event, which refinancing or other transaction or conditional event shall not be consummated or shall otherwise be delayed. The Administrative Agent will promptly notify each Lender of its receipt of a notice of prepayment and of the amount of such Lender's ratable portion of the Loans included in such prepayment. If such notice is given by the Borrower, unless such notice is revoked or delayed as provided above, the Borrower shall make such prepayment and the payment amount specified in such notice shall be due and payable on the date specified therein. Any prepayment pursuant to this Section 2.04(a) shall be applied as set forth in Section 2.04(c).

(b) [Reserved].

(c) Application of Voluntary and Mandatory Prepayments. All amounts repaid pursuant to this Section 2.04 shall be applied to the Loans as directed by the Borrower (and absent such direction, first to Base Rate Loans and then to Eurocurrency Rate Loans in direct order of Interest Period maturities). Any prepayment of a Eurocurrency Rate Loan shall be accompanied by all accrued interest on the amount prepaid, together with any additional amounts required pursuant to Section 3.05. Each such prepayment shall be applied to the Loans of the Lenders ratably in accordance with their Pro Rata Share.

SECTION 2.05. Termination or Reduction of Commitments. (a) Unless previously terminated, (a) upon the making of Term Loans on any date, the Term Commitments shall be automatically reduced in an amount equal to the amount of Term Loans so made and (b) on the date that is 30 days after the Closing Date, any remaining Term Commitments shall automatically terminate.

(b) The Borrower may, upon notice to the Administrative Agent, at any time terminate the Term Commitments, or from time to time permanently reduce the Term Commitments; provided that (i) any such notice shall be received by the Administrative Agent not later than 12:00 noon two Business Days prior to the date of termination or reduction (or such shorter period agreed to by the Administrative Agent) and (ii) any such partial reduction shall be in an aggregate amount of the Borrowing Minimum or any whole multiple of the Borrowing Multiple in excess thereof. The Administrative Agent will promptly notify the Lenders of any such notice of termination or reduction of the Term Commitments. Any reduction of the Term Commitments shall be applied ratably among the applicable Lenders in accordance with their Term Commitments. Each notice delivered by the Borrower pursuant to this Section shall be irrevocable; provided that a notice of termination of the Term Commitments may state that such notice is conditioned upon the effectiveness of other credit facilities, in which case such notice may be revoked or extended by the Borrower (by notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied or the effectiveness of such other credit facilities is delayed.

SECTION 2.06. Repayment of Loans. The Borrower shall repay on the Maturity Date to the Administrative Agent for the account of each Lender the aggregate principal amount of all Loans outstanding on such date, together with all accrued but unpaid interest and all other unpaid amounts owing with respect thereto.

SECTION 2.07. Interest.

(a) Subject to the provisions of Section 2.07(b), (i) each Eurocurrency Rate Loan shall bear interest on the outstanding principal amount thereof for each Interest Period applicable thereto at a rate per annum equal to the sum of the Eurocurrency Rate for such Interest Period plus the Applicable Rate and (ii) each Base Rate Loan shall bear interest on the outstanding principal amount thereof from the applicable borrowing date at a rate per annum equal to the sum of the Base Rate plus the Applicable Rate.

(b) While any Event of Default under Section 8.01(b) or (c) exists with respect to the payment of principal, interest and/or fees, the Borrower shall pay interest on such overdue amount at a fluctuating interest rate per annum at all times equal to the Default Rate to the fullest extent permitted by applicable Laws. Accrued and unpaid interest on past due amounts (including interest on past due interest) shall be due and payable upon demand.

(c) Interest on each Loan shall be due and payable in arrears on each Interest Payment Date applicable thereto and at such other times as may be specified herein. Interest hereunder shall be due and payable in accordance with the terms hereof before and after judgment, and before and after the commencement of any proceeding under any Debtor Relief Law.

SECTION 2.08. Fees.

(a) [Reserved].

(b) [Reserved].

(c) Other Fees. The Borrower shall pay to the Arranger and the Administrative Agent for their own respective accounts fees in the amounts and on the dates agreed to in the Fee Letter. Such fees shall be fully earned when paid and shall not be refundable for any reason whatsoever.

SECTION 2.09. Computation of Interest and Fees. All computations of interest for Base Rate Loans (including Base Rate Loans determined by reference to the Eurocurrency Rate) shall be made on the basis of a year of 365 or 366 days, as the case may be, and actual days elapsed. All other computations of fees and interest shall be made on the basis of a 360-day year and actual days elapsed (which results in more fees or interest, as applicable, being paid than if computed on the basis of a 365 or 366 -day year). Interest shall accrue on each Loan for the day on which the Loan is made, and shall not accrue on a Loan, or any portion thereof, for the day on which the Loan or such portion is paid; provided that any Loan that is repaid on the same day on which it is made shall, subject to Section 2.11(a), bear interest for one day. Each determination by the Administrative Agent of an interest rate or fee hereunder shall be conclusive and binding for all purposes absent demonstrable error.

SECTION 2.10. Evidence of Debt.

(a) The Borrowings extended by each Lender and amounts of principal and interest payable or paid to such Lender from time to time hereunder shall be evidenced by one or more accounts or records maintained by such Lender and by the Administrative Agent in the ordinary course of business. The accounts or records maintained by the Administrative Agent and each Lender shall be conclusive absent demonstrable error of the amount of the Borrowings extended by the Lenders to the Borrower and the interest and payments thereon. Any failure to so record or any error in doing so shall not, however, limit or otherwise affect the obligation of the Borrower hereunder to pay any amount owing with respect to the Obligations. In the event of any conflict between the accounts and records maintained by any Lender and the accounts and records of the Administrative Agent in respect of such matters, the accounts and records of the Administrative Agent shall control in the absence of demonstrable error. At the request of a Lender, the Borrower shall execute and deliver to such Lender (through the Administrative Agent) a promissory note, which shall evidence a Lender's Loans, in substantially the form of Exhibit 2.10 (each a "Note"), in addition to such accounts or records. Each Lender may attach schedules to its Note(s) and endorse thereon the date, Type (if applicable), amount and maturity of its Loans and payments with respect thereto.

(b) The Administrative Agent shall promptly provide copies of the accounts and records maintained in accordance with this Section 2.10 to the Borrower at its reasonable request.

SECTION 2.11. Payments Generally; Administrative Agent's Clawback.

(a) General. All payments to be made by the Borrower shall be made free and clear of and without condition or deduction for any counterclaim or setoff. Except as otherwise expressly provided herein, all payments by the Borrower hereunder shall be made to the Administrative Agent, for the account of the respective Lenders to which such payment is owed, at the Administrative Agent's Office in Dollars and in immediately available funds not later than 2:00 p.m., Local Time, on the date specified herein. The Administrative Agent will promptly distribute to each Lender its Pro Rata Share (or other applicable share as provided herein) of such payment in like funds as received by wire transfer to such Lender's Lending Office. All payments received by the Administrative Agent after 2:00 p.m., Local Time, may, in the discretion of the Administrative Agent, be deemed received on the next succeeding Business Day for purposes of calculating interest or fees thereon. Subject to the definition of "Interest Period," if any payment to be made by the Borrower shall come due on a day other than a Business Day, payment shall be made on the next following Business Day, and such extension of time shall be reflected in computing interest or fees, as the case may be.

(b) (i) Funding by Lenders; Presumption by Administrative Agent. Unless the Administrative Agent shall have received notice from a Lender prior to the proposed date of any Borrowing of Eurocurrency Rate Loans (or, in the case of any Borrowing of Base Rate Loans, prior to 12:00 noon on the date of such Borrowing) that such Lender will not make available to the Administrative Agent such Lender's share of such Borrowing, the Administrative Agent may assume that such Lender has made such share available on such date in accordance with Section 2.02 (or, in the case of any Borrowing of Base Rate Loans, that such Lender has made such share available in accordance with and at the time required by Section 2.02) and may, in reliance upon such assumption, make available to the Borrower a corresponding amount. In such event, if a Lender has not in fact made its share of the applicable Borrowing available to the Administrative Agent, then the applicable Lender and the Borrower severally agree to pay to the Administrative Agent forthwith on demand such corresponding amount in immediately available funds with interest thereon, for each day from and including the date such amount is made available to the Borrower to but excluding the date of payment to the Administrative Agent, at (x) in the case of a payment to be made by such Lender, the greater of the Federal Funds Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation and (y) in the case of a payment to be made by the Borrower, the interest rate applicable to Base Rate Loans. If the Borrower and such Lender shall pay such interest to the Administrative Agent for the same or an overlapping period, the Administrative Agent shall promptly remit to the Borrower the amount of such interest paid by the Borrower for such period. In the event the Borrower pays such amount to the Administrative Agent, then such amount shall reduce the principal amount of such Borrowing. If such Lender pays its share of the applicable Borrowing to the Administrative Agent, then the amount so paid shall constitute such Lender's Loan included in such Borrowing. Any payment by the Borrower shall be without prejudice to any claim the Borrower may have against a Lender that shall have failed to make such payment to the Administrative Agent.

(ii) Payments by Borrower; Presumptions by Administrative Agent. With respect to any payment that is due to the Administrative Agent for the account of the Lenders, the Administrative Agent may assume that the Borrower has made the payment on the date that the payment is due and may, in reliance upon such assumption, distribute to the Lenders the amount due. In such event, if the Borrower has not in fact made such payment (or if the Administrative Agent has erroneously made a payment to the Lenders when the Borrower has not made such payment), then each of the Lenders severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender, in immediately available funds with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the Federal Funds Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation.

A notice of the Administrative Agent to any Lender or the Borrower with respect to any amount owing under this subsection (b) shall be conclusive, absent demonstrable error.

(c) Failure to Satisfy Conditions Precedent. If any Lender makes available to the Administrative Agent funds for any Loan to be made by such Lender as provided in the foregoing provisions of this Article II, and such funds are not made available to the Borrower by the Administrative Agent because the conditions to the applicable Borrowing set forth in Article V are not satisfied or waived in accordance with the terms hereof, the Administrative Agent shall promptly return such funds (in like funds as received from such Lender) to such Lender, without interest.

(d) Obligations of Lenders Several. The obligations of the Lenders hereunder to make Loans and to make payments pursuant to Section 10.04(c) are several and not joint. The failure of any Lender to make any Loan or to make any payment under Section 10.04(c) on any date required hereunder shall not relieve any other Lender of its corresponding obligation to do so on such date, and no Lender shall be responsible for the failure of any other Lender to so make its Loan, to purchase its participation or to make its payment under Section 10.04(c).

(e) Funding Source. Nothing herein shall be deemed to obligate any Lender to obtain the funds for any Loan in any particular place or manner or to constitute a representation by any Lender that it has obtained or will obtain the funds for any Loan in any particular place or manner.

SECTION 2.12. Sharing of Payments by Lenders. If any Lender shall, by exercising any right of setoff or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of its Term Loans resulting in such Lender's receiving payment of a proportion of the aggregate amount of such Term Loans and accrued interest thereon greater than its pro rata share thereof as provided herein, then the Lender receiving such greater proportion shall (a) notify the Administrative Agent of such fact and (b) purchase (for cash at face value) participations in the Term Loans of the other applicable Lenders, or make such other adjustments as shall be equitable, so that the benefit of all such payments shall be shared by the applicable Lenders ratably in accordance with the relative aggregate amount of principal of and accrued interest on their respective Term Loans and other amounts owing them; provided that:

(i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest; and

(ii) the provisions of this Section 2.12 shall not be construed to apply to (x) any payment made by or on behalf of the Borrower pursuant to and in accordance with the express terms of this Agreement (including the application of funds arising from the existence of a Defaulting Lender or a Disqualified Institution and including Section 2.15) or (y) any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Term Loans to any assignee or participant, other than an assignment to the Borrower (as to which the provisions of this Section 2.12 shall apply).

The Borrower consents to the foregoing and agrees, to the extent it may effectively do so under applicable Law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against the Borrower rights of setoff and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of the Borrower in the amount of such participation.

SECTION 2.13. [Reserved].

SECTION 2.14. Additional Guarantors. The Borrower may at any time and from time to time, for purposes of complying with Section 7.07, designate any Eligible Additional Guarantor (other than any entity described in clause (a) of the definition of "Excluded Subsidiary") as an additional Guarantor hereunder, in each case by satisfying the requirements with respect to such Eligible Additional Guarantor set forth the definition of "Guarantee Requirement".

SECTION 2.15. Extension of Maturity Date. (a) The Borrower may, by delivery of a Maturity Date Extension Request to the Administrative Agent (which shall promptly deliver a copy thereof to each of the Lenders) not less than 180 days (or such shorter period as may be agreed by the Administrative Agent in its sole discretion) prior to the then existing maturity date for the Loans hereunder (the "Existing Maturity Date"), request that the Lenders extend the Existing Maturity Date in accordance with this Section 2.15. Each Maturity Date Extension Request shall (i) specify the date to which the Maturity Date is sought to be extended, (ii) specify the changes, if any, to the Applicable Rate to be applied in determining the interest payable on Loans of, and fees payable hereunder to, Consenting Lenders in respect of that portion of their Loans extended to such new Maturity Date and the time as of which such changes will become effective (which may be prior to the Existing Maturity Date), and (iii) specify any other amendments or modifications to this Agreement to be effected in connection with such Maturity Date Extension Request, provided that no such changes or modifications requiring approvals pursuant to Section 10.01 shall become effective unless such other approvals have been obtained. In the event a Maturity Date Extension Request shall have been delivered by the

Borrower, each Lender shall have the right to agree to the extension of the Existing Maturity Date and other matters contemplated thereby on the terms and subject to the conditions set forth therein (each Lender agreeing to the Maturity Date Extension Request being referred to herein as a "Consenting Lender" and each Lender not agreeing thereto being referred to herein as a "Declining Lender"), which right may be exercised by written notice thereof, specifying the maximum amount of the Loans of such Lender with respect to which such Lender agrees to the extension of the Maturity Date, delivered to the Borrower (with a copy to the Administrative Agent) not later than a day to be agreed upon by the Borrower and the Administrative Agent following the date on which the Maturity Date Extension Request shall have been delivered by the Borrower (it being understood that any Lender that shall have failed to exercise such right as set forth above shall be deemed to be a Declining Lender). If a Lender elects to extend only a portion of its then existing Loans, it will be deemed for purposes hereof to be a Consenting Lender in respect of such extended portion and a Declining Lender in respect of the remaining portion of its Loans. If Consenting Lenders shall have agreed to such Maturity Date Extension Request in respect of Loans held by them, then, subject to paragraph (d) of this Section, on the date specified in the Maturity Date Extension Request as the effective date thereof (the "Extension Effective Date"), (i) the Existing Maturity Date of the Loans shall, as to the Consenting Lenders, be extended to such date as shall be specified therein, (ii) the terms and conditions of the Loans of the Consenting Lenders (including interest and fees) payable in respect thereof), shall be modified as set forth in the Maturity Date Extension Request and (iii) such other modifications and amendments hereto specified in the Maturity Date Extension Request shall (subject to any required approvals (including those of the Required Lenders) having been obtained) become effective.

(b) Notwithstanding the foregoing, the Borrower shall have the right, in accordance with the provisions of Sections 3.06 and 10.06, at any time prior to the Existing Maturity Date, to replace a Declining Lender (for the avoidance of doubt, only in respect of that portion of such Lender's Loans subject to a Maturity Date Extension Request that it has not agreed to extend) with a Lender or other financial institution that will agree to such Maturity Date Extension Request, and any such replacement Lender shall for all purposes constitute a Consenting Lender in respect of the Term Loans assigned to and assumed by it on and after the effective time of such replacement.

(c) If a Maturity Date Extension Request has become effective hereunder, on the Existing Maturity Date:

(i) the Borrower shall repay all the Loans of each Declining Lender, to the extent such Loans shall not have been so purchased, assigned and transferred, in each case together with accrued and unpaid interest and all fees and other amounts owing to such Declining Lender hereunder (accordingly, the Loans of any Consenting Lender shall, to the extent the amount of such Loans exceeds the amount set forth in the notice delivered by such Lender pursuant to paragraph (a) of this Section, be permanently reduced by the amount of such excess, and the Borrower shall prepay the proportionate part of the outstanding Loans of such Consenting Lender, in each case together with accrued and unpaid interest thereon to but excluding the Existing Maturity Date and all fees and other amounts payable in respect thereof on or prior to the Existing Maturity Date).

(d) Notwithstanding the foregoing, no Maturity Date Extension Request shall become effective hereunder unless, on the Extension Effective Date, the conditions set forth in Section 5.01(d) shall be satisfied (with all references in such Section to a Borrowing being deemed to be references to such Maturity Date Extension Request) and the Administrative Agent shall have received a certificate to that effect dated such date and executed by a Financial Officer.

(e) Notwithstanding any provision of this Agreement to the contrary, it is hereby agreed that no extension of an Existing Maturity Date in accordance with the express terms of this Section 2.15, or any amendment or modification of the terms and conditions of the Commitments and Loans of the Consenting Lenders effected pursuant thereto, shall be deemed to (i) violate any provision of this Agreement requiring the ratable reduction of Commitments or the ratable sharing of payments or (ii) require the consent of all Lenders or all affected Lenders under Section 10.01.

(f) The Borrower and the Administrative Agent may enter into an amendment to this Agreement to effect such modifications as may be necessary to reflect the terms of any Maturity Date Extension Request that has been approved by the Required Lenders and become effective in accordance with the provisions of this Section 2.15.

SECTION 2.16. Defaulting Lenders.

(a) Adjustments. Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as that Lender is no longer a Defaulting Lender, to the extent permitted by applicable Law:

(i) Waivers and Amendments. Such Defaulting Lender's right to approve or disapprove any amendment, waiver or consent with respect to this Agreement shall be restricted as set forth in the definition of "Required Lenders" and Section 10.01.

(ii) Reallocation of Payments. Any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of that Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Article VIII or otherwise, and including any amounts made available to the Administrative Agent by that Defaulting Lender pursuant to Section 10.08), shall be applied at such time or times as may be determined by the Administrative Agent as follows: *first*, to the payment of any amounts owing by that Defaulting Lender to the Administrative Agent hereunder; *second*, to the payment of any amounts owing to the Lenders as a result of any judgment of a court of competent jurisdiction obtained by any Lender against that Defaulting Lender as a result of that Defaulting Lender's breach of its obligations under this Agreement; *third*, so long as no Default or Event of Default exists, to the payment of any amounts owing to the Borrower as a result of any judgment of a court of competent jurisdiction obtained

by the Borrower against that Defaulting Lender as a result of that Defaulting Lender's breach of its obligations under this Agreement; and *fourth*, to that Defaulting Lender or as otherwise directed by a court of competent jurisdiction; provided that if (x) such payment is a payment of the principal amount of any Loans or in respect of which that Defaulting Lender has not fully funded its appropriate share and (y) such Loans were made at a time when the conditions set forth in Section 5.01 were satisfied or waived, such payment shall be applied solely to pay the Loans of all Non-Defaulting Lenders on a pro rata basis prior to being applied to the payment of any Loans of that Defaulting Lender. Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender pursuant to this Section 2.16(a)(ii) shall be deemed paid to and redirected by that Defaulting Lender, and each Lender irrevocably consents hereto.

ARTICLE III
Taxes, Yield Protection And Illegality

SECTION 3.01. Taxes.

(a) Payments Free of Taxes; Obligation to Withhold; Payments on Account of Taxes.

(i) Any and all payments by or on account of any obligation of the Borrower under any Loan Document shall be made without deduction or withholding for any Taxes, except as required by applicable Laws. If any applicable Laws (as determined in the good faith discretion of the Administrative Agent or the Borrower, as applicable) require the deduction or withholding of any Tax from any such payment by the Administrative Agent or the Borrower, then the Administrative Agent or the Borrower shall be entitled to make such deduction or withholding, upon the basis of the information and documentation to be delivered pursuant to subsection (e) below.

(ii) If the Borrower or the Administrative Agent shall be required by the Internal Revenue Code to withhold or deduct any Taxes, including both United States Federal backup withholding and withholding taxes, from any payment under any Loan Document, then (x) the Administrative Agent shall withhold or make such deductions as are determined by it to be required based upon the information and documentation it has received pursuant to subsection (e) below, (y) the Administrative Agent shall timely pay the full amount withheld or deducted to the relevant Governmental Authority in accordance with the Internal Revenue Code, and (z) to the extent that the withholding or deduction is made on account of Indemnified Taxes, the sum payable by the Borrower shall be increased as necessary so that after any required withholding or the making of all required deductions (including deductions applicable to additional sums payable under this Section 3.01) the applicable Recipient receives an amount equal to the sum it would have received had no such withholding or deduction been made.

(iii) If the Borrower or the Administrative Agent shall be required by any applicable Laws other than the Internal Revenue Code to withhold or deduct any Taxes from any payment under any Loan Document, then (x) the Borrower or the Administrative Agent, as applicable, shall withhold or make such deductions as are determined by it to be required based upon the information and documentation it has received pursuant to subsection (e) below, (y) the Borrower or the Administrative Agent, as applicable, shall timely pay the full amount withheld or deducted to the relevant Governmental Authority in accordance with such laws, and (z) to the extent that the withholding or deduction is made on account of Indemnified Taxes, the sum payable by the Borrower shall be increased as necessary so that after any required withholding or the making of all required deductions (including deductions applicable to additional sums payable under this Section 3.01) the applicable Recipient receives an amount equal to the sum it would have received had no such withholding or deduction been made.

(b) Payment of Other Taxes by the Borrower. Without limiting the provisions of subsection (a) above, the Borrower shall timely pay to the relevant Governmental Authority in accordance with applicable Law, or at the option of the Administrative Agent timely reimburse it for the payment of, any Other Taxes.

(c) Indemnification. (i) Borrower shall, and does hereby indemnify each Recipient, and shall make payment in respect thereof within 10 days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section 3.01) paid by such Recipient or, to the extent the Borrower has not previously indemnified such Recipient pursuant to subsection (a)(ii) or (a)(iii) above, required to be withheld or deducted from a payment to such Recipient, and any penalties, interest and reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Borrower by a Lender (with a copy to the Administrative Agent), or by the Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent demonstrable error. The Borrower shall and does hereby indemnify the Administrative Agent, and shall make payment in respect thereof within 10 days after demand therefor, for any amount which a Lender for any reason fails to pay indefeasibly to the Administrative Agent as required pursuant to Section 3.01(c)(ii); provided, however, that (i) the Administrative Agent shall not make any such demand on the Borrower without first using commercially reasonable efforts to obtain payment of such amount from the applicable Lender and (ii) to the extent that the Borrower pays an amount to the Administrative Agent pursuant to the preceding sentence, then upon request of the Borrower, the Administrative Agent shall use commercially reasonable efforts to exercise its set-off rights described in the last sentence of Section 3.01(c)(ii) below to collect the applicable amount from the applicable Lender and shall pay the amount so collected to the Borrower net of any expenses incurred by the Administrative Agent in its efforts to collect from such Lender.

(ii) Each Lender shall, and does hereby, severally indemnify, and shall make payment in respect thereof within 10 days after demand therefor, (x) the Administrative Agent against any Indemnified Taxes attributable to such Lender (but only to the extent that the Borrower has not already indemnified the Administrative Agent for such Indemnified Taxes and without limiting the obligation of the Borrower to do so), (y) the Administrative Agent and the Borrower, as applicable, against any Taxes attributable to such Lender's failure to comply with the provisions of Section 10.06(d) relating to the maintenance of a Participant Register and (z) the Administrative Agent and the Borrower, as applicable, against any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by the Administrative Agent or the Borrower in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent demonstrable error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under this Agreement or any other Loan Document against any amount due to the Administrative Agent under this clause (ii) (or otherwise as contemplated by Section 3.01(c)(i)).

(d) Evidence of Payments. Upon request by the Borrower or the Administrative Agent, as the case may be, after any payment of Taxes by the Borrower or by the Administrative Agent to a Governmental Authority as provided in this Section 3.01, the Borrower shall deliver to the Administrative Agent or the Administrative Agent shall deliver to the Borrower, as the case may be, the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of any return required by laws to report such payment or other evidence of such payment reasonably satisfactory to the Borrower or the Administrative Agent, as the case may be.

(e) Status of Lenders; Tax Documentation.

(i) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Loan Document shall deliver to the Borrower and the Administrative Agent, at the time or times reasonably requested by the Borrower or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Borrower or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Borrower or the Administrative Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section 3.01(e)(ii)(A), (ii)(B) and (ii)(D)) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender (it being understood that providing any information currently required by any U.S. federal income withholding form shall not be considered prejudicial to the position of a Lender).

(ii) Without limiting the generality of the foregoing, in the event that the Borrower is a U.S. Person,

(A) any Lender that is a U.S. Person shall deliver to the Borrower and the Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed originals of IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding tax;

(B) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), whichever of the following is applicable:

(I) in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Loan Document, executed originals of IRS Form W-8BEN-E (or W-8BEN, as applicable) establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "interest" article of such tax treaty and (y) with respect to any other applicable payments under any Loan Document, IRS Form W-8BEN-E (or W-8BEN, as applicable) establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "business profits" or "other income" article of such tax treaty;

(II) executed originals of IRS Form W-8ECI;

(III) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Internal Revenue Code, (x) a certificate substantially in the form of Exhibit 3.01(e) to the effect that such Foreign Lender is not (x) a "bank" within the meaning of Section 881(c)(3)(A) of the Internal Revenue Code, (y) a "10 percent shareholder" of the Borrower within the meaning of Section 881(c)(3)(B) of the Internal Revenue Code, or (z) a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Internal Revenue Code (a "U.S. Tax Compliance Certificate") and (y) executed originals of IRS Form W-8BEN-E (or W-8BEN, as applicable); or

(IV) to the extent a Foreign Lender is not the beneficial owner, executed originals of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN-E (or W-8BEN, as applicable), a U.S. Tax Compliance Certificate substantially in the form of Exhibit 3.01(e), IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided that if the Foreign Lender is a partnership and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit 3.01(e) on behalf of each such direct and indirect partner;

(C) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed originals of any other form prescribed by applicable Law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable Law to permit the Borrower or the Administrative Agent to determine the withholding or deduction required to be made; and

(D) if a payment made to a Lender under any Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Internal Revenue Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable Law (including as prescribed by Section 1471(b)(3)(C)(i) of the Internal Revenue Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (D), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

(iii) Each Lender agrees that if any form or certification it previously delivered pursuant to this Section 3.01 expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Borrower and the Administrative Agent in writing of its legal inability to do so.

(f) Treatment of Certain Refunds. Unless required by applicable Laws, at no time shall the Administrative Agent have any obligation to file for or otherwise pursue on behalf of a Lender, or have any obligation to pay to any Lender, any refund of Taxes withheld or deducted from funds paid for the account of such Lender. If any Recipient determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified by the Borrower or with respect to which the Borrower has paid additional amounts pursuant to this Section 3.01, it shall pay to the Borrower an amount equal to such refund (but only to the extent of indemnity payments made, or additional amounts paid, by the Borrower under this Section 3.01 with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) incurred by such Recipient, and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund); provided that the Borrower, upon the request of the Recipient, agrees to repay the amount paid over to the Borrower (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Recipient in the event the Recipient is required to repay such refund to such Governmental Authority.

Notwithstanding anything to the contrary in this subsection, in no event will the applicable Recipient be required to pay any amount to the Borrower pursuant to this subsection the payment of which would place the Recipient in a less favorable net after-Tax position than such Recipient would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This subsection shall not be construed to require any Recipient to make available its tax returns (or any other information relating to its taxes that it deems confidential) to the Borrower or any other Person.

(g) Survival. Each party's obligations under this Section 3.01 shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all other Obligations.

SECTION 3.02. Illegality. If any Lender reasonably determines that any Change in Law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for any Lender or its Lending Office to make, maintain or fund Loans whose interest is determined by reference to the Eurocurrency Rate, or to determine or charge interest rates based upon the Eurocurrency Rate, or any Governmental Authority has imposed material restrictions on the authority of such Lender to purchase or sell, or to take deposits of, Dollars or any other currency in the applicable interbank market, then, on notice thereof by such Lender to the Borrower through the Administrative Agent, (i) any obligation of such Lender to make or continue Eurocurrency Rate Loans in the affected currency or currencies or, in the case of Eurocurrency Rate Loans denominated in Dollars, to convert Base Rate Loans to Eurocurrency Rate Loans shall be suspended, and (ii) if such notice asserts the illegality of such Lender making or maintaining Base Rate Loans the interest rate on which is determined by reference to the Eurocurrency Rate component of the Base Rate, the interest rate on which Base Rate Loans of such Lender shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to

the Eurocurrency Rate component of the Base Rate, in each case until such Lender notifies the Administrative Agent and the Borrower that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, (x) the Borrower shall, upon demand from such Lender (with a copy to the Administrative Agent), prepay or, if applicable and such Loans are denominated in Dollars, convert all Eurocurrency Rate Loans of such Lender to Base Rate Loans (the interest rate on which Base Rate Loans of such Lender shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to the Eurocurrency Rate component of the Base Rate), either on the last day of the Interest Period therefor, if such Lender may lawfully continue to maintain such Eurocurrency Rate Loans to such day, or immediately, if such Lender may not lawfully continue to maintain such Eurocurrency Rate Loans and (y) if such notice asserts the illegality of such Lender determining or charging interest rates based upon the Eurocurrency Rate, the Administrative Agent shall during the period of such suspension compute the Base Rate applicable to such Lender without reference to the Eurocurrency Rate component thereof until the Administrative Agent is advised in writing by such Lender that it is no longer illegal for such Lender to determine or charge interest rates based upon the Eurocurrency Rate. Upon any such prepayment or conversion, the Borrower shall also pay accrued interest on the amount so prepaid or converted.

SECTION 3.03. Inability to Determine Rates.

(a) Subject to Section 3.03(c), if in connection with any request for a Eurocurrency Rate Loan or a conversion to or continuation thereof, (i) the Administrative Agent determines that (A) deposits are not being offered to banks in the applicable offshore interbank eurodollar market for such currency for the applicable amount and Interest Period of such Eurocurrency Rate Loan or (B) adequate and reasonable means do not exist for determining the Eurocurrency Rate for any requested Interest Period with respect to a proposed Eurocurrency Rate Loan or in connection with an existing or proposed Base Rate Loan (in each case with respect to clause (a)(i) above, "Impacted Loans"), or (ii) the Administrative Agent or the Required Lenders determine that for any reason the Eurocurrency Rate for any requested Interest Period with respect to a proposed Eurocurrency Rate Loan does not adequately and fairly reflect the cost to such Lenders of funding such Eurocurrency Rate Loan, the Administrative Agent will promptly so notify the Borrower and each Lender. Thereafter, (x) the obligation of the Lenders to make or maintain Eurocurrency Rate Loans in the affected currencies shall be suspended (to the extent of the affected Eurocurrency Rate Loans or Interest Periods), and (y) in the event of a determination described in the preceding sentence with respect to the Eurocurrency Rate component of the Base Rate, the utilization of the Eurocurrency Rate component in determining the Base Rate shall be suspended, in each case until the Administrative Agent (or, in the case of a determination by the Required Lenders described in clause (ii) of this Section 3.03(a), until the Administrative Agent upon the instruction of the Required Lenders) revokes such notice. Upon receipt of such notice, (i) the Borrower may revoke any pending request for a Borrowing of, conversion to or continuation of Eurocurrency Rate Loans in the affected currency or currencies (to the extent of the affected Eurocurrency Rate Loans or Interest Periods) or, failing that, will be deemed to have converted such request into a request for a Borrowing of Base Rate Loans and (ii) any outstanding affected Eurocurrency Rate Loans will be deemed to have been converted into Base Rate Loans at the end of the applicable Interest Period.

(b) [Reserved].

(c) Effect of Benchmark Transition Event.

(i) *Benchmark Replacement*. Notwithstanding anything to the contrary herein or in any other Loan Document, upon the occurrence of a Benchmark Transition Event or an Early Opt-in Election, as applicable, the Administrative Agent and the Borrower may (and, in the case of a notification by the Borrower to the Administrative Agent that the Borrower has determined that a Benchmark Transition Event has occurred, the Administrative Agent shall) amend this Agreement to replace the then-current Benchmark for such currency with one or more Benchmark Replacements, as applicable. Any such amendment with respect to a Benchmark Transition Event will become effective at 5:00 p.m. on the fifth (5th) Business Day after the Administrative Agent has posted such proposed amendment to all Lenders and the Borrower so long as the Administrative Agent has not received, by such time, written notice of objection to such amendment from Lenders comprising the Required Lenders. Any such amendment with respect to an Early Opt-in Election will become effective on the date that Lenders comprising the Required Lenders have delivered to the Administrative Agent written notice that such Required Lenders accept such amendment. No replacement of a Benchmark with a Benchmark Replacement pursuant to this Section 3.03(c) will occur prior to the applicable Benchmark Transition Start Date.

(ii) *Benchmark Replacement Conforming Changes*. In connection with the implementation of a Benchmark Replacement, the Administrative Agent (with the consent of the Borrower) has the right to make Benchmark Replacement Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Benchmark Replacement Conforming Changes will become effective without any further action or consent of any other Lender to this Agreement.

(iii) *Notices; Standard for Decisions and Determinations*. The Administrative Agent will promptly notify the Borrower and the Lenders of (i) any occurrence of a Benchmark Transition Event or an Early Opt-in Election, as applicable, and its related Benchmark Replacement Date and Benchmark Transition Start Date, (ii) the implementation of any Benchmark Replacement, (iii) the effectiveness of any Benchmark Replacement Conforming Changes and (iv) the commencement or conclusion of any Benchmark Unavailability Period. Any determination, decision or election that may be made by the Administrative Agent or Lenders pursuant to this Section 3.03(c) including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party hereto, except, in each case, as expressly required pursuant to this Section 3.03(c).

(iv) *Benchmark Unavailability Period*. Upon the Borrower's receipt of notice of the commencement of a Benchmark Unavailability Period, the Borrower may revoke any request for a Borrowing of, conversion to or continuation of any Eurocurrency Rate Loan that bears interest at a rate based on the Benchmark to be made, converted or continued during any Benchmark Unavailability Period, provided that, if such request is not revoked, the Borrower will be deemed to have converted any such request into a request for a Borrowing of or conversion to Base Rate Loans. During any Benchmark Unavailability Period with respect to any Benchmark, the component of Base Rate based upon such Benchmark will not be used in any determination of Base Rate.

SECTION 3.04. Increased Costs.

(a) Increased Costs Generally. If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended by, any Lender (except any reserve requirement contemplated by Section 3.04(e));

(ii) subject any Recipient to any Taxes (other than (A) Indemnified Taxes or (B) Excluded Taxes) on its loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto; or

(iii) impose on any Lender or the London interbank market any other condition, cost or expense (excluding any Taxes) affecting this Agreement or Eurocurrency Rate Loans made by such Lender;

and the result of any of the foregoing shall be to increase the cost to such Lender of making, converting to or maintaining any Loan the interest on which is determined by reference to the applicable Eurocurrency Rate (or of maintaining its obligation to make any such Loan) or to reduce the amount of any sum received or receivable by such Lender (whether of principal, interest or any other amount) then, upon request of such Lender, the Borrower will pay to such Lender such additional amount or amounts as will compensate such Lender for such additional costs incurred or reduction suffered. Notwithstanding the foregoing, no Lender shall be entitled to request compensation for any increased cost relating to items described in paragraph (a)(iii) of this Section 3.04 if it shall not be the general policy and practice of such Lender to seek compensation in similar circumstances under similar provisions in comparable credit facilities.

(b) Capital Requirements. If any Lender determines that any Change in Law affecting such Lender or any Lending Office of such Lender or such Lender's holding company, if any, regarding capital requirements has the effect of reducing the rate of return on such Lender's capital or on the capital of such Lender's holding company, if any, as a consequence of this Agreement or the Loans made by such Lender to a level below that which such Lender or such Lender's holding company could have achieved but for such Change in Law (taking into consideration such Lender's policies and the policies of such Lender's holding company with respect to capital adequacy), then from time to time the Borrower will pay to such Lender such additional amount or amounts as will compensate such Lender or such Lender's holding company for any such reduction suffered.

(c) Certificates for Reimbursement. A certificate of a Lender setting forth the amount or amounts necessary to compensate such Lender or its holding company, as the case may be, as specified in subsection (a) or (b) of this Section 3.04 and setting forth in reasonable detail the manner of determination of such amount or amounts, shall be delivered to the Borrower and shall be conclusive absent demonstrable error. The Borrower shall pay such Lender the amount shown as due on any such certificate within 15 days after receipt thereof.

(d) Delay in Requests. Failure or delay on the part of any Lender to demand compensation pursuant to the foregoing provisions of this Section 3.04 shall not constitute a waiver of such Lender's right to demand such compensation; provided that the Borrower shall not be required to compensate a Lender pursuant to the foregoing provisions of this Section 3.04 for any increased costs incurred or reductions suffered more than 180 days prior to the date that such Lender notifies the Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender's intention to claim compensation therefor (except that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 180 day period referred to above shall be extended to include the period of retroactive effect thereof).

(e) Reserves on Eurocurrency Rate Loans. The Borrower shall pay to each Lender, as long as such Lender shall be required to maintain reserves with respect to liabilities or assets consisting of or including Eurocurrency funds or deposits (currently referred to as "Eurocurrency Liabilities" in Regulation D of the Board), additional interest on the unpaid principal amount of each Eurocurrency Rate Loan equal to the actual costs of such reserves allocated to such Loan by such Lender (as determined by such Lender in good faith, which determination shall be conclusive absent demonstrable error), which shall be due and payable on each date on which interest is payable on such Loan, provided the Borrower shall have received at least 10 days' prior notice (with a copy to the Administrative Agent) of such additional interest from such Lender. If a Lender fails to give notice 10 days prior to the relevant Interest Payment Date, such additional interest shall be due and payable 10 days from receipt of such notice; provided that the Borrower shall not be required to compensate a Lender pursuant to the foregoing provisions of this Section 3.04(e) if such Lender fails to give notice within 90 days after the date such Lender becomes aware of the additional interest which is due.

SECTION 3.05. Compensation for Losses. Upon demand of any Lender to the Borrower (with a copy to the Administrative Agent) from time to time (pursuant to a certificate of such Lender setting forth the amount such Lender is entitled to receive pursuant to this Section 3.05 and setting forth in reasonable detail in the matter of determination of such amount), the Borrower shall compensate such Lender for and hold such Lender harmless from any loss, cost or reasonable expense incurred by it as a result of:

(a) any continuation, conversion, prepayment or payment of any principal of any Eurocurrency Rate Loan on a day other than the last day of the Interest Period for such Eurocurrency Rate Loan (whether voluntary, mandatory, automatic, by reason of acceleration, or otherwise);

(b) any failure by the Borrower (for a reason other than the failure of such Lender to make a Loan) to prepay, borrow, continue or convert any Eurocurrency Rate Loan on the date or in the amount notified by the Borrower; or

(c) any assignment of a Eurocurrency Rate Loan on a day other than the last day of the Interest Period therefor as a result of a request by the Borrower pursuant to Section 10.13;

including any loss or reasonable expense (excluding loss of anticipated profits or margin) actually incurred by reason of the liquidation or reemployment of funds obtained by it to maintain such Loan or from fees payable to terminate the deposits from which such funds were obtained and from any foreign currency exchange losses.

SECTION 3.06. Mitigation Obligations; Replacement of Lenders.

(a) Designation of a Different Lending Office. If any Lender requests compensation under Section 3.04, or the Borrower is required to pay any Indemnified Taxes or additional amounts to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.01, or if any Lender gives a notice pursuant to Section 3.02, then at the request of the Borrower, such Lender shall use reasonable efforts to designate a different Lending Office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the good faith judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 3.01 or 3.04, as the case may be, in the future, or eliminate the need for the notice pursuant to Section 3.02, as applicable, and (ii) in each case, would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender. The Borrower hereby agrees to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

(b) Replacement of Lenders. If any Lender requests compensation under Section 3.04, or if the Borrower is required to pay any Indemnified Taxes or additional amounts to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.01 and, in each case, such Lender has declined or is unable to designate a different lending office in accordance with Section 3.06(a), the Borrower may replace such Lender in accordance with Section 10.13.

(c) Notwithstanding the foregoing provisions of this Section 3.06, no Lender may request compensation under Section 3.04, and the Borrower shall not be required to pay any Indemnified Taxes or additional amounts to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.01, if such Lender shall not at such time demand compensation from, or require the payment of such additional amounts by, its best customers at such time in similar circumstances.

SECTION 3.07. Survival. All of the Borrower's obligations under Section 3.04 and Section 3.05 shall survive termination of the Commitments and repayment of all other Obligations hereunder.

ARTICLE IV

Each of the ParentCos and the Covered Subsidiaries (a) is duly formed, validly existing and in good standing under the laws of its jurisdiction of formation, (b) has all requisite power and authority to own its property and assets and to carry on its business as now conducted and as proposed to be conducted, (c) is qualified to do business in every jurisdiction where such qualification is required and (d) has the power and authority to execute, deliver and perform its obligations under each of the Loan Documents to which it is or will be a party and to borrow hereunder, except where the failure to comply with clauses (a) through (c) would not reasonably be expected to result in a Material Adverse Effect.

SECTION 4.02. Authorization. The execution, delivery and performance by each Loan Party of each of the Loan Documents to which it is a party, the borrowings hereunder and the creation and incurrence of the guarantees by the Guarantors (collectively, the "Transactions") (a) have been duly authorized by all requisite partnership, limited liability company or corporate and, if required, partner, member or stockholder action and (b) will not (i) violate any provision of law, statute, rule, regulation or order or any Governmental Authority, (ii) violate any provision of the limited partnership agreement, the limited liability company agreement or any other constitutive document of any Loan Party or any of the Covered Subsidiaries, (iii) violate any provision of, or result in a breach of or constitute (alone or with notice or lapse of time or both) a default under, any indenture, agreement or other instrument to which any Loan Party or any of its Covered Subsidiaries is a party or by which any of them or any of their property is bound or (iv) result in the creation or imposition of any Lien upon or with respect to any property or assets now owned or hereafter acquired by any Loan Party or any of its Covered Subsidiaries, that in the cases of clause (b)(i), (b)(ii) and (b)(iii) would reasonably be expected to have a Material Adverse Effect.

SECTION 4.03. Enforceability. This Agreement has been duly executed and delivered by each Loan Party party hereto and constitutes, and each other Loan Document when executed and delivered by each Loan Party party thereto will constitute,

a legal, valid and binding obligation of such Loan Party enforceable against such Loan Party in accordance with its terms, except as may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting creditors' rights generally and by general principles of equity (regardless of whether enforcement is sought in a proceeding in equity or at law).

SECTION 4.04. Governmental Approvals; Other Consents. No action, consent or approval of, registration or filing with or any other action by any Governmental Authority or any other Person is or will be required in connection with the Transactions, except such as have been made or obtained and are in full force and effect or the failure to obtain which would not reasonably be expected to have a Material Adverse Effect.

SECTION 4.05. Financial Statements. The Loan Parties have heretofore furnished to the Lenders (a) the consolidated statements of financial condition as of December 31, 2020, and the related consolidated statements of operations, changes in partners' capital and cash flows of Group Holdings SBS, for the year ended December 31, 2020, audited by and accompanied by the report of Deloitte & Touche LLP, and (b) the unaudited consolidated statements of financial condition as of June 30, 2021 and the related consolidated statements of operations, changes in partners' capital and cash flows of Group Holdings SBS for the six months ended June 30, 2021 (clauses (a) and (b) collectively, the "Historical Financial Statements").

Such audited financial statements fairly present, in all material respects, the consolidated financial position and results of operations of Group Holdings SBS and such unaudited consolidated financial statements fairly present, in all material respects, the consolidated financial position and results of operations of Group Holdings SBS as of such date and for such periods presented. Such financial statements and the notes thereto disclose all material liabilities, direct or contingent, of Group Holdings SBS as of the date thereof, to the extent such liabilities are required to be disclosed by GAAP. Such financial statements were prepared in accordance with GAAP applied on a consistent basis, except, in the case of such unaudited financial statements, for the absence or incompleteness of footnotes and except as otherwise disclosed therein.

SECTION 4.06. No Material Adverse Change. As of the Closing Date, there has been no material adverse change in the business, assets, operations or financial condition of the Loan Parties and the Covered Subsidiaries, taken as a whole, since December 31, 2020.

SECTION 4.07. Title to Properties; Possession Under Leases. Each of the Loan Parties and the Covered Subsidiaries has good title to, or valid leasehold interests in, all its material properties and assets, except for defects that do not, in the aggregate, materially interfere with the conduct of the business of the Loan Parties and the Covered Subsidiaries, taken as a whole, or the use of the properties and assets of the Loan Parties and the Covered Subsidiaries, taken as a whole, for their intended purposes, except where failure to have title or leasehold interests would not reasonably be expected to have a Material Adverse Effect. All such material properties and assets are free and clear of Liens, other than Liens expressly permitted by Section 6.02.

SECTION 4.08. Litigation; Compliance with Laws. (a) As of the Closing Date, except as set forth in Schedule 4.08 there are no actions, suits or proceedings at law or in equity or by or before any Governmental Authority now pending or, to the knowledge of any Loan Party, threatened in writing against or affecting any Loan Party, or any of the Covered Subsidiaries, or any business, property or rights of any such Person (i) which on the date hereof involve any Loan Document or the Transactions or (ii) as to which there is a reasonable possibility of an adverse determination and which would be materially likely to, individually or in the aggregate, result in a Material Adverse Effect.

(b) Neither any Loan Party nor any of the Covered Subsidiaries is in violation of any law, rule or regulation, or in default with respect to any judgment, writ, injunction or decree of any Governmental Authority, where such violation or default would be materially likely to result in a Material Adverse Effect.

SECTION 4.09. Agreements. (a) Neither any Loan Party nor any of the Covered Subsidiaries is a party to any agreement or instrument or subject to any partnership, limited liability company or corporate restriction that has resulted or would be materially likely to result in a Material Adverse Effect.

(b) Neither any Loan Party nor any of the Covered Subsidiaries is in default in any manner under any provision of any indenture or other agreement or instrument evidencing Indebtedness, or any other material agreement or instrument to which it is a party or by which it or any of its properties or assets are or may be bound, where such default would be materially likely to result in a Material Adverse Effect.

SECTION 4.10. Federal Reserve Regulations. (a) No part of the proceeds of any Loan will be used, whether directly or indirectly, and whether immediately, incidentally or ultimately, for any purpose which entails a violation of, or which is inconsistent with, the provisions of the Regulations of the Board, including Regulation U or X.

(b) At no time will more than 25% of the combined assets of the Loan Parties and the Covered Subsidiaries consist of margin stock (as such term is defined under the Regulation U of the Board), if a violation of Regulation U or X of the Board would result.

SECTION 4.11. Investment Company Act. Neither any Loan Party nor any of the Covered Subsidiaries is an “investment company” as defined in, or subject to regulation under, the Investment Company Act of 1940.

SECTION 4.12. Tax Returns. Each Loan Party and each of the Covered Subsidiaries has filed or caused to be filed all Federal tax returns and all state and local tax returns required to have been filed by it and has paid or caused to be paid all taxes shown to be due and payable on such returns or on any assessments received by it, except taxes the payment of which is not required by Section 6.03 or where the failure to file or pay would not be reasonably expected to have a Material Adverse Effect.

SECTION 4.13. No Material Misstatements. As of the Closing Date, all information, reports, financial statements, exhibits or schedules furnished by or on behalf of any Loan Party to the Administrative Agent or any Lender in connection with the negotiation of any Loan Document or included therein or delivered pursuant thereto, when taken as a whole (in each case, as amended, supplemented or updated through the Closing Date) and in light of the circumstances when furnished, do not contain any untrue statement of material fact or omit to state any material fact (known to any Loan Party in the case of materials not furnished by it) necessary to make the statements therein, in the light of the circumstances under which they were made, not materially misleading; provided, that to the extent that any of the foregoing was based on or constitutes a forecast or financial projection, the Loan Parties represent only that each such forecast or projection was prepared in good faith based upon assumptions believed by the Loan Parties to be reasonable at the time of preparation.

SECTION 4.14. ERISA. (a) No ERISA Event has occurred or is reasonably expected to occur that, when taken together with all other such ERISA Events for which liability is reasonably expected to occur, would reasonably be expected to result in a Material Adverse Effect. The present value of all accumulated benefit obligations under each Plan (based on the assumptions used for purposes of Statement of Financial Accounting Standards No. 87) did not, as of the date of the most recent financial statements reflecting such amounts, exceed the fair market value of the assets of such Plan by an amount that would reasonably be expected to result in a Material Adverse Effect, and the present value of all accumulated benefit obligations of all underfunded Plans (based on the assumptions used for purposes of Statement of Financial Accounting Standards No. 87) did not, as of the date of the most recent financial statements reflecting such amounts, exceed the fair market value of the assets of all such underfunded Plans by an amount that would reasonably be expected to result in a Material Adverse Effect.

(b) The Borrower represents and warrants as of the Closing Date that the Borrower is not and will not be using "plan assets" (within the meaning of 29 CFR § 2510.3-101, as modified by Section 3(42) of ERISA or otherwise) of one or more Benefit Plans in connection with the Loans.

SECTION 4.15. [Reserved].

SECTION 4.16. Beneficial Ownership Regulation. As of the Closing Date, the information included in the Beneficial Ownership Certification, if applicable, is true and correct in all material respects.

SECTION 4.17. PATRIOT Act. To the extent applicable, each Loan Party is in compliance, in all material respects, with (a) the Trading with the Enemy Act, as amended, and each of the foreign assets control regulations of the United States Treasury Department (31 CFR, Subtitle B, Chapter V, as amended) and any other enabling legislation or executive order relating thereto, and (b) the PATRIOT Act. No part of the proceeds of the Loans will be used, directly or indirectly, for any payments to any governmental official or employee, political party, official of a political party, candidate for political office, or anyone else acting in an official capacity, in order to obtain, retain or direct business or obtain any improper advantage, in violation of the United States Foreign Corrupt Practices Act of 1977, as amended.

SECTION 4.18. Anti-Corruption Laws and Sanctions. The ParentCos have implemented and maintain in effect policies and procedures reasonably designed to ensure compliance by the ParentCos, the Covered Subsidiaries and their respective directors, officers and employees with Anti-Corruption Laws, and the ParentCos and the Covered Subsidiaries are in compliance in all material respects with Anti-Corruption Laws and applicable Sanctions. None of (a) any ParentCo, any Covered Subsidiary or, to the knowledge of any ParentCo or any Covered Subsidiary, any of their respective directors or officers, or (b) to the knowledge of any ParentCo, any agent of any ParentCo or any Covered Subsidiary that will act in any capacity in connection with the credit facility established hereby, is a Sanctioned Person.

The Loan Parties hereby request such counsel to deliver such opinions;

(c) The Administrative Agent shall have received such documents and certificates as the Administrative Agent or its counsel may reasonably request relating to the organization, existence and good standing of the Loan Parties, the authorization of this Agreement and any other legal matters relating to the Loan Parties, this Agreement or the transactions contemplated herein, all in form and substance reasonably satisfactory to the Administrative Agent and its counsel;

(b) At the time of and immediately after giving effect to such Borrowing, no Default shall have occurred and be continuing.

(c) The Administrative Agent shall have received from the Borrower a Loan Notice as required by Section 2.02.

Each Borrowing shall be deemed to constitute a representation and warranty by the Loan Parties on the date thereof as to the matters specified in paragraphs (a) and (b) of this Section.

ARTICLE VI

Affirmative Covenants

Until the Commitments have expired or been terminated and the principal of and interest on each Loan and all fees payable hereunder shall have been paid in full, the Loan Parties covenant and agree with the Lenders that they will, and will cause each of the Covered Subsidiaries to:

SECTION 6.01. Existence; Businesses and Properties. (a) Do or cause to be done all things necessary to preserve, renew and keep in full force and effect their legal existence, except as otherwise expressly permitted under Section 7.04 or 7.05.

(b) Do or cause to be done all things necessary to (i) obtain, preserve, renew, extend and keep in full force and effect the rights, licenses, permits, franchises, authorizations, patents, copyrights, trademarks and trade names material to the conduct of the business of the Borrower, the Guarantors and the Covered Subsidiaries, taken as a whole, except as otherwise permitted by Section 7.04 or 7.05, (ii) maintain and operate such business in substantially the manner in which it is presently conducted and operated, except as otherwise permitted by Section 7.04 or 7.05, (iii) comply with all applicable laws, rules, regulations and orders of any Governmental Authority (including ERISA, Regulations U and X and laws, rules, regulations and orders regarding the collection, payment and deposit of employees' income, unemployment and Social Security taxes), whether now in effect or hereafter enacted and (iv) at all times maintain and preserve all property material to the conduct of the business of the Borrower, the Guarantors and the Covered Subsidiaries, taken as a whole, except as otherwise permitted by Section 7.04 or 7.05, and keep such property in good repair, working order and condition (ordinary wear and tear excepted) and from time to time make, or cause to be made, all needful and proper repairs, renewals, additions, improvements and replacements thereto necessary in order that the business carried on in connection therewith may be properly conducted in all material respects at all times, in each case under clauses (i), (ii), (iii) and (iv) above, except where failure to comply therewith would not reasonably be expected to have a Material Adverse Effect.

SECTION 6.02. Insurance. Maintain or cause to be maintained adequate insurance, to such extent and against such risks, including fire and other risks insured against by extended coverage, as is customary for companies in the same or similar businesses (to the extent such insurance is available at commercially reasonable rates and on commercially reasonable terms, the Lenders hereby acknowledging that certain of the ParentCos and the Covered Subsidiaries do not maintain general liability insurance on the Closing Date and have no current intention to obtain such insurance), and maintain such other insurance as may be required by law.

SECTION 6.03. Obligations and Taxes. Pay and discharge promptly when due all material taxes, assessments and governmental charges or levies imposed upon it or upon its income or profits or in respect of its property, before the same shall become delinquent or in default, as well as all lawful claims for labor, materials and supplies or otherwise which, if unpaid, might give rise to a material Lien upon such properties or any part thereof; provided, however, that such payment and discharge shall not be required with respect to any such tax, assessment, charge, levy or claim so long as the validity or amount thereof shall be contested in good faith by appropriate proceedings and the relevant ParentCo or the relevant Covered Subsidiary shall have set aside on its books adequate reserves with respect thereto or if the failure to pay, discharge or contest would not reasonably be expected to have a Material Adverse Effect.

SECTION 6.04. Financial Statements, Reports, etc. Furnish to the Administrative Agent:

then, and in every such event (other than an event with respect to the Borrower described in paragraph (g) or (h) above), and at any time thereafter during the continuance of such event, the Administrative Agent may, and at the request of the Required Lenders shall, by notice to the Borrower, take either or both of the following actions, at the same or different times: (i) terminate forthwith the Commitments, and thereupon the Commitments shall terminate immediately and (ii) declare the Loans then outstanding to be forthwith due and payable in whole (or in part, in which case any principal not so declared to be due and payable may thereafter be declared to be due and payable), and thereupon the principal of the Loans so declared to be due and payable, together with accrued interest thereon and any unpaid accrued fees and all other obligations of the Borrower accrued hereunder and under any other Loan Document, shall become

ARTICLE IX

The Administrative Agent

SECTION 9.01. Appointment and Authority. Each of the Lenders hereby irrevocably appoints Wells Fargo Bank, N.A. to act on its behalf as the Administrative Agent hereunder and under the other Loan Documents and authorizes the Administrative Agent to take such actions on its behalf and to exercise such powers as are

delegated to the Administrative Agent by the terms hereof or thereof, together with such actions and powers as are reasonably incidental thereto. The provisions of this Article IX are solely for the benefit of the Administrative Agent and the Lenders, and neither the Borrower nor any Guarantor shall have rights as a third party beneficiary of any of such provisions, except with respect to the provisions set forth in Section 9.06 relating to the consent of the Borrower to appoint a successor Administrative Agent. It is understood and agreed that the use of the term "agent" herein or in any other Loan Documents (or any other similar term) with reference to the Administrative Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable Law. Instead such term is used as a matter of market custom, and is intended to create or reflect only an administrative relationship between contracting parties.

SECTION 9.02. Rights as a Lender. The Person serving as the Administrative Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not the Administrative Agent and the term "Lender" or "Lenders" shall, unless otherwise expressly indicated or unless the context otherwise requires, include the Person serving as the Administrative Agent hereunder in its individual capacity. Such Person and its Affiliates may accept deposits from, lend money to, own securities of, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with the Borrower or any Subsidiary or other Affiliate thereof as if such Person were not the Administrative Agent hereunder and without any duty to account therefor to the Lenders.

SECTION 9.03. Exculpatory Provisions. The Administrative Agent and the Arranger shall not have any duties or obligations except those expressly set forth herein and in the other Loan Documents, and its duties hereunder shall be administrative in nature. Without limiting the generality of the foregoing, the Administrative Agent and the Arranger, as applicable:

(a) shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing;

(b) shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that the Administrative Agent is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents); provided that the Administrative Agent shall not be required to take any action that, in its opinion or the opinion of its counsel, may expose the Administrative Agent to liability or that is contrary to any Loan Document or applicable Law;

(c) shall not, except as expressly set forth herein and in the other Loan Documents, have any duty to disclose, and shall not be liable for the failure to disclose to any Lender any information relating to the Borrower or any of its Affiliates that is communicated to or obtained by the Person serving as the Administrative Agent, the Arranger or any of their respective Affiliates in any capacity;

(d) shall not be responsible or have any liability for, or have any duty to ascertain, inquire into, monitor or enforce, compliance with the provisions of this Agreement relating to Disqualified Institutions. Without limiting the generality of the foregoing, the Administrative Agent shall not (x) be obligated to ascertain, monitor or inquire as to whether any Lender or Participant or prospective Lender or Participant is a Disqualified Institution or (y) have any liability with respect to or arising out of any assignment or participation of Loans or disclosure of confidential information, to any Disqualified Institution;

(e) shall not be liable for any action taken or not taken by it (i) with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Administrative Agent shall believe in good faith shall be necessary, under the circumstances as provided in Sections 10.01 and 8.02) or (ii) in the absence of its own gross negligence or willful misconduct as determined by a court of competent jurisdiction by final and non-appealable judgment. The Administrative Agent shall be deemed not to have knowledge of any Default unless and until notice describing such Default is given in writing to the Administrative Agent by the Borrower or a Lender; and

(f) shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Loan Document or any other agreement, instrument or document, or (v) the satisfaction of any condition set forth in Article IV or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent.

SECTION 9.04. Reliance by Administrative Agent. The Administrative Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. The Administrative Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Loan that by its terms must be fulfilled to the satisfaction of a Lender, the Administrative Agent may presume that such condition is satisfactory to such Lender unless the Administrative Agent shall have received notice to the contrary from such Lender prior to the making of such Loan. The Administrative Agent may consult with legal counsel (who may be counsel for the Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

SECTION 9.05. Delegation of Duties. The Administrative Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any other Loan Document by or through any one or more sub-agents appointed by the Administrative Agent. The Administrative Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective Related Parties. The exculpatory provisions of this Article IX shall apply to any such sub-agent and to the Related Parties of the Administrative Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facility provided for herein as well as activities as Administrative Agent. The Administrative Agent shall not be responsible for the negligence or misconduct of any sub-agents except to the extent that a court of competent jurisdiction determines in a final and non-appealable judgment that the Administrative Agent acted with gross negligence or willful misconduct in the selection of such sub-agents.

SECTION 9.06. Resignation of Administrative Agent. The Administrative Agent may at any time give sixty (60) days' prior notice of its resignation to the Lenders and the Borrower. Upon receipt of any such notice of resignation, the Required Lenders shall have the right, and, with the consent of the Borrower (such consent not to be unreasonably withheld) (or, if an Event of Default pursuant to Section 8.01(b), (c), (g) or (h) has occurred and is continuing, in consultation with the Borrower), to appoint a successor, which shall be a bank with an office in the United States, or an Affiliate of any such bank with an office in the United States; provided that if any such potential successor is not classified as a "U.S. person" and a "financial institution" within the meaning of Treasury Regulation Section 1.1441-1, then the Borrower shall have the right to prohibit such potential successor from becoming the Administrative Agent in its reasonable discretion. If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within thirty (30) days after the retiring Administrative Agent gives notice of its resignation, then (i) if the retiring Administrative Agent provides written notice to the Borrower that it wants the ability to exercise its right to seek appointment of a successor Administrative Agent, the retiring Administrative Agent, with the consent of the Borrower (such consent not to be unreasonably withheld) (or, if an Event of Default pursuant to Section 8.01(b), (c), (g) or (h) has occurred and is continuing, in consultation with the Borrower), may (but shall not be obligated to) on behalf of the Lenders appoint a successor Administrative Agent meeting the qualifications set forth above; provided that if any such potential successor is not classified as a "U.S. person" and a "financial institution" within the meaning of Treasury Regulation Section 1.1441-1, then the Borrower shall have the right to prohibit such potential successor from becoming the Administrative Agent in its reasonable discretion and (ii) otherwise, the Borrower may (but shall not be obligated to) appoint a successor Administrative Agent. If no such successor shall have been so appointed as set forth above and shall have accepted such appointment within sixty (60) days after the retiring Administrative Agent gives notice of its resignation, then the Borrower may (but shall not be obligated to) appoint a successor Administrative Agent. If no qualifying Person has accepted such appointment within sixty (60) days after the retiring Administrative Agent gives notice of its resignation (or such earlier day as shall be agreed by the Required Lenders and the Borrower) (the "Resignation Effective Date"), then such resignation shall nonetheless become effective in accordance with such notice on the Resignation Effective Date. Notwithstanding anything

herein to the contrary, if at any time the Administrative Agent (or an Affiliate of the Administrative Agent) shall cease to be a Lender under this Agreement, the Administrative Agent may give notice of its resignation to the Lenders and the Borrower, and such resignation shall become effective in accordance with such notice immediately upon receipt of such notice by the Lenders and the Borrower without any further action or consent of any other Person (and for the avoidance of doubt, the Resignation Effective Date shall be the date on which the Lenders and the Borrower receive such notice of resignation from the Administrative Agent).

(a) If the Person serving as Administrative Agent is a Defaulting Lender pursuant to clause (d) of the definition thereof, the Required Lenders may, to the extent permitted by applicable law, by notice in writing to the Borrower and such Person remove such Person as Administrative Agent and with the consent of the Borrower (such consent not to be unreasonably withheld) (or, if an Event of Default pursuant to Section 8.01(b), (c), (g) or (h) has occurred and is continuing, in consultation with the Borrower), appoint a successor. If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within 30 days (or such earlier day as shall be agreed by the Required Lenders) (the "Removal Effective Date"), then such removal shall nonetheless become effective in accordance with such notice on the Removal Effective Date.

(b) With effect from the Resignation Effective Date or the Removal Effective Date (as applicable), (i) the retiring or removed Administrative Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents and (ii) except for any indemnity payments or other amounts owed to the retiring or removed Administrative Agent as of the Resignation Effective Date or the Removal Effective Date, as applicable, all payments, communications and determinations provided to be made by, to or through the Administrative Agent shall instead be made by or to each Lender directly, until such time, if any, as a successor Administrative Agent is appointed as provided for above in this Section 9.06. Upon the acceptance of a successor's appointment as Administrative Agent hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring or removed Administrative Agent (other than as provided in Section 3.01(g) and other than any rights to indemnity payments or other amounts owed to the retiring or removed Administrative Agent as of the Resignation Effective Date or the Removal Effective Date, as applicable), and the retiring or removed Administrative Agent shall be discharged from all of its duties and obligations hereunder or under the other Loan Documents (if not already discharged therefrom as provided above in this Section 9.06). The fees payable by the Borrower to a successor Administrative Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrower and such successor. After the retiring or removed Administrative Agent's resignation or removal hereunder and under the other Loan Documents, the provisions of this Article IX and Section 10.04 shall continue in effect for the benefit of such retiring or removed Administrative Agent, its sub- agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring Administrative Agent was acting as Administrative Agent.

SECTION 9.07. Non-Reliance on Administrative Agent and Other Lenders. Each Lender acknowledges that it has, independently and without reliance upon the Administrative Agent, the Arranger or any other Lender or any of their Related Parties and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender also acknowledges that it will, independently and without reliance upon the Administrative Agent, the Arranger or any other Lender or any of their Related Parties and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Loan Document or any related agreement or any document furnished hereunder or thereunder.

SECTION 9.08. No Other Duties; Etc. Anything herein to the contrary notwithstanding, no bookrunner or arranger shall have any powers, duties or responsibilities under this Agreement or any of the other Loan Documents, except in its capacity, as applicable, as the Administrative Agent or a Lender hereunder.

SECTION 9.09. Administrative Agent May File Proofs of Claim. In case of the pendency of any receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or other judicial proceeding relative to the Borrower or any Guarantor, the Administrative Agent (irrespective of whether the principal of any Loan shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrower) shall be entitled and empowered, by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders and the Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders and the Administrative Agent and their respective agents and counsel and all other amounts due the Lenders and the Administrative Agent under Sections 2.07 and 10.04) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender to make such payments to the Administrative Agent and, in the event that the Administrative Agent shall consent to the making of such payments directly to the Lenders, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Administrative Agent and its agents and counsel, and any other amounts due the Administrative Agent under Sections 2.07 and 10.04.

Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or to authorize the Administrative Agent to vote in respect of the claim of any Lender in any such proceeding.

SECTION 9.10. Certain ERISA Matters.

(a) Each Lender (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and not, for the avoidance of doubt, to or for the benefit of the Borrower or any Guarantor that at least one of the following is and will be true:

(i) such Lender is not using "plan assets" (within the meaning of Section 3(42) of ERISA or otherwise) of one or more Benefit Plans with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Commitments or this Agreement,

(ii) the transaction exemption set forth in one or more PTEs, such as PTE 84-14 (a class exemption for certain transactions determined by independent qualified professional asset managers), PTE 95-60 (a class exemption for certain transactions involving insurance company general accounts), PTE 90-1 (a class exemption for certain transactions involving insurance company pooled separate accounts), PTE 91-38 (a class exemption for certain transactions involving bank collective investment funds) or PTE 96-23 (a class exemption for certain transactions determined by in-house asset managers), is applicable with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Commitments and this Agreement,

(iii) (A) such Lender is an investment fund managed by a "Qualified Professional Asset Manager" (within the meaning of Part VI of PTE 84-14), (B) such Qualified Professional Asset Manager made the investment decision on behalf of such Lender to enter into, participate in, administer and perform the Loans, the Commitments and this Agreement, (C) the entrance into, participation in, administration of and performance of the Loans, the Commitments and this Agreement satisfies the requirements of sub-sections (b) through (g) of Part I of PTE 84-14 and (D) to the best knowledge of such Lender, the requirements of subsection (a) of Part I of PTE 84-14 are satisfied with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Commitments and this Agreement, or

(iv) such other representation, warranty and covenant as may be agreed in writing between the Administrative Agent, in its sole discretion, and such Lender.

(b) In addition, unless either (1) sub-clause (i) in the immediately preceding clause (a) is true with respect to a Lender or (2) a Lender has provided another representation, warranty and covenant in accordance with sub-clause (iv) in the immediately preceding clause (a), such Lender further (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and not, for the avoidance of doubt, to or for the benefit of the Borrower or any Guarantor, that the Administrative Agent is not a fiduciary with respect to the assets of such Lender involved in such Lender's entrance into, participation in, administration of and performance of the Loans, the Commitments and this Agreement (including in connection with the reservation or exercise of any rights by the Administrative Agent under this Agreement, any Loan Document or any documents related hereto or thereto).

SECTION 9.11. Erroneous Payments.

(a) Each Lender hereby severally agrees that if (i) the Administrative Agent notifies (which such notice shall be conclusive absent manifest error) such Lender or any other Person that has received funds from the Administrative Agent or any of its Affiliates on behalf of such Lender (each such recipient, a "Payment Recipient") that the Administrative Agent has determined in its sole discretion that any funds received by such Payment Recipient were erroneously transmitted to, or otherwise erroneously or mistakenly received by, such Payment Recipient (whether or not known to such Payment Recipient) or (ii) any Payment Recipient receives any payment from the Administrative Agent (or any of its Affiliates) (x) that is in a different amount than, or on a different date from, that specified in a notice of payment, prepayment or repayment sent by the Administrative Agent (or any of its Affiliates) with respect to such payment, prepayment or repayment, as applicable, (y) that was not preceded or accompanied by a notice of payment, prepayment or repayment sent by the Administrative Agent (or any of its Affiliates) with respect to such payment, prepayment or repayment, as applicable, or (z) that such Payment Recipient otherwise becomes aware was transmitted or received in error or by mistake (in whole or in part) then, in each case, an error in payment shall be presumed to have been made (any such amounts specified in clauses (i) or (ii) of this Section 9.11(a), whether received as a payment, prepayment or repayment of principal, interest, fees, distribution or otherwise; individually and collectively, an "Erroneous Payment"), then, in each case, such Payment Recipient is deemed to have knowledge of such error at the time of its receipt of such Erroneous Payment; provided that nothing in this Section shall require the Administrative Agent to provide any of the notices specified in clauses (i) or (ii) above. Each Payment Recipient agrees that it shall not assert any right or claim to any Erroneous Payment, and hereby waives any claim, counterclaim, defense or right of set-off or recoupment with respect to any demand, claim or counterclaim by the Administrative Agent for the return of any Erroneous Payments, including without limitation waiver of any defense based on "discharge for value" or any similar doctrine.

(b) Without limiting the immediately preceding clause (a), each Payment Recipient agrees that, in the case of clause (a)(ii) above, it shall promptly notify the Administrative Agent in writing of such occurrence.

(c) Each Payment Recipient agrees that, in the case of either clause (a)(i) or (a)(ii) above, such Erroneous Payment shall at all times remain the property of the Administrative Agent and shall be segregated by the Payment Recipient and held in trust for the benefit of the Administrative Agent, and upon demand from the Administrative Agent such Payment Recipient shall (or, shall cause any Person who received any portion of an Erroneous Payment on its behalf to), promptly, but in all events no later than one Business Day thereafter, return to the Administrative Agent the amount of any such Erroneous Payment (or portion thereof) as to which such a demand was made in same day funds and in the currency so received, together with interest thereon in respect of each day from and including the date such Erroneous Payment (or portion thereof) was received by such Payment Recipient to the date such amount is repaid to the Administrative Agent at the greater of the Federal Funds Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation from time to time in effect.

(d) In the event that an Erroneous Payment (or portion thereof) is not recovered by the Administrative Agent for any reason, after demand therefor by the Administrative Agent in accordance with immediately preceding clause (c), from any Lender that is a Payment Recipient or an Affiliate of a Payment Recipient (such unrecovered amount as to such Lender, an "Erroneous Payment Return Deficiency"), then at the sole discretion of the Administrative Agent and upon the Administrative Agent's written notice to such Lender (i) such Lender shall be deemed to have made a cashless assignment of the full face amount of the portion of its Loans (but not its Commitments) of the relevant Class with respect to which such Erroneous Payment was made (the "Erroneous Payment Impacted Class") to the Administrative Agent or, at the option of the Administrative Agent, the Administrative Agent's applicable lending affiliate in an amount that is equal to the Erroneous Payment Return Deficiency (or such lesser amount as the Administrative Agent may specify) (such assignment of the Loans (but not Commitments) of the Erroneous Payment Impacted Class, the "Erroneous Payment Deficiency Assignment") plus any accrued and unpaid interest on such assigned amount, without further consent or approval of any party hereto and without any payment by the Administrative Agent or its applicable lending affiliate as the assignee of such Erroneous Payment Deficiency Assignment. The parties hereto acknowledge and agree that (1) any assignment contemplated in this clause (d) shall be made without any requirement for any payment or other consideration paid by the applicable assignee or received by the assignor, (2) the provisions of this clause (d) shall govern in the event of any conflict with the terms and conditions of Section 10.06 and (3) the Administrative Agent may reflect such assignments in the Register without further consent or action by any other Person.

(e) Each party hereto hereby agrees that (x) in the event an Erroneous Payment (or portion thereof) is not recovered from any Payment Recipient that has received such Erroneous Payment (or portion thereof) for any reason, the Administrative Agent (1) shall be subrogated to all the rights of such Payment Recipient with respect to such amount and (2) is authorized to set off, net and apply any and all amounts at any time owing to such Payment Recipient under any Loan Document, or otherwise payable or distributable by the Administrative Agent to such Payment Recipient from any source, against any amount due to the Administrative Agent under this Section 9.11 or under the indemnification provisions

of this Agreement, (y) the receipt of an Erroneous Payment by a Payment Recipient shall not for the purpose of this Agreement be treated as a payment, prepayment, repayment, discharge or other satisfaction of any Obligations owed by the Borrower or any other Loan Party, except, in each case, to the extent such Erroneous Payment is, and solely with respect to the amount of such Erroneous Payment that is, comprised of funds received by the Administrative Agent from the Borrower or any other Loan Party for the purpose of making a payment on the Obligations and (z) to the extent that an Erroneous Payment was in any way or at any time credited as payment or satisfaction of any of the Obligations, the Obligations or any part thereof that were so credited, and all rights of the Payment Recipient, as the case may be, shall be reinstated and continue in full force and effect as if such payment or satisfaction had never been received, except to the extent such Erroneous Payment is, and solely with respect to the amount of such Erroneous Payment that is, comprised of funds received by the Administrative Agent from the Borrower or any other Loan Party for the purpose of making a payment on the Obligations.

(f) Each party's obligations under this Section 9.11 shall survive the resignation or replacement of the Administrative Agent or any transfer of right or obligations by, or the replacement of, a Lender, the termination of the Commitments or the repayment, satisfaction or discharge of all Obligations (or any portion thereof) under any Loan Document.

(g) Nothing in this Section 9.11 will constitute a waiver or release of any claim of the Administrative Agent hereunder arising from any Payment Recipient's receipt of an Erroneous Payment.

ARTICLE X

Miscellaneous

SECTION 10.01. Amendments, Etc. Subject to Section 3.03(c), no amendment or waiver of any provision of this Agreement or any other Loan Document, and no consent to any departure by the Borrower or any Guarantor therefrom, shall be effective unless in writing entered into by the Required Lenders and the Borrower (and/or the Guarantors, as applicable) (or by the Administrative Agent with the consent of the Required Lenders and the Borrower (and/or the Guarantors, as applicable)), and each such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given; provided that:

(a) no such amendment, waiver or consent shall:

(i) [reserved];

(ii) postpone any date fixed by this Agreement or any other Loan Document for any payment of principal (excluding mandatory prepayments), interest, fees or other amounts due to a Lender, including, without limitation, by amending the definition of "Maturity Date", without the written consent of any such Lender entitled to receive such payment;

(iii) reduce the principal of, or the rate of interest specified herein on, any Loan, or (subject to clause (i) of the final proviso to this Section 10.01) any fees or other amounts payable hereunder or under any other Loan Document without the written consent of each Lender entitled to receive such payment of principal, interest, fees or other amounts; provided, however, that only the consent of the Required Lenders shall be necessary to amend the definition of "Default Rate";

(iv) change Section 8.02 in a manner that would alter the pro rata sharing of payments required thereby without the written consent of each Lender directly and adversely affected thereby;

(v) release all or substantially all of the value of the Guarantees under the Guarantee Agreement without the written consent of each Lender; or

(vi) change any provision of this Section 10.01(a) or the definition of "Required Lenders" without the written consent of each Lender directly and adversely affected thereby.

(b) unless also signed by the Administrative Agent, no amendment, waiver or consent shall affect the rights or duties of the Administrative Agent under this Agreement or any other Loan Document;

provided, however, that notwithstanding anything to the contrary herein:

(i) the Fee Letter may be amended, or rights or privileges thereunder waived, in a writing executed only by the parties thereto;

(ii) no Defaulting Lender shall have any right to approve or disapprove any amendment, waiver or consent hereunder (and any amendment, waiver or consent which by its terms requires the consent of all Lenders or each affected Lender may be effected with the consent of the applicable Lenders other than Defaulting Lenders), except that (x) [reserved] and (y) any waiver, amendment or modification requiring the consent of all Lenders or each affected Lender that by its terms affects any Defaulting Lender disproportionately adversely relative to other affected Lenders shall require the consent of such Defaulting Lender;

(iii) each Lender is entitled to vote as such Lender sees fit on any bankruptcy reorganization plan that affects the Loans, and each Lender acknowledges that the provisions of Section 1126(c) of the Bankruptcy Code of the United States supersedes the unanimous consent provisions set forth herein;

(iv) the Required Lenders shall determine whether or not to allow the Borrower (or any Guarantor) to use cash collateral in the context of a bankruptcy or insolvency proceeding and such determination shall be binding on all of the Lenders; and

(c) this Agreement may, in the Administrative Agent's reasonable discretion, be amended and waived with the consent of the Administrative Agent at the request of the Borrower without the need to obtain the consent of any other Lender if such amendment or waiver is not objected to in writing by the Required Lenders to the Administrative Agent within ten Business Days following receipt of notice thereof and if such amendment or waiver is effectuated in order to cure ambiguities or defects, any obvious error or any error or omission of a technical nature. The Administrative Agent shall promptly notify each Lender of any such amendment. Each of the parties hereto hereby agrees that, upon the effectiveness of any such amendment, this Agreement or the applicable Loan Document shall be deemed amended to the extent (but only to the extent) necessary to reflect the existence and terms of such amendment evidenced thereby. Notwithstanding the foregoing, any provision of this Agreement requiring the consent of all Lenders or all affected Lenders to amend or waive may be amended by an agreement in writing entered into by the Loan Parties, the Required Lenders and the Administrative Agent if at the time such amendment becomes effective, each Lender not consenting thereto receives payment in full of the principal of and interest accrued on each Loan made by it and all other amounts owing to it or accrued for its account under this Agreement.

SECTION 10.02. Notices and Other Communications; Facsimile Copies.

(a) Notices Generally. Except in the case of notices and other communications expressly permitted to be given by telephone (and except as provided in Section 10.02(b)), all notices and other communications provided for herein shall be in writing and shall be delivered by hand or overnight courier service, mailed by certified or registered mail or sent by facsimile as follows, and all notices and other communications expressly permitted hereunder to be given by telephone shall be made to the applicable telephone number, as follows:

(i) if to the Loan Parties or the Administrative Agent, to the address, facsimile number, electronic mail address or telephone number specified for such Person on Schedule 10.02; and

(ii) if to any other Lender, to the address, facsimile number, electronic mail address or telephone number specified in its Administrative Questionnaire.

Notices sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received; notices sent by facsimile shall be deemed to have been given when sent (except that, if not given during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next Business Day for the recipient). Notices delivered through electronic communications to the extent provided in subsection (b) below, shall be effective as provided in such subsection (b).

(b) Electronic Communications. Notices and other communications to the Lenders hereunder may be delivered or furnished by electronic communication (including e mail, FpML messaging, and Internet or intranet websites) pursuant to procedures approved by the Administrative Agent; provided that the foregoing shall not

apply to notices to any Lender pursuant to Article II if such Lender has notified the Administrative Agent that it is incapable of receiving notices under such Article II by electronic communication. The Administrative Agent or the Borrower may each, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it; provided that approval of such procedures may be limited to particular notices or communications. Unless otherwise notified by the Administrative Agent to the Borrower, the Borrower may satisfy its obligation to deliver documents or notices to the Administrative Agent or the Lenders under Sections 6.04, 6.05 and 6.06 by delivering an electronic copy to such e-mail address as provided to the Borrower in a notice from the Administrative Agent).

Unless the Administrative Agent otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement), and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient at its e-mail address as described in the foregoing clause (i) of notification that such notice or communication is available and identifying the website address therefor; provided that if such notice or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next Business Day for the recipient.

(c) Information. THE PLATFORM IS PROVIDED "AS IS" AND "AS AVAILABLE." THE AGENT PARTIES (AS DEFINED BELOW) DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF THE BORROWER MATERIALS OR THE ADEQUACY OF THE PLATFORM, AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS IN OR OMISSIONS FROM THE BORROWER MATERIALS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY ANY AGENT PARTY IN CONNECTION WITH THE BORROWER MATERIALS OR THE PLATFORM. In no event shall the Administrative Agent or any of its Related Parties (collectively, the "Agent Parties") have any liability to the Borrower, any Lender or any other Person for losses, claims, damages, liabilities or expenses of any kind (whether in tort, contract or otherwise) arising out of the Borrower's or the Administrative Agent's transmission of Borrower Materials through the Internet, except to the extent that such losses, claims, damages, liabilities or expenses are determined by a court of competent jurisdiction by a final judgment to have resulted from the gross negligence or willful misconduct of such Agent Party; provided, however, that in no event shall any Agent Party have any liability to the Borrower, any Lender or any other Person for indirect, special, incidental, consequential or punitive damages (as opposed to direct or actual damages).

(d) Change of Address, Etc. Each of the Borrower and the Administrative Agent may change its address, facsimile or telephone number for notices and other communications hereunder by notice to the other parties hereto. Each other Lender may change its address, facsimile or telephone number for notices and other communications hereunder by notice to the Borrower and the Administrative Agent. In addition, each Lender agrees to notify the Administrative Agent from time to time to ensure that the Administrative Agent has on record (i) an effective address, contact name, telephone number, facsimile number and electronic mail address to which notices and other communications may be sent and (ii) accurate wire instructions for such Lender.

(e) Reliance by Administrative Agent and Lenders. The Administrative Agent and the Lenders shall be entitled to rely and act upon any notices (including telephonic or electronic Loan Notices) purportedly given by or on behalf of the Borrower even if (i) such notices were not made in a manner specified herein, were incomplete or were not preceded or followed by any other form of notice specified herein, or (ii) the terms thereof, as understood by the recipient, varied from any confirmation thereof. The Borrower shall indemnify the Administrative Agent, each Lender and the Related Parties of each of them from all losses, costs, expenses and liabilities resulting from the reliance by such Person on each notice purportedly given by or on behalf of the Borrower. All telephonic notices to and other telephonic communications with the Administrative Agent may be recorded by the Administrative Agent, and each of the parties hereto hereby consents to such recording.

SECTION 10.03. No Waiver; Cumulative Remedies. No failure by any Lender or the Administrative Agent to exercise, and no delay by any such Person in exercising, any right, remedy, power or privilege hereunder or under any other Loan Document shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges herein provided, and provided under each other Loan Document are cumulative and not exclusive of any rights, remedies, powers and privileges provided by law.

Notwithstanding anything to the contrary contained herein or in any other Loan Document, the authority to enforce rights and remedies hereunder and under the other Loan Documents against the Borrower shall be vested exclusively in, and all actions and proceedings at law in connection with such enforcement shall be instituted and maintained exclusively by, the Administrative Agent in accordance with Section 8.01 for the benefit of all the Lenders or any other holder of any Obligations; provided, however, that the foregoing shall not prohibit (a) the Administrative Agent from exercising on its own behalf the rights and remedies that inure to its benefit (solely in its capacity as Administrative Agent) hereunder and under the other Loan Documents, (b) [reserved], (c) any Lender from exercising setoff rights in accordance with Section 10.08 (subject to the terms of Section 2.11), or (d) any Lender from filing proofs of claim or appearing and filing pleadings on its own behalf during the pendency of a proceeding relative to the Borrower or any Guarantor under any Debtor Relief Law; and provided, further, that if at any time there is no Person acting as Administrative Agent hereunder and under the other Loan Documents, then (i) the Required Lenders shall have the rights otherwise ascribed to the Administrative Agent pursuant to Section 8.02 and (ii) in addition to the matters set forth in clauses (b), (c) and (d) of the preceding proviso and subject to Section 2.11, any Lender may, with the consent of the Required Lenders, enforce any rights and remedies available to it and as authorized by the Required Lenders.

SECTION 10.04. Expenses; Indemnity; and Damage Waiver.

(a) Costs and Expenses. The Borrower shall pay (i) all reasonable documented out-of-pocket expenses incurred (and submitted with backup documentation supporting such reimbursement request) by the Administrative Agent and the Arranger (including the reasonable and documented fees, charges and disbursements of one outside counsel for the Administrative Agent and the Arranger taken as a whole and, if necessary, of one local counsel in any material jurisdiction), in connection with the preparation, negotiation, execution, delivery and administration of this Agreement and the other Loan Documents or any amendments, modifications or waivers of the provisions hereof or thereof and (ii) all reasonable and documented out-of-pocket expenses incurred by the Administrative Agent or any Lender, submitted with backup documentation supporting such reimbursement request (but limited, in the case of legal fees and expenses, to the reasonable and documented fees, disbursements and other charges of one outside counsel to the Administrative Agent and the Lenders taken as a whole and, if necessary, of one local counsel in any material jurisdiction), in connection with the enforcement or protection of their rights (A) in connection with this Agreement and the other Loan Documents, including its rights under this Section 10.04 or (B) in connection with the Loans made hereunder, including all such reasonable documented out-of-pocket expenses incurred during any workout, restructuring or negotiations in respect of such Loans.

(b) Indemnification by the Borrower. The Borrower shall indemnify the Administrative Agent, each Lender and each Related Party of any of the foregoing Persons (each such Person being called an "Indemnitee") against, and hold each Indemnitee harmless from, any and all losses, claims, damages and liabilities and related reasonable out-of-pocket expenses (including the reasonable and documented fees, charges and disbursements of one outside counsel for all Indemnitees and, if necessary, one local counsel in any material jurisdiction and, solely in the case of an actual conflict of interest, one additional counsel per affected Indemnitee or group of Persons capable of being represented separately by a single counsel) (and submitted with backup documentation supporting such reimbursement request) to which any such Indemnitee may become subject (but excluding Taxes which are the subject matter of Section 3.01 other than the net amount of any Taxes related to amounts paid pursuant to this Section 10.04(b)), arising out of or in connection with (x) this Agreement, any other Loan Document or any agreement or instrument contemplated hereby or thereby, the performance by the parties hereto of their respective obligations hereunder or thereunder or the consummation of the transactions contemplated hereby or thereby, (y) any Loan or the use or proposed use of the proceeds therefrom, or (z) any third-party claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory, whether brought by a third party or by the Borrower or any Guarantor, and regardless of whether any Indemnitee is a party thereto, **IN ALL CASES, WHETHER OR NOT CAUSED BY OR ARISING, IN WHOLE OR IN PART, OUT OF THE COMPARATIVE, CONTRIBUTORY OR SOLE NEGLIGENCE OF THE INDEMNITEE**; provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such

losses, claims, damages, liabilities or related expenses (i) are determined by a court of competent jurisdiction by final judgment to have resulted from the gross negligence or willful misconduct of such Indemnitee, (ii) result from a claim brought by the Borrower or any Guarantor against an Indemnitee for breach in bad faith of such Indemnitee's obligations hereunder or under any other Loan Document, if the Borrower or such Guarantor has obtained a final judgment in its favor on such claim as determined by a court of competent jurisdiction or (iii) does not directly involve an act or omission of the Borrower or any of its Affiliates and is brought by an Indemnitee against any other Indemnitee (any claim covered by clauses (i), (ii) or (iii), a "Barred Claim"). Without limiting the provisions of Section 3.01(c), this Section 10.04(b) shall not apply with respect to Taxes other than any Taxes that represent losses, claims, damages, etc. arising from any non-Tax claim.

(c) Reimbursement by Lenders. To the extent that the Borrower for any reason fails to indefeasibly pay any amount required under subsection (a) or (b) of this Section 10.04 to be paid by it to the Administrative Agent (or any sub-agent thereof) or any Related Party of any of the foregoing (and without limiting their obligation to do so), each Lender severally agrees to pay to the Administrative Agent (or any such sub-agent) or such Related Party, as the case may be, such Lender's Pro Rata Share of such unpaid amount (including any such unpaid amount in respect of a claim asserted by such Lender), such payment to be made severally among them based on such Lender's Pro Rata Share (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought); provided that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Administrative Agent (or any such sub-agent) in its capacity as such, or against any Related Party of any of the foregoing acting for the Administrative Agent (or any such sub-agent) in connection with such capacity. The obligations of the Lenders under this subsection (c) are subject to the provisions of Section 2.10(d).

(d) Waiver of Consequential Damages, Etc. To the fullest extent permitted by applicable Law, neither (x) the Borrower nor (y) the Administrative Agent (and any sub-agent thereof), each Lender, and each Related Party of any of the foregoing Persons (each of the foregoing persons in clause (y), a "Lender Related Person") shall assert, and the Borrower and each Lender Related Person hereby waives, and acknowledges that no other Person shall have, any claim against any Lender Related Person or the Borrower, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document or any agreement or instrument contemplated hereby, the transactions contemplated hereby or thereby, any Loan or the use of the proceeds thereof; it being understood that this sentence does not limit the Borrower's indemnification obligations with respect to such damages owed by an Indemnitee to a third party other than in connection with a Barred Claim of such Indemnitee. Neither the Borrower nor any Lender Related Person shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed by it through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Loan Documents or the transactions contemplated hereby or thereby unless such damages were caused by the Borrower's (or any Guarantor's) or such Lender Related Person's gross negligence or willful misconduct, as determined in a final judgment by a court of competent jurisdiction.

(e) Payments. All amounts due under this Section 10.04 shall be payable not later than twenty Business Days after written demand therefor (accompanied by back up documentation). Notwithstanding any of the foregoing in clauses (a) and (b) of this Section 10.04, each Indemnitee (and its Related Parties) shall be obligated to refund or return promptly any and all amounts paid by the Borrower under this Section 10.04 to such Indemnitee to the extent such Indemnitee (or its Related Parties) is not entitled to payment of such amount in accordance with the terms hereof.

(f) Survival. The agreements in this Section 10.04 and the indemnity provisions of Section 10.02(e) shall survive the resignation of the Administrative Agent, the replacement of any Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all the other Obligations.

SECTION 10.05. Payments Set Aside. To the extent that any payment by or on behalf of the Borrower or any Guarantor is made to the Administrative Agent or any Lender, or the Administrative Agent or any Lender exercises its right of setoff, and such payment or the proceeds of such setoff or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by the Administrative Agent or such Lender in its discretion) to be repaid to a trustee, receiver or any other party, in connection with any proceeding under any Debtor Relief Law or otherwise, then (a) to the extent of such recovery, the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such setoff had not occurred, and (b) each Lender severally agrees to pay to the Administrative Agent upon demand its applicable share (without duplication) of any amount so recovered from or repaid by the Administrative Agent, plus interest thereon from the date of such demand to the date such payment is made at a rate per annum equal to the Federal Funds Rate from time to time in effect. The obligations of the Lenders under clause (b) of the preceding sentence shall survive the payment in full of the Obligations and the termination of this Agreement.

SECTION 10.06. Successors and Assigns.

(a) Successors and Assigns Generally. The provisions of this Agreement and the other Loan Documents shall be binding upon and inure to the benefit of the parties hereto and thereto and their respective successors and assigns permitted hereby, except that the Borrower may not assign or otherwise transfer any of its rights or obligations hereunder or thereunder without the prior written consent of the Administrative Agent and each Lender and no Lender may assign or otherwise transfer any of its rights or obligations hereunder except (i) to an assignee in accordance with the provisions of Section 10.06(b), (ii) by way of participation in accordance with the provisions of Section 10.06(d) or (iii) by way of pledge or assignment of a security interest subject to the restrictions of Section 10.06(e) (and any other attempted assignment or transfer by any party hereto shall be null and void). Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective

successors and assigns permitted hereby, Participants to the extent provided in Section 10.06(d) and, to the extent expressly contemplated hereby, the Related Parties of each of the Administrative Agent and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) Assignments by Lenders. Any Lender may assign all or a portion of its rights and obligations under this Agreement and the other Loan Documents (including all or a portion of its Term Commitment and the Loans) at any time owing to it); provided that any such assignment shall be subject to the following conditions:

(i) Minimum Amounts.

(x) in the case of an assignment of the entire remaining amount of the assigning Lender's Term Commitment or Loans at the time owing to it or in the case of an assignment to a Lender, no minimum amount need be assigned; and

(y) in any case not described in Section 10.06(b)(i)(x), the aggregate amount of the Term Commitment or the principal outstanding balance of the Loans of the assigning Lender subject to each such assignment, determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent or, if "Trade Date" is specified in the Assignment and Assumption, as of the "Trade Date" specified in the Assignment and Assumption, shall not be less than $5,000,000 unless each of the Administrative Agent and, so long as no Event of Default pursuant to Section 8.01(b), (c), (g) or (h) (in the case of clauses (g) and (h), with respect to the Borrower) has occurred and is continuing at the time of such assignment, the Borrower otherwise consents.

(ii) Proportionate Amounts. Each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's Loans or Term Commitments, and rights and obligations with respect thereto, assigned, except that this Section 10.06(b)(ii) shall not prohibit any Lender from assigning all or a portion of its related rights and obligations in respect of its Term Commitment or Loans on a non-pro rata basis;

(iii) Required Consents. No consent shall be required for any assignment except to the extent required by Section 10.06(b)(i)(y) and, in addition:

(A) the prior written consent of the Borrower shall be required unless an Event of Default under Section 8.01(b), (c), (g) or (h) (in the case of clauses (g) and (h), with respect to the Borrower) has occurred and is continuing at the time of such assignment; and

(B) the consent of the Administrative Agent (such consent not to be unreasonably withheld, delayed or conditioned) shall be required for assignments in respect of any Term Commitment or Term Loans if such assignment is to a Person that is not a Lender or an Affiliate of such Lender; and

(C) [reserved]; and

(D) except as expressly permitted pursuant to Section 10.07(f)(i), no Lender may provide any Information (as defined in Section 10.07) to any prospective Lender, Participant or pledgee without the prior written consent of the Borrower.

(iv) Assignment and Assumption. The parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption, together with a processing and recordation fee in the amount of $3,500; provided, however, that the Administrative Agent may, in its sole discretion, elect to waive such processing and recordation fee in the case of any assignment. The assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire and any tax forms required by Section 3.01(e).

(v) No Assignment to Certain Persons. No such assignment shall be made (w) to any Defaulting Lender or any of its Subsidiaries or any Person who, upon becoming a Lender hereunder, would constitute any of the foregoing Persons described in this clause (w), (x) to a natural Person, (y) to any Person that fails to make a representation that it is a Qualified Person or (z) to a Disqualified Institution.

(vi) Certain Additional Payments. In connection with any assignment of rights and obligations of any Defaulting Lender hereunder, no such assignment shall be effective unless and until, in addition to the other conditions thereto set forth herein, the parties to the assignment shall make such additional payments to the Administrative Agent in an aggregate amount sufficient, upon distribution thereof as appropriate (which may be outright payment, purchases by the assignee of participations, or other compensating actions, including funding, with the consent of the Borrower and the Administrative Agent, the applicable pro rata share of Loans previously requested but not funded by the Defaulting Lender, to each of which the applicable assignee and assignor hereby irrevocably consent), to (x) pay and satisfy in full all payment liabilities then owed by such Defaulting Lender to the Administrative Agent or any Lender hereunder (and interest accrued thereon) and (y) acquire (and fund as appropriate) its full pro rata share of all Loans in accordance with its Pro Rata Share. Notwithstanding the foregoing, in the event that any assignment of rights and obligations of any Defaulting Lender hereunder shall become effective under applicable Law without compliance with the provisions of this paragraph, then the assignee of such interest shall be deemed to be a Defaulting Lender for all purposes of this Agreement until such compliance occurs.

Subject to acceptance and recording thereof by the Administrative Agent pursuant to Section 10.06(c), from and after the effective date specified in each Assignment and Assumption, the assignee thereunder shall be a party to this Agreement and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from

its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto) but shall continue to be entitled to the benefits of Sections 3.01, 3.04, 3.05 and 10.04 with respect to facts and circumstances occurring prior to the effective date of such assignment; provided that, except to the extent otherwise expressly agreed by the affected parties, no assignment by a Defaulting Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender. Upon request, the Borrower (at its expense) shall execute and deliver a Note or Notes to the assignee Lender. Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this subsection shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with Section 10.06(d).

(c) Register. The Administrative Agent, acting solely for this purpose as an agent of the Borrower (and such agency being solely for tax purposes), shall maintain at the Administrative Agent's Office a copy of each Assignment and Assumption delivered to it (or the equivalent thereof in electronic form) and a register for the recordation of the names and addresses of the Lenders, and the Term Commitments of, and principal amounts (and stated interest) of the Loans owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive absent demonstrable error, and the Borrower, the Administrative Agent and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. In addition, the Administrative Agent shall maintain on the Register information regarding the designation, and revocation of designation, of any Lender as a Defaulting Lender. The Register shall be available for inspection by the Borrower and any Lender at any reasonable time and from time to time upon reasonable prior notice.

(d) Participations. A Lender may, but only with the prior written consent of the Borrower, and notice to the Borrower and the Administrative Agent, in accordance with applicable Law, sell participations to any Person (other than a natural Person, a Defaulting Lender, the Borrower or any of the Borrower's Affiliates or Subsidiaries, a Person that fails to represent to such Lender that it is a Qualified Person or a Disqualified Institution) (each, a "Participant") in all or a portion of such Lender's rights and/or obligations under this Agreement (including all or a portion of its Loans at any time owing to it); provided that (i) such Lender's obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (iii) the Borrower, the Administrative Agent and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. For the avoidance of doubt, each Lender shall be responsible for the indemnity under Section 10.04(c) without regard to the existence of any participation.

Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; provided that such agreement or instrument may provide that such Lender will

not, without the consent of the Participant, agree to any amendment, waiver or other modification described in clauses (i) through (vi) of the Section 10.01(a) that affects such Participant. The Borrower agrees that each Participant shall be entitled to the benefits of Sections 3.01, 3.04 and 3.05 to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to subsection (b) of this Section 10.06 (it being understood that the documentation required under Section 3.01(e) shall be delivered to the Lender who sells the participation); provided that such Participant (i) agrees to be subject to the provisions of Sections 3.06 and 10.13 as if it were an assignee under paragraph (b) of this Section 10.06 and (ii) shall not be entitled to receive any greater payment under Sections 3.01 or 3.04, with respect to any participation, than the Lender from whom it acquired the applicable participation would have been entitled to receive. Each Lender that sells a participation agrees, at the Borrower's request and expense, to use reasonable efforts to cooperate with the Borrower to effectuate the provisions of Section 3.06 with respect to any Participant. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 10.08 as though it were a Lender; provided that such Participant agrees to be subject to Section 2.11 as though it were a Lender. Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under the Loan Documents (the "Participant Register"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any commitments, loans, letters of credit or its other obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such commitment, loan, letters of credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent demonstrable error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(e) Certain Pledges. Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement (including under its Note, if any) to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank or any central bank having jurisdiction over such Lender; provided that no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto or grant such pledgee or assignee enforcement rights prior to a foreclosure on such pledge or assignment or any voting rights.

(f) Lender Representations. Each Lender, by the execution and delivery of an Assignment and Assumption or other documentation by which it became a Lender hereto, hereby represents and warrants to the Borrower and the Administrative Agent that (i) it is a Qualified Person and (ii) as of the date of execution of such Assignment and Assumption or other applicable documentation such Lender has not (x) sold a participation to a Person that is not a Qualified Person or (y) agreed to (1) assign its Term Commitments or Loans to a Person that is not a Qualified Person, or (2) sell a participation to a Person that is not a Qualified Person.

(g) Disqualified Institutions. (i) No assignment or participation shall be made to any Person that was a Disqualified Institution as of the date (the "Trade Date") on which the applicable Lender entered into a binding agreement to sell and assign or participate all or a portion of its rights and obligations under this Agreement to such Person (unless the Borrower has consented to such assignment in writing, in which case such Person will not be considered a Disqualified Institution for the purpose of such assignment). For the avoidance of doubt, with respect to any assignee or participant that becomes a Disqualified Institution after the applicable Trade Date (including as a result of the delivery of a notice pursuant to, and/or the expiration of the notice period referred to in, the definition of "Disqualified Institution"), (x) such assignee shall not retroactively be disqualified from becoming a Lender or participant and (y) the execution by the Borrower of an Assignment and Assumption with respect to such assignee will not by itself result in such assignee no longer being considered a Disqualified Institution. Any assignment in violation of this clause (g)(i) shall not be void, but the other provisions of this clause (g) shall apply.

(ii) If any assignment or participation is made to any Disqualified Institution without the Borrower's prior consent in violation of clause (i) above, or if any Person becomes a Disqualified Institution after the applicable Trade Date, the Borrower may, at its sole expense and effort, upon notice to the applicable Disqualified Institution and the Administrative Agent, (A) terminate any Term Commitment of such Disqualified Institution and repay all obligations of the Borrower owing to such Disqualified Institution in connection with such Term Commitment or Loan and/or (B) require such Disqualified Institution to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in this Section 10.06), all of its interest, rights and obligations under this Agreement and related Loan Documents to an Eligible Assignee that shall assume such obligations at the lesser of (x) the principal amount thereof and (y) the amount that such Disqualified Institution paid to acquire such interests, rights and obligations, in each case plus accrued interest, accrued fees and all other amounts (other than principal amounts) payable to it hereunder and under the other Loan Documents; provided that (i) the Borrower shall have paid to the Administrative Agent the assignment fee (if any) specified in Section 10.06(b) and (ii) such assignment does not conflict with applicable Laws.

(iii) Notwithstanding anything to the contrary contained in this Agreement, Disqualified Institutions (A) will not (x) have the right to receive information, reports or other materials provided to Lenders by the Borrower, the Administrative Agent or any other Lender, (y) attend or participate in meetings attended by the Lenders and the Administrative Agent, or (z) access any electronic site established for the Lenders or confidential communications from counsel to or financial advisors of the Administrative Agent or the Lenders and (B)(x) for purposes of any consent to any amendment, waiver or modification of, or any action under, and for the purpose of any direction to the Administrative Agent or any

Lender to undertake any action (or refrain from taking any action) under this Agreement or any other Loan Document, each Disqualified Institution will be deemed to have consented in the same proportion as the Lenders that are not Disqualified Institutions consented to such matter, and (y) for purposes of voting on any plan of reorganization or plan of liquidation pursuant to any Debtor Relief Laws ("Plan of Reorganization"), each Disqualified Institution party hereto hereby agrees (1) not to vote on such Plan of Reorganization, (2) if such Disqualified Institution does vote on such Plan of Reorganization notwithstanding the restriction in the foregoing clause (1), such vote will be deemed not to be in good faith and shall be "designated" pursuant to Section 1126(e) of the Bankruptcy Code (or any similar provision in any other Debtor Relief Laws), and such vote shall not be counted in determining whether the applicable class has accepted or rejected such Plan of Reorganization in accordance with Section 1126(c) of the Bankruptcy Code (or any similar provision in any other Debtor Relief Laws) and (3) not to contest any request by any party for a determination by the Bankruptcy Court (or other applicable court of competent jurisdiction) effectuating the foregoing clause (2).

(iv) The Administrative Agent shall have the right, and the Borrower hereby expressly authorizes the Administrative Agent, to (A) post the list of Disqualified Institutions provided by the Borrower and any updates thereto from time to time (collectively, the "DQ List") on the Platform, including that portion of the Platform that is designated for "public side" Lenders or (B) provide the DQ List to each Lender requesting the same.

SECTION 10.07. Treatment of Certain Information; Confidentiality. Each of the Administrative Agent and the Lenders agrees to maintain the confidentiality of the Information (as defined below) and to not use the Information for any purpose except in connection with the Loan Documents, except that Information may be disclosed (a) to its Affiliates, its auditors and to its Related Parties whom it reasonably determines needs to know such information in connection with this Agreement and the transactions contemplated hereby (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential), (b) to the extent required or requested by any regulatory authority purporting to have jurisdiction over such Person or its Related Parties (including any self-regulatory authority, such as the National Association of Insurance Commissioners) or in connection with any pledge or assignment permitted under Section 10.06(e), (c) to the extent required by applicable laws or regulations or by any subpoena or similar legal process (in which case such disclosing Person agrees to inform the Borrower promptly thereof prior to such disclosure to the extent not prohibited by law, rule or regulation and to the extent reasonably practicable so that the Borrower may seek a protective order or other appropriate remedy (including by participation in any proceeding to which the Administrative Agent or any such Lender is a party, and each of them hereby agrees to use reasonable effort to permit the Borrower to do so)), (d) to any other party hereto, (e) in connection with the exercise of any remedies hereunder or under any other Loan Document or any action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder, (f) subject to an agreement (x) containing provisions substantially the same as (or containing provisions more

restrictive than) those of this Section 10.07 and (y) listing the Borrower as an express third party beneficiary, to (i) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential) or (ii) any actual or prospective counterparty (or its Related Parties) to any swap or derivative transaction relating to the Borrower and its obligations (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential), (g) on a confidential basis to the provider of any Platform or other electronic delivery service used by the Administrative Agent to deliver Borrower Materials or notices to the Lenders, (h) the CUSIP Service Bureau or any similar agency in connection with the application, issuance, publishing and monitoring of CUSIP numbers or other market identifiers with respect to the credit facility provided hereunder, or (i) to the extent such Information (x) becomes publicly available other than as a result of a breach of this Section 10.07 or (y) becomes available to the Administrative Agent, any Lender or any of their respective Affiliates on a nonconfidential basis from a source other than the Borrower.

For the purposes of this Section 10.07, "Information" means all information (including financial statements, certificates and reports and analyses, compilations and studies prepared by or on behalf of the Administrative Agent or any Lender based on any of the foregoing) received from or on behalf of the Borrower relating to the Borrower or its Affiliates or its business or relating to any employee, member or partner or customer of the Borrower, other than any such information that is or becomes available to the Administrative Agent or any Lender on a nonconfidential basis. Any Person required to maintain the confidentiality of Information as provided in this Section shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

Each of the Administrative Agent and the Lenders acknowledges that (a) the Information may include material non-public information concerning the Borrower, a Subsidiary, their respective Affiliates or any of their respective securities, as the case may be, (b) it has developed compliance procedures regarding the use of material non-public information and (c) it will handle such material non-public information in accordance with applicable Law, including United States Federal and state securities Laws.

SECTION 10.08. Set-off. If an Event of Default shall have occurred and be continuing, each Lender and each of its respective Affiliates is hereby authorized at any time and from time to time to the fullest extent permitted by applicable Law, to set-off and apply any and all deposits (general or special, time or demand, provisional or final, in whatever currency) at any time held and other obligations (in whatever currency) at any time owing by such Lender or any such Affiliate to or for the credit or the account of the Borrower against any and all of the obligations of the Borrower now or hereafter existing under this Agreement or any other Loan Document to such Lender or its respective Affiliates, irrespective of whether or not such Lender shall have made any demand under this Agreement or any other Loan Document and although such obligations of the Borrower

may be contingent or unmatured or are owed to a branch or office of such Lender different from the branch or office holding such deposit or obligated on such indebtedness; provided that, in the event that any Defaulting Lender shall exercise any such right of setoff, (x) all amounts so set off shall be paid over immediately to the Administrative Agent for further application in accordance with the provisions of Section 2.12 and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Administrative Agent and the Lenders, and (y) the Defaulting Lender shall provide promptly to the Administrative Agent a statement describing in reasonable detail the Obligations owing to such Defaulting Lender as to which it exercised such right of setoff. The rights of each Lender and its respective Affiliates under this Section 10.08 are in addition to other rights and remedies (including other rights of set-off) that such Lender or its respective Affiliates may have. Each Lender agrees to notify the Borrower and the Administrative Agent promptly after any such setoff and application; provided that the failure to give such notice shall not affect the validity of such setoff and application.

SECTION 10.09. Interest Rate Limitation. Notwithstanding anything to the contrary contained in any Loan Document, the interest paid or agreed to be paid under the Loan Documents shall not exceed the maximum rate of non-usurious interest permitted by applicable Law (the "Maximum Rate"). If the Administrative Agent or any Lender shall receive interest in an amount that exceeds the Maximum Rate, the excess interest shall be applied to the principal of the Loans or, if it exceeds such unpaid principal, refunded to the Borrower. In determining whether the interest contracted for, charged, or received by the Administrative Agent or a Lender exceeds the Maximum Rate, such Person may, to the extent permitted by applicable Law, (a) characterize any payment that is not principal as an expense, fee, or premium rather than interest, (b) exclude voluntary prepayments and the effects thereof, and (c) amortize, prorate, allocate, and spread in equal or unequal parts the total amount of interest throughout the contemplated term of the Obligations hereunder.

SECTION 10.10. Integration. This Agreement and the other Loan Documents constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof.

SECTION 10.11. Survival of Representations and Warranties. All representations and warranties made hereunder and in any other Loan Document or other document delivered pursuant hereto or thereto or in connection herewith or therewith shall survive the execution and delivery hereof and thereof. Such representations and warranties have been or will be relied upon by the Administrative Agent and each other Lender, regardless of any investigation made by the Administrative Agent or any other Lender or on their behalf and notwithstanding that the Administrative Agent or any other Lender may have had notice or knowledge of any Default at the time of any Borrowing, and shall continue in full force and effect until the Obligations have been indefeasibly paid in full and the Commitments have expired or terminated.

SECTION 10.12. Severability. If any provision of this Agreement or the other Loan Documents is held to be illegal, invalid or unenforceable, (a) the legality, validity and enforceability of the remaining provisions of this Agreement and the other Loan Documents shall not be affected or impaired thereby and (b) the parties shall endeavor in good faith negotiations to replace the illegal, invalid or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the illegal, invalid or unenforceable provisions. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. Without limiting the foregoing provisions of this Section 10.12, if and to the extent that the enforceability of any provisions in this Agreement relating to Defaulting Lenders shall be limited by Debtor Relief Laws, as determined in good faith by the Administrative Agent, then such provisions shall be deemed to be in effect only to the extent not so limited.

SECTION 10.13. Replacement of Lenders. If (a) any Lender requests compensation under Section 3.04, (b) the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.01, (c) any Lender is a Non-Consenting Lender, (d) any Lender is a Defaulting Lender or (e) any other circumstance exists hereunder that gives the Borrower the right to replace a Lender as a party hereto, then the Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in, and consents required by, Section 10.06), all of its interests, rights (other than its existing rights to payments pursuant to Sections 3.01 and 3.04) and obligations under this Agreement and the related Loan Documents to an Eligible Assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment); provided that:

(i) the Borrower or the applicable replacement Lender shall have paid the Administrative Agent the assignment fee specified in Section 10.06(b);

(ii) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder and under the other Loan Documents (including any amounts under Section 3.05) from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other amounts);

(iii) in the case of any such assignment resulting from a claim for compensation under Section 3.04 or payments required to be made pursuant to Section 3.01, such assignment will result in a reduction in such compensation or payments thereafter;

(iv) such assignment does not conflict with applicable Laws; and

(v) in the case of any such assignment resulting from a Non-Consenting Lender’s failure to consent to a proposed change, waiver, discharge or termination with respect to any Loan Document, the applicable replacement bank or financial institution consents to the proposed change, waiver, discharge or termination;

provided that the failure by such Non-Consenting Lender to execute and deliver an Assignment and Assumption shall not impair the validity of the removal of such Non-Consenting Lender and the mandatory assignment of such Non-Consenting Lender's Commitments and outstanding Loans pursuant to this Section 10.13 shall nevertheless be effective without the execution by such Non-Consenting Lender of an Assignment and Assumption.

A Lender shall not be required to make any such assignment or delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrower to require such assignment and delegation cease to apply.

Each party hereto agrees that (a) an assignment required pursuant to this Section 10.13 may be effected pursuant to an Assignment and Assumption executed by the Borrower, the Administrative Agent and the assignee and (b) the Lender required to make such assignment need not be a party thereto in order for such assignment to be effective and shall be deemed to have consented to and be bound by the terms thereof; provided that, following the effectiveness of any such assignment, the other parties to such assignment agree to execute and deliver such documents necessary to evidence such assignment as reasonably requested by the applicable Lender, provided, further that any such documents shall be without recourse to or warranty by the parties thereto.

SECTION 10.14. Governing Law; Jurisdiction; Etc.

(a) GOVERNING LAW. THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS AND ANY CLAIMS, CONTROVERSY, DISPUTE OR CAUSE OF ACTION (WHETHER IN CONTRACT OR TORT OR OTHERWISE) BASED UPON, ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT (EXCEPT, AS TO ANY OTHER LOAN DOCUMENT, AS EXPRESSLY SET FORTH THEREIN) AND THE TRANSACTIONS CONTEMPLATED HEREBY AND THEREBY SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

(b) SUBMISSION TO JURISDICTION. THE BORROWER IRREVOCABLY AND UNCONDITIONALLY AGREES THAT IT WILL NOT COMMENCE ANY ACTION, LITIGATION OR PROCEEDING OF ANY KIND OR DESCRIPTION, WHETHER IN LAW OR EQUITY, WHETHER IN CONTRACT OR IN TORT OR OTHERWISE, AGAINST THE ADMINISTRATIVE AGENT, ANY LENDER OR ANY RELATED PARTY OF THE FOREGOING IN ANY WAY RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS RELATING HERETO OR THERETO, IN ANY FORUM OTHER THAN THE COURTS OF THE STATE OF NEW YORK SITTING IN NEW YORK COUNTY AND OF THE UNITED STATES DISTRICT COURT FOR THE SOUTHERN DISTRICT OF NEW YORK, AND ANY APPELLATE COURT FROM ANY THEREOF, AND EACH OF THE PARTIES HERETO IRREVOCABLY AND UNCONDITIONALLY SUBMITS TO THE JURISDICTION OF SUCH COURTS AND AGREES THAT ALL CLAIMS IN RESPECT OF ANY SUCH ACTION, LITIGATION

OR PROCEEDING MAY BE HEARD AND DETERMINED IN SUCH NEW YORK STATE COURT OR, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, IN SUCH FEDERAL COURT. EACH OF THE PARTIES HERETO AGREES THAT A FINAL JUDGMENT IN ANY SUCH ACTION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW. NOTHING IN THIS AGREEMENT OR IN ANY OTHER LOAN DOCUMENT SHALL AFFECT ANY RIGHT THAT THE ADMINISTRATIVE AGENT OR ANY LENDER MAY OTHERWISE HAVE TO BRING ANY ACTION OR PROCEEDING RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT AGAINST THE BORROWER OR ITS PROPERTIES IN THE COURTS OF ANY JURISDICTION.

(c) WAIVER OF VENUE. THE BORROWER HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY OBJECTION THAT IT MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY SUIT, ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT IN ANY COURT REFERRED TO IN PARAGRAPH (B) OF THIS SECTION. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY LAW, THE DEFENSE OF AN INCONVENIENT FORUM TO THE MAINTENANCE OF SUCH ACTION OR PROCEEDING IN ANY SUCH COURT.

(d) SERVICE OF PROCESS. EACH PARTY HERETO IRREVOCABLY CONSENTS TO SERVICE OF PROCESS IN THE MANNER PROVIDED FOR NOTICES IN SECTION 10.02. NOTHING IN THIS AGREEMENT WILL AFFECT THE RIGHT OF ANY PARTY HERETO TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY APPLICABLE LAW.

SECTION 10.15. WAIVER OF RIGHT TO TRIAL BY JURY. EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 10.15.

SECTION 10.16. USA PATRIOT Act Notice. Each Lender that is subject to the PATRIOT Act (as hereinafter defined) and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies the Loan Parties that pursuant to the requirements of the USA Patriot Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)) (the "PATRIOT Act"), it is required to obtain, verify and record information that identifies the Borrower and any Guarantors, which information includes the name and address of the Borrower or such Guarantor and other information that will allow such Lender or the Administrative Agent, as applicable, to identify the Borrower or such Guarantor in accordance with the PATRIOT Act. The Borrower shall, promptly following a written request by the Administrative Agent or any Lender through the Administrative Agent, provide all documentation and other information that the Administrative Agent or such Lender requires pursuant to applicable Law or reasonably requests, in any such case, in order to comply with its ongoing obligations under applicable "know your customer" and anti-money laundering rules and regulations, including the PATRIOT Act.

SECTION 10.17. No Advisory or Fiduciary Responsibility. In connection with all aspects of each transaction contemplated hereby (including in connection with any amendment, waiver or other modification hereof or of any other Loan Document), each of the Borrower and each other Loan Party acknowledges and agrees that: (a) (i) the arranging and other services regarding this Agreement provided by the Administrative Agent, the Arranger and the Lenders are arm's-length commercial transactions between the Borrower and each other Loan Party, on the one hand, and the Administrative Agent, the Arranger and the Lenders, on the other hand, (ii) each of the Borrower and each other Loan Party has consulted its own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate and (iii) the Borrower and each other Loan Party are capable of evaluating, and understands and accepts, the terms, risks and conditions of the transactions contemplated hereby and by the other Loan Documents; (b) (i) the Administrative Agent, the Arranger and each Lender is and has been acting solely as a principal and, except as expressly agreed in writing by the relevant parties, has not been, is not, and will not be acting as an advisor, agent or fiduciary for the Borrower or any other Loan Party and (ii) neither the Administrative Agent, the Arranger nor any Lender has any obligation to the Borrower or any other Loan Party with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Loan Documents; and (c) the Administrative Agent, the Arranger, the Lenders and their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Borrower and the other Loan Parties, and neither the Administrative Agent, the Arranger nor any Lender has any obligation to disclose any of such interests to the Borrower and each other Loan Party. To the fullest extent permitted by law, each of the Borrower and each other Loan Party hereby waives and releases any claims that it may have against the Administrative Agent, the Arranger or any Lender with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transaction contemplated hereby.

SECTION 10.18. Electronic Execution of Assignments and Certain Other Documents. Any document, amendment, approval, consent, information, notice, certificate, request, statement, disclosure or authorization related to this Agreement (each a "Communication"), including Communications required to be in writing, may be in the form of an Electronic Record and may be executed using Electronic Signatures. The

Borrower agrees that any Electronic Signature on or associated with any Communication shall be valid and binding on the Borrower to the same extent as a manual, original signature, and that any Communication entered into by Electronic Signature, will constitute the legal, valid and binding obligation of the Borrower enforceable against such in accordance with the terms thereof to the same extent as if a manually executed original signature was delivered. Any Communication may be executed in as many counterparts as necessary or convenient, including both paper and electronic counterparts, but all such counterparts are one and the same Communication. For the avoidance of doubt, the authorization under this Section may include, without limitation, use or acceptance by the Administrative Agent and each of the Lenders of a manually signed paper Communication which has been converted into electronic form (such as scanned into .pdf format), or an electronically signed Communication converted into another format, for transmission, delivery and/or retention. The Administrative Agent and each of the Lenders may, at its option, create one or more copies of any Communication in the form of an imaged Electronic Record ("Electronic Copy"), which shall be deemed created in the ordinary course of the such Person's business, and destroy the original paper document. All Communications in the form of an Electronic Record, including an Electronic Copy, shall be considered an original for all purposes, and shall have the same legal effect, validity and enforceability as a paper record. Notwithstanding anything contained herein to the contrary, the Administrative Agent is under no obligation to accept an Electronic Signature in any form or in any format unless expressly agreed to by the Administrative Agent pursuant to procedures approved by it; provided, that, without limiting the foregoing, (a) to the extent the Administrative Agent has agreed to accept such Electronic Signature, the Administrative Agent and each of the Lenders shall be entitled to rely on any such Electronic Signature purportedly given by or on behalf of the Borrower without further verification and (b) upon the request of the Administrative Agent or any Lender, any Electronic Signature shall be promptly followed by such manually executed counterpart.

SECTION 10.19. Acknowledgement and Consent to Bail-In of Affected Financial Institutions. Solely to the extent any Lender that is an Affected Financial Institution is a party to this Agreement, notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Lender that is an Affected Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of the applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by the applicable Resolution Authority to any such liabilities arising hereunder which may be payable to it by any Lender that is an Affected Financial Institution; and

(b) the effects of any Bail-In Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such Affected Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of the applicable Resolution Authority.

SECTION 10.20. ENTIRE AGREEMENT. THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS REPRESENT THE FINAL AGREEMENT AMONG THE PARTIES AND MAY NOT BE CONTRADICTED BY EVIDENCE OF PRIOR, CONTEMPORANEOUS, OR SUBSEQUENT ORAL AGREEMENTS OF THE PARTIES. THERE ARE NO UNWRITTEN ORAL AGREEMENTS AMONG THE PARTIES.

SECTION 10.21. Judgment Currency. If, for the purposes of obtaining judgment in any court, it is necessary to convert a sum due hereunder or any other Loan Document in one currency into another currency, the rate of exchange used shall be that at which in accordance with normal banking procedures the Administrative Agent could purchase the first currency with such other currency on the Business Day preceding that on which final judgment is given. The obligation of each Loan Party in respect of any such sum due from it to the Administrative Agent or any Lender hereunder or under the other Loan Documents shall, notwithstanding any judgment in a currency (the "Judgment Currency") other than that in which such sum is denominated in accordance with the applicable provisions of this Agreement (the "Agreement Currency"), be discharged only to the extent that on the Business Day following receipt by the Administrative Agent or such Lender, as the case may be, of any sum adjudged to be so due in the Judgment Currency, the Administrative Agent or such Lender, as the case may be, may in accordance with normal banking procedures purchase the Agreement Currency with the Judgment Currency. If the amount of the Agreement Currency so purchased is less than the sum originally due to the Administrative Agent or any Lender from any Loan Party in the Agreement Currency, such Loan Party agrees, as a separate obligation and notwithstanding any such judgment, to indemnify the Administrative Agent or such Lender, as the case may be, against such loss. If the amount of the Agreement Currency so purchased is greater than the sum originally due to the Administrative Agent or any Lender in such currency, the Administrative Agent or such Lender, as the case may be, agrees to return the amount of any excess to such Loan Party (or to any other Person who may be entitled thereto under applicable Law)

SECTION 10.22. Termination, Release of Guarantees. (a) The Guarantee Agreement and the guarantees made therein shall terminate when all the Obligations (other than contingent indemnification obligations) have been indefeasibly paid in full in cash and the Commitments have expired or been terminated.

(b) A Guarantor shall automatically be released from its obligations under the Loan Documents and the guarantee of such Guarantor made under the Guarantee Agreement shall automatically be released upon the consummation of any transaction permitted by this Agreement as a result of which (i) such Guarantor ceases to be a Covered Subsidiary pursuant to the terms of this Agreement or (ii) the equity of such Guarantor ceases to be owned, directly or indirectly, by any ParentCo.

(c) Notwithstanding anything to the contrary in this Agreement or the other Loan Documents, it is understood and agreed that, except as specifically set forth above in paragraphs (a) and (b) of this Section, the Guarantee of any Guarantor pursuant to the Guarantee Agreement will not be released except pursuant to a consent or amendment entered into pursuant to and in compliance with Section 10.01, including without limitation in the event that, for whatever reason, such a Guarantor ceases to be a Covered Subsidiary.

(d) In connection with any termination or release pursuant to this Section, the Administrative Agent shall execute and deliver to the applicable Loan Party, at such Loan Party's expense, all documents that such Loan Party shall reasonably request to evidence such termination or release. Any execution and delivery of documents pursuant to this Section shall be without recourse to or warranty by the Administrative Agent.

SECTION 10.23. Acknowledgement Regarding Any Supported QFCs. To the extent that the Loan Documents provide support, through a guarantee or otherwise, for any swap contract or any other agreement or instrument that is a QFC (such support, "QFC Credit Support", and each such QFC, a "Supported QFC"), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the "U.S. Special Resolution Regimes") in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Loan Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States): in the event a Covered Entity that is party to a Supported QFC (each, a "Covered Party") becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.

MISCELLANEOUS

3.1 Indemnification.

(a) The TPG Holdings I-III Partnerships shall, on a joint and several basis, subject to the terms of this Section 3.1, indemnify and hold harmless each Covered Person from and against any claim, action, loss, liability, expense (including reasonable attorneys' fees), damage, Tax, judgment, fine and penalty (collectively, "Losses") incurred by such Covered Person as a result of any third party action, claim, audit, suit or proceeding against such Covered Person or any Covered Partnership that is attributable to the Reorganization (a "Covered Claim").

(b) Expenses (including attorneys' fees) incurred by a Covered Person in appearing at, participating in or defending any Covered Claim shall be paid by one or more of the TPG Holdings I-III Partnerships in advance of the final disposition of such Covered Claim within 10 days after receipt by such TPG Holdings I-III Partnerships of a statement or statements from such Covered Person requesting such advance or advances from time to time, whether prior to or after final disposition of any Covered Claim. Each Covered Person hereby undertakes to repay any amounts advanced (without interest) to the extent that it is ultimately determined by a court of competent jurisdiction in a non-appealable decision that such Covered Person is not entitled under this Agreement to be indemnified by the TPG Holdings I-III Partnerships in respect thereof. Such undertaking shall be unsecured and accepted without reference to the financial ability of a Covered Person to make repayment and without regard to a Covered Person's ultimate entitlement to indemnification under the other provisions of this Agreement.

(c) Notwithstanding Section 3.1(a), (i) Losses shall exclude all Taxes other than Applicable Taxes attributable to the recognition of Covered Income, (ii) Losses shall include any reduction in the TRA Payments (for the avoidance of doubt, including any "iterative" payments under the TRA) made to a Covered Person as a result of the recognition of Covered Income, and (iii) if a Covered Person is entitled to indemnification under this Agreement for any Applicable Taxes, the form and amount of indemnification shall be structured in a manner designed (as mutually agreed between TPG Holdings II and TPG GP A LLC) so that such Covered Person has borne out of its own funds and without reimbursement (other than by virtue of owning a direct or indirect interest in a TPG Holdings I-III Partnership) at the end of any taxable year of such Covered Person the amount of Applicable Taxes that such Covered Person would have borne if there had been no Covered Income, taking into account any offsetting tax benefits received by the Covered Person as a result of the recognition of Covered Income and the timing of such Applicable Taxes but without taking into account any difference in tax rates arising from a change in character of any underlying income, gain, loss or deduction. For purposes of this Section 3.1(c) and the definition of "Covered Income," "recognize" and "recognition" shall include disallowance of losses or deductions, the recharacterization or change in timing of recognition of any tax items and any adjustments by a taxing authority.

(d) The TPG Holdings I-III Partnerships shall have no obligation to indemnify any Covered Person under this Agreement for any amounts paid in settlement of any action, suit or proceeding without their prior written consent. The TPG Holdings I-III Partnerships shall not settle any action, suit or proceeding in any manner that would impose any fine or other obligation on a Covered Person without such Covered Person's prior written consent. Neither The TPG Holdings I-III Partnerships nor any Covered Person will unreasonably withhold, condition or delay its, his, or her consent to any proposed settlement.

(e) The provisions for indemnification and advancement of expenses set forth in this Agreement shall not be deemed exclusive of, a substitute for or in abrogation of any other rights which a Covered Person may have under any provision of law, in any court in which a proceeding is brought, the certificate of incorporation, bylaws, certificate of limited partnership, partnership agreement, certificate of formation, limited liability company agreement, or comparable organizational documents of the TPG Holdings I-III Partnerships, other agreements or otherwise, and a Covered Person's rights hereunder shall inure to the benefit of the heirs, executors and administrators of such Covered Person. No amendment or alteration of the certificate of incorporation, bylaws, certificate of limited partnership, partnership agreement, certificate of formation, limited liability company agreement, or comparable organizational documents of the TPG Holdings I-III Partnerships or any other agreement shall adversely affect the rights provided to a Covered Person under this Agreement.

(f) The foregoing provisions of this Section 3.1 and Section 3.2 shall survive any termination of this Agreement.

3.2 In the event that any of the transactions described in Section 2.8 through 2.11 occur, the TPG Holdings I-III Partnerships shall, on a joint and several basis, subject to the terms of this Section 3.2, indemnify and hold harmless each Manager Owner for any Manager Losses; provided that, if a Manager Owner is entitled to be indemnified by TPG Global, LLC or one of its affiliates (collectively, "TPG Global") pursuant to any arrangement or agreement existing as of the date of the TPG Holdings II Sub Contribution or entered into then or thereafter for any Manager Losses specified in clause (x) of the definition thereof (or recovers directly for such Manager Losses under an insurance policy), it is intended that (i) TPG Global and such insurer will be the full indemnitor (or insurer) of first resort and the TPG Holdings I-III Partnerships will be the full indemnitors of second resort for any such Manager Losses and (ii) any amount that the TPG Holdings I-III Partnerships are otherwise obligated to pay with respect to indemnification or advancement for such Manager Losses will be reduced by the amount such Manager Owner receives in respect of such indemnification, advancement or insurance from TPG Global and/or its insurer. TPG Holdings I-III Partnerships will cause each Manager Owner to be an insured for Manager Losses under relevant insurance policies of TPG Holdings I-III Partnerships. The rights and obligations applicable to Covered Persons and the TPG Holdings I-III Partnerships under Section 3.1 shall apply to the Manager Owner and TPG Holdings I-III Partnerships, *mutatis mutandis*. For the avoidance of doubt, the limitation in Section 3.1(c) shall not apply to Manager Losses.

(a) All notices, requests, demands or other communications provided for or permitted to be given pursuant to this Agreement must be in writing.

(b) All notices, requests, demands and other communications to be sent under this Agreement shall be sent to in the case of the TPG Holdings I-III Partnerships to:

Any provision of this Agreement (including the Reorganization Schedule and the other Schedules and Exhibits hereto) may be amended or waived if, but only if, such amendment or waiver is in writing and is signed, in the case of an amendment, by each party to this Agreement, or in the case of a waiver, by the party against whom the waiver is to be effective.

3.5 Reorganization Schedules. The Parties have set forth additional information relating to the Reorganization on the Schedule in a section thereof that corresponds to the section of this Agreement to which it relates.

3.6 Entire Agreement; Integration. This Agreement and the Reorganization Schedules constitute (for the respective Parties that are parties thereto and bound thereby) the full and entire understanding and agreement among the Parties with regard to the subject matters hereof and thereof and supersede all prior understandings and agreements, written or oral, relating to the matters set forth herein and therein, and any such prior understandings or agreements are superseded hereby.

3.7 Assignment. Neither this Agreement nor any of the rights hereunder shall be assigned by any of the Parties without the prior written consent of the other Parties. Any attempted assignment in contravention of this Section 3.7 shall be null and void.

3.8 No Third-Party Beneficiaries. Nothing contained in this Agreement, expressed or implied, is intended or shall be construed to confer upon any Person other than the Parties, any legal or equitable right, remedy or claim under or in respect of this Agreement or any covenant, condition or provisions herein contained, and such provisions are and shall be held to be for the sole and exclusive benefit of the Parties.

3.9 Severability. Any term or provision of this Agreement which is invalid or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity or unenforceability without rendering invalid or unenforceable the remaining terms and provisions of this Agreement or affecting the validity or enforceability of any of the terms or provisions of this Agreement in any other jurisdictions, it being intended that all rights and obligations of the Parties hereunder shall be enforceable to the fullest extent permitted by Law. Any term or provision of this Agreement which is invalid or unenforceable in any jurisdiction shall be replaced with a legal, valid and enforceable term which would to the greatest degree possible reflect the original intentions of the parties hereunder.

3.10 Governing Law; Jurisdiction; Arbitration.

(a) THIS AGREEMENT AND ALL CLAIMS OR CAUSES OF ACTION (WHETHER IN CONTRACT, TORT OR STATUTE) THAT MAY BE BASED UPON, ARISE OUT OF OR RELATE TO THIS AGREEMENT SHALL BE GOVERNED BY, AND ENFORCED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF DELAWARE, INCLUDING ITS STATUTE OF LIMITATIONS, WITHOUT REFERENCE TO ANY CHOICE OF LAW PROVISION THEREOF THAT WOULD MANDATE THE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION, EXCEPT THAT THE ARBITRATION PROVISIONS SET FORTH IN THIS SECTION 3.10 SHALL BE CONSTRUED AND ENFORCED IN ACCORDANCE WITH THE FEDERAL ARBITRATION ACT, TITLE 9, UNITED STATES CODE.

(b) Any dispute, controversy or claim arising out of, relating to or in connection with this Agreement, including, without limitation, any dispute regarding the validity or termination of this Agreement, or the performance or breach hereof, shall be finally settled by arbitration administered by the American Arbitration Association ("AAA"), in accordance with its Commercial Arbitration Rules in effect at the time of the arbitration. The place of arbitration shall be Fort Worth, Texas and the proceedings shall be conducted in the English language. The arbitration shall be conducted by three arbitrators. Each arbitrator shall be a person with significant experience in the financial services industry or representing persons in the financial services industry. Each of the parties to the arbitration shall nominate one arbitrator within 15 days after delivery of a request for arbitration in writing by any of the Parties. In the event that any of the parties to the arbitration fail to nominate an arbitrator as and within such time period provided in the preceding sentence, upon request of either of such parties, such arbitrator shall instead be appointed by the AAA within 15 days of receiving such request. The two arbitrators appointed in accordance with the above provisions shall nominate the third arbitrator within 15 days of their appointment. If the first two appointed arbitrators fail to nominate a third arbitrator, then, upon request of the parties to the arbitration, the third arbitrator shall be appointed by the AAA within 30 days of receiving such request. The third arbitrator shall serve as Chairman of the arbitral tribunal. The arbitrators shall endeavor to render a final award within 90 days of submission of a request for arbitration. Failure to adhere to this time limit shall not be a basis for challenging the award. The award rendered by the arbitrators shall be final and binding on the parties thereto and judgment on such award may be entered in any court of competent jurisdiction. All costs and expenses incurred by the Parties in connection with any arbitration hereunder shall be borne by the Party against whom the arbitrators' award is rendered, and such Party shall promptly reimburse the Party in whose favor the arbitrators' award is rendered for any of such costs and expenses incurred by such Party.

(c) By agreeing to arbitration, the Parties do not intend to deprive any court with jurisdiction of its ability to issue a preliminary injunction, attachment or other form of provisional remedy in aid of the arbitration, and a request for such provisional remedies by a Party to a court shall not be deemed a waiver of this agreement to arbitrate. In addition to the authority conferred upon the arbitrators by the rules specified above, the arbitrators shall also have the authority to grant provisional remedies, including injunctive relief.

(d) Except as may be required by applicable Law or court order, the Parties agree to maintain confidentiality as to all aspects of any arbitration arising out of, relating to or in connection with this Agreement, including any such arbitration's existence and results, except that nothing herein shall prevent a Party from disclosing information regarding such arbitration for purposes of enforcing the award or this arbitration clause, or in any court proceeding requesting the issuance of provisional remedies in accordance with Section 3.10(c). The Parties further agree to obtain the arbitrators' agreement to preserve the confidentiality of the arbitration.

3.11 Counterparts. This Agreement may be executed and delivered in any number of counterparts, (including by facsimile or electronic transmission (including PDF or any electronic signature complying with the U.S. federal ESIGN Act of 2000, e.g. www.docusign.com), each of which shall be an original and all of which together shall constitute a single instrument.

ARTICLE 2
DETERMINATION OF CERTAIN REALIZED TAX BENEFIT

Section 2.01. *Basis Schedule*. Within one hundred and twenty (120) calendar days after the due date (including extensions) of IRS Form 1120 (or any successor form) of the Corporate Taxpayer for each relevant Taxable Year, the Corporate Taxpayer shall deliver to the TRA Party Representative a schedule (the "**Basis Schedule**") that shows, in reasonable detail necessary to perform the calculations required by this Agreement, (i) the Basis Adjustment with respect to the Reference Assets in respect of each TRA Party as a result of the Exchanges effected in such Taxable Year or any prior Taxable Year by such TRA Party, if any, calculated in the aggregate, (ii) the Non-Stepped Up Tax Basis of the Reference Assets in respect of each TRA Party as of each applicable Exchange Date, if any, and (iii) the period (or periods) over which each Basis Adjustment in respect of each TRA Party is amortizable and/or depreciable. All costs and expenses incurred in connection with the provision and preparation of the Basis Schedules and Tax Benefit Schedules for the TRA Party Representative in compliance with this Agreement shall be borne by the Partnerships.

Section 2.02. *Tax Benefit Schedule*. (a) *Tax Benefit Schedule*. Within one hundred and twenty (120) calendar days after the due date (including extensions) of IRS Form 1120 (or any successor form) of the Corporate Taxpayer for any Taxable Year in which there is a Realized Tax Benefit or a Realized Tax Detriment Attributable to a TRA Party, the Corporate Taxpayer shall provide to the TRA Party Representative a schedule showing, in reasonable detail, the calculation of the Realized Tax Benefit and Tax Benefit Payment or the Realized Tax Detriment, as applicable, in respect of such TRA Party for such Taxable Year (a "**Tax Benefit Schedule**"). Each Tax Benefit Schedule will become final as provided in Section 2.03(a) and may be amended as provided in Section 2.03(b) (subject to the procedures set forth in Section 2.03(b)).

(b) *Applicable Principles*. (i) *General.* Subject to Section 3.03, the Realized Tax Benefit (or the Realized Tax Detriment) for each Taxable Year is intended to measure the decrease (or increase) in the actual liability for Taxes of the Corporate Taxpayer for such Taxable Year attributable to the Tax Attributes, determined using a "with and without" methodology. Carryovers or carrybacks of any Tax item attributable to any of the Tax Attributes shall be considered to be subject to the rules of the Code and the Treasury Regulations or the appropriate provisions of U.S. state and local income and franchise Tax law, as applicable, governing the use, limitation and expiration of carryovers or carrybacks of the relevant type. If a carryover or carryback of any Tax item includes a portion that is attributable to any Tax Attribute and another portion that is not, such portions shall be considered to be used in accordance with the "with and without" methodology. The parties agree that (A) all Tax Benefit Payments (other than Imputed Interest thereon) attributable to the Basis Adjustments will be treated as subsequent upward purchase price adjustments with respect to the Common Units exchanged in the applicable Exchange that have the effect of creating additional Basis Adjustments to Reference Assets for the Corporate Taxpayer in the year of payment, (B) as a result, any additional Basis Adjustments will be incorporated into the calculation beginning in the year of payment and into future year calculations, as appropriate, and (C) the Actual Tax Liability will take into account the deduction of the portion of the Tax Benefit Payment that must be accounted for as Imputed Interest.

(ii) *Applicable Principles of Section 734(b) Exchanges*. Notwithstanding any provisions to the contrary in this Agreement, the foregoing treatment set out in Section 2.02(b) (i) shall not be required to apply to payments hereunder to an Exchanging Holder in respect of a Section 734(b) Exchange by such Exchanging Holder. Payments made under this Agreement relating to a Section 734(b) Exchange shall not be treated as resulting in a Basis Adjustment to the extent such payments are treated as Imputed Interest. The parties intend that an Exchanging Holder that has made a Section 734(b) Exchange shall, with respect to the Basis Adjustment resulting from such Section 734(b) Exchange or any payments hereunder in respect of such Section 734(b) Exchange, be entitled to Tax Benefit Payments attributable to such Basis Adjustments (A) to the extent such Basis Adjustments are allocable to the Corporate Taxpayer following such Section 734(b) Exchange (without taking into account any concurrent or subsequent Exchanges) and (B) to the extent there is an increased portion of Basis Adjustments resulting from such Section 734(b) Exchange or any payments hereunder in respect of such Section 734(b) Exchange that becomes allocable to the Corporate Taxpayer as a result of subsequent Exchanges.

(iii) *Adjustments under Section 743(b)*. Any adjustments to tax basis occurring pursuant to section 743(b) shall also refer to any new section 743(b) adjustments with respect to the same Common Units that occur in tax-deferred transactions.

Section 2.03. *Procedures, Amendments*. (a) *Procedure*. Every time the Corporate Taxpayer delivers to the TRA Party Representative an applicable Schedule under this Agreement, including any Amended Schedule, the Corporate Taxpayer shall also (x) deliver to the TRA Party Representative supporting schedules and work papers, as determined by the Corporate Taxpayer or as reasonably requested by the TRA Party Representative, providing reasonable detail regarding data and calculations that were relevant for purposes of preparing such Schedule and (y) allow the TRA Party Representative reasonable access at no cost to the appropriate representatives at the Corporate Taxpayer, as determined by the Corporate Taxpayer or as reasonably requested by the TRA Party Representative, in connection with a review of such Schedule. Without limiting the generality of the preceding sentence, the Corporate Taxpayer shall ensure that any Tax Benefit Schedule that is delivered to the TRA Party Representative, along with any supporting schedules and work papers, provides a reasonably detailed presentation of the calculation of the Actual Tax Liability and the Hypothetical Tax Liability and identifies any material assumptions or operating procedures or principles that were used for purposes of such calculations. An applicable Schedule or amendment thereto shall become final and binding on all parties thirty (30) calendar days from the date on which the TRA Party Representative is treated as having received the applicable Schedule or amendment thereto under Section 7.01 unless the TRA Party Representative (i) within thirty (30) calendar days from such date provides the Corporate Taxpayer with written notice of a material objection to such Schedule ("**Objection Notice**") made in good faith or (ii) provides a written waiver of such right of any Objection Notice within the period described in clause Section 2.03 above, in which case such Schedule or amendment thereto becomes binding on the date the waiver is received by the Corporate Taxpayer. If the Corporate Taxpayer and the TRA Party Representative, for any reason, are unable to successfully resolve the issues raised in the Objection Notice within thirty (30) calendar days after receipt by the Corporate Taxpayer of an Objection Notice, the Corporate Taxpayer and the TRA Party Representative shall employ the reconciliation procedures as described in Section 7.09 of this Agreement (the "**Reconciliation Procedures**"). The TRA Party Representative will fairly represent the interests of each of the TRA Parties and shall use reasonable efforts to timely raise and pursue, in accordance with this Section 2.03(a), any reasonable objection to a Schedule or amendment thereto timely communicated in writing to the TRA Party Representative by a TRA Party.

(b) *Amended Schedule*. The applicable Schedule for any Taxable Year may be amended from time to time by the Corporate Taxpayer (i) in connection with a Determination affecting such Schedule, (ii) to correct inaccuracies in the Schedule identified as a result of the receipt of additional factual information relating to a Taxable Year after the date the Schedule was provided to the TRA Party Representative, (iii) to

comply with an Expert's determination under the Reconciliation Procedures, (iv) to reflect a change in the Realized Tax Benefit, or the Realized Tax Detriment for such Taxable Year attributable to a carryback or carryforward of a loss or other Tax item to such Taxable Year, (v) to reflect a change in the Realized Tax Benefit or the Realized Tax Detriment for such Taxable Year attributable to an amended Tax Return filed for such Taxable Year or (vi) to adjust a Basis Schedule to take into account payments made pursuant to this Agreement (any such Schedule, an "**Amended Schedule**"). The Corporate Taxpayer shall provide an Amended Schedule to the TRA Party Representative when the Corporate Taxpayer delivers the Basis Schedule for the following taxable year.

(c) *Section 754 Elections.* Unless the TRA Party Representative agrees in writing otherwise, the Corporate Taxpayer shall cause an election under Section 754 of the Code to be in effect for each taxable year that includes or ends after the IPO Date by (i) each Partnership, (ii) TPG Holdings II Sub, L.P., (iii) any Subsidiary of the Partnerships that (A) is treated as a partnership for U.S. federal income tax purposes and (B) is treated as a successor to (or continuation of) any entity described in clause (i) or (ii) or this clause (iii), (iv) any Subsidiary that is the general partner (or an entity serving a similar function) for an investment fund or other similar investment vehicle if (A) such Subsidiary is treated as a partnership for U.S. federal income Tax purposes and (B) the Partnerships own more than 50% of the economic interests in such Subsidiary, and (v) any entity treated as a partnership for U.S. federal income Tax purposes through which any Corporate Taxpayer holds an interest in an entity described in clause (i), (ii), (iii) or (iv). With respect to any other direct or indirect Subsidiary of a Corporate Taxpayer, the Corporate Taxpayer has sole discretion with respect to any election under Section 754 of the Code.

ARTICLE 3

(a) Within ten (10) calendar days after a Tax Benefit Schedule delivered to the TRA Party Representative becomes final in accordance with Section 2.03(a) and Section 7.09, if applicable, the Applicable Buyer shall pay each of the relevant TRA Parties for such Taxable Year the Tax Benefit Payment determined pursuant to Section 3.01(b) that is Attributable to such relevant TRA Party. A separate Tax Benefit Payment shall be calculated and paid with respect to each Exchange effected by an Exchanging Holder except that the Corporate Taxpayer may elect to aggregate one or more Exchanges in a reasonable manner if such Exchanges occur in a reasonably close timeframe (as determined by the Corporate Taxpayer) and payments shall be computed separately for each TRA Party. Each such Tax Benefit Payment shall be made by wire transfer of immediately available funds to the bank account previously designated in writing by such TRA Party to the Applicable Buyer or as otherwise agreed by the Applicable Buyer and such TRA Party. No Tax Benefit Payment shall be made in respect of estimated Tax payments, including, U.S. federal estimated income Tax payments. Notwithstanding anything to the contrary in this Agreement, unless a TRA Party notifies the Applicable Buyer otherwise, the stated maximum selling price with respect to any Exchange by such TRA Party shall not exceed 100% of the amount of the

initial consideration received in such Exchange (which, shall include the amount of any cash and the fair market value of any Class A Shares received in such Exchange but shall exclude the fair market value of any Tax Benefit Payments with respect to such Exchange together with any liabilities treated as assumed under Section 752(d)) and the aggregate Tax Benefit Payments to such TRA Party in respect of such Exchange (other than amounts accounted for as interest under the Code) shall not exceed such stated maximum selling price. The "Applicable Buyer" shall mean, in the case of any Exchange and Exchanging Holder, (i) if the relevant acquisition is described in clause (i) of the definition of Exchange, Buyer (or, if PubCorp or another wholly-owned Subsidiary is treated for U.S. federal income tax purposes as the purchaser in such acquisition, PubCorp or such Subsidiary (as the case may be)) and (ii) in any other case, Buyer.

(b) A "**Tax Benefit Payment**" in respect of a TRA Party for a Taxable Year means an amount, not less than zero, equal to the Net Tax Benefit that is Attributable to such TRA Party and the Interest Amount with respect thereto. For Tax purposes, the Interest Amount shall not be treated as interest, but instead, shall be treated as additional consideration in the applicable transaction, unless otherwise required by law. Subject to Section 3.03, the "**Net Tax Benefit**" for a Taxable Year shall be an amount equal to the excess, if any, of 85% of the Cumulative Net Realized Tax Benefit as of the end of such Taxable Year, over the total amount of payments previously made under the first sentence of Section 3.01 (excluding payments attributable to Interest Amounts); *provided*, that no such recipient shall be required to return any portion of any previously made Tax Benefit Payment. The "**Interest Amount**" shall equal the interest on the Net Tax Benefit calculated at the Agreed Rate from the due date (without extensions) for filing IRS Form 1120 (or any successor form) of the Corporate Taxpayer with respect to Taxes for such Taxable Year until the payment date under Section 3.01.

Section 3.02. *No Duplicative Payments*. It is intended that the provisions of this Agreement will not result in duplicative payment of any amount (including interest) required under this Agreement. The provisions of this Agreement shall be construed in the appropriate manner to ensure such intentions are realized.

Section 3.03. *Pro Rata Payments*. Notwithstanding anything in Section 3.01 to the contrary, to the extent that the aggregate Realized Tax Benefit of the Corporate Taxpayer with respect to the Tax Attributes is limited in a particular Taxable Year because the Corporate Taxpayer does not have sufficient taxable income, the Net Tax Benefit for that Taxable Year shall be allocated among all parties then-eligible to receive Tax Benefit Payments under this Agreement in proportion to the amounts of Net Tax Benefit for that Taxable Year, respectively, that would have been Attributable to each TRA Party if the Corporate Taxpayer had sufficient taxable income if there were no such limitation.

Section 3.04. *Payment Ordering*. If for any reason any Applicable Buyer does not fully satisfy its payment obligations to make all Tax Benefit Payments due under this Agreement in respect of a particular Taxable Year, then (i) Tax Benefit Payments for such Taxable Year shall be allocated to all parties eligible to receive Tax Benefit Payments under this Agreement in such Taxable Year in proportion to the amounts of Tax Benefit Payments, respectively, that would have been made to each TRA Party if all Applicable Buyers had sufficient cash available to make such Tax Benefit Payments and (ii) no Tax Benefit Payments shall be made in respect of any Taxable Year until all Tax Benefit Payments to all TRA Parties in respect of all prior Taxable Years have been made in full.

ARTICLE 4
TERMINATION

Section 4.01. *Early Termination of Agreement; Change of Control*. (a) The Applicable Buyer may terminate this Agreement with respect to (i) all amounts payable to the TRA Parties and with respect to all of the Common Units held by the TRA Parties at any time by paying to each TRA Party the Early Termination Payment in respect of such TRA Party, subject to the last sentence of this Section 4.01(a), or (ii) the amount payable to any individual TRA Party, if such TRA Party would be entitled to receive less than 1% of the aggregate Early Termination Payment with respect to all TRA Parties, by paying to any such individual TRA Party the Early Termination Payment in respect of such TRA Party; *provided*, *however*, that this Agreement shall terminate only upon the receipt of the Early Termination Payment by all TRA Parties, and *provided*, *further*, that the Corporate Taxpayer may withdraw any notice to execute its termination rights under this Section 4.01(a) prior to the time at which any Early Termination Payment has been paid. Upon payment of the Early Termination Payment in respect of each TRA Party by the Corporate Taxpayer the Corporate Taxpayer shall have no further payment obligations under this Agreement, other than for any (A) Tax Benefit Payments due and payable and that remain unpaid as of the Early Termination Notice and (B) Tax Benefit Payment due for the Taxable Year ending with or including the date of the Early Termination Notice (except to the extent that the amount described in clause Section 4.01 is included in the Early Termination Payment). If an Exchange occurs after the Corporate Taxpayer makes all of the required Early Termination Payments, the Corporate Taxpayer shall have no obligations under this Agreement with respect to such Exchange.

(b) If the Corporate Taxpayer (A) shall commence any case, proceeding or other action (1) under any existing or future law of any jurisdiction, domestic or foreign, relating to bankruptcy, insolvency, reorganization or relief of debtors, seeking to have an order for relief entered with respect to it, or seeking to adjudicate a bankruptcy or insolvency, or seeking reorganization, arrangement, adjustment, winding-up, liquidation, dissolution, composition or other relief with respect to it or its debts or (2) seeking an appointment of a receiver, trustee, custodian, conservator or other similar official for it or for all or any substantial part of its assets, or it shall make a general assignment for the benefit of creditors or (B) there shall be commenced against the Corporate Taxpayer any case, proceeding or other action of the nature referred to in clause (b) above that remains undismissed or undischarged for a period of sixty (60) calendar days, all obligations hereunder shall be automatically accelerated and shall be immediately due and payable, and such obligations shall be calculated as if an Early Termination Notice had been delivered on the date of such breach and shall include (x) the Early Termination Payments calculated as if an Early Termination Notice had been delivered on the date of a breach, (y) any Tax Benefit Payment due and payable and that remains unpaid as of the date of a breach, and (z) any Tax Benefit Payment in respect of any TRA Party due for the Taxable Year ending with or including the date of a breach; *provided*, that procedures similar to the procedures of Section 4.02 shall apply with respect to the determination of the amount payable by the Corporate Taxpayer pursuant to this sentence.

(c) In the event of a Change of Control, all obligations hereunder shall be accelerated and such obligations shall be calculated as if an Early Termination Notice had been delivered on the date of such Change of Control and utilizing the Valuation Assumptions by substituting in each case the terms "the closing date of a Change of Control" in each place where the phrase "Early Termination Date" appears. Such obligations shall include (i) the Early Termination Payments calculated as if the Early Termination Date is the date of such Change of Control, (ii) any Tax Benefit Payment due and payable and that remains unpaid as of the date of such Change of Control, and (iii) any Tax Benefit Payment in respect of any TRA Party due for any Taxable Year ending prior to, with or including the date of such Change of Control (except to the extent any amounts described in clause (ii) or (iii) are included in the Early Termination Payment). Sections 4.02 and 4.03 shall apply to a Change of Control, *mutatis mutandis*.

Section 4.02. *Early Termination Notice*. If the Corporate Taxpayer chooses to exercise its right of early termination under Section 4.01(a) above, the Corporate Taxpayer shall deliver to the TRA Party Representative notice of such intention to exercise such right ("**Early Termination Notice**") and a schedule (the "**Early Termination Schedule**") specifying the Corporate Taxpayer's intention to exercise such right under either clause (i) or (ii) thereof and showing in reasonable detail the calculation of the Early Termination Payment(s) due for each relevant TRA Party. Each Early Termination Schedule shall become final and binding on all parties thirty (30) calendar days from the first date on which the TRA Party Representative is treated as having received such Schedule or amendment thereto under Section 7.01 unless the TRA Party Representative (i) within thirty (30) calendar days after such date provides the Corporate Taxpayer with notice of a material objection to such Schedule made in good faith ("**Material Objection Notice**") or (ii) provides a written waiver of such right of a Material Objection Notice within the period described in clause Section 4.02 above, in which case such Schedule becomes binding on the date the waiver is received by the Corporate Taxpayer. If the Corporate Taxpayer and the TRA Party Representative, for any reason, are unable to successfully resolve the issues raised in such notice within thirty (30) calendar days after receipt by the Corporate Taxpayer of the Material Objection Notice, the Corporate Taxpayer and the TRA Party Representative shall employ the Reconciliation Procedures in which case such Schedule becomes binding ten (10) calendar days after the conclusion of the Reconciliation Procedures. The TRA Party Representative will fairly represent the interests of each TRA Party and shall timely raise and pursue, in accordance with this Section 4.02, any reasonable objection to an Early Termination Schedule or amendment thereto timely communicated in writing to the TRA Party Representative by a TRA Party.

Section 4.03. *Payment upon Early Termination*. (a) Within ten (10) calendar days after an Early Termination Effective Date, the Corporate Taxpayer shall pay to each relevant TRA Party an amount equal to the Early Termination Payment in respect of such TRA Party. Such payment shall be made by wire transfer of immediately available funds to a bank account or accounts designated by such TRA Party or as otherwise agreed by the Corporate Taxpayer and such TRA Party or, in the absence of such designation or agreement, by check mailed to the last mailing address provided by such TRA Party to the Corporate Taxpayer.

(b) "**Early Termination Payment**" in respect of a TRA Party shall equal the present value, discounted at the Early Termination Rate as of the applicable Early Termination Effective Date, of all Tax Benefit Payments in respect of such TRA Party that would be required to be paid by the Corporate Taxpayer beginning from the Early Termination Date and assuming that the Valuation Assumptions in respect of such TRA Party are applied and that each Tax Benefit Payment for the relevant Taxable Year would be due and payable on the due date (without extensions) under applicable law as of the Early Termination Effective Date for filing of IRS Form 1120 (or any successor form) of the Corporate Taxpayer.

ARTICLE 5
SUBORDINATION AND LATE PAYMENTS

Section 5.01. *Subordination*. Notwithstanding any other provision of this Agreement to the contrary, any Tax Benefit Payment required to be made by the Corporate Taxpayer to the TRA Parties under this Agreement shall rank subordinate and junior in right of payment to any principal, interest or other amounts due and payable in respect of any obligations in respect of indebtedness for borrowed money of the Corporate Taxpayer and its Subsidiaries ("**Senior Obligations**") and shall rank pari passu in right of payment with all current or future unsecured obligations of the Corporate Taxpayer that are not Senior Obligations. To the extent that any payment under this Agreement is not permitted to be made at the time payment is due as a result of this Section 5.01 and the terms of agreements governing Senior Obligations, such payment obligation nevertheless shall accrue for the benefit of TRA Parties and the Corporate Taxpayer shall make such payments at the first opportunity that such payments are permitted to be made in accordance with the terms of the Senior Obligations. Notwithstanding any other provision of this Agreement to the contrary, to the extent that the Corporate Taxpayer or any of its Affiliates enters into future Tax receivable or other similar agreements ("**Future TRAs**"), the Corporate Taxpayer shall ensure that the terms of any such Future TRA shall provide that the Tax Attributes subject to this Agreement are considered senior or *pari passu* in priority to any Tax attributes subject to any such Future TRA for purposes of calculating the amount and timing of payments under any such Future TRA.

Section 5.02. *Late Payments by the Corporate Taxpayer*. Subject to the proviso in the last sentence of Section 4.01(b), the amount of all or any portion of any Tax Benefit Payment or Early Termination Payment not made to the TRA Parties when due under the terms of this Agreement, whether as a result of Section 5.01 or otherwise, shall be payable together with any interest thereon, computed at the Default Rate and commencing from the date on which such Tax Benefit Payment or Early Termination Payment was first due and payable to the date of actual payment.

ARTICLE 6
NO DISPUTES; CONSISTENCY; COOPERATION

Section 6.01. *Participation in the Corporate Taxpayer's and the Partnerships' Tax Matters*. Except as otherwise provided in the Partnership Agreements, the Corporate Taxpayer shall have full responsibility for, and sole discretion over, all Tax matters concerning the Corporate Taxpayer and the Partnerships, including, the preparation, filing or amending of any Tax Return and defending, contesting or settling of any issue pertaining to Taxes. Notwithstanding the foregoing, the Corporate Taxpayer shall notify the TRA Party Representative of the portion of any audit of the Corporate Taxpayer and one or more Partnerships by a Taxing Authority the outcome of which is reasonably expected to materially affect the rights and obligations of a TRA Party under this Agreement and, upon written request, shall use commercially reasonable efforts to provide the TRA Party Representative with the opportunity to provide information and other input to the Corporate Taxpayer, the Partnerships, and their respective advisors concerning the conduct of any such portion of such audit that would reasonably be expected to materially adversely affect the TRA Parties' rights and obligations under this Agreement.

Section 6.02. *Consistency*. The Corporate Taxpayer and the TRA Parties agree to report and cause to be reported for all purposes, including U.S. federal, state and local Tax purposes and financial reporting purposes, all Tax-related items (including, the Basis Adjustments and each Tax Benefit Payment) in a manner consistent with that contemplated by this Agreement or specified by the Corporate Taxpayer in any Schedule required to be provided by or on behalf of the Corporate Taxpayer under this Agreement unless otherwise required by law. The Corporate Taxpayer shall (and shall cause the Partnerships and their other Subsidiaries to) use commercially reasonable efforts (after taking into account the interests and entitlements of all TRA Parties under this Agreement) to defend the Tax treatment contemplated by this Agreement and any Schedule in any audit, contest or similar proceeding with any Taxing Authority.

Section 6.03. *Cooperation*. Each of the TRA Parties shall (a) furnish to the Corporate Taxpayer in a timely manner such information, documents and other materials as the Corporate Taxpayer may reasonably request for purposes of making any determination or computation necessary or appropriate under this Agreement, preparing any Tax Return or contesting or defending any audit, examination or controversy with any Taxing Authority, (b) make itself available to the Corporate Taxpayer and its representatives to provide explanations of documents and materials and such other information as the Corporate Taxpayer or its representatives may reasonably request in connection with any of the matters described in clause Section 6.03 above, and (c) reasonably cooperate in connection with any such matter, and the Corporate Taxpayer shall reimburse each such TRA Party for any reasonable and documented out-of-pocket costs and expenses incurred pursuant to this Section 6.03. Upon the request of any TRA Party, the Corporate Taxpayer shall cooperate in taking any action reasonably requested by such TRA Party in connection with its tax or financial reporting and/or the consummation of any assignment or transfer of any of its rights and/or obligations under this Agreement, including providing any information or executing any documentation.

This Agreement may be executed in one or more counterparts (including counterparts transmitted electronically in portable document format (pdf)), all of which shall be considered one and the same agreement and shall become effective when one or more counterparts have been signed by each of the parties and delivered to the other parties, it being understood that all parties need not sign the same counterpart. Delivery of an executed signature page to this Agreement by facsimile transmission shall be as effective as delivery of a manually signed counterpart of this Agreement. Electronic signatures shall be a valid method of executing this Agreement.

Section 7.03. *Entire Agreement; No Third Party Beneficiaries*. This Agreement constitutes the entire agreement and supersedes all prior agreements and understandings, both written and oral, among the parties with respect to the subject matter hereof. This Agreement shall be binding upon and inure solely to the benefit of each party hereto and their respective successors and permitted assigns, and nothing in this Agreement, express or implied, is intended to or shall confer upon any other Person any right, benefit or remedy of any nature whatsoever under or by reason of this Agreement.

Section 7.04. *Governing Law*. This Agreement shall be governed by, and construed in accordance with, the law of the State of New York.

Section 7.05. *Severability*. If any term or other provision of this Agreement is invalid, illegal or incapable of being enforced by any law or public policy, all other terms and provisions of this Agreement shall nevertheless remain in full force and effect so long as the economic or legal substance of the transactions contemplated hereby is not affected in any manner materially adverse to any party. Upon such determination that any term or other provision is invalid, illegal or incapable of being enforced, the parties hereto shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible in an acceptable manner in order that the transactions contemplated hereby are consummated as originally contemplated to the greatest extent possible.

Section 7.06. *Successors; Assignment; Amendments; Waivers*. (a) No TRA Party may assign any portion of its rights under this Agreement to any Person without the prior written consent of PubCorp, which consent shall not be unreasonably withheld, conditioned, or delayed, and without such transferee having executed and delivered, or, in connection with such transfer, executing and delivering, a joinder to this Agreement, substantially in form of Exhibit A hereto, agreeing to become a TRA Party for all purposes of this Agreement, except as otherwise provided in such joinder

(b) No provision of this Agreement may be amended unless such amendment is approved in writing by each of the Corporate Taxpayer and by the TRA Party Representative. No provision of this Agreement may be waived unless such waiver is in writing and signed by the party against whom the waiver is to be effective.

(c) All of the terms and provisions of this Agreement shall be binding upon, shall inure to the benefit of and shall be enforceable by the parties hereto and their respective successors, assigns, heirs, executors, administrators and legal representatives. The Corporate Taxpayer shall require and cause any direct or indirect successor (whether by purchase, merger, consolidation or otherwise) to all or substantially all of the business or assets of the Corporate Taxpayer, by written agreement, expressly to assume and agree to perform this Agreement in the same manner and to the same extent that the Corporate Taxpayer would be required to perform if no such succession had taken place.

Section 7.07. *Titles and Subtitles*. The titles of the sections and subsections of this Agreement are for convenience of reference only and are not to be considered in construing this Agreement.

Section 7.08. *Resolution of Disputes*. (a) Any and all disputes which are not governed by Section 7.09 and cannot be settled amicably, including any ancillary claims of any party, arising out of, relating to or in connection with the validity, negotiation, execution, interpretation, performance or non-performance of this Agreement (including the validity, scope and enforceability of this arbitration provision) shall be settled in accordance with the procedures provided in Section 3.6(b) of the Exchange Agreement.

(b) The laws of the State of Delaware shall govern (i) all proceedings, claims or matters related to or arising from this Agreement (including any tort or non-contractual claims) and (ii) any questions concerning the construction, interpretation, validity and enforceability of this Agreement, and the performance of the obligations imposed by this Agreement, in each case without giving effect to any choice of law or conflict of law rules or provisions (whether of the State of Delaware or any other jurisdiction) that would cause the application of the laws of any jurisdiction other than the State of Delaware.

Section 7.09. *Reconciliation*. If the Corporate Taxpayer and the TRA Party Representative are unable to resolve a disagreement with respect to the matters governed by Sections 2.03 and 4.02 within the relevant period designated in this Agreement ("**Reconciliation Dispute**"), the Reconciliation Dispute shall be submitted for determination to a nationally recognized expert (the "**Expert**") in the particular area of disagreement mutually acceptable to both parties. The Expert shall be a partner or principal in a nationally recognized accounting or law firm, and unless the Corporate Taxpayer and the TRA Party Representative agree otherwise, the Expert shall not, and the firm that employs the Expert shall not, have any material relationship with the Corporate Taxpayer or the TRA Party Representative or other actual or potential conflict of interest. If the Corporate Taxpayer and the TRA Party Representative are unable to agree on an Expert within fifteen (15) calendar days of receipt by the respondent(s) of written notice of a Reconciliation Dispute, then the Expert shall be appointed by the International Chamber of Commerce Centre for Expertise. The Expert shall resolve any matter relating to the TRA Party's Basis Schedule or an amendment thereto or the Early Termination Schedule or an amendment thereto within thirty (30) calendar days and shall resolve any matter relating to a Tax Benefit Schedule or an amendment thereto within fifteen (15) calendar days or as soon thereafter as is reasonably practicable, in each case after the matter has been submitted to the Expert for resolution. Notwithstanding the preceding sentence, if the matter is not resolved before any payment that is the subject of a disagreement would be due (in the absence of such disagreement) or any Tax Return reflecting the subject of a disagreement is due, the undisputed amount shall be paid on the date prescribed by this Agreement and such Tax Return may be filed as prepared by the Corporate Taxpayer, subject to adjustment or amendment upon resolution. The costs and expenses relating to the engagement of such Expert or amending any Tax Return shall be borne by the Corporate Taxpayer except as provided in the next sentence. The Corporate Taxpayer and the TRA Party Representative shall bear their own costs and expenses of such proceeding unless (i) the Expert adopts the TRA Party Representative's position, in which case the Corporate Taxpayer shall reimburse the TRA Party Representative for any reasonable out-of-pocket costs and expenses in such proceeding, or (ii) the Expert adopts the Corporate Taxpayer's position, in which case the TRA Party Representative shall reimburse the Corporate Taxpayer for any reasonable out-of-pocket costs and expenses in such proceeding; provided that the TRA Party Representative may use the reimbursement mechanism in the provisions of Section 7.15(b). Any dispute as to whether a dispute is a Reconciliation Dispute within the meaning of this Section 7.09 shall be decided by the Expert. The Expert shall finally determine any Reconciliation Dispute and the determinations of the Expert pursuant to this Section 7.09 shall be binding on the Corporate Taxpayer and each of the TRA Parties and may be entered and enforced in any court having jurisdiction.

Section 7.10. *Withholding*. The Corporate Taxpayer shall be entitled to deduct and withhold from any payment payable pursuant to this Agreement such amounts as the Corporate Taxpayer is required to deduct and withhold with respect to the making of such payment under the Code or any provision of state, local or foreign Tax law. To the extent that amounts are so withheld and paid over to the appropriate Taxing Authority by the Corporate Taxpayer, such withheld amounts shall be treated for all purposes of this Agreement as having been paid to the Person in respect of whom such withholding was made. To the extent that any payment pursuant to this Agreement is not reduced by such deductions or withholdings, such recipient shall indemnify the applicable withholding agent for any amounts imposed by any Taxing Authority together with any costs and expenses related thereto. Each TRA Party shall promptly provide the Corporate Taxpayer, the Partnerships or other applicable withholding agent with any applicable Tax forms and certifications (including IRS Form W-9 or the applicable version of IRS Form W-8) reasonably requested, in connection with determining whether any such deductions and withholdings are required under the Code or any provision of U.S. state, local or foreign Tax law.

Section 7.11. *Admission of the Corporate Taxpayer into a Consolidated Group; Transfers of Corporate Assets*. (a) If the Corporate Taxpayer is or becomes a member of an affiliated or consolidated group of corporations that files a consolidated income Tax Return pursuant to Sections 1501 et seq. of the Code or any corresponding provisions of state or local law, then: (i) the provisions of this Agreement shall be applied with respect to the group as a whole and (ii) Tax Benefit Payments, Early Termination Payments and other applicable items hereunder shall be computed with reference to the consolidated taxable income of the group as a whole.

(b) If the Corporate Taxpayer (or any member of a group described in Section 7.11(a)) transfers or is deemed to transfer any Common Unit or any Reference Asset to a transferee that is treated as a corporation for U.S. federal income Tax purposes (other than a member of a group described in Section 7.11(a)) in a transaction in which the transferee's basis in the property acquired is determined in whole or in part by reference to such transferor's basis in such property, then the Corporate Taxpayer shall cause such transferee to assume the obligation to make payments hereunder with respect to the applicable Tax Attributes associated with any Reference Asset or interest therein acquired (directly or indirectly) in such transfer (taking into account any gain recognized in the transaction) in a manner consistent with the terms of this Agreement as the transferee (or one of its Affiliates) actually realizes Tax benefits from the Tax Attributes. If a Partnership transfers (or is deemed to transfer for U.S. federal income Tax purposes) any Reference Asset to a transferee that is treated as a corporation for U.S. federal income Tax purposes (other than a member of a group described in Section 7.11(a)) in a transaction in which the transferee's basis in the property acquired is determined in whole or in part by reference to such transferor's basis in such property, such Partnership shall be treated as having disposed of the Reference Asset in a wholly taxable transaction. The consideration deemed to be received by such Partnership in a transaction contemplated in the prior sentence shall be equal to the fair market value of the deemed transferred asset, plus (i) the amount of debt to which such asset is subject, in the case of a transfer of an encumbered asset or (ii) the amount of debt allocated to such asset, in the case of a transfer of a partnership interest. If any member of a group described in Section 7.11(a) that owns any Common Unit deconsolidates from the group (or the Corporate Taxpayer deconsolidates from the group), then the Corporate Taxpayer shall cause such member (or the parent of the consolidated group in a case where the Corporate Taxpayer

deconsolidates from the group) to assume the obligation to make payments hereunder with respect to the applicable Tax Attributes associated with any Reference Asset it owns (directly or indirectly) in a manner consistent with the terms of this Agreement as the member (or one of its Affiliates) actually realizes Tax benefits. If a transferee or a member of a group described in Section 7.11(a) assumes an obligation to make payments hereunder pursuant to either of the foregoing sentences, then the initial obligor is relieved of the obligation assumed.

(c) If the Corporate Taxpayer (or any member of a group described in Section 7.11(a)) transfers (or is deemed to transfer for U.S. federal income Tax purposes) any Common Units in a transaction that is wholly or partially taxable, then for purposes of calculating payments under this Agreement, the Partnerships shall be treated as having disposed of the portion of any Reference Asset that is indirectly transferred by the Corporate Taxpayer (i.e., taking into account the number of Common Units transferred) in a wholly or partially taxable transaction in which all income, gain or loss is allocated to the Corporate Taxpayer. The consideration deemed to be received by the Partnerships shall be equal to the fair market value of the deemed transferred asset, plus (i) the amount of debt to which such asset is subject, in the case of a transfer of an encumbered asset or (ii) the amount of debt allocated to such asset, in the case of a transfer of a partnership interest.

Section 7.12. *Confidentiality*. (a) Subject to the last sentence of Section 6.03, each TRA Party and each of their assignees acknowledge and agree that the information of the Corporate Taxpayer is confidential and, except in the course of performing any duties as necessary for the Corporate Taxpayer and its Affiliates, as required by law or legal process or to enforce the terms of this Agreement, such person shall keep and retain in the strictest confidence and not disclose to any Person any confidential matters, acquired pursuant to this Agreement, of the Corporate Taxpayer and its Affiliates and successors, concerning any Partnership and its Affiliates and successors or the Members, learned by the TRA Party heretofore or hereafter. This Section 7.12 shall not apply to (i) any information that has been made publicly available by the Corporate Taxpayer or any of its Affiliates, becomes public knowledge (except as a result of an act of the TRA Party in violation of this Agreement) or is generally known to the business opportunity and (ii) the disclosure of information to the extent necessary for the TRA Party to prepare and file its Tax Returns, to respond to any inquiries regarding the same from any Taxing Authority or to prosecute or defend any action, proceeding or audit by any Taxing Authority with respect to such returns. Notwithstanding anything to the contrary herein, each TRA Party and each of its assignees (and each employee, representative or other agent of the TRA Party or its assignees, as applicable) may disclose to any and all Persons, without limitation of any kind, the Tax treatment and Tax structure of the Corporate Taxpayer, the Partnerships and their Affiliates, and any of their transactions, and all materials of any kind (including opinions or other Tax analyses) that are provided to the TRA Party relating to such Tax treatment and Tax structure.

(b) If a TRA Party or an assignee commits a breach, or threatens to commit a breach, of any of the provisions of this Section 7.12, the Corporate Taxpayer shall have the right and remedy to have the provisions of this Section 7.12 specifically enforced by injunctive relief or otherwise by any court of competent jurisdiction without the need to post any bond or other security, it being acknowledged and agreed that any such breach or threatened breach shall cause irreparable injury to the Corporate Taxpayer or any of its Subsidiaries or the TRA Parties and the accounts and funds managed by the Corporate Taxpayer and that money damages alone shall not provide an adequate remedy to such Persons. Such rights and remedies shall be in addition to, and not in lieu of, any other rights and remedies available at law or in equity.

Section 7.13. *Change in Law*. Notwithstanding anything herein to the contrary, if, in connection with an actual or proposed change in law, a TRA Party reasonably believes that the existence of this Agreement could cause income (other than income arising from receipt of a payment under this Agreement) recognized by the TRA Party upon any Exchange by such TRA Party to be treated as ordinary income rather than capital gain (or otherwise taxed at ordinary income rates) for U.S. federal income Tax purposes or would have other material adverse Tax consequences to such TRA Party, then at the election of such TRA Party and to the extent specified by such TRA Party, this Agreement (i) shall cease to have further effect with respect to such TRA Party, (ii) shall not apply to an Exchange by such TRA Party occurring after a date specified by such TRA Party, or (iii) shall otherwise be amended in a manner determined by such TRA Party, Buyer and PubCorp as it relates to such TRA Party, *provided*, that such amendment shall not result in an increase in payments under this Agreement at any time as compared to the amounts and times of payments that would have been due in the absence of such amendment.

Section 7.14. *Exchanges of TPG Partner Units.* If any Person effects an exchange described in Section 2.7(e) of the Exchange Agreement, such Person shall be treated for purposes of this Agreement as having effected an Exchange of Common Units.

Section 7.15. *TRA Party Representative*.

(a) By executing this Agreement, each of the TRA Parties shall be deemed to have irrevocably constituted the TRA Party Representative as his, her or its agent and attorney in fact with full power of substitution to act from and after the date hereof and to do any and all things and execute any and all documents on behalf of such TRA Parties which may be necessary, convenient or appropriate to facilitate any matters under this Agreement, including: (i) execution of the documents and certificates required pursuant to this Agreement; (ii) except to the extent specifically provided in this Agreement receipt and forwarding of notices and communications pursuant to this Agreement; (iii) administration of the provisions of this Agreement; (iv) any and all consents, waivers, amendments or modifications deemed by the TRA Party Representative, in its sole and absolute discretion, to be necessary or appropriate under this Agreement and the execution or delivery of any documents that may be necessary or appropriate in connection therewith; (v) amending this Agreement or any of the instruments to be delivered to the Corporate Taxpayer pursuant to this Agreement; (vi) taking actions the TRA Party Representative is expressly authorized to take pursuant to the other provisions of this Agreement; (vii) negotiating and compromising, on behalf of such TRA Parties,

any dispute that may arise under, and exercising or refraining from exercising any remedies available under, this Agreement or any other agreement contemplated hereby and executing, on behalf of such TRA Parties, any settlement agreement, release or other document with respect to such dispute or remedy; and (viii) engaging attorneys, accountants, agents or consultants on behalf of such TRA Parties in connection with this Agreement or any other agreement contemplated hereby and paying any fees related thereto.

EXCHANGE OF COMMON UNITS

Section 2.1. *Non-Plan Exchange Procedures*.

(a) On the terms and subject to the provisions of this Agreement, and subject to the provisions of the A&R TPG OG Operating Agreements, the Investor Rights Agreement and the PubCo Charter, each TPG OG Limited Partner shall be entitled to effect a Cash Redemption Exchange (unless Buyer elects to effect such proposed Exchange as a Stock Redemption Exchange or a Direct Exchange in accordance with the terms hereof).

(b) Without limiting Section 2.1(a), on the terms and subject to the provisions of this Agreement, and subject to the provisions of the A&R TPG OG Operating Agreements, the Investor Rights Agreement and the PubCo Charter, each TPG OG Limited Partner may effect a Cash Redemption Exchange (unless Buyer elects to effect such proposed Block Exchange as a Stock Redemption Exchange or Direct Exchange in accordance with the procedures in Section 2.01(c)) on a date other than a Quarterly Exchange Date so long as the number of Common Units surrendered by such TPG OG Limited Partner (and any related persons (within the meaning of Code Sections 267(b) or 707(b)(i)) in such Redemption Exchange (and any other Exchange during any 30 calendar day-period) represent, in the aggregate, more than 2% (or such other percentage as may be specified by Treasury Regulations Section 1.7704-1(e)(2) or any successor provision) of total interests in partnership capital or profits in each TPG OG Partnership (as determined by Buyer in its sole discretion and in a manner consistent with the requirements for a "block transfer" within the meaning of Treasury Regulations Section 1.7704-1(e)(2)). An Exchange consummated pursuant to this Section 2.1(b) is referred to in this Agreement as a "**Block Exchange**". For the avoidance of doubt, a Block Exchange shall not be subject to the Exchange Notice and other requirements of Section 2.1(c), but instead the TPG OG Limited Partner shall exercise its right to effect a Block Exchange by delivering to the Buyer a written notice (the "**Block Exchange Notice**") specifying the anticipated Exchange Date; *provided*, *that*, such notice may be contingent (including as to the timing and date of such Block Exchange) upon the consummation of a purchase by another Person of the Class A Shares (if any) deliverable in respect of the Common Units which are the subject of such Exchange (whether in a tender or exchange offer, an underwritten offering, or otherwise) or the effectiveness of a registration statement under the Securities Act; provided, further, that an Exchange Date may not be earlier than the fifth Business Day, or later than a date that is ninety (90) days, following the delivery of the Block Exchange Notice. In the event any contingency set out in such Block Exchange Notice remains unsatisfied on the ninetieth day after the delivery of the Block Exchange Notice, such Block Exchange Notice shall be deemed to have been withdrawn by the TPG OG Limited Partner. The exchanging TPG OG Limited Partner may amend the Block Exchange Notice at any time prior to the Exchange Date by delivery of a written notice of amendment to Buyer; provided, that, the Exchange Date may not be earlier than on the fifth Business Day following delivery of such notice of amendment to Buyer; provided, further, that such amendment notice may not change, as the case may be, the future date or the period for satisfaction of the contingency referred to in this Section 2.1(b) beyond ninety (90) days following the date of the initial Block Exchange Notice. A TPG OG Limited Partner may withdraw a Block Exchange Notice at any time prior to the Exchange Date by delivery of a written notice to Buyer, in which event such Exchange Notice shall be null and void.

(c) At least 90 calendar days prior to each Quarterly Exchange Date, Buyer will provide notice thereof (which notice may be delivered in accordance with the last sentence of Section 3.3) to each TPG OG Limited Partner eligible to effect a Redemption Exchange on such Quarterly Exchange Date (and each Indirect TPG OG Limited Partner eligible, indirectly, to effect a Redemption Exchange on such Quarterly Exchange Date). A TPG OG Limited Partner may exercise the right to effect a Cash Redemption Exchange by providing to the TPG OG Partnerships and Buyer an irrevocable written notice of exchange at least 60 calendar days prior to the applicable Quarterly Exchange Date (an "**Exchange Notice**"), which Exchange Notice, for the avoidance of doubt, need not be provided during a Trading Window. An Exchange Notice shall be substantially in the form of Exhibit A to this Agreement. If a direct or indirect owner of a TPG OG Limited Partner has requested from such TPG OG Limited Partner a distribution of Common Units to be Exchanged, such TPG OG Limited Partner shall be entitled to deliver the Exchange Notice on behalf of such owner. Following the receipt by the TPG OG Partnerships of an Exchange Notice, Buyer shall deliver to such TPG OG Limited Partner a written notice (the "**Buyer Exchange Notice**"), as promptly as practicable, which will set forth the portion (if any) of the Common Units covered by the Exchange Notice which will be exchanged for a Cash Exchange Payment and the portion (if any) which will be exchanged for a Stock Exchange Payment. Notwithstanding any other provision of this Agreement, each TPG OG Partnership shall have the right to substitute the Cash Exchange Payment required to be made by such TPG OG Partnership in a Cash Redemption Exchange with a Stock Exchange Payment (and to that extent such substitution occurs, such Redemption Exchange shall be treated as a Stock Redemption Exchange). With respect to any Quarterly Exchange Date, all Common Units proposed to be Exchanged by TPG OG Limited Partners on such Quarterly Exchange shall receive Cash Exchange Payments and Stock Exchange Payments in the same proportion (unless a holder consents to receive a different proportion).

(d) During the period beginning ten days prior to the date of an Exchange (other than an Exchange for which only Stock Exchange Payments will be made) and ending on the date of an Exchange, PubCo will engage in a primary equity offering to raise funds to be used to satisfy any Cash Exchange Payments expected to be made in such Exchange; provided that (i) in the event that PubCo is unable to engage in such a primary equity offering, all the payments made in such Exchange will be made in the form of Stock Exchange Payments, (ii) if the amount of the aggregate Cash Exchange Payments for all proposed Cash Redemption Exchanges on such Exchange Date exceeds the net amount raised in such primary equity offering, the portion of such Exchange that is satisfied by way of Cash Exchange Payments shall be ratably reduced and PubCo shall issue a number of new Class A Shares to the exchanging TPG OG Limited Partners sufficient to satisfy such shortfall in the form of Stock Exchange Payments (and Buyer will receive from the TPG Operating Group Partnerships an equal number of Common Units) and (iii) if the net amount raised in such primary equity offering exceeds the amount of the aggregate Cash Exchange Payments for all Cash Redemption Exchanges

on the date of such Exchange, PubCo shall (through Buyer) contribute such excess proceeds to the capital of the TPG Operating Group Partnerships. Except as otherwise provided in this Section, the determination whether to settle all or a portion of an Exchange in cash or Class A Shares need not be uniform and may be made selectively among TPG OG Limited Partners, whether or not such TPG OG Limited Partners are similarly situated.

(e) Buyer may adopt reasonable procedures, guidelines, and practices consistent with the terms and conditions of this Agreement for communicating the Quarterly Exchange Date, the implementation of the Exchange provisions set forth in this Article II, including procedures for the giving of an Exchange Notice and for a Block Exchange. None of such procedures shall be adopted with a principal purpose of restricting or otherwise impairing in any material respect any TPG OG Limited Partner's rights (or any Indirect TPG OG Limited Partner's indirect rights) to consummate Exchanges. A TPG OG Limited Partner may not revoke an Exchange Notice delivered in accordance with Section 2.1(c) after the date that is 60 calendar days prior to the applicable Quarterly Exchange Date without the consent of Buyer, which consent may be provided or withheld, or made subject to such conditions, limitations or restrictions, as reasonably determined by the Buyer in good faith.

(f) Notwithstanding anything to the contrary in this Section 2.1, Buyer may, in its sole and absolute discretion, elect to effect a Redemption Exchange (subject to the terms of this Article II) through a direct exchange of the Exchanged Securities by the TPG OG Limited Partner to Buyer for the Exchange Payment (a "**Direct Exchange**"). The Buyer may, in its sole and absolute discretion, elect for the consideration payable in a Direct Exchange to be comprised of a Cash Exchange Payment, a Stock Exchange Payment or any combination of the foregoing. Any election under this Section 2.1(f) shall not relieve the TPG OG Partnerships of their obligations arising with respect to such applicable Exchange Notice, until the Direct Exchange subject to such election is consummated pursuant to this Section 2.1(f). Buyer may, at any time prior to an Exchange Date, deliver written notice (a "**Direct Exchange Notice**") to the TPG OG Limited Partner setting forth its election to exercise its right to consummate a Direct Exchange if, and only if, such election does not prejudice the ability of the parties to consummate an Exchange or Direct Exchange on the Exchange Date, as determined by Buyer in good faith. A Direct Exchange Notice may be revoked by Buyer at any time if, and only if, any such revocation does not prejudice the ability of the parties to consummate an Exchange on the Exchange Date, as determined by Buyer in good faith. The right to consummate a Direct Exchange in all events shall be exercisable for all the Exchanged Securities that would otherwise have been subject to an Exchange. Except as otherwise provided in this Section 2.1(f), a Direct Exchange shall be consummated pursuant to the same timeframe and in the same manner as the relevant Exchange would have been consummated if Buyer had not delivered a Direct Exchange Notice. For the avoidance of doubt, whether or not all or any portion of an Exchange Payment will be in the form of a Stock Exchange Payment shall be determined by the Buyer (on behalf of the TPG OG Partnerships), and Buyer shall effect a Direct Exchange in the form(s) of Exchange Payment(s) as is consistent with this Agreement and Buyer's election (if any).

(g) Notwithstanding any other provision of this Agreement and for the avoidance of doubt, each TPG OG Partnership shall be responsible for its respective Allocation Percentage of any Exchange Payment, and no TPG OG Partnership shall have any obligation to (i) acquire any Common Units issued by another TPG OG Partnership or (ii) make or assume any Exchange Payment owed by another TPG OG Partnership.

Section 2.2. *Plan Exchange Procedures*.

(a) On the terms and subject to the provisions of this Agreement, and subject to the provisions of the A&R TPG OG Operating Agreements, the Investor Rights Agreement and the PubCo Charter, a Principal Holder shall be permitted to effect a Cash Redemption Exchange in accordance with Section 2.1(c) (unless Buyer elects to effect such proposed Exchange as a Stock Redemption Exchange or a Direct Exchange in accordance with the terms hereof) or Block Exchange (in accordance with Section 2.1(b)) with respect to Common Units subject to a Plan pursuant to and in accordance with the additional provisions set forth in this Section 2.2.

(b) Notice of Intent to Adopt or Amend a Plan.

(i) With respect to a Trading Window in which a Principal Holder intends to adopt or amend a Plan, such Principal Holder shall provide written notice of such intent and a good faith estimate of the maximum number of Common Units (or equivalent TPG Partner Units) subject to such Plan to Partner Holdings, the TPG OG Partnerships and Buyer, which notice of intent shall be delivered at least sixty (60) calendar days prior to the opening of such Trading Window.

(ii) A notice of intent delivered pursuant to this Section 2.2(b) shall permit, but not obligate, the applicable Principal Holder to adopt a Plan or the Principal Holder to Exchange (following a Pre-Redemption Exchange (as defined in the Partner Holdings LPA)) Common Units included in such notice of intent in one or more Exchanges up to the amount of Common Units set forth in such notice of intent.

(iii) A Principal Holder shall provide Buyer with a copy of the Plan promptly on or following the date such Principal Holder adopts the Plan. Neither a Principal Holder, nor Partner Holdings on behalf of such Principal Holder, shall be permitted to settle an Exchange of Common Units pursuant to a Plan Exchange until after the expiration of the period beginning on the date a Plan is adopted or amended and ending fourteen (14) calendar days following the Trading Window in which the applicable Plan is adopted or amended. A notice of adoption or amendment of a Plan shall not obligate the applicable Principal Holder (or Partner Holdings on its behalf) to Exchange Common Units.

(c) Exchange Notice.

(i) In the event that the applicable Principal Holder (or Partner Holdings on its behalf), has satisfied the notice procedures in Section 2.2(b), the broker administering a Plan on behalf of the applicable Principal Holder through Partner Holdings may exercise the right to Exchange Common Units set forth in Section 2.2(a) above by providing an Exchange Notice in accordance with Section 2.1(c) or a Block Exchange Notice in accordance with Section 2.1(b). Any notice of exchange with respect to a Plan Exchange shall be irrevocable.

(ii) To the extent permitted by applicable law, PubCo shall take all reasonable and necessary action to cooperate with any Principal Holder (and Partner Holdings) who shall have notified PubCo of its intention to adopt or amend a 10b5-1 Plan to implement such 10b5-1 Plan, including: (i) cooperating directly with the broker or brokers who will administer such 10b5-1 Plan, (ii) promptly advising any broker or brokers identified in advance to the PubCo as administering such 10b5-1 Plan of (A) any record date established with respect to any dividend payable with respect to Class A Shares at least five (5) Business Days prior to such record date and (B) any change to the Exchange Rate at least one (1) Business Day prior to its effectiveness, and (iii) to the extent the Chief Compliance or Legal Officer of PubCo (or any designee thereof) is entitled under any applicable policy of PubCo to review and pre-approve the 10b5-1 Plan, such review consists of determining that the 10b5-1 Plan conforms to all requirements of Section 240.10b5-1(c)(1)(i) of the Code of Federal Regulations as then in effect and conforms to any other applicable legal requirements reasonably deemed appropriate by PubCo.

Section 2.3. *Exchange Payment*.

(a) Any Exchange shall be consummated on the applicable Exchange Date (to be effective immediately prior to the close of business on such Exchange Date).

(b) On the Exchange Date, in the case of an Exchange that is not a Direct Exchange:

(i) PubCo shall contribute (via one or more intermediary entities) to Buyer, and Buyer shall contribute to the applicable TPG OG Partnerships (each, in accordance with their respective Allocation Percentages), for their collective delivery to the applicable TPG OG Limited Partner, (x) the Stock Exchange Payment with respect to any Exchanged Securities identified in the Buyer Exchange Notice as receiving the Stock Exchange Payment and (y) the Cash Exchange Payment with respect to any Exchanged Securities identified in the Buyer Exchange Notice as receiving a Cash Exchange Payment;

(ii) the TPG OG Limited Partner shall transfer and surrender (A) TPG OG I Common Units being exchanged to TPG OG I, (B) TPG OG II Common Units being exchanged to TPG OG II, (C) TPG OG III Common Units being exchanged to TPG OG III;

(iii) TPG OG I shall (A) cancel the redeemed TPG OG I Common Units that were a part of the Exchanged Securities held by the TPG OG Limited Partner, (B) transfer to the TPG OG Limited Partner its Allocation Percentage of the Cash Exchange Payment or the Stock Exchange Payment, as applicable and (C) issue to Buyer a number of TPG OG I Common Units equal to the number of such units cancelled pursuant to clause (A);

(iv) TPG OG II shall (A) cancel the redeemed TPG OG II Common Units that were a part of the Exchanged Securities held by the TPG OG Limited Partner, (B) transfer to the TPG OG Limited Partner its Allocation Percentage of the Cash Exchange Payment or the Stock Exchange Payment, as applicable and (C) issue to Buyer a number of TPG OG II Common Units equal to the number of such units cancelled pursuant to clause (A);

(v) TPG OG III shall (A) cancel the redeemed TPG OG III Common Units that were a part of the Exchanged Securities held by the TPG OG Limited Partner, (B) transfer to the TPG OG Limited Partner its Allocation Percentage of the Cash Exchange Payment or the Stock Exchange Payment, as applicable and (C) issue to Buyer a number of TPG OG III Common Units equal to the number of such units cancelled pursuant to clause (A); and

(vi) PubCo shall cancel the Class B Units corresponding to the Common Units being surrendered by the TPG OG Limited Partner.

(c) On the applicable Exchange Date, in the case of a Direct Exchange:

(i) PubCo shall contribute (through one or more intermediary entities) to Buyer, and Buyer shall deliver to the TPG OG Limited Partner, (x) the Stock Exchange Payment with respect to any Exchanged Securities identified in the Direct Exchange Notice as receiving the Stock Exchange Payment and (y) the Cash Exchange Payment with respect to any Exchanged Securities identified in the Direct Exchange Notice as receiving a Cash Exchange Payment;

(ii) the TPG OG Limited Partner shall transfer to Buyer the TPG OG I Common Units being exchanged, TPG OG II Common Units being exchanged and the TPG OG III Common Units being exchanged, and all such Units shall remain outstanding; and

(iii) PubCo shall cancel the Class B Units corresponding to the Common Units being surrendered by the TPG OG Limited Partner;

(d) Notwithstanding anything to the contrary contained in this Agreement, if, in connection with an Exchange by any Person a filing is required under the HSR Act, then the Exchange Date with respect to all of such Person's Exchanged Securities shall be delayed until the earlier of such time as (i) the required filing under the HSR Act has been made and the waiting period applicable to such Exchange under the HSR Act shall have expired or been terminated and (ii) such filing is no longer required (such earlier time, the "**HSR Termination**"). Any such delayed Exchange shall be effected promptly after such HSR Termination. Each of the parties to this Agreement, including PubCo, agree to promptly take or cause to be taken all actions required to make such filing under the HSR Act, and such other filings, notices, consents or approvals that may be required by applicable law to effect such Exchange, and the filing fees for such filings shall be paid by the TPG OG Partnerships.

(e) Notwithstanding anything to the contrary, no TPG OG Limited Partner shall have the right to Exchange Common Units, and the TPG OG Limited Partnerships and Buyer shall be permitted to refuse to honor any request for exchange of Common Units (and shall be required to promptly inform any affected TPG OG Limited Partner of such refusal in writing), (i) with respect to any Common Units held directly or indirectly by an officer, director and employee of PubCo or any other person, at any time or during any period if PubCo reasonably determines, based on the advice of counsel (which may be inside counsel), that such person may have access, or be deemed to have access, to any material non-public information that may affect the trading price of Class A Shares or Class B Shares at such time or during such period (provided that such restriction shall not apply to any Plan Exchange where the sale of Class A Shares issued upon exchange will be made pursuant to a 10b5-1 Plan that was put in place by a Principal Holder when such Person was not in possession of material non-public information about PubCo and its subsidiaries); (ii) if such exchange would be prohibited under any applicable law or regulation; or (iii) if such TPG OG Limited Partner has received a "Piggyback Notice" provided pursuant to Section 3.2(b) of the Investor Rights Agreement. In the event of a refusal to honor requests for Exchanges with respect to a Quarterly Exchange Date, any Exchange Notice previously delivered by any TPG OG Limited Partner in respect of such Quarterly Exchange Date shall be deemed to have lapsed, and any such Exchange Notice must be resubmitted in connection with the following Quarterly Exchange Date.

With respect to any Exchange by any TPG OG Limited Partner who at the time of such Exchange is, or within six months prior thereto was, a PubCo officer or director (as such terms are used in Section 16 of the Exchange Act and the rules promulgated thereunder), PubCo shall use all reasonable efforts to cause its Board of Directors (or a committee or sub-committee of two or more "non-employee directors" within the meaning of Rule 16b-3 under the Exchange Act) to approve in advance the disposition of any Exchanged Securities and the acquisition of any Class A Shares for the purpose of exempting such transactions from the provisions of Section 16(b) of the Exchange Act to the fullest extent permitted by Rule 16b-3 promulgated under Section 16 of the Exchange Act or any successor rule.

Section 2.4. *Taxes; Expenses*. Except as otherwise provided in this Agreement, the TPG OG Partnerships, Buyer and PubCo on the one hand, and each TPG OG Limited Partner, on the other hand, shall bear their own expenses in connection with the consummation of any Exchange with respect to such TPG OG Limited Partner, whether or not any such Exchange is ultimately consummated, except that the TPG OG Partnerships shall bear any transfer taxes, stamp taxes or duties, or other similar taxes in connection with, or arising by reason of, any such Exchange; *provided*, however, that if any Class A Shares are to be delivered in a name other than that of the TPG OG Limited Partner that requested the Exchange, then such TPG OG Limited Partner or the person in whose name such shares are to be delivered shall pay to TPG OG Partnerships the amount of any transfer taxes, stamp taxes or duties, or other similar taxes in connection with, or arising by reason of, such Exchange or shall establish to the reasonable satisfaction of TPG OG Partnerships that such tax has been paid or is not payable.

Section 2.5. *Limitations on Exchanges.*

(a) Buyer may impose additional limitations and restrictions on Exchanges (including limiting Exchanges or creating priority procedures for Exchanges) to the extent it reasonably determines in good faith that such limitations and restrictions are reasonably necessary to avoid: (i) contravention of applicable law or the Insider Trading Policy and any other *bona fide* written policies related to unlawful or inappropriate trading generally applicable to its directors, board observers, officers or other personnel; or (ii) any TPG OG Partnership being classified as a "publicly traded partnership" within the meaning of Section 7704 of the Code. For purposes of Section 7704 of the Code, each TPG OG Partnership and TPG OG GP shall assume that Buyer is treated as a single partner within the meaning of Treasury Regulations Section 1.7704-1(h) (determined taking into account the rules of Treasury Regulations Section 1.7704-1(h)(3)), unless otherwise required by applicable law. Notwithstanding the foregoing, none of PubCo or Buyer shall enter into any agreement if a principal purpose of such agreement is to restrict or otherwise impair in any material respect the TPG OG Limited Partners' rights to consummate Exchanges.

(b) If, with respect to any Exchange Date, the number of Common Units for which Exchange Notices have been received exceeds the maximum number of Common Units that may be Exchanged pursuant to 2.5(a) (a "**Cutback**"), then such Cutback shall apply *pro rata* to all holders of Common Units.

Section 2.6. *Class A Shares to be Issued.*

(a) PubCo and the TPG OG Partnerships covenant that all Class A Shares issued upon an Exchange will be validly issued, fully paid and non-assessable, and shall be transferred free and clear of any liens, other than restrictions provided in the PubCo Charter or pursuant to the Securities Act or any applicable state securities laws. PubCo shall at all times keep available, solely for the purpose of issuance upon an Exchange, out of its authorized but unissued Class A Shares, such number of Class A Shares that shall be issuable upon the Exchange of all outstanding Common Units. Nothing contained in this Agreement shall be construed to preclude PubCo from satisfying its obligations with respect to an Exchange by delivery of Class A Shares that are held in treasury of PubCo.

(b) PubCo and the TPG OG Partnerships covenant and agree that, if a registration statement under the Securities Act is effective and available for Class A Shares to be delivered with respect to any Exchange, Class A Shares that have been registered under the Securities Act shall be delivered in respect of such Exchange. If any Exchange in accordance with this Agreement is to be effected at a time when any required registration has not become effective or otherwise is unavailable, upon the request and with the reasonable cooperation of the exchanging TPG OG Limited Partners requesting such Exchange, PubCo and the TPG OG Partnerships shall use reasonable best efforts to promptly facilitate such Exchange pursuant to any reasonably available

exemption from such registration requirements. PubCo shall use reasonable best efforts to list the Class A Shares required to be delivered upon Exchange prior to such delivery upon each National Securities Exchange or inter-dealer quotation system upon which the outstanding Class A Shares may be listed or traded at the time of such delivery.

(c) Class A Shares issued upon an Exchange may contain such legends regarding restrictions under the Securities Act or any applicable state securities laws as PubCo in good faith determines (based on advice of counsel) to be necessary or advisable in order to ensure compliance with such laws.

Section 2.7. *Tax Matters.*

(a) In connection with any Exchange, the TPG OG Limited Partner shall, to the extent it is legally entitled to deliver such form, deliver to Buyer or PubCo (as applicable) a certificate, dated on the applicable Exchange Date, in a form reasonably acceptable to Buyer or PubCo (as applicable), certifying as to such TPG OG Limited Partner's taxpayer identification number and that such TPG OG Limited Partner is a not a foreign person for purposes of Section 1445 and Section 1446(f) of the Code (which certificate may be an Internal Revenue Service Form W-9 if then sufficient for such purposes under applicable law) (such certificate a "**Non-Foreign Person Certificate**"). If a TPG OG Limited Partner is unable to provide a Non-Foreign Person Certificate in connection with an Exchange, then such TPG OG Limited Partner shall (if permitted by law) provide a certificate substantially in the form described in Treasury Regulations Section 1.1446(f)-2(c)(2)(ii)(B) (it being understood that the TPG OG Partnerships, the Buyer and any other applicable withholding agent shall retain the discretion to determine the amount realized). The TPG OG Partnerships, the Buyer and other applicable withholding agent shall be permitted to withhold 10% (or such other percentage as may then be specified by Section 1446(f) of the Code, any Treasury Regulations promulgated thereunder or any successor provisions) of the amount realized by such TPG OG Limited Partner in respect of such Exchange as provided in Section 1446(f) of the Code and any Treasury Regulations promulgated thereunder (including Proposed Treasury Regulations). Without limiting the foregoing, TPG OG Partnerships shall reasonably cooperate upon the reasonable request to provide such certifications or other information that the TPG OG Partnerships are legally permitted to provide to the extent necessary to reduce or eliminate any withholding with respect to an Exchange (including the certificate described in Treasury Regulations Section 1.1445-11T(d)(2)) to the extent the TPG OG GPs or the TPG OG Partnerships can do so without unreasonable effort or expense. Each TPG OG Limited Partner shall indemnify and hold harmless the TPG OG Partnerships, the Buyer and their respective Affiliates for, from and against any withholding taxes arising from such specific TPG OG Limited Partner's Exchange and amount owed to a TPG OG Partnership that is attributable to such specific TPG OG Limited Partner's Common Units that are exchanged pursuant to this Agreement. Notwithstanding any other provision of this Agreement, if the amount payable to a TPG OG Limited Partner under this Agreement would be in the form of Class A Shares, the TPG OG Partnerships, the Buyer and any other withholding agent may require the TPG OG Limited Partner to fund any applicable withholding (as determined by the TPG OG Partnerships, the Buyer or other withholding agent, as the case may be) in cash.

(b) For U.S. federal (and applicable state and local) income tax purposes, each of the TPG OG Limited Partner, the TPG OG Partnerships, Buyer, Buyer and PubCo agree to treat each Exchange (and, for the avoidance of doubt, each Direct Exchange) as a taxable sale under Section 1001 of the Code by the TPG OG Limited Partner of Exchanged Securities to Buyer for (i) the payment by Buyer of the Exchange Payment, and (ii) corresponding payments under the Tax Receivable Agreement, and no party shall take a contrary position on any income tax return, amendment thereof, or communication with a taxing authority. Within 30 days following the Exchange Date, Buyer shall deliver a notification to each TPG OG Partnership in accordance with Treasury Regulations Section 1.743-1(k)(2).

(c) To the extent this Agreement imposes an obligation upon a particular TPG OG Partnership or defines rights of the TPG OG Limited Partners with respect to a particular TPG OG Partnership, this Agreement shall be treated as part of the relevant A&R TPG OG Operating Agreements as described in Section 761(c) of the Code and Treasury Regulations Sections 1.704-1(b)(2)(ii)(h) and 1.761-1(c).

(d) Each TPG OG Limited Partner shall provide PubCo with information reasonably requested by PubCo as to the amount of PubCo stock held directly or constructively under any Law identified by PubCo.

(e) If Partner Holdings consents, any holder of an interest in a TPG Partner Entity (or other entity the sole assets of which are Common Units, including a TPG Feeder Partnership) may exchange interests in such TPG Partner Entity (or such other entity) in a manner that is economically equivalent to an Exchange of Common Units under this Agreement.

(f) PubCo acknowledges and agrees that, subject to the restrictions of this Agreement and the Investor Rights Agreement, upon request by a Legacy Principal, such Legacy Principal shall be permitted to transfer an entity that is an S corporation the sole material assets of which are Common Units to PubCo (including via merger), as part of a tax free reorganization within the meaning of section 368 of the Code in which no gain is recognized for US federal income tax purposes, in a manner that is economically equivalent to an Exchange of Common Units under this Agreement, provided, that (i) neither PubCo nor any Subsidiary of PubCo shall be required to engage in any restructuring in order to permit qualification of such transaction as a reorganization under Section 368(a) of the Code, (ii) no Transfer under this Section 2.7(f) shall be permitted until 2024, (iii) PubCo shall be given at least 60 Business Days' notice prior to any transfer proposed under this Section 2.7(f) and (iv) in connection with such transfer, the Legacy Principal shall provide customary representations, warranties, covenants and indemnities to PubCo substantially similar to such terms provided in connection with the transfer to PubCo of certain corporations pursuant to the Strategic Investor Transfer Agreements between certain former holders of Common Units, PubCo and the other parties thereto.

Section 2.8. *Splits, Distributions and Reclassifications*. The Exchange Rate shall be adjusted accordingly as reasonably determined in good faith by Buyer if there is: (a) any subdivision (by any unit split, unit distribution, reclassification, reorganization, recapitalization or otherwise) or combination (by reverse unit split, reclassification, reorganization, recapitalization or otherwise) of the Common Units (or any component thereof) that is not accompanied by an identical subdivision or combination of the Class A Shares; or (b) any subdivision (by any stock split, stock distribution or dividend, reclassification, reorganization, recapitalization or otherwise) or combination (by reverse stock split, reclassification, reorganization, recapitalization or otherwise) of the Class A Shares that is not accompanied by an identical subdivision or combination of the Common Units (and each component thereof). If there is any reclassification, reorganization, recapitalization or other similar transaction in which the Class A Shares are converted or changed into another security, securities or other property, then upon any Exchange, a TPG OG Limited Partner shall be entitled to receive the amount of such security, securities or other property that such TPG OG Limited Partner would have received if such Exchange had occurred immediately prior to the effective date of such reclassification, reorganization, recapitalization or other similar transaction, taking into account any adjustment as a result of any subdivision (by any split, distribution or dividend, reclassification, reorganization, recapitalization or otherwise) or combination (by reverse split, reclassification, recapitalization or otherwise) of such security, securities or other property that occurs after the effective time of such reclassification, reorganization, recapitalization or other similar transaction. This Section 2.8 is intended to preserve the intended economic effect of this Article II and to put each TPG OG Limited Partner in the same economic position, to the greatest extent possible, with respect to Exchanges (including Direct Exchanges) as if such reclassification, reorganization, recapitalization or other similar transaction had not occurred and shall be interpreted in a manner consistent with such intent.

Section 2.9. *Representations and Warranties*. In connection with any Exchange, upon the acceptance of the Class A Shares or an amount of cash equal to the Cash Exchange Payment (as applicable), the exchanging TPG OG Limited Partner shall represent and warrant that: (i) such TPG OG Limited Partner is the record and beneficial owner of the number of Exchanged Securities the TPG OG Limited Partner is electing to Exchange, (ii) such TPG OG Limited Partner has the authority to exchange the Exchanged Securities the TPG OG Limited Partner is electing to Exchange and (iii) such Exchanged Securities are not subject to any liens or restrictions on transfer (other than restrictions imposed by this Agreement, the PubCo Charter and applicable law, including pursuant to the Securities Act or any applicable foreign or state securities laws). In connection with any Block Exchange, Buyer shall also be entitled to obtain reasonable and customary representations and warranties from the TPG OG Limited Partner in order to ensure compliance with Treasury Regulations Section 1.7704-1(e)(2).

Section 2.10. *Participation in PubCo Transactions*. Each TPG OG Limited Partner acknowledges and agrees that, upon written notice from Buyer, such TPG OG Limited Partner shall participate (with respect to any or all of such TPG OG Limited Partner's Common Units, as determined by Buyer) in any Exchange proposed by Buyer in furtherance of a transaction that is approved by the Board of Directors of PubCo (including a Change of Control transaction, whether structured as a merger or otherwise); *provided* that (i) all similarly situated TPG OG Limited Partners are treated in a similar manner (provided that Buyer may modify such similar treatment to accommodate legal, regulatory or tax issues impacting a specific TPG OG Limited Partner), (ii) if such

Exchange would adversely impact the amount payable under the Tax Receivable Agreement, the TPG OG Limited Partner will be afforded a reasonable opportunity to effect an Exchange that does not adversely impact the amount payable under the Tax Receivable Agreement and to obtain full liquidity with respect to any Class A Shares received in such Exchange and (iii) except in the case of a Change of Control, this Section 2.10 shall not apply unless PubCo and its Subsidiaries collectively own, directly or indirectly, at least 90% of the Common Units and the Exchange is structured to allow each TPG OG Limited Partner that is a U.S. person (as defined in Section 7701(a)(30) of the Code) not to recognize gain for U.S. federal income tax purposes in such Exchange, other than pursuant to Section 351(c).

Section 2.11. *Delegation by PubCo and Buyer*. PubCo or Buyer may, in their sole discretion, delegate any or all responsibilities under this Agreement, including exercises of discretion, to one or more committees of the Board of Directors of PubCo, including the Executive Committee or a designated "Exchange Committee", in each case, as may be determined by the Board of Directors of PubCo from time to time.

Section 2.12. *Pre-Exchange Redemption*. Each Indirect TPG OG Limited Partner shall automatically become a TPG OG Limited Partner (entitled to the rights and subject to the obligations of a TPG OG Limited Partner hereunder) upon receipt by such TPG OG Limited Partner of Common Units in the TPG OG Partnerships (including as a result of a redemption of units held in a TPG Feeder Partnership in exchange for Common Units). As a condition to each Indirect TPG OG Limited Partner who indirectly holds Common Units through Partner Holdings becoming party hereto, each such Indirect TPG OG Limited Partner hereby irrevocably consents to the Partner Holdings Amendments.

ARTICLE 3

GENERAL PROVISIONS

Section 3.1. *Additional TPG OG Limited Partners*. If a TPG OG Limited Partner validly transfers any or all of such holder's Common Units to another Person in a transaction in accordance with, and not in contravention of, the A&R TPG OG Operating Agreements, this Agreement and any other applicable agreement or agreements with PubCo or any of its Subsidiaries to which a transferring TPG OG Limited Partner may be party, then such transferee (each, a "**Permitted Transferee**") shall have the right to execute and deliver a joinder to this Agreement, substantially in the form of Exhibit B to this Agreement, whereupon such Permitted Transferee shall become a TPG OG Limited Partner under this Agreement. If the TPG OG Partnerships issue Common Units in the future in accordance with, and not in contravention of, the A&R TPG OG Operating Agreements, the TPG OG Partnerships shall be entitled, in their sole discretion, to make any holder of such Common Units a TPG OG Limited Partner under this Agreement through such holder's execution and delivery of a joinder to this Agreement, substantially in the form of Exhibit B to this Agreement. Without limiting the foregoing, PubCo, Buyer or the TPG OG Partnerships shall be permitted to enter into a joinder to this Agreement with one or more other Persons, pursuant to which such other Person will

agree to abide by the terms and conditions of this Agreement (with such modifications as the PubCo, Buyer or the TPG OG Partnerships may agree to and with no need for amendment or consent from any other Person) and upon execution of such joinder, such Person will become a party with all rights and obligations under this Agreement (with such modifications as provided for in such joinder agreement).

Section 3.2. *Amendment*.

(a) The provisions of this Agreement may be amended by the written consent of the TPG OG Partnerships, Buyer and PubCo. Notwithstanding the foregoing, in the event that one or more, but not all, of the TPG OG Partnerships is dissolved, liquidated or terminated (whether pursuant to its A&R TPG OG Operating Agreement, by judicial decree or otherwise), Buyer shall amend this Agreement to reflect the same substantive terms with respect to and among the remaining TPG OG Partnership or TPG OG Partnerships and the other parties to this Agreement.

(b) Notwithstanding Section 3.2(a), no modification, amendment or restatement of any provision of this Agreement that, by its terms (and not, for the avoidance of doubt, based upon the characteristics or other attributes of any party), materially and adversely affects the rights or obligations under this Agreement of any direct or indirect holder of a class or series of Equity Securities (as such term is defined in the A&R TPG OG Operating Agreements) of TPG OG I, TPG OG II or TPG OG III, in its capacity as such, without similarly affecting the rights or obligations under this Agreement of all holders of such class or series of Equity Securities of TPG OG I, TPG OG II or TPG OG III, shall be effective against such holder unless approved in writing by such holder.

Section 3.3. *Addresses and Notices*.

Notwithstanding the foregoing, any waiver of a Quarterly Exchange Date and other recurring notices may be posted to PubCo's website as a manner to communicate to the TPG OG Limited Partners.

Section 3.4. *Further Action*. The parties to this Agreement shall take, or cause to be taken, all appropriate action (including executing and delivering any documents, certificates, instruments and other papers that are necessary or appropriate for the consummation of the transactions contemplated by this Agreement), and do, or cause to be done, and assist and cooperate with the other parties to this Agreement in doing, all things necessary to achieve the purposes of this Agreement, in each case, as may be requested by PubCo, Buyer or any TPG OG Partnership.

Subject to Section 3.1, this Agreement shall be binding upon and shall inure to the benefit of the parties to this Agreement, their respective permitted assigns, heirs and personal representatives, and any estate, trust, partnership or limited liability company or other similar entity of which any such Person is a trustee, partner, member or similar party which is or becomes a party to this Agreement.

Section 3.6. *Governing Law; Waiver of Jury Trial; Jurisdiction*.

(a) The laws of the State of Delaware shall govern (a) all proceedings, claims or matters related to or arising from this Agreement (including any tort or non-contractual claims) and (b) any questions concerning the construction, interpretation, validity and enforceability of this Agreement, and the performance of the obligations imposed by this Agreement, in each case without giving effect to any choice of law or conflict of law rules or provisions (whether of the State of Delaware or any other jurisdiction) that would cause the application of the laws of any jurisdiction other than the State of Delaware.

(b) Any dispute, controversy or claim arising out of, relating to or in connection with this Agreement, including, without limitation, any dispute regarding the validity or termination of this Agreement, or the performance or breach hereof, shall be finally settled by arbitration administered by the American Arbitration Association ("**AAA**"), in accordance with its Commercial Arbitration Rules in effect at the time of the arbitration. The place of arbitration shall be Fort Worth, Texas and the proceedings shall be conducted in the English language. The arbitration shall be conducted by three arbitrators. Each arbitrator shall be a person with significant experience in the financial services industry or representing persons in the financial services industry. Each of the parties to such arbitration shall nominate one arbitrator within 15 days after delivery of a request for arbitration in writing by any of the parties. In the event that any of the parties to the arbitration fail to nominate an arbitrator as and within such time period provided in the preceding sentence, upon request of either of such parties, such arbitrator shall instead be appointed by the AAA within 15 days of receiving such request. The two arbitrators appointed in accordance with the above provisions shall nominate the third arbitrator within 15 days of their appointment. If the first two appointed arbitrators fail to nominate a third arbitrator, then, upon request of the parties to the arbitration, the third arbitrator shall be appointed by the AAA within 30 days of receiving such request. The third arbitrator shall serve as Chairman of the arbitral tribunal. The arbitrators shall endeavor to render a final award within 90 days of submission of a request for arbitration. Failure to adhere to this time limit shall not be a basis for challenging the award. The award rendered by the arbitrators shall be final and binding on the parties thereto and judgment on such award may be entered in any court of competent jurisdiction. All costs and expenses incurred by the parties in connection with any arbitration hereunder shall be borne by the party against whom the arbitrators' award is rendered, and such party shall promptly reimburse the party in whose favor the arbitrators' award is rendered for any of such costs and expenses incurred by such party.

(c) By agreeing to arbitration, the parties do not intend to deprive any court with jurisdiction of its ability to issue a preliminary injunction, attachment or other form of provisional remedy in aid of the arbitration, and a request for such provisional remedies by a party to a court shall not be deemed a waiver of this agreement to arbitrate. In addition to the authority conferred upon the arbitrators by the rules specified above, the arbitrators shall also have the authority to grant provisional remedies, including injunctive relief.

(d) Except as may be required by applicable law or court order, the parties agree to maintain confidentiality as to all aspects of any arbitration arising out of, relating to or in connection with this Agreement, including any such arbitration's existence and results, except that nothing herein shall prevent a party from disclosing information regarding such arbitration for purposes of enforcing the award or this arbitration clause, or in any court proceeding requesting the issuance of provisional remedies. The parties further agree to obtain the arbitrators' agreement to preserve the confidentiality of the arbitration.

(e) Without limiting the foregoing, each party agrees that service of process on such party as provided in Section 3.3 shall be deemed effective service of process on such party.

Section 3.7. *Severability*. Whenever possible, each provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Agreement or the application of any such provision to any Person or circumstance shall be held to be prohibited by or invalid, illegal or unenforceable under applicable law in any respect by a court of competent jurisdiction, such provision shall be ineffective only to the extent of such prohibition or invalidity, illegality or unenforceability, without invalidating the remainder of such provision or the remaining provisions of this Agreement. Furthermore, in lieu of such illegal, invalid or unenforceable provision, there shall be added automatically as a part of this Agreement a legal, valid and enforceable provision as similar in terms to such illegal, invalid, or unenforceable provision as may be possible.

Section 3.8. *Entire Agreement*. This Agreement, the Investor Rights Agreement, the PubCo Charter and the A&R TPG OG Operating Agreements contain the entire agreement and understanding among the parties to this Agreement with respect to the subject matter of this Agreement and, thereof and supersede all prior and contemporaneous agreements, understandings and discussions, whether written or oral, relating to such subject matter in any way. There are no restrictions, promises, representations, warranties, covenants or undertakings, other than those expressly set forth or referred to in this Agreement. The parties to this Agreement and their respective counsel have reviewed and negotiated this Agreement as the joint agreement and understanding of the parties to this Agreement, and the language used in this Agreement shall be deemed to be the language chosen by the parties to this Agreement to express their mutual intent, and no rule of strict construction shall be applied against any Person.

Section 3.9. *Waiver*. No failure by any party to insist upon the strict performance of any covenant, duty, agreement or condition of this Agreement or to exercise any right or remedy consequent upon a breach thereof shall constitute waiver of any such breach of any other covenant, duty, agreement or condition.

Section 3.10. *Counterparts*. This Agreement may be executed and delivered in any number of counterparts, including by facsimile or electronic transmission (including PDF or any electronic signature complying with the U.S. federal ESIGN Act of 2000, e.g. www.docusign.com), each of which shall be an original and all of which together shall constitute a single instrument.

Section 3.11. *Independent Nature of TPG OG Limited Partners' Rights and Obligations*. The obligations of each TPG OG Limited Partner under this Agreement are several and not joint with the obligations of any other TPG OG Limited Partner, and no TPG OG Limited Partner shall be responsible in any way for the performance of the obligations of any other TPG OG Limited Partner under this Agreement. The decision of each TPG OG Limited Partner to enter into this Agreement has been made by such TPG OG Limited Partner independently of any other TPG OG Limited Partner. Nothing contained in this Agreement, and no action taken by any TPG OG Limited Partner pursuant this Agreement, shall be deemed to constitute the TPG OG Limited Partners as a partnership, an association, a joint venture or any other kind of entity, or create a presumption that the TPG OG Limited Partners are in any way acting in concert or as a

group with respect to such obligations or the transactions contemplated by this Agreement, and PubCo, Buyer and the TPG OG LPs acknowledge that the TPG OG Limited Partners are not acting in concert or as a group, and none of PubCo or Buyer shall assert any such claim, with respect to such obligations or the transactions contemplated by this Agreement.

ARTICLE III

REGISTRATION RIGHTS

3.1 Demand Registrations. Subject to the provisions of Section 2.1, this Section 3.1 and Section 3.5, any Demand Holder (the "Initiating Holders") may from time to time make a written request (a "Demand Request") for (i) registration under the Securities Act on Form S-1 or any similar long-form registration statement of all or any portion of Registrable Securities or (ii) if the Issuer is then eligible to use Form S-3, a Shelf Registration of all or any portion of Registrable Securities under the Securities Act (a "Demand Registration"). No Demand Registration will be consummated (and no registration statement with respect thereto will be filed) if the number of Registrable Securities requested to be registered is fewer than such number of shares of Class A Common Stock that have a value (based on the closing price on the trading day immediately prior to the filing of the registration statement or prospectus supplement, as applicable) of $50,000,000. Demand Requests shall specify the amount of Registrable Securities to be registered and the intended method or methods of disposition. The Issuer shall, subject to the provisions of this Article III and to the other Parties' compliance with their obligations under the provisions of this Agreement, use its reasonable best efforts to file a registration statement registering all Registrable Securities included in such Demand Request for disposition in accordance with the intended method or methods set forth therein as promptly as possible following receipt of a Demand Request. The Issuer shall use its reasonable best efforts to cause such Registration Statement, including in the case of a Shelf Registration, a subsequent Registration Statement, to be declared effective as soon as practicable after filing and to remain effective until the earlier of (a) ninety (90) days following the date on which it was declared effective, in the case of an underwritten offering pursuant to a registration statement on Form S-1 and (b) the date on which all of the Registrable Securities covered thereby are disposed of in accordance with the method or methods of disposition stated therein. Subject to the conditions set forth in this Section 3.1, the Demand Holders shall be entitled to request an unlimited number of Demand Registrations.

3.2 Piggyback Registration.

(a) Subject to the provisions of Section 3.2(b) and Section 3.2(c), if the Issuer proposes or is required to file under the Securities Act a registration statement or a prospectus supplement relating to a Shelf Registration with respect to the offer and sale of shares of Class A Common Stock, including pursuant to a Demand Registration (other than with respect to block trades or a registration statement (A) on Form S-4, Form S-8 or any successor forms thereto or (B) filed solely in connection with any employee benefit or dividend reinvestment plan), then the Issuer shall give prior notice of such proposed filing at least five (5) Business Days prior to the anticipated filing date (a "Piggyback Notice") to Partner Holdings, the Other TPG Feeder Partnerships and each other Holder that is permitted to Transfer their Registrable Securities at such time as a result of the provisions set forth in Section 3.2(c). Subject to the foregoing, the Issuer shall offer such Holders the opportunity to include in such registration statement the number of Registrable Securities as they may request (a "Piggyback Registration"). Subject to the last sentence of Section 3.2(b), the Issuer shall include in such registration statement all Registrable Securities with respect to which the Issuer has received written requests for inclusion therein within three (3) Business Days after the Piggyback Notice has been delivered to the Holders (the "Piggyback Shares"). The Issuer will use reasonable best efforts to effect the registration under the Securities Act of all Piggyback

Shares which the Issuer has been so requested to register by the Holders to the extent required to permit the disposition of the Piggyback Shares to be registered; provided, that if, at any time after giving written notice of its intention to register any securities and prior to the effective date of the registration statement filed in connection with such registration, the Issuer (or another Person who demanded such registration) determines for any reason not to proceed with the proposed registration the Issuer may at its election give written notice of such determination to each Holder of Piggyback Shares and thereupon will be relieved of its obligation to register any Piggyback Shares.

(b) If any of the shares of Class A Common Stock to be registered pursuant to the provisions set forth in Section 3.2(a) are to be sold in an underwritten offering (other than with respect to block trades or a registration statement (A) on Form S-4, Form S-8 or any successor forms thereto or (B) filed solely in connection with any employee benefit or dividend reinvestment plan), then the Issuer shall provide a Piggyback Notice to Partner Holdings, the Other TPG Feeder Partnerships and each other Holder that is permitted to Transfer their Registrable Securities at such time not more than thirty (30) days and not fewer than five (5) Business Days prior to the anticipated commencement of such underwritten offering. The Issuer shall include in such Piggyback Registration all Piggyback Shares with respect to which the Issuer has received written requests for inclusion therein as of the earlier of (x) five (5) Business Days after the Piggyback Notice has been delivered to the Holders and (y) three (3) Business Days prior to the commencement of such underwritten offering. The inclusion of each Holder's Piggyback Shares in the Piggyback Registration shall be conditioned upon such Holder's participation in such underwritten offering, and the Issuer shall include the Piggyback Shares requested to be included in such offering (in compliance with Section 2.1, Section 3.2(c), Section 3.5 and Section 3.6) on the same terms and conditions as any other shares of Class A Common Stock included therein; provided, however, that if such offering involves a firm commitment underwritten offering and the managing underwriter(s) of such underwritten offering advise the Issuer that the total number or dollar amount of shares of Class A Common Stock proposed to be sold in such offering (including the Piggyback Shares) exceeds the total number or dollar amount of such shares that can be sold without having an adverse effect on the price, timing or distribution of the shares of Class A Common Stock to be so included, then there shall be included in such firm commitment underwritten offering the number or dollar amount of shares of Class A Common Stock that in the opinion of such managing underwriter(s) can be sold without so adversely affecting such offering, and the number of shares of Class A Common Stock shall be allocated for inclusion as follows:

(i) first, all shares of Class A Common Stock being sold by (x) the Issuer, if the underwritten offering is a primary offering initiated by the Issuer, or (y) subject to the provisions of Section 3.2(c), the Demand Holders, ratably among such Holders based on the number of Registrable Securities held by such Holder as of the Closing Date (after giving effect to the extent of the exercise of the underwriters' overallotment option in the IPO); provided, that, if the allocation pursuant to this clause (i) exceeds the number of Registrable Securities any Holder desires to sell, then the excess shall be reallocated among the other Holders in the same manner until all of the Registrable Securities that are available for sale are allocated to the Holders who wish to sell;

(ii) second, ratably among the Holders (other than the Demand Holders in the case of a Demand Registration as set forth in clause (i)(y) above) based on the number of Registrable Securities held by such Holder as of the Closing Date (after giving effect to the extent of the exercise of the underwriters' overallotment option in the IPO), and subject to the provisions of Section 3.2(c); provided, that if the allocation pursuant to this clause (ii) exceeds the number of Registrable Securities any Holder desires to sell, then the excess shall be reallocated among the other Holders in the same manner until all of the Registrable Securities that are available for sale are allocated to the Holders who wish to sell; and

(iii) third, all shares of Class A Common Stock proposed to be registered pursuant to any piggyback registration rights of security holders of the Issuer other than any Holder.

(c) Notwithstanding anything to the contrary contained herein, in the event of any discretionary waiver or termination of (i) the restrictions contained in any lock-up agreement entered into in connection with the IPO or any follow-on offering by the Issuer or the underwriters or (ii) the restrictions contained in Section 2.1(b), in each case to the extent waived or terminated to permit the sale of Class A Common Stock, Class B Common Stock or TOG Units by Partner Holdings and/or the Other TPG Feeder Partnerships (including on behalf of one or more Limited Partners) in an underwritten offering (including a synthetic secondary offering) prior to the day that is two years after the IPO Date, the provisions of Section 2.1(a) shall be waived to the extent necessary to permit each Investor to include Registrable Securities as Piggyback Shares in a Piggyback Registration pursuant to Section 3.2(b) on a pro rata basis, determined based on the number of shares of Class A Common Stock, Class B Common Stock or TOG Units to be sold by Partner Holdings and the Other TPG Feeder Partnerships (including on behalf of one or more Limited Partners) relative to the aggregate number of Registrable Securities held by Partner Holdings and the Other TPG Feeder Partnerships before giving effect to the sale of such Registrable Securities in such underwritten offering. For the avoidance of doubt and without limiting the foregoing, the provisions of Section 2.1(a) shall continue to apply in connection with a primary offering by the Issuer if the restrictions contained in Section 2.1(b) have not been waived, and therefore no Piggyback Notice shall be required to be delivered to any Investor pursuant to Section 3.2(a) or 3.2(b).

3.3 Shelf Take-Downs.

(a) Subject to the terms of this Agreement, at any time that a shelf registration statement covering Class A Common Stock (other than pursuant to a registration statement (A) on Form S-4, Form S-8 or any successor forms thereto or (B) filed solely in connection with any employee benefit or dividend reinvestment plan) is effective, if any Initiating Holder delivers a written notice to the Issuer (a "Takedown Notice") stating that it intends to effect an underwritten offering of all or part of the Class A Common Stock included on a shelf registration statement pursuant to Section 3.1 (a "Shelf Underwritten Offering"), then, the Issuer shall amend or supplement the shelf registration statement as promptly as practicable as may be necessary in order to enable such Class A Common Stock to be distributed pursuant to the Shelf Underwritten Offering; provided, however, that the number of shares of Class A Common Stock requested to be included in such Shelf Underwritten Offering shall have a value (based on the closing price on the trading day immediately prior to the filing of the prospectus supplement for such Shelf Underwritten Offering) of at least $50,000,000 (or a lesser amount if the Class A Common Stock requested to be included in such registration statement constitute all of the Class A Common Stock held by such Holder).

(b) The Issuer shall, as promptly as practicable, but no later than two (2) Business Days after receipt of a Takedown Notice, deliver the Takedown Notice to all other Holders included on such shelf registration statement and permit each such Holder to include its Class A Common Stock included on the shelf registration statement in the Shelf Underwritten Offering (that is not a block trade) in accordance with Section 3.2 if such Holder notifies the Initiating Holders and the Issuer within three (3) Business Days after delivery of the Takedown Notice to such Holder.

(c) The Issuer shall also permit each third party with registration rights to include its equity securities included on the shelf registration statement in the Shelf Underwritten Offering if such third party (or the Issuer on behalf of such third party) notifies the Initiating Holders and the Issuer within three (3) Business Days after delivery of the Takedown Notice to the Issuer.

(d) In the event that the managing underwriters advise the Issuer that, in their opinion, the number of securities requested to be included in such registration exceeds the largest number of equity securities that can be sold in an orderly manner in such underwritten offering within a price reasonably acceptable to the Initiating Holders, the underwriter may limit the number of securities which would otherwise be included in such takedown offering in the same manner as described in Section 3.2(b).

3.4 Underwritten Block Trades. Subject to the terms of this Agreement, at any time that a shelf registration statement covering Class A Common Stock (other than pursuant to a registration statement (A) on Form S-4, Form S-8 or any successor forms thereto or (B) filed solely in connection with any employee benefit or dividend reinvestment plan) is effective, any Initiating Holder may request that the Issuer file an amendment or supplement to such shelf registration statement as may be necessary in order to enable a Holder to sell Registrable Securities in an underwritten block trade (an "Underwritten Block Trade"), provided that the number of Registrable Securities proposed to be sold in this manner has an expected aggregate offering price of more than $25,000,000 (or a lesser amount if the Class A Common Stock requested to be included in such underwritten block trade constitutes all of the Class A Common Stock held by such Holder). Notwithstanding anything to the contrary set forth herein, the Initiating Holders shall notify (a "Underwritten Block Trade Notice") the Issuer of the Underwritten Block Trade at least three (3) Business Days prior to the commencement of such Underwritten Block Trade, and the Issuer shall, as promptly as practicable but in any event no later than one (1) Business Day after receiving such Underwritten Block Trade Notice, notify all Holders of Registrable Securities of its receipt of an Underwritten Block Trade Notice. In order to include Registrable Securities in any such Underwritten Block Trade, each Holder must provide notice of their election to include their Registrable Securities in such offering within one (1) Business Day following receipt of notification from the Issuer, and the Issuer shall use its commercially reasonable efforts to facilitate such Underwritten Block Trade as expeditiously as possible; provided, that the Initiating Holders shall use commercially reasonable efforts to work with the Issuer and the underwriters prior to making such request in order to facilitate preparation of the registration statement, prospectus and other offering documentation related to the Underwritten Block Trade.

3.5 Restrictions; Suspension Periods.

(a) The Issuer will not be obligated to effect any Demand Registration or Shelf Underwritten Offering (i) prior to (x) ninety (90) days after the effective date of a previous registered offering in which there was no reduction in the number of Registrable Securities included or (y) the expiration, termination or waiver of the underwriter lock-up entered into in connection with a previous registered offering in which there was a reduction in the number of Registrable Securities included (if earlier), in each case with respect to which the Holders were entitled to participate or (ii) if such Demand Registration or Shelf Underwritten Offering is not permitted under the terms of the Exchange Agreement.

(b) If the Issuer, by decision of its Executive Committee or similar governing body, in good faith determines that any filing (i) would require disclosure of any plan or proposal by the Issuer or any of its Subsidiaries to engage in any acquisition or disposition of assets or equity securities (other than in the ordinary course of business) or any merger, consolidation, tender offer, material financing or other significant transaction or (ii) would be reasonably likely to require the premature disclosure of information and the premature disclosure of which could materially and adversely affect the Issuer, then in any such case the Issuer may postpone or suspend for up to sixty (60) days the filing or the effectiveness of a registration statement or any amendment or supplement to a registration statement; provided, that the Issuer may not postpone the filing or effectiveness of a registration statement or any such amendment or supplement to a registration statement more than two (2) times during any twelve (12) month period and no such postponement shall last for a period exceeding ninety (90) days in the aggregate during any twelve (12) month period.

(c) Each Holder agrees, upon the request of the Issuer or the underwriters managing any underwritten offering of the Issuer's securities (if such Holder is eligible to participate in such offering under the terms of this Agreement) and subject to customary exceptions, not to lend, offer, pledge, sell, contract to sell, sell any option or contract to purchase, purchase any option or contract to sell, grant any option, right or warrant to purchase, or otherwise transfer or dispose of, directly or indirectly, any shares of Class A Common Stock, Class B Common Stock or TOG Units (other than those included in the registration, if any), without the prior written consent of the Issuer or such underwriters, as the case may be, for such period of time as the Issuer or such underwriters may specify and to enter into and be bound by such form of agreement with respect to this Section 3.5(c) as the Issuer or underwriters may reasonably request consistent with this Section 3.5(c); provided, that (i) any such agreement by an Investor shall be on substantially similar terms to any such agreement executed by the Partner Holdings Entities and the Other TPG Feeder Partnerships; (ii) each Holder shall be required to use reasonable best efforts to comply with the reasonably requested terms of any such agreement; and (iii) the provisions of this Section 3.5(c) shall have effect (x) from (A) the date that the Piggyback Notice is provided pursuant to Section 3.2(b), in the case of a Piggyback Registration, and (B) no earlier than seven (7) days prior to the effective date of the applicable registration statement or the filing of the prospectus supplement, as applicable, in the case of any other registration, and apply only through the date that is (y) ninety (90) days following the date of such registration or underwritten offering or such shorter time as may be agreed by the Issuer or the underwriters managing any underwritten offering, as the case may be. The terms of such lock-up agreements shall be negotiated among the Holders, the Issuer and the underwriters and shall include customary carve-outs from the restrictions set forth therein.

3.6 Participation in Underwritten Registrations. No Holder may participate in any underwritten offering hereunder unless such Holder (a) agrees to sell such Investor's Registrable Securities on the basis provided in any underwriting arrangements approved by the Issuer and

(b) completes and executes all questionnaires, powers of attorney, indemnities, underwriting agreements and other documents required under the terms of such underwriting arrangements. The terms of such underwriting agreements shall be negotiated among the Holders, the Issuer and the underwriters and shall include customary representations.

3.7 Other Registration-Related Matters.

(a) The Issuer may require any Holder to furnish to the Issuer in writing such information regarding such Person and the distribution of the equity securities of the Issuer which are included in a registration statement as may from time to time reasonably be requested in writing in order to comply with the Securities Act, and each Holder acknowledges that upon any failure by the Holder to furnish such information the Issuer shall be relieved from any obligation to include such Holder's Registrable Securities in such registration statement.

(b) The Issuer will pay all Registration Expenses in connection with each registration or proposed registration of Registrable Securities and the fees and expenses of one counsel to the Holders selected by the Initiating Holders. Notwithstanding the foregoing, (y) the fees or expenses of any other counsel to the Holders or of any other expert hired directly by the Holders will be the sole responsibility of the Holders and (z) the Holders will be responsible, severally and not jointly, for their respective pro rata portion (determined by reference to the number of shares included in the applicable registration) of all underwriting discounts and commissions and transfer taxes, if any.

(c) Before filing any registration statement or prospectus, or any amendments or supplements thereto, in connection with any registration or proposed registration of Registrable Securities, the Issuer will furnish to counsel for the Holders participating in such registration or offering copies of all documents proposed to be filed.

(d) The Issuer will furnish to each Holder participating in a registration or offering such number of copies of the applicable registration statement and of each amendment or supplement thereto (in each case, including all exhibits), such number of copies of the prospectus included in such registration statement (including each preliminary prospectus and summary prospectus), in conformity with the requirements of the Securities Act, and such other documents as such Holder may reasonably request in order to facilitate the disposition of Registrable Securities by such Holder.

(e) The Issuer will use reasonable best efforts to register or qualify Registrable Securities covered by a registration statement under such other securities or "blue sky" laws of such jurisdictions as each Holder reasonably requests, and do any and all other acts and things which may be reasonably necessary or advisable to enable such Holder to consummate the disposition in such jurisdictions of the Registrable Securities owned by such Holder, except that the Issuer will not for any such purpose be required to qualify generally to do business as a foreign corporation in any jurisdiction where, but for the requirements of this Section 3.7(e), it would not be obligated to be so qualified, to subject itself to taxation in any such jurisdiction, or to consent to general service of process in any such jurisdiction.

(f) The Issuer will use reasonable best efforts to cause the Registrable Securities covered by a registration statement to be registered with or approved by such other governmental agencies or authorities as may be reasonably necessary to enable the Holder thereof to consummate the disposition thereof.

(g) The Issuer will notify each Holder of Registrable Securities covered by a registration statement, at any time when a prospectus relating thereto is required to be delivered under the Securities Act promptly after the Issuer becomes aware that the prospectus included in such registration statement, as then in effect, includes an untrue statement of a material fact or omits to state a material fact required to be stated therein or necessary to make the statements therein not misleading in the light of the circumstances then existing, and, subject to Section 3.5, at the request of any such Holder, prepare and furnish to such Holder a reasonable number of copies of an amended or supplemental prospectus as may be necessary so that, as thereafter delivered to the purchasers of such Registrable Securities, such prospectus will not include an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading in the light of the circumstances then existing.

(h) The Issuer will enter into such customary agreements (including an underwriting agreement in customary form) and take such other actions as the Initiating Holders or the sellers of a majority of securities covered by a registration statement or the underwriters, if any, reasonably request in order to expedite or facilitate the disposition of such Registrable Securities.

(i) The Issuer will make available for inspection by any Holder of Registrable Securities covered by a registration statement, by any underwriter participating in any disposition to be effected pursuant to such registration statement and by any attorney, accountant or other agent retained by any such Holder or any underwriter, all pertinent financial and other records, pertinent corporate documents and properties of the Issuer, and cause all of the Issuer's officers, managers and employees to supply all information reasonably requested by any such Holder, underwriter, attorney, accountant or agent in connection with such registration statement.

(j) The Issuer will obtain a "cold comfort" letter or letters from the Issuer's independent public accountants in customary form and covering matters of the type customarily covered by "cold comfort" letters as the managing underwriter or underwriters for such offering reasonably request.

(k) The Issuer will obtain for delivery to the underwriters an opinion or opinions from counsel for the Issuer, in customary form, scope and substance, as the managing underwriter or underwriters for such offering reasonably request.

(l) The Issuer will cause management of the Issuer to participate in the customary "road show" presentations that may be reasonably requested by the managing underwriter or underwriters in any offering during normal business hours, upon reasonable notice and in a manner that does not unreasonably interfere with the operations of the Issuer's business and will otherwise facilitate, cooperate with, and participate in each proposed offering contemplated herein and customary selling efforts related thereto.

(m) The Issuer will cause all Registrable Securities covered by the applicable registration statement to be listed on each securities exchange on which the Issuer has listed any of its equity securities and on each inter-dealer quotation system on which any of the Issuer's equity securities are then quoted.

(n) Each Holder agrees that, upon receipt of any notice from the Issuer of the happening of any event of the kind described in Section 3.7(g), such Holder will forthwith discontinue disposition of securities pursuant to the registration statement covering such Registrable Securities until such Holder's receipt of the copies of the amended or supplemented prospectus contemplated by Section 3.7(g) and, if so directed by the Issuer, such Holder will deliver to the Issuer (at the Issuer's expense) all copies, other than permanent file copies then in such Holder's possession, of the prospectus covering such Registrable Securities current at the time of receipt of such notice.

3.8 Indemnification.

(a) Indemnification by the Issuer. In the event of any registration of any Registrable Securities of the Issuer under the Securities Act, the Issuer hereby indemnifies and agrees to hold harmless, to the extent permitted by applicable Law, each Holder of Registrable Securities covered by such registration statement, each Affiliate of such Holder and their respective directors and officers, general and limited partners or members and managing members (and the directors, officers, Affiliates and controlling Persons thereof), and each other Person, if any, who controls such Holder within the meaning of the Securities Act (collectively, the "Indemnified Parties"), against any and all losses, claims, damages or liabilities, joint or several, and expenses to which such Indemnified Party may become subject under the Securities Act, common law or otherwise, insofar as such losses, claims, damages or liabilities (or actions or proceedings in respect thereof, whether or not such Indemnified Party is a party thereto) arise out of or are based upon (i) any untrue statement or alleged untrue statement of any material fact contained in any registration statement under which such securities were registered under the Securities Act, any preliminary, final or summary prospectus contained therein, or any amendment or supplement thereto, or (ii) any omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading in the light of the circumstances then existing, and the Issuer will reimburse such Indemnified Party for any legal or other expenses reasonably incurred by it in connection with investigating or defending any such loss, claim, liability, action or proceeding as such expenses are incurred; provided, that the Issuer will not be liable to any Indemnified Party in any such case to the extent that any such loss, claim, damage, liability (or action or proceeding in respect thereof) or expense arises out of or is based upon any untrue statement or alleged untrue statement or omission or alleged omission made in such registration statement, in any such preliminary, final or summary prospectus, or any amendment or supplement thereto in reliance upon and in conformity with written information with respect to such Indemnified Party furnished to the Issuer by such Indemnified Party for use in the preparation thereof and not subsequently corrected, amended or supplemented by such Indemnified Party. Such indemnity will remain in full force and effect regardless of any investigation made by or on behalf of such Holder or any Indemnified Party and will survive the Transfer of such securities by such Holder.

(b) Indemnification by the Holders. As a condition to including any Registrable Securities in any registration statement, each Holder of such Registrable Securities agrees to indemnify and hold harmless (in the same manner and to the same extent as set forth in Section 3.8(a)) the Issuer, all other Holders and any prospective underwriter, as the case may be, and any of their respective Affiliates, directors, officers, general and limited partners, members and managing members and controlling Persons, with respect to any statement or alleged statement in or omission or alleged omission from such registration statement, any preliminary, final or summary prospectus contained therein, or any amendment or supplement, if such statement or alleged statement or omission or alleged omission was made in reliance upon and in conformity with written information with respect to such Holder furnished to the Issuer by such Holder expressly for use in the preparation of such registration statement, preliminary, final or summary prospectus or amendment or supplement, or a document incorporated by reference into any of the foregoing; provided, however, that each Holder's aggregate liability hereunder and under Section 3.8(b) with respect to any particular registration shall be limited to an amount equal to the net proceeds (after deducting underwriting commissions and discounts, but before deducting any expenses) received by such Holder from the Registrable Securities sold by such Holder in such registration; provided further, that no Holder shall have liability hereunder to the extent such Holder timely corrects, amends or supplements such written information previously furnished to the Issuer. Such indemnity will remain in full force and effect regardless of any investigation made by or on behalf of the Issuer or any of the Holders, or any of their respective Affiliates, directors, officers or controlling Persons and will survive the Transfer of such securities by such Holder. Any indemnification obligation of a Holder of Registrable Securities hereunder shall be several and not joint with each other Holder of Registrable Securities.

(c) Notices of Claims, Etc. Promptly after receipt by an Indemnified Party hereunder of written notice of the commencement of any action or proceeding with respect to which a claim for indemnification may be made pursuant to this Section 3.8, such Indemnified Party will, if a claim in respect thereof is to be made against an indemnifying party, give written notice to the latter of the commencement of such action; provided, that the failure of the Indemnified Party to give notice as provided herein will not relieve the indemnifying party of its obligations under Section 3.8(a) or Section 3.8(b), except to the extent that the indemnifying party is actually prejudiced by such failure to give notice. In case any such action is brought against an Indemnified Party, unless in such Indemnified Party's reasonable judgment a conflict of interest between such indemnified and indemnifying parties may exist in respect of such claim, the indemnifying party will be entitled to participate in and to assume the defense thereof, jointly with any other indemnifying party similarly notified to the extent that it may wish, with counsel reasonably satisfactory to such Indemnified Party, and after notice from the indemnifying party to such Indemnified Party of its election so to assume the defense thereof, the indemnifying party will not be liable to such Indemnified Party for any legal or other expenses subsequently incurred by the latter in connection with the defense thereof other than reasonable costs of investigation. If, in such Indemnified Party's reasonable judgment, having common counsel would result in a conflict of interest, between the interests of such indemnified and indemnifying parties, then such Indemnified Party may employ separate counsel reasonably acceptable to the indemnifying party to represent or defend such Indemnified Party in such action, it being understood, however, that the indemnifying party will not be liable for the reasonable fees and expenses of more than one separate firm of attorneys at any time for all such Indemnified Parties (and not more than one separate firm of local counsel at any time for all such Indemnified Parties) in such action. No indemnifying party will consent to entry of any judgment or enter into any settlement which does not include as an unconditional term thereof the giving by the claimant or plaintiff to such Indemnified Party of a release from all liability in respect of such claims or litigation. No Indemnified Party will consent to entry of any judgment or enter into any settlement without the consent of the indemnifying party (which will not be unreasonably withheld).

(d) Other Indemnification. Indemnification similar to that specified in this Section 3.8 (with appropriate modifications) will be given by the Issuer and each Holder of Registrable Securities with respect to any required registration or other qualification of securities under any federal or state Law or regulation or Governmental Entity other than the Securities Act.

(e) Contribution. In order to provide for just and equitable contribution in circumstances in which the indemnity agreement provided for in this Section 3.8 is unavailable to an Indemnified Party, the indemnifying party shall contribute to the aggregate losses, damages, liabilities and expenses (collectively, "Losses") of the nature contemplated by such indemnity agreement incurred by any Indemnified Party, (i) in such proportion as is appropriate to reflect the relative fault of the indemnifying party, on the one hand, and the Indemnified Parties, on the other hand, in connection with the statements or omissions which resulted in such Losses or (ii) if the allocation provided by clause (i) above is not permitted by applicable Law, in such proportion as is appropriate to reflect not only the relative fault of but also the relative benefits to the indemnifying party, on the one hand, and each such Indemnified Party, on the other hand, in connection with the statements or omissions which resulted in such Losses, as well as any other relevant equitable considerations. The relative benefits to the indemnifying party and the Indemnified Party shall be determined by reference to, among other things, the total proceeds received by the indemnifying party and the Indemnified Party in connection with the offering to which such Losses relate. The relative fault of the indemnifying party and the Indemnified Party shall be determined by reference to, among other things, whether the action in question, including any untrue or alleged untrue statement of a material fact or omission or alleged omission to state a material fact, has been made by, or related to information supplied by, the indemnifying party or the Indemnified Party, and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such action. The parties hereto agree that it would not be just or equitable if the contribution described in this Section 3.8(e) were determined by pro rata allocation or by any other method of allocation which does not take account of the equitable considerations referred to in the immediately preceding paragraph. Notwithstanding the provisions of this Section 3.8(e), the aggregate liability of any indemnifying party (other than the Issuer) under this Section 3.8(e) and Section 3.8(b) shall be limited to an amount equal to the amount of net proceeds (after deducting underwriting commissions and discounts, but before deducting any expenses) received by such indemnifying party from sales of the Registrable Securities by such indemnifying party pursuant to the offering that gave rise to such Losses.

(f) Non-exclusivity. The obligations of the parties under this Section 3.8 will be in addition to any liability which any party may otherwise have to any other party.

3.9 Rule 144. The Issuer shall use reasonable best efforts to timely file the reports required to be filed by it under the Securities Act and the Exchange Act so long as it is subject to such reporting requirements, all to the extent required from time to time to enable the Holders to sell Registrable Securities without registration under the Securities Act within the limits of the exemptions provided by Rule 144. Upon the request of any Holder, the Issuer shall deliver to such Holder a written statement stating whether it has complied with such requirements and will take such further action as such Holder may reasonably request, all to the extent required from time to time to enable such Holder to sell Registrable Securities without registration under the Securities Act within the limits of the exemptions provided by Rule 144.

3.10 No Inconsistent Agreements. The Issuer represents and warrants to each Holder of Registrable Securities that the registration rights granted in this Agreement do not conflict with any other registration rights granted by the Issuer. Neither the Issuer nor any of its Subsidiaries shall hereafter enter into, and neither the Issuer nor any of its Subsidiaries is currently a party to, any agreement with respect to its securities that is inconsistent with the rights granted to the Holders by this Agreement.

ARTICLE IV

COVENANTS

4.1 Confidentiality. Each of the Investors agrees, and shall cause its respective directors, officers, employees, agents and advisors (including attorneys, accountants and financial advisors) (its "Representatives"), to, on and after the date of this Agreement, keep confidential all non-public or proprietary information concerning the business, assets and finances of the Issuer, the TPG OG Partnerships and their respective Affiliates, in each case, regardless of the form in which furnished or made available and whether furnished or made available to any Investor or any of their Affiliates prior to, on or after the date of this Agreement (including any information or documents provided or made available pursuant to any confidentiality agreement), and regardless of the source or form of such information or document (the "Confidential Information"); provided, however, that disclosure of the Confidential Information may be made (a) with the prior written consent of the general partner of the TPG OG Partnerships, (b) to Affiliates and Representatives of any Investor who either agree in writing to keep such Confidential Information confidential or are otherwise legally obligated to maintain such Confidential Information as confidential, (c) any Person, including a prospective purchaser of Class A Common Stock, as long as such Person has first agreed, in writing, to maintain the confidentiality of such Confidential Information to the same extent set forth herein, (d) to the extent required by Law or pursuant to a request by a Governmental Entity; provided, that in the event of a request described in clause (d), such Person shall use reasonable best efforts to (i) promptly notify the TPG OG Partnerships of the existence, terms and circumstances surrounding such a request, (ii) consult with the TPG OG Partnerships on the advisability of taking steps to resist or narrow such request, (iii) if disclosure of such Confidential Information is required, furnish only such portion of the Confidential Information as any Investor is advised by counsel is legally required to be disclosed, and (iv) cooperate with the TPG OG Partnerships in their efforts to obtain an order or other reliable assurance that confidential treatment will be accorded to such portion of the Confidential Information that is required to be disclosed, such order or reliable assurance being obtained at the TPG OG Partnerships' own expense and without requiring any of the Investors to initiate any legal action, or (e) to the extent required in connection with the enforcement of any rights under this Agreement. Confidential Information shall be deemed to include all notes, analyses, compilations, studies, interpretations, reports, memoranda or other documents prepared by any Investor or any of their Affiliates or Representatives which contain, reflect or are based upon, in whole or in part, Confidential Information. The Confidential Information shall not include information that (A) is or becomes generally available to the public other than as a result of any disclosure resulting from an act or

omission by any Investor or any of their Affiliates or Representatives, (B) is independently known to or developed by any Investor or any of their Affiliates or Representatives without use of the Confidential Information or any derivative thereof and without violating any of the obligations of any Investor or any of their Affiliates or Representatives hereunder or (C) is provided to any Investor by a third party that was not known to any Investor, acting in good faith, to be bound by a confidentiality agreement or other contractual, legal or fiduciary obligation of confidentiality with respect to such information.

4.2 Publicity. Except as may be required by applicable Law, none of the Parties shall (and shall cause their controlled Affiliates not to) make reference to another Party or its equityholders in any press release, public disclosure, public notice or public announcement or communication with any news media in respect of this Agreement, the other Transaction Documents or the Transactions without the prior written consent of such other Party. The Parties shall cooperate as to the timing, contents and distribution of any such press release or public announcement.

4.3 Further Assurances. In connection with and following the date of this Agreement, consistent with the terms and conditions hereof (including the transactions contemplated by Section 4.4), each of the Parties shall execute such documents and use reasonable best efforts to perform such further acts (including obtaining any consents, exemptions, authorizations or other actions by, or giving any notices to, or making any filings with, any Governmental Entity or any other Person) as may be reasonably required or desirable to carry out the Transactions.

4.4 Acknowledgment of Reorganization. In connection with the IPO and as described in the prospectus that forms part of the Issuer's Registration Statement on Form S-1 filed with the SEC, TPG has undergone the Reorganization, which was effected through a series of steps as set forth in that certain Reorganization Agreement, by and among the Issuer, the TPG OG Partnerships and the other parties identified therein, dated as of , and the associated implementing agreements (collectively, the "Reorganization Agreement"), and each Party hereby acknowledges, consents to and ratifies the Reorganization, the Reorganization Agreement and the transactions contemplated thereby.

4.5 Issuer Transaction. Each Investor acknowledges and agrees that, upon written notice from the Issuer, such Investor shall, to the extent such Investor holds TOG Units, participate (with respect to any or all of such TOG Units, as determined by Issuer) in any Exchange (as defined in the Exchange Agreement) proposed by Issuer in furtherance of a change of control transaction, whether structured as a merger or otherwise, that is approved by the board of directors of the Issuer; provided that, all similarly situated Investors are treated in a similar manner (provided that the Issuer may modify such similar treatment to accommodate legal, regulatory or tax issues impacting a specific Investor).

ARTICLE V

TERMINATION

5.1 Termination. Any Person who ceases to hold any Registrable Securities shall have no further rights or obligations under this Agreement (except with respect to Sections 3.8 and 3.9 and Sections 4.1, 4.2, 4.4 and 4.5 which shall survive).

ARTICLE VI

(c) All notices, requests, demands and other communications to be given to a Party pursuant to this Agreement shall be deemed to have been properly given if: (i) personally delivered; (ii) deposited for next-day delivery by Federal Express, or other similar overnight courier services, addressed to such party; (iii) deposited in the United States mail, addressed to such party, prepaid and registered or certified with return receipt requested; or (iv) transmitted via electronic mail, to the attention of such Party.

(d) All notices, requests, demands and other communications so given shall be deemed received: (i) when personally delivered; (ii) twenty-four (24) hours after being deposited for next-day delivery with an overnight courier; (iii) seven (7) days after being deposited in the United States mail; or (iv) twelve (12) hours after being telecopied or otherwise transmitted, including by electronic mail, with no mail undeliverable or other rejection notice having been received by the sender.

(e) The Parties shall have the right from time to time, and at any time during the term of this Agreement, to change their respective addresses and each shall have the right to specify as his or its address any other address by giving to the other parties at least thirty (30) days' written notice thereof, in the manner prescribed in Section 6.2(c); provided, however, that to be effective, any such notice must be actually received (as evidenced by a return receipt or other confirmation).

6.3 Amendment; Joinders.

(a) This Agreement can be amended at any time and from time to time by the Issuer and either (x) ControlCo or (y) the Holders of a majority of the Registrable Securities; provided, that no amendment to this Agreement may adversely modify in any material respect the rights or obligations of any Securityholders without the prior written consent of Holders of a majority of the Registrable Securities; provided, further, that no amendment to this Agreement may adversely modify in any material respect the rights or obligations of any Securityholders in any materially disproportionate manner relative to any other Securityholders without the prior written consent of Securityholders holding a majority of the Registrable Securities held by all such disproportionately affected Securityholders.

(b) Notwithstanding the foregoing, from time to time the Issuer may enter into a joinder agreement in the form of Exhibit A hereto with one or more other persons, pursuant to which such other person will agree to abide by the terms and conditions of this Agreement (with such modifications as the Issuer may agree to and with no need for amendment or consent from any other Party). Upon such joinder, such person will become a Party with all rights and obligations under this Agreement (with such modifications as provided for in such joinder agreement).

6.4 Waiver of Immunity. To the extent that a Party may be or may become entitled, in any action or proceeding relating in any way to this Agreement, to claim for itself or its properties or revenues any immunity from suit, court jurisdiction or attachment prior to judgment, attachment in aid of execution of a judgment, execution of a judgment or from any other legal process or remedy relating to its obligations under this Agreement, and to the extent that in any such action or proceeding there may be attributed immunity (whether or not claimed), such Party hereby irrevocably agrees not to claim and hereby irrevocably waives such immunity to the fullest extent permitted by applicable Law.

6.5 Entire Agreement. This Agreement and the other Transaction Documents constitute (for the respective Parties that are parties thereto and bound thereby) the full and entire understanding and agreement among the Parties with regard to the subject matters hereof and thereof or otherwise relate to any investment by an Investor in a TPG Holdings Entity or TPG Holdings, L.P. and supersede all prior understandings and agreements, written or oral, relating to the matters set forth herein and therein, including each of the Prior Agreements. Effective as of the IPO Date, each of the Prior Agreements is hereby terminated by each of the parties thereto and shall be void and of no further force or effect and no Party shall have any liability or obligation in connection therewith.

6.6 Assignment. Neither this Agreement nor any of the rights hereunder shall be assigned by any of the Parties without the prior written consent of the other Parties. Any attempted assignment in contravention of this Section 6.6 shall be null and void.

6.7 No Third-Party Beneficiaries. Except as provided in Section 3.8 or with respect to Permitted Transferees, nothing contained in this Agreement, expressed or implied, is intended or shall be construed to confer upon any Person other than the Parties, any legal or equitable right, remedy or claim under or in respect of this Agreement or any covenant, condition or provisions herein contained, and such provisions are and shall be held to be for the sole and exclusive benefit of the Parties.

6.8 Severability. Any term or provision of this Agreement which is invalid or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity or unenforceability without rendering invalid or unenforceable the remaining terms and provisions of this Agreement or affecting the validity or enforceability of any of the terms or provisions of this Agreement in any other jurisdictions, it being intended that all rights and obligations of the Parties hereunder shall be enforceable to the fullest extent permitted by Law. Any term or provision of this Agreement which is invalid or unenforceable in any jurisdiction shall be replaced with a legal, valid and enforceable term which would to the greatest degree possible reflect the original intentions of the Parties hereunder.

6.9 Governing Law; Jurisdiction; Arbitration.

(a) THIS AGREEMENT AND ALL CLAIMS OR CAUSES OF ACTION (WHETHER IN CONTRACT, TORT OR STATUTE) THAT MAY BE BASED UPON, ARISE OUT OF OR RELATE TO THIS AGREEMENT SHALL BE GOVERNED BY, AND ENFORCED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF DELAWARE, INCLUDING ITS STATUTE OF LIMITATIONS, WITHOUT REFERENCE TO ANY CHOICE

OF LAW PROVISION THEREOF THAT WOULD MANDATE THE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION, EXCEPT THAT THE ARBITRATION PROVISIONS SET FORTH IN THIS SECTION 6.9 SHALL BE CONSTRUED AND ENFORCED IN ACCORDANCE WITH THE FEDERAL ARBITRATION ACT, TITLE 9, UNITED STATES CODE.

(b) Any dispute, controversy or claim arising out of, relating to or in connection with this Agreement or any Transaction Document, including, without limitation, any dispute regarding the validity or termination of this Agreement, or the performance or breach hereof, shall be finally settled by arbitration administered by the American Arbitration Association ("AAA"), in accordance with its Commercial Arbitration Rules in effect at the time of the arbitration. The place of arbitration shall be New York, New York and the proceedings shall be conducted in the English language. The arbitration shall be conducted by three arbitrators. Each arbitrator shall be a person with significant experience in the financial services industry or representing persons in the financial services industry. Each of the Issuer and the other Parties who are parties to such arbitration and who hold a majority of the issued and outstanding shares of Class A Common Stock and TOG Units held by all such parties to the arbitration as of the Closing Date and not Transferred, shall nominate one arbitrator within 15 days after delivery of a request for arbitration in writing by any of the Parties. In the event that any of the parties to the arbitration fails to nominate an arbitrator as and within such time period provided in the preceding sentence, upon request of either of such parties, such arbitrator shall instead be appointed by the AAA within 15 days of receiving such request. The two arbitrators appointed in accordance with the above provisions shall nominate the third arbitrator within 15 days of their appointment. If the first two appointed arbitrators fail to nominate a third arbitrator, then, upon request of the parties to the arbitration, the third arbitrator shall be appointed by the AAA within 30 days of receiving such request. The third arbitrator shall serve as Chairman of the arbitral tribunal. The arbitrators shall endeavor to render a final award within 90 days of submission of a request for arbitration. Failure to adhere to this time limit shall not be a basis for challenging the award. The award rendered by the arbitrators shall be final and binding on the parties thereto and judgment on such award may be entered in any court of competent jurisdiction. All costs and expenses incurred by the Parties in connection with any arbitration hereunder shall be borne by the Party against whom the arbitrators' award is rendered, and such Party shall promptly reimburse the Party in whose favor the arbitrators' award is rendered for any of such costs and expenses incurred by such Party.

(c) By agreeing to arbitration, the Parties do not intend to deprive any court with jurisdiction of its ability to issue a preliminary injunction, attachment or other form of provisional remedy in aid of the arbitration, and a request for such provisional remedies by a Party to a court shall not be deemed a waiver of this agreement to arbitrate. In addition to the authority conferred upon the arbitrators by the rules specified above, the arbitrators shall also have the authority to grant provisional remedies, including injunctive relief.

(d) Except as may be required by applicable Law or court order, the Parties agree to maintain confidentiality as to all aspects of any arbitration arising out of, relating to or in connection with this Agreement or any Transaction Document, including any such arbitration's existence and results, except that nothing herein shall prevent a Party from disclosing information regarding such arbitration for purposes of enforcing the award or this arbitration clause, or in any court proceeding requesting the issuance of provisional remedies in accordance with Section 6.9(c). The Parties further agree to obtain the arbitrators' agreement to preserve the confidentiality of the arbitration.

6.10 Specific Performance. The Parties agree that irreparable damage would occur in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms. It is accordingly agreed that the Parties shall be entitled to specific performance of the terms hereof, this being in addition to any other remedies to which they are entitled at Law or equity.

6.11 Counterparts and Facsimile; Electronic Signature. For the convenience of the Parties, this Agreement may be executed and delivered in any number of separate counterparts (including by facsimile or electronic transmission, including PDF or any electronic signature complying with the U.S. federal ESIGN Act of 2000), each such counterpart being deemed to be an original instrument, and all such counterparts will together constitute the same agreement. The parties irrevocably and unreservedly agree that the document(s) in question may be executed by way of electronic signatures and the parties agree that such document(s), or any part thereof, shall not be challenged or denied any legal effect, validity and/or enforceability solely on the ground that it is in the form of an electronic record.

ADMINISTRATIVE SERVICES AGREEMENT

This ADMINISTRATIVE SERVICES AGREEMENT (this "Agreement") is entered into on and effective as of (the "Effective Date") by and between TPG Global, LLC, a Delaware limited liability company ("TPG Global") and Tarrant Remain Co GP, LLC, a Delaware limited liability company ("RemainCo GP").

W I T N E S S E T H

WHEREAS, RemainCo GP (i) is the general partner of Tarrant Remain Co I, L.P., Tarrant Remain Co II, L.P. and Tarrant Remain Co III, L.P. (collectively, the "RemainCo Partnerships") and (ii) under the limited partnership agreements of the RemainCo Partnerships, RemainCo GP (A) is required to provide certain services to the RemainCo Partnerships (and their affiliates) in its capacity as their general partner and (B) is entitled to a share of the net profits of the RemainCo Partnerships with respect to its general partner interest in each partnership;

WHEREAS, RemainCo GP desires to engage TPG Global to provide certain ongoing administrative services to or on behalf of RemainCo GP for the Term (defined below) hereof in exchange for the Annual Administration Fee (defined below);

NOW, THEREFORE, in consideration of the mutual covenants and agreements hereinafter set forth, TPG Global and RemainCo GP hereby agree as follows:

ARTICLE I

SERVICES

SECTION 1.01. Provision of Services by TPG Global.

(a) During the Term**,** TPG Global hereby agrees to provide or cause to be provided to or on behalf of RemainCo GP (or its designees, including Tarrant RemainCo Holdings, LLC and Tarrant RemainCo Partner Holdings, L.P.) the services described in Schedule A (the "Services") on the terms and subject to the conditions set forth herein.

(b) TPG Global shall perform the Services hereunder using a standard of care reasonably equivalent to (but in any case no less than) the standard of care in which, and at the overall standards of quality and availability at which, similar services are performed by TPG Global and its affiliates in the ordinary course of their own operations, and under no circumstances shall TPG Global, its affiliates or its or their respective employees or agents be held accountable to a higher standard of care. RemainCo GP understands and agrees that TPG Global is not currently in the business of providing the Services to third parties. As a result, the parties have allocated responsibilities and risks of loss as between themselves and limited the liabilities of TPG Global as stated in this Agreement based on the recognition that TPG Global is not currently in the business of providing the Services to third parties. Such allocations and limitations are fundamental elements of the basis of the bargain between the parties and TPG Global would not be able or willing to provide the Services without the protections provided to TPG Global by RemainCo GP by such allocations and limitations.

(c) RemainCo GP further acknowledges and agrees that notwithstanding anything in this Agreement to the contrary, RemainCo GP is not entitled to rely on TPG Global for any legal services, legal advice or investment advisory work, and any advisory communications given by TPG Global, its affiliates or its or their respective employees or agents to RemainCo GP are not to be construed as legal advice or investment advice.

(d) TPG Global shall not be required hereunder to take any action (including performing any Service) that, based on consultation with outside counsel, would constitute, or that TPG Global reasonably believes, would constitute a violation of any applicable Law or order; provided, however, that in each of the foregoing circumstances, TPG Global shall use commercially reasonable efforts to (i) provide RemainCo GP with prompt notice upon becoming aware of such impediment and (ii) use commercially reasonable efforts to modify such Service so that it can be performed in a manner that does not violate any applicable Law or order.

SECTION 1.02. Annual Administration Fee. In exchange for the Services, RemainCo GP will pay an annual administration fee to TPG Global, payable in quarterly installments in advance, in the amount of 1% per annum on the aggregate net asset value of the RemainCo Partnerships calculated as of the last day of the preceding calendar quarter (being March 31, June 30, September 30 and December 31) (the "Annual Administration Fee"). Each quarterly installment of the Annual Administration Fee shall be invoiced to RemainCo GP on or promptly following the date that is sixty (60) days following the last day of the preceding calendar quarter (being March 1, May 30, August 29 and November 29 of each calendar year) and each such amount shall be due and payable within thirty (30) days of the date of the applicable invoice. The first installment of the Annual Administration Fee shall be invoiced on or promptly following March 1, 2022 and calculated as of December 31, 2021.

SECTION 1.03. Term and Termination.

(a) The obligations of TPG Global to provide or cause to be provided the Services under this Agreement shall commence on the Effective Date and continue in full force and effect until the earliest of (such period, the "Term"): (A) the date on which RemainCo GP is dissolved and liquidated; and (B) the termination of this Agreement in accordance with Section 1.03(b).

(b) This Agreement may be terminated (x) by RemainCo GP, upon thirty (30) days' prior written notice to TPG Global, (y) by either party if performance of this Agreement by such party would result in such party or its affiliates violating applicable law or exchange listing requirements, upon such party providing the other party with at least twenty (20) business days' prior written notice, or (z) by mutual agreement of RemainCo GP and TPG Global. Articles III, IV and V and any accrued but unpaid obligations under Sections 1.02 and 2.01 shall survive the termination of this Agreement and expiration of the Term.

ARTICLE II

EXPENSES

SECTION 2.01. Expenses. RemainCo GP shall reimburse TPG Global for any reasonable and documented third-party, out-of-pocket expenses (including, but not limited to, financial, tax reporting and legal expenses) paid by TPG Global (or its affiliates or their respective representatives) in respect of the provision of the Services to, or incurred on behalf of, RemainCo GP promptly upon receiving invoices for such expenses from TPG Global.

ARTICLE III

INDEMNIFICATION

SECTION 3.01. Liability. Notwithstanding anything in this Agreement to the contrary, TPG Global shall not be liable, responsible or accountable in damages or otherwise to RemainCo GP in connection with this Agreement except by reason of acts or omissions related to the performance of the Services or otherwise under this Agreement which are found by a court of competent jurisdiction upon entry of a final and non-appealable judgment to be the result of TPG Global's fraud, gross negligence, willful misconduct or Willful Breach. For all purposes hereunder, "Willful Breach" shall mean a material breach of this Agreement that is the consequence of an act or omission by a party with the actual knowledge that the taking of such act or failure to take such action would be a material breach of this Agreement. Any party may consult with legal counsel and accountants in respect of its obligations hereunder and shall be fully protected and justified in taking or refraining from any action in good faith, in reliance upon and in accordance with the opinion or advice of such counsel or accountants; provided that such counsel or accountants shall have been selected in good faith and with reasonable care. No party to this Agreement shall be liable hereunder for consequential, special or punitive damages of any kind, other than those required to be paid to a third party as part of any third party claim subject to indemnification pursuant to Section 3.02, and in no event shall TPG Global's aggregate cumulative liability under this Agreement (whether in contract, tort, equity or otherwise) exceed the aggregate Annual Administration Fees actually received over any two (2) year period.

SECTION 3.02. Indemnification. To the fullest extent permitted by Law, RemainCo GP shall indemnify, defend and hold harmless TPG Global, each of TPG Global's affiliates and its and their respective officers, directors, stockholders, partners, members, employees and agents, and the affiliates of each such person (collectively, the "Indemnified Persons") from and against any loss, liability, damages, cost or expense (including legal fees and expenses and any amounts paid in settlement) resulting from a claim, demand, lawsuit, action or proceeding by reason of any act or omission performed or omitted by such Indemnified Person on behalf of RemainCo GP or otherwise in connection with the Services and in a manner reasonably believed to be within the scope of the authority conferred on such Indemnified Person by this Agreement; provided that such acts or omissions of such Indemnified Person are not found by a court of competent jurisdiction upon entry of a final and non-appealable judgment to constitute fraud, gross negligence, willful misconduct or Willful Breach. Expenses, including legal fees, incurred by an Indemnified Person and relating to any claim, demand, lawsuit, action or proceeding for which indemnification may be sought under this Section 3.02 shall be paid by RemainCo GP upon demand by the Indemnified Person; provided that the Indemnified Person shall reimburse RemainCo GP for such expenses if it is ultimately determined that such Indemnified Person is not entitled to indemnification hereunder.

SECTION 3.03. Disclaimer of Warranties. EXCEPT AS OTHERWISE EXPRESSLY PROVIDED IN THIS AGREEMENT, TPG GLOBAL MAKES NO WARRANTY, EXPRESS OR IMPLIED, AND HEREBY DISCLAIMS ANY WARRANTIES OF ANY KIND WITH RESPECT TO, (A) THE NATURE, CONDITION OR QUALITY OF ANY SERVICE PROVIDED PURSUANT TO THIS AGREEMENT OR (B) THE RESULTS THAT WILL BE OBTAINED BY USING, RECEIVING, OR APPLYING ANY SUCH SERVICE, IN EACH CASE INCLUDING ANY WARRANTY OR CONDITION OF NONINFRINGEMENT, MERCHANTABILITY, ACCURACY, SATISFACTORY QUALITY, OR FITNESS FOR ANY PARTICULAR PURPOSE. TPG GLOBAL MAKES NO WARRANTY OR CONDITION THAT ANY SERVICE PROVIDED PURSUANT TO THIS AGREEMENT COMPLIES WITH ANY LAW OR ORDER.

ARTICLE IV

ACCESS TO BOOKS AND RECORDS; COOPERATION

SECTION 4.01. Access to Books and Records. To the extent reasonably required for TPG Global (or its designated affiliates) to perform, or otherwise make available, the Services, or otherwise perform any obligation required by this Agreement, RemainCo GP shall, without any charge, provide TPG Global (and its designated affiliates) with access to and use of RemainCo GP's books and records, facilities, employees, equipment and office space during normal business hours upon reasonable prior notice; provided, that RemainCo GP shall not be required to disclose any information to the extent disclosure of such information to TPG Global is, based on consultation with RemainCo GP's counsel, not permitted under applicable Law. If disclosed by RemainCo GP, such information shall be subject to the terms of this Agreement, including Section 5.08 (Confidentiality) and Section 5.09 (Privilege), and TPG Global shall limit the individuals who have access to such information to only such individuals who are reasonably required to have access in order to perform the applicable Services. If RemainCo GP does not disclose any requested information reasonably necessary for TPG Global to perform the Services, TPG Global shall be entitled to suspend performance of such affected Services until it has access to the information required.

SECTION 4.02. Record Retention. Each party shall retain records related to this Agreement for a period of no less than six (6) years following expiration of the Term, and if applicable during that period, provide the other party promptly upon written request (i) reasonable access to the party's premises, systems, data and/or database queries, as applicable, and (ii) such data and information as required by the other party, in each case, to the extent reasonably required by the other party to comply with any claim, action, suit, charge, complaint, grievance, mediation, audit, arbitration, inquiry, investigation, litigation or other proceeding (whether civil, criminal or administrative), order or request that has been commenced, brought, conducted or heard by or before any Governmental Entity or arbitrator; provided, that the parties shall not be required to disclose any information to the extent disclosure of such information to the other party is not

permitted under applicable Law or order or disclosure of such information is subject to any contractual restrictions which prevent the party from disclosing such information; provided, further, that the party shall have the right to redact terms that it deems sensitive (whether competitively or otherwise); and provided, further, that any such access shall be subject to any other applicable provisions of this Agreement (including Section 5.08 and Section 5.09).

SECTION 4.03. Cooperation.

(a) During the Term, each party shall use its reasonable efforts to provide such cooperation as is reasonably necessary in order for TPG Global to provide, and RemainCo GP to receive, the Services hereunder.

(b) TPG Global and RemainCo GP shall reasonably cooperate, and shall cause their respective affiliated entities, officers, and employees, and shall use reasonable best efforts to cause their agents, auditors and representatives reasonably to cooperate, with any reasonable request of the other party with respect to tax matters, including in connection with preparing and filing all tax returns and any disputes, audits or other proceedings with respect to taxes. Such cooperation shall include the retention, and (upon the other party's request) the provision, of records and information which are reasonably relevant to any such audit, litigation or other proceeding and making employees available on a mutually convenient basis to provide additional information and explanation of any material provided hereunder.

SECTION 5.02. Independent Contractor. The parties hereto expressly agree that TPG Global is acting as an independent contractor hereunder and nothing in this Agreement shall be construed as creating a partnership, joint venture, agency or any fiduciary relationship between TPG Global and RemainCo GP. TPG Global has not assumed an advisory or fiduciary responsibility in favor of RemainCo GP or any other obligation to RemainCo GP except the obligations expressly set forth in this Agreement.

SECTION 5.03. Assignment. This Agreement may not be assigned by any party hereto by operation of law or otherwise without the express written consent of the other party; provided that either party may assign, subcontract, delegate or otherwise transfer any of its rights and obligations hereunder to any of its affiliate without such consent.

SECTION 5.04. Services Not Exclusive. The Services furnished by TPG Global pursuant to this Agreement are not to be deemed exclusive, and TPG Global shall be free to furnish similar services to others.

SECTION 5.05. Amendment. This Agreement is subject to amendment only with the written consent of TPG Global and RemainCo GP.

SECTION 5.06. Governing Law and Venue.

(a) THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF DELAWARE, WITHOUT GIVING EFFECT TO THE PROVISIONS, POLICIES OR PRINCIPLES THEREOF RELATING TO THE CHOICE OR CONFLICT OF LAWS; EXCEPT THAT THE ARBITRATION PROVISIONS SET FORTH IN SECTION 5.07 SHALL BE CONSTRUED AND ENFORCED IN ACCORDANCE WITH THE FEDERAL ARBITRATION ACT, TITLE 9, UNITED STATES CODE.

SECTION 5.07. Dispute Resolution.

(a) Except as otherwise specifically provided this Agreement, the procedures for discussion and negotiation set forth in this Section 5.07 shall apply to all disputes, controversies or claims (whether arising in contract, tort or otherwise) that may arise out of, relate to, arise under, or in connection with this Agreement or the transactions contemplated hereby, the performance or non-performance or timely performance of the obligations set forth herein or asserted breach of this Agreement (including any questions regarding the existence, validity, interpretation, enforceability or termination of this Agreement) or the commercial or economic relationship of the parties relating to this Agreement, between or among the parties and their respective Affiliates (any such dispute, controversy or claim, a "Dispute"). It is the intent of the parties to each use their respective commercially reasonable efforts to settle amicably any and all Disputes that may arise from time to time on a mutually acceptable negotiated basis.

(b) Either party may deliver a written notice to the other party containing reasonable detail as to the basis for a Dispute (such written notice, a "Dispute Notice"). No later than twenty (20) business days after receiving such Dispute Notice, TPG Global and RemainCo GP shall cooperate and use their commercially reasonable efforts to resolve such Dispute among themselves. If, following such discussions, the parties have not resolved such Dispute, then within

ten (10) business days after such discussions, members of each party with authority to resolve such Dispute shall discuss in good faith a resolution of such Dispute. Only if such Dispute remains unresolved following such meeting, a party may initiate an arbitration relating to the Dispute pursuant to Section 5.07(c) below. Notwithstanding the foregoing, nothing in this Section 5.07(b) shall prevent or delay a party from seeking injunctive or provisional relief (including with respect to a breach or threatened breach of Sections 5.08 or 5.09).

(c) Any dispute, controversy or claim arising out of, relating to or in connection with this Agreement (including, without limitation, any dispute regarding the validity or termination of this Agreement, or the performance or breach hereof) that the parties hereto are unable to resolve in accordance with Section 5.07(b) above shall be finally settled by arbitration administered by the American Arbitration Association ("AAA"), in accordance with its Commercial Arbitration Rules in effect at the time of the arbitration. The place of arbitration shall be Fort Worth, Texas and the proceedings shall be conducted in the English language. The arbitration shall be conducted by three arbitrators. Each arbitrator shall be a person with significant experience in the financial services industry or representing persons in the financial services industry. Each of TPG Global and RemainCo GP shall nominate one arbitrator within fifteen (15) days after delivery of a request for arbitration in writing by any of the parties. In the event that any of the parties to the arbitration fail to nominate an arbitrator as and within such time period provided in the preceding sentence, upon request of either of such parties, such arbitrator shall instead be appointed by the AAA within fifteen (15) days of receiving such request. The two arbitrators appointed in accordance with the above provisions shall nominate the third arbitrator within fifteen (15) days of their appointment. If the first two appointed arbitrators fail to nominate a third arbitrator, then, upon request of the parties to the arbitration, the third arbitrator shall be appointed by the AAA within thirty (30) days of receiving such request. The third arbitrator shall serve as Chairman of the arbitral tribunal. The arbitrators shall endeavor to render a final award within ninety (90) days of submission of a request for arbitration. Failure to adhere to this time limit shall not be a basis for challenging the award. The award rendered by the arbitrators shall be final and binding on the parties thereto and judgment on such award may be entered in any court of competent jurisdiction. All costs and expenses incurred by the parties in connection with any arbitration hereunder shall be borne by the party against whom the arbitrators' award is rendered, and such party shall promptly reimburse the party in whose favor the arbitrators' award is rendered for any of such costs and expenses incurred by such party.

(d) By agreeing to arbitration, the parties do not intend to deprive any court with jurisdiction of its ability to issue a preliminary injunction, attachment or other form of provisional remedy in aid of the arbitration, and a request for such provisional remedies by a party to a court shall not be deemed a waiver of this agreement to arbitrate. In addition to the authority conferred upon the arbitrators by the rules specified above, the arbitrators shall also have the authority to grant provisional remedies, including injunctive relief.

(e) Except as may be required by applicable Law or court order, the parties agree to maintain confidentiality as to all aspects of any arbitration arising out of, relating to or in connection with this Agreement, including any such arbitration's existence and results, except that nothing herein shall prevent a party from disclosing information regarding such arbitration for purposes of enforcing the award or this arbitration clause, or in any court proceeding requesting the issuance of provisional remedies in accordance with Section 5.07(d). The parties further agree to obtain the arbitrators' agreement to preserve the confidentiality of the arbitration.

SECTION 5.08. Confidentiality.

(a) Each party hereto shall, and shall cause its affiliates to, maintain in confidence, and use only for purposes of this Agreement, all Confidential Information (as defined below) and shall not disclose such Confidential Information to any third party without such other party's prior written consent; provided, that (i) Confidential Information may be disclosed by each party to any of its affiliates, and any of its or its affiliates' respective employees, consultants and advisors (including third party service providers and counsel) (collectively, "Recipients") solely on a need-to-know basis and in connection with the performance of a party's duties under this Agreement (or RemainCo GP's receipt of services under this Agreement) or as required by Law to a Governmental Entity (including any action arising out of a Dispute), (ii) each party and its Recipients shall use Confidential Information solely in connection with the performance of a party's duties under this Agreement (or RemainCo GP's receipt of services under this Agreement), and (iii) TPG Global shall not be deemed to have breached this Agreement by virtue of the use of information in intangible form retained in the unaided memory of persons employed by TPG Global who have had access to or worked with Confidential Information in connection with the provision of the Services after they no longer have access thereto so long as such information has not otherwise been disclosed in violation of this Agreement. Further, the terms and existence of this Agreement may be disclosed by (x) a party (A) to actual and potential equityholders, acquirers, financing sources and business partners (and their counsel and professional advisers) for customary due diligence or reporting purposes and (B) in the case of TPG Global, to TPG Global's vendors for purposes of verifying compliance with TPG Global's contractual obligations to such vendors, in each case (A) and (B), on the condition that such persons agree to keep the Confidential Information confidential to the same extent as such disclosing party is required to keep the Confidential Information confidential pursuant to this Agreement, and (y) each party as required by Law in connection with an initial public offering of TPG Global or RemainCo GP, as applicable, or any of their respective subsidiaries or parent entities.

(b) If either party is required by applicable Law (including a subpoena, document demand or legal process) to disclose any Confidential Information, it is agreed that such party shall, to the extent allowable, provide the other party, with prompt (and prior, if permitted) notice of any such requirement and cooperate with any attempt by the other party to seek appropriate protective orders with respect to such disclosures, and thereafter the party may disclose such portion of the Confidential Information that the party reasonably determines upon the advice of legal counsel is necessary to disclose in response to such requirement. Each party shall exercise the same care and safeguards with respect to the other party's Confidential Information as is used to maintain the confidentiality of its own information of like character, which must be at least a reasonable standard of care and in compliance with all applicable Laws. Upon the discovery of any inadvertent disclosure or unauthorized disclosure or use of the other party's Confidential Information, or upon obtaining notice of such disclosure or use, such party shall promptly notify the other party and (at such party's sole expense) take or cause to be taken all necessary actions to remedy and to prevent any further inadvertent disclosure or unauthorized disclosure or use. Each party may seek equitable remedies (including specific performance and injunctive relief) to prevent a breach of this Section 5.08.

(c) For the purpose of this Agreement:

(i) "Confidential Information" means (a) any confidential information or materials of the other party or its affiliates that is provided by a party or its affiliates to the other party or its affiliates or obtained in connection with the performance of Services pursuant to this Agreement and (b) the terms and existence of this Agreement, in each case, whether or not such information or material has been specifically identified or marked as confidential; provided, that Confidential Information shall not include any such information or materials that (i) is or becomes generally available to the public, other than as a result of a breach of the confidentiality obligations contained herein by the party or its affiliates receiving such information or materials or by any of its Recipients, (ii) is independently developed by a party or its affiliates without reliance on the other party's or its affiliates' Confidential Information, or (iii) is provided to a party or its affiliates from another authorized source;

(ii) "Governmental Entity" means any court, administrative agency or commission or other governmental authority or instrumentality, whether federal, state, local or foreign, and any applicable industry self-regulatory organization; and

(iii) "Law" means any statute, law, ordinance, regulation, rule, code, order, constitution, treaty, common law, judgment, decree, other requirement or rule of law of any Governmental Entity.

SECTION 5.09. Privilege. In connection with the Services, if applicable and reasonably requested by either party, at any time and from time to time, the parties shall use good faith efforts to enter into a common interest agreement or other reasonable arrangement that seeks to preserve attorney-client or similar legal privilege over documents or information disclosed in connection with the Services ("Privileged Information). Each party agrees to use commercially reasonable efforts to maintain, preserve and assert all privileges, including privileges arising under or relating to the attorney-client relationship that relate to Privileged Information. Each party agrees that it shall not waive or purport to waive any privilege that could be asserted under applicable Law with respect to Privileged Information of the other party without the prior written consent of the other party. Each party acknowledges and agrees that any costs associated with asserting any privilege shall be borne by the party requesting that such privilege be asserted.

SECTION 5.10. Binding Effect. The covenants and agreements contained herein shall be binding upon and inure to the benefit of the successors and permitted assigns of the parties hereto.

SECTION 5.11. No Waiver. The failure of any party to seek redress for violation, or to insist on strict performance, of any covenant or condition of this Agreement shall not prevent a subsequent act which would have constituted a violation from having the effect of an original violation.

SECTION 5.12. Severability. If any provision of the Agreement shall be held to be invalid or unenforceable, the remainder of this Agreement shall not be affected thereby.

SECTION 5.13. Counterparts. This Agreement may be executed in several counterparts, each of which shall be deemed an original but all of which shall constitute one and the same instrument.

SECTION 5.14. No Third Party Rights. Except with respect to Indemnified Persons as set forth in Article III and Non-Party Affiliates as set forth in Section 5.15, this Agreement is intended solely for the benefit of the parties hereto and, to the fullest extent permitted by Law, shall not be construed as conferring any benefit upon, or creating any rights in favor of, any person other than the parties hereto.

SECTION 5.15. Non-Recourse. This Agreement may only be enforced against, and any claim or cause of action based upon, arising out of, or related to this Agreement or the transactions contemplated hereby or the negotiation, execution, performance or non-performance of this Agreement may only be brought against, the entities that are expressly named as parties hereto and then only with respect to the specific obligations set forth herein with respect to such party, and subject to the limitations contained herein. Except to the extent a named party to this Agreement (and then only to the extent of the specific obligations undertaken by such named party in this Agreement and not otherwise, and subject to the limitations contained herein), no person, including any past, present or future director, officer, employee, incorporator, member, partner, shareholder, affiliate, agent, attorney, advisor or representative of any named party to this Agreement ("Non-Party Affiliates"), shall have any liability (whether in contract, tort, equity or otherwise, or based upon any theory that seeks to impose liability of an entity party against its owners or affiliates) for any one or more of the representations, warranties, covenants, agreements or other obligations or liabilities of any one or more of the parties to this Agreement of or for any claim based on, arising out of, or related to this Agreement or any of the transactions contemplated hereby. The parties acknowledge and agree that the Non-Party Affiliates are intended third party beneficiaries of this Section 5.15.

PERFORMANCE ALLOCATIONS

Section 2.1. *Contribution of Carried Interest*.

(a) Identified Funds.

(i) TPG OG I hereby contributes to RemainCo I an equity interest in the Carry Vehicle of each Identified Fund formed before the date hereof held by TPG OG I, which will (A) entitle RemainCo I to a portion of the Carried Interest received by such Carry Vehicle with respect to such Identified Fund equal to the RemainCo Base Entitlement and (B) obligate RemainCo I to contribute to such Carry Vehicle any RemainCo Clawback Obligation of such Identified Fund that corresponds to such equity interest.

(ii) TPG OG II hereby contributes to RemainCo II an equity interest in the Carry Vehicle of each Identified Fund formed before the date hereof held by TPG OG II, which will (A) entitle RemainCo II to a portion of the Carried Interest received by such Carry Vehicle with respect to such Identified Fund equal to the RemainCo Base Entitlement and (B) obligate RemainCo II to contribute to such Carry Vehicle any RemainCo Clawback Obligation of such Identified Fund that corresponds to such equity interest.

(iii) TPG OG III hereby contributes to RemainCo III an equity interest in the Carry Vehicle of each Identified Fund formed before the date hereof held by TPG OG III an equity interest in such Carry Vehicle which will (A) entitle RemainCo III to a portion of the Carried Interest received by such Carry Vehicle with respect to such Identified Fund equal to the RemainCo Base Entitlement and (B) obligate RemainCo III to contribute to such Carry Vehicle any RemainCo Clawback Obligation of such Identified Fund that corresponds to such equity interest.

(b) The TPG OG Partnerships hereby contribute to the RemainCo Partnerships the right to receive the RemainCo Base Entitlement with respect to each Identified Fund formed after the date hereof, each Future Fund and each Split Fund, subject to the obligation to contribute the RemainCo Clawback Obligation in respect of such Funds. It is the intent of the parties hereto that each of RemainCo I, RemainCo II and RemainCo III will receive the respective portion of such rights and obligations that would have been received by TPG OG I, TPG OG II and TPG OG III, respectively, if this Section 2.1(b) were not in effect.

(c) The parties hereto acknowledge and agree that, to the extent necessary to ensure each RemainCo Partnership receives the interest contemplated by Section 2.1(a) and Section 2.1(b), the TPG OG Partnerships shall cause the TPG Funds to be organized and operated in a manner consistent with past practice and shall cause the organizational documents of each of its applicable subsidiaries to be amended to provide for the issuance of equity in such subsidiaries to the RemainCo Partnerships to give effect to the foregoing.

(d) The contributions contemplated by this Section 2.1 are intended to be treated eligible for non-recognition treatment under Section 721 of the Code and each party shall report the contributions accordingly.

Section 2.2. *Performance Allocation Increases; Shortfall Loans*.

(a) The RemainCo Partnerships hereby acknowledge and agree that, with respect to the calendar years 2022, 2023 and 2024, if the aggregate Carried Interest distributable in respect of the Promote Units for such calendar year is less than the Target for such calendar year (the delta between the Target and such amount, the "**Shortfall**") (and, upon request by a limited partner in the RemainCo Partnerships, the TPG OG Partnerships shall provide reasonable supporting evidence for the calculation of such Shortfall), the TPG OG Partnerships (as determined by the Chief Executive Officer of PubCorp) may, pursuant to the organizational documents of the applicable Carry Vehicles, require such Carry Vehicles to distribute, directly or indirectly, additional amounts to the TPG OG Partnerships from amounts that would otherwise be distributable

to the RemainCo Partnerships (the "**Adjusted Carried Interest**") for such calendar year by an amount equal to the Shortfall for such year *plus* $10,000,000 (such amount determined by the Chief Executive Officer of PubCorp, the "**Required Additional Performance Earnings**"); *provided* that Required Additional Performance Earnings may not exceed $40,000,000 in any calendar year. Absent a determination by the TPG OG Partnerships to the contrary, the Adjusted Carried Interest shall be effected using Carried Interest from portfolio investments with the longest holding period.

(b) If the Required Additional Performance Earnings exceed the amount of Adjusted Carried Interest available to be distributed to the TPG OG Partnerships pursuant to Section 2.2(a), (i) the RemainCo Partnerships shall make a loan to the holders of the Promote Units in an amount equal to such excess (the "**RemainCo Loan**"), which shall be apportioned between the RemainCo Partnerships in the discretion of the general partner of the RemainCo Partnerships and (ii) an amount equal to such excess shall be treated as an additional Shortfall in the following year and shall (regardless of the year, but subject to the proviso to Section 2.2(a)) give rise to distributions under Section 2.2(a). The terms of any RemainCo Loan shall require the borrower thereunder to repay such loan to the applicable RemainCo Partnership(s) out of Carried Interest received in the following year (or years) and shall otherwise be on arm's length terms.

Section 2.3. *Determinations of Performance Allocations of New Funds*.

(a) With respect to any New Fund, PubCorp shall determine in good faith, acting reasonably and in accordance with Section 2.3(b), whether such Fund is (i) primarily attributable to the Counterparty (in which case it shall be deemed an Excluded Fund), (ii) primarily attributable to TPG (in which case it shall be deemed a Future Fund) or (iii) falls into neither of the categories (i) or (ii) (any such Fund, a "**Split Fund**"), in each case, based upon the factors set forth in the New Fund Determination Principles set forth on Exhibit B, with those factors under the heading "First Tier" being given the most weight and those factors under the heading "Third Tier" being given the least weight in such determination.

(b) With respect to a determination by PubCorp contemplated by Section 2.3(a), PubCorp shall follow the following process: (i) first, the Executive Committee of the Board of Directors of PubCorp shall make a recommendation to the Conflicts Committee of the Board of Directors of PubCorp as to the appropriate attribution of such New Fund in accordance with Section 2.3(a), (ii) second, the Conflicts Committee of the PubCorp Board of Directors shall review such recommendation and make a final determination as to the appropriate treatment of such Fund under Section 2.3(a). For the avoidance of doubt, the determination contemplated by this Section 2.3 with respect to a New Fund shall establish the RemainCo Base Entitlement of such New Fund.

Section 2.4. *Adjustments for Third Party Allocations*. Notwithstanding anything to the contrary herein, in the event any Third Party forfeits any Carried Interest in a Future Fund, Identified Fund or Split Fund (*e.g.*, due to such Third Party departing prior to the vesting of the applicable interests), then such forfeited Carried Interest shall be re-allocated *pro rata* to the Person or Persons whose entitlement to such Carried Interest was diluted by such allocation to the Third Party.

ARTICLE 3

CLAWBACK MATTERS

Section 3.1. *Clawback Maintenance*. The RemainCo Partnerships hereby agree not to make distributions (other than tax distributions) unless, after giving pro forma effect to such distributions, the RemainCo Partnerships, in aggregate, have a net asset value (calculated assuming that all outstanding RemainCo Loans, if any, have been repaid in full) equal to 150% of the hypothetical maximum Clawback Obligation as disclosed under GAAP.

Section 3.2. *Clawback Obligations*.

(a) With respect to each TPG Fund, RemainCo I shall be responsible for the RemainCo Clawback Obligations that correspond to the equity interests received by RemainCo I from TPG OG I pursuant to ARTICLE 2, RemainCo II shall be responsible for the RemainCo Clawback Obligations that correspond to the equity interests received by RemainCo II from TPG OG II pursuant to ARTICLE 2 and RemainCo III shall be responsible for the RemainCo Clawback Obligations that correspond to the equity interests received by RemainCo III from TPG OG III pursuant to ARTICLE 2, and in each case, the organizational documents of the applicable Carry Vehicles shall provide that the applicable RemainCo Partnership is the primary obligor with respect to such RemainCo Clawback Obligations. Each TPG OG Partnership shall be responsible for its respective TPG OG Clawback Obligations with respect to each TPG Fund.

(b) In furtherance thereof, each RemainCo Partnership shall indemnify and hold harmless the corresponding TPG OG Partnership for any RemainCo Clawback Obligations that are borne by such TPG OG Partnership and each TPG OG Partnership shall indemnify and hold harmless the corresponding RemainCo Partnership for any TPG OG Clawback Obligations that are borne by such RemainCo Partnership.

(c) In addition to the obligations set forth in Section 3.2(a) and Section 3.2(b), each RemainCo Partnership hereby unconditionally and irrevocably guarantees to TPG Holdings that, if such RemainCo Partnership fails to perform and discharge, promptly when due, any RemainCo Clawback Obligations under the applicable organizational documents of the GenPar, then such RemainCo Partnership shall forthwith, upon demand (which demand shall be for the sole purpose of providing notice to such RemainCo Partnership and shall not require Holdings to exhaust any remedy before proceeding against such RemainCo Partnership), perform and discharge the applicable RemainCo Clawback Obligations or reimburse TPG Holdings for performing and discharging such RemainCo Obligations. In furtherance of the foregoing, each RemainCo Partnership shall indemnify and hold harmless TPG Holdings for any RemainCo Clawback Obligations that are borne by TPG Holdings. TPG Holdings is a beneficiary of the guarantee and indemnity provided in this Section 3.2(c) with the right to enforce it to the extent provided herein.

(d) In the event any RemainCo Partnership is unable to satisfy its applicable RemainCo Clawback Obligations pursuant to Section 3.2(a), Section 3.2(b) or Section 3.2(c), the other RemainCo Partnerships shall guarantee performance of such first RemainCo Partnership's obligations on a joint and several basis.

(e) Except as set forth in Section 3.2(d), the obligations of each RemainCo Partnership under this Section 3.2 are several and not joint with the obligations of any other RemainCo Partnership, and no RemainCo Partnership shall be responsible in any way for the performance of the obligations of any other RemainCo Partnership.

Section 3.3. *Clawback Obligation Reporting*. For as long as any RemainCo Partnership is responsible for any RemainCo Clawback Obligations, the TPG OG Partnerships shall (and shall cause their respective Affiliates and the relevant TPG Funds to):

(a) deliver to each RemainCo Partnership a calculation of such RemainCo Partnership's hypothetical maximum Clawback Obligation with respect to each TPG Fund prior to or substantially contemporaneously with the delivery of financial reports pursuant to Section 3.03(b) of the governing document of the applicable RemainCo Partnership; and

(b) provide the RemainCo Partnerships and its advisors with reasonable access to any and all books and records relevant to the calculation of the RemainCo Clawback Obligations as of any date of determination, including reasonable access to any and all work papers, personnel or accountants used by the TPG OG Partnerships, TPG Funds or their respective Affiliates in connection therewith, including in connection with making any distributions that are subject to Section 3.1, preparing and filing or delivering, as applicable, all financial, tax or other reports required under such RemainCo Partnership's governing documents, or any disputes, audits or other proceedings with respect to RemainCo Clawback Obligations or any of the foregoing. Such cooperation shall include the retention (for no less than six (6) years following the applicable report provided in Section 3.3(a)), and (upon a RemainCo Partnership's reasonable request) the provision, as soon as reasonably practicable, of records and information which are reasonably relevant to any such request and making employees available on a mutually convenient basis during regular business hours to provide additional information and explanation of any material provided hereunder.

ARTICLE 4

MISCELLANEOUS

Section 4.1. *Further Assurances.* The parties to this Agreement shall cooperate and use all of their respective best efforts to take or cause to be taken all appropriate actions and do, or cause to be done, all things necessary or appropriate to consummate and make effective the matters contemplated by this Agreement.

Section 4.2. *Amendments and Waivers*. Any provision of this Agreement may be amended or waived if, but only if, such amendment or waiver is in writing and is signed, in the case of an amendment, by each party to this Agreement, or in the case of a waiver, by the party against whom the waiver is to be effective.

Section 4.3. *Successors and Assigns*. The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns; provided that no party may assign, delegate or otherwise transfer any of its rights or obligations under this Agreement without the consent of each other party hereto other than pursuant to the Reorganization.

Section 4.4. *Governing Law; Arbitration*.

(a) The laws of the State of Delaware shall govern (i) all proceedings, claims or matters related to or arising from this Agreement (including any tort or non-contractual claims) and (ii) any questions concerning the construction, interpretation, validity and enforceability of this Agreement, and the performance of the obligations imposed by this Agreement, in each case without giving effect to any choice of law or conflict of law rules or provisions (whether of the State of Delaware or any other jurisdiction) that would cause the application of the laws of any jurisdiction other than the State of Delaware.

(b) Any dispute, controversy or claim arising out of, relating to or in connection with this Agreement, including, without limitation, any dispute regarding the validity or termination of this Agreement, or the performance or breach hereof, shall be finally settled by arbitration administered by the American Arbitration Association ("AAA"), in accordance with its Commercial Arbitration Rules in effect at the time of the arbitration. The place of arbitration shall be Fort Worth, Texas and the proceedings shall be conducted in the English language. The arbitration shall be conducted by three arbitrators. Each arbitrator shall be a person with significant experience in the financial services industry or representing persons in the financial services industry. Each of the parties to the arbitration shall nominate one arbitrator within 15 days after delivery of a request for arbitration in writing by any of the parties. In the event that any of the parties to the arbitration fail to nominate an arbitrator as and within such time period provided in the preceding sentence, upon request of either of such parties, such arbitrator shall instead be appointed by the AAA within 15 days of receiving such request. The two arbitrators appointed in accordance with the above provisions shall nominate the third arbitrator within 15 days of their appointment. If the first two appointed arbitrators fail to nominate a third arbitrator, then, upon request of the parties to the arbitration, the third arbitrator shall be appointed by the AAA within 30 days of receiving such request. The third arbitrator shall serve as Chairman of the arbitral tribunal. The arbitrators shall endeavor to render a final award within 90 days of submission of a request for arbitration. Failure to adhere to this time limit shall not be a basis for challenging the award. The award rendered by the arbitrators shall be final and binding on the parties thereto and judgment on such award may be entered in any court of competent jurisdiction. All costs and

expenses incurred by the parties in connection with any arbitration hereunder shall be borne by the party against whom the arbitrators' award is rendered, and such party shall promptly reimburse the party in whose favor the arbitrators' award is rendered for any of such costs and expenses incurred by such party.

(c) By agreeing to arbitration, the parties do not intend to deprive any court with jurisdiction of its ability to issue a preliminary injunction, attachment or other form of provisional remedy in aid of the arbitration, and a request for such provisional remedies by a party to a court shall not be deemed a waiver of this agreement to arbitrate. In addition to the authority conferred upon the arbitrators by the rules specified above, the arbitrators shall also have the authority to grant provisional remedies, including injunctive relief.

(d) Except as may be required by applicable law or court order, the parties agree to maintain confidentiality as to all aspects of any arbitration arising out of, relating to or in connection with this Agreement, including any such arbitration's existence and results, except that nothing herein shall prevent a party from disclosing information regarding such arbitration for purposes of enforcing the award or this arbitration clause, or in any court proceeding requesting the issuance of provisional remedies. The parties further agree to obtain the arbitrators' agreement to preserve the confidentiality of the arbitration.

Section 4.5. *Severability*. Whenever possible, each provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Agreement or the application of any such provision to any Person or circumstance shall be held to be prohibited by or invalid, illegal or unenforceable under applicable law in any respect by a court of competent jurisdiction, such provision shall be ineffective only to the extent of such prohibition or invalidity, illegality or unenforceability, without invalidating the remainder of such provision or the remaining provisions of this Agreement. Furthermore, in lieu of such illegal, invalid or unenforceable provision, there shall be added automatically as a part of this Agreement a legal, valid and enforceable provision as similar in terms to such illegal, invalid, or unenforceable provision as may be possible.

Section 4.6. *Waiver*. No failure by any party to insist upon the strict performance of any covenant, duty, agreement or condition of this Agreement or to exercise any right or remedy consequent upon a breach thereof shall constitute waiver of any such breach of any other covenant, duty, agreement or condition.

Section 4.7. *Counterparts*. This Agreement may be executed and delivered in any number of counterparts, (including by facsimile or electronic transmission (including PDF or any electronic signature complying with the U.S. federal ESIGN Act of 2000, e.g. www.docusign.com), each of which shall be an original and all of which together shall constitute a single instrument.

Section 6.02. *Limitation on Transfers of Class A Shares.* Without the prior written consent of PubCo or as may otherwise be expressly permitted under the terms of any underwriter lock-up and/or the Investor Rights Agreement with the consent of PubCo, no Investor Party shall transfer, sell, exchange, assign, pledge, hypothecate or otherwise encumber or otherwise dispose, in each case, directly or indirectly, of any Class A Shares issued pursuant to this Agreement, including a transfer to an Affiliate, from the Closing Date through 180 days following the date of the final prospectus relating to the IPO.

Section 6.03. *Certain Tax Matters*.

(a) *Intended Tax Treatment.* The parties intend that, for U.S. federal income tax purposes, (i) the transfer of [Blocker Shares and/or Common Units in one or more of the TPG OG Partnerships] to PubCo for Class A Shares set forth herein be treated as a contribution by the Investor Parties to PubCo, described in Section 351(a) of the Code that, combined with other contemporaneous contributions to PubCo, is intended to be treated as part of a single transaction described in Section 351 of the Code, (ii) the transfer of [Blocker Shares and/or Common Units in one or more of the TPG OG Partnerships] to LPCo-2 for cash set forth herein be treated as a taxable disposition of such equity under Section 1001 of the Code and (iii) all payments made pursuant to Section 2.02(b) shall be treated as adjustments to the Applicable OG Consideration. The parties shall report such transaction consistently therewith and shall prepare all Tax Returns in a manner consistent therewith except upon a contrary determination by an applicable Taxing Authority.

(b) *Cooperation.* The TPG Parties and the Investor Parties shall cooperate fully, as and to the extent reasonably requested by the other party, in connection with the filing of Tax Returns and any audit or other proceeding with respect to any Indemnified Tax. Such cooperation shall include the prompt notification of any tax audit or proceeding to the other party and the retention and (upon the other party's reasonable request) the

provision of records and information, which are reasonably relevant to any such audit or other proceeding and within such party's possession or obtainable without material cost or expense. The TPG Parties shall succeed and be entitled to all legal privilege with respect to any such filings or proceedings. Such cooperation shall also include making employees or other representatives available on a mutually convenient basis to provide additional information and explanation of any material provided hereunder, including the parties responsible for previous filings of Tax Returns.

(c) *Preparation of Tax Returns*.

(i) TPG Parties will timely file (or cause to be prepared and timely filed) all Tax Returns of the Blocker for any Pre-Closing Tax Period and for any Straddle Period required to be filed after the Closing Date, and will timely pay (or cause to be timely paid) all Taxes required to be paid with respect to such Tax Returns. Unless otherwise required by applicable Law, all such Tax Returns will be prepared in accordance with the past practices of the Blocker. Any such Tax Returns shall be made available by the TPG Parties to the Investor Parties for review and comment fourteen (14) Business Days prior to the filing date and the TPG Parties shall consider in good faith any comments timely received from the Investor Parties.

(ii) From and after the Closing Date, to the extent that any of the following actions would result in amounts treated as Indemnified Taxes pursuant to this Agreement, the Blocker will not, and the Applicable OG Transferee will cause the Blocker not to, without the consent of the Investor Parties, other than any such actions which are required to give effect to any actions undertaken with respect to the TPG OG Partnerships for the relevant taxable period, (a) file (other than in accordance with Section 6.03(c)(i)), amend, re-file, revoke, modify or otherwise change any Tax Return, Tax election or other Tax filing or position of the Blocker for any Pre-Closing Tax Period or any Straddle Period, (b) voluntarily approach any taxing authority with respect to any Pre-Closing Tax Period or (c) extend or waive, or request or cause to be extended or waived, any statute of limitations or other period for the assessment of any Tax or deficiency related to a Pre-Closing Tax Period or any Straddle Period, in each case without the prior written consent of the Investor Parties (which consent will not be unreasonably withheld, delayed or conditioned); provided that if any such actions are undertaken without the consent of the Investor Parties, the parties agree that the only recourse to such Investor Parties is that any actual resulting Tax liability of Blocker resulting from such actions described in (a)-(c) shall not constitute an Indemnified Tax. None of the parties (nor any of their respective Affiliates) shall take or cause to be taken any action (or fail to take or cause to take any action) that would reasonably be expected to adversely affect the treatment of the exchanges contemplated by Section 2.01 as described in this Section 6.03.

(d) *Refunds*. Tax refunds (or credits in lieu of cash Tax refunds that actually reduce the cash Tax liability of the Blocker (or any successor thereto)) of Taxes (including estimated Taxes) of the Blocker (or any successor thereto) for any Pre-Closing Tax Period or any Pre-Closing Straddle Period (including any such refund (or credit) resulting from a carryback of any net operating loss generated in a Pre-Closing Tax Period or any Pre-Closing Straddle Period, but excluding any such refund (or credit) resulting from a carryback of a net operating loss generated in a Tax period (or portion thereof) beginning after the Closing Date) will be for the account of the Investor Parties, and the Applicable OG Transferee will pay, or cause to be paid, to the Investor Parties an amount equal to any such refund (or credit), together with any interest paid by the applicable Governmental Body, within five days after receipt of such refund or utilization of such credit.

(e) *Tax Audits*.

(i) After the Closing Date, the Applicable OG Transferee, shall promptly notify the Investor Parties (as the case may be) in writing of any written notice of a proposed assessment or claim in an audit or administrative or judicial proceeding received by them with respect to Taxes solely of the Blocker ("Tax Proceeding") in respect of any Pre-Closing Tax Period which, if determined adversely to the Blocker, would be grounds for indemnification by the Investor Parties under Section 5.01 . Such notice shall contain factual information (to the extent known to the TPG Parties, its Affiliates or the Blocker) describing the asserted Tax liability in reasonable detail and shall include copies of any notice or other document received from any Taxing Authority in respect of any such asserted Tax liability; provided, however, that the failure to give such notice as provided herein shall not relieve the Investor Parties of their obligations to indemnify for any loss arising out of such asserted Tax liability, except to the extent that the Investor Parties are actually and materially prejudiced thereby.

(ii) The Investor Parties may elect to direct and control, through counsel of its own choosing, any Tax Proceeding relating solely to a Pre-Closing Tax Period involving any potential Tax liability with respect to which indemnity may be sought under this Agreement. If the Investor Parties elect to direct a Tax Proceeding, the Investor Parties shall within thirty (30) days of receipt of the notice of asserted Tax liability notify the TPG Parties of its intent to do so, and the TPG Parties shall cooperate and shall cause the Blocker to fully cooperate, at the Investor Parties expense, in each phase of such audit or Proceeding; provided that the Investor Parties shall keep the TPG Parties reasonably informed about any material developments of any such Tax Proceeding and shall obtain the prior written consent (which consent shall not be unreasonably withheld, conditioned or delayed) of the TPG Parties before entering into any settlement or resolution of any such Tax Proceeding. If the Investor Parties elect not to direct the Tax Proceeding or such Tax Proceeding relates to a Straddle Period, the TPG Parties or the Blocker shall control such Tax Proceeding (at the TPG Parties' expense); provided that the TPG Parties shall keep the Investor Parties reasonably informed about any material developments of any such Tax Proceeding.

Section 6.04. *Withholding.* Each Applicable OG Transferee shall be entitled to deduct and withhold from any cash payable or stock issuable to an Investor Party pursuant to this Agreement such amounts as it determines in good faith are required to be deducted and withheld under the Code or any provision of state, local or foreign applicable law; *provided, however, that,* prior to deducting or withholding any such amounts, each Applicable OG Transferee shall notify the Investor Parties as soon as reasonably practicable after discovering that it is required by applicable Law to withhold from any amount payable under this Agreement and shall reasonably cooperate with the Investor Parties to minimize or eliminate such deduction or withholding to, the extent permitted by applicable Law. To the extent that amounts are so deducted and withheld, such withheld amounts shall be treated for all purposes of this Agreement as having been paid (or issued) to the Investor Party in respect of which such deduction and withholding was made. If any such deduction or withholding is required to be made from any consideration payable in Class A Shares, the amount of such Class A Shares shall be reduced based on the IPO Price (less any underwriters' discount, commissions or other transaction expenses)*; provided that,* at the election of the Applicable OG Transferee, in lieu of reducing the amount of Class A Shares (or non-voting Class A Shares), the Investor Party may fund such deduction or withholding in cash by making a payment to the Applicable OG Transferee or the Investor Party may be deemed to fund such deduction or withholding in cash payable in respect of other cash proceeds paid to an Investor Party in respect of the transfers pursuant to this Agreement.

Section 6.05. *Withholding Certificates.*

(a) Prior to the Closing Date, the Investor Parties that will be transferring interests in TPG OG I pursuant to this Agreement shall each have delivered (A) a duly executed Internal Revenue Service Form W-9 or (B) a withholding certificate described in Treasury Regulations Section 1.1446(f)-2(b)(5) to be provided by a "transferor" and reasonably acceptable to the Applicable OG Transferee.

(b) Prior to the Closing Date, where Investor Parties will be transferring interests in Blocker pursuant to this Agreement, Blocker shall have delivered to the Applicable OG Transferee a certificate and notice pursuant to Treasury Regulation Sections 1.1445-2(c)(3) and 1.897-2(h)(2) certifying that Blocker has not been a "United States real property holding corporation" within the meaning of Section 897(c)(2) of the Code during the five (5)-year prior ending on the Closing Date and notifying the U.S. Internal Revenue Service of the same.

(c) For all other circumstances not addressed in clauses (a) and (b) of this section, prior to the Closing Date, the Investor Parties that will be transferring interests in TPG OG II or TPG OG III pursuant to this Agreement shall each have delivered (A) a duly executed Internal Revenue Service Form W-9, (B) any other withholding certificate described in Treasury Regulations Section 1.1446(f)-2(b) to be provided by a "transferor" and for which the conditions necessary to provide such certification have been met or (C) such other form as the Investor Parties are legally able to provide that is reasonably acceptable to the Applicable OG Transferee; provided that if an Investor Party is unable to provide the certification described in clause (A), (B) or (C), including by reason that a transferred interest in a TPG OG Partnership does not qualify for a relevant exception described in Treasury Regulations section 1.1446(f)-2(b), then such Investor Party shall

(if permitted by law) provide a certificate substantially in the form described in Treasury Regulations Section 1.1446(f)-2(c)(2)(ii)(B) (it being understood that the TPG OG Partnerships, the Applicable OG Transferee and any other applicable withholding agent shall retain the discretion to determine the amount realized).

(d) The TPG OG Partnerships shall reasonably cooperate upon the reasonable request to provide such certifications or other information that the TPG OG Partnerships are legally permitted to provide to the extent necessary to reduce or eliminate any withholding with respect to the transactions contemplated by this Agreement (including the certificate described in Treasury Regulations Section 1.1445-11T(d)(2)) to the extent the TPG OG Partnerships can do so without unreasonable effort or expense, provided, however, that the TPG OG Partnerships shall not be required to provide the certificate described in Treasury Regulations Section 1.1446(f)-2(b)(4) with respect to any TPG OG Partnership.

Section 6.06. *Apportionment of Taxes.* For purposes of clause (i) of the definition of Indemnified Pre-Closing Blocker Taxes, the Taxes of Blocker for the portion of a Straddle Period in the Pre-Closing Tax Period (such portion, the "**Pre-Closing Straddle Period**") will be determined as follows: (i) in the case of any real property or other *ad valorem* Taxes, the portion in the Pre-Closing Tax Period will be deemed to be the amount of such Tax (after giving effect to amounts which may be deducted from or offset against such Taxes) for the entire taxable period multiplied by a fraction, the numerator of which is the number of days in the Pre-Closing Straddle Period and the denominator of which is the number of days in the Straddle Period; and (ii) in the case of any other Taxes, the portion in the Pre-Closing Tax Period will be deemed equal to the amount that would be payable (after giving effect to amounts which may be deducted from or offset against such Taxes) if the taxable year of the Blocker and pass-through entities in which Blocker owns an equity interest terminated on and included the Closing Date. The portion of tax attributable to the portion of a Straddle Period in the Post-Closing Tax Period will be calculated in a corresponding manner.

Section 6.07. *Determination of Accrued but Unpaid Blocker Taxes.* The TPG Parties, in coordination with the historic tax advisors of TPG Operating Group, shall in good faith [and, with respect to taxable income attributable to pass-through income allocated to the Blocker in respect of the Blocker's investment in TPG OG II Common Units, consistent with past practice,] estimate the amount of "Accrued but Unpaid Blocker Taxes" attributable to such pass-through income for purposes of Schedule A. The TPG Parties shall deliver such estimate to the Investor Parties at least 5 Business Days before the Closing Date, and the Investor Parties and TPG Parties shall collaborate in good faith to agree on the amount of Accrued but Unpaid Blocker Taxes. The TPG Parties, in coordination with the historic tax advisors of TPG Operating Group, shall also provide the Investor Parties such information that the TPG Parties reasonably determine is necessary to assist the Investor Parties in estimating the income Tax liability resulting from transactions described in Section 6.01 with respect to the distribution or other transfer of equity interests in the RemainCo Partnerships for purposes of determining the amount of Accrued but Unpaid Blocker Taxes. The Blocker shall be capitalized with sufficient cash held directly by the Blocker to satisfy Accrued but Unpaid Blocker Taxes,

including in respect of Taxes incurred in connection with the transactions described in Section 6.01. In furtherance of the foregoing, the Investor Parties hereby covenant that the Blocker shall retain, from and after the date hereof, all cash held as of the date hereof and all cash received or generated thereafter, to meet the obligation described in the previous sentence, and shall be entitled to distribute or otherwise extract any cash in excess of the amount of Accrued and Unpaid Blocker Taxes once such amount has been determined in accordance with the rest of this Section 6.07.

Section 7.02. *Termination.* This Agreement may be terminated at any time prior to the Closing Date (i) by the mutual written agreement of the Parties or (ii) by either the Investor Parties or PubCo if the Closing Date shall not have occurred by December 31, 2022. If this Agreement is terminated as permitted by the preceding sentence, such termination shall be without liability of any Party (or any of its Affiliates) to the other Parties to this Agreement.

Section 7.03. *Amendments and Waivers*. (a) Any provision of this Agreement may be amended or waived if, but only if, such amendment or waiver is in writing and is signed, in the case of an amendment, by each party to this Agreement, or in the case of a waiver, by the party against whom the waiver is to be effective.

(b) No failure or delay by any party in exercising any right, power or privilege hereunder shall operate as a waiver thereof nor shall any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right, power or privilege. Except as set forth in Section 7.10, the rights and remedies herein provided shall be cumulative and not exclusive of any rights or remedies provided by law.

Section 7.04. *Expenses*. Except as otherwise provided herein, all costs and expenses incurred in connection with this Agreement shall be paid by the party incurring such cost or expense.

Section 7.05. *Successors and Assigns*. The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns; provided that no party may assign, delegate or otherwise transfer any of its rights or obligations under this Agreement without the consent of each other party hereto.

Section 7.06. *Governing Law; Jurisdiction; Waiver of Jury Trial*. The laws of the State of Delaware shall govern (a) all proceedings, claims or matters related to or arising from this Agreement (including any tort or non-contractual claims) and (b) any questions concerning the construction, interpretation, validity and enforceability of this Agreement, and the performance of the obligations imposed by this Agreement, in each

case without giving effect to any choice of law or conflict of law rules or provisions (whether of the State of Delaware or any other jurisdiction) that would cause the application of the laws of any jurisdiction other than the State of Delaware. EACH PARTY TO THIS AGREEMENT IRREVOCABLY WAIVES ALL RIGHTS TO TRIAL BY JURY IN ANY PROCEEDING BROUGHT TO RESOLVE ANY DISPUTE BETWEEN OR AMONG ANY OF THE PARTIES (WHETHER ARISING IN CONTRACT, TORT OR OTHERWISE) ARISING OUT OF, CONNECTED WITH, RELATED OR INCIDENTAL TO THIS AGREEMENT, THE TRANSACTIONS CONTEMPLATED BY THIS AGREEMENT AND/OR THE RELATIONSHIPS ESTABLISHED AMONG THE PARTIES UNDER THIS AGREEMENT. THE PARTIES FURTHER WARRANT AND REPRESENT THAT EACH HAS REVIEWED THIS WAIVER WITH SUCH PARTY'S LEGAL COUNSEL, AND THAT EACH KNOWINGLY AND VOLUNTARILY WAIVES SUCH PARTY'S JURY TRIAL RIGHTS FOLLOWING CONSULTATION WITH LEGAL COUNSEL. Each of the parties to this Agreement submits to the exclusive jurisdiction of first, the Chancery Court of the State of Delaware or if such court declines jurisdiction, then to the Federal District Court for the District of Delaware, in any proceeding arising out of or relating to this Agreement, agrees that all claims in respect of the proceeding shall be heard and determined in any such court and agrees not to bring any proceeding arising out of or relating to this Agreement in any other courts. Nothing in this Section 7.06, however, shall affect the right of any party to this Agreement to serve legal process in any other manner permitted by law or at equity. Each party to this Agreement agrees that a final judgment in any proceeding so brought shall be conclusive and may be enforced by suit on the judgment or in any other manner provided by law or at equity.

Section 7.07. *Counterparts; Effectiveness; Third Party Beneficiaries*. This Agreement may be signed in any number of counterparts, each of which shall be an original, with the same effect as if the signatures thereto and hereto were upon the same instrument. This Agreement shall become effective when each party hereto shall have received a counterpart hereof signed by the other party hereto. Until and unless each party has received a counterpart hereof signed by the other party hereto, this Agreement shall have no effect and no party shall have any right or obligation hereunder (whether by virtue of any other oral or written agreement or other communication). No provision of this Agreement is intended to confer any rights, benefits, remedies, obligations, or liabilities hereunder upon any Person other than the parties hereto and their respective successors and assigns. The parties irrevocably and unreservedly agree that the document(s) in question may be executed by way of electronic signatures and the parties agree that such document(s), or any part thereof, shall not be challenged or denied any legal effect, validity and/or enforceability solely on the ground that it is in the form of an electronic record.

Section 7.08. *Entire Agreement*. This Agreement constitutes the entire agreement between the parties with respect to the subject matter of this Agreement and supersedes all prior agreements and understandings, both oral and written, between the parties with respect to the subject matter of this Agreement.

Section 7.09. *Severability*. If any term, provision, covenant or restriction of this Agreement is held by a court of competent jurisdiction or other Governmental Authority to be invalid, void or unenforceable, the remainder of the terms, provisions, covenants and restrictions of this Agreement shall remain in full force and effect and shall in no way be affected, impaired or invalidated so long as the economic or legal substance of the transactions contemplated hereby is not affected in any manner materially adverse to any party. Upon such a determination, the parties shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible in an acceptable manner in order that the transactions contemplated hereby be consummated as originally contemplated to the fullest extent possible.

Section 7.10. *Specific Performance*. Section 7.11. *Acknowledgment of Reorganization.* In connection with the IPO and as described in the prospectus that forms part of PubCo's Registration Statement on Form S-1 filed with the SEC, the TPG Parties and their Affiliates have undergone the Reorganization (as defined in the Investor Rights Agreement) and each Party hereby acknowledges, consents to and ratifies the Reorganization, the Reorganization Agreement (as defined in the Investor Rights Agreement) and the transactions contemplated thereby. Each Investor Party acknowledges that after the Closing Date, all distributions by the TPG OG Partnerships shall be made in accordance with the Amended and Restated Limited Partnership Agreements of the TPG OG Partnerships, as in effect from time to time.

Section 7.12. *Waiver of Immunity.* To the extent that an Investor Party may be or may become entitled, in any action or proceeding relating in any way to this Agreement, to claim for itself or its properties or revenues any immunity from suit, court jurisdiction or attachment prior to judgment, attachment in aid of execution of a judgment, execution of a judgment or from any other legal process or remedy relating to its obligations under this Agreement, and to the extent that in any such action or proceeding there may be attributed immunity (whether or not claimed), such party hereby irrevocably agrees not to claim and hereby irrevocably waives such immunity o the fullest extent permitted by applicable law.

Section 7.13. *Further Assurances*. (a) Subject to the terms and conditions of this Agreement, the parties hereto will use their reasonable best efforts to take, or cause to be taken, all actions and to do, or cause to be done, all things necessary or desirable under applicable law to consummate the transactions contemplated by this Agreement. The parties hereto agree to execute and deliver such other documents, certificates, agreements and other writings and to take such other actions as may be necessary or desirable in order to consummate or implement expeditiously the transactions contemplated by this Agreement.

Exhibit 10.15

EXECUTION COPY

December 15, 2021

Jon Winkelried

Dear Jon:

You are party to that certain employment letter agreement, dated October 28, 2015, entered into by and among TPG Global, TPG Holdings, TPG Partner Holdings, and TPG Partner Holdings GP (together, the "Original TPG Parties," and such agreement, as may have been modified by any amendment, agreement, arrangement or other document entered into and fully executed by you and the Original TPG Parties, the "2015 Employment Agreement").

Pursuant to Section 10 of the 2015 Employment Agreement, upon a Qualified PO (as such term is defined in the 2015 Employment Agreement), the Original TPG Parties agreed to review the terms of the 2015 Employment Agreement and consider any changes as would be appropriate in the context of a Qualified PO.

In anticipation of the initial public offering (the "IPO") of TPG Partners, LLC (and, following its incorporation, TPG Inc., hereinafter defined as "TPG Inc." or "PubCorp"), which will constitute a Qualified PO, you, the Original TPG Parties, and TPG Inc. (the Original TPG Parties and TPG Inc. being sometimes referred to herein collectively as the "New TPG Parties") mutually desire to continue your employment and to enter into a new employment agreement (this "Agreement") upon the terms and conditions specified herein. The New TPG Parties, TPG Operating Group, their Affiliates, and the successors and assigns of their Affiliates, are referred to collectively in this Agreement as "TPG" or the "TPG Entities." Capitalized terms used but not defined in the body of this Agreement shall be defined as set forth in Exhibit A.

In consideration of the premises and mutual promises made, and for other good and sufficient consideration, the receipt and sufficiency of which are hereby acknowledged, the parties to this Agreement (individually, a "Party," collectively, the "Parties") hereby agree as follows:

1. Effectiveness. This Agreement shall become effective upon the consummation of the IPO (the "Effective Date"), and the effectiveness of this Agreement is contingent upon the consummation of the IPO. Until such time as the IPO is consummated, this Agreement shall have no force or effect, and all terms of the 2015 Employment Agreement shall continue in full force and effect.

2. Positions; Direct Employer; Location. During the Term (as defined below) (including, for purposes of this Section 2, through the Termination Date following your delivery of a Notice of Termination that constitutes an Orderly Retirement under Section 11(e)), you will be the Chief Executive Officer of TPG Inc. ("CEO") and, at your election, through the Sunset, you will also be a member of the board of directors of TPG Inc. (the "Board"). Through the Sunset (and thereafter as determined by the Board), you will also be a voting member of the Executive Committee of the Board (the "Executive Committee"), and each other committee of the Board (unless such committee needs to be, or is intended to be, comprised solely of independent directors as required by law or listing standards, such as the Audit Committee, the Compensation

Committee, or the Conflicts Committee, or the sole purpose of such committee is to oversee the chief executive officer or to approve a transaction in which you have a conflict). During the Term, you will report solely and exclusively to the Board. In addition, you (or an entity controlled by you) will become a member of TPG GP A, LLC ("GP LLC") and its "Control Group" (the "Control Group"), subject to the terms of the Amended and Restated Limited Liability Company Agreement, in substantially the form approved by the Board of Directors of TPG Partners, LLC on December 7, 2021, to be executed in connection with the IPO in 2022, of GP A LLC (the "GP LLC Agreement"). During the Term: (a) you will be directly employed by TPG Global or another TPG Entity (as applicable, the "TPG Employer"); (b) your principal place of employment will be in San Francisco, California (traveling as appropriate in connection with your duties for the TPG Entities); and (c) you will be paid as an employee of the TPG Employer in accordance with the payroll practices of the TPG Employer.

3. Term. Your employment under this Agreement will commence on the Effective Date and will continue thereafter until December 31, 2025, unless earlier terminated in accordance with the provisions of Sections 11; provided, however, that the Term, and all terms and conditions set forth in this Agreement, will be extended automatically by one or more consecutive one-year periods unless either the New TPG Parties or you provide to the other a written notice of non-renewal at least six months prior to the expiration of the Term then in effect (a "Non-Renewal Notice"). The period during which this Agreement and your employment hereunder remain in effect is hereinafter referred to as the "Term".

4. Authority, Duties and Responsibilities. During the Term (including, for purposes of this Section 4, through the Termination Date following your delivery of a Notice of Termination that constitutes an Orderly Retirement under Section 11(e)), you will have the duties, responsibilities, functions and plenary authority as is customarily associated with the chief executive officer of a U.S. public company investment firm, including, without limitation, responsibility for day-to-day operations of TPG's business, managing the TPG Entities, subject to, and having those responsibilities, functions and powers enumerated in, the governing documents of the TPG Entities, including the Certificate of Incorporation, Bylaws, Corporate Governance Guidelines, Executive Committee Charter and Compensation Committee Charter of TPG Inc., and the GP LLC Agreement (the "Governance Documents"), as well as those authorities, duties and responsibilities specifically set forth on Exhibit B. You will devote substantially all of your business time and attention to the performance of your responsibilities and duties for TPG. Notwithstanding the foregoing or anything elsewhere to the contrary, you may at all times: (a) engage in charitable, religious and community activities; (b) accept and perform a reasonable number of speaking engagements; (c) manage your personal investments and affairs; (d) serve on the boards of a reasonable number of charitable and educational entities; (e) engage in the activities listed on Exhibit C; and (f) engage in such additional activities as TPG Inc. may approve (such approval not to be unreasonably withheld and delayed); provided, that, in the case of each of the foregoing, your activities do not violate any of TPG's internal rules or policies, materially interfere with your carrying out your duties and responsibilities for TPG, or constitute a conflict of interest with respect to TPG's activities. You will at all times during the Term comply in all material respects with all material TPG internal policies, rules and procedures (including all legal and compliance policies, rules and procedures) that have been disclosed or made available to you, and comply with the rules of any regulatory or self-regulatory agency or body of which any TPG Entity is a member or to which it is subject, including the rules applicable to publicly listed companies, in all cases as they may be in effect from time to time and to the extent you are subject to them.

5. Salary. During the Term, your annualized salary will be no less than $500,000 (your "Base Salary"), which will be paid by the TPG Employer in accordance with its customary payroll practices. Your Base Salary will be subject to annual review and potential increase by the Compensation Committee of the Board (the "Compensation Committee") in its discretion.

6. Determination of Annual Compensation.

(a) For each Compensation Year during the Term (including, for purposes of this Section 6, any year in which you provide a Notice of Termination that constitutes an Orderly Retirement under Section 11(e), but only if your Termination Date in connection with such Orderly Retirement occurs in the year following the year in which you deliver the Notice of Termination for such Orderly Retirement), you will determine the annual compensation of all TPG partners (other than members of the Board who are TPG partners and members of the Executive Committee, which shall be determined by the joint approval of you and the Executive Chairman) in accordance with the Governance Documents and customary TPG practices. Thereafter, the Chief Human Resources Officer will calculate your Baseline Total Annual Incentive Compensation and will communicate that Baseline Total Annual Incentive Compensation to you and the Compensation Committee prior to the close of that Compensation Year.

(b) The Compensation Committee, in consultation with you and in accordance with the Compensation Committee Charter (but subject to this Section 6), shall then determine your Actual Total Annual Incentive Compensation for such Compensation Year, which you and TPG hereby acknowledge and agree may be up to 115% of your Baseline Total Annual Incentive Compensation for such Compensation Year, but may not be less than 85% of your Baseline Total Annual Incentive Compensation for such Compensation Year; provided, however, that (x) in the event of the occurrence of extraordinary circumstances having a materially favorable impact on the business of TPG in any Compensation Year, the Compensation Committee may elect to pay you more than 115% of your Baseline Total Annual Incentive Compensation for such Compensation Year, and (y) in the event of the occurrence of extraordinary circumstances having a materially adverse impact on the business of TPG in any given Compensation Year, the Compensation Committee may elect to reduce (or waive entirely) the cash portion of any annual incentive award from the Carry Pool (as defined below) that would have otherwise been paid to you for such Compensation Year, even if such reduction results in your Actual Total Annual Incentive Compensation equaling less than 85% of your Baseline Total Annual Incentive Compensation for such Compensation Year; provided, however, that any such reduction may not exceed the Bonus Component for such Compensation Year.

(c) In addition, for each Compensation Year, (x) with the input of the Chief Human Resources Officer, you will make a recommendation to the Compensation Committee as to the various components that will comprise the Actual Total Annual Incentive Compensation to be delivered to you (and the Executive Chairman) for that Compensation Year (with the relative proportions of such components to be generally consistent with past practice), whether through participation in the Carry Pool (including Carry Pool Equity Awards related thereto and any supplemental awards from the Carry Pool) pursuant to Section 7, grants of restricted stock units

issued pursuant to the Omnibus Plan ("RSUs") or other PubCorp Equity Awards, or performance allocations pursuant to Section 9, and (y) the Compensation Committee thereafter shall consider your recommendation in making its discretionary determination as to the various components that will comprise the Actual Total Annual Incentive Compensation to be delivered to you (and the Executive Chairman) for that Compensation Year.

(d) For purposes of this Section 6, your Actual Total Annual Incentive Compensation will (x) include non-pro-rata end of year reallocations of distributions (including from vintage shares forfeited by others) and any non-pro-rata portion of another current or former TPG Partner's 20% "cutback" that is distributed to you and (y) exclude (i) distributions, dividends or dividend equivalents on PubCorp Equity Awards and TPG Interests previously granted to you, (ii) distributions on "downstairs" promote previously granted to you, (iii) distributed amounts included within the definition of "DAWPY," (iv) the TPG Partner Holdings Equity Grant, and (v) reallocations of forfeited TPG Partner Holdings units following the Effective Date that are part of a pro rata reallocation to "Active Partners" within the meaning of the TPG Partner Holdings LPA ("Pro Rata TPH Reallocations").

(e) Prior to the first anniversary of the Effective Date, as part of the Compensation Committee's responsibilities with respect to your and the Executive Chairman's compensation (both annual and long-term), the Compensation Committee will evaluate and determine whether it would be appropriate or desirable to establish a program under the Omnibus Plan pursuant to which additional PubCorp Equity Awards would be granted to you and/or the Executive Chairman, and whether such PubCorp Equity Awards should be subject either wholly or in part to performance-based vesting or subject to any other particular terms and conditions.

7. Performance Allocation Pool Program. During the Term, you will be entitled to participate in any performance allocation pool program that TPG implements in connection with the IPO and any successor annual incentive plan that may be adopted thereafter (the "Carry Pool"), distributions from which will be paid in cash and, for 2022, RSUs as provided in any applicable deferral table. For Compensation Years after 2022, TPG may also determine to grant Carry Pool Equity Awards. Carry Pool Equity Awards, whether in the form of RSUs or other PubCorp Equity Awards awarded in connection with any distribution from the Carry Pool, will vest in equal installments on the first, second and third anniversaries of the date of grant and will otherwise have the terms set forth in the applicable Carry Pool award agreement (but, for the avoidance of doubt, in the event of any inconsistency between any such award agreement and this Agreement, this Agreement shall govern and prevail). You will also be entitled to receive current cash dividend equivalents on all RSUs granted to you (whether or not vested). For each Compensation Year, your distribution from the Carry Pool shall be no less than the highest Standard Carry Pool Award for such Compensation Year distributed to any other TPG Partner.

8. TPG Partner Holdings Equity. As soon as practicable following the anticipated internal restructuring of TPG (the "Restructuring"), TPG Partner Holdings GP shall cause TPG Partner Holdings to issue to you a number of TPG Partner Units (as defined in the Seventh Amended and Restated Limited Partnership Agreement of TPG Partner Holdings, to be entered into in connection with the IPO, and as the same may be in effect from time to time (such agreement, the "TPG Partner Holdings LPA")) with a value equal to $20,000,000 based on the IPO price of the TPG Inc. Class A Common Stock (such TPG Partner Units granted pursuant

hereto, the "TPG Partner Holdings Equity Grant"). The TPG Partner Holdings Equity Grant will vest in equal annual installments on the first six anniversaries of the date of grant and will otherwise have the terms and conditions set forth in the TPG Partner Holdings LPA and applicable grant documentation provided to you (but, for the avoidance of doubt, in the event of any inconsistency between any such grant documentation and this Agreement, this Agreement shall govern and prevail).

9. Performance Allocations. During the Term, in amounts and on terms and conditions that are consistent with TPG's past practice as applicable to you, you will be entitled to participate in the TPG cross-platform vintage share program and will be entitled to receive investment-specific performance fees on other platforms based on your active and direct participation in such investments.

10. Benefits; Expense Reimbursement. During the Term, TPG will provide you with coverage under its employee benefit programs, plans and practices (commensurate with your position and to the extent permitted under the applicable program, plan or practice), such as medical, dental and vision insurance coverage, life and AD&D insurance coverage, and all other TPG health and welfare benefits plans, all in accordance with the terms thereof as in effect from time to time and which TPG generally makes available to its Founders, and will provide you with rights to co-invest in TPG Funds consistent with TPG's co-invest policy available at the relevant time to senior Active Partners and on the same terms and conditions as such senior Active Partners, and the right to participate in the co-invest leverage program to the extent participation complies with Section 402 or Sarbanes-Oxley Act of 2002 ("SOX") (the "Co-Invest Program"). You are entitled to reimbursement for all reasonable expenses for travel, lodging, entertainment, and other business expenses at a "first class" level to the extent such expenses are consistent with TPG's reimbursement policies. During the Term, TPG will provide you with private aircraft for business travel through NetJets. TPG will also pay, or reimburse you for, first class travel if and when you travel on a commercial aircraft for business purposes during the Term.

11. Termination. This Agreement generally, including the definitions set forth on Exhibit A, and specifically this Section 11, shall be interpreted at all times in the context of, and subject to, the terms of the Governance Documents (and in particular, Sections 3.5 and 5.1 of the GP LLC Agreement); provided, however, that in the event of any inconsistency between any provision of this Agreement (including the definitions set forth on Exhibit A), on the one hand, and any provision of any Governance Document (including the definitions set forth therein), on the other hand, the provision of this Agreement will govern and prevail. For the avoidance of doubt, the parties acknowledge and agree that your (or your controlled entity's) removal as a member of GP LLC by reason of resignation, termination for Cause or termination for Disability shall not be effective until the Termination Date of the corresponding resignation or termination of your employment hereunder. Subject to the foregoing:

(a) the Term, and your employment with TPG, may be terminated by TPG without Cause (but only if the decision to terminate your employment without Cause is made in accordance with applicable provisions of the GP LLC Agreement) by delivery of a Notice of Termination that specifies a Termination Date that is 90 days following the Notice Date.

(b) the Term, and your employment with TPG, may be terminated by TPG for Cause; provided, however, that no such termination shall become effective as a termination for Cause unless, before any such termination is effective: (i) you have received written notice from an authorized representative of the Authorized Body setting forth in reasonable detail the events and circumstances purporting to constitute Cause, such notice to be delivered to you within 60 days after a majority of the members of the Authorized Body first learn of those events and circumstances, (ii) you have had 30 days following receipt of such written notice to cure such events and circumstances if and to the extent capable of cure, and (iii) after failing to cure such events and circumstances, the Authorized Body has actually terminated the Term and your employment with TPG for Cause by delivering a Notice of Termination within 30 days following the expiration of the cure period that specifies a Termination Date that is no more than 90 days following the Notice Date. To the extent an event is not so cured or deemed not susceptible to cure, the Board shall provide you with an opportunity on at least ten days advance written notice to appear (with legal counsel) before the full Board to discuss the specific circumstances alleged to constitute a Cause event.

(c) the Term, and your employment with TPG, may be terminated by you with Good Reason or Enhanced Good Reason; provided, however, that before any such termination becomes effective (i) you have given written notice to the Authorized Body setting forth in reasonable detail the nature of the events or circumstances purporting to constitute Good Reason or Enhanced Good Reason (as applicable), such notice to be given within 60 days after you first learn of those events and circumstances, (ii) those events and circumstances have not been cured within 30 days after the Authorized Body receive such notice if and to the extent capable of cure, and (iii) you actually terminate your employment with Good Reason or Enhanced Good Reason (as applicable) by delivering a Notice of Termination within 30 days following the expiration of the cure period that specifies a Termination Date that is 90 days following the Notice Date.

(d) the Term, and your employment with TPG, may be terminated by you without Good Reason or Enhanced Good Reason by your delivery of a Notice of Termination that specifies a Termination Date that is 180 days following the Notice Date.

(e) the Term, and your employment with TPG, may be terminated by you as an Orderly Retirement by your delivery of a Notice of Termination on or after July 1, 2025, that specifies a Termination Date that is at least 180 days following the Notice Date.

(f) the Term, and your employment with TPG, will terminate automatically upon your death.

(g) the Term, and your employment with TPG, may be terminated by either you or TPG due to your Disability by delivery of a Notice of Termination describing in reasonable detail the basis on which Disability is claimed that specifies a Termination Date that is 30 days following the Notice Date, but only if you are unable to resume your duties and responsibilities on a full-time basis within such 30 day notice period.

12. Payments, Benefits and Obligations upon Termination.

(a) Termination by TPG Without Cause, By Reason of TPG's Non-Renewal, or by You for Good Reason or Enhanced Good Reason. If the Term and your employment with TPG is terminated by TPG without Cause, by reason of TPG's election not to renew this Agreement as described in Section 3 (as evidenced by its delivery of a Non-Renewal Notice to you), or by you for Good Reason or Enhanced Good Reason, then, subject to your satisfaction of the Release Condition (as defined below) and material compliance with the Restrictive Covenants, you shall be entitled to the following:

(i) an amount equal to (A) the sum of Base Salary and the Actual Total Annual Incentive Compensation paid to you for the two calendar years immediately preceding the year in which the Termination Date occurs (or, if "Actual Total Annual Incentive Compensation" is not determinable for any given year because this Agreement has not been in effect long enough, base salary and the total annual incentive compensation paid to you for such year (valued in the same manner as Actual Total Annual Incentive Compensation is valued for purposes of this Agreement)), (B) divided by two, and (C) multiplied by either (x) four, if such termination occurs prior to the Sunset and prior to the application of Section 5.2(c) of the GP LLC Agreement, or (y) two, if such termination occurs on or after the Sunset or after the application of Section 5.2(c) of the GP LLC Agreement (the "Cash Severance"), which will be paid to you in substantially equal installments over 24 months following the Termination Date through the TPG Employer's regular payroll process, commencing on the first ordinary payroll date that is 60 days after the Termination Date (subject to satisfaction of the Release Condition and subject to Section 16 below);

(ii) a cash payment for the year in which the Termination Date occurs in an amount equal to the cash bonus paid to you and the grant date fair market value of the Carry Pool Equity Awards granted to you from the Carry Pool in respect of the calendar year immediately preceding the calendar year in which the Termination Date occurs, which shall be paid in a single lump sum on the first ordinary payroll date that is 60 days after the Termination Date (the "Full Carry Pool Amount");

(iii) continued vesting of all unvested TPG Interests on the ordinary vesting schedule of such TPG Interests as if you were still employed with TPG ("Continued TPG Interest Vesting");

(iv) continued vesting of any Carry Pool Equity Awards on the ordinary vesting schedule as if you were still employed with TPG ("Continued Carry Pool Equity Vesting") on the ordinary vesting schedule;

(v) retention of all vested TPG Interests and Carry Pool Equity Awards ("Retained Vested Equity");

(vi) healthcare insurance benefits (including medical, dental and vision insurance, AD&D insurance, life insurance and any other health insurance coverage) at the same level as those offered to the Founders for you and your wife for the remainder of your respective natural lives (the "Lifetime Healthcare Coverage");

(vii) continued right to participate in the Co-Invest Program (with such limitations as necessary or advisable for tax, regulatory, other legal, commercial or accounting reasons) ("Post-Separation Access"), subject to Section 12(e);

(viii) continued right to indemnification, D&O, and insurance coverage that will apply for acts or omissions during your tenure at TPG ("Indemnification");

(ix) office space, personal assistant, the annual stipend for AYCO, and IT support, in each case for five (5) years following the Termination Date, in the same manner and at the same level as those offered to the Founders (the "Post-Separation Support");

(x) with respect to any contractual lock-ups and liquidity tranches that limit your ability to exchange your TPG Partner Units or sell your shares of TPG Inc. common stock, you will be treated in the same manner that the Founders are treated (i.e., you will have "most favored nation" status with respect to any such contractual lock-ups and liquidity tranches; and, for the avoidance of doubt, if the Founders are treated differently from each other with respect to such lock-ups and liquidity tranches, you will be treated in the same manner as the Founder with the more favorable treatment) notwithstanding the termination of your employment (the "Post-Separation Lock-Up Treatment"); and

(xi) for all purposes under the TPG Partner Holdings LPA and Section 13 of this Agreement, be deemed a Type 1 Leaver, as that term is defined in the TPG Partner Holdings LPA ("Type 1 Leaver Treatment").

(b) Resignation without Good Reason. If the Term and your employment with TPG are terminated by you due to your voluntary resignation without Good Reason, without Enhanced Good Reason and without Orderly Retirement, then, subject to your satisfaction of the Release Condition and material compliance with the Restrictive Covenants, you shall be entitled to: (i) a cash payment for the year in which the Termination Date occurs in an amount equal to the cash bonus paid to you and the grant date fair market value of the Carry Pool Equity Awards granted to you in respect of the calendar year immediately preceding the calendar year in which the Termination Date occurs, prorated to reflect the number of days in the calendar year that you remained employed, which shall be paid in a single lump sum on the first ordinary payroll date that is 60 days after the Termination Date; (ii) Continued Carry Pool Equity Vesting; (iii) the Retained Vested Equity; (iv) Lifetime Healthcare Coverage; (v) Post-Separation Access; (vi) Indemnification; (vii) Post-Separation Support; and (viii) the Post-Separation Lock-Up Treatment.

(c) Orderly Retirement. If the Term and your employment with TPG are terminated by reason of your Orderly Retirement (including the delivery of a Non-Renewal Notice by you to TPG), then, subject to your satisfaction of the Release Condition and material compliance with the Restrictive Covenants, in addition to your Total Annual Incentive Compensation for the Compensation Year in which you provide notice of your intent to Orderly Retire, you shall be entitled to: (i) an amount equal to (A) the sum of Base Salary and the Actual Total Annual Incentive Compensation paid to you for the two calendar years immediately preceding the year in which the Orderly Retirement occurs, (B) divided by two, which will be paid

to you in substantially equal installments over 12 months following the Termination Date through the TPG Employer's regular payroll process, commencing on the first ordinary payroll date that is 60 days after the Termination Date (subject to satisfaction of the Release Condition and subject to Section 16 below); (ii) the Full Carry Pool Amount; (iii) Continued TPG Interest Vesting; (iv) Continued Carry Pool Equity Vesting; (v) the Retained Vested Equity; (vi) Lifetime Healthcare Coverage; (vii) Post-Separation Access; (viii) Indemnification; (ix) Post-Separation Support; (x) the Post-Separation Lock-Up Treatment; and (xi) Type 1 Leaver Treatment.

(d) Termination Due to Disability. If the Term and your employment with TPG are terminated by TPG Inc. or you due to your Disability, then, subject to your satisfaction of the Release Condition and material compliance with the Restrictive Covenants, you shall be entitled to: (i) the Full Carry Pool Amount; (ii) Continued TPG Interest Vesting; (iii) Continued Carry Pool Equity Vesting; (iv) the Retained Vested Equity; (v) Lifetime Healthcare Coverage; (vi) Post-Separation Access; (vii) Indemnification; (viii) Post-Separation Support; (ix) the Post-Separation Lock-Up Treatment; and (x) Type 1 Leaver Treatment.

(e) Termination Due to Death. If the Term and your employment with TPG are terminated due to your death, you (or your designated beneficiaries) shall be entitled to: (i) the Full Carry Pool Amount; (ii) Continued TPG Interest Vesting; (iii) Continued Carry Pool Equity Vesting; (iv) the Retained Vested Equity; (v) Lifetime Healthcare Coverage; (vi) Post-Separation Access (but only for five (5) years following the Termination Date and subject to the limitations in the immediately following sentence); (vii) Post-Separation Support; (viii) Indemnification; and (ix) the Post-Separation Lock-Up Treatment. Notwithstanding the foregoing and Section 12(a)(vii), in the event of your death, whether resulting in termination of the Term or occurring after the Term has ended, any Post-Separation Access (w) shall apply only for five (5) years following your death, (x) may only be exercised by your estate, your direct lineal descendants and/or any investment vehicle established by and primarily for the benefit of such descendants (y) shall be capped at an allocation of 0.5% of the aggregate commitments made to any TPG Fund, and (z) shall be subject to the terms then applicable to senior Active Partners (with such limitations as necessary or advisable for tax, regulatory, other legal, commercial or accounting reasons).

(f) Termination for Cause, Violation of Restrictive Covenants. If the Term and your employment with TPG are terminated by TPG Inc. for Cause or because you materially breach any Restrictive Covenant, then you shall forfeit all then outstanding and unvested TPG Interests, RSUs and other PubCorp Equity Awards.

(g) Termination in Connection with a Change of Control. If the Term and your employment with TPG are terminated within one year following a Change of Control (x) by TPG Inc. or its successor without Cause or by reason of TPG's election not to renew this Agreement as described in Section 3, (y) by you for Good Reason, Enhanced Good Reason or Orderly Retirement, or (z) by reason of your death or Disability, then, subject to your satisfaction of the Release Condition and material compliance with the Restrictive Covenants, you shall be entitled to the payments and benefits set forth in the applicable sub-section of this Section 12, except that (i) all cash payments otherwise due to be paid to you will be paid in a single lump sum on the first ordinary payroll date following the 60th day after the Termination Date (subject to satisfaction of the Release Condition and subject to Section 16 below); and (ii) if any unvested TPG Interests or PubCorp Equity Awards held by you are not assumed by the successor to or ultimate parent of TPG Inc. or left outstanding following the transaction constituting a Change of Control, all such unvested TPG Interests and PubCorp Equity Awards shall fully vest as of the date of such termination.

(h) Miscellaneous. On any termination of the Term and your employment with TPG, you shall be entitled to:

(i) Accrued but unpaid Base Salary through the Termination Date, accrued but unused vacation days through the Termination Date, and unreimbursed expenses incurred through the Termination Date, all of which will be paid to you within 30 days following the Termination Date;

(ii) Any benefits to which you are entitled under any healthcare, pension, retirement, 401(k), profit share, or other employee benefit plan;

(iii) any amounts pursuant to the Carry Pool in respect of a previously completed fiscal year that have been earned but not yet paid, which will be paid to you on the date such amounts would have been paid had your employment continued; and

(iv) except in the case of a termination of your employment hereunder for Cause, any TPG Interests, RSUs and other PubCorp Equity Awards in respect of a previously completed fiscal year that were determined by the Compensation Committee and were scheduled to be granted but have not yet been granted, which shall be granted on the date such awards would have been granted had your employment continued (and which shall thereafter be treated in accordance with the applicable provision of this Section 12).

(i) No Mitigation; No Offset. Upon any termination of the Term and your employment with TPG, you shall be under no obligation to seek other employment or otherwise mitigate the obligations of any of the TPG Entities, and there shall be no offset against amounts or benefits due to you under this Agreement or otherwise on account of any remuneration or other benefit earned or received by you by a third party after such termination. Any amounts due under this Section 12 are considered to be reasonable by the Parties and not in the nature of a penalty.

(j) Resignation from Office. Promptly upon any termination of the Term and your employment with TPG in accordance with this Agreement, you will, upon request of the New TPG Parties, resign from any positions, duties or authorities (including any board memberships) that you hold by virtue of this Agreement or your provision of services to any of the TPG Entities.

(k) Release Condition. You shall be entitled to the benefits provided under Sections 12(a), 12(b), 12(c), 12(d) and 12(g), and any applicable corresponding sections of your equity grant documentation only if you execute and deliver to the New TPG Parties within 40 days following the Termination Date, a Mutual Release in substantially the form attached to this Agreement as Exhibit D, and thereafter you do not revoke the Mutual Release (the "Release Condition"). Notwithstanding the foregoing, the Mutual Release will become null and void if not countersigned by the New TPG Parties, and returned to you, within fifteen days after it is received by the New TPG Parties, although the Release Condition will nevertheless be deemed to have been satisfied by you.

13. Confidentiality Obligations and Restrictive Covenants. From and after the Effective Date, you will (subject to the provisions of this Section 13) be bound by the provisions of Article IX of the TPG Partner Holdings LPA as if such provisions were expressly set forth in this Agreement and shall not engage in Competition within the meaning of the GP LLC Agreement (such obligations, the "Restrictive Covenants"). Notwithstanding anything in this Agreement, the TPG Partner Holdings LPA, the GP LLC Agreement or any other Governance Document, any TPG Arrangement, or elsewhere to the contrary, shall (a) restrict you from soliciting for hire, or hiring, any individual who has served as your secretary or other personal assistant, (b) subject to Section 4 hereof, restrict you from providing the services to those entities listed on Exhibit C in a substantially similar manner as you currently provide to such organizations, so long as the provision of such services does not in any way conflict with or interfere with your obligations under Section 4 hereof and in no event will you be permitted or obligated to offer to any such organization, without the prior written consent of TPG, any investment or corporate opportunity of which you become aware, (c) prohibit you from making reports of possible violations of federal law or regulation to any governmental agency or entity in accordance with the provisions of and rules promulgated under Section 21F of the Securities Exchange Act of 1934 (the "Exchange Act") or Section 806 of SOX, or of any other whistleblower protection provisions of federal law or regulation, or (d) require notification or prior approval by TPG Inc. or any other TPG Entity of any reporting described in clause (c); provided, that you are not authorized to disclose communications with counsel to TPG that were made for the purpose of receiving legal advice or that contain legal advice in connection with matters relating to TPG or that are protected by the attorney work product or similar privilege relating to TPG. For the avoidance of doubt, the Parties agree that the provisions of this Section 13 are intended to supersede any contrary provisions in any Governance Document or other TPG Arrangement.

14. Reimbursement of Legal Fees. As soon as reasonably practicable following delivery to TPG of reasonable supporting documentation, TPG will directly pay your legal fees or charges incurred in connection with the negotiation, documentation and implementation of this Agreement and the arrangements described in it. For the avoidance of doubt, you will not be entitled to any gross-up or other additional payment in connection with such legal fee reimbursement.

15. Indemnification.

(a) If you are made a party, or threatened to be made a party, or reasonably anticipate being made a party, to any Proceeding by reason of the fact that you are or were a director, officer, member, employee, agent, manager, trustee, consultant or representative of any TPG Entity or are or were serving at the request of any TPG Entity, or in connection with your service for any TPG Entity, as a director, officer, member, employee, agent, manager, trustee, consultant or representative of another Person, or if any Claim is made, is threatened to be made, or is reasonably anticipated to be made, that arises out of or relates to your service in any of the foregoing capacities, then you shall promptly be indemnified and held harmless to the fullest extent permitted or authorized in any applicable Governance Document or TPG Arrangement, or if greater, by applicable law, against any and all costs, expenses, liabilities and losses (including, without limitation, attorneys' and other professional fees and charges, judgments, interest, expenses of investigation, penalties, fines, ERISA excise taxes or penalties and amounts paid or to be paid in settlement, in each case to the extent permitted by law) incurred or suffered by you in

connection therewith or in connection with seeking to enforce your rights under this Section 15(a), and such indemnification shall continue even if you have ceased to be a director, officer, member, employee, agent, manager, trustee, consultant or representative of any TPG Entity and shall inure to the benefit of your heirs, executors and administrators. You shall be entitled to prompt advancement of any and all costs and expenses (including, without limitation, attorneys' and other professional fees and charges) you reasonably incur in connection with any such Proceeding or Claim, or in connection with seeking to enforce your rights under this Section 15(a), any such advancement to be made within 15 days after you give written notice, supported by reasonable documentation, requesting such advancement to the New TPG Parties. Such notice shall include an undertaking by you to promptly repay the amount advanced if you are ultimately determined not to be entitled to indemnification against such costs and expenses. Nothing in this Agreement shall operate to limit or extinguish any right to indemnification, advancement of expenses, or contribution that you would otherwise have (including, without limitation, by the Reorganization Agreement or any other agreement or under applicable law).

(b) A directors' and officers' liability insurance policy (or policies) providing coverage to you that is commensurate with the coverage provided to other current and former senior leaders shall be kept in place during the Term and your employment with TPG and thereafter until the December 31st following the seventh anniversary of your Termination Date.

16. Tax Matters.

(a) Any TPG Entity may withhold from any amounts payable to you hereunder all federal, state, city or other taxes that are required to be withheld pursuant to any applicable law or regulation (it is understood that you will be responsible for payment of all taxes in respect of the payments and benefits provided to you, except to the extent withheld pursuant to this Section 16). This Agreement and the payments and benefits provided under it are intended to be exempt from or comply with (so as to avoid the imposition of any "additional tax") Sections 409A and 457A of the Internal Revenue Code of 1986, as amended (the "Code"), and shall be construed and operated accordingly. Notwithstanding anything herein to the contrary, if at the time of your separation from service, as determined under Section 409A of the Code, the New TPG Parties have determined that you are a "specified employee" as defined in Section 409A of the Code and the deferral of the commencement of any payments or benefits otherwise payable hereunder as a result of such separation is necessary in order to prevent any accelerated or additional tax under Section 409A of the Code, then the New TPG Parties will defer the commencement of the payment of any such payments or benefits hereunder (without any reduction in such payments or benefits ultimately paid or provided to you) until the date that is six months and one day after your separation from service (or the earliest date as is permitted under Section 409A of the Code). If payments under this Agreement are deferred to prevent any accelerated tax or additional tax under Section 409A of the Code, then such payments shall be paid at the time specified herein without interest. In no event shall any TPG Entity be liable for the payment of, or gross up in connection with, any taxes and or penalties owed by you pursuant to Section 409A or 457A of the Code or any other similar state or local laws. For purposes of Section 409A of the Code, the right to a series of installment payments under this Agreement or any TPG Arrangement shall be treated as a right to a series of separate payments, and references herein to your "termination of employment" shall refer to your "separation from service" within the meaning of Section 409A of the Code. Notwithstanding anything to the contrary herein, except to the extent any expense, reimbursement

or in-kind benefit provided pursuant to this Agreement or any TPG Arrangement does not constitute a "deferral of compensation" within the meaning of Section 409A of the Code: (a) the amount of expenses eligible for reimbursement or in-kind benefits provided to you during any calendar year will not affect the amount of expenses eligible for reimbursement or in-kind benefits provided to you in any other calendar year, (b) the reimbursements for expenses for which you are entitled to be reimbursed shall be made on or before the last day of the calendar year following the calendar year in which the applicable expense is incurred, and (c) the right to payment or reimbursement or in-kind benefits hereunder may not be liquidated or exchanged for any other benefit. In no event shall you be obligated to provide services for any TPG Entity after the Termination Date that are inconsistent with your having had a "separation from service" from all TPG Entities on or before the Termination Date.

(b) If any payment or benefit you will or may receive from TPG under this Agreement or otherwise (a "280G Payment") would (x) constitute a "parachute payment" within the meaning of Section 280G of the Code, and (y) but for this sentence, be subject to the excise tax imposed by Section 4999 of the Code (the "Excise Tax"), then each such 280G Payment (collectively, the "Payments") shall be reduced to the extent necessary for the Payments to equal, in the aggregate, the Reduced Amount. The "Reduced Amount" shall be either (1) the largest portion of the Payments that would result in no Excise Tax on the Payments (after reduction), or (2) the total Payments, whichever amount (*i.e.*, the amount determined by clause (1) or by clause (2)), after taking into account all applicable federal, state, and local employment taxes, income taxes, and the Excise Tax (all computed at the highest applicable marginal rate), results in your receipt, on an after-tax basis, of the greater economic benefit notwithstanding that all or some portion of the Payments may be subject to the Excise Tax. If a reduction in the Payments is required pursuant to the preceding sentence and the Reduced Amount is determined pursuant to clause (1) of the preceding sentence, the reduction shall occur in the manner (the "Reduction Method") that results in the greatest economic benefit for you. If more than one method of reduction will result in the same economic benefit, the items so reduced will be reduced pro rata (the "Pro Rata Reduction Method").

(c) Notwithstanding any provision of Section 16(b) to the contrary, if the Reduction Method or the Pro Rata Reduction Method would cause any portion of the Payments to be subject to taxes pursuant to Section 409A, and any state law of similar effect that would not otherwise be subject to taxes pursuant to Section 409A, then the Reduction Method and/or the Pro Rata Reduction Method, as the case may be, shall be modified so as to avoid the imposition of taxes pursuant to Code Section 409A, after considering the following: (x) as a first priority, the modification shall preserve to the greatest extent possible, the greatest economic benefit for you as determined on an after-tax basis; (y) as a second priority, Payments that are contingent on future events shall be reduced (or eliminated) before Payments that are not contingent on future events; and (z) as a third priority, Payments that are "deferred compensation" within the meaning of Section 409A shall be reduced (or eliminated) before Payments that are not deferred compensation within the meaning of Section 409A.

(d) It is possible that after the determinations and selections under Section 16(b) and (c) are made, you will receive Total Payments that are, in the aggregate, either more or less than the amount provided under Section 16(b) (hereafter referred to as an "Excess Payment" or "Underpayment," respectively). If it is established, pursuant to a final determination of an arbitrator, court or an Internal Revenue Service proceeding that has been finally and conclusively resolved, that an Excess Payment has been made, such Excess Payment shall be deemed for all purposes to be a loan to you made on the date you received the Excess Payment, and you shall promptly repay the Excess Payment to TPG, together with interest on the Excess Payment at the applicable federal rate (as defined in and under Section 1274(d) of the Code) from the date of your receipt of such Excess Payment until the date of such repayment. In the event that it is determined by an arbitrator, court or the Auditor upon request by any of the parties, that an Underpayment has occurred, TPG shall promptly pay an amount equal to the Underpayment to you, together with interest on such amount at the applicable federal rate from the date such amount would have been paid to you had the provisions of Section 16(b) not been applied until the date of payment.

(e) TPG shall appoint a nationally recognized accounting firm, law firm or consultancy to make the determinations required by this Section 16 and shall, to the extent consistent with Section 280G of the Code, all reductions to the value of payments that might otherwise qualify as a "parachute payments" under such Section (including the value of noncompetition restrictions and reasonable compensation for pre-and post-change in control services). TPG shall bear all expenses with respect to the determinations by such accounting firm, law firm or consultancy required to be made hereunder.

17. Arbitration.

(a) Any dispute, controversy or Claim between you (or any of your beneficiaries or transferees) and any TPG Entity that arises out of, or relates to, this Agreement, any Governance Document or TPG Arrangement, your services for any TPG Entity or any termination of your services for any TPG Entity (a "Covered Claim") shall, except to the extent otherwise provided in Section 17(b) or 17(c) with respect to certain claims for provisional or injunctive relief, be settled exclusively by *de novo* arbitration administered by the American Arbitration Association in accordance with its Commercial Arbitration Rules (the "AAA Rules") and this Section 17 by a panel of three arbitrators (the "Arbitral Tribunal") and carried out in Fort Worth, Texas. The Arbitral Tribunal shall authorize the parties to any arbitration to conduct a reasonable amount of discovery, including (without limitation) depositions to the extent that the Arbitral Tribunal deems appropriate. Notwithstanding anything to the contrary in this Agreement or elsewhere, the arbitration provisions set forth in this Section 17, and any arbitration conducted thereunder, shall be governed exclusively by the Federal Arbitration Act, Title 9, United States Code and the AAA Rules, to the exclusion of any state or municipal law of arbitration. Except as set forth in Section 17(f), the parties involved in any arbitration hereunder will share all costs of such arbitration, provided that the Arbitral Tribunal may award costs to the party prevailing on a majority of the claims from an economic perspective.

(b) By agreeing to arbitration, the Parties do not intend to deprive any court with jurisdiction of its ability to issue a preliminary injunction, attachment or other form of provisional remedy in aid of the arbitration, and a request for such provisional remedies by any Person to a court shall not be deemed a waiver of this agreement to arbitrate. The Arbitral Tribunal shall have the authority to grant provisional remedies, including, without limitation, injunctive relief, to the extent permitted under applicable law.

(c) Except as may be required by applicable law or court order, the Parties agree that they, and their Affiliates, will maintain confidentiality as to all aspects of any arbitration or court proceeding under this Section 17, including its existence and results, except that nothing herein shall prevent any Person from disclosing information regarding the arbitration for purposes of enforcing the award or in any court proceeding involving the parties. The Parties further agree to use their best reasonable efforts to obtain the agreement of any Arbitral Tribunal or court, as applicable, to preserve the confidentiality of any proceedings before it.

(d) Any award rendered by an Arbitral Tribunal shall be final and binding on the parties to the arbitration. Judgment on any award may be entered in any court of competent jurisdiction. The Parties hereto waive, to the fullest extent permitted by law, any rights to appeal to, or to seek review of such award by, any court.

(e) Notwithstanding anything in this Section 17 to the contrary, the TPG Entities shall each, as applicable, be entitled to seek injunctive relief from any court of competent jurisdiction for any violation of the Restrictive Covenants.

(f) In respect of any Covered Claims that are brought within 12 months following the Termination Date, promptly following (but not later than fifteen business days after) receiving appropriate supporting documentation, the New TPG Parties shall directly pay (or reimburse you or your beneficiaries or transferees, as applicable, for) any professional fees or other charges incurred by you or your beneficiaries or transferees in connection with a Covered Claim or Covered Claims, subject to repayment by you or your beneficiaries or transferees, as the case may be, promptly following (but not later than fifteen days after) any final determination by a court, company, arbitration, or arbitral panel that you or your beneficiaries or transferees, as the case may be, have not substantially prevailed (as determined based on the economic value of the Covered Claim or Covered Claims) with respect to a majority of Covered Claims.

18. Representations.

(a) You represent and warrant that as of the Effective Date: (i) neither the execution and delivery of this Agreement nor the performance of your duties under it violates or will violate the provisions of any other written agreement to which you are a party or by which you are bound or become bound, and (ii) there are no written agreements by which you are bound that would prevent you from performing your duties hereunder.

(b) The New TPG Parties each represent and warrant that as of the Effective Date: (i) it is fully authorized by action of any Person or body whose action is required to enter into this Agreement and to perform the obligations set forth in it; (ii) the execution, delivery and performance of this Agreement by it will not violate any applicable law, regulation, order, judgment or decree or any Governance Document or TPG Arrangement; and (iii) upon the execution and delivery of this Agreement by each of the New TPG Parties, this Agreement shall be its valid and binding obligation, enforceable against it in accordance with its terms, except to the extent that enforceability may be limited by applicable bankruptcy, insolvency or similar laws affecting the enforcement of creditors' rights generally.

19. Assignability; Binding Nature.

(a) This Agreement shall be binding upon and inure to the benefit of the Parties and their respective successors, heirs (in your case) and permitted assigns, including any successor entities to TPG Partners, LLC.

(b) No rights or obligations of any TPG Entity under this Agreement may be assigned or transferred by such TPG Entity (each a "Transferor") except that such rights and obligations may be assigned or transferred pursuant to a merger, consolidation or other combination in which the Transferor is not the continuing entity, or a sale or liquidation of all or substantially all of the business and assets of the Transferor; provided that the assignee or transferee is the successor to all or substantially all of the business and assets of the Transferor and such assignee or transferee expressly assumes the liabilities, obligations and duties of the Transferor as set forth in this Agreement. In the event of any merger, consolidation, other combination, sale of business and assets, or liquidation as described in the preceding sentence, the Transferor shall use its best reasonable efforts to cause such assignee or transferee to promptly and expressly assume the liabilities, obligations and duties of the Transferor hereunder.

(c) None of your rights or obligations under this Agreement may be assigned or transferred by you other than your rights to compensation and benefits, which may be transferred only by will or by operation of law, except to the extent otherwise provided in Section 20(e).

20. Miscellaneous.

(a) Entire Agreement. Subject to the terms of Section 1, this Agreement (together with the other documents expressly referenced herein) incorporates the Parties' entire understanding with respect to its subject matter, and supersedes all prior agreements between the Parties with respect to its subject matter including, without limitation, the employment terms and restrictive covenants set forth in the 2015 Employment Agreement. You shall have no further rights or obligations under the 2015 Employment Agreement.

(b) Amendment or Waiver. No provision in this Agreement may be amended unless such amendment is set forth in a writing that expressly refers to the provision of this Agreement that is being amended and that is signed by you and by an authorized (or apparently authorized) representative of each New TPG Party. No waiver by any Person of any breach of any condition or provision contained in this Agreement shall be deemed a waiver of any similar or dissimilar condition or provision at the same or any prior or subsequent time. To be effective, any waiver must be set forth in a writing signed by the waiving Person and must specifically refer to the condition(s) or provision(s) of this Agreement being waived.

(c) Inconsistencies. In the event of any inconsistency between any provision of this Agreement, on the one hand, and any provision of any TPG Arrangement, Governance Document, the GP LLC Agreement, any award agreement, or any other plan, program, agreement or arrangement, whether referred to herein or not and whether entered into prior to the Effective Date or after the Effective Date, on the other hand, the provisions of this Agreement shall govern, control and prevail, unless you specifically agree in a written acknowledgment that expressly refers to the provisions of this Agreement whose control you are waiving.

(d) Headings. The headings of the sections and sub-sections contained in this Agreement are for convenience only and shall not be deemed to control or affect the meaning or construction of any provision of this Agreement.

(e) Beneficiaries/References. You shall be entitled, to the extent permitted under applicable law and any applicable Governance Document or TPG Arrangement, to select and change a beneficiary or beneficiaries to receive any compensation or benefit under any Governance Document or TPG Arrangement following your death by giving written notice thereof to the New TPG Parties. In the event of your death or a judicial determination of your incompetence, references in this Agreement to you shall be deemed, where appropriate, to refer to your beneficiar(ies), transferee(s), heir(s), estate, executor(s), or other legal representative(s).

(f) Survivorship. Except as otherwise set forth in this Agreement, the respective rights and obligations of the Parties hereunder shall survive any termination of the Term.

(g) Joint and Several Obligations. All obligations of the New TPG Parties under this Agreement shall, except as otherwise expressly provided in this Agreement, be joint and several. TPG Holdings unconditionally guarantees prompt performance by TPG Global of its obligations to you, whether under this Agreement or otherwise.

(b) "Affiliate" of an individual or entity shall mean any individual or entity that directly or indirectly controls, is controlled by, or is under common control with, such individual or entity.

(c) "Annual Equity Award Value" shall mean, with respect to an RSU or other PubCorp Equity Award granted in respect of a Compensation Year, the grant date value of such award determined under ASC 718 as if the relevant grant date was December 31 of such Compensation Year, and in each case irrespective of whether such awards are granted in such Compensation Year or the subsequent year.

(d) "ASC 718" shall mean Financial Accounting Standards Board ASC Topic 718.

(e) "Authorized Body" shall mean (i) prior to the Sunset, the Control Group (excluding you while you are a member) and the Compensation Committee and (ii) following the Sunset, a majority vote of the full Board.

(f) "Baseline Total Annual Incentive Compensation" with respect to any given Compensation Year shall mean the sum of:

(i) the highest annual incentive award from the Carry Pool (including the Annual Equity Award Value of the Carry Pool Equity Awards issued in connection therewith, irrespective of whether such awards are granted in such Compensation Year or the subsequent year) determined for any TPG partner (other than you and the Executive Chairman) for such Compensation Year (including Standard Carry Pool Awards but excluding Top-Up Carry Pool Awards and Special Purpose Carry Pool Awards) (the "Bonus Component");

(ii) 120% of the average of the Benchmark Compensation of the four (4) TPG partners with the highest Benchmark Compensation for such Compensation Year, with "Benchmark Compensation" meaning, for each TPG partner, the sum of:

a. Fifty percent (50%) of the DAWPY for such Compensation Year;

b. One hundred percent (100%) of the (x) Annual Equity Award Value of any annual grants of RSUs or other PubCorp Equity Awards (including Basic IPO Grants, but excluding Special IPO Grants, Special Purpose PubCorp Equity Awards and Standard Carry Pool Equity Awards) for the Compensation Year, irrespective of whether such awards are granted in the Compensation Year or the subsequent year, and, if applicable, (y) Deemed ASC Topic 718 Multiyear Grant Expense in the Compensation Year;

c. Any Top-Up Carry Pool Awards for the Compensation Year; and

(iii) Any other annual award paid to any TPG partner that is intended to replace or supplement DAWPY and/or the annual incentive award from the Carry Pool, the inclusion and amounts of which shall be reasonably determined in good faith by the Chief Human Resources Officer and the Compensation Committee in consultation with you.

(g) "Basic IPO Grants" shall mean, collectively, (i) the "Additional TPG Partner Units," as defined in the TPG Inc. Registration Statement on Form S-1 (the "S-1"), and (ii) the RSUs described in the S-1 to be issued shortly following the closing of the IPO to certain TPG partners (other than "named executive officers" listed in the S-1 or directors) and other professionals.

(h) "Carry Pool Equity Awards" shall mean the RSUs and other PubCorp Equity Awards granted in connection with distributions from the Carry Pool for a given Compensation Year.

(i) "Cause" shall mean your (i) indictment for a felony or other crime involving moral turpitude, (ii) a material breach by you of a material term of this Agreement (including the Restrictive Covenants) or any Governance Document; (iii) willful refusal to perform your duties and responsibilities under this Agreement (other than as a result of death or Disability) that causes or is reasonably likely to cause material economic or reputational harm to TPG; or (iv) gross negligence in connection with your employment that causes or is reasonably likely to cause material economic or reputational harm to TPG. For purposes of this definition, an act, or a failure to act, shall not be deemed willful or intentional, unless it is done, or omitted to be done, in bad faith or without a reasonable belief that the action or omission was in the best interest of TPG.

(j) "Change in Control" means, except as otherwise provided in an award agreement issued to you under the Omnibus Plan, the occurrence of any of the following events:

(i) any Person or any group of Persons acting together that would constitute a "group" for purposes of Section 13(d) of the Exchange Act (excluding (x) a corporation or other entity owned, directly or indirectly, by the shareholders of the Company in substantially the same proportions as their ownership of stock of the Company, (y) Permitted Investors or (z) a Person or group of Persons in which one or more Affiliates of Permitted Investors, directly or indirectly, hold Beneficial Ownership of securities representing more than 50% of the total voting power in such Person or held by such group (including TPG GP A, LLC, collectively, "Permitted Acquirers")) is or becomes the Beneficial Owner, directly or indirectly, of securities of the Company representing more than 50% of the combined voting power of the Company's then outstanding voting securities; or

(ii) the following individuals cease for any reason to constitute a majority of the number of Directors then serving: (x) on or before the Sunset, individuals who, on the Effective Date, constitute the Board and any new Director elected by the Company's shareholders and (y) following the Sunset, individuals who, as of the Sunset, constitute the Board and any new director whose appointment or election by the Board or nomination for election by the Company's shareholders was approved or recommended by a vote of at least a majority of the Directors then still in office who either were Directors on the Effective Date or whose appointment, election or nomination for election was previously so approved or recommended by the Directors referred to in this subclause (y); or

(iii) there is consummated a merger or consolidation of the Company with any other corporation or other entity and, immediately after the consummation of such merger or consolidation, either (x) the Board immediately prior to the merger or consolidation does not constitute at least a majority of the board of directors of the company surviving the merger or, if the surviving company is a Subsidiary, the ultimate parent thereof, or (y) the voting securities of the Company (including Common Units exchangeable to any voting securities of the Company pursuant to the Exchange Agreement on an as-exchanged basis) immediately prior to such merger or consolidation do not continue to represent or are not converted into more than 50% of the combined voting power of the then outstanding voting securities of the Person resulting from such merger or consolidation or, if the surviving company is a Subsidiary, the ultimate parent thereof; or

(iv) except as may otherwise be determined by the Committee, any Person or any group of Persons acting together that would constitute a "group" for purposes of Section 13(d) of the Exchange Act, other than a Permitted Acquirer (x) becomes the Beneficial Owner of the Company's securities, directly or indirectly, having more than 30% of the total voting power of the then outstanding securities of the Company that may be cast for the election of Directors of the Company and (y) Beneficially Owns more of such total voting power than is Beneficially Owned by any Permitted Acquirer; or

(v) the shareholders of the Company approve a plan of complete liquidation or dissolution of the Company or there is consummated an agreement or series of related agreements for the sale, lease or other disposition, directly or indirectly, by the Company of all or substantially all of the Company's assets, other than such sale or other disposition by the Company of all or substantially all of the Company's assets to an entity at least 50% of the combined voting power of the voting securities of which are owned by shareholders of the Company in substantially the same proportions as their ownership of the Company immediately prior to such sale.

Notwithstanding the foregoing, (A) the Sunset in and of itself shall not constitute a "Change in Control" and (B) except with respect to clause (ii) and clause (iii)(x) above, a "Change in Control" shall not be deemed to have occurred by virtue of the consummation of any transaction or series of integrated transactions immediately following which the holders of the shares of the Company (including Common Units exchangeable to any shares of the Company pursuant to the Exchange Agreement on an as-exchanged basis) immediately prior to such transaction or series of transactions continue to have substantially the same proportionate ownership in, and voting control over, and own substantially all of the shares of, an entity which owns, directly or indirectly, all or substantially all of the assets of the Company immediately following such transaction or series of transactions. For purposes of this definition of Change in Control, (x) capitalized terms used but not defined shall have the meaning ascribed to such terms in the Omnibus Plan, and (y) references to "the Company's stock/securities" or "stock/securities of the Company" shall include, for the avoidance of doubt, Common Units or other securities or rights of any entity that are convertible into, or exercisable or exchangeable for, the Company's stock or other securities. To the extent that any payment or benefit granted under the Omnibus Plan constitutes "non-qualified deferred compensation" subject to Code Section 409A, and to the extent that such payment or benefit is payable upon the termination of your employment, then such payments or benefits shall be payable only upon a "change in control" as defined in Code Section 409A.

(n) "Deemed ASC Topic 718 Multiyear Grant Expense" shall mean, with respect to a Compensation Year, the accounting expense under ASC Topic 718 that would have been charged in that Compensation Year had the grant date of a Multiyear Grant for purposes of ASC Topic 718 been in the first Compensation Year for which the Multiyear Grant was granted, irrespective of whether such Multiyear Grant was granted in such Compensation Year or the subsequent year.

(iv) any material breach by any TPG Entity of any material obligation or representation to you, including without limitation, the obligations and representations of the TPG Entities set forth in this Agreement (it being understood and agreed that any failure by TPG to comply with the provisions of Section 2 or Section 4 shall be deemed a material breach of a material obligation under this Agreement); or

(v) any failure of any TPG Entity to obtain the assumption in writing of its obligations under this Agreement by any successor to all or substantially all of its business or assets in connection with, and within 30 days after, any Change of Control.

(s) "Multiyear Grant" shall mean a PubCorp Equity Award or other long-term incentive award (other than a Special IPO Grant) that is not intended as part of annual compensation for a single Compensation Year, but rather is intended to replace or supplement annual PubCorp Equity Awards over a multi-Compensation Year period; it being understood and agreed that the determination of whether an award is an annual award or a Multiyear Grant shall be determined in good faith by the Compensation Committee after taking into account your recommendation and, if the Compensation Committee has retained an independent compensation consultant, also the recommendation of the consultant.

FORM OF MUTUAL RELEASE

This mutual release of claims (this "Release") is made and entered into by and between the New TPG Parties and (the "Executive"), in connection with the termination of the Term under the letter agreement between the New TPG Parties and the Executive dated December ____, 2021, as amended from time to time in accordance with its terms (the "Employment Agreement"). Capitalized terms that are not defined in this Release shall have the meaning ascribed to them in the Employment Agreement.

1. Executive Release.

(a) The Executive, on behalf of himself, his heirs, beneficiaries, transferees, executors, administrators and legal representatives (collectively, the "Executive Parties"), irrevocably and unconditionally releases, waives, and forever discharges each of the TPG Entities, and each of the directors, officers, partners, employees, consultants, and representatives of each of the TPG Entities (collectively, the "TPG Released Parties"), from any and all claims, actions, causes of action, rights, judgments, obligations, damages, demands, accountings or liabilities of whatever kind or character, whether known or unknown, whether now existing or hereafter arising, at law or in equity that arise out of or relate to: the Employment Agreement; any other TPG Arrangement; your equity grant documentation; the Executive's services for any TPG Entity; or the termination of any such services (collectively, "Released Claims") that the Executive may have, or may have had at any time in the past, including without limitation any such Released Claims that are based on Title VII of the Civil Rights Act of 1964; the Americans With Disabilities Act; the Fair Labor Standards Act; the Equal Pay Act; the Family and Medical Leave Act; the Employee Retirement Income Security Act of 1974 (except as to claims pertaining to vested benefits under employee benefit plans maintained by the TPG Released Parties); the Occupational Safety and Health Act; the Worker Adjustment and Retraining Notification Act; Texas Labor Code, including the Texas Commission on Human Rights and Section 451.001 of the Texas Workers' Compensation Act; the National Labor Relations Act; the Immigration Reform and Control Act; the California Constitution; the California Fair Employment and Housing Act; the California Civil Code; the California Labor Code; any common law, public policy, contract (whether oral or written, express or implied) or tort law; and any other local, state, federal or foreign law, regulation or ordinance. In addition, the Executive expressly waives and relinquishes all rights and benefits afforded by California Civil Code section 1542 and do so understanding and acknowledging the significance of such specific waiver of section 1542. Section 1542 states as follows: "A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR". Thus, notwithstanding the provisions of section 1542, and for the purpose of implementing a full and complete release and discharge of the TPG Released Parties, you expressly acknowledge that this Release is intended to include in its effect, without limitation, all Released Claims that the Executive does not know or suspect to exist in the Executive's favor at the time of execution hereof, and that this Release extinguishes all such Released Claims.

(b) Notwithstanding the foregoing, the release granted under Section 1(a) specifically excludes:

(i) any rights to unemployment, state disability and/or paid family leave insurance benefits pursuant to the terms of applicable law;

(ii) any violation of any federal, state or local statutory and/or public policy right or entitlement that, by applicable law, may not be waived;

(iii) any rights of the Executive Parties that arise under, or are preserved by, the Employment Agreement, the Governance Documents or any TPG Arrangement;

(iv) any Claim for indemnification or under any directors and officers insurance policy;

(v) any Claim that is based on the rights of any of the Executive Parties as an equity holder in TPG; and

(vi) any Claim that is based on criminal misconduct or willful gross misconduct; and

(vii) any Claim that is based on any act or omission that occurs after the date the Executive executes and delivers this Release.

(c) In addition to the foregoing, nothing in this Release shall prevent or prohibit the Executive from filing a claim with a government agency, such as the U.S. Equal Employment Opportunity Commission, that is responsible for enforcing a law on behalf of the government. However, the Executive understands that, because he is waiving and releasing all claims "for monetary damages and any other form of personal relief", the Executive may only seek and receive non-personal forms of relief through any such claim.

(d) The Executive agrees to promptly indemnify and hold each of the TPG Released Parties harmless from any liabilities, costs or obligations with respect to any Claim that is covered by the release set forth in this Section 1 but is nonetheless brought by any Executive Party against any TPG Released Party (including, without limitation, any attorney's fees or other charges incurred in defending against any such Claim).

2. TPG Release.

(a) The New TPG Parties, on their own behalf and on behalf of each of the other TPG Released Parties, hereby release the Executive Parties from any and all Released Claims that any of the TPG Released Parties have, or may have had at any time in the past.

(b) Notwithstanding the foregoing, the release granted under Section 2(a) specifically excludes:

(i) any violation of any federal, state or local statutory and/or public policy right or entitlement that, by applicable law, may not be waived;

(ii) any rights of any of the TPG Released Parties to enforce prospectively any obligation of the Executive Parties under the Employment Agreement or under any other TPG Arrangement;

(iii) any obligation or requirement to seek disgorgement or recovery of compensation under applicable federal, state or local law;

(iv) any Claim that is based on criminal misconduct or willful gross misconduct; and

(v) any Claim that is based on any act or omission that occurs after the date that the Executive has executed, and delivered, this Release.

(c) The New TPG Parties agree to promptly indemnify and hold each of the Executive Parties harmless from any liabilities, costs or obligations with respect to any Claim that is covered by the release set forth in this Section 2 but is nonetheless brought by any TPG Released Party against any Executive Party (including, without limitation, any attorney fees or other charges incurred in defending against any such Claim).

3. No Admission of Liability.

(d) The Executive understands and agrees that this Release shall not in any way be construed as an admission by any of the New TPG Parties of any unlawful or wrongful acts whatsoever against the Executive or any other Person.

(e) Each of the New TPG Parties understands and agrees that this Release shall not in any way be construed as an admission by the Executive of any unlawful or wrongful acts whatsoever against the New TPG Parties or any other Person.

4. Time to Consider Release. The Executive acknowledges that he has been advised in writing by the New TPG Parties that he should consult an attorney before executing this Release, and he further acknowledges that he has been given a period of at least twenty-one (21) calendar days within which to review and consider the provisions of this Release.

5. Revocation Period. The Executive understands and acknowledges that he has seven (7) calendar days following his execution and delivery of this Release to revoke this Release. This Release will not become effective or enforceable until after the seven (7) day period to revoke this Release has expired without the Executive's revocation. Any such revocation must be made in a signed letter executed by the Executive and received by the Company at the following address no later than 5:00 p.m., New York time, on the seventh day after the Executive executed this letter: TPG Holdings, L.P., 301 Commerce Street, Suite 3300, Fort Worth, TX 76102, Attn: General Counsel.

6. Automatic Revocation. This Release shall become null and void if not countersigned by an authorized officer of each of the New TPG Parties, and returned to Executive, within ten (10) days after it is signed by Executive, and delivered to the New TPG Parties in accordance with the notice provisions in the Employment Agreement.

7. Miscellaneous. The following provisions of the Employment Agreement, as in effect on the Effective Date, shall be deemed to be incorporated into this Release as if set forth verbatim in it, except that references to the "Effective Date" in those provisions shall be deemed to be references to the date on which this Release becomes irrevocable by the Executive, and reference to "you" shall be deemed to be reference to the Executive: Section 16 (relating to representations), Section 17 (relating to assignability), Section 18(b) (relating to amendments and waivers), Section 18(c) (relating to inconsistencies), Section 18(d) (relating to headings), Section 18(e) (second sentence only, relating to the Executive's death or incapacity), Section 19 (relating to notices), Section 20 (relating to applicable law), Section 21 (relating to rules of construction), Section 22 (relating to severability) and Section 23 (relating to counterparts).

As evidenced by the signatures below, the Executive and the individuals executing this Release for the New TPG Parties each certify that he/she has read this Release and understands and agrees to its terms.

EXECUTION COPY

December 15, 2021

James Coulter

Dear Jim:

In anticipation of the initial public offering (the "IPO") of TPG Partners, LLC (and, following its incorporation, TPG Inc., hereinafter defined as "TPG Inc." or "PubCorp"), you, TPG Global, TPG Holdings, TPG Partner Holdings, TPG Partner Holdings GP, and TPG Inc. (referred to herein collectively as the "TPG Parties") mutually desire to continue your employment and to enter into an employment agreement (this "Agreement") upon the terms and conditions specified herein. The TPG Parties, TPG Operating Group, their Affiliates, and the successors and assigns of their Affiliates, are referred to collectively in this Agreement as "TPG" or the "TPG Entities." Capitalized terms used but not defined in the body of this Agreement shall be defined as set forth in Exhibit A.

In consideration of the premises and mutual promises made, and for other good and sufficient consideration, the receipt and sufficiency of which are hereby acknowledged, the parties to this Agreement (individually, a "Party," collectively, the "Parties") hereby agree as follows:

1. Effectiveness. This Agreement shall become effective upon the consummation of the IPO (the "Effective Date"), and the effectiveness of this Agreement is contingent upon the consummation of the IPO. In the event the IPO is not consummated, this Agreement shall be null and void with no force or effect.

2. Positions; Direct Employer; Location. During the Term (as defined below) (including, for purposes of this Section 2, through the Termination Date following your delivery of a Notice of Termination that constitutes an Orderly Retirement under Section 10(b)(v)), you will hold the position of Founder and Executive Chairman of TPG Inc. and following the date that David Bonderman is no longer employed by or providing services to TPG, you will hold the position of Founder and Chairman. At your election, you may also hold the position (i) as a member of the board of directors of TPG Inc. (the "Board"), (ii) as a voting member of the Executive Committee of the Board for so long as that committee remains in existence as a committee principally comprised of non-independent directors and (iii) as a voting member of any other committee of the Board, unless such committee must be comprised solely of independent directors as required by law or listing standards, such as the Audit Committee, the Compensation Committee, or the Conflicts Committee. During the Term, you will report solely and exclusively to the Board. In addition, you (or an entity controlled by you) will become a member of TPG GP A, LLC ("GP LLC") and its "Control Group" (the "Control Group"), subject to the terms of the Amended and Restated Limited Liability Company Agreement, in substantially the form approved by the Board of Directors of TPG Partners, LLC on December 7, 2021, to be executed in

connection with the IPO in 2022, of GP LLC (the "GP LLC Agreement"). During the Term: (a) you will be directly employed by TPG Global or another TPG Entity (as applicable, the "TPG Employer"); (b) your principal place of employment will be in San Francisco, California (traveling as appropriate in connection with your duties for the TPG Entities); and (c) you will be paid as an employee of the TPG Employer in accordance with the payroll practices of the TPG Employer.

3. Term. Your employment under this Agreement will commence on the Effective Date and will continue thereafter until terminated in accordance with the provisions of Sections 10 and 11 (the "Term").

4. Authority, Duties and Responsibilities. During the Term (including, for purposes of this Section 4, through the Termination Date following your delivery of a Notice of Termination that constitutes an Orderly Retirement under Section 10(b)(v)), you will have the duties, responsibilities, functions and plenary authority as is customarily associated with the executive chairman of a U.S. public company investment firm, including without limitation being subject to and having those responsibilities, functions and powers enumerated in the governing documents of the TPG Entities, including the Certificate of Incorporation, Bylaws, Corporate Governance Guidelines, Executive Committee Charter and Compensation Committee Charter of TPG Inc., and the GP LLC Agreement (the "Governance Documents"). You will devote a substantial majority of your business time and attention to TPG matters, and in any event, sufficient to satisfy the time and attention requirements of the applicable TPG fund documents. A substantial portion of your business time devoted to TPG matters will be spent managing the day-to-day operations of TPG's Rise and Rise Climate platforms with respect to which you will be the sole managing partner of Rise Climate and a managing partner of Rise, and shall have such duties, responsibilities, functions, and authority commensurate with such positions and consistent with past practices. The remainder of your time will be spent providing strategic advice and counsel to TPG's chief executive officer, interfacing with key TPG investors and performing such other duties and responsibilities customarily associated with the executive chairman of a U.S. public company investment firm.

Notwithstanding the foregoing or anything elsewhere to the contrary, you may at all times: (a) engage in charitable, religious and community activities; (b) accept and perform a reasonable number of speaking engagements; (c) manage your personal investments and affairs; (d) engage in investment and other activities that are primarily related to the operation of your family office or that of any of your Related Parties (as that term is defined in the GP LLC Agreement), (e) serve on the boards of a reasonable number of charitable and educational entities; and (f) engage in the activities listed on Exhibit B; provided, that, in the case of each of the foregoing, your activities do not violate any of TPG's internal rules or policies, materially interfere with your carrying out your duties and responsibilities for TPG, or constitute a conflict of interest with respect to TPG's activities. You will at all times during the Term comply in all material respects with all material TPG internal policies, rules and procedures (including all legal and compliance policies, rules and procedures) that have been disclosed or made available to you, and comply with the rules of any regulatory or self-regulatory agency or body of which any TPG Entity is a member or to which it is subject, including the rules applicable to publicly listed companies, in all cases as they may be in effect from time to time and to the extent you are subject to them.

5. Salary. During the Term, your annualized salary will be no less than $500,000 (your "Base Salary"), which will be paid by the TPG Employer in accordance with its customary payroll practices. Your Base Salary will be subject to annual review and potential increase (but not decrease) by the Compensation Committee of the Board (the "Compensation Committee") in its discretion.

6. Determination of Annual Compensation.

(a) For each Compensation Year during the Term (including, for purposes of this Section 6, any year in which you provide a Notice of Termination that constitutes an Orderly Retirement under Section 10(b)(v), but only if your Termination Date in connection with such Orderly Retirement occurs in the year following the year in which you deliver the Notice of Termination for such Orderly Retirement), the Chief Executive Officer of TPG (the "CEO") will determine the annual compensation of all TPG partners (other than you other than members of the Board who are TPG partners and members of the Executive Committee, which shall be determined by the joint approval of you and the CEO) in accordance with the Governance Documents and customary TPG practices. Thereafter, the Chief Human Resources Officer will calculate the CEO Baseline Total Annual Incentive Compensation and will communicate that CEO Baseline Total Annual Incentive Compensation (together with supporting documentation) to you, the CEO, and the Compensation Committee prior to the close of that Compensation Year.

(b) The Compensation Committee, in consultation with the CEO and in accordance with the Compensation Committee Charter (but subject to this Section 6), shall then determine the CEO's Actual Total Annual Incentive Compensation for such Compensation Year, which may be up to 115% of the CEO Baseline Total Annual Incentive Compensation for such Compensation Year, but may not be less than 85% of the CEO Baseline Total Annual Incentive Compensation for such Compensation Year; provided, however, that (x) in the event of the occurrence of extraordinary circumstances having a materially favorable impact on the business of TPG in any Compensation Year, the Compensation Committee may elect to pay CEO more than 115% of the CEO Baseline Total Annual Incentive Compensation for such Compensation Year, and (y) in the event of the occurrence of extraordinary circumstances having a materially adverse impact on the business of TPG in any given Compensation Year, the Compensation Committee may elect to reduce (or waive entirely) the cash portion of any annual incentive award from the Carry Pool (as defined below) that would have otherwise been paid to the CEO for such Compensation Year, even if such reduction results in the CEO's Actual Total Annual Incentive Compensation equaling less than 85% of the CEO Baseline Total Annual Incentive Compensation for such Compensation Year; provided, further, that, any such reduction may not exceed the Bonus Component for such Compensation Year.

(c) The Compensation Committee will communicate the CEO's Actual Total Annual Incentive Compensation to you at the same time such amount is communicated to the CEO. Promptly, and in no event more than five days following determination of the CEO's Actual Total Annual Incentive Compensation for a particular Compensation Year, the Compensation Committee, in consultation with you and in accordance with the Compensation Committee Charter (but subject to this Section 6), shall then determine your Total Annual Incentive Compensation, which you and TPG hereby acknowledge and agree may be no be no greater than 100%, nor less than 85%, of the CEO's Actual Total Annual Incentive Compensation for that Compensation Year.

For each Compensation Year, (x) with the input of the Chief Human Resources Officer, the CEO will make a recommendation to the Compensation Committee as to the various components that will comprise the Actual Total Annual Incentive Compensation to be delivered to you (and the Executive Chairman) for that Compensation Year (with the relative proportions of such components to be generally consistent with past practice), whether through participation in the Carry Pool (including Carry Pool Awards related thereto and any supplemental awards from the Carry Pool) pursuant to Section 7, grants of restricted stock units issued pursuant to the Omnibus Plan ("RSUs") or other PubCorp Equity Awards, or performance allocations pursuant to Section 8, and (y) the Compensation Committee thereafter shall consider the CEO's recommendation in making its discretionary determination as to the various components that will comprise the Actual Total Annual Incentive Compensation to be delivered to you (and the CEO) for that Compensation Year. For the avoidance of doubt, Actual Total Compensation shall not include, and shall be in addition to, your Base Salary for any Compensation Year.

(d) For purposes of this Section 6, your Actual Total Annual Incentive Compensation will (a) include non-pro rata reallocations of distributions (including from vintage shares forfeited by others) and any non-pro rata portion of another current or former TPG Partner's 20% "cutback" that is distributed to you and (b) exclude (i) distributions, dividends or dividend equivalents on PubCorp Equity Awards and TPG Interests previously granted to you, (ii) distributions on "downstairs" promote previously granted to you, (iii) distributed amounts included within the definition of "DAWPY," and (iv) reallocations of forfeited TPG Partner Holdings units following the Effective Date that are part of a pro rata reallocation to "Active Partners" within the meaning of the TPG Partner Holdings LPA ("Pro Rata TPH Reallocations")

(e) Prior to the first anniversary of the Effective Date, as part of the Compensation Committee's responsibilities with respect to your and the CEO's compensation (both annual and long-term), the Compensation Committee will evaluate and determine whether it would be appropriate or desirable to establish a program under the Omnibus Plan pursuant to which additional PubCorp Equity Awards would be granted to you and/or the CEO, and whether such PubCorp Equity Awards should be subject either wholly or in part to performance-based vesting or subject to any other particular terms and conditions.

(f) Notwithstanding anything to the contrary herein or otherwise, if at any time the CEO position is vacant for any reason, (i) the Compensation Committee will negotiate with you in good faith to determine any changes that may be necessary or appropriate to preserve your rights and entitlements and the economic intent of this Section 6, and (ii) if the CEO vacancy exists at the time of the determination of the CEO Baseline Total Annual Incentive Compensation or the CEO's Actual Total Annual Incentive Compensation for any Compensation Year, your Actual Total Annual Incentive Compensation for such Compensation Year (and any subsequent Compensation Year until TPG employs a permanent CEO) shall be no less than your Actual Total Annual Incentive Compensation for the most recently completed Compensation Year prior to the year in which the CEO vacancy occurred.

(g) The TPG Parties hereby agree and acknowledge that they shall not, and shall cause their Affiliates not to, amend the Winkelried Employment Agreement in any manner that could adversely affect your rights or entitlements under this Agreement without your prior written consent, to be provided in your sole discretion.

7. Performance Allocation Pool Program. During the Term, you will be entitled to participate in any performance allocation pool program that TPG implements in connection with the IPO and any successor annual incentive plan that may be adopted thereafter (the "Carry Pool"), distributions from which will be paid in cash and, for 2022, RSUs as provided in any applicable deferral table. For Compensation Years after 2022, TPG also may determine to grant Carry Pool Awards. Carry Pool Awards, whether RSUs or other PubCorp Equity Awards awarded in connection with any distribution from the Carry Pool will vest in equal installments on the first, second and third anniversaries of the date of grant and will otherwise have the terms set forth in the applicable Carry Pool award agreement (but, for the avoidance of doubt, in the event of any inconsistency between any such award agreement and this Agreement, this Agreement shall govern and prevail). You will also be entitled to receive current cash dividend equivalents on all RSUs granted to you (whether or not vested). For each Compensation Year, your distribution from the Carry Pool shall be no less than the highest Standard Carry Pool Award for such Compensation Year distributed to any other TPG Partner.

8. Performance Allocations. During the Term, in amounts and on terms and conditions that are consistent with TPG's past practice as applicable to you, you will be entitled to participate in the TPG cross-platform vintage share program and will be entitled to receive investment-specific performance fees on other platforms based on your active and direct participation in such investments.

9. Benefits; Expense Reimbursement. During the Term, TPG will provide you with coverage under its employee benefit programs, plans and practices (commensurate with your position and to the extent permitted under the applicable program, plan or practice) in accordance with the terms thereof as in effect from time to time no less favorable that those which TPG makes available to its most senior partners, including rights to co-invest in TPG funds consistent with TPG's co-invest policy available at the relevant time to senior Active Partners and on the same terms and conditions as such senior Active Partners (the "Co-Invest Program"). You are entitled to reimbursement for all reasonable expenses for travel, lodging, entertainment, and other business expenses at a "first class" level. TPG will provide you with access to, or reimburse you for the cost of, private aircraft for all business travel. If you are required to travel on commercial aircraft for business purposes, TPG will pay, or reimburse you for, first class travel accommodations.

10. Termination. This Agreement generally, including the definitions set forth on Exhibit A, and specifically this Section 10, shall be interpreted at all times in the context of, and subject to, the terms of the Governance Documents (and in particular, Sections 3.5 and 5.1 of the GP LLC Agreement); provided, however, that in the event of any inconsistency between any provision of this Agreement (including the definitions set forth on Exhibit A), on the one hand, and any provision of any Governance Document (including the definitions set forth therein), on the other hand, the provision of this Agreement will govern and prevail. For the avoidance of doubt, the parties acknowledge and agree that your (or your controlled entity's) removal as a member of GP LLC by reason of resignation, termination for Cause, or termination for Disability shall not be effective until the Termination Date of the corresponding resignation or termination of your employment hereunder. Subject to the foregoing:

(a) Prior to the Sunset, the Term, and your employment with TPG, will terminate only if and when you cease to be a member of GP LLC pursuant to Section 3.5(a)(i) of the GP LLC Agreement.

(b) Following the Sunset,

(i) the Term, and your employment with TPG, may be terminated by TPG without Cause (but only if the decision to terminate your employment without Cause is made in accordance with applicable provisions of the GP LLC Agreement) by delivery of a Notice of Termination that specifies a Termination Date that is 90 days following the Notice Date.

(ii) the Term, and your employment with TPG, may be terminated by TPG for Cause; provided, however, that no such termination shall become effective as a termination for Cause unless, before any such termination is effective: (i) you have received written notice from an authorized representative of the Authorized Body setting forth in reasonable detail the events and circumstances purporting to constitute Cause, such notice to be delivered to you within 60 days after a majority of the members of the Authorized Body first learn of those events and circumstances, (ii) you have had 30 days following receipt of such written notice to cure such events and circumstances if and to the extent capable of cure, and (iii) after failing to cure such events and circumstances, the Authorized Body has actually terminated the Term and your employment with TPG for Cause by delivering a Notice of Termination within 30 days following the expiration of the cure period that specifies a Termination Date that is no more than 90 days following the Notice Date. To the extent an event is not so cured or deemed not susceptible to cure, the Board shall provide you with an opportunity on at least ten days advance written notice to appear (with legal counsel) before the full Board to discuss the specific circumstances alleged to constitute a Cause event.

(iii) the Term, and your employment with TPG, may be terminated by you with Good Reason; provided, however, that before any such termination becomes effective (i) you have given written notice to the Authorized Body setting forth in reasonable detail the nature of the events or circumstances purporting to constitute Good Reason (as applicable), such notice to be given within 60 days after you first learn of those events and circumstances, (ii) those events and circumstances have not been cured within 30 days after the Authorized Body receive such notice if and to the extent capable of cure, and (iii) you actually terminate your employment with Good Reason (as applicable) by delivering a Notice of Termination within 30 days following the expiration of the cure period that specifies a Termination Date that is 90 days following the Notice Date.

(iv) the Term, and your employment with TPG, may be terminated by you without Good Reason by your delivery of a Notice of Termination that specifies a Termination Date that is 180 days following the Notice Date.

(v) the Term, and your employment with TPG, may be terminated by you as an Orderly Retirement by your delivery of a Notice of Termination that specifies a Termination Date that is at least 180 days following the Notice Date.

(vi) the Term, and your employment with TPG, will terminate automatically upon your death.

(vii) the Term, and your employment with TPG, may be terminated by either you or TPG due to your Disability by delivery of a Notice of Termination describing in reasonable detail the basis on which Disability is claimed that specifies a Termination Date that is 30 days following the Notice Date, but only if you are unable to resume your duties and responsibilities on a full-time basis within such 30 day notice period.

11. Payments, Benefits and Obligations upon Termination.

(a) Termination by TPG Without Cause or by You for Good Reason. If the Term and your employment with TPG is terminated by TPG without Cause or by you for Good Reason, then, subject to your satisfaction of the Release Condition (as defined below) and material compliance with the Restrictive Covenants, you shall be entitled to the following:

(i) an amount equal to (A) the sum of the Base Salary and Actual Total Annual Incentive Compensation paid to you for the two calendar years immediately preceding the year in which the Termination Date occurs (or, if "Actual Total Annual Incentive Compensation" is not determinable for any given year because this Agreement has not been in effect long enough, for any year not covered by this Agreement, the base salary and total annual incentive compensation paid to you for such year (valued in the same manner as Actual Total Annual Incentive Compensation is valued for purposes of this Agreement)), (B) divided by two, and (C) multiplied by two, (the "Cash Severance"), which will be paid to you in substantially equal installments over 24 months following the Termination Date through the TPG Employer's regular payroll process, commencing on the first ordinary payroll date that is 60 days after the Termination Date (subject to satisfaction of the Release Condition and subject to Section 15 below);

(ii) a cash payment for the year in which the Termination Date occurs in an amount equal to the cash bonus paid to you and the grant date fair market value of the Carry Pool Awards granted to you from the Carry Pool in respect of the calendar year immediately preceding the calendar year in which the Termination Date occurs, which shall be paid in a single lump sum on the first ordinary payroll date that is 60 days after the Termination Date (the "Full Carry Pool Amount");

(iii) continued vesting of all unvested TPG Interests on the ordinary vesting schedule of such TPG Interests as if you were still employed with TPG ("Continued TPG Interest Vesting");

(iv) continued vesting of any Carry Pool Awards on the ordinary vesting schedule as if you were still employed with TPG ("Continued Carry Pool Equity Vesting") on the ordinary vesting schedule;

(v) retention of all vested TPG Interests and Carry Pool Awards ("Retained Vested Equity");

(vi) healthcare insurance benefits (including medical, dental and vision insurance, AD&D insurance, life insurance and any other health insurance coverage) at the same level as those provided to you immediately prior to the Termination Date (or such greater level as is provided to other senior partners of TPG from time to time after the Termination Date) for you and your wife for the remainder of your respective natural lives (the "Lifetime Healthcare Coverage");

(vii) continued right to participate in the Co-Invest Program (with such limitations as necessary or advisable for tax, regulatory, other legal, commercial or accounting reasons) ("Post-Separation Access"), subject to Section 11(e);

(viii) continued right to indemnification, D&O, and insurance coverage that will apply for acts or omissions during your tenure at TPG ("Indemnification"); and

(ix) personal assistant, the annual stipend for AYCO, and, if requested by you, office space and IT support, in each case for five (5) years following the Termination Date consistent with the manner and level with which such benefits are provided to you immediately prior to the Termination Date (the "Post-Separation Support"); and

(x) for all purposes under the TPG Partner Holdings LPA and Section 12 of this Agreement, be deemed a Type 1 Leaver, as that term is defined in the TPG Partner Holdings LPA ("Type 1 Leaver Treatment").

(b) Resignation without Good Reason. If the Term and your employment with TPG are terminated by you due to your voluntary resignation without Good Reason and without Orderly Retirement, then, subject to your satisfaction of the Release Condition and material compliance with the Restrictive Covenants, you shall be entitled to: (i) a cash payment for the year in which the Termination Date occurs in an amount equal to the cash bonus paid to you and the grant date fair market value of the Carry Pool Awards granted to you in respect of the calendar year immediately preceding the calendar year in which the Termination Date occurs, prorated to reflect the number of days in the calendar year that you remained employed, which shall be paid in a single lump sum on the first ordinary payroll date that is 60 days after the Termination Date; (ii) Continued Carry Pool Equity Vesting; (iii) the Retained Vested Equity; (iv) Lifetime Healthcare Coverage; (v) Post-Separation Access; (vi) Indemnification; and (vi) Post-Separation Support.

(c) Orderly Retirement. If the Term and your employment with TPG are terminated by reason of your Orderly Retirement, then, subject to your satisfaction of the Release Condition and material compliance with the Restrictive Covenants, in addition to your Total Annual Incentive Compensation for the Compensation Year in which you provide notice of your intent to Orderly Retire, you shall be entitled to: (i) an amount equal to (A) the sum of the Base Salary and Actual Total Annual Incentive Compensation paid to you for the two calendar years immediately preceding the year in which the Orderly Retirement occurs, (B) divided by two, which will be paid to you in substantially equal installments over 12 months following the Termination Date through the TPG Employer's regular payroll process, commencing on the first ordinary payroll date that is 60 days after the Termination Date (subject to satisfaction of the Release Condition and subject to Section 15 below); (ii) the Full Carry Pool Amount; (iii) Continued TPG Interest Vesting; (iv) Continued Carry Pool Equity Vesting; (v) the Retained Vested Equity; (vi) Lifetime Healthcare Coverage; (vii) Post-Separation Access; (viii) Indemnification; (ix) Post-Separation Support; and (x) Type 1 Leaver Treatment.

(d) Termination Due to Disability. If the Term and your employment with TPG are terminated by TPG Inc. or you due to your Disability, then, subject to your satisfaction of the Release Condition and material compliance with the Restrictive Covenants, you shall be entitled to: (i) the Full Carry Pool Amount; (ii) Continued TPG Interest Vesting; (iii) Continued Carry Pool Equity Vesting; (iv) the Retained Vested Equity; (v) Lifetime Healthcare Coverage; (vi) Post-Separation Access; (vii) Indemnification; (viii) Post-Separation Support; and (ix) Type 1 Leaver Treatment.

(e) Termination Due to Death. If the Term and your employment with TPG are terminated due to your death, you (or your designated beneficiaries) shall be entitled to: (i) the Full Carry Pool Amount; (ii) Continued TPG Interest Vesting; (iii) Continued Carry Pool Equity Vesting; (iv) the Retained Vested Equity; (v) Lifetime Healthcare Coverage; (vi) Post-Separation Access, (but only for five (5) years following the Termination Date); (vii) Indemnification; and (viii) Post-Separation Support. Notwithstanding the foregoing and Section 11(a)(vii), in the event of your death, whether resulting in termination of the Term or occurring after the Term has ended, any Post-Separation Access (w) shall apply only for five (5) years following your death, (x) may only be exercised by your estate, your direct lineal descendants and/or any investment vehicle established by and primarily for the benefit of such descendants, (y) shall be capped at an allocation of 0.5% of the aggregate commitments made to any TPG Fund, and (z) shall be subject to the terms then applicable to senior Active Partners (with such limitations as necessary or advisable for tax, regulatory, other legal, commercial or accounting reasons).

(f) Termination for Cause, Violation of Restrictive Covenants. If the Term and your employment with TPG are terminated by TPG Inc. for Cause or because of a material breach of any Restrictive Covenant, then you shall forfeit all then outstanding and unvested TPG Interests, RSUs and other PubCorp Equity Awards.

(g) Termination in Connection with a Change of Control. If the Term and your employment with TPG are terminated within one year following a Change of Control (x) by TPG Inc. or its successor without Cause, (y) by you for Good Reason or Orderly Retirement, or (z) by reason of your death or Disability, then, subject to your satisfaction of the Release Condition and material compliance with the Restrictive Covenants, you shall be entitled to the payments and benefits set forth in the applicable sub-section of this Section 11, except that (i) all cash payments otherwise due to be paid to you will be paid in a single lump sum on the first ordinary payroll date following the 60th day after the Termination Date (subject to satisfaction of the Release Condition and subject to Section 15 below); and (ii) if any unvested TPG Interests or PubCorp Equity Awards held by you are not assumed by the successor to or ultimate parent of TPG Inc. or left outstanding following the transaction constituting a Change of Control, all such unvested TPG Interests and PubCorp Equity Awards shall fully vest as of the date of such termination.

(h) Miscellaneous. On any termination of the Term and your employment with TPG, you shall be entitled to:

(i) Accrued but unpaid Base Salary through the Termination Date, accrued but unused vacation days through the Termination Date, and unreimbursed expenses incurred through the Termination Date, all of which will be paid to you within 30 days following the Termination Date;

(ii) Any benefits to which you are entitled under any healthcare, pension, retirement, 401(k), profit share, or other employee benefit plan;

(iii) any amounts pursuant to the Carry Pool in respect of a previously completed fiscal year that have been earned but not yet paid, which will be paid to you on the date such amounts would have been paid had your employment continued; and

(iv) except in the case of a termination of your employment hereunder for Cause, any TPG Interests, RSUs and other PubCorp Equity Awards in respect of a previously completed fiscal year that were determined by the Compensation Committee and were scheduled to be granted but have not yet been granted, which shall be granted on the date such awards would have been granted had your employment continued (and which shall thereafter be treated in accordance with the applicable provision of this Section 11).

(i) No Mitigation; No Offset. Upon any termination of the Term and your employment with TPG, you shall be under no obligation to seek other employment or otherwise mitigate the obligations of any of the TPG Entities, and there shall be no offset against amounts or benefits due to you under this Agreement or otherwise on account of any remuneration or other benefit earned or received by you by a third party after such termination. Any amounts due under this Section 11 are considered to be reasonable by the Parties and not in the nature of a penalty.

(j) Resignation from Office. Except as otherwise provided in the Governance Documents (and subject to the terms and conditions thereof), including without limitation, with respect to your rights and entitlements to be a member of GP LLC, the Board, and the Executive Committee of the Board, promptly upon any termination of the Term and your employment with TPG in accordance with this Agreement, you will, upon request of the TPG Parties, resign from any positions, duties or authorities (including any board memberships) that you hold by virtue of this Agreement or your provision of services to any of the TPG Entities.

(k) Release Condition. You shall be entitled to the benefits provided under Sections 11(a), 11(b), 11(c), 11(d) and 11(g), and any applicable corresponding sections of your equity grant documentation only if you execute and deliver to the TPG Parties within 40 days following the Termination Date, a Mutual Release in substantially the form attached to this Agreement as Exhibit C, and thereafter you do not revoke the Mutual Release (the "Release Condition"). Notwithstanding the foregoing, the Mutual Release will become null and void if not countersigned by the TPG Parties, and returned to you, within fifteen days after it is received by the TPG Parties, although the Release Condition will nevertheless be deemed to have been satisfied by you.

12. Confidentiality Obligations and Restrictive Covenants. From and after the Effective Date, you will (subject to the provisions of this Section 12) be bound by the provisions of Article IX of the TPG Partner Holdings LPA as if such provisions were expressly set forth in this Agreement and shall not engage in Competition within the meaning of the GP LLC Agreement (such obligations, the "Restrictive Covenants"). Notwithstanding anything in this Agreement, the TPG Partner Holdings LPA, the GP LLC Agreement, any Governance Document, any TPG Arrangement, or elsewhere to the contrary, shall (a) restrict you from soliciting for hire, or hiring, any individual who has served as your secretary or other personal assistant, (b) subject to Section 4 hereof, restrict you from engaging in investment and other activities that are primarily related to the operation of your family office or that of any of your Related Parties, (c) prohibit you from making reports of possible violations of federal law or regulation to any governmental agency or entity in accordance with the provisions of and rules promulgated under Section 21F of the Securities Exchange Act of 1934 (the "Exchange Act") or Section 806 of the Sarbanes Oxley Act of 2002, or of any other whistleblower protection provisions of federal law or regulation, or (d) require notification or prior approval by TPG Inc. or any other TPG Entity of any reporting described in clause (c); provided, that you are not authorized to disclose communications with counsel to TPG (i) that were made for the purpose of receiving legal advice or (ii) that contain legal advice in connection with matters relating to TPG or (iii) that are protected by the attorney work product or similar privilege relating to TPG. For the avoidance of doubt, the Parties agree that the provisions of this Section 12 are intended to supersede any contrary provisions in any Governance Document or other TPG Arrangement.

13. Reimbursement of Legal Fees. As soon as reasonably practicable following delivery to TPG of reasonable supporting documentation, TPG will directly pay your legal fees or charges incurred in connection with the negotiation, documentation and implementation of this Agreement and the arrangements described in it. For the avoidance of doubt, you will not be entitled to any gross-up or other additional payment in connection with such legal fee reimbursement.

14. Indemnification.

(a) If you are made a party, or threatened to be made a party, or reasonably anticipate being made a party, to any Proceeding by reason of the fact that you are or were a director, officer, member, employee, agent, manager, trustee, consultant or representative of any TPG Entity or are or were serving at the request of any TPG Entity, or in connection with your service for any TPG Entity, as a director, officer, member, employee, agent, manager, trustee, consultant or representative of another Person, or if any Claim is made, is threatened to be made, or is reasonably anticipated to be made, that arises out of or relates to your service in any of the foregoing capacities, then you shall promptly be indemnified and held harmless to the fullest extent permitted or authorized in any applicable Governance Document or TPG Arrangement, or if greater, by applicable law, against any and all costs, expenses, liabilities and losses (including, without limitation, attorneys' and other professional fees and charges, judgments, interest, expenses of investigation, penalties, fines, ERISA excise taxes or penalties and amounts paid or to be paid in settlement, in each case to the extent permitted by law) incurred or suffered by you in connection therewith or in connection with seeking to enforce your rights under this Section 14(a), and such indemnification shall continue even if you have ceased to be a director, officer, member, employee, agent, manager, trustee, consultant or representative of any TPG Entity and shall inure to the benefit of your heirs, executors and administrators. You shall be entitled to prompt advancement of any and all costs and expenses (including, without limitation, attorneys' and other professional fees and charges) you reasonably incur in connection with any such Proceeding or

Claim, or in connection with seeking to enforce your rights under this Section 14(a), any such advancement to be made within 15 days after you give written notice, supported by reasonable documentation, requesting such advancement to the TPG Parties. Such notice shall include an undertaking by you to promptly repay the amount advanced if you are ultimately determined not to be entitled to indemnification against such costs and expenses. Nothing in this Agreement shall operate to limit or extinguish any right to indemnification, advancement of expenses, or contribution that you would otherwise have (including, without limitation, by the Reorganization Agreement or any other agreement or under applicable law).

(b) A directors' and officers' liability insurance policy (or policies) providing coverage to you that is commensurate with the coverage provided to other current or former senior leaders shall be kept in place during the Term and your employment with TPG and thereafter until the December 31st following the seventh anniversary of your Termination Date.

15. Tax Matters.

(a) Any TPG Entity may withhold from any amounts payable to you hereunder all federal, state, city or other taxes that are required to be withheld pursuant to any applicable law or regulation (it is understood that you will be responsible for payment of all taxes in respect of the payments and benefits provided to you, except to the extent withheld pursuant to this Section 15). This Agreement and the payments and benefits provided under it are intended to be exempt from or comply with (so as to avoid the imposition of any "additional tax") Sections 409A and 457A of the Internal Revenue Code of 1986, as amended (the "Code"), and shall be construed and operated accordingly. Notwithstanding anything herein to the contrary, if at the time of your separation from service, as determined under Section 409A of the Code, the TPG Parties have determined that you are a "specified employee" as defined in Section 409A of the Code and the deferral of the commencement of any payments or benefits otherwise payable hereunder as a result of such separation is necessary in order to prevent any accelerated or additional tax under Section 409A of the Code, then the TPG Parties will defer the commencement of the payment of any such payments or benefits hereunder (without any reduction in such payments or benefits ultimately paid or provided to you) until the date that is six months and one day after your separation from service (or the earliest date as is permitted under Section 409A of the Code). If payments under this Agreement are deferred to prevent any accelerated tax or additional tax under Section 409A of the Code, then such payments shall be paid at the time specified herein without interest. In no event shall any TPG Entity be liable for the payment of, or gross up in connection with, any taxes and or penalties owed by you pursuant to Section 409A or 457A of the Code or any other similar state or local laws. For purposes of Section 409A of the Code, the right to a series of installment payments under this Agreement or any TPG Arrangement shall be treated as a right to a series of separate payments, and references herein to your "termination of employment" shall refer to your "separation from service" within the meaning of Section 409A of the Code. Notwithstanding anything to the contrary herein, except to the extent any expense, reimbursement or in-kind benefit provided pursuant to this Agreement or any TPG Arrangement does not constitute a "deferral of compensation" within the meaning of Section 409A of the Code: (a) the amount of expenses eligible for reimbursement or in-kind benefits provided to you during any calendar year will not affect the amount of expenses eligible for reimbursement or in-kind benefits provided to you in any other calendar year, (b) the reimbursements for expenses for which you are entitled to be reimbursed shall be made on or before the last day of the calendar year following the calendar year

in which the applicable expense is incurred, and (c) the right to payment or reimbursement or in-kind benefits hereunder may not be liquidated or exchanged for any other benefit. In no event shall you be obligated to provide services for any TPG Entity after the Termination Date that are inconsistent with your having had a "separation from service" from all TPG Entities on or before the Termination Date.

(b) If any payment or benefit you will or may receive from TPG under this Agreement or otherwise (a "280G Payment") would (x) constitute a "parachute payment" within the meaning of Section 280G of the Code, and (y) but for this sentence, be subject to the excise tax imposed by Section 4999 of the Code (the "Excise Tax"), then each such 280G Payment (collectively, the "Payments") shall be reduced to the extent necessary for the Payments to equal, in the aggregate, the Reduced Amount. The "Reduced Amount" shall be either (1) the largest portion of the Payments that would result in no Excise Tax on the Payments (after reduction), or (2) the total Payments, whichever amount (*i.e.*, the amount determined by clause (1) or by clause (2)), after taking into account all applicable federal, state, and local employment taxes, income taxes, and the Excise Tax (all computed at the highest applicable marginal rate), results in your receipt, on an after-tax basis, of the greater economic benefit notwithstanding that all or some portion of the Payments may be subject to the Excise Tax. If a reduction in the Payments is required pursuant to the preceding sentence and the Reduced Amount is determined pursuant to clause (1) of the preceding sentence, the reduction shall occur in the manner (the "Reduction Method") that results in the greatest economic benefit for you. If more than one method of reduction will result in the same economic benefit, the items so reduced will be reduced pro rata (the "Pro Rata Reduction Method").

(c) Notwithstanding any provision of Section 15(b) to the contrary, if the Reduction Method or the Pro Rata Reduction Method would cause any portion of the Payments to be subject to taxes pursuant to Section 409A, and any state law of similar effect that would not otherwise be subject to taxes pursuant to Section 409A, then the Reduction Method and/or the Pro Rata Reduction Method, as the case may be, shall be modified so as to avoid the imposition of taxes pursuant to Code Section 409A, after considering the following: (x) as a first priority, the modification shall preserve to the greatest extent possible, the greatest economic benefit for you as determined on an after-tax basis; (y) as a second priority, Payments that are contingent on future events shall be reduced (or eliminated) before Payments that are not contingent on future events; and (z) as a third priority, Payments that are "deferred compensation" within the meaning of Section 409A shall be reduced (or eliminated) before Payments that are not deferred compensation within the meaning of Section 409A.

(d) It is possible that after the determinations and selections under Section 15(b) and (c) are made, you will receive Total Payments that are, in the aggregate, either more or less than the amount provided under Section 15(b) (hereafter referred to as an "Excess Payment" or "Underpayment," respectively). If it is established, pursuant to a final determination of an arbitrator, court or an Internal Revenue Service proceeding that has been finally and conclusively resolved, that an Excess Payment has been made, such Excess Payment shall be deemed for all purposes to be a loan to you made on the date you received the Excess Payment, and you shall promptly repay the Excess Payment to TPG, together with interest on the Excess Payment at the applicable federal rate (as defined in and under Section 1274(d) of the Code) from the date of your receipt of such Excess Payment until the date of such repayment. In the event that it is determined by an arbitrator, court or the Auditor upon request by any of the parties, that an Underpayment has occurred, TPG shall promptly pay an amount equal to the Underpayment to you, together with interest on such amount at the applicable federal rate from the date such amount would have been paid to you had the provisions of Section 15(b) not been applied until the date of payment.

(e) TPG shall appoint a nationally recognized accounting firm, law firm or consultancy to make the determinations required by this Section 15 and shall, to the extent consistent with Section 280G of the Code, all reductions to the value of payments that might otherwise qualify as a "parachute payments" under such Section (including the value of noncompetition restrictions and reasonable compensation for pre-and post-change in control services). TPG shall bear all expenses with respect to the determinations by such accounting firm, law firm or consultancy required to be made hereunder.

16. Arbitration.

(a) Any dispute, controversy or Claim between you (or any of your beneficiaries or transferees) and any TPG Entity that arises out of, or relates to, this Agreement, any Governance Document or TPG Arrangement, your services for any TPG Entity or any termination of your services for any TPG Entity (a "Covered Claim") shall, except to the extent otherwise provided in Section 16(b) or 16(c) with respect to certain claims for provisional or injunctive relief, be settled exclusively by *de novo* arbitration administered by the American Arbitration Association in accordance with its Commercial Arbitration Rules (the "AAA Rules") and this Section 16 by a panel of three arbitrators (the "Arbitral Tribunal") and carried out, at your election, in San Francisco, California or Fort Worth, Texas. The Arbitral Tribunal shall authorize the parties to any arbitration to conduct a reasonable amount of discovery, including (without limitation) depositions to the extent that the Arbitral Tribunal deems appropriate. Notwithstanding anything to the contrary in this Agreement or elsewhere, the arbitration provisions set forth in this Section 16, and any arbitration conducted thereunder, shall be governed exclusively by the Federal Arbitration Act, Title 9, United States Code and the AAA Rules, to the exclusion of any state or municipal law of arbitration. Except as set forth in Section 16(f), the parties involved in any arbitration hereunder will share all costs of such arbitration, provided that the Arbitral Tribunal may award costs to the party prevailing on a majority of the claims from an economic perspective.

(b) By agreeing to arbitration, the Parties do not intend to deprive any court with jurisdiction of its ability to issue a preliminary injunction, attachment or other form of provisional remedy in aid of the arbitration, and a request for such provisional remedies by any Person to a court shall not be deemed a waiver of this agreement to arbitrate. The Arbitral Tribunal shall have the authority to grant provisional remedies, including, without limitation, injunctive relief, to the extent permitted under applicable law.

(c) Except as may be required by applicable law or court order, the Parties agree that they, and their Affiliates, will maintain confidentiality as to all aspects of any arbitration or court proceeding under this Section 16, including its existence and results, except that nothing herein shall prevent any Person from disclosing information regarding the arbitration for purposes of enforcing the award or in any court proceeding involving the parties. The Parties further agree to use their best reasonable efforts to obtain the agreement of any Arbitral Tribunal or court, as applicable, to preserve the confidentiality of any proceedings before it.

(d) Any award rendered by an Arbitral Tribunal shall be final and binding on the parties to the arbitration. Judgment on any award may be entered in any court of competent jurisdiction. The Parties hereto waive, to the fullest extent permitted by law, any rights to appeal to, or to seek review of such award by, any court.

(e) Notwithstanding anything in this Section 16 to the contrary, the TPG Entities shall each, as applicable, be entitled to seek injunctive relief from any court of competent jurisdiction for any violation of the Restrictive Covenants.

(f) In respect of any Covered Claims that are brought within 12 months following the Termination Date, promptly following (but not later than fifteen business days after) receiving appropriate supporting documentation, the TPG Parties shall directly pay (or reimburse you or your beneficiaries or transferees, as applicable, for) any professional fees or other charges incurred by you or your beneficiaries or transferees in connection with a Covered Claim or Covered Claims, subject to repayment by you or your beneficiaries or transferees, as the case may be, promptly following (but not later than fifteen days after) any final determination by a court, company, arbitration, or arbitral panel that you or your beneficiaries or transferees, as the case may be, have not substantially prevailed (as determined based on the economic value of the Covered Claim or Covered Claims) with respect to a majority of Covered Claims.

17. Representations.

(a) You represent and warrant that as of the Effective Date: (i) neither the execution and delivery of this Agreement nor the performance of your duties under it violates or will violate the provisions of any other written agreement to which you are a party or by which you are bound or become bound, and (ii) there are no written agreements by which you are bound that would prevent you from performing your duties hereunder.

(b) The TPG Parties each represent and warrant that as of the Effective Date: (i) it is fully authorized by action of any Person or body whose action is required to enter into this Agreement and to perform the obligations set forth in it; (ii) the execution, delivery and performance of this Agreement by it will not violate any applicable law, regulation, order, judgment or decree or any Governance Document or TPG Arrangement; and (iii) upon the execution and delivery of this Agreement by each of the TPG Parties, this Agreement shall be its valid and binding obligation, enforceable against it in accordance with its terms, except to the extent that enforceability may be limited by applicable bankruptcy, insolvency or similar laws affecting the enforcement of creditors' rights generally.

18. Assignability; Binding Nature.

(a) This Agreement shall be binding upon and inure to the benefit of the Parties and their respective successors, heirs (in your case) and permitted assigns, including any successor entities to TPG Partners, LLC.

(b) No rights or obligations of any TPG Entity under this Agreement may be assigned or transferred by such TPG Entity (each a "Transferor") except that such rights and obligations may be assigned or transferred pursuant to a merger, consolidation or other combination in which the Transferor is not the continuing entity, or a sale or liquidation of all or substantially all of the business and assets of the Transferor; provided that the assignee or transferee is the successor to all or substantially all of the business and assets of the Transferor and such assignee or transferee expressly assumes the liabilities, obligations and duties of the Transferor as set forth in this Agreement. In the event of any merger, consolidation, other combination, sale of business and assets, or liquidation as described in the preceding sentence, the Transferor shall use its best reasonable efforts to cause such assignee or transferee to promptly and expressly assume the liabilities, obligations and duties of the Transferor hereunder.

(c) None of your rights or obligations under this Agreement may be assigned or transferred by you other than your rights to compensation and benefits, which may be transferred only by will or by operation of law, except to the extent otherwise provided in Section 19(e).

19. Miscellaneous.

(a) Entire Agreement. Subject to the terms of Section 1, this Agreement (together with the other documents expressly referenced herein) incorporates the Parties' entire understanding with respect to its subject matter, and supersedes all prior agreements between the Parties with respect to its subject matter. This Agreement, together with (together with the other documents expressly referenced herein), when entered into, shall contain the entire understanding and agreement among the Parties concerning the subject matter hereof.

(b) Amendment or Waiver. No provision in this Agreement may be amended unless such amendment is set forth in a writing that expressly refers to the provision of this Agreement that is being amended and that is signed by you and by an authorized (or apparently authorized) representative of each TPG Party. No waiver by any Person of any breach of any condition or provision contained in this Agreement shall be deemed a waiver of any similar or dissimilar condition or provision at the same or any prior or subsequent time. To be effective, any waiver must be set forth in a writing signed by the waiving Person and must specifically refer to the condition(s) or provision(s) of this Agreement being waived.

(c) Inconsistencies. In the event of any inconsistency between any provision of this Agreement, on the one hand, and any provision of any TPG Arrangement, Governance Document, the GP LLC Agreement, any award agreement, or any other plan, program, agreement or arrangement, whether referred to herein or not and whether entered into prior to the Effective Date or after the Effective Date, on the other hand, the provisions of this Agreement shall govern, control and prevail, unless you specifically agree in a written acknowledgment that expressly refers to the provisions of this Agreement whose control you are waiving.

(d) Headings. The headings of the sections and sub-sections contained in this Agreement are for convenience only and shall not be deemed to control or affect the meaning or construction of any provision of this Agreement.

(e) Beneficiaries/References. You shall be entitled, to the extent permitted under applicable law and any applicable Governance Document or TPG Arrangement, to select and change a beneficiary or beneficiaries to receive any compensation or benefit under any Governance Document or TPG Arrangement following your death by giving written notice thereof to the TPG Parties. In the event of your death or a judicial determination of your incompetence, references in this Agreement to you shall be deemed, where appropriate, to refer to your beneficiar(ies), transferee(s), heir(s), estate, executor(s), or other legal representative(s).

(f) Survivorship. Except as otherwise set forth in this Agreement, the respective rights and obligations of the Parties hereunder shall survive any termination of the Term.

(g) Joint and Several Obligations. All obligations of the TPG Parties under this Agreement shall, except as otherwise expressly provided in this Agreement, be joint and several. TPG Holdings unconditionally guarantees prompt performance by TPG Global of its obligations to you, whether under this Agreement or otherwise.

20. Notice. Any notice or other communication required or permitted to be delivered under this Agreement shall be (a) in writing, (b) delivered personally, by facsimile, by courier service or by certified or registered mail, first class postage prepaid and return receipt requested, (c) delivered by electronic mail, (d) deemed to have been received on the date of delivery or, if so mailed, on the third business day after the mailing thereof, and (e) addressed as follows (or to such other address as the Party entitled to notice shall hereafter designate in accordance with the terms hereof):.

(iii) retention of all vested units in TPH ("TPH Units"), promote and rights to performance allocations, none of which shall be subject to the 20% cutback; and

(iv) other accrued but unpaid amounts owing to you (including unreimbursed expenses) and vested benefits under TPG's benefit plans in which you participate.

(b) Post-Separation Benefits. If the Term and your employment with TPG are terminated as a consequence of the removal of you (or an entity controlled by you) as a member of GP LLC other than (x) by GP LLC for Cause or Competition (as such terms are defined in the GP LLC Agreement as modified in Section 10 below) or (y) by reason of your death, then, subject to your satisfaction of the Release Condition (as defined below) and compliance with the Restrictive Covenants (as defined in Section 10), you will be entitled to the following benefits, in addition to the Accrued Amounts:

(i) continued vesting of unvested TPH Units, rights to performance allocations or promote and, in the case of rights to performance allocations or promote whether granted prior to or after the Effective Date, none of which shall be subject to the 20% cutback;

(ii) continued right to participate in the Co-Invest Program (with such limitations as necessary or advisable for tax, regulatory, other legal, commercial or accounting reasons);

(iii) healthcare insurance benefits (including medical, dental and vision insurance, AD&D insurance, life insurance and any other health insurance coverage) at the same level as those provided to you immediately prior to the Termination Date (or such greater level as is provided to other senior partners of TPG from time to time after the Termination Date) for you and your wife for the remainder of your respective natural lives;

(iv) continued right to indemnification, D&O, and insurance coverage that will apply for acts or omissions during your tenure at TPG;

(v) use of the "Partner Emeritus" and "Founder" titles;

(vi) reasonable internet and technical support through the fifth anniversary of date of termination;

(vii) reasonable support of one executive assistant through the fifth anniversary of your date of termination, including payment or reimbursement of her compensation at the rate she is currently being paid;

(viii) through the fifth anniversary of the date of termination, TPG will, at its cost, permit you and your executive assistant continue to use your offices at TPG's Fort Worth headquarters and provide reasonable administrative support;

(ix) reasonable administrative and technical support to establish a personal office space through the fifth anniversary of your date of termination; and

(x) reimbursement for reasonable legal fees for negotiating any separation agreement with you.

(c) Termination Due to Death. If the Term and your employment with TPG are terminated due to your death, your estate (or your designated beneficiaries) shall be entitled to: (i) the Accrued Amounts, (ii) accelerated vesting of any unvested portion of TPH Units, rights to performance allocations and promote and (iii) continued access to the Co-Invest Program. In addition, your surviving spouse, if any will continue to receive health benefits described in Section 9(b)(iii) for her life. Notwithstanding the foregoing and Section 9(b)(ii), in the event of your death, whether resulting in termination of the Term or occurring after the Term has ended, access to the Co-Invest Program (w) shall apply only for five (5) years following your death, (x) may only be exercised by your estate, your direct lineal descendants and/or any investment vehicle established by and primarily for the benefit of such descendants, (y) shall be capped at an allocation of 0.5% of the aggregate commitments made to any TPG Fund, and (z) shall be subject to the terms then applicable to senior Active Partners (with such limitations as necessary or advisable for tax, regulatory, other legal, commercial or accounting reasons).

(d) Termination for Cause; Violation of Restrictive Covenants. If the Term and your employment with TPG are terminated as a result of your removal as a member of GP LLC for Cause or Competition, you will be entitled only to the Accrued Amounts and the continued health benefits described in Section 9(b)(iii) for you and your spouse for life.

(e) No Mitigation; No Offset. Upon any termination of the Term and your employment with TPG, you shall be under no obligation to seek other employment or otherwise mitigate the obligations of any of the TPG Entities, and there shall be no offset against amounts or benefits due to you under this Agreement or otherwise on account of any remuneration or other benefit earned or received by you by a third party after such termination. Any amounts due under this Section 9 are considered to be reasonable by the Parties and not in the nature of a penalty.

(f) Resignation from Office. Promptly upon any termination of the Term and your employment with TPG in accordance with this Agreement, you will, upon request of the TPG Parties, resign from any positions, duties or authorities (including any board memberships) that you hold by virtue of this Agreement or your provision of services to any of the TPG Entities.

(g) Release Condition. You shall be entitled to the benefits provided under Section 9(b) only if you execute and deliver to the TPG Parties within 40 days following the Termination Date TPG's standard form of Mutual Release and thereafter you do not revoke the Mutual Release (the "Release Condition"). Notwithstanding the foregoing, the Mutual Release will become null and void if not countersigned by the TPG Parties, and returned to you, within fifteen days after it is received by the TPG Parties, although the Release Condition will nevertheless be deemed to have been satisfied by you.

10. Confidentiality Obligations and Restrictive Covenants11. . From and after the Effective Date, you will (subject to the provisions of this Section 10) be bound by the provisions of the restrictive covenants set forth in Article IX of the TPH Agreement and shall be subject to the consequences of engaging in Competition under the GP LLC Agreement (the "Restrictive Covenants"). Notwithstanding anything in this Agreement or elsewhere to the contrary, nothing in this Section 10, the TPH Agreement or any other TPG Arrangement shall (a) restrict you from soliciting for hire, or hiring, any individual who has served as your secretary or other personal assistant, (b) prohibit you from engaging in Permitted Investment Activities or any other activities specified in the last sentence of this Section 10, (c) prohibit you from making reports of possible violations of federal law or regulation to any governmental agency or entity in accordance with the provisions of and rules promulgated under Section 21F of the Securities Exchange Act of 1934 or Section 806 of the Sarbanes Oxley Act of 2002, or of any other whistleblower protection provisions of federal law or regulation, or (d) require notification or prior approval by TPG Employer or any other TPG Entity of any reporting described in provision (b); provided, that you are not authorized to disclose communications with counsel to TPG that were made for the purpose of receiving legal advice or that contain legal advice in connection with matters relating to TPG or that are protected by the attorney work product or similar privilege relating to TPG.

For purposes of this Agreement, "TPG Arrangement" shall mean, as the context requires, the applicable written plan, program, arrangement, corporate governance document, or other arrangement of any TPG Entity to which you are a party or to which you are subject. In addition, the Parties agree that for purposes of this Agreement, the GP LLC Agreement, the TPH Agreement

or any other TPG arrangement, (i) "Competition" shall not include (x) the activities of Wildcat or (y) the activities of the Bonderman Family Limited Partnership ("BFLP") that have been approved by TPG Compliance or otherwise permitted pursuant to any agreement between TPG and Wildcat, including, without limitation, the activities of any third-party managed vehicles in which BFLP invests and (ii) such activities shall not constitute a conflict of interest with respect to TPG's activities or result in you being deemed to be Competitor (as defined in the GP LLC Agreement).

12. Reimbursement of Legal Fees. As soon as reasonably practicable following delivery to TPG of reasonable supporting documentation, TPG will directly pay your legal fees or charges incurred in connection with the negotiation, documentation and implementation of this Agreement and the arrangements described in it, provided that such fees are reasonably incurred. For the avoidance of doubt, you will not be entitled to any gross-up or other additional payment in connection with such legal fee reimbursement.

13. Indemnification.

(a) If you are made a party, or threatened to be made a party, or reasonably anticipate being made a party, to any Proceeding by reason of the fact that you are or were a director, officer, member, employee, agent, manager, trustee, consultant or representative of any TPG Entity or are or were serving at the request of any TPG Entity, or in connection with your service for any TPG Entity, as a director, officer, member, employee, agent, manager, trustee, consultant or representative of another person or entity, or if any claim is made, is threatened to be made, or is reasonably anticipated to be made, that arises out of or relates to your service in any of the foregoing capacities, then you shall promptly be indemnified and held harmless to the fullest extent permitted or authorized in any applicable TPG Governing Document or other agreement, or if greater, by applicable law, against any and all costs, expenses, liabilities and losses (including, without limitation, attorneys' and other professional fees and charges, judgments, interest, expenses of investigation, penalties, fines, ERISA excise taxes or penalties and amounts paid or to be paid in settlement, in each case to the extent permitted by law) incurred or suffered by you in connection therewith or in connection with seeking to enforce your rights under this Section 13(a), and such indemnification shall continue even if you have ceased to be a director, officer, member, employee, agent, manager, trustee, consultant or representative of any TPG Entity and shall inure to the benefit of your heirs, executors and administrators. You shall be entitled to prompt advancement of any and all costs and expenses (including, without limitation, attorneys' and other professional fees and charges) you reasonably incur in connection with any such proceeding or claim, or in connection with seeking to enforce your rights under this Section 13(a), any such advancement to be made within 15 days after you give written notice, supported by reasonable documentation, requesting such advancement to the TPG Parties. Such notice shall include an undertaking by you to promptly repay the amount advanced if you are ultimately determined not to be entitled to indemnification against such costs and expenses. Nothing in this Agreement shall operate to limit or extinguish any right to indemnification, advancement of expenses, or contribution that you would otherwise have (including, without limitation, by the Reorganization Agreement or any other agreement or under applicable law). "Reorganization Agreement" shall mean that certain Reorganization Agreement dated as of December 31, 2021 by and among TPG Holdings I, L.P., TPG Holdings II, L.P., TPG Holdings III, L.P., TPG Group Holdings (SBS) Advisors, Inc., TPG Group Holdings (SBS) Advisors, LLC, TPG Partner Holdings Advisors, Inc., TPG Group Advisors (Cayman), LLC, TPG Partner Holdings GP, David Bonderman, James Coulter, Jon Winkelried, and GP LLC.

(b) A directors' and officers' liability insurance policy (or policies) providing coverage to you that is commensurate with the coverage provided to other senior leaders shall be kept in place during the Term and your employment with TPG and thereafter until the 7th anniversary of the date on which the Notice of Termination is delivered.

14. Tax Matters.

(a) Any TPG Entity may withhold from any amounts payable to you hereunder all federal, state, city or other taxes that are required to be withheld pursuant to any applicable law or regulation (it is understood that you will be responsible for payment of all taxes in respect of the payments and benefits provided to you, except to the extent withheld pursuant to this Section 14). This Agreement and the payments and benefits provided under it are intended to be exempt from or comply with (so as to avoid the imposition of any "additional tax") Sections 409A and 457A of the Internal Revenue Code of 1986, as amended (the "Code"), and shall be construed and operated accordingly. Notwithstanding anything herein to the contrary, if at the time of your separation from service, as determined under Section 409A of the Code, the TPG Parties have determined that you are a "specified employee" as defined in Section 409A of the Code and the deferral of the commencement of any payments or benefits otherwise payable hereunder as a result of such separation is necessary in order to prevent any accelerated or additional tax under Section 409A of the Code, then the TPG Parties will defer the commencement of the payment of any such payments or benefits hereunder (without any reduction in such payments or benefits ultimately paid or provided to you) until the date that is six months and one day after your separation from service (or the earliest date as is permitted under Section 409A of the Code). If payments under this Agreement are deferred to prevent any accelerated tax or additional tax under Section 409A of the Code, then such payments shall be paid at the time specified herein without interest. In no event shall any TPG Entity be liable for the payment of, or gross up in connection with, any taxes and or penalties owed by you pursuant to Section 409A or 457A of the Code or any other similar state or local laws. For purposes of Section 409A of the Code, the right to a series of installment payments under any TPG Arrangement shall be treated as a right to a series of separate payments, and references herein to your "termination of employment" shall refer to your separation from service within the meaning of Section 409A of the Code. Notwithstanding anything to the contrary herein, except to the extent any expense, reimbursement or in-kind benefit provided pursuant to any TPG Arrangement does not constitute a "deferral of compensation" within the meaning of Section 409A of the Code: (i) the amount of expenses eligible for reimbursement or in-kind benefits provided to you during any calendar year will not affect the amount of expenses eligible for reimbursement or in-kind benefits provided to you in any other calendar year, (ii) the reimbursements for expenses for which you are entitled to be reimbursed shall be made on or before the last day of the calendar year following the calendar year in which the applicable expense is incurred, and (iii) the right to payment or reimbursement or in-kind benefits hereunder may not be liquidated or exchanged for any other benefit. In no event shall you be obligated to provide services for any TPG Entity after your termination of employment with TPG that are inconsistent with your having had a "separation from service" from all TPG Entities on or before the date of your termination of employment with TPG.

(b) If any payment or benefit you will or may receive from TPG under this Agreement or otherwise (a "280G Payment") would (x) constitute a "parachute payment" within the meaning of Section 280G of the Code, and (y) but for this sentence, be subject to the excise tax imposed by Section 4999 of the Code (the "Excise Tax"), then each such 280G Payment (collectively, the "Payments") shall be reduced to the extent necessary for the Payments to equal, in the aggregate, the Reduced Amount. The "Reduced Amount" shall be either (1) the largest portion of the Payments that would result in no Excise Tax on the Payments (after reduction), or (2) the total Payments, whichever amount (*i.e.*, the amount determined by clause (1) or by clause (2)), after taking into account all applicable federal, state, and local employment taxes, income taxes, and the Excise Tax (all computed at the highest applicable marginal rate), results in your receipt, on an after-tax basis, of the greater economic benefit notwithstanding that all or some portion of the Payments may be subject to the Excise Tax. If a reduction in the Payments is required pursuant to the preceding sentence and the Reduced Amount is determined pursuant to clause (1) of the preceding sentence, the reduction shall occur in the manner (the "Reduction Method") that results in the greatest economic benefit for you. If more than one method of reduction will result in the same economic benefit, the items so reduced will be reduced pro rata (the "Pro Rata Reduction Method").

(c) Notwithstanding any provision of Section 14(b) to the contrary, if the Reduction Method or the Pro Rata Reduction Method would cause any portion of the Payments to be subject to taxes pursuant to Section 409A, and any state law of similar effect that would not otherwise be subject to taxes pursuant to Section 409A, then the Reduction Method and/or the Pro Rata Reduction Method, as the case may be, shall be modified so as to avoid the imposition of taxes pursuant to Code Section 409A, after considering the following: (x) as a first priority, the modification shall preserve to the greatest extent possible, the greatest economic benefit for you as determined on an after-tax basis; (y) as a second priority, Payments that are contingent on future events shall be reduced (or eliminated) before Payments that are not contingent on future events; and (z) as a third priority, Payments that are "deferred compensation" within the meaning of Section 409A shall be reduced (or eliminated) before Payments that are not deferred compensation within the meaning of Section 409A.

(d) It is possible that after the determinations and selections under Section 14(b) and (c) are made, you will receive Total Payments that are, in the aggregate, either more or less than the amount provided under Section 14(b) (hereafter referred to as an "Excess Payment" or "Underpayment", respectively). If it is established, pursuant to a final determination of an arbitrator, court or an Internal Revenue Service proceeding that has been finally and conclusively resolved, that an Excess Payment has been made, such Excess Payment shall be deemed for all purposes to be a loan to you made on the date you received the Excess Payment, and you shall promptly repay the Excess Payment to TPG, together with interest on the Excess Payment at the applicable federal rate (as defined in and under Section 1274(d) of the Code) from the date of your receipt of such Excess Payment until the date of such repayment. In the event that it is determined by an arbitrator, court or the Auditor upon request by any of the parties, that an Underpayment has occurred, TPG shall promptly pay an amount equal to the Underpayment to you, together with interest on such amount at the applicable federal rate from the date such amount would have been paid to you had the provisions of Section 14(b) not been applied until the date of payment.

(e) TPG shall appoint a nationally recognized accounting firm, law firm or consultancy to make the determinations required by this Section 14 and shall, to the extent consistent with Section 280G of the Code, all reductions to the value of payments that might otherwise qualify as a "parachute payments" under such Section (including the value of noncompetition restrictions and reasonable compensation for pre-and post-change in control services). TPG shall bear all expenses with respect to the determinations by such accounting firm, law firm or consultancy required to be made hereunder.

15. Arbitration.

(a) Any dispute, controversy or claim between you (or any of your beneficiaries or transferees) and any TPG Entity that arises out of, or relates to, this Agreement, any other TPG agreement, your services for any TPG Entity or any termination of your services for any TPG Entity (a "Covered Claim") shall, except to the extent otherwise provided in Section 13(b) or 13(c) with respect to certain claims for provisional or injunctive relief, be settled exclusively by *de novo* arbitration administered by the American Arbitration Association in accordance with its Commercial Arbitration Rules (the "AAA Rules") and this Section 15 by a panel of three arbitrators (the "Arbitral Tribunal") and carried out in Tarrant County, Texas. The Arbitral Tribunal shall authorize the parties to any arbitration to conduct a reasonable amount of discovery, including (without limitation) depositions to the extent that the Arbitral Tribunal deems appropriate. Notwithstanding anything to the contrary in this Agreement or elsewhere, the arbitration provisions set forth in this Section 15, and any arbitration conducted thereunder, shall be governed exclusively by the Federal Arbitration Act, Title 9, United States Code and the AAA Rules, to the exclusion of any state or municipal law of arbitration. Except as set forth in Section 15(f), the parties involved in any arbitration hereunder will bear their own fees and expenses and share equally all costs of such arbitration, provided that the Arbitral Tribunal may award costs to the party prevailing on a majority of the claims from an economic perspective.

(b) By agreeing to arbitration, the Parties do not intend to deprive any court with jurisdiction of its ability to issue a preliminary injunction, attachment or other form of provisional remedy in aid of the arbitration, and a request for such provisional remedies by any person to a court shall not be deemed a waiver of this agreement to arbitrate. The Arbitral Tribunal shall have the authority to grant provisional remedies, including, without limitation, injunctive relief, to the extent permitted under applicable law.

(c) Except as may be required by applicable law or court order, the Parties agree that they, and their affiliates, will maintain confidentiality as to all aspects of any arbitration or court proceeding under this Section 15, including its existence and results, except that nothing herein shall prevent any person from disclosing information regarding the arbitration for purposes of enforcing the award or in any court proceeding involving the parties. The Parties further agree to use their best reasonable efforts to obtain the agreement of any Arbitral Tribunal or court, as applicable, to preserve the confidentiality of any proceedings before it.

(d) Any award rendered by an Arbitral Tribunal shall be final and binding on the parties to the arbitration. Judgment on any award may be entered in any court of competent jurisdiction. The Parties hereto waive, to the fullest extent permitted by law, any rights to appeal to, or to seek review of such award by, any court.

(e) Notwithstanding anything in this Section 15 to the contrary, the TPG Entities shall each, as applicable, be entitled to injunctive relief from any court of competent jurisdiction for any violation of the restrictions and obligations imposed under Section 10.

(f) In respect of any Covered Claims that are brought within twelve months following the Termination Date, promptly following (but not later than fifteen business days after) receiving appropriate supporting documentation, the TPG Parties shall directly pay (or reimburse you or your beneficiaries or transferees, as applicable, for) any professional fees or other charges incurred by you or your beneficiaries or transferees in connection with a Covered Claim or Covered Claims, subject to repayment by you or your beneficiaries or transferees, as the case may be, promptly following (but not later than fifteen days after) any final determination by a court, company, arbitration, or arbitral panel that you or your beneficiaries or transferees, as the case may be, have not substantially prevailed (as determined based on the economic value of the Covered Claim or Covered Claims) with respect to a majority of Covered Claims.

16. Representations.

(a) You represent and warrant that as of the Effective Date: (a) neither the execution and delivery of this Agreement nor the performance of your duties under it violates or will violate the provisions of any other written agreement to which you are a party or by which you are bound or become bound, and (b) there are no written agreements by which you are bound that would prevent you from performing your duties hereunder.

(b) The TPG Parties each represent and warrant that as of the Effective Date: (i) it is fully authorized by action of any person or body whose action is required to enter into this Agreement and to perform the obligations set forth in it; (ii) the execution, delivery and performance of this Agreement by it will not violate any applicable law, regulation, order, judgment or decree or any TPG Arrangement; and (iii) upon the execution and delivery of this Agreement by each of the TPG Parties, this Agreement shall be its valid and binding obligation, enforceable against it in accordance with its terms, except to the extent that enforceability may be limited by applicable bankruptcy, insolvency or similar laws affecting the enforcement of creditors' rights generally.

17. Assignability; Binding Nature.

(a) This Agreement shall be binding upon and inure to the benefit of the Parties and their respective successors, heirs (in your case) and assigns, including any successor entities to TPG Partners, LLC.

(b) No rights or obligations of any TPG Party under this Agreement may be assigned or transferred by such TPG Party (each a "Transferor") except that such rights and obligations may be assigned or transferred pursuant to a merger, consolidation or other combination in which the Transferor is not the continuing entity, or a sale or liquidation of all or substantially all of the business and assets of the Transferor; provided that the assignee or transferee is the successor to all or substantially all of the business and assets of the Transferor and such assignee or transferee expressly assumes the liabilities, obligations and duties of the Transferor as set forth in this Agreement. In the event of any merger, consolidation, other combination, sale of business and assets, or liquidation as described in the preceding sentence, the Transferor shall use its best reasonable efforts to cause such assignee or transferee to promptly and expressly assume the liabilities, obligations and duties of the Transferor hereunder.

(c) None of your rights or obligations under this Agreement may be assigned or transferred by you other than your rights to compensation and benefits, which may be transferred only by will or by operation of law, except to the extent otherwise provided in Section 18(d).

18. Miscellaneous.

(a) Entire Agreement. Subject to the terms of Section 1, this Agreement (together with the other documents expressly referenced herein) incorporates the Parties' entire understanding with respect to its subject matter, and supersedes all prior agreements between the Parties with respect to its subject matter. This Agreement, when entered into, shall contain the entire understanding and agreement among the Parties concerning the subject matter hereof and supersedes in its entirety, as of the Effective Date.

(b) Amendment or Waiver. No provision in this Agreement may be amended unless such amendment is set forth in a writing that expressly refers to the provision of this Agreement that is being amended and that is signed by you and by an authorized (or apparently authorized) representative of each TPG Party. No waiver by any Party of any breach of any condition or provision contained in this Agreement shall be deemed a waiver of any similar or dissimilar condition or provision at the same or any prior or subsequent time. To be effective, any waiver must be set forth in a writing signed by the waiving Party and must specifically refer to the condition(s) or provision(s) of this Agreement being waived.

(c) Headings. The headings of the sections and sub-sections contained in this Agreement are for convenience only and shall not be deemed to control or affect the meaning or construction of any provision of this Agreement.

(d) Beneficiaries/References. You shall be entitled, to the extent permitted under applicable law and any applicable TPG agreement or plan, to select and change a beneficiary or beneficiaries to receive any compensation or benefit under any TPG Arrangement following your death by giving written notice thereof to the TPG Parties. In the event of your death or a judicial determination of your incompetence, references in this Agreement to you shall be deemed, where appropriate, to refer to your beneficiar(ies), transferee(s), heir(s), estate, executor(s), or other legal representative(s).

(e) Survivorship. Except as otherwise set forth in this Agreement, the respective rights and obligations of the Parties hereunder shall survive any termination of the Term.

(f) Joint and Several Obligations. All obligations of the TPG Parties under this Agreement shall, except as otherwise expressly provided in this Agreement, be joint and several.

19. Notice. Any notice, consent, demand, request, or other communication given to a person in connection with this Agreement shall be in writing and shall be deemed to have been given to such person (a) when delivered personally to such person or (b), provided that a written acknowledgment of receipt is obtained, five days after being sent by prepaid certified or registered mail, or two days after being sent by a nationally recognized overnight courier, to the address (if any) specified below for such person (or to such other address as such person shall have specified by ten days' advance notice given in accordance with this Section 19), or (c) on the date sent, if successfully sent by electronic mail during normal business hours of the recipient (and if not sent during normal business hours, the following Business Day), or (d), in the case of the TPG Entities only, on the first business day after it is sent by facsimile to the facsimile number set forth below (or to such other facsimile number as shall have specified by ten days' advance notice given in accordance with this Section 19), with a confirmatory copy sent by certified or registered mail or by overnight courier in accordance with this Section 19.

Jonathan Coslet

Dear Jonathan:

This letter agreement (this "Agreement") is prepared in light of your recent appointment as Vice Chairman of TPG Global LLC ("TPG Global," and together with TPG Partners, LLC (and, following its incorporation, TPG Inc., "TPG Inc."), TPG Partner Holdings, L.P. ("TPH") and each of their respective affiliates, if any, whose agreement to be bound hereby is necessary to the effectuate the intent hereof, (which effectuation will be implemented and administered by TPG Global), collectively, the "TPG Entities") to set out certain agreements between you and TPG Global LLC. This Agreement is effective upon the date first written above (the "Effective Date"). All capitalized terms used herein and not otherwise defined are as defined in Section 3 of this Agreement.

For good and valuable consideration, you and TPG Global agree:

1. Vesting of Pre-IPO Interests. Upon your Orderly Retirement, and notwithstanding anything to the contrary (including in the TPH Agreements), you shall vest in full into all of your unvested TPH Interests that were granted or issued to you (including, for the avoidance of doubt, any grants of TPH Partner Units communicated to you in writing in your 2021 compensation review) as of the earlier of (x) the Notice Date and (y) the effective date of the initial public offering of TPG, Inc. (or its predecessor or successor) (the "IPO"). TPH will retain its right (as in effect under the TPH Agreements) to adjust or reallocate amounts otherwise distributable to you in respect of your Promote Units.

2. Repurchase Right. Notwithstanding anything to the contrary (including in the TPH Agreements), if a Specified Action occurs, TPH (or its designee) may elect (in the sole discretion of the General Partner of TPH) to, at any time following the Effective Date but not beyond the 18th month anniversary of the date on which you cease to provide services to any of the TPG Entities, repurchase for Fair Market Value any or all of your TPH Interests. If TPH (or its designee) elects to repurchase any of your TPH Interests, TPH (or its designee) shall deliver to you a Repurchase Notice. Upon delivery of a Repurchase Notice, you (on behalf of yourself and the owner of any of your TPH Interests) agree to sell all TPH Interests referenced in such Repurchase Notice to TPH (or its designee) for the FMV Repurchase Amount on the terms set forth in this Agreement. The FMV Repurchase Amount shall be paid in cash in three equal installments on each of the first three anniversaries of the applicable Repurchase Date, in each

case, together with any interest as determined by TPH from the applicable Repurchase Date to the actual date of payment (and, to the extent interest is applicable, it shall be no less than the then short-term applicable federal rate for such period). TPH may prepay any portion of the FMV Repurchase Amount at any time in the sole discretion of the General Partner of TPH, and such prepaid amounts will be credited against the next installment of the FMV Repurchase Amount due. Upon your request, TPH will evidence the repurchase payment obligations in a non-negotiable note on terms and conditions consistent with the terms and conditions set forth in this Agreement.

3. Definitions.

a. "Fair Market Value" shall be the fair market value of a TPH Interest as of the applicable date of determination as reasonably determined by the General Partner of TPH in good faith.

b. "Orderly Retirement" shall mean your ceasing to provide services to the TPG Entities due to (x) your termination with the TPG Entities by them without Cause (as defined in the TPH Agreement) or (y) (i) on or after the first anniversary of the Effective Date (provided, however, that if an IPO occurs within six months of the Effective Date, then no earlier than the first anniversary of the effective date of the IPO), your voluntary termination following your delivery of written notice (the date of such notice or a notice to you from a TPG Entity of termination without Cause, the "Notice Date") to the Chief Executive Officer of TPG (with a copy to the Chief Human Resources Officer) of such resignation that specifies a resignation date that is at least 180 days following the Notice Date (unless your intent to retire arises from significant and sustained health or family developments, in which case you will provide as much notice as is reasonably practicable under the circumstances) and (ii) as of the Notice Date, your retirement would not trigger a "key man" suspension of the investment period under the limited partnership agreement (or analogous instrument) of any fund of any TPG Entities of which you are a key man (a "Key Man Event"), or any such "key man" condition has been waived by the applicable TPG party with respect to such fund, and, in the case of each of (x) and (y), you make yourself available to provide reasonable assistance and cooperation in transitioning your duties and responsibilities (including by assisting with identifying replacement "key persons" for any relevant TPG funds) and no Specified Action occurs. For the avoidance of doubt, if, as of the Notice Date, your retirement would trigger a Key Man Event, your rights will not be affected by such circumstances if the termination was pursuant to clause (x) and if it was pursuant to clause (y), you will be offered the opportunity to rescind your notice of voluntary termination.

c. "Repurchase Notice" means a written notice specifying (i) that TPH (or its designee) intends to repurchase TPH Interests, (ii) the number and which TPH Interests are to be repurchased, (iii) the effective date of such repurchase (the "Repurchase Date") and (iv) the aggregate amount payable with respect to such repurchase (which shall be equal to the Fair Market Value of the relevant TPH Interests (the "FMV Repurchase Amount")).

d. "Specified Action" means your breach of any of non-competition, non-solicitation, non-disparagement, confidentiality or work product obligations under any TPH Agreement that is binding upon you or your engaging in conduct constituting Cause (as defined in the TPH Agreement).

e. "TPH Agreement" means the Seventh Amended and Restated Limited Partnership Agreement of TPH, together with all grant and contribution agreements governing your TPH Interests, the "TPH Agreements."

f. "TPH Interests" means TPG Partner Units and Promote Units as defined in the TPH Agreement. Your TPH Interests mean any and all TPH Interests held by you or any person or party related to you or in which you have any pecuniary interest.

4. Miscellaneous.

a. This Agreement, together with the TPH Agreements, shall constitute the entire agreement between you and each TPG Entity with respect to the subject matter hereof, and supersede and are in full substitution for any prior understandings or agreements with respect to the subject matter hereof. Except as otherwise expressly set forth in this Agreement, nothing in this Agreement amends in any manner the TPH Agreements or the terms of any TPH Interests, and the TPH Agreements shall remain in full force and effect. For the avoidance of doubt, this Agreement supersedes in all respects the letter agreement, dated December 13, 2016, by and among TPG Global, TPH and you, which will no longer be in effect upon the Effective Date. TPH shall be a third-party beneficiary with respect to the immediately preceding sentence. All references to you in this Agreement mean and include you (Jonathan Coslet) and all related persons of yours holding TPH Interests from time to time.

b. This Agreement may be amended only by an instrument in writing signed by the signatories hereto (which in your case includes your applicable legal representative in the event of your death or legal incapacity). Any provision hereof may be waived only by an instrument in writing signed by the party against whom or which enforcement of such waiver is sought. The failure of any party hereto at any time to require the performance by the other party hereto of any provision hereof will in no way affect the full right of such party or his or its lawful successors to require such performance at any time thereafter. The waiver by any party hereto of a breach of any provision hereof will in no way be taken or held to be a waiver of any succeeding breach of such provision or a waiver of the provision itself or a waiver of any other provision of this Agreement.

c. Any provision of this Agreement (or portion thereof) that is determined by a court of competent jurisdiction to be invalid, illegal or unenforceable in any jurisdiction will, as to that jurisdiction and subject to this Section, be ineffective to the extent of such invalidity, illegality or unenforceability, without affecting in any way the remaining provisions hereof in such jurisdiction or rendering that or any other provision of this Agreement invalid, illegal or unenforceable in any other jurisdiction. If any covenant should be deemed invalid, illegal or unenforceable because its scope is considered excessive, such covenant will automatically be modified so that the scope of the covenant is reduced only to the minimum extent necessary to render the modified covenant valid, legal and enforceable. The parties acknowledge that good, valuable and sufficient consideration has been given for this Agreement.

d. This Agreement will be governed by and construed in accordance with the laws of Delaware without reference to its principles of conflicts of law.

e. This Agreement may be executed in multiple counterparts, each of which will be deemed an original, but all of which will constitute one and the same instrument. A facsimile of a signature or a signature delivered in portable document (".pdf") format via email will be deemed to be, and have the effect of, an original signature. The parties will timely and validly execute any further instrument as may be necessary or advisable to effect or perfect the matters contemplated by this Agreement.

f. This Agreement will inure to the benefit of and be binding upon the successors and assigns of TPG Global. This Agreement will inure to the benefit of you, your successors, heirs, legatees and personal representatives, but is not otherwise assignable by you without the prior written consent of TPG Global.

This Plan was approved by the Board on December 7, 2021 and the Company's shareholders on .

1.2 Purpose of this Plan. The purpose of this Plan is to attract, retain and motivate TPG Personnel, to compensate them for their contributions to the long-term growth and profits of the Company and to align the interests of TPG Personnel with those of Company shareholders by encouraging TPG Personnel to acquire a proprietary interest in the success of the Company.

After this Plan is terminated, no Awards may be granted under this Plan, but Awards previously granted will remain outstanding in accordance with their applicable terms and conditions and this Plan's terms and conditions.

The Committee may provide for the use of electronic, internet or other non-paper Award Agreements, and the use of electronic, internet or other non-paper means for the acceptance thereof and actions thereunder by a Participant. The Committee shall have the exclusive authority to determine the terms of an Award Agreement evidencing an Award granted under this Plan, subject to the provisions herein. The terms of an Award Agreement need not be uniform among all Participants or among similar types of Awards.

2.6 "**Beneficial Owner**" or "**Beneficial Ownership**" shall have the meaning ascribed to such term in Rule 13d-3 of the General Rules and Regulations under the Exchange Act.

2.10 "**Change in Control**" means, except as otherwise provided in the applicable Award Agreement, the occurrence of any of the following events:

(a) any Person or any group of Persons acting together that would constitute a "group" for purposes of Section 13(d) of the Exchange Act (excluding (i) a corporation or other entity owned, directly or indirectly, by the shareholders of the Company in substantially the same proportions as their ownership of stock of the Company, (ii) Permitted Investors or (iii) a Person or group of Persons in which one or more Affiliates of Permitted Investors, directly or indirectly, hold Beneficial Ownership of securities representing more than 50% of the total voting power in such Person or held by such group (including TPG GP A, LLC, collectively, "**Permitted Acquirers**")) is or becomes the Beneficial Owner, directly or indirectly, of securities of the Company representing more than 50% of the combined voting power of the Company's then outstanding voting securities; or

(c) there is consummated a merger or consolidation of the Company with any other corporation or other entity and, immediately after the consummation of such merger or consolidation, either (i) the Board immediately prior to the merger or consolidation does not constitute at least a majority of the board of directors of the company surviving the merger or, if the surviving company is a Subsidiary, the ultimate parent thereof, or (ii) the voting securities of the Company (including Common

Units exchangeable to any voting securities of the Company pursuant to the Exchange Agreement on an as-exchanged basis) immediately prior to such merger or consolidation do not continue to represent or are not converted into more than 50% of the combined voting power of the then outstanding voting securities of the Person resulting from such merger or consolidation or, if the surviving company is a Subsidiary, the ultimate parent thereof; or

Notwithstanding the foregoing, (A) the Sunset in and of itself shall not constitute a "Change in Control" and (B) except with respect to clause (b) and clause (c)(i) above, a "Change in Control" shall not be deemed to have occurred by virtue of the consummation of any transaction or series of integrated transactions immediately following which the holders of the shares of the Company (including Common Units exchangeable to any shares of the Company pursuant to the Exchange Agreement on an as-exchanged basis) immediately prior to such transaction or series of transactions continue to have substantially the same proportionate ownership in, and voting control over, and own substantially all of the shares of, an entity which owns, directly or indirectly, all or substantially all of the assets of the Company immediately following such transaction or series of transactions. For purposes of this definition of Change in Control, references to "the Company's stock/securities" or "stock/securities of the Company" shall include, for the avoidance of doubt, Common Units or other securities or rights of any entity that are convertible into, or exercisable or exchangeable for, the Company's stock or other securities. The Committee (or a subcommittee thereof) shall be constituted to comply with the requirements of Rule 16(b) of the Exchange Act and any

applicable listing or governance requirements of any securities exchange on which the Shares are listed; provided, however, that, if any Committee member is found not to have met the qualification requirements of Section 16(b) of the Exchange Act, any actions taken or Awards granted by the Committee shall not be invalidated by such failure to so qualify.

4.2 Share Usage. The number of Shares remaining available for issuance shall be reduced by the number of Shares subject to outstanding Awards and, for Awards that are not denominated by Shares, by the number of Shares actually delivered upon settlement or payment of the Award. For purposes of determining the number of Shares that remain available for issuance under this Plan, the number of Shares related to an Award granted under this Plan that terminates by expiration, forfeiture, cancellation or otherwise without the issuance of the Shares or is settled through the issuance of consideration other than Shares (including cash), shall be available again for grant under this Plan. Shares tendered by a Participant, repurchased by the Company using proceeds from the exercise of Options or withheld by the Company in payment of the exercise price of an Option or to satisfy any tax withholding obligation for an Award shall not again be available for Awards.

4.3 Adjustments in Authorized Shares. Adjustment in authorized Shares available for issuance under this Plan or under an outstanding Award shall be subject to the following provisions:

(a) In the event of any corporate event or transaction such as a merger, consolidation, reorganization, recapitalization, separation, reclassification, partial or complete liquidation, stock dividend, stock split, reverse stock split, split up, spin-off, distribution of stock or property of the Company, combination of Shares, exchange of Shares, dividend in kind, extraordinary cash dividend, rights offering to purchase Shares at a price that is substantially below FMV or any other similar corporate event or transaction ("**Corporate Transactions**"), the Committee, in order to preserve, but not increase, Participants' rights under this Plan, shall substitute or adjust, as applicable, (i) the number and kind of Shares that may be issued under this Plan or under particular forms of Award Agreements, (ii) the number and kind of Shares subject to outstanding Awards (including by payment of cash to a Participant), and (iii) the Option Price or Grant Price applicable to outstanding Awards and other value determinations applicable to outstanding Awards. The Committee, in its discretion, shall determine the methodology or manner of making such substitution or adjustment subject to applicable laws, rules and regulations.

(b) In addition to the adjustments permitted under Section 4.3(a) above, the Committee, in its sole discretion, may make such other adjustments or modifications in the terms of any Award that it deems appropriate to reflect any Corporate Transaction, including, but not limited to, modifications of performance goals and changes in the length of Performance Periods, subject to the limitations set forth in Section 14.2.

(c) The determination of the Committee as to the foregoing adjustments, if any, shall be conclusive and binding on Participants under this Plan. Unless otherwise determined by the Committee, such adjusted Awards shall be subject to the same restrictions and vesting or settlement schedule to which the underlying Award is subject.

ARTICLE 6. STOCK OPTIONS

6.1 Grant of Options. Options may be granted to Participants in such number, and upon such terms, and at any time and from time to time as shall be determined by the Committee, in its sole discretion. Each grant of an Option shall be evidenced by an Award Agreement which shall specify whether the Option is in the form of a Nonqualified Stock Option or an Incentive Stock Option.

6.2 Option Price. The Option Price for each grant of an Option shall be determined by the Committee in its sole discretion and shall be specified in the Award Agreement evidencing such Option; provided, however, the Option Price must be at least equal to 100% of the Fair Market Value of a Share as of the Option's Grant Date, subject to adjustment as provided for under Section 4.3.

6.3 Term of Option. The term of an Option granted to a Participant shall be determined by the Committee, in its sole discretion; provided, however, no Option shall be exercisable later than the tenth-anniversary date of its grant. If upon the expiration of the term of an Option (other than an Incentive Stock Option), a Participant is prohibited from trading in the Shares by applicable laws, rules or regulations or the Company's insider trading plan as in effect from time to time, the term of the Option shall be automatically extended to the 30th day following the expiration of such prohibition; provided, however, that this provision shall not apply if prohibited by applicable laws, rules and regulations in effect from time to time.

6.4 Exercise of Option. An Option shall be exercisable at such times and be subject to such restrictions and conditions as the Committee shall in each instance approve, which terms and restrictions need not be the same for each grant or for each Participant.

6.5 Payment of Option Price. An Option shall be exercised by the delivery of a notice of exercise to the Company or an agent designated by the Company in a form specified or accepted by the Committee, or by complying with any alternative procedures that may be authorized by the Committee, setting forth the number of Shares with respect to which the Option is to be exercised, accompanied by full payment for the Shares. A condition of the issuance of the Shares as to which an Option shall be exercised shall be the payment of the Option Price. The Option Price of any exercised Option shall be payable to the Company in accordance with one of the following methods:

(a) in cash or its equivalent;

(b) by tendering (either by actual delivery or attestation) previously acquired Shares having an aggregate Fair Market Value at the time of exercise equal to the Option Price;

(c) by a cashless (broker-assisted) exercise in accordance with procedures authorized by the Committee from time to time;

(d) through net Share settlement or similar procedure involving the withholding of Shares subject to the Option with a value equal to the Option Price;

(e) by any combination of (a), (b), (c) and (d); or

(f) any other method approved or accepted by the Committee in its sole discretion.

Unless otherwise determined by the Committee, all payments under all of the methods indicated above shall be paid in United States dollars or Shares, as applicable.

6.6 Special Rules Regarding ISOs. The terms of any Incentive Stock Option granted under this Plan shall comply in all respects with the provisions of Code Section 422, or any successor provision thereto, as amended from time to time. Notwithstanding any provision of this Plan to the contrary, an Option granted in the form of an ISO to a Participant shall be subject to the following rules:

(a) **Special ISO definitions**:

(i) "**Parent Corporation**" shall mean as of any applicable date a corporation in respect of the Company that is a parent corporation within the meaning of Code Section 424(e).

(ii) "**ISO Subsidiary**" shall mean as of any applicable date any corporation in respect of the Company that is a subsidiary corporation within the meaning of Code Section 424(f).

(iii) A "**10% Owner**" is an individual who owns stock possessing more than ten percent of the total combined voting power of all classes of stock of the Company or its Parent Corporation or any ISO Subsidiary.

(b) **Eligible Employees**. An ISO may be granted solely to eligible Employees of the Company, Parent Corporation or ISO Subsidiary.

(c) **Specified as an ISO**. An Award Agreement evidencing the grant of an ISO shall specify that such grant is intended to be an ISO.

(d) **Option Price**. The Option Price for each grant of an ISO shall be determined by the Committee in its sole discretion and shall be specified in the Award Agreement; provided, however, the Option Price must be at least equal to 100% of the Fair Market Value of a Share as of the ISO's Grant Date (in the case of 10% Owners, the Option Price may not be less than 110% of such Fair Market Value), subject to adjustment provided for under Section 4.3.

(e) **Right to Exercise**. Any ISO granted to a Participant shall be exercisable during his or her lifetime solely by such Participant.

(f) **Exercise Period**. The period during which a Participant may exercise an ISO shall not exceed ten years (five years in the case of a Participant who is a 10% Owner) from the date on which the ISO was granted.

(g) **Termination of Services**. In the event a Participant terminates employment due to death or Disability (as defined in Code Section 22(e)(3)), the Participant (or, in the case of death, the person(s) to whom the Option is transferred by will or the laws of descent and distribution) shall have the right to exercise the Participant's ISO award during the period specified in the applicable Award Agreement solely to the extent the Participant had the right to exercise the ISO on the date of his death or Disability; as applicable; provided, however, that such period may not exceed one year from the date of such Termination of Services due to death or Disability or, if shorter, the remaining term of the ISO. In the event a Participant terminates employment for reasons other than death or Disability, the Participant shall have the right to exercise the Participant's ISO during the period specified in the applicable Award Agreement solely to the extent the Participant had the right to exercise the ISO on the date of such Termination of Services; provided, however, that such period may not exceed three months from the date of such Termination of Services or if shorter, the remaining term of the ISO.

(h) **Dollar Limitation**. To the extent that the aggregate Fair Market Value of (i) the Shares with respect to which Options designated as Incentive Stock Options plus (ii) the shares of stock of the Company, Parent Corporation and any ISO Subsidiary with respect to which other Incentive Stock Options are exercisable for the first time by a holder of such Incentive Stock Options during any calendar year under all plans of the Company and ISO Subsidiary exceeds $100,000, such Options shall be treated as Nonqualified Stock Options. For purposes of the preceding sentence, Options shall be taken into account in the order in which they were granted, and the Fair Market Value of the Shares shall be determined as of the time the Option or other incentive stock option is granted.

(i) **Duration of Plan**. No ISO may be granted more than ten years after the earlier of (a) adoption of this Plan by the Board and (b) the Effective Date.

(j) **Notification of Disqualifying Disposition**. If any Participant shall make any disposition of Shares issued pursuant to the exercise of an ISO, such Participant shall notify the Company of such disposition within 30 days thereof. The Company shall use such information to determine whether a disqualifying disposition as described in Code Section 421(b) has occurred.

(k) **Transferability**. No ISO may be sold, transferred, pledged, assigned or otherwise alienated or hypothecated, other than by will or by the laws of descent and distribution; provided, however, that at the discretion of the Committee, an ISO may be transferred to a grantor trust under which Participant making the transfer is the sole beneficiary.

Awards shall not be transferable other than by will or the laws of descent and distribution or pursuant to a domestic relations order entered into by a court of competent jurisdiction. No Awards shall be subject, in whole or in part, to attachment, execution or levy of any kind. Any purported transfer in violation of this Section 13.1 shall be null and void.

13.2 Committee Action. Notwithstanding Section 13.1, the Committee may, subject to applicable laws, rules and regulations and such terms and conditions as it shall specify, determine that any or all Awards shall be transferable, for no consideration to a Permitted Transferee. ARTICLE 14. PERFORMANCE MEASURES

14.1 Performance Measures. Any Award to a Participant may be subject to performance goals as determined at the discretion of the Committee, which may include, but are not limited to, any of the following: (a) book value or earnings per share; (b) cash flow, free cash flow or operating cash flow; (c) earnings before or after any of, or any combination of, interest, taxes, depreciation, or amortization; (d) expenses/costs; (e) gross, net or pre-tax income (aggregate or on a per-Share basis); (f) net income as a percentage of sales; (g) gross or net operating margins or income, including operating income; (h) gross or net sales or revenues; (i) gross profit or gross margin; (j) improvements in capital structure, cost of capital or debt reduction; (k) market share or market share penetration; (l) growth in managed assets; (m) reduction of losses, loss ratios and expense ratios; (n) asset turns, inventory turns or fixed asset turns; (o) operational performance measures; (p) profitability ratios (pre or post tax); (q) profitability of an identifiable business unit or product; (r) return measures (including return on assets, return on equity, return on investment, return on capital, return on invested capital, gross profit return on investment, gross margin return on investment, economic value added or similar metric); (s) Share price (including growth or appreciation in Share price and total shareholder return); (t) strategic business objectives (including objective project milestones); (u) transactions relating to acquisitions or divestitures; or (v) working capital. Any Performance Measure(s) may, as the Committee in its sole discretion deems appropriate, (i) relate to the performance of the Company or any Affiliate as a whole or any business unit or division of the Company or any Affiliate or any combination thereof, (ii) be compared to the performance of a group of comparator companies, or published or special index, (iii) be based on a change in the Performance Measure over a specified period of time and such change may be measured based on an arithmetic change over the specified period (e.g., cumulative change or average change), or percentage change over the specified period (e.g., cumulative percentage change, average percentage change or compounded percentage change), (iv) relate to or be compared to one or more other Performance Measures or (v) any combination of the foregoing. Subject to Section 23.1, the Committee also has the authority to provide for accelerated vesting of any Award based on the achievement of performance goals pursuant to any Performance Measures.

14.2 Evaluation of Performance. The Performance Measures shall, to the extent possible, be determined in accordance with generally accepted accounting principles consistently applied on a business unit, divisional, Subsidiary or consolidated basis or any combination thereof. The Committee may provide in any Award that any evaluation of performance may include or exclude the impact, if any, on reported

financial results of any events that occur during a Performance Period including, but not limited to: (a) asset write-downs, (b) litigation or claim judgments or settlements, (c) changes in tax laws, accounting principles or other laws or provisions, (d) reorganization or restructuring programs, (e) acquisitions or divestitures, (f) foreign exchange gains and losses and (g) gains and losses that are treated as unusual or infrequently occurring items within the meaning of the accounting standards of the Financial Accounting Standard Board or such comparable successor term.

ARTICLE 15. TERMINATION OF SERVICES

15.1 Termination of Services. The Committee shall specify in the applicable Award Agreement, at or after the time of grant of an Award the provisions governing the terms of an Award in the event of a Participant's Termination of Services. Subject to applicable laws, rules and regulations, in connection with a Participant's termination, as well as Section 23.1, the Committee shall have the discretion to accelerate the vesting, exercisability or settlement of, eliminate the restrictions and conditions applicable to or extend the post-termination exercise period of an outstanding Award. Such provisions shall be determined by the Committee in its sole discretion and may be specified in the applicable Award Agreement or determined at a subsequent time. The Committee's decisions need not be uniform among all Award Agreements and Participants and may reflect distinctions based on the reasons for termination.

15.2 Post-Termination Findings. If subsequent to the Participant's Termination of Services other than for Cause, it is discovered that the Participant's Services could have been terminated for Cause, the Participant's Services may, at the election of the Committee, be deemed to have been terminated for Cause retroactively to the date the events giving rise to Cause occurred.

ARTICLE 16. NON-EMPLOYEE DIRECTOR AWARDS

16.1 Awards to Non-Employee Directors. The Board or Committee shall determine and approve all Awards to Non-Employee Directors. The terms and conditions of any grant of any Award to a Non-Employee Director shall be set forth in an Award Agreement.

16.2 Awards in Lieu of Fees. The Board or Committee may permit a Non-Employee Director the opportunity to receive an Award in lieu of payment of all or a portion of future director fees (including but not limited to cash retainer fees and meeting fees) or other types of Awards pursuant to such terms and conditions as the Board or Committee may prescribe and set forth in an applicable sub-plan or Award Agreement.

ARTICLE 17. EFFECT OF A CHANGE IN CONTROL

17.1 Change in Control. Subject to Section 23.1, if a Participant has in effect an employment, retention, change in control, severance or similar agreement with the Company or any Affiliate or is subject to a policy or plan that discusses the effect of a Change in Control on a Participant's Awards, then such agreement, plan or policy shall control. In all other cases, unless provided otherwise in an Award Agreement or by the Committee prior to the date of the Change in Control, in the event of a Change in Control the Committee may, but shall not be obligated to:

(a) accelerate, vest or cause the restrictions to lapse with respect to all or any portion of any Award;

(b) cancel any Awards for a cash payment or delivery of other property equal to Fair Market Value (as determined in the sole discretion of the Committee);

(c) provide for the issuance of substitute Awards that shall substantially preserve the otherwise applicable terms of any affected Awards previously granted hereunder as determined by the Committee in its sole discretion;

(d) provide that for a period of at least 15 days prior to the Change in Control, Options or SARs shall be exercisable as to all Shares subject thereto and that upon the occurrence of the Change in Control, such Options or SARs shall terminate and be of no further force and effect; or

(e) provide for the automatic acceleration and vesting with respect to all or any portion of any Award held by a Participant who is involuntarily terminated on or within two years following the applicable Change in Control.

If the value of an Award is based on the Fair Market Value of a Share, Fair Market Value shall be deemed to mean the per share Change in Control price. The Committee shall determine the per-share Change in Control price paid or deemed paid in the Change in Control transaction.

ARTICLE 18. DIVIDENDS AND DIVIDEND EQUIVALENTS

The Committee may provide Participants with the right to receive dividends or payments equivalent to dividends ("**Dividend Equivalents**") or interest with respect to an outstanding Award, which payments can either be paid in cash, either on a current or deferred basis, or deemed to have been reinvested in Shares, or a combination thereof, as the Committee shall determine, in each case, subject to all applicable laws, rules and regulations, including, without limitation, Code Section 409A.

ARTICLE 19. BENEFICIARY DESIGNATION

Each Participant under this Plan may, from time to time, name any beneficiary or beneficiaries (who may be named contingently or successively) to whom any benefit under this Plan is to be paid in case of his death before he receives any or all of such benefit. Each such designation shall revoke all prior designations by the same Participant, shall be in a form prescribed by the Committee and shall be effective only when filed by the Participant in writing with the Company during the Participant's lifetime. In the absence of any such beneficiary designation, benefits remaining unpaid or rights remaining unexercised at the Participant's death shall be paid to or exercised by the Participant's executor, administrator or legal representative.

ARTICLE 20. RIGHTS OF PARTICIPANTS

20.1 Employment. Nothing in this Plan or an Award Agreement shall (a) interfere with or limit in any way the right of the Company or any Affiliate to terminate any Participant's employment with or Service to the Company or any Affiliate at any time or for any reason not prohibited by law or (b) confer upon any Participant any right to continue his employment or Service for any specified period of time. Neither an Award nor any benefits arising under this Plan shall constitute an employment contract or create a statutory right to employment with the Company or any Affiliate and, accordingly, subject to Article 3 and Article 21, this Plan and the benefits hereunder may be amended or terminated at any time in the sole and exclusive discretion of the Board without giving rise to any liability on the part of the Company, any Affiliate, the Committee or the Board.

20.2 Participation. No individual shall have the right to be selected to receive an Award under this Plan, or, having been so selected, to be selected to receive a future Award. The Committee may grant more than one Award to a Participant and may designate an individual as a Participant for overlapping periods of time.

20.3 Rights as a Shareholder. Except as otherwise provided herein, a Participant shall have none of the rights of a shareholder with respect to Shares covered by any Award until the Participant becomes the record holder of such Shares. No adjustment shall be made for dividends or other rights for which the record date is prior to the date on which the Participant becomes the record holder of the Shares.

ARTICLE 21. AMENDMENT AND TERMINATION

21.1 Amendment and Termination of this Plan and Awards. Subject to applicable laws, rules and regulations and Section 21.3 of this Plan, the Board may at any time amend or terminate this Plan or amend or terminate any outstanding Award. Notwithstanding the foregoing, no amendment of this Plan shall be made without shareholder approval if shareholder approval is required pursuant to rules promulgated by any stock exchange or quotation system on which Shares are listed or quoted or by applicable U.S. state corporate laws or regulations, applicable U.S. federal laws or regulations and the applicable laws of any foreign country or jurisdiction where Awards are, or shall be, granted under this Plan.

21.2 Awards Previously Granted. Notwithstanding any other provision of this Plan to the contrary, other than Sections 22.2, 22.4, 23.2 and 23.16, no termination or amendment of this Plan or an Award Agreement shall adversely affect in any material way any Award previously granted under this Plan, without the written consent of the Participant holding such Award.

21.3 Amendment to Conform to Law. Notwithstanding any other provision of this Plan to the contrary, the Committee shall have the broad authority to amend this Plan, an Award or an Award Agreement, to take effect retroactively or otherwise, as deemed necessary or advisable in order to comply with, take into account changes in, or interpretations of, applicable tax laws, securities laws, employment laws, accounting rules and other applicable laws, rules, rulings and regulations promulgated thereunder. By accepting an Award under this Plan, a Participant agrees to any amendment made pursuant to this Section 21.3 to this Plan, an Award or an Award Agreement without further consideration or action.

21.4 Repricing of Options and Stock Appreciation Rights. Except in connection with a corporate transaction involving the Company (including, without limitation, any stock dividend, stock split, extraordinary cash dividend, recapitalization, reorganization, merger, consolidation, split-up, spin-off, combination or exchange of Shares), the terms of outstanding Awards may not be amended, without shareholder approval, to reduce the exercise price of outstanding Options or Stock Appreciation Rights, or to cancel outstanding Options or Stock Appreciation Rights in exchange for cash, other Awards, or Options or Stock Appreciation Rights with an exercise price that is less than the exercise price of the original Options or Stock Appreciation Rights.

ARTICLE 22. TAX WITHHOLDING

22.1 Tax Withholding. A member of the Company Group may require any individual entitled to receive a payment of an Award to remit to the applicable member of the Company Group prior to payment, an amount sufficient to satisfy any applicable federal, state, local and foreign tax withholding requirements. A member of the Company Group shall also have the right to deduct from all cash payments made to a Participant (whether or not such payment is made in connection with an Award) any applicable taxes required to be withheld with respect to such Award.

22.2 Share Withholding. With respect to withholding required upon the exercise of Options or SARs, upon the lapse of restrictions on Restricted Stock, upon the settlement of Restricted Stock Units or upon the achievement of performance goals related to Performance Shares, or any other taxable event arising as a result of an Award granted hereunder (collectively and individually referred to as a "**Share Payment**"), the Committee may permit or require a Participant to satisfy the withholding requirement, in whole or in part, by having the Company withhold Shares from a Share Payment (or repurchase Shares that were previously issued) having a Fair Market Value on the date the withholding is to be determined equal to the minimum statutory withholding requirement or such other rate as shall not result in any adverse accounting consequences, as determined by the Company in its sole discretion.

ARTICLE 23. GENERAL PROVISIONS

23.1 Minimum Vesting. All Awards shall be subject to a minimum vesting restriction or Performance Period of not less than one year (or, in the case of awards to Non-Employee Directors, the period from one annual meeting of shareholders to the next); provided, however, the requirements set forth in this sentence shall not apply to substituted Awards with time-based vesting restrictions no less than the time-based vesting restrictions of the Awards being replaced and Awards with respect to an aggregate number of Shares not in excess of 5% of the total Shares authorized for issuance under this Plan, as well as Awards accelerated in the event of a Termination of Services or a Change in Control. For purposes of this Section 23.1, a Performance Period shall include any period with respect to which an award is earned.

23.2 Forfeiture Events. The Committee may specify in an Award Agreement that the Participant's rights, payments and benefits with respect to an Award shall be subject to reduction, cancellation, forfeiture or recoupment upon the occurrence of certain specified events as determined by the Committee in its sole discretion.

23.3 Legend. All certificates for Shares delivered under this Plan shall be subject to such stock-transfer orders and other restrictions as the Committee may deem advisable under the rules, regulations and other requirements of the Securities and Exchange Commission, any exchange upon which the Shares are then listed, and any applicable securities law, and the Committee may cause a legend or legends to be put on any such certificates to make appropriate reference to such restrictions.

23.1 Data Privacy. As a condition for receiving any Award and to the extent permitted by applicable law, the Committee may require a Participant to explicitly and unambiguously consent to the collection, use and transfer, in electronic or other form, of the Participant's personal data by and among, as applicable, the Company and its Affiliates for the exclusive purpose of implementing, administering and managing the Participant's participation in this Plan. The Company and its Affiliates may hold certain personal information about Participants, including, but not limited to, a Participant's name, address, telephone number, birth date, social security, insurance number or other identification numbers, salary, nationality, job title(s), Shares held in the Company or its affiliates and Award details, to implement, manage and administer this Plan and Awards (the "**Data**"). The Company and its Affiliates may transfer the Data amongst themselves as necessary to implement, administer and manage a Participant's participation in this Plan, and the Company and its Affiliates may transfer the Data to third parties assisting in implementation, administration and management of the Plan, that these recipients may be located in the Participant's country or elsewhere, and that any recipient's country may have different data privacy laws and protections than the Participant's country. By accepting an Award, the Participant authorizes the recipients to receive, possess, use, retain and transfer Data, in electronic or other form, for the sole purpose of implementing, administering and managing the Participant's participation in this Plan. Furthermore, the Participant acknowledges and understands that the transfer of Data to the Company or to any third parties is necessary for the Participant's participation in this Plan. A Participant may view Data, request information about the storage and processing of Data, request any corrections to Data, or withdraw the consents herein (in any case, without cost to the Participant) by contacting compliance@tpg.com in writing. The withdrawal of any consent by a Participant may affect the Participant's participation in the Plan. The Participant may contact compliance@tpg.com for further information about the consequences of any withdrawal of consents herein.

23.2 Gender and Number. Except where otherwise indicated by the context, any masculine or feminine term used herein also shall include all applicable genders, the plural shall include the singular, and the singular shall include the plural.

23.3 Severability. In the event any provision of this Plan shall be held illegal or invalid for any reason, the illegality or invalidity shall not affect the remaining parts of this Plan, and this Plan shall be construed and enforced as if the illegal or invalid provision had not been included.

23.4 Requirements of Law. The granting of Awards and the issuance of Shares under this Plan shall be subject to all applicable laws, rules and regulations, and to such approvals by any governmental agencies or national securities exchanges as may be required.

23.5 Delivery of Title. The Company shall have no obligation to issue or deliver evidence of title for Shares issued under this Plan prior to:

(a) Obtaining any approvals from governmental agencies that the Company determines are necessary or advisable; and

(b) Completion of any registration or other qualification of the Shares under any applicable national, state or foreign law or ruling of any governmental body that the Company determines to be necessary or advisable.

23.6 Inability to Obtain Authority. The inability of the Company to obtain authority from any regulatory body having jurisdiction, which authority is deemed by the Company's counsel to be necessary to the lawful issuance and sale of any Shares hereunder, shall relieve the Company of any liability in respect of the failure to issue or sell such Shares as to which such requisite authority shall not have been obtained.

23.7 Investment Representations. The Committee may require any individual receiving Shares pursuant to an Award under this Plan to represent and warrant in writing that the individual is acquiring the Shares for investment and without any present intention to sell or distribute such Shares.

23.8 TPG Personnel Based Outside of the United States. Notwithstanding any provision of this Plan to the contrary, subject to Section 23.1, in order to comply with the laws in other countries in which the Company or any Affiliates operate or have a TPG Person, the Committee, in its sole discretion, shall have the power and authority to:

(a) Determine which Affiliates shall be covered by this Plan;

(b) Determine which a TPG Person outside the United States is eligible to participate in this Plan;

(c) Modify the terms and conditions of any Award granted to a TPG Person outside the United States to comply with applicable foreign laws;

(d) Establish sub-plans and modify exercise procedures and other terms and procedures, to the extent such actions may be necessary or advisable. Any sub-plans and modifications to Plan terms and procedures established under this Section 23.11 by the Committee shall be attached to this Plan document as appendices; and

(e) Take any action, before or after an Award is made, that it deems advisable to obtain approval or comply with any necessary local government regulatory exemptions or approvals.

Any sub-plans and special provisions may take precedence over other provisions of this Plan, but unless otherwise superseded by the terms of such sub-plans and special provisions, the provisions of this Plan shall govern. Notwithstanding the above, the Committee may not take any actions hereunder, and no Awards shall be granted, that would violate applicable law.

23.9 Uncertificated Shares. To the extent that this Plan provides for the issuance of certificates to reflect the transfer of Shares, the transfer of such Shares may be affected on a noncertificated basis, to the extent not prohibited by applicable law or the rules of any stock exchange.

23.10 Unfunded Plan. Participants shall have no right, title or interest whatsoever in or to any investments that the Company or any Affiliates may make to aid it in meeting its obligations under this Plan. Nothing contained in this Plan, and no action taken pursuant to its provisions, shall create or be construed to create a trust of any kind, or a fiduciary relationship between the Company and any Participant, beneficiary, legal representative or any other individual. To the extent that any individual acquires a right to receive payments from the Company or any Affiliate under this Plan, such right shall be no greater than the right of an unsecured general creditor of the Company or any Affiliate, as the case may be. All payments to be made hereunder shall be paid from the general funds of the Company, or any Affiliate, as the case may be, and no special or separate fund shall be established, and no segregation of assets shall be made to assure payment of such amounts except as expressly set forth in this Plan.

23.11 No Fractional Shares. No fractional Shares shall be issued or delivered pursuant to this Plan or any Award. The Committee shall determine whether cash, Awards or other property shall be issued or paid in lieu of fractional Shares or whether such fractional Shares or any rights thereto shall be forfeited or otherwise eliminated.

23.12 Retirement and Welfare Plans. Neither Awards made under this Plan nor Shares or cash paid pursuant to such Awards may be included as "compensation" for purposes of computing the benefits payable to any Participant under the Company's or any Affiliate's retirement plans (both qualified and nonqualified) or welfare benefit plans unless such other plan expressly provides that such compensation shall be taken into account in computing a Participant's benefit.

23.13 Deferrals.

(a) Notwithstanding any contrary provision in this Plan or an Award Agreement, if any provision of this Plan or an Award Agreement contravenes any regulations or guidance promulgated under Code Section 409A or would cause an Award to be subject to additional taxes, accelerated taxation, interest or penalties under Code Section 409A, such provision of this Plan or Award Agreement may be modified by the Committee without consent of the Participant in any manner the Committee deems reasonable or necessary. In making such modifications, the Committee shall attempt, but shall not be obligated, to maintain, to the maximum extent practicable, the original intent of the applicable provision without contravening the provisions of Code Section 409A. Moreover, any discretionary authority that the Committee may have pursuant to this Plan shall not be applicable to an Award that is subject to Code Section 409A to the extent such discretionary authority would contravene Code Section 409A or the guidance promulgated thereunder.

(b) If a Participant is a "specified employee" as defined under Code Section 409A and the Participant's Award is to be settled on account of the Participant's separation from service (for reasons other than death) and such Award constitutes "deferred compensation" as defined under Code Section 409A, then any portion of the Participant's Award that would otherwise be settled during the six-month period commencing on the Participant's separation from service shall be settled as soon as practicable following the conclusion of the six-month period (or following the Participant's death if it occurs during such six-month period).

(c) In accordance with the procedures authorized by, and subject to the approval of, the Committee, Participants may be given the opportunity to defer the payment or settlement of an Award to one or more dates selected by the Participant; provided, however, that the terms of any deferrals must comply with all applicable laws, rules and regulations, including, without limitation, Code Section 409A. No deferral opportunity shall exist with respect to an Award unless explicitly permitted by the Committee on or after the time of grant.

23.14 Nonexclusivity of this Plan. The adoption of this Plan shall not be construed as creating any limitations on the power of the Board or Committee to adopt such other compensation arrangements as it may deem desirable for any Participant.

23.15 No Constraint on Corporate Action. Nothing in this Plan shall be construed to: (a) limit, impair or otherwise affect the Company's or an Affiliate's right or power to make adjustments, reclassifications, reorganizations or changes of its capital or business structure, or to merge or consolidate, or dissolve, liquidate, sell or transfer all or any part of its business or assets or (b) limit the right or power of the Company or any Affiliate to take any action that such entity deems to be necessary or appropriate. The proceeds received by the Company from the sale of Shares pursuant to Awards shall be used for general corporate purposes.

23.16 Conflicts. Except as otherwise provided herein, in the event of any conflict or inconsistency between this Plan and any Award Agreement, this Plan shall govern, and the Award Agreement shall be interpreted to minimize or eliminate any such inconsistency.

23.17 Recoupment. Notwithstanding anything in this Plan to the contrary, all Awards granted under this Plan and any payments made under this Plan shall be subject to clawback or recoupment as permitted or mandated by applicable law, rules, regulations or Company policy as enacted, adopted or modified from time to time. For the avoidance of doubt, this provision shall apply to any gains realized upon exercise or settlement of an Award and Dividend Equivalents paid on unvested Awards.

23.18 Delivery and Execution of Electronic Documents. To the extent permitted by applicable law, the Company may (a) deliver by email or other electronic means (including posting on a website maintained by the Company or by a third party under contract with the Company) all documents relating to this Plan or any Award thereunder (including without limitation, prospectuses and other securities requirements) and all other documents that the Company is required to deliver to its security holders (including without limitation, annual reports and proxy statements) and (b) permit Participants to electronically execute applicable Plan documents (including, but not limited to, Award Agreements) in a manner prescribed to the Committee.

23.19 No Representations or Warranties Regarding Tax Effect. Notwithstanding any provision of this Plan to the contrary, the Company, Affiliates, the Board and the Committee neither represent nor warrant the tax treatment under any federal, state, local or foreign laws and regulations thereunder (individually and collectively referred to as the "**Tax Laws**") of any Award granted or any amounts paid to any Participant under this Plan including, the Tax Laws.

23.20 Indemnification. Subject to applicable laws, rules and regulations and the Company's Certificate of Incorporation as it may be amended from time to time, each individual who is or shall have been a member of the Board, or a Committee appointed by the Board, or an officer of the Company to whom authority was delegated in accordance with Article 3, shall be indemnified and held harmless by the

Company against and from (a) any loss, cost, liability or expense that may be imposed upon or reasonably incurred by him or her in connection with or resulting from any claim, action, suit or proceeding to which he or she may be a party or in which he or she may be involved by reason of any good faith action taken or failure to act under this Plan and (b) any and all amounts paid by him or her in settlement thereof, with the Company's approval or paid by him or her in satisfaction of any judgment in any such action, suit or proceeding against him or her; provided that he or she shall give the Company an opportunity, at its own expense, to handle and defend the same before he or she undertakes to handle and defend it on his or her own behalf. Notwithstanding the foregoing, no individual shall be entitled to indemnification if such loss, cost, liability or expense is a result of his/her own willful misconduct. The foregoing right of indemnification shall not be exclusive of any other rights of indemnification to which such individuals may be entitled under the Company's Articles of Incorporation or By-laws, as a matter of law or otherwise, or any power that the Company may have to indemnify them or hold them harmless.

23.21 Successors. Subject to Article 17, all obligations of the Company under this Plan with respect to Awards granted hereunder shall be binding on any successor to the Company (each, a "**Successor**"), whether the existence of such successor is the result of a direct or indirect purchase, merger, consolidation or otherwise, of all or substantially all of the business or assets of the Company.

23.22 Governing Law. This Plan and each Award Agreement shall be governed by the laws of the State of Delaware excluding any conflicts or choice of law rule or principle that might otherwise refer construction or interpretation of this Plan to the substantive law of another jurisdiction.

23.26 Arbitration.

(a) Any dispute, controversy or claim arising out of or relating to this Plan or with respect to an Award granted hereunder, including, without limitation, any dispute regarding the validity or termination of this Plan or an Award granted hereunder, or the performance or breach hereof or of the terms of any Award Agreement, shall be settled exclusively by arbitration administered by the American Arbitration Association (the "**AAA**"). The place of arbitration shall be Fort Worth, Texas, and the proceedings shall be conducted in the English language. The arbitration shall be conducted in accordance with the AAA rules governing commercial arbitration in effect at the time of the arbitration, except as modified herein. There shall be three arbitrators, one of whom shall be nominated by the Company or its designee and one who shall be nominated by the Participant within 30 days of receipt by respondent of the demand for arbitration, and the third arbitrator, who shall chair the arbitral tribunal, shall be nominated by the party nominated arbitrators within 30 days of the nomination of the second arbitrator. If any arbitrator is not appointed within the time limit provided herein, upon request of any party to the arbitration, such arbitrator shall be appointed by the AAA within 15 days of receiving such request.

(b) The arbitration shall commence within 45 days after the appointment of the third arbitrator; the arbitration shall be completed within 60 days of commencement; and the arbitrators' award shall be made within 30 days following such completion. The parties may agree to extend the time limits specified in the foregoing sentence.

(c) The arbitral tribunal may award any form of relief permitted under this Plan, the relevant Award Agreement, or applicable law, including damages and temporary or permanent injunctive relief, except that the arbitral tribunal is not empowered to award damages in excess of compensatory damages, and each party hereby irrevocably waives any right to recover punitive, exemplary or similar damages with respect to any dispute. The award shall be in writing and shall state the reasons for the award.

(d) The decision rendered by the arbitral tribunal shall be final and binding on the parties to the relevant Award Agreement. Judgment may be entered in any court of competent jurisdiction. By accepting an Award, the parties to the relevant Award Agreement waive, to the fullest extent permitted by law, any rights to appeal to, or to seek review of such award by, any court. By accepting an Award, the parties to the relevant Award Agreement agree to obtain the arbitral tribunal's agreement to preserve the confidentiality of the arbitration.

(e) Without limiting the foregoing, each party to an Award Agreement agrees that service of process on such party shall be deemed effective service of process on such party.

THE TPG INC.
2021 OMNIBUS INCENTIVE PLAN

FORM OF RESTRICTED STOCK UNIT AGREEMENT

TPG INC. STRONGLY ENCOURAGES YOU TO SEEK THE ADVICE OF YOUR OWN LEGAL AND FINANCIAL ADVISORS WITH RESPECT TO YOUR AWARD AND ITS TAX CONSEQUENCES.

Participant:
Number of Restricted Stock Units:
Grant Date:
Expiration Date:

THIS AWARD AGREEMENT (this "**Agreement**") is effective as of the Grant Date (shown above) and evidences an Award granted by TPG Inc., a Delaware corporation (the "**Company**" and together with its Affiliates, "**TPG**") to the Participant (shown above) pursuant to the TPG Inc. 2021 Omnibus Incentive Plan (as amended from time to time, the "**Plan**"), which is incorporated in and made a part of this Agreement by reference. Capitalized terms not defined in this Agreement have the meanings set forth in the Plan.

In consideration of the promises and the mutual covenants hereinafter set forth, the parties hereby agree as follows:

1. Grant and Restricted Period. The Committee has determined to grant the Participant, on the terms and conditions of this Agreement, an award (this "Award") of performance Restricted Stock Units (the "**RSUs**") consisting of the right to receive a number of Shares set forth above adjacent to "Number of Restricted Stock Units" above, and settlement in accordance with the terms and conditions of this Agreement.

2. Vesting; Termination of Services.

(a) Subject to the Participant continuously providing Services and complying with the terms and conditions hereof through (and including) the applicable vesting date, the number of RSUs set forth opposite such vesting date noted below (each, a "**Vesting Date**") will vest (unless previously vested or cancelled in accordance with the provisions of the Plan or this Agreement):

Vesting Date	Number of RSUs Vesting on Such Date

(b) Except as provided in Sections 3(c) or (d), if the Participant undergoes a Termination of Services prior to the final Vesting Date, any then-unvested RSUs will immediately terminate and be forfeited in their entirety as of the Termination Date. Subject only to a Participant's minimum entitlements under applicable employment or labor standards legislation, a Participant shall not be entitled to any damages or other compensation arising from or related to the forfeiture of this Award or any payment in respect thereof.

(c) Notwithstanding the terms of Section 2(b), if the Participant is terminated for Cause, otherwise engages in Cause or breaches the Restrictive Covenant Agreement attached hereto as Schedule A, all unvested RSUs, the number of Shares underlying vested RSUs and all Dividends or Dividend Equivalents received in the two years prior to the date such activity occurred will immediately terminate, be forfeited or be repaid (or any combination thereof) as of the date such activity occurs. In the event the Participant has sold or otherwise transferred any vested Shares that are to be forfeited pursuant to this Section, the Participant shall pay to the Company an amount equal to the Fair Market Value of such Shares as of the date such activity occurs, as determined by the Committee in its good faith discretion.

(d) Notwithstanding any provision in this Section 2, to the extent that the Participant is a party to an employment agreement with TPG or covered by a separation policy of TPG, the terms of such employment agreement or separation policy shall control upon the Participant's Termination of Services to the extent such terms address the treatment of RSUs with respect to the Participant's Termination of Services.

3. Expiration. The Participant shall have no rights related to this Award unless the Participant executes and returns this Agreement before the close of business on the Expiration Date (shown above). The Expiration Date may be modified, in the sole discretion of the Company, upon written request of the Participant.

4. Form and Timing of Payment of Vested Awards.[1]

(a) Settlement Date. Subject to RSUs vesting in accordance with Section 2 and the other terms and conditions of this Agreement, the RSUs will be settled as soon as practicable following the applicable Vesting Date, but in no event later than March 15th of the year following the year in which the applicable Vesting Date occurs, by delivery to the Participant of payment with respect to such RSUs in the form of Shares.

(b) Withholding. Subject to the Plan, the Company may require any individual entitled to receive a payment of an Award to remit to TPG prior to payment, an amount sufficient to satisfy any applicable federal, state, local and foreign tax withholding requirements (whether arising on the applicable Vesting Date, the settlement date or otherwise). TPG shall also have the right to deduct from all cash payments made to a Participant (whether or not such payment is made in connection with an Award) any applicable taxes required to be withheld with respect to such Award. If so required, no portion of this Award will be delivered to the Participant unless and until the Participant has remitted to TPG an amount sufficient to satisfy any required withholdings. Unless otherwise requested in writing at least three business days in advance of the applicable

1 Note to Draft: This form contemplates settlement in shares, but if desirable, RSUs can be settled in cash if payment is deferred for at least 6 months after the vesting date.

settlement date in a manner that is not prohibited by any blackout periods under the Company's insider trading policies, the Company shall hold back a portion of this Award otherwise deliverable to the Participant to cover any required withholdings. If Shares are used to pay all or a portion of such withholding tax obligation, the number of Shares that may be withheld, surrendered, or reduced shall be limited to the number of Shares which have value on the applicable Vesting Date equal to the aggregate amount of such liabilities based on the greatest statutory withholding rates applicable to the Participant for federal, state, foreign, or local tax purposes, including payroll taxes, that may be utilized without creating adverse accounting treatment with respect to such Award, as determined by the Committee. Any fraction of a Share which would be required to satisfy such an obligation shall be rounded to the next whole Share and the remaining amount due shall be paid in cash to the Participant.

5. Dividends and Dividend Equivalents. The Participant shall be entitled to Dividend Equivalents in respect of the RSUs that have not yet been settled (whether or not vested), and such Dividend Equivalents shall be paid in cash to the Participant as soon as reasonably practicable following the applicable Vesting Date (taking into consideration relevant legal and operational considerations).

6. Beneficiary Designation. The Participant may, from time to time, name any beneficiary or beneficiaries (who may be named contingently or successively) to whom any benefit under this Agreement is to be paid in case of the Participant's death before the Participant receives any of such benefit. Each such designation shall revoke all prior designations by the Participant, shall be in a form prescribed by the Company, and shall be effective only when delivered by the Participant in writing to the Company during the Participant's lifetime. In the absence of any such designation, benefits remaining unpaid at the Participant's death shall be paid to the Participant's executor, administrator or legal representative.

7. No Right to Continued Employment or Further Awards.

(a) Neither the Plan nor this Agreement shall be construed as (i) giving the Participant any right to continue in the employ of the Company and its Affiliates or (ii) giving the Participant any right to be reemployed by the Company and its Affiliates following any termination of employment. The termination of employment provisions in this Agreement only apply to the treatment of this Award as specified herein and shall not otherwise affect the Participant's employment relationship. Nothing contained in this Agreement shall be deemed to constitute or create a contract of employment.

(b) The Company has granted this Award to the Participant in its sole discretion. This Award does not form part of the Participant's employment contract, if any. Neither this Agreement nor the Plan confers on the Participant any right or entitlement to receive another Award, or any other similar award at any time in the future or in respect of any future period. This Award does not confer on the Participant any right or entitlement to receive compensation in any specific amount for any future fiscal year and does not diminish in any way the Company's discretion to determine the amount, if any, of the Participant's compensation.

8. Transferability.

(a) This Award shall not be transferable other than by will, the laws of descent and distribution, pursuant to a domestic relations order entered by a court of competent jurisdiction or to a Permitted Transferee for no consideration pursuant to the Plan or as permitted by the Committee. Any Award transferred shall be further transferable only by will, the laws of descent and distribution, pursuant to a domestic relations order entered by a court of competent jurisdiction, or, for no consideration, or upon consent of the Committee.

(b) Except as set forth in the Plan or as determined by the Committee, a Participant's rights under the Plan shall be exercisable during the Participant's lifetime only by the Participant, or in the event of the Participant's legal incapacity, the Participant's legal guardian or representative.

9. Restrictive Covenants. The Participant expressly acknowledges and agrees that as a condition of receiving this Award, the Participant will be bound by the Restrictive Covenants Agreement attached hereto as Schedule A, and that a breach of such agreement by the Participant may result in the Committee or TPG terminating this Award (whether or not vested), as described above, and otherwise taking any action permitted by the Plan. TPG Global, LLC (or its applicable Affiliate), as the employer of the Participant, shall be a third-party beneficiary of this provision and entitled to enforce its terms against such Participant as if it were a direct party to this Agreement.

10. Notices. Notice under this Agreement shall be addressed to the Company in care of the Office of General Counsel at the Company's headquarters and to the Participant at the address appearing in the records of the Company for the Participant, or to either party at another address that the party designates in writing to the other. Notice shall be effective upon receipt.

11. Interpretation. Any dispute regarding the interpretation of this Agreement shall be submitted by the Participant or by the Company forthwith to the Committee for review. The resolution of such a dispute by the Committee shall be final and binding on all parties, except as otherwise permitted by applicable law.

12. Governing Law; Arbitration. The interpretation, performance and enforcement of this Award and this Agreement shall be governed by the laws of the State of Delaware without regard to principles of conflicts of law. To the extent any provision of this Agreement is held by a court of competent jurisdiction to be unenforceable or invalid for any reason, the remaining provisions of this Agreement shall remain in full force and effect. The Participant expressly acknowledges and agrees that as a condition of receiving this Award, the Participant will be bound by the provisions of Section 23.26 of the Plan regarding arbitration.

13. Award Subject to Plan.

(a) This Award is granted subject to the Plan and to such rules and regulations the Committee may adopt for administration of the Plan. The Committee is authorized to administer, construe, and make all determinations necessary or appropriate to administer the Plan and this Agreement, all of which shall be binding upon the Participant.

(b) To the extent of any inconsistencies between the Plan and this Agreement, the Plan will govern. This Agreement and the Plan constitute the entire agreement between the parties regarding the subject matter hereof. They supersede all other agreements, representations or understandings (whether oral or written, express or implied) that relate to the subject matter hereof.

(c) The Committee may terminate, amend, modify or suspend the Plan and amend or modify this Agreement; provided, however, that no termination, amendment, modification or suspension shall materially and adversely affect the Participant's rights under this Agreement, without the Participant's written consent.

14. Section 409A.

(a) This Award is intended to either (i) qualify for the short-term deferral exemption under Section 409A of the U.S. Internal Revenue Code and the final regulations promulgated thereunder ("**Section 409A**") or (ii) satisfy the requirements of Section 409A. This Agreement shall be interpreted, administered and construed in a manner consistent with that intent. Notwithstanding the forgoing, if the Company determines that any provision of this Agreement or the Plan contravenes Section 409A or could cause the Participant to incur any tax, interest or penalties under Section 409A, the Committee may, in its sole discretion and without the Participant's consent, modify such provision to (x) comply with, or avoid being subject to, Section 409A, or to avoid the incurrence of any taxes, interest and penalties under Section 409A, or (y) maintain, to the maximum extent practicable, the original intent and economic benefit to the Participant of the applicable provision without materially increasing the cost to the Company or contravening the provisions of Section 409A. This Section 14 does not create an obligation of the Company to modify the Plan or this Agreement and does not guarantee that the RSUs will not be subject to taxes, interest and penalties under Section 409A.

(b) If a Participant is a "specified employee" as defined under Section 409A and the Participant's Award is to be settled on account of the Participant's separation from service (for reasons other than death) and such Award constitutes "deferred compensation" as defined under Section 409A, then any portion of the Participant's Award that would otherwise be settled during the six-month period commencing on the Participant's separation from service shall be settled as soon as practicable following the conclusion of the six-month period (or following the Participant's death if it occurs during such six-month period).

15. Recoupment. This Award shall be subject to any clawback, recoupment or similar policy as permitted or mandated by applicable law, rules, regulations or any Company policy as enacted, adopted or modified from time to time.

16. Electronic Delivery. The Company may, in its sole discretion, deliver any documents related to current or future participation in the Plan by electronic means. By accepting this Award, the Participant consents to receive such documents by electronic delivery and to participate in the Plan through an on-line or electronic system established and maintained by the Company or a third party designated by the Company.

17. Personal Data Privacy. The Participant explicitly and unambiguously consents to the collection, use and transfer, in electronic or other form, of the Participant's personal data by and among, as applicable, the Company and its Affiliates for the exclusive purpose of implementing, administering and managing the Participant's participation in the Plan. The Participant understands and acknowledges that the Company and its Affiliates may hold certain personal information about the Participant, including, but not limited to, the Participant's Data. The Participant understands and acknowledges that the Company and its Affiliates may transfer the Data amongst themselves as necessary to implement, administer and manage the Participant's

participation in this Plan, and the Company and its Affiliates may transfer the Data to third parties assisting in the implementation, administration and management of the Plan, that these recipients may be located in the Participant's country or elsewhere, and that any recipient's country may have different data privacy laws and protections than the Participant's country. By accepting this Award, the Participant authorizes the recipients to receive, possess, use, retain and transfer the Data, in electronic or other form, for the sole purpose of implementing, administering and managing the Participant's participation in the Plan. Furthermore, the Participant acknowledges and understands that the transfer of Data to the Company or to any third parties is necessary for the Participant's participation in the Plan. The Participant may view Data, request information about the storage and processing of Data, request any corrections to Data, or withdraw the consents herein (in any case, without cost to the Participant) by contacting in writing. The withdrawal of any consent by the Participant may affect the Participant's participation in the Plan. The Participant may contact for further information about the consequences of any withdrawal of consents herein.

18. Headings. The headings of sections and subsections are included solely for convenience of reference and shall not affect the meaning of the provisions of this Agreement.

19. Successor. All obligations of the Company under the Plan and this Agreement, with respect to this Award, shall be binding on any successor to the Company, whether the existence of such successor is the result of a direct or indirect purchase, merger, consolidation, or otherwise, of all or substantially all of the business or assets of the Company.

20. Signature in Counterparts. If delivered in paper format, this Agreement may be signed in counterparts. Each counterpart shall be an original, with the same effect as if the signatures were on the same instrument.

21. Enforceability. To the extent any provision of this Agreement is held by a court of competent jurisdiction to be unenforceable or invalid for any reason, the remaining provisions of this Agreement shall not be affected by such holding and shall continue in full force in accordance with their terms.

22. Language. If the Participant has been provided with a copy of this Agreement, the Plan or any other document relating to this Award in a language other than English, the English language shall govern in the event of any inconsistency.

23. Waiver. No failure or delay by the Company to enforce any provision of this Agreement or exercise any right or remedy provided by law shall constitute a waiver of that or any other provision, right or remedy, nor shall it prevent or restrict the further exercise of that or any other provision, right or remedy. No single or partial exercise of such provision, right or remedy shall prevent or restrict the further exercise of that or any other provision, right or remedy.

24. Foreign Exchange Restrictions. The Participant understands and agrees that neither the Company or its Affiliates are responsible or liable for any foreign exchange fluctuations between the Participant's local currency (if applicable) and the United States Dollar (or the selection by the Company or a subsidiary of any applicable foreign exchange rate it may determine in its discretion to be appropriate) that may affect the value of this Award or the calculated income, taxes or other amounts thereunder or any related taxes or other amounts.

25. Appendix. Notwithstanding anything in this Agreement to the contrary, if the Participant resides outside of the United States, certain additional terms and conditions in the attached appendix (the "**Appendix**") may apply to the Participant and this Award. Schedule A

Restrictive Covenants Agreement

This "Agreement" is effective as of the Grant Date set forth in the Award Agreement to which this Agreement is Schedule A and is entered into by and between [EMPLOYER] (the "Company"), on its own behalf and on behalf of its Affiliates, together "TPG") and the Covered Person (as defined below). Each capitalized term that is used but not defined in this Agreement shall have the meaning ascribed to it in the TPG Inc. 2021 Omnibus Incentive Plan.

1. *Non-Compete*. The Covered Person agrees that TPG would likely suffer significant harm from the Covered Person's competing with TPG during the period such Covered Person provides Services and for some period of time thereafter. Accordingly, the Covered Person agrees that while he or she provides Services and during the Restricted Period for the Covered Person, the Covered Person shall not (a) associate (directly or indirectly) as an employee, partner, officer or director (or pursuant to any other arrangement to provide services customarily performed by an employee, partner, officer or director), with any Competitor or any Competitor's affiliates or (b) solicit, induce, persuade or entice (by written, oral or any other means), any Portfolio Company or prospective Portfolio Company or any investor or prospective investor in any Fund or any affiliate of any of the foregoing whose identity became known to such Covered Person in connection with such Covered Person's provision of Services, to transact business with another Person or to reduce or refrain from doing any business with any Covered Entity, in each case unless (i) such Covered Person has advised the Company in writing in advance of such Covered Person's desire to undertake such activities and the specific nature of such activities and (ii) the Company, in its sole discretion, has approved in writing such activities, subject to any reasonable conditions the Company may impose, including (x) the Company has received written assurances (that will be designed, among other things, to protect the goodwill, Confidential Information, investor and operating partner relationships and other important commercial interests) from the Competitor and Covered Person that are, in the Company's sole discretion, applicable and adequate to protect the interests of the Covered Entities and (y) the Covered Person and the Competitor adhere to such assurances.

2. *Confidentiality*. The Covered Person agrees that he or she shall not at any time disclose, without the prior written consent of the Company, any information (whether oral or written) with respect to, or any matter relating to, the Covered Entities, including trade secrets, proprietary information, and any and all reports, data, interpretations, forecasts, records, analyses, compilations, studies, pipeline information known to such Covered Person or other documents prepared by or provided to such Covered Person in connection with such Covered Person's provision of Services or in connection with any existing or contemplated transaction or investment related activities of any Covered Entity (whether or not such information was prepared by or provided to such Covered Person in his or her capacity as a Covered Person or in connection with such Covered Person's provision of Services) and Work Product (the "Confidential Information"); provided that the Covered Person may disclose any such Confidential Information to the extent (a) it has become generally available to the public through no breach by the Covered Person, (b) it may be required or appropriate in any report, statement or testimony submitted to any municipal, state or national (including foreign) regulatory body having or claiming to have jurisdiction over the Covered Person, (c) it may be required or appropriate in response to any summons or subpoena

or, in connection with any litigation or (d) it may be required in order to comply with any law, order, regulation or ruling applicable to the Covered Person; and provided further that, in each case of potential disclosure under clauses (b) through (d), the Covered Person agrees to provide the Company with prompt written notice of such potential disclosure so that it may seek an appropriate protective order or other appropriate remedy. Notwithstanding anything herein to the contrary, nothing in this Agreement shall (i) prohibit the Covered Person from making reports of possible violations of federal law or regulation to any governmental agency or entity in accordance with the provisions of and rules promulgated under Section 21F of the Securities Exchange Act of 1934 or Section 806 of the Sarbanes-Oxley Act of 2002, or of any other whistleblower protection provisions of state or federal law or regulation, or (ii) require the Covered Person to comply with the notification requirement in the preceding sentence with respect to any such reporting. In making any such report, however, the Covered Person is not authorized to disclose communications with counsel that were made for the purpose of receiving legal advice, that contain legal advice or that are protected by the attorney work product or similar privilege. Furthermore, the Covered Person shall not be held criminally or civilly liable under any federal or state trade secret law for disclosing a trade secret (A) in confidence to a federal, state or local government official, either directly or indirectly, or to an attorney, in each case, solely for the purpose of reporting or investigating a suspected violation of law or (B) in a complaint or other document filed under seal in a lawsuit or proceeding. Notwithstanding this immunity from liability, the Covered Person acknowledges that the Covered Person may be held liable if he unlawfully accesses trade secrets by unauthorized means. The confidentiality provisions of this Agreement shall survive as to any Covered Person withdrawing or otherwise removed from the Company.

3. *Employee Non-Solicitation*. While the Covered Person provides Services and for the Non-Solicitation Period, the Covered Person shall not (whether on the Covered Person's own behalf or on behalf of any other person, whether directly or indirectly and whether or not for compensation) solicit for employment, hire or engage (or endeavor to solicit for employment, hire or engage) any person who is or was (as applicable) an employee, partner or consultant of a Covered Entity at the time of such solicitation for employment, hiring or engagement or at any time during the six months immediately prior to such solicitation for employment, hiring or engagement.

4. *Non-Disparagement*. The Covered Person shall not at any time make negative, derogatory or disparaging comments regarding any Covered Entity or any of their respective businesses, current or former equity holders, directors, officers, employees, agents, clients, investors or any other person affiliated with them, whether individually or in their official capacities. The Covered Person shall not engage in any conduct or communications with the intent or that has the effect of disparaging any Covered Entity or any of their respective businesses, current or former equity holders, directors, officers, employees, agents, clients, investors or any other person affiliated with them, whether individually or in their official capacities.

5. *Work Product is Property of TPG*. In consideration of the promises and undertakings of TPG in this Agreement, the Covered Person agrees that all Work Product of the Covered Person shall be the sole and exclusive property of the Company (or other applicable Covered Entity as the Company may agree), and is hereby irrevocably assigned to the Company or its designee, regardless of whether (a) such Work Product was conceived, made, developed or worked on during regular hours of the Covered Person's provision of Services or during time away

from any such provision of Services, (b) the Work Product was made at the suggestion of a Covered Entity, or (c) the Work Product was reduced to drawing, written description, documentation, models or other tangible form. Without limiting the foregoing, the Covered Person acknowledges that all original works of authorship that are made by the Covered Person, solely or jointly with others, within the scope of the Covered Person's Services, if any, and that are protectable by copyright law are "works made for hire," as that term is defined in the U.S. Copyright Act (17 U.S.C., Section 101), and are therefore owned by the Company, from the time of creation. The Covered Person agrees to, and does hereby, transfer, and set over, to the Company or its designee, all of his or her rights, title and interests throughout the world in and to all Work Product, without the necessity of any further compensation, and agrees that the Company is entitled to obtain and hold in its own name all patents, copyrights and other rights in respect of all Work Product. The Covered Person agrees to (i) cooperate with the Company, both while a Covered Person and thereafter, in obtaining patents or copyrights or other intellectual property protection for all Work Product; (i) execute, acknowledge, seal and deliver all documents tendered by the Company to evidence its ownership thereof throughout the world; and (iii) cooperate with the Company in obtaining, defending and enforcing its rights therein. The Covered Person represents that there are no other contracts to assign inventions or other intellectual property that are now in existence between the Covered Person and any other person (other than the Company). In addition, the Covered Person shall not be entitled to disclose, and use for his or her benefit, information regarding the track record of investment transactions with respect to any Covered Entity. Nothing set forth herein shall limit in any way the rights of the Company or its designee to the investment track record of the Covered Entities. "Work Product" shall include all ideas, works of authorship, inventions, business methods and other creations, whether or not patentable, copyrightable or subject to other intellectual property protection, that are made, conceived, developed or worked on in whole or in part by the Covered Person, whether alone or with others that relate in any manner whatsoever to the business, existing or anticipated, of the Covered Entities or any other business or research or development effort in which any Covered Entity engages. Work Product includes any material previously conceived, made, developed or worked on prior to the date of the Covered Person's admission to the Company, including, for the avoidance of doubt, any material previously conceived, made, developed or worked on while the Covered Person provided Services prior to the date of the Covered Person's admission to the Company.

6. *Non-Publicity*. The Covered Person agrees that while providing Services and following termination, except in the course of the performance of the Covered Person's duties and responsibilities, the Covered Person shall not prepare or assist any person or entity in the preparation of any books, articles, radio broadcasts, electronic communications, television or motion picture productions or other creations, concerning any Covered Entity or any of their respective businesses, current or former equity holders, directors, officers, employees, agents, clients, investors or any other person affiliated with them.

7. *Scope*. The Covered Person acknowledges that he or she has carefully read and considered all the terms and conditions of this Agreement, including the restraints imposed upon him or her pursuant to this Agreement. The Covered Person agrees that said restraints are necessary for the reasonable and proper protection of TPG, and that each and every one of the restraints is reasonable in respect to subject matter, length of time and geographic area.

8. *Limitations*. If the provisions of this Agreement are ever deemed by a court to exceed the limitations permitted by applicable law, the Covered Person and TPG agree that such provisions shall be, and are, automatically reformed to the maximum limitations permitted by such law. The provisions of this Agreement are severable, and no breach of any provision of this Agreement, or any other claimed breach of contract or violation of law, shall operate to excuse the Covered Person's obligation to fulfill the requirements of this paragraph 8.

9. *Injunctive Relief*. It is impossible to measure in money the damages that will accrue to TPG if the Covered Person breaches any of the covenants provided in this Agreement. If the Covered Person breaches any such covenant, TPG shall be entitled to an injunction restraining the Covered Person from violating such covenant (without posting any bond). If TPG shall institute any action or proceeding to enforce any such covenant, the Covered Person hereby waives the claim or defense that TPG has an adequate remedy at law and agrees not to assert in any such action or proceeding with the claim or defense that TPG has an adequate remedy at law. The foregoing shall not prejudice TPG's right to require the Covered Person to account for and pay over to TPG, and the Covered Person hereby agrees to account for and pay over to TPG, the compensation, profits, monies, accruals or other benefits derived or received by the Covered Person as a result of any transaction constituting a breach of any of the covenants provided in this Agreement.

10. *Attorneys' Fees*. If a Covered Person breaches any of the covenants provided in this Agreement, TPG shall be entitled to recover from the Covered Person all expenses, including attorneys' fees, incurred by TPG in enforcing such covenants.

11. *Governing Law; Submission to Jurisdiction.* Notwithstanding any provision in the Award Agreement to the contrary, the Covered Person's covenants, restrictions and representations set forth in this Schedule A shall be construed according to the laws of the State of New York without regard to its conflict of laws principles that would result in the application of the laws of another jurisdiction. With respect to any claim or dispute related to or arising under the terms of this Schedule A, the parties hereby consent to the jurisdiction, forum and venue of the state and federal courts located in New York, New York; provided, however, that the parties acknowledge and agree that each member of TPG shall also be entitled to enforce the terms of this Schedule A in any other court of competent jurisdiction.

THIS AWARD AGREEMENT (this "**Agreement**") is effective as of the Grant Date (shown above) and evidences an Award granted by TPG Inc., a Delaware corporation (the "**Company**" and together with its Affiliates, "**TPG**") to the Participant (shown above) pursuant to the TPG Inc. 2021 Omnibus Incentive Plan (as amended from time to time, the "**Plan**"), which is incorporated in and made a part of this Agreement by reference. Capitalized terms not defined in this Agreement have the meanings set forth in the Plan.

In consideration of the promises and the mutual covenants hereinafter set forth, the parties hereby agree as follows:

1. Grant and Restricted Period. The Committee has determined to grant the Participant, on the terms and conditions of this Agreement, an award (this "**Award**") of Restricted Stock Units (the "**RSUs**") consisting of the right to receive a number of Shares set forth above adjacent to "Number of Restricted Stock Units" above and settlement in accordance with the terms and conditions of this Agreement.

2. Vesting; Termination of Services.

(b) If a Change in Control occurs prior to the final Vesting Date, any then-unvested RSUs will immediately vest upon the consummation of the Change in Control.

(c) If the Participant undergoes a Termination of Services prior to the final Vesting Date, any then-unvested RSUs will immediately terminate and be forfeited in their entirety as of the Termination Date. Participant shall not be entitled to any damages or other compensation arising from or related to the forfeiture of this Award or any payment in respect thereof.

3. Expiration. The Participant shall have no rights related to this Award unless the Participant executes and returns this Agreement before the close of business on the Expiration Date (shown above). The Expiration Date may be modified, in the sole discretion of the Company, upon written request of the Participant.

4. Form and Timing of Payment of Vested Awards.[1]

(a) Settlement Date. Subject to RSUs vesting in accordance with Section 2 and the other terms and conditions of this Agreement, the RSUs will be settled as soon as practicable following the applicable Vesting Date, but in no event later than March 15th of the year following the year in which the applicable Vesting Date occurs, by delivery to the Participant of payment with respect to such RSUs in the form of Shares.

6. Beneficiary Designation. The Participant may, from time to time, name any beneficiary or beneficiaries (who may be named contingently or successively) to whom any benefit under this Agreement is to be paid in case of the Participant's death before the Participant receives any of such benefit. Each such designation shall revoke all prior designations by the Participant, shall be in a form prescribed by the Company, and shall be effective only when delivered by the Participant in writing to the Company during the Participant's lifetime. In the absence of any such designation, benefits remaining unpaid at the Participant's death shall be paid to the Participant's executor, administrator or legal representative.

7. No Right to Further Awards. The Company has granted this Award to the Participant in its sole discretion. Neither this Agreement nor the Plan confers on the Participant any right or entitlement to receive another Award, or any other similar award at any time in the future or in respect of any future period. This Award does not confer on the Participant any right or entitlement to receive compensation in any specific amount for any future fiscal year and does not diminish in any way the Company's discretion to determine the amount, if any, of the Participant's compensation.

1 Note to Draft: This form contemplates settlement in shares, but if desirable, RSUs can be settled in cash if payment is deferred for at least 6 months after the vesting date.

Any Award transferred shall be further transferable only by will, the laws of descent and distribution, pursuant to a domestic relations order entered by a court of competent jurisdiction, or, for no consideration, or upon consent of the Committee.

Notice under this Agreement shall be addressed to the Company in care of the Office of General Counsel at the Company's headquarters and to the Participant at the address appearing in the records of the Company for the Participant, or to either party at another address that the party designates in writing to the other. Notice shall be effective upon receipt.

10. Interpretation. Any dispute regarding the interpretation of this Agreement shall be submitted by the Participant or by the Company forthwith to the Committee for review. The resolution of such a dispute by the Committee shall be final and binding on all parties, except as otherwise permitted by applicable law.

11. Governing Law; Arbitration. The interpretation, performance and enforcement of this Award and this Agreement shall be governed by the laws of the State of Delaware without regard to principles of conflicts of law. To the extent any provision of this Agreement is held by a court of competent jurisdiction to be unenforceable or invalid for any reason, the remaining provisions of this Agreement shall remain in full force and effect. The Participant expressly acknowledges and agrees that as a condition of receiving this Award, the Participant will be bound by the provisions of Section 23.26 of the Plan regarding arbitration.

12. Award Subject to Plan.

(a) This Award is granted subject to the Plan and to such rules and regulations the Committee may adopt for administration of the Plan. The Committee is authorized to administer, construe, and make all determinations necessary or appropriate to administer the Plan and this Agreement, all of which shall be binding upon the Participant.

(b) To the extent of any inconsistencies between the Plan and this Agreement, the Plan will govern. This Agreement and the Plan constitute the entire agreement between the parties regarding the subject matter hereof. They supersede all other agreements, representations or understandings (whether oral or written, express or implied) that relate to the subject matter hereof.

(c) The Committee may terminate, amend, modify or suspend the Plan and amend or modify this Agreement; provided, however, that no termination, amendment, modification or suspension shall materially and adversely affect the Participant's rights under this Agreement, without the Participant's written consent.

13. Section 409A.

(a) This Award is intended to either (i) qualify for the short-term deferral exemption under Section 409A of the U.S. Internal Revenue Code and the final regulations promulgated thereunder ("**Section 409A**") or (ii) satisfy the requirements of Section 409A. This Agreement shall be interpreted, administered and construed in a manner consistent with that intent. Notwithstanding the forgoing, if the Company determines that any provision of this Agreement or the Plan contravenes Section 409A or could cause the Participant to incur any tax, interest or penalties under Section 409A, the Committee may, in its sole discretion and without the Participant's consent, modify such provision to (x) comply with, or avoid being subject to, Section 409A, or to avoid the incurrence of any taxes, interest and penalties under Section 409A, or (y) maintain, to the maximum extent practicable, the original intent and economic benefit to the Participant of the applicable provision without materially increasing the cost to the Company or contravening the provisions of Section 409A. This Section 14 does not create an obligation of the Company to modify the Plan or this Agreement and does not guarantee that the RSUs will not be subject to taxes, interest and penalties under Section 409A.

(b) If a Participant is a "specified employee" as defined under Section 409A and the Participant's Award is to be settled on account of the Participant's separation from service (for reasons other than death) and such Award constitutes "deferred compensation" as defined under Section 409A, then any portion of the Participant's Award that would otherwise be settled during the six-month period commencing on the Participant's separation from service shall be settled as soon as practicable following the conclusion of the six-month period (or following the Participant's death if it occurs during such six-month period).

14. Recoupment. This Award shall be subject to any clawback, recoupment or similar policy as permitted or mandated by applicable law, rules, regulations or any Company policy as enacted, adopted or modified from time to time.

15. Electronic Delivery. The Company may, in its sole discretion, deliver any documents related to current or future participation in the Plan by electronic means. By accepting this Award, the Participant consents to receive such documents by electronic delivery and to participate in the Plan through an on-line or electronic system established and maintained by the Company or a third party designated by the Company.

16. Personal Data Privacy. The Participant explicitly and unambiguously consents to the collection, use and transfer, in electronic or other form, of the Participant's personal data by and among, as applicable, the Company and its Affiliates for the exclusive purpose of implementing, administering and managing the Participant's participation in the Plan. The Participant understands and acknowledges that the Company and its Affiliates may hold certain personal information about the Participant, including, but not limited to, the Participant's Data. The Participant understands and acknowledges that the Company and its Affiliates may transfer the Data amongst themselves as necessary to implement, administer and manage the Participant's participation in this Plan, and the Company and its Affiliates may transfer the Data to third parties assisting in the implementation, administration and management of the Plan, that these recipients may be located in the Participant's country or elsewhere, and that any recipient's country may have different data privacy laws and protections than the Participant's country. By accepting this Award, the Participant authorizes the recipients to receive, possess, use, retain and transfer the Data, in electronic or other form, for the sole purpose of implementing, administering and managing the Participant's participation in the Plan. Furthermore, the Participant acknowledges and understands that

the transfer of Data to the Company or to any third parties is necessary for the Participant's participation in the Plan. The Participant may view Data, request information about the storage and processing of Data, request any corrections to Data, or withdraw the consents herein (in any case, without cost to the Participant) by contacting in writing. The withdrawal of any consent by the Participant may affect the Participant's participation in the Plan. The Participant may contact for further information about the consequences of any withdrawal of consents herein.

17. Headings. The headings of sections and subsections are included solely for convenience of reference and shall not affect the meaning of the provisions of this Agreement.

18. Successor. All obligations of the Company under the Plan and this Agreement, with respect to this Award, shall be binding on any successor to the Company, whether the existence of such successor is the result of a direct or indirect purchase, merger, consolidation, or otherwise, of all or substantially all of the business or assets of the Company.

19. Signature in Counterparts. If delivered in paper format, this Agreement may be signed in counterparts. Each counterpart shall be an original, with the same effect as if the signatures were on the same instrument.

20. Enforceability. To the extent any provision of this Agreement is held by a court of competent jurisdiction to be unenforceable or invalid for any reason, the remaining provisions of this Agreement shall not be affected by such holding and shall continue in full force in accordance with their terms.

21. Language. If the Participant has been provided with a copy of this Agreement, the Plan or any other document relating to this Award in a language other than English, the English language shall govern in the event of any inconsistency.

22. Waiver. No failure or delay by the Company to enforce any provision of this Agreement or exercise any right or remedy provided by law shall constitute a waiver of that or any other provision, right or remedy, nor shall it prevent or restrict the further exercise of that or any other provision, right or remedy. No single or partial exercise of such provision, right or remedy shall prevent or restrict the further exercise of that or any other provision, right or remedy.

23. Foreign Exchange Restrictions. The Participant understands and agrees that neither the Company or its Affiliates are responsible or liable for any foreign exchange fluctuations between the Participant's local currency (if applicable) and the United States Dollar (or the selection by the Company or a subsidiary of any applicable foreign exchange rate it may determine in its discretion to be appropriate) that may affect the value of this Award or the calculated income, taxes or other amounts thereunder or any related taxes or other amounts.

24. Appendix. Notwithstanding anything in this Agreement to the contrary, if the Participant resides outside of the United States, certain additional terms and conditions in the attached appendix (the "**Appendix**") may apply to the Participant and this Award. If the Participant relocates from the United States to a country outside the United States or relocates between the jurisdictions specified in the Appendix, additional terms and conditions, as applicable, may apply to the Participant, to the extent that the Committee determines that the application of such terms and conditions is necessary or advisable in order to comply with local law or facilitate the administration of the Plan. (b) Performance Vesting.

(i) [•] of the PRSUs subject to this Agreement will vest with respect to the performance vesting criteria on the first day following the date on which the 30-day trailing average trading price of a Share on Nasdaq for the preceding 30-day period equals or exceeds $[•] calculated based on the volume weighted average trading price of a Share on Nasdaq as reported on by Nasdaq (or, if not so reported, as reported by a successor reporting service selected by the Company) (such date, the "**First Achievement Date**"), provided that the First Achievement Date occurs prior to the fifth anniversary of the Grant Date; and

(ii) [•] of the PRSUs subject to this Agreement will vest with respect to the performance vesting criteria on the first day following the date on which the 30-day trailing average trading price of a Share on Nasdaq for the preceding 30-day period equals or exceeds $[•] calculated based on the volume weighted average trading price of a Share on Nasdaq as reported on by Nasdaq (or, if not so reported, as reported by a successor reporting service selected by the Company) (such date, the "**Second Achievement Date**," and together with the First Achievement Date, the "**Achievement Dates**"), provided that the Second Achievement Date occurs prior to the eighth anniversary of the Grant Date.

3. Termination of Services.

(a) Except as provided in Sections 3(b) or (c), if the Participant undergoes a Termination of Services prior to the final Vesting Date, any then-unvested PRSUs will immediately terminate and be forfeited in their entirety as of the Termination Date. Subject only to a Participant's minimum entitlements under applicable employment or labor standards legislation, a Participant shall not be entitled to any damages or other compensation arising from or related to the forfeiture of this Award or any payment in respect thereof.

(b) Notwithstanding the terms of Section 3(a), if the Participant is terminated for Cause, otherwise engages in Cause or breaches the Restrictive Covenant Agreement attached hereto as Schedule A, all unvested PRSUs, the number of Shares underlying vested PRSUs and all Dividends or Dividend Equivalents received in the two years prior to the date such activity occurred will immediately terminate, be forfeited or be repaid (or any combination thereof) as of the date such activity occurs. In the event the Participant has sold or otherwise transferred any vested Shares that are to be forfeited pursuant to this Section, the Participant shall pay to the Company an amount equal to the Fair Market Value of such Shares as of the date such activity occurs, as determined by the Committee in its good faith discretion.

(c) Notwithstanding any provision in this Section 3, to the extent that the Participant is a party to an employment agreement with TPG or covered by a separation policy of TPG, the terms of such employment agreement or separation policy shall control upon the Participant's Termination of Services to the extent such terms address the treatment of PRSUs with respect to the Participant's Termination of Services.

4. Expiration. The Participant shall have no rights related to this Award unless the Participant executes and returns this Agreement before the close of business on the Expiration Date (shown above). The Expiration Date may be modified, in the sole discretion of the Company, upon written request of the Participant.

5. Form and Timing of Payment of Vested Awards.

(a) Settlement Date. Subject to PRSUs vesting in accordance with Section 2 and the other terms and conditions of this Agreement, the PRSUs will be settled as soon as practicable following the applicable Vesting Date, but in no event later than March 15th of the year following the year in which the applicable Vesting Date occurs, by delivery to the Participant of payment with respect to such PRSUs in the form of Shares.

(b) Withholding. Subject to the Plan, the Company may require any individual entitled to receive a payment of an Award to remit to TPG prior to payment, an amount sufficient to satisfy any applicable federal, state, local and foreign tax withholding requirements (whether arising on the applicable Vesting Date, the settlement date or otherwise). TPG shall also have the right to deduct from all cash payments made to a Participant (whether or not such payment is made in connection with an Award) any applicable taxes required to be withheld with respect to such Award. If so required, no portion of this Award will be delivered to the Participant unless and until the Participant has remitted to TPG an amount sufficient to satisfy any required withholdings. Unless otherwise requested in writing at least three business days in advance of the applicable settlement date in a manner that is not prohibited by any blackout periods under the Company's insider trading policies, the Company shall hold back a portion of this Award otherwise deliverable to the Participant to cover any required withholdings. If Shares are used to pay all or a portion of such withholding tax obligation, the number of Shares that may be withheld, surrendered, or reduced shall be limited to the number of Shares which have value on the applicable Vesting Date equal to the aggregate amount of such liabilities based on the greatest statutory withholding rates applicable to the Participant for federal, state, foreign, or local tax purposes, including payroll taxes, that may be utilized without creating adverse accounting treatment with respect to such Award, as determined by the Committee. Any fraction of a Share which would be required to satisfy such an obligation shall be rounded to the next whole Share and the remaining amount due shall be paid in cash to the Participant.

6. Dividends and Dividend Equivalents. The Participant shall be entitled to Dividend Equivalents in respect of the PRSUs that have not yet been settled (whether or not vested), and such Dividend Equivalents shall be paid in cash to the Participant as soon as reasonably practicable following the applicable Vesting Date (taking into consideration relevant legal and operational considerations) with respect to the PRSUs to which the Dividend Equivalents relate. For the avoidance of doubt, the Participant shall have no right to accrued dividend equivalents on any PRSUs if the PRSUs do not vest in accordance with Section 2 or are forfeited in accordance with Section 3.

7. Beneficiary Designation. The Participant may, from time to time, name any beneficiary or beneficiaries (who may be named contingently or successively) to whom any benefit under this Agreement is to be paid in case of the Participant's death before the Participant receives any of such benefit. Each such designation shall revoke all prior designations by the Participant, shall be in a form prescribed by the Company, and shall be effective only when delivered by the Participant in writing to the Company during the Participant's lifetime. In the absence of any such designation, benefits remaining unpaid at the Participant's death shall be paid to the Participant's executor, administrator or legal representative.

8. No Right to Continued Employment or Further Awards.

(a) Neither the Plan nor this Agreement shall be construed as (i) giving the Participant any right to continue in the employ of the Company and its Affiliates or (ii) giving the Participant any right to be reemployed by the Company and its Affiliates following any termination of employment. The termination of employment provisions in this Agreement only apply to the treatment of this Award as specified herein and shall not otherwise affect the Participant's employment relationship. Nothing contained in this Agreement shall be deemed to constitute or create a contract of employment.

(b) The Company has granted this Award to the Participant in its sole discretion. This Award does not form part of the Participant's employment contract, if any. Neither this Agreement nor the Plan confers on the Participant any right or entitlement to receive another Award, or any other similar award at any time in the future or in respect of any future period. This Award does not confer on the Participant any right or entitlement to receive compensation in any specific amount for any future fiscal year and does not diminish in any way the Company's discretion to determine the amount, if any, of the Participant's compensation.

9. Transferability.

(a) This Award shall not be transferable other than by will, the laws of descent and distribution, pursuant to a domestic relations order entered by a court of competent jurisdiction or to a Permitted Transferee for no consideration pursuant to the Plan or as permitted by the Committee. Any Award transferred shall be further transferable only by will, the laws of descent and distribution, pursuant to a domestic relations order entered by a court of competent jurisdiction, or, for no consideration, or upon consent of the Committee.

(b) Except as set forth in the Plan or as determined by the Committee, a Participant's rights under the Plan shall be exercisable during the Participant's lifetime only by the Participant, or in the event of the Participant's legal incapacity, the Participant's legal guardian or representative.

10. Restrictive Covenants. The Participant expressly acknowledges and agrees that as a condition of receiving this Award, the Participant will be bound by the Restrictive Covenants Agreement attached hereto as Schedule A, and that a breach of such agreement by the Participant may result in the Committee or TPG terminating this Award (whether or not vested), as described above, and otherwise taking any action permitted by the Plan. TPG Global, LLC (or its applicable Affiliate), as the employer of the Participant, shall be a third-party beneficiary of this provision and entitled to enforce its terms against such Participant as if it were a direct party to this Agreement.

11. Notices. Notice under this Agreement shall be addressed to the Company in care of the Office of General Counsel at the Company's headquarters and to the Participant at the address appearing in the records of the Company for the Participant, or to either party at another address that the party designates in writing to the other. Notice shall be effective upon receipt.

12. Interpretation. Any dispute regarding the interpretation of this Agreement shall be submitted by the Participant or by the Company forthwith to the Committee for review. The resolution of such a dispute by the Committee shall be final and binding on all parties, except as otherwise permitted by applicable law.

13. Governing Law; Arbitration. The interpretation, performance and enforcement of this Award and this Agreement shall be governed by the laws of the State of Delaware without regard to principles of conflicts of law. To the extent any provision of this Agreement is held by a court of competent jurisdiction to be unenforceable or invalid for any reason, the remaining provisions of this Agreement shall remain in full force and effect. The Participant expressly acknowledges and agrees that as a condition of receiving this Award, the Participant will be bound by the provisions of Section 23.26 of the Plan regarding arbitration.

14. Award Subject to Plan.

(a) This Award is granted subject to the Plan and to such rules and regulations the Committee may adopt for administration of the Plan. The Committee is authorized to administer, construe, and make all determinations necessary or appropriate to administer the Plan and this Agreement, all of which shall be binding upon the Participant.

(b) To the extent of any inconsistencies between the Plan and this Agreement, the Plan will govern. This Agreement and the Plan constitute the entire agreement between the parties regarding the subject matter hereof. They supersede all other agreements, representations or understandings (whether oral or written, express or implied) that relate to the subject matter hereof.

(c) The Committee may terminate, amend, modify or suspend the Plan and amend or modify this Agreement; provided, however, that no termination, amendment, modification or suspension shall materially and adversely affect the Participant's rights under this Agreement, without the Participant's written consent.

15. Section 409A.

(a) This Award is intended to either (i) qualify for the short-term deferral exemption under Section 409A of the U.S. Internal Revenue Code and the final regulations promulgated thereunder ("**Section 409A**") or (ii) satisfy the requirements of Section 409A. This Agreement shall be interpreted, administered and construed in a manner consistent with that intent. Notwithstanding the forgoing, if the Company determines that any provision of this Agreement or the Plan contravenes Section 409A or could cause the Participant to incur any tax, interest or

penalties under Section 409A, the Committee may, in its sole discretion and without the Participant's consent, modify such provision to (x) comply with, or avoid being subject to, Section 409A, or to avoid the incurrence of any taxes, interest and penalties under Section 409A, or (y) maintain, to the maximum extent practicable, the original intent and economic benefit to the Participant of the applicable provision without materially increasing the cost to the Company or contravening the provisions of Section 409A. This Section 15 does not create an obligation of the Company to modify the Plan or this Agreement and does not guarantee that the PRSUs will not be subject to taxes, interest and penalties under Section 409A.

(b) If a Participant is a "specified employee" as defined under Section 409A and the Participant's Award is to be settled on account of the Participant's separation from service (for reasons other than death) and such Award constitutes "deferred compensation" as defined under Section 409A, then any portion of the Participant's Award that would otherwise be settled during the six-month period commencing on the Participant's separation from service shall be settled as soon as practicable following the conclusion of the six-month period (or following the Participant's death if it occurs during such six-month period).

16. Recoupment. This Award shall be subject to any clawback, recoupment or similar policy as permitted or mandated by applicable law, rules, regulations or any Company policy as enacted, adopted or modified from time to time.

17. Electronic Delivery. The Company may, in its sole discretion, deliver any documents related to current or future participation in the Plan by electronic means. By accepting this Award, the Participant consents to receive such documents by electronic delivery and to participate in the Plan through an on-line or electronic system established and maintained by the Company or a third party designated by the Company.

18. Personal Data Privacy. The Participant explicitly and unambiguously consents to the collection, use and transfer, in electronic or other form, of the Participant's personal data by and among, as applicable, the Company and its Affiliates for the exclusive purpose of implementing, administering and managing the Participant's participation in the Plan. The Participant understands and acknowledges that the Company and its Affiliates may hold certain personal information about the Participant, including, but not limited to, the Participant's Data. The Participant understands and acknowledges that the Company and its Affiliates may transfer the Data amongst themselves as necessary to implement, administer and manage the Participant's participation in this Plan, and the Company and its Affiliates may transfer the Data to third parties assisting in the implementation, administration and management of the Plan, that these recipients may be located in the Participant's country or elsewhere, and that any recipient's country may have different data privacy laws and protections than the Participant's country. By accepting this Award, the Participant authorizes the recipients to receive, possess, use, retain and transfer the Data, in electronic or other form, for the sole purpose of implementing, administering and managing the Participant's participation in the Plan. Furthermore, the Participant acknowledges and understands that the transfer of Data to the Company or to any third parties is necessary for the Participant's participation in the Plan. The Participant may view Data, request information about the storage and processing of Data, request any corrections to Data, or withdraw the consents herein (in any case, without cost to the Participant) by contacting in writing. The withdrawal of any consent by the Participant may affect the Participant's participation in the Plan. The Participant may contact for further information about the consequences of any withdrawal of consents herein.

19. Headings. The headings of sections and subsections are included solely for convenience of reference and shall not affect the meaning of the provisions of this Agreement.

20. Successor. All obligations of the Company under the Plan and this Agreement, with respect to this Award, shall be binding on any successor to the Company, whether the existence of such successor is the result of a direct or indirect purchase, merger, consolidation, or otherwise, of all or substantially all of the business or assets of the Company.

21. Signature in Counterparts. If delivered in paper format, this Agreement may be signed in counterparts. Each counterpart shall be an original, with the same effect as if the signatures were on the same instrument.

22. Enforceability. To the extent any provision of this Agreement is held by a court of competent jurisdiction to be unenforceable or invalid for any reason, the remaining provisions of this Agreement shall not be affected by such holding and shall continue in full force in accordance with their terms.

23. Language. If the Participant has been provided with a copy of this Agreement, the Plan or any other document relating to this Award in a language other than English, the English language shall govern in the event of any inconsistency.

24. Waiver. No failure or delay by the Company to enforce any provision of this Agreement or exercise any right or remedy provided by law shall constitute a waiver of that or any other provision, right or remedy, nor shall it prevent or restrict the further exercise of that or any other provision, right or remedy. No single or partial exercise of such provision, right or remedy shall prevent or restrict the further exercise of that or any other provision, right or remedy.

25. Foreign Exchange Restrictions. The Participant understands and agrees that neither the Company or its Affiliates are responsible or liable for any foreign exchange fluctuations between the Participant's local currency (if applicable) and the United States Dollar (or the selection by the Company or a subsidiary of any applicable foreign exchange rate it may determine in its discretion to be appropriate) that may affect the value of this Award or the calculated income, taxes or other amounts thereunder or any related taxes or other amounts.

26. Appendix. Notwithstanding anything in this Agreement to the contrary, if the Participant resides outside of the United States, certain additional terms and conditions in the attached appendix (the "**Appendix**") may apply to the Participant and this Award. If the Participant relocates from the United States to a country outside the United States or relocates between the jurisdictions specified in the Appendix, additional terms and conditions, as applicable, may apply to the Participant, to the extent that the Committee determines that the application of such terms and conditions is necessary or advisable in order to comply with local law or facilitate the administration of the Plan. The Appendix constitutes part of this Agreement.

Schedule A

Restrictive Covenants Agreement

This "Agreement" is effective as of the Grant Date set forth in the Award Agreement to which this Agreement is Schedule A and is entered into by and between [EMPLOYER] (the "Company"), on its own behalf and on behalf of its Affiliates, together "TPG") and the Covered Person (as defined below). Each capitalized term that is used but not defined in this Agreement shall have the meaning ascribed to it in the TPG Inc. 2021 Omnibus Incentive Plan.

1. *Non-Compete*. The Covered Person agrees that TPG would likely suffer significant harm from the Covered Person's competing with TPG during the period such Covered Person provides Services and for some period of time thereafter. Accordingly, the Covered Person agrees that while he or she provides Services and during the Restricted Period for the Covered Person, the Covered Person shall not (a) associate (directly or indirectly) as an employee, partner, officer or director (or pursuant to any other arrangement to provide services customarily performed by an employee, partner, officer or director), with any Competitor or any Competitor's affiliates or (b) solicit, induce, persuade or entice (by written, oral or any other means), any Portfolio Company or prospective Portfolio Company or any investor or prospective investor in any Fund or any affiliate of any of the foregoing whose identity became known to such Covered Person in connection with such Covered Person's provision of Services, to transact business with another Person or to reduce or refrain from doing any business with any Covered Entity, in each case unless (i) such Covered Person has advised the Company in writing in advance of such Covered Person's desire to undertake such activities and the specific nature of such activities and (ii) the Company, in its sole discretion, has approved in writing such activities, subject to any reasonable conditions the Company may impose, including (x) the Company has received written assurances (that will be designed, among other things, to protect the goodwill, Confidential Information, investor and operating partner relationships and other important commercial interests) from the Competitor and Covered Person that are, in the Company's sole discretion, applicable and adequate to protect the interests of the Covered Entities and (y) the Covered Person and the Competitor adhere to such assurances.

2. *Confidentiality*. The Covered Person agrees that he or she shall not at any time disclose, without the prior written consent of the Company, any information (whether oral or written) with respect to, or any matter relating to, the Covered Entities, including trade secrets, proprietary information, and any and all reports, data, interpretations, forecasts, records, analyses, compilations, studies, pipeline information known to such Covered Person or other documents prepared by or provided to such Covered Person in connection with such Covered Person's provision of Services or in connection with any existing or contemplated transaction or investment related activities of any Covered Entity (whether or not such information was prepared by or provided to such Covered Person in his or her capacity as a Covered Person or in connection with such Covered Person's provision of Services) and Work Product (the "Confidential Information"); provided that the Covered Person may disclose any such Confidential Information to the extent (a) it has become generally available to the public through no breach by the Covered Person, (b) it may be required or appropriate in any report, statement or testimony submitted to any municipal, state or national (including foreign) regulatory body having or claiming to have jurisdiction over the Covered Person, (c) it may be required or appropriate in response to any summons or subpoena

or, in connection with any litigation or (d) it may be required in order to comply with any law, order, regulation or ruling applicable to the Covered Person; and provided further that, in each case of potential disclosure under clauses (b) through (d), the Covered Person agrees to provide the Company with prompt written notice of such potential disclosure so that it may seek an appropriate protective order or other appropriate remedy. Notwithstanding anything herein to the contrary, nothing in this Agreement shall (i) prohibit the Covered Person from making reports of possible violations of federal law or regulation to any governmental agency or entity in accordance with the provisions of and rules promulgated under Section 21F of the Securities Exchange Act of 1934 or Section 806 of the Sarbanes-Oxley Act of 2002, or of any other whistleblower protection provisions of state or federal law or regulation, or (ii) require the Covered Person to comply with the notification requirement in the preceding sentence with respect to any such reporting. In making any such report, however, the Covered Person is not authorized to disclose communications with counsel that were made for the purpose of receiving legal advice, that contain legal advice or that are protected by the attorney work product or similar privilege. Furthermore, the Covered Person shall not be held criminally or civilly liable under any federal or state trade secret law for disclosing a trade secret (A) in confidence to a federal, state or local government official, either directly or indirectly, or to an attorney, in each case, solely for the purpose of reporting or investigating a suspected violation of law or (B) in a complaint or other document filed under seal in a lawsuit or proceeding. Notwithstanding this immunity from liability, the Covered Person acknowledges that the Covered Person may be held liable if he unlawfully accesses trade secrets by unauthorized means. The confidentiality provisions of this Agreement shall survive as to any Covered Person withdrawing or otherwise removed from the Company.

3. *Employee Non-Solicitation*. While the Covered Person provides Services and for the Non-Solicitation Period, the Covered Person shall not (whether on the Covered Person's own behalf or on behalf of any other person, whether directly or indirectly and whether or not for compensation) solicit for employment, hire or engage (or endeavor to solicit for employment, hire or engage) any person who is or was (as applicable) an employee, partner or consultant of a Covered Entity at the time of such solicitation for employment, hiring or engagement or at any time during the six months immediately prior to such solicitation for employment, hiring or engagement.

4. *Non-Disparagement*. The Covered Person shall not at any time make negative, derogatory or disparaging comments regarding any Covered Entity or any of their respective businesses, current or former equity holders, directors, officers, employees, agents, clients, investors or any other person affiliated with them, whether individually or in their official capacities. The Covered Person shall not engage in any conduct or communications with the intent or that has the effect of disparaging any Covered Entity or any of their respective businesses, current or former equity holders, directors, officers, employees, agents, clients, investors or any other person affiliated with them, whether individually or in their official capacities.

5. *Work Product is Property of TPG*. In consideration of the promises and undertakings of TPG in this Agreement, the Covered Person agrees that all Work Product of the Covered Person shall be the sole and exclusive property of the Company (or other applicable Covered Entity as the Company may agree), and is hereby irrevocably assigned to the Company or its designee, regardless of whether (a) such Work Product was conceived, made, developed or worked on during regular hours of the Covered Person's provision of Services or during time away

from any such provision of Services, (b) the Work Product was made at the suggestion of a Covered Entity, or (c) the Work Product was reduced to drawing, written description, documentation, models or other tangible form. Without limiting the foregoing, the Covered Person acknowledges that all original works of authorship that are made by the Covered Person, solely or jointly with others, within the scope of the Covered Person's Services, if any, and that are protectable by copyright law are "works made for hire," as that term is defined in the U.S. Copyright Act (17 U.S.C., Section 101), and are therefore owned by the Company, from the time of creation. The Covered Person agrees to, and does hereby, transfer, and set over, to the Company or its designee, all of his or her rights, title and interests throughout the world in and to all Work Product, without the necessity of any further compensation, and agrees that the Company is entitled to obtain and hold in its own name all patents, copyrights and other rights in respect of all Work Product. The Covered Person agrees to (i) cooperate with the Company, both while a Covered Person and thereafter, in obtaining patents or copyrights or other intellectual property protection for all Work Product; (i) execute, acknowledge, seal and deliver all documents tendered by the Company to evidence its ownership thereof throughout the world; and (iii) cooperate with the Company in obtaining, defending and enforcing its rights therein. The Covered Person represents that there are no other contracts to assign inventions or other intellectual property that are now in existence between the Covered Person and any other person (other than the Company). In addition, the Covered Person shall not be entitled to disclose, and use for his or her benefit, information regarding the track record of investment transactions with respect to any Covered Entity. Nothing set forth herein shall limit in any way the rights of the Company or its designee to the investment track record of the Covered Entities. "Work Product" shall include all ideas, works of authorship, inventions, business methods and other creations, whether or not patentable, copyrightable or subject to other intellectual property protection, that are made, conceived, developed or worked on in whole or in part by the Covered Person, whether alone or with others that relate in any manner whatsoever to the business, existing or anticipated, of the Covered Entities or any other business or research or development effort in which any Covered Entity engages. Work Product includes any material previously conceived, made, developed or worked on prior to the date of the Covered Person's admission to the Company, including, for the avoidance of doubt, any material previously conceived, made, developed or worked on while the Covered Person provided Services prior to the date of the Covered Person's admission to the Company.

6. *Non-Publicity*. The Covered Person agrees that while providing Services and following termination, except in the course of the performance of the Covered Person's duties and responsibilities, the Covered Person shall not prepare or assist any person or entity in the preparation of any books, articles, radio broadcasts, electronic communications, television or motion picture productions or other creations, concerning any Covered Entity or any of their respective businesses, current or former equity holders, directors, officers, employees, agents, clients, investors or any other person affiliated with them.

7. *Scope*. The Covered Person acknowledges that he or she has carefully read and considered all the terms and conditions of this Agreement, including the restraints imposed upon him or her pursuant to this Agreement. The Covered Person agrees that said restraints are necessary for the reasonable and proper protection of TPG, and that each and every one of the restraints is reasonable in respect to subject matter, length of time and geographic area.

8. *Limitations*. If the provisions of this Agreement are ever deemed by a court to exceed the limitations permitted by applicable law, the Covered Person and TPG agree that such provisions shall be, and are, automatically reformed to the maximum limitations permitted by such law. The provisions of this Agreement are severable, and no breach of any provision of this Agreement, or any other claimed breach of contract or violation of law, shall operate to excuse the Covered Person's obligation to fulfill the requirements of this paragraph 8.

9. *Injunctive Relief*. It is impossible to measure in money the damages that will accrue to TPG if the Covered Person breaches any of the covenants provided in this Agreement. If the Covered Person breaches any such covenant, TPG shall be entitled to an injunction restraining the Covered Person from violating such covenant (without posting any bond). If TPG shall institute any action or proceeding to enforce any such covenant, the Covered Person hereby waives the claim or defense that TPG has an adequate remedy at law and agrees not to assert in any such action or proceeding with the claim or defense that TPG has an adequate remedy at law. The foregoing shall not prejudice TPG's right to require the Covered Person to account for and pay over to TPG, and the Covered Person hereby agrees to account for and pay over to TPG, the compensation, profits, monies, accruals or other benefits derived or received by the Covered Person as a result of any transaction constituting a breach of any of the covenants provided in this Agreement.

10. *Attorneys' Fees*. If a Covered Person breaches any of the covenants provided in this Agreement, TPG shall be entitled to recover from the Covered Person all expenses, including attorneys' fees, incurred by TPG in enforcing such covenants.

11. *Governing Law; Submission to Jurisdiction.* Notwithstanding any provision in the Award Agreement to the contrary, the Covered Person's covenants, restrictions and representations set forth in this Schedule A shall be construed according to the laws of the State of New York without regard to its conflict of laws principles that would result in the application of the laws of another jurisdiction. With respect to any claim or dispute related to or arising under the terms of this Schedule A, the parties hereby consent to the jurisdiction, forum and venue of the state and federal courts located in New York, New York; provided, however, that the parties acknowledge and agree that each member of TPG shall also be entitled to enforce the terms of this Schedule A in any other court of competent jurisdiction.

Section 9.01. Restrictive Covenants. Notwithstanding anything to the contrary in this Agreement, the following restrictive covenants shall apply to each Limited Partner unless and to the extent expressly superseded by restrictive covenants set forth in such Partner's Contribution Agreements, Grant Agreements or employment agreement:

(a) Non-Compete. Each Limited Partner agrees that the Businesses and their Affiliates would likely suffer significant harm from any Limited Partner's competing with the Businesses during the Services Period and for some period of time thereafter. Accordingly, each Limited Partner agrees that while such Limited Partner provides Services and during the Restricted Period for such Limited Partner, such Limited Partner will not (i) associate (directly or indirectly) as an employee, officer, director (or pursuant to any other arrangement that enables such Limited Partner to provide services customarily performed by an employee, officer or director), with any Competitor or any Competitor's Affiliates or (ii) solicit, induce, persuade or entice an investment by (x) any Limited Partner or Former Partner who is a Limited Partner or Former Partner as of such Limited Partner's Separation Date or (y) any limited partner or member of, or investor in, any of the Funds who is a limited partner, or member of, or investor in, any of the Funds as of such Limited Partner's

Separation Date, in each case unless (A) such Limited Partner has advised the General Partner in writing in advance of such Limited Partner's desire to undertake such activities and the specific nature of such activities and (B) the General Partner, in its sole discretion (in accordance with the ControlCo LLCA, including upon the instructions of PubCo), has approved in writing such activities, subject to any reasonable conditions the General Partner may impose, including (1) the General Partner has received written assurances (that will be designed, among other things, to protect the goodwill, Confidential Information, investor and operating partner relationships and other important commercial interests of the Partnership, the Businesses, the Funds, any Portfolio Company and any Affiliate of the foregoing) from the Competitor and the Limited Partner that are, in General Partner's sole discretion (in accordance with the ControlCo LLCA), applicable and adequate to protect the interests of the Partnership, the Businesses, the Funds, any Portfolio Company and any Affiliate of the foregoing and (2) the Limited Partner and the Competitor adhere to such assurances. The restriction described in the foregoing clause (i) extends to the performance by the Limited Partner (directly or indirectly) of the same or similar activities the Limited Partner has performed for the Businesses and any of its Affiliates or such other activities that by their nature are likely to lead to the disclosure of Confidential Information. Subject to any policies of the Businesses and its Affiliates regarding pre-clearance of trades, a Limited Partner shall not be in violation of this Section 9.01(a) solely as a result of such Limited Partner's investment in stock or other securities of a Competitor or any of its Affiliates listed on a national securities exchange or actively traded in the over-the-counter market if the Limited Partner and, to the extent the Limited Partner is an individual, the members of the Limited Partner's Immediate Family or any Estate Planning Entity of such Limited Partner do not (directly or indirectly) hold, in the aggregate, more than a total of five percent (5%) of all such shares of stock or other securities of such Competitor issued and outstanding. The Limited Partner acknowledges and agrees that engaging in the activities restricted by this Section 9.01(a) would result in the inevitable disclosure or use of Confidential Information for the Competitor's benefit or to the detriment of the Businesses and its Affiliates. For purposes of this Agreement, "Competitor" means, with respect to any Limited Partner, any business that materially competes, during the Services Period of such Limited Partner, with any of the Businesses or any of their Affiliates, including any business that any of the Businesses or any of their Affiliates are actively considering conducting at the time of the Limited Partner's Separation Date, so long as the Limited Partner knows or reasonably should have known about such plans, in any geographical or market area where any of the Businesses or any of their Affiliates provide, or are actively considering providing, products or services; provided that, notwithstanding anything herein to the contrary, no Portfolio Company shall be considered a "Competitor".

(b) Non-Solicitation. While a Limited Partner provides Services and during the Non-Solicitation Period for such Limited Partner, such Limited Partner agrees not to (whether on such Limited Partner's own behalf or on behalf of any other Person, whether directly or indirectly and whether or not for compensation) Solicit for Employment, hire or engage (or endeavor to Solicit for Employment, hire or engage) any Person who is or was (as applicable) a Limited Partner or an employee or consultant of the Partnership, the Businesses, any Fund, any Portfolio Company or any Affiliate of the foregoing at the time of such Solicitation for Employment, hiring or engagement or at any time during the six (6) months immediately prior to such Solicitation for Employment, hiring or engagement. If a Limited Partner is subject to more stringent limitations pertaining to solicitations in any other agreement entered into prior to the Closing Date than the limitations set forth in this Section 9.01(b), then such other limitations shall be deemed to conform to the limitations set forth in this Section 9.01(b).

(c) Confidentiality. Each Limited Partner agrees, and shall cause its respective directors, officers, employees, agents and advisors (including attorneys, accountants and financial advisors) ("Representatives"), to keep confidential non-public or proprietary information, concerning the business, assets and finances of the Partnership, the Businesses, the Funds, any Portfolio Company or any Affiliate of the foregoing, in each case, regardless of form in which furnished and whether furnished to such Limited Partner prior to, on or after the date hereof, and regardless of the source or form of such information or document (the "Confidential Information"); provided, however, that disclosure of the Confidential Information may be made (i) with the Consent of the General Partner, (ii) to Affiliates and Representatives of such Limited Partner who need to know such Confidential Information in connection with the transactions contemplated hereby and who either agree in writing to keep such Confidential Information confidential or are otherwise legally obligated to maintain such Confidential Information as confidential, (iii) to the extent necessary in order to allow a Limited Partner to perform such Limited Partner's Services, or (iv) to the extent required by law or pursuant to a request by a Governmental Entity; provided that in the event of a requirement or request described in clause (iv), such Person shall (A) promptly notify the General Partner of the existence, terms and circumstances surrounding such a requirement or request, (B) consult with the General Partner on the advisability of taking steps to resist or narrow such requirement or request, (C) if disclosure of such Confidential Information is required or requested, furnish only such portion of the Confidential Information as the Limited Partner is advised by counsel is legally required to be disclosed, and (D) cooperate with the General Partner and/or the Businesses in their efforts to obtain an order or other reliable assurance that confidential treatment will be accorded to such portion of the Confidential Information that is required or requested to be disclosed, such order or reliable assurance being obtained at the Partnership's expense. Confidential Information shall include (1) information contained on any term sheet provided to the Limited Partner by or on behalf of any Business or the Partnership, (2) the structure of the transactions contemplated hereby, (3) any information regarding the valuation of investment funds managed by any Business and its Affiliates and the portfolio companies of such investment funds, and (4) any information related in any way to the performance of the general partners of the investment funds mentioned above (including, but not limited to, items of income and expense). Confidential Information also shall be deemed to include all notes, analyses, compilations, studies, interpretations, reports, memoranda or other documents prepared by the Limited Partner or its Representatives which contain, reflect or are based upon, in whole or in part, the information furnished to the Limited Partner or its Representatives pursuant hereto. The Confidential Information shall not include information that (I) is or becomes generally available to the public other than as a result of any disclosure resulting from an act or omission by the Limited Partner, (II) is independently developed by the Limited Partner or its Representatives without use of the Confidential Information or any derivative thereof and without violating the obligations of the Limited Partner hereunder or (III) is provided to such Limited Partner by a third party that was not known to the Limited Partner, acting in good faith, to be bound by a confidentiality agreement or other contractual, legal or fiduciary obligation of confidentiality with respect to such information.

(d) Limitations. If the provisions of this Section 9.01 are ever deemed by a court to exceed the limitations permitted by applicable law, the Limited Partner and the General Partner agree that such provisions shall be, and are, automatically reformed to the maximum limitations permitted by such law.

(e) Regulatory Reporting. Each Limited Partner and the Partnership agree that no confidentiality, non-disparagement or other obligation such Limited Partner owes to the Partnership prohibits such Limited Partner from reporting possible violations of Federal law or regulation to any governmental agency or entity under any whistleblower protection provision of U.S. Federal or State law or regulation (including Section 21F of the Securities and Exchange Act of 1934 or Section 806 of the Sarbanes-Oxley Act 2002) or requires such Limited Partner to notify the Partnership of any such report. In making any such report, however, such Limited Partner is not authorized to disclose communications with counsel that were made for the purpose of receiving legal advice, that contain legal advice or that are protected by the attorney work product or similar privilege.

(f) TPG Operating Group. Each Limited Partner and the Partnership agree that the provisions of this Section 9.01 are for the benefit of the TPG Operating Group Partnerships and their Subsidiaries, and the TPG Operating Group Partnerships shall be express third party beneficiaries of this Article IX.

Section 9.02. Breach of Restrictive Covenants. Notwithstanding anything herein to the contrary and except as provided in any applicable Contribution Agreement, Grant Agreement or employment agreement or as otherwise determined by the General Partner in its sole discretion (in accordance with the ControlCo LLCA), if the Limited Partner breaches any of its obligations set forth in Section 9.01 (a "Breach"), as of the Breach Date, the Limited Partner shall forfeit, (i) any unvested TPG Partner Units held by (or maintained on behalf of) such Limited Partner and (ii) all vested TPG Partner Units (excluding Legacy TPG Partner Units) held by such Limited Partner as of the Breach Date that vested in the two (2) years prior to such Breach Date and such Limited Partner shall no longer have any rights with respect thereto (including any rights to distributions pursuant to Article VI); provided that, if such Limited Partner has Exchanged any such vested TPG Partner Units that, absent such Exchange, would have been so forfeited, such Limited Partner shall be required to pay to the Partnership an amount equal to the fair market value of such Exchanged vested TPG Partner Units as of the Breach Date. A Limited Partner that is not a natural person will be deemed to have committed a Breach if such Limited Partner's Related Partner is considered to have committed a Breach (assuming for this purpose such Related Partner were subject to the restrictions of this Article IX).

Section 14.17. Offset. The General Partner shall have the right to reduce any amounts due to any Limited Partner from the Partnership, the General Partner or any of their respective Affiliates (including RemainCo) by the amount of any obligation of such Limited Partner, any partner thereof or any of their respective Affiliates to pay amounts due to the Partnership, the General Partner or any of their respective Affiliates (including RemainCo).

WHEREAS, this Agreement is a supplement to and in furtherance of the Company's Certificate of Incorporation (the "Charter") and the Bylaws (the "Bylaws" and together with the Charter, the "Organizational Documents"), in each case, as may be amended from time to time, and any resolutions adopted pursuant thereto, as well as any rights of Indemnitees under any directors' and officers' policies of liability insurance, and shall not be deemed a substitute therefor, nor to diminish or abrogate any rights of Indemnitee thereunder;

WHEREAS, Indemnitee may not be willing to serve as an officer or director without adequate protection, and the Company desires Indemnitee to serve in such capacity, and Indemnitee is willing to serve, continue to serve, and to take on additional service for or on behalf of the Company on the condition that Indemnitee be so indemnified; and

NOW, THEREFORE, in consideration of the Indemnitee's agreement to serve as a director or officer of the Company from and after the date hereof, and the premises and the covenants contained herein, the Company and Indemnitee do hereby covenant and agree as follows:

1. Services by Indemnitee; Indemnity of Indemnitee. The Company hereby agrees to hold harmless and indemnify Indemnitee to the fullest extent permitted by law, as such may be amended from time to time. In furtherance of the foregoing indemnification, and without limiting the generality thereof:

Indemnitee hereby agrees to serve or continue to serve as a director or officer of the Company, for so long as Indemnitee is duly elected or appointed or until Indemnitee tenders such Indemnitee's resignation or is removed. This Agreement shall not be deemed an employment contract between the Company or any of its subsidiaries or any Enterprise and Indemnitee.

(b) Proceedings Other Than Proceedings by or in the Right of the Company. Indemnitee shall be entitled to the rights of indemnification provided in this Section l(b) if, by reason of Indemnitee's Corporate Status, Indemnitee is, or is threatened to be made, a party to or participant in any Proceeding other than a Proceeding by or in the right of the Company.

Pursuant to this Section 1(b), Indemnitee shall be indemnified against all Expenses, judgments, penalties, fines and amounts paid in settlement actually and reasonably incurred by Indemnitee, or on Indemnitee's behalf, in connection with such Proceeding or any claim, issue or matter therein, if Indemnitee acted in good faith and in a manner Indemnitee reasonably believed to be in or not opposed to the best interests of the Company, and with respect to any criminal Proceeding, had no reasonable cause to believe Indemnitee's conduct was unlawful.

(c) Proceedings by or in the Right of the Company. Indemnitee shall be entitled to the rights of indemnification provided in this Section 1(c) if, by reason of Indemnitee's Corporate Status, Indemnitee is, or is threatened to be made, a party to or participant in any Proceeding brought by or in the right of the Company. Pursuant to this Section 1(c), Indemnitee shall be indemnified against all Expenses actually and reasonably incurred by Indemnitee, or on Indemnitee's behalf, in connection with such Proceeding if Indemnitee acted in good faith and in a manner Indemnitee reasonably believed to be in or not opposed to the best interests of the Company; provided, however, if applicable law so provides, no indemnification against such Expenses shall be made in respect of any claim, issue or matter in such Proceeding as to which Indemnitee shall have been adjudged to be liable to the Company unless and to the extent that the Court of Chancery of the State of Delaware shall determine that such indemnification may be made.

(d) Indemnification for Expenses of a Party Who is Wholly or Partly Successful. Without limiting any other provision of this Agreement, to the extent that Indemnitee is, by reason of Indemnitee's Corporate Status, a party to (or a participant in) and is successful, on the merits or otherwise, in any Proceeding or in defense of any claim, issue or matter therein, in whole or in part, Indemnitee shall be indemnified to the maximum extent permitted by law, as such may be amended from time to time, against all Expenses actually and reasonably incurred by Indemnitee or on Indemnitee's behalf in connection therewith. If Indemnitee is not wholly successful in such Proceeding but is successful, on the merits or otherwise, as to one or more but less than all claims, issues or matters in such Proceeding, the Company shall, to the fullest extent permitted by applicable law, indemnify Indemnitee against all Expenses actually and reasonably incurred by Indemnitee or on Indemnitee's behalf in connection with each successfully resolved claim, issue or matter. For purposes of this Section 1(d) and without limitation, the termination of any claim, issue or matter in such a Proceeding by dismissal, with or without prejudice, shall be deemed to be a successful result as to such claim, issue or matter.

(e) Partial Indemnification. If Indemnitee is entitled under any provision of this Agreement to indemnification by the Company for some or a portion of Expenses, but not, however, for the total amount thereof, the Company shall nevertheless indemnify Indemnitee for the portion thereof to which Indemnitee is entitled.

2. Additional Indemnity; Hold Harmless and Exoneration Rights. In addition to, and without regard to any limitations on, the indemnification provided for in Section 1 of this Agreement, the Company shall, to the fullest extent permitted by applicable law, indemnify, hold harmless and exonerate Indemnitee if Indemnitee is a party to or threatened to be made a party to any Proceeding against all Expenses and judgments, fines, penalties and amounts paid in settlement in any Proceeding by or in the right of the Company to procure a judgment in its favor (including all interest, assessments and other charges paid or payable in connection with or in respect of such Expenses, judgments, fines, penalties and amounts paid in settlement) actually and reasonably incurred by Indemnitee in connection with the Proceeding.

3. Contribution.

(a) Whether or not the indemnification provided in Sections 1 and 2 hereof is available, in respect of any threatened, pending or completed action, suit or proceeding in which the Company is jointly liable with Indemnitee (or would be if joined in such action, suit or proceeding), the Company shall pay, in the first instance, the entire amount of any judgment or settlement of such action, suit or proceeding without requiring Indemnitee to contribute to such payment and the Company hereby waives and relinquishes any right of contribution it may have against Indemnitee.

(b) Without diminishing or impairing the obligations of the Company set forth in Section 3(a) hereof, if, for any reason, Indemnitee shall elect or be required to pay all or any portion of any judgment or settlement in any threatened, pending or completed action, suit or proceeding in which the Company is jointly liable with Indemnitee (or would be if joined in such action, suit or proceeding), the Company shall contribute to the amount of Expenses, judgments, fines and amounts paid in settlement actually and reasonably incurred and paid or payable by Indemnitee in proportion to the relative benefits received by the Company and all officers, directors or employees of the Company, other than Indemnitee, who are jointly liable with Indemnitee (or would be if joined in such action, suit or proceeding), on the one hand, and Indemnitee, on the other hand, from the transaction from which such action, suit or proceeding arose; provided, however, that the proportion determined on the basis of relative benefit may, to the extent necessary to conform to law, be further adjusted by reference to the relative fault of the Company and all officers, directors or employees of the Company other than Indemnitee who are jointly liable with Indemnitee (or would be if joined in such action, suit or proceeding), on the one hand, and Indemnitee, on the other hand, in connection with the events that resulted in such Expenses, judgments, fines or settlement amounts, as well as any other equitable considerations which applicable law may require to be considered. The relative fault of the Company and all officers, directors or employees of the Company, other than Indemnitee, who are jointly liable with Indemnitee (or would be if joined in such action, suit or proceeding), on the one hand, and Indemnitee, on the other hand, shall be determined by reference to, among other things, the degree to which their actions were motivated by intent to gain personal profit or advantage, the degree to which their liability is primary or secondary and the degree to which their conduct is active or passive.

(c) The Company hereby agrees to fully indemnify and hold Indemnitee harmless from any claims of contribution that may be brought by officers, directors or employees of the Company, other than Indemnitee, who may be jointly liable with Indemnitee.

(d) To the fullest extent permissible under applicable law, if the indemnification provided for in this Agreement is unavailable to Indemnitee for any reason whatsoever, the Company, in lieu of indemnifying Indemnitee, shall contribute to the amount incurred by Indemnitee, whether for judgments, fines, penalties, amounts paid in settlement and/or for Expenses, in connection with any claim relating to an indemnifiable event under this Agreement, in such proportion as is deemed fair and reasonable in light of all of the circumstances of such Proceeding in order to reflect (i) the relative benefits received by the Company and Indemnitee as a result of the event(s) and/or transaction(s) giving cause to such Proceeding; and/or (ii) the relative fault of the Company (and its directors, officers, employees and agents) and Indemnitee in connection with such event(s) and/or transaction(s).

4. Indemnification for Expenses of a Witness. Notwithstanding any other provision of this Agreement, to the extent that Indemnitee is, by reason of Indemnitee's Corporate Status, a witness, or is made (or asked to) respond to discovery requests, in any Proceeding to which Indemnitee is not a party, he or she shall be indemnified against all Expenses actually and reasonably incurred by Indemnitee or on Indemnitee's behalf in connection therewith.

5. Advancement of Expenses. Notwithstanding any other provision of this Agreement, the Company shall advance all Expenses incurred by or on behalf of Indemnitee in connection with any Proceeding by reason of Indemnitee's Corporate Status within thirty (30) days after the receipt by the Company of a statement or statements from Indemnitee requesting such advance or advances from time to time, whether prior to or after final disposition of such Proceeding and regardless of such Indemnitee's ability to repay any such amounts in the event of an ultimate determination that Indemnitee is not entitled thereto. Such statement or statements shall reasonably evidence the Expenses incurred by Indemnitee and shall include or be preceded or accompanied by a written undertaking by or on behalf of Indemnitee to repay any Expenses advanced if it shall ultimately be determined by final judgment or other final adjudication under the provisions of any applicable law (as to which all rights of appeal therefrom have been exhausted or lapsed) that Indemnitee is not entitled to be indemnified against such Expenses under the provisions of this Agreement, the Company's Charter and Bylaws, applicable law or otherwise. Any advances and undertakings to repay pursuant to this Section 5 shall be unsecured and interest free. This Section 5 shall be subject to Section 13 and shall not apply to any claim made by Indemnitee for which indemnity is excluded pursuant to Section 9.

6. Procedures and Presumptions for Determination of Entitlement to Indemnification. It is the intent of this Agreement to secure for Indemnitee rights of indemnity that are as favorable as may be permitted under the Delaware General Company Law ("DGCL") and public policy of the State of Delaware. Accordingly, the parties agree that the following procedures and presumptions shall apply in the event of any question as to whether Indemnitee is entitled to indemnification under this Agreement:

(a) To obtain indemnification under this Agreement, Indemnitee shall submit to the General Counsel of the Company a written request, including therein or therewith such documentation and information as is reasonably available to Indemnitee and is reasonably necessary to determine whether and to what extent Indemnitee is entitled to indemnification. The General Counsel of the Company shall, promptly upon receipt of such a request for indemnification, advise the Board in writing that Indemnitee has requested indemnification. Notwithstanding the foregoing, any failure of Indemnitee to provide such a request to the Company, or to provide such a request in a timely fashion, shall not relieve the Company of any liability that it may have to Indemnitee unless, and to the extent that, such failure actually and materially prejudices the interests of the Company.

(b) Upon written request by Indemnitee for indemnification pursuant to the first sentence of Section 6(a) hereof, a determination with respect to Indemnitee's entitlement thereto shall be made in the specific case by one of the following four methods, which shall be at the election of the Board: (1) by a majority vote of the Disinterested Directors, even though less than a quorum, (2) by a committee of Disinterested Directors designated by a majority vote of the Disinterested Directors, even though less than a quorum, (3) if there are no Disinterested Directors, or if the Disinterested Directors so direct, by Independent Counsel in a written opinion to the Board, a copy of which shall be delivered to Indemnitee, or (4) if so directed by the Board, by the stockholders of the Company; provided, however, that if a Change in Control has occurred, the determination with respect to Indemnitee's entitlement to indemnification shall be made by Independent Counsel.

(c) In the event the determination of entitlement to indemnification is to be made by Independent Counsel, the Independent Counsel shall be selected as provided in this Section 6(c). If a Change in Control has not occurred, the Independent Counsel shall be selected by the Board (including a vote of a majority of the Disinterested Directors, if obtainable), and the Company shall give written notice advising the Indemnitee of the identity of the Independent Counsel so selected. Indemnitee may, within 10 days after such written notice of selection shall have been given, deliver to the Company a written objection to such selection; provided, however, that such objection may be asserted only on the ground that the Independent Counsel so selected does not meet the requirements of "Independent Counsel" as defined in Section 14 of this Agreement, and the objection shall set forth with particularity the factual basis of such assertion. Absent a proper and timely objection, the person so selected shall act as Independent Counsel. If a written objection is made, the Independent Counsel selected may not serve as Independent Counsel unless and until such objection is withdrawn or a court has determined that such objection is without merit. If a Change in Control has occurred, the Independent Counsel shall be selected by the Indemnitee (unless the Indemnitee shall request that such selection be made by the Board, in which event the preceding sentence shall apply), and approved by the Board (which approval shall not be unreasonably withheld). If (i) an Independent Counsel is to make the determination of entitlement pursuant to this Section 6, and (ii) within 20 days after submission by Indemnitee of a written request for indemnification pursuant to Section 6(a) hereof, no Independent Counsel shall have been selected and not objected to, either the Company or Indemnitee may petition the Court of Chancery of the State of Delaware or other court of competent jurisdiction for resolution of any objection which shall have been made by Indemnitee to the Company's selection of Independent Counsel and/or for the appointment as Independent Counsel of a person selected by the court or by such other person as the court shall designate, and the person with respect to whom all objections are so resolved or the person so appointed shall act as Independent Counsel under Section 6(b) hereof. The Company shall pay any and all reasonable fees and expenses of Independent Counsel incurred by such Independent Counsel in connection with acting pursuant to Section 6(b) hereof, and the Company shall pay all reasonable fees and expenses incident to the procedures of this Section 6(c), regardless of the manner in which such Independent Counsel was selected or appointed.

(d) In making a determination with respect to entitlement to indemnification hereunder, the person or persons or entity making such determination shall presume that Indemnitee is entitled to indemnification under this Agreement. Anyone seeking to overcome this presumption shall have the burden of proof and the burden of persuasion by clear and convincing evidence. Neither the failure of the Company (including by its directors or independent legal counsel) to have made a determination prior to the commencement of any action pursuant to this Agreement that indemnification is proper in the circumstances because Indemnitee has met the applicable standard of conduct, nor an actual determination by the Company (including by its directors or independent legal counsel) that Indemnitee has not met such applicable standard of conduct, shall be a defense to the action or create a presumption that Indemnitee has not met the applicable standard of conduct.

(e) Indemnitee shall be deemed to have acted in good faith if Indemnitee's action is based on the records or books of account of the Enterprise, including financial statements, or on information supplied to Indemnitee by the officers of the Enterprise in the course of their duties, or on the advice of legal counsel for the Enterprise or on information or records given or reports made to the Enterprise by an independent certified public accountant or by an appraiser or other expert selected by the Enterprise. The provisions of this Section 6(e) shall not be deemed to be exclusive or to limit in any way the other circumstances in which the Indemnitee may be deemed to have met the applicable standard of conduct set forth in this Agreement. In addition, the knowledge and/or actions, or failure to act, of any director, officer, agent or employee of the Enterprise shall not be imputed to Indemnitee for purposes of determining the right to indemnification under this Agreement. Whether or not the foregoing provisions of this Section 6(e) are satisfied, it shall in any event be presumed that Indemnitee has at all times acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the Company. Anyone seeking to overcome this presumption shall have the burden of proof and the burden of persuasion by clear and convincing evidence.

(f) If the person, persons or entity empowered or selected under this Section 6 to determine whether Indemnitee is entitled to indemnification shall not have made a determination within sixty (60) days after receipt by the Company of the request therefor, the requisite determination of entitlement to indemnification shall, to the fullest extent permitted by law, be deemed to have been made and Indemnitee shall be entitled to such indemnification absent (i) a misstatement by Indemnitee of a material fact, or an omission of a material fact necessary to make Indemnitee's statement not materially misleading, in connection with the request for indemnification, or (ii) a prohibition of such indemnification under applicable law; provided, however, that such 60-day period may be extended for a reasonable time, not to exceed an additional thirty (30) days, if the person, persons or entity making such determination with respect to entitlement to indemnification in good faith requires such additional time to obtain or evaluate documentation and/or information relating thereto; and provided, further, that the foregoing provisions of this Section 6(f) shall not apply if the determination of entitlement to indemnification is to be made by the stockholders pursuant to Section 6(b) of this Agreement and if (A) within fifteen (15) days after receipt by the Company of the request for such determination, the Board or the Disinterested Directors, if appropriate, resolve to submit such determination to the stockholders for their consideration at an annual meeting thereof to be held within seventy-five (75) days after such receipt and such determination is made thereat, or (B) a special meeting of stockholders is called within fifteen (15) days after such receipt for the purpose of making such determination, such meeting is held for such purpose within sixty (60) days after having been so called and such determination is made thereat.

(g) Indemnitee shall cooperate with the person, persons or entity making such determination with respect to Indemnitee's entitlement to indemnification, including providing to such person, persons or entity upon reasonable advance request any documentation or information, which is not privileged or otherwise protected from disclosure and which is reasonably available to Indemnitee and reasonably necessary to such determination. Any Independent Counsel or member of the Board shall act reasonably and in good faith in making a determination regarding Indemnitee's entitlement to indemnification under this Agreement. Any costs or expenses (including attorneys' fees and disbursements) incurred by Indemnitee in so cooperating with the person, persons or entity making such determination shall be borne by the Company (irrespective of the determination as to Indemnitee's entitlement to indemnification) and the Company hereby indemnifies and agrees to hold Indemnitee harmless therefrom.

(h) The Company acknowledges that a settlement or other disposition short of final judgment may be successful if it permits a party to avoid expense, delay, distraction, disruption and uncertainty. In the event that any action, claim or proceeding to which Indemnitee is a party is resolved in any manner other than by adverse judgment against Indemnitee (including, without limitation, settlement of such action, claim or proceeding with or without payment of money or other consideration) it shall be presumed that Indemnitee has been successful on the merits or otherwise in such action, suit or proceeding. Anyone seeking to overcome this presumption shall have the burden of proof and the burden of persuasion by clear and convincing evidence.

(i) The termination of any Proceeding or of any claim, issue or matter therein, by judgment, order, settlement or conviction, or upon a plea of nolo contendere or its equivalent, shall not (except as otherwise expressly provided in this Agreement) of itself adversely affect the right of Indemnitee to indemnification or create a presumption that Indemnitee did not act in good faith and in a manner which he or she reasonably believed to be in or not opposed to the best interests of the Company or, with respect to any criminal Proceeding, that Indemnitee had reasonable cause to believe that Indemnitee's conduct was unlawful.

7. Remedies of Indemnitee.

(a) In the event of any dispute between Indemnitee and the Company hereunder as to entitlement to indemnification or advancement of Expenses, including where (i) a determination is made pursuant to Section 6 of this Agreement that Indemnitee is not entitled to indemnification, (ii) payment is not timely made following a determination of entitlement to indemnification pursuant to Section 6 of this Agreement, (iii) an advancement of Expenses is not timely made pursuant to Section 5 of this Agreement, (iv) a contribution payment is not timely made pursuant to Section 3 of this Agreement, or (v) no determination as to entitlement to indemnification is timely made pursuant to Section 6 of this Agreement and payment is not timely made after entitlement is deemed to have been determined pursuant to Section 6(f), Indemnitee may at any time thereafter bring suit against the Company seeking an adjudication of entitlement to such indemnification or advancement of Expenses, and any such suit shall be brought in the Court of Chancery of the State of Delaware, or in any other court of competent jurisdiction. Alternatively, Indemnitee, at such person's option, may seek an award in arbitration to be conducted by a single arbitrator pursuant to the Commercial Arbitration Rules of the American Arbitration Association. Except as set forth herein, the provisions of Delaware law (without regard to its conflict of law rules) shall apply to any such arbitration. The Company shall not oppose Indemnitee's right to seek any such adjudication or award in arbitration.

(b) In the event that a determination shall have been made pursuant to Section 6(b) of this Agreement that Indemnitee is not entitled to indemnification, any judicial proceeding or arbitration commenced pursuant to this Section 7 shall be conducted in all respects as a de novo trial, or arbitration, on the merits, and Indemnitee shall not be prejudiced by reason of the adverse determination under Section 6(b). In any judicial proceeding or arbitration commenced pursuant to this Section 7, the Company shall have the burden of proving that Indemnitee was not entitled to the requested indemnification, advancement or payment of Expenses. It shall be a defense to any such action (other than an action brought to enforce a claim for Expenses incurred in defending any proceeding in advance of its final disposition where the required undertaking, if any is required, has been tendered to the Company) that Indemnitee has not met the standards of conduct which make it permissible under this Agreement, the Organizational Documents or the DGCL for the Company to indemnify Indemnitee for the amount claimed. Neither the failure of the Company (including the Board, Independent Counsel, or its stockholders) to have made a determination prior to the commencement of such action that indemnification or advancement is proper in the circumstances because Indemnitee has met the applicable standard of conduct set forth in this Agreement, the Organizational Documents or the DGCL, nor an actual determination by the Company (including the Board, Independent Counsel, or its stockholders) that Indemnitee has not met such applicable standard of conduct, shall be a defense to the action or create a presumption that Indemnitee has not met any applicable standard of conduct. If successful, in whole or in part, Indemnitee shall also be entitled to be paid the Expenses of prosecuting such action to the fullest extent permitted by law.

(c) If a determination shall have been made pursuant to Section 6(b) of this Agreement that Indemnitee is entitled to indemnification, the Company shall be bound by such determination in any judicial proceeding or arbitration commenced pursuant to this Section 7, absent (i) a misstatement by Indemnitee of a material fact, or an omission of a material fact necessary to make Indemnitee's misstatement not materially misleading in connection with the application for indemnification, or (ii) a prohibition of such indemnification under applicable law.

(d) In the event that Indemnitee, pursuant to this Section 7, seeks a judicial adjudication of Indemnitee's rights under, or to recover damages for breach of, this Agreement, or to recover under any directors' and officers' liability insurance policies maintained by the Company, the Company shall pay on Indemnitee's behalf, in advance, any and all expenses (of the types described in the definition of Expenses in Section 14 of this Agreement) actually and reasonably incurred by Indemnitee in such judicial adjudication to the fullest extent permitted by applicable law.

(e) The Company shall be precluded from asserting in any judicial proceeding or arbitration commenced pursuant to this Section 7 that the procedures and presumptions of this Agreement are not valid, binding and enforceable and shall stipulate in any such court or before any such arbitrator that the Company is bound by all the provisions of this Agreement. It is the intent of the Company that, to the fullest extent permitted by law, the Indemnitee not be required to incur legal fees or other Expenses associated with the interpretation, enforcement or defense of Indemnitee's rights under this Agreement by litigation or otherwise

because the cost and expense thereof would substantially detract from the benefits intended to be extended to the Indemnitee hereunder. The Company shall indemnify Indemnitee against any and all Expenses and, if requested by Indemnitee, shall timely advance, to the extent permitted by law, such expenses to Indemnitee, which are incurred by Indemnitee in connection with any action brought by Indemnitee for indemnification or advance of Expenses from the Company under this Agreement or under any directors' and officers' liability insurance policies maintained by the Company, regardless of whether Indemnitee ultimately is determined to be entitled to such indemnification, advancement of Expenses or insurance recovery, as the case may be.

(f) Notwithstanding anything in this Agreement to the contrary, no determination as to entitlement to indemnification under this Agreement shall be required to be made prior to the final disposition of the Proceeding.

8. Non-Exclusivity; Survival of Rights; Insurance; Primacy of Indemnification; Subrogation.

(a) The rights of indemnification and to receive advancement of expenses as provided by this Agreement shall not be deemed exclusive of any other rights to which Indemnitee may at any time be entitled under applicable law, the Organizational Documents, any agreement, a vote of stockholders, a resolution of directors or otherwise, of the Company. No amendment, alteration or repeal of this Agreement or of any provision hereof shall limit or restrict any right of Indemnitee under this Agreement in respect of any action taken or omitted by such Indemnitee in such person's Corporate Status prior to such amendment, alteration or repeal. To the extent that a change in the DGCL, whether by statute or judicial decision, permits greater indemnification than would be afforded currently under the Organizational Documents and this Agreement, it is the intent of the parties hereto that Indemnitee shall enjoy by this Agreement the greater benefits so afforded by such change. No right or remedy herein conferred is intended to be exclusive of any other right or remedy, and every other right and remedy shall be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other right or remedy.

(b) The Company shall obtain and maintain in effect during the entire period for which the Company is obligated to indemnify Indemnitee under this Agreement, one or more policies of insurance ("D&O Liability Insurance") with one or more reputable insurance companies to provide the directors and officers of the Company with coverage for losses from wrongful acts and omissions and to ensure the Company's performance of its indemnification obligations under this Agreement. Indemnitee shall be covered by such policy or policies in accordance with its or their terms to the maximum extent of the coverage available for any such director or officer under such policy or policies. In all such insurance policies, Indemnitee shall be named as an insured in such a manner as to provide Indemnitee with the same rights and benefits as are accorded to the most favorably insured of the Company's directors and officers. At the time of the receipt of a notice of a claim pursuant to the terms hereof, the Company shall give prompt notice of the commencement of such proceeding to the insurers in accordance with the procedures set forth in the respective policies. The Company shall thereafter take all necessary or desirable action to cause such insurers to pay, on behalf of Indemnitee, all amounts payable as a result of such proceeding in accordance with the terms of such policies. Upon request by Indemnitee, the Company shall provide copies of all policies of D&O Liability Insurance obtained and maintained in accordance with the foregoing. The Company shall promptly notify Indemnitee of any changes in such insurance coverage.

(c) In the event of any payment under this Agreement, the Company shall be subrogated to the extent of such payment to all of the rights of recovery of Indemnitee, who shall execute all papers required and take all action necessary to secure such rights, including execution of such documents as are necessary to enable the Company to bring suit to enforce such rights.

(d) The Company shall not be liable under this Agreement to make any payment of amounts otherwise indemnifiable hereunder if and to the extent that Indemnitee has otherwise actually received such payment under any insurance policy, contract, agreement or otherwise.

(e) The Company's obligation to indemnify or advance Expenses hereunder to Indemnitee who is or was serving at the request of the Company as a director, officer, employee or agent of any other corporation, partnership, joint venture, trust, employee benefit plan or other Enterprise shall be reduced by any amount Indemnitee has actually received as indemnification or advancement of expenses from such other corporation, partnership, joint venture, trust, employee benefit plan or other enterprise.

9. Exception to Right of Indemnification. Notwithstanding any provision in this Agreement, the Company shall not be obligated under this Agreement to make any indemnity in connection with any claim made against Indemnitee:

(a) for which payment has actually been made to or on behalf of Indemnitee under any insurance policy or other indemnity provision, except with respect to any excess beyond the amount paid under any insurance policy or other indemnity provision or any amount received that is required to be repaid;

(b) for an accounting of profits made from the purchase and sale (or sale and purchase) by Indemnitee of securities of the Company within the meaning of Section 16(b) of the Exchange Act or similar provisions of state statutory law or common law;

(c) for reimbursement to the Company of any bonus or other incentive-based or equity-based compensation or of any profits realized by Indemnitee from the sale of securities of the Company in each case as required under the Exchange Act; or

(d) in connection with any Proceeding (or any part of any Proceeding) initiated by Indemnitee, including any Proceeding (or any part of any Proceeding) initiated by Indemnitee against the Company or its directors, officers, employees or other indemnitees, unless (i) the Company has joined in or the Board authorized the Proceeding (or any part of any Proceeding) prior to its initiation, (ii) the Company provides the indemnification, in its sole discretion, pursuant to the powers vested in the Company under applicable law, or (iii) the Proceeding is one to enforce Indemnitee's rights under this Agreement.

10. Non-Disclosure of Payments. Except as expressly required by the securities laws of the United States of America, neither party shall disclose any payments under this Agreement unless prior approval of the other party is obtained. If any payment information must be disclosed, the Company shall afford the Indemnitee an opportunity to review all such disclosures and, if requested, to explain in such statement any mitigating circumstances regarding the events to be reported.

11. Duration of Agreement. All agreements and obligations of the Company contained herein shall continue upon the later of (a) ten (10) years after the date that Indemnitee shall have ceased to serve as a director of the Company or a director, officer, trustee, partner, managing member, fiduciary, employee or agent of any other corporation, partnership, joint venture, trust, employee benefit plan or other Enterprise which Indemnitee served at the request of the Company; or (b) one (1) year after the final termination of any Proceeding (including any rights of appeal thereto) in respect of which Indemnitee is granted rights of indemnification or advancement of Expenses hereunder and of any Proceeding commenced by Indemnitee pursuant to Section 7 of this Agreement relating thereto (including any rights of appeal of any Section 7 Proceeding). This Agreement shall be binding upon and inure to the benefit of and be enforceable by the parties hereto and their respective successors (including any direct or indirect successor by purchase, merger, consolidation or otherwise to all or substantially all of the business or assets of the Company), assigns, spouses, heirs, executors and personal and legal representatives.

12. Security. To the extent requested by Indemnitee and approved by the Board, the Company may at any time and from time to time provide security to Indemnitee for the Company's obligations hereunder through an irrevocable bank line of credit, funded trust or other collateral. Any such security, once provided to Indemnitee, may not be revoked or released without the prior written consent of Indemnitee.

13. Defense of Claims. The Company will be entitled to participate in the Proceeding at its own expense. The Company shall not settle any action, claim or Proceeding (in whole or in part) which would impose any Expense, judgment, fine, penalty or limitation on Indemnitee without Indemnitee's prior written consent, such consent not to be unreasonably withheld. Indemnitee shall not settle any action, claim or Proceeding (in whole or in part) which would impose any Expense, judgment, fine, penalty or limitation on the Company without the Company's prior written consent, such consent not to be unreasonably withheld.

14. Definitions. For purposes of this Agreement:

(a) "Change in Control" shall be deemed to occur upon the earliest to occur after the date of this Agreement of any of the following events:

(i) *Acquisition of Stock by Third Party*. Any Person (excluding any Person who, as of the closing date of the Company's initial public offering of its Class A Common Stock pursuant to a registration statement on Form S-1 filed with and declared effective by the Securities Exchange Commission, who was at that date the record or beneficial owner of shares of the Company's Class B Common Stock and any group consisting solely of such Persons) is or becomes the Beneficial Owner, directly or indirectly, of securities of the Company representing twenty percent (20%) or more of the combined voting power of the Company's then outstanding securities;

(ii) *Change in Board*. During any period of two (2) consecutive years (not including any period prior to the execution of this Agreement), individuals who at the beginning of such period constitute the Board, and any new director (other than a director designated by a person who has entered into an agreement with the Company to effect a transaction described in Section 14(a)(i), 14(a)(iii) or 14(a)(iv)) whose election by the Board or nomination for election by the Company's stockholders was approved by a vote of at least two-thirds of the directors then still in office who either were directors at the beginning of the period or whose election or nomination for election was previously so approved, cease for any reason to constitute a least a majority of the members of the Board; provided, however, that the Sunset (as defined in the Certificate of Incorporation) shall not be deemed a Change in the Board for purposes of this Section 14(a)(ii);

(iii) *Corporate Transactions*. The effective date of a merger or consolidation of the Company with any other entity, other than a merger or consolidation which would result in the voting securities of the Company outstanding immediately prior to such merger or consolidation continuing to represent (either by remaining outstanding or by being converted into voting securities of the surviving entity) more than 51% of the combined voting power of the voting securities of the surviving entity outstanding immediately after such merger or consolidation and with the power to elect at least a majority of the board of directors or other governing body of such surviving entity;

(iv) *Asset Sale.* The sale or disposition of all or substantially all the assets of the Company in a transaction or series of related transactions; and

(iv) *Liquidation.* The approval by the stockholders of the Company of a complete liquidation of the Company or an agreement or series of agreements for the sale or disposition by the Company of all or substantially all of the Company's assets, or, if such approval is not required, the decision by the Board to proceed with such a liquidation, sale, or disposition in one transaction or a series of related transactions.

(b) "Beneficial Owner" shall have the meaning given to such term in Rule 13d-3 under the Exchange Act; provided, however, that Beneficial Owner shall exclude any Person otherwise becoming a Beneficial Owner by reason of the stockholders of the Company approving a merger of the Company with another entity.

(c) "Corporate Status" describes the status of an individual who is or was or has agreed to become a director or officer of the Company or while a director or officer of the Company who is serving, was serving, or has agreed to serve at the request of the Company as a director, officer, trustee, general partner, managing member, fiduciary, employee or agent of any other Enterprise.

(d) "Disinterested Director" means a director of the Company who is not and was not a party to the Proceeding in respect of which indemnification is sought by Indemnitee.

(e) "Enterprise" means the Company and any other corporation, constituent corporation (including any constituent of a constituent) absorbed in a consolidation or merger to which the Company (or any of their wholly owned subsidiaries) is a party, limited liability company, partnership, joint venture, trust, employee benefit plan or other enterprise, of which Indemnitee is or was serving at the request of the Company as a director, officer, trustee, general partner, managing member, fiduciary, employee or agent.

(f) "Exchange Act" means the Securities Exchange Act of 1934, as amended.

(g) "Expenses" includes all direct and indirect costs, fees and expenses of any type or nature whatsoever, including, without limitation, all attorneys' fees and costs, retainers, court costs, transcript costs, fees of experts, witness fees, travel expenses, fees of private investigators and professional advisors, duplicating costs, printing and binding costs, telephone charges, postage, delivery service fees, fax transmission charges, secretarial services, any federal, state, local or foreign taxes imposed on Indemnitee as a result of the actual or deemed receipt of any payments under this Agreement, ERISA excise taxes and penalties, and all other disbursements, obligations or expenses in connection with prosecuting, defending, preparing to prosecute or defend, investigating, being or preparing to be a witness in, settlement or appeal of, or otherwise participating in, a Proceeding, including, without limitation, reasonable compensation for time spent by the Indemnitee for which he or she is not otherwise compensated by the Company or any third party. 15. Severability. If any provision or provisions of this Agreement shall be held to be invalid, illegal or unenforceable for any reason whatsoever: (a) the validity, legality, and enforceability of the remaining provisions of this Agreement (including, without limitation, each portion of any Section, paragraph or sentence of this Agreement containing any such provision held to be invalid, illegal or unenforceable, that is not itself invalid, illegal or unenforceable) shall not in any way be affected or impaired thereby and shall remain enforceable to the fullest extent permitted by law; (b) such provision or provisions shall be deemed reformed to the fullest extent necessary to conform to applicable law and to give the maximum effect to the intent of the parties hereto; and (c) to the fullest extent possible, the provisions of this Agreement (including, without limitation, each portion of any Section, paragraph or sentence of this Agreement containing any such provision held to be invalid, illegal or unenforceable, that is not itself invalid, illegal or unenforceable) shall be construed so as to give effect to the intent manifested thereby. (c) The indemnification and advancement of expenses provided by, or granted pursuant to this Agreement shall be binding upon and be enforceable by the parties hereto and their respective successors and assigns (including any direct or indirect successor by purchase, merger, consolidation or otherwise to all or substantially all of the business or assets of the Company), shall continue as to an Indemnitee who has ceased to be a director, officer, employee or agent of the Company or of any other Enterprise at the Company's request, and shall inure to the benefit of Indemnitee and such person's spouse, assigns, heirs, devisees, executors and administrators and other legal representatives.

(e) The Company and Indemnitee agree herein that a monetary remedy for breach of this Agreement, at some later date, may be inadequate, impracticable and difficult of proof, and further agree that such breach may cause Indemnitee irreparable harm. Accordingly, the parties hereto agree that Indemnitee may enforce this Agreement by seeking injunctive relief and/or specific performance hereof, without any necessity of showing actual damage or irreparable harm and that by seeking injunctive relief and/or specific performance, Indemnitee shall not be precluded from seeking or obtaining any other relief to which he or she may be entitled. The Company and Indemnitee further agree that Indemnitee shall be entitled to such specific performance and injunctive relief, including temporary restraining orders, preliminary injunctions and permanent injunctions, without the necessity of posting bonds or other undertaking in connection therewith. The Company acknowledges that in the absence of a waiver, a bond or undertaking may be required of Indemnitee by the Court, and the Company hereby waives any such requirement of such a bond or undertaking.

17. Modification and Waiver. No supplement, modification, termination or amendment of this Agreement shall be binding unless executed in writing by both of the parties hereto. No waiver of any of the provisions of this Agreement shall be deemed or shall constitute a waiver of any other provisions hereof (whether or not similar) nor shall such waiver constitute a continuing waiver.

18. Notice By Indemnitee. Indemnitee agrees promptly to notify the Company in writing upon being served with or otherwise receiving any summons, citation, subpoena, complaint, indictment, information or other document relating to any Proceeding or matter which may be subject to indemnification covered hereunder. The failure to so notify the Company shall not relieve the Company of any obligation which it may have to Indemnitee under this Agreement or otherwise.

(iv) (A) until the Expansion Date, each Independent Director designated by the Control Group and elected to the board of directors of the Issuer shall be re-elected at each annual meeting of stockholders and (B) on or after the Expansion Date and until the Sunset, each Independent Director designated by the Control Group shall be elected to the board of directors of the Issuer at each annual meeting of stockholders, in each case, unless the Control Group determines that such Independent Director should be removed for Cause, in which case such Independent Director shall be removed from the board of directors of the Issuer and the Control Group shall designate another Independent Director to fill such vacancy;

(v) prior to the Sunset, each of the Original Control Persons who is (or whose controlled Affiliate are) then a Member shall be elected to, and not removed from, the board of directors of the Issuer;

(vi) notwithstanding the foregoing provisions of this Section 4.6(b), at the first annual meeting of stockholders of the Issuer (or consent of stockholders in lieu thereof) after the earlier of the dates specified in Section 4.2(e)(viii)(1)–(2) of the Issuer Certificate, (i) a majority of directors elected shall qualify as Independent Directors and (ii) each of the Original Control Persons who are (or whose controlled Affiliates are) Members immediately prior to such annual meeting (or consent in lieu thereof) shall be elected. For the avoidance of doubt, the Issuer agrees that the Company shall determine the size of, and name the nominees for election to, the Issuer's board of directors at such meeting and make such determinations giving due regard to then-current peer board data and market practice; and

(vii) (i) in no event shall the board of directors of the Issuer have fewer than three (3) Independent Directors, subject to permitted phase-in periods under applicable stock exchange listing standards in connection with the Initial Public Offering, and (ii) at least one (1) Independent Director shall be qualified to serve as the chair of the Audit Committee of the Issuer.

(c) Each Member and the Company hereby agrees that (i) no Management Director nominated and elected to the board of directors of the Issuer by the Control Group shall be subsequently removed from the board of directors of the Issuer without Cause prior to the end of such Management Director's second consecutive one-year term unless such Management Director ceases to be an Active TPG Partner and (ii) no Independent Director nominated and elected by the Control Group shall be subsequently removed from the board of directors of the Issuer without Cause prior to the Expansion Date.

(d) The Issuer agrees to nominate for election and include in the Issuer's proxy statement for the first annual meeting of stockholders following the Sunset each of the Original Control Persons who are Members at the time that the annual meeting proxy statement is delivered to the Issuer's stockholders.

(e) Notwithstanding the foregoing in this Section 4.6, each Member and the Company hereby agrees that, following the Sunset, all voting rights with respect to any equity securities of the Issuer or TPG Operating Group held by any Person over which the Company exercises control (including the TPG Partner Entities) or any contractual rights with respect to the Issuer or TPG Operating Group in favor of any such Person, including the nomination and election or appointment, as applicable, of any officer or member of the board of directors of the Issuer or any member of the Executive Committee, or any member of any other committee of the board of directors of the Issuer, shall be exercised solely as directed by the TPG Partners in the manner provided by the terms of the governing documents of the applicable TPG Partner Entity. For the avoidance of doubt, following the Sunset, the Company will cease to have the ability to direct the control of the election of the board of directors of the Issuer.

4.7 Board Committees.

(a) Prior to the Sunset, the Issuer agrees to take all necessary action to cause the Committees of the board of directors of the Issuer to:

(i) be constituted with only the Persons designated on Schedule III attached hereto, as such schedule may be amended from time to time in accordance with this Section 4.7 and Section 11.7 of this Agreement; and

(ii) have such power and authority as set forth in the charter of each of the Committees adopted in connection with the Initial Public Offering, which charters may not be amended in a manner inconsistent with this Agreement prior to the Sunset.

Notwithstanding the forgoing, the Issuer agrees to take all necessary action to cause another committee of the board of directors of the Issuer to be established at the request of the Company so long as the composition and mandate of such newly formed committee is not otherwise inconsistent with the terms of this Agreement, the Issuer's organizational documents, any other Committee charter, applicable laws or stock exchange listing requirements.

(b) Each Member agrees prior to the Sunset, to designate each of the Original Control Persons and one or more additional Management Directors to serve on the Executive Committee as determined (A) prior to the Expansion Date, by both Founders and (B) on or following the Expansion Date, by a majority of the votes of the Members; in each case, for two consecutive one-year terms. Prior to the Sunset, the Company shall vote, or cause to be voted, all shares of capital stock of the Issuer over which the Company has direct or indirect voting control, so long as the Company has the authority to exercise such voting control, from time to time and at all times, to cause the Executive Committee to be constituted with only such Persons designated to serve on the Executive Committee in accordance with this Section 4.7(b). Prior to the Sunset, the Issuer agrees to take all necessary action to cause the Executive Committee to be constituted in accordance with this Section 4.7(b).

(c) For the avoidance of doubt, following the Sunset, the Issuer will no longer be a "controlled company" as defined under the rules of the applicable stock exchange and will establish such committees with composition as required under such rules.

4.8 Sunset Notice. The Company and the Members shall only cause the notice contemplated by Section 4.2(e)(viii)(1) of the Issuer Certificate (the "Sunset Notice") to be delivered to the Issuer:

(a) promptly following the date that neither Founder (or controlled Affiliate of a Founder) is a Member, and such Sunset Notice shall specify the date that is three (3) months following the date that neither Founder (or controlled Affiliate of a Founder) is a Member;

(b) promptly following a vote of the Members (including each of the Original Control Members) to deliver a Sunset Notice specifying the date of such vote or such later date approved by the Members (including each of the Original Control Members); and

(c) promptly following the Company's receipt of written notice from a Founder who (or whose controlled Affiliate) is a Member that a Deadlock has existed for sixty (60) days, and such Sunset Notice shall specify the date that is sixty (60) days after the date such written notice is received by the Company.

4.9 Corporate Opportunities. To the fullest extent permitted by applicable law, the Issuer renounces any interest or expectancy of the Issuer in, or in being offered an opportunity to participate in, business opportunities that are from time to time available or presented to any Exempted Person, even if the opportunity is in the line of business of the Issuer or is otherwise one that the Issuer might reasonably be deemed to have pursued or had the ability or desire to pursue if granted the opportunity to do so, unless such business opportunity is offered to such Exempted Person solely and expressly in his or her capacity as a director or officer of the Issuer, and each such Exempted Person shall have no duty to communicate or offer such business opportunity to the Issuer (and there shall be no restriction on the Exempted Persons using the general knowledge and understanding of the Issuer and the industry in which it operates in considering and pursuing such opportunities or in making investment, voting, monitoring, governance or other decisions relating to other entities or securities) and, to the fullest extent permitted by applicable law, shall not be liable to the Issuer or, to the extent applicable, any of its stockholders for breach of any fiduciary or other duty, as a director or officer or otherwise, by reason of the fact that such Exempted Person pursues or acquires such business opportunity, directs such business opportunity to another Person or fails to present such business opportunity, or information regarding such business opportunity, to the Issuer, or uses such knowledge and understanding in the manner described herein.

ARTICLE V
Founder Matters

5.1 Certain Founder Rights.

(a) Until the earlier of (x) a Founder Member ceasing to be a Member and (y) the Sunset occurring, each Founder shall have the right to serve on the board of directors of the Issuer, the Executive Committee (provided, however, (i) Coulter shall serve in the capacity of a

voting Executive Committee Member for so long as he is an Active TPG Partner and as a non-voting observer thereafter and (ii) Bonderman shall serve solely in the capacity of a non-voting observer), and any other committee of the board of directors of the Issuer (provided, however, (i) Coulter shall serve in the capacity of a voting committee member for so long as he is an Active TPG Partner and as a non-voting observer thereafter and (ii) Bonderman shall serve solely in the capacity of a non-voting observer), unless such committee is comprised solely of Independent Directors; provided, that neither Bonderman nor Coulter will serve on the Audit Committee, Compensation Committee or Conflicts Committee.

(c) Notwithstanding anything to the contrary herein, the Company shall only be authorized to provide its consent for purposes of Section 5.1(b) upon the approval of each Founder Member, and no other quorum or voting requirement for action by the Company shall apply or have any effect with respect to such authorization; provided that, if there is no Founder Member or the Expansion Date has occurred, then the Company shall only be authorized to provide its consent (i) for purposes of Section 5.1(b)(i)–(iv), upon the approval of a majority of Members and Coulter (provided that Coulter's approval shall only be required if Coulter is then living and legally competent) and (ii) for purposes of Section 5.1(b)(v), upon the approval of a majority of Members and Winkelried (provided that Winkelried's approval shall only be required if Winkelried is then serving as CEO).

(d) Prior to the Sunset, if a Deadlock has existed for more than sixty (60) days, then either Founder may (but shall not be obligated to) elect to deliver to the Company the notice contemplated by Section 4.8(c).

(e) Notwithstanding anything to the contrary in this Agreement, the Issuer agrees that:

(i) Neither Bonderman nor Coulter may be removed as or terminated as an officer or employee (as applicable) of the Issuer until the earlier of (A) the date such person (and his controlled Affiliates) ceases to be a Member and (B) the Sunset only pursuant to action by a vote that includes a majority of the directors then serving on the board of directors of the Issuer;

(ii) Bonderman may not be removed as Non-Executive Chairman of the Issuer until the earlier of (A) the date Bonderman (and his controlled Affiliates) ceases to be a Member and (B) the Sunset only pursuant to

action by a vote that includes a majority of the directors then serving on the board of directors of the Issuer; and

(iii) Coulter may not be removed as Executive Chairman of the Issuer until the earlier of (A) the date Coulter (and his controlled Affiliates) ceases to be a Member and (B) the Sunset only pursuant to action by a vote that includes a majority of the directors then serving on the board of directors of the Issuer.

(f) The Company shall vote, or cause to be voted, all shares of capital stock of the Issuer over which the Company has direct or indirect voting control, from time to time and at all times, against any amendment to the Issuer Certificate (whether by merger, consolidation or otherwise) if such amendment would modify the definition or effect of the Sunset, unless the Company receives the prior written consent of at least one Founder; provided that both Founders must provide such consent if both are living and legally competent.

5.2 Original Control Member Rights.

(a) Prior to the Sunset, the Issuer shall not, without the prior written consent of the Company, authorize:

(i) the formation of any new committee of the board of directors of the Issuer, a change in the power of any previously formed committee of the board of directors of the Issuer or the delegation of power and authority by the Executive Committee (or any modification or repeal of any delegation then in effect);

(ii) any amendment or repeal of a Committee Charter or any modification or repeal of the corporate governance guidelines adopted by the Executive Committee in connection with the Initial Public Offering;

(iii) any material acquisitions or dispositions outside the ordinary course of business or any merger of equals by any TPG Entity;

(iv) the issuance of preferred stock by any TPG Entity;

(v) any amendment to organizational documents of the Company or any TPG Entity, if such amendment is adverse to any Original Control Person’s interests;

(vi) the approval of leveraged dividends by any TPG Entity;

(viii) the adoption of any shareholder rights plan by any TPG Entity;

(ix) engagement by any TPG Entity in any material new line of business outside of alternative asset management, unless such business is incident to the Issuer's alternative asset management business; or

(x) the termination of the Tax Receivable Agreement.

(b) Notwithstanding anything to the contrary herein, the Company shall only be authorized to provide its consent for purposes of Section 5.2(a) upon the approval of each Founder Member, and, subject to Section 5.2(c), no other quorum or voting requirement for action by the Company shall apply or have any effect with respect to such authorization; provided further, that for purposes of Section 5.2(a)(i)-(ii), the consent of the Company shall not be required for (i) the formation of a committee comprised solely of Independent Directors (or a change in the power of a previously formed committee comprised solely of Independent Directors) if such action is specifically required by law or by an applicable rule, regulation, guideline or requirement of a securities exchange on which shares of the Issuer's capital stock are listed for trading, and (ii) the delegation of power and authority by the Executive Committee pursuant to resolutions adopted by the Executive Committee on the date the Issuer Certificate becomes effective (including the formation of a pricing committee in connection with the Initial Public Offering).

(c) Notwithstanding anything to the contrary in this Agreement, if either Founder Member ceases to be a Member (such departed Founder Member, the "Departed Founder Member") at a time when Winkelried is then serving as CEO, then, in lieu of Enhanced Good Reason Rights (as defined in the Winkelried Employment Agreement), the Winkelried Member shall have the rights granted to the Departed Founder Member under Section 5.2(b) and any other consent right granted to such Departed Founder Member in connection with actions requiring unanimous consent of the Founder Members prior to the Expansion Date; provided, however, this Section 5.2(c) shall only apply if a Founder Member ceases to be a Member prior to the Expansion Date.

ARTICLE VI
Capital Structure and Contributions

6.1 Capital Structure. The capital structure of the Company shall consist of one class of common interests (the "Common Units"). Prior to the Sunset, the total number of Common Units that the Company has authority to issue is one hundred (100) Common Units. Following the Sunset, the total number of Common Units that the Company has authority to issue shall equal the total number of Members from time to time (which shall initially be nine (9) Common Units). All Common Units shall be identical with each other in every respect. The Members shall own all of the Common Units issued and outstanding, as set forth on Schedule I attached hereto under the heading "Common Units". Except as expressly contemplated by Sections 3.4 and 3.6, the Company shall not issue any additional Common Units or any other equity interests in the Company. Each Common Unit shall be subject to forfeiture and cancellation in accordance with Section 3.4 and Section 3.5, as applicable.

6.2 Voting. Each Common Unit issued prior to the Sunset shall be entitled, with respect thereto, to one vote on any action or matter that comes before the Control Group pursuant to the provisions of this Agreement. Each Common Unit issued following the Sunset shall have a number of votes equal to the aggregate number of TPH Units owned, directly or indirectly, from time to time by the Member and its Group who holds such Common Unit. For the avoidance of doubt, following the Sunset, in the event the number of TPH Units held by a Member and its Group increases or decreases from time to time, the number of votes such Member is entitled to shall increase or decrease accordingly by an equal amount.

6.3 Capital Contributions. Capital contributions may, but shall not be required to, be made by the Members at such times and in such amounts as may be determined by the Control Group. A capital account shall be maintained for each Member, to which contributions and profits shall be credited and against which distributions and losses shall be charged.

ARTICLE VII
Profits, Losses and Distributions

7.1 Profits and Losses. For financial accounting and tax purposes, the Company's net profits or net losses shall be determined on an annual basis in accordance with the manner determined by the Control Group. In each year, profits and losses shall be allocated entirely to the Members in proportion to the number of Common Units owned by such Members.

7.2 Distributions. The Members shall be entitled to receive distributions, including, without limitation, tax distributions or distributions in connection with the liquidation, dissolution or winding up of the affairs of the Company, pro rata and in proportion to the number of Common Units held by such Members, when, as and if determined by the Control Group, in its discretion, out of funds of the Company legally available therefor, net of any reserves, payable on such record date to the Members. For the avoidance of doubt, all determinations made pursuant to this Section 7.2 shall be made by the Control Group in its discretion.

7.3 Push-Out Election. Without the unanimous approval of the Control Group, the Company will not, either before or after the Sunset, (i) in its capacity as the owner of the general partner of Group Holdings, consent to a Push-Out Election by TPG Operating Group for a Pre-Closing Tax Period and (ii) in its capacity as the owner of the general partner or managing member of a Covered Entity, cause or permit a Covered Entity to make a Push-Out Election for a Pre-Closing Tax Period.

ARTICLE VIII
Events of Dissolution

The Company shall be dissolved and its affairs wound up only upon the occurrence of any of the following events:

(a) the unanimous written consent of the Control Group to dissolve the Company; or

(b) the termination or death of the last remaining Member of the Company or the occurrence of any other event which terminates the continued membership in the Company of the last remaining Member of the Company, unless the Company is continued without dissolution in accordance with the Act.

In the event of dissolution, the Company shall conduct only such activities as are necessary to wind up its affairs (including the sale of the assets of the Company in an orderly manner) and the assets of the Company shall be applied in the manner, and in the order of priority, set forth in Section 18-804 of the Act.

Each Member and other Person bound by this Agreement hereby irrevocably waives any right to seek judicial or equitable dissolution of the Company under Section 18-802 of the Act or otherwise.

ARTICLE IX
Transfer of Common Units of the Company

9.1 Transfer of Common Units. No Member may Transfer any or all of its Common Units except with the prior written consent of the Control Group in its discretion, and any attempt to do any of the foregoing otherwise shall be null and void ab initio and of no force or effect; provided, that a Member may Transfer all of its Common Units to a Permitted Transferee with the prior written consent of the Control Group (not be unreasonably withheld, conditioned or delayed), subject to compliance by such Permitted Transferee with Section 3.3.

9.2 Bankruptcy, Termination or Death of a Member. The bankruptcy, termination or death of a Member shall not cause a dissolution of the Company, which shall continue as a limited liability company. A Member shall not cease to be a Member as a result of the bankruptcy of such Member or the happening of any of the other events specified in Section 18-304 of the Act with respect to such Member.

9.3 Substitute Member. Any person who is an assignee of any portion of a Member's Common Units pursuant to this ARTICLE IX hereof shall not become a substitute Member unless such person has obtained the prior written consent of the Control Group or such assignee is a Permitted Transferee to which the Control Group has consented pursuant to Section 9.1.

ARTICLE X
Exculpation; Indemnification

10.1 Exculpation of Covered Persons. No Member, any Affiliate of a Member, any officer, director, stockholder, partner, employee, representative or agent of the Members and their Affiliates, nor any Officer (each a "Covered Person"), shall be liable to the Company or any other Person bound by this Agreement for any act or omission performed or omitted by such Covered Person in good faith on behalf of the Company and in a manner believed to be within the scope of the authority conferred on such Covered Person by the Company, provided that, the foregoing shall not apply with respect to any act or omission by a Covered Person (i) that constitutes fraud or willful misconduct or (ii) where such Covered Person derives an improper personal benefit from such act or omission. None of the Covered Persons have any duties (including fiduciary duties) to any Member or the Company and this Agreement is not intended to, and does not, create or impose any fiduciary duty on any of the Covered Persons. Any duties or implied duties (including fiduciary duties) of any Covered Person to the Company or to any Member that would otherwise apply at law (common or statutory) or in equity are hereby

eliminated to the fullest extent permitted under the Act and any other applicable law; provided, however, that this Agreement does not limit or eliminate liability for any act or omission that constitutes a bad faith violation of the implied contractual covenant of good faith and fair dealing. For the avoidance of doubt, the Company hereby waives any and all fiduciary duties that, absent such waiver, may be implied by applicable law, and in doing so, acknowledges and agrees that the duties and obligation of each Covered Person to the Company are only as expressly set forth in this Agreement.

10.2 Right of Indemnification of Covered Persons. To the fullest extent permitted by law, the Company shall indemnify and hold harmless each Covered Person from and against any and all losses, claims, demands, liabilities, expenses (including attorney's fees), judgments, fines, settlements and other amounts arising from any and all claims, demands, actions, suits or proceedings, civil, criminal, administrative or investigative ("Action"), in which the Covered Person may be involved, or threatened to be involved, as a party or otherwise, by reason of any act or omission performed by such Covered Person in good faith on behalf of the Company and in a manner believed to be within the scope of the authority conferred on such Covered Person by the Company, provided that, a Covered Person shall not be entitled to indemnification under this Section 10.2 with respect to (i) any Action with respect to which such Covered Person has engaged in fraud or willful misconduct, (ii) any Action with respect to which such Covered Person has derived any improper personal benefit, or (iii) any Action initiated by such Covered Person unless such Action (or part thereof) (A) was brought to enforce such Covered Person's rights to indemnification hereunder or (B) was authorized or consented to by the Members. For the avoidance of doubt, any indemnity under this ARTICLE X shall be provided out of and to the extent of the Company's assets only, and none of the Members shall have any personal liability on account thereof.

10.3 Prepayment of Expenses of Covered Persons. The Company shall pay on demand the expenses (including attorneys' fees) incurred by a Covered Person in defending any Action in advance of its final disposition, provided, however, that, to the extent required by law, such payment of expenses in advance of the final disposition of the Action shall be made only upon receipt of an undertaking by the Covered Person to repay all amounts advanced if it should be ultimately determined by a court of competent jurisdiction in a non-appealable decision that the Covered Person is not entitled to be indemnified under this ARTICLE X or otherwise.

10.4 Claims by Covered Person. If a claim for indemnification or advancement of expenses under this ARTICLE X is not paid in full within 30 days after a written claim therefor by the Covered Person has been received by the Company, the Covered Person may file suit to recover the unpaid amount of such claim and, if successful in whole or in part, shall be entitled to be paid the expense of prosecuting such claim. In any such action the Company shall have the burden of proving that the Covered Person is not entitled to the requested indemnification or advancement of expenses under applicable law.

10.5 Indemnification of Employees and Agents. The Company may indemnify and hold harmless any employee or agent of the Company from any and all losses, claims, demands, liabilities, expenses, judgments, fines, settlements and other amounts arising from any Action in which such employee or agent may be involved, or threatened to be involved, as a party or otherwise, by reason of any act or omission performed by such employee or agent in good faith on behalf of the Company and in a manner reasonably believed to be within the scope of the authority conferred on such employee or agent by the Company, provided that the Company shall not indemnify any employee or agent with respect to (i) any Action with respect to which such employee or agent has engaged in fraud, willful misconduct, or gross negligence, (ii) any Action with respect to which such employee or agent has derived any improper personal benefit, or (iii) any Action initiated by such employee's or agent's unless such Action (or part thereof) (A) was brought to enforce such employee's or agent's rights to indemnification or (B) was authorized or consented to by the Members. The ultimate determination of entitlement to indemnification of persons who are employees or agents shall be made in such manner as is determined by the Control Group in its discretion.

10.6 Advancement of Expenses of Employees and Agents. The Company may pay the expenses (including attorneys' fees) incurred by an employee or agent in defending any Action in advance of its final disposition on such terms and conditions as may be determined by the Control Group.

10.7 Non-Exclusivity of Rights. The rights conferred on any person by this ARTICLE X shall not be exclusive of any other rights which such person may have or hereafter acquire under any statute, provision of this Agreement or any other agreement or otherwise.

10.8 Other Indemnification. The Company's obligation, if any, to indemnify any person who was or is serving at its request as a director, officer or employee of another company, corporation, partnership, limited liability company, joint venture, trust, organization or other enterprise shall be reduced by any amount such person may collect as indemnification from such other company, corporation, partnership, limited liability company, joint venture, trust, organization or other enterprise. The obligations of such other company, corporation, partnership, limited liability company, joint venture, trust, organization or other enterprise are primary and the obligations of the Company relative to such primary obligations are secondary, and the Company shall be subrogated to the rights of a Covered Person against the primary source of indemnification to the extent the Company has made any indemnification payments to or on behalf of the Covered Person.

10.9 Insurance. The Members may, to the full extent permitted by applicable law as it presently exists, or may hereafter be amended from time to time, authorize an appropriate officer or officers to purchase and maintain at the Company's expense insurance: (i) to indemnify the Company for any obligation which it incurs as a result of the indemnification obligations under the provisions of this ARTICLE X and (ii) to indemnify or insure Officers and employees against liability in instances in which they may not otherwise be indemnified by the Company under the provisions of this ARTICLE X.

10.10 Amendment or Repeal. Any repeal or modification of the foregoing provisions of this ARTICLE X shall not adversely affect any right or protection hereunder of any person in respect of any act or omission occurring prior to the time of such repeal or modification. The rights provided hereunder shall inure to the benefit of any Covered Person and such person's heirs, executors and administrators.

ARTICLE XI

All notices or other communications to be given hereunder to a Member shall be in writing and shall be sent by delivery in person, by courier service, by electronic mail, or by registered or certified mail (postage prepaid, return receipt requested) at the addresses shown in the Company's books and records or such other address as may be substituted by notice as herein provided. Any notice given hereunder shall be deemed to have been given upon the earliest of: (i) receipt, (ii) three (3) days after being deposited in the U.S. mail, postage prepaid, registered or certified mail, return receipt requested, (iii) upon sending if given by electronic mail when such electronic mail is sent to the electronic mail address specified pursuant to this Section 11.1 and (iv) one (1) day after being sent by Federal Express or other recognized overnight delivery service, return receipt requested.

11.2 Counterparts. This Agreement may be executed in counterparts, each one of which shall be deemed an original and all of which together shall constitute one and the same Agreement.

11.3 Successors and Assigns. All of the terms and provisions of this Agreement shall inure to the benefit of and be binding upon each of the parties hereto and their respective permitted transferees, if any; provided, however, no party hereto may sell, assign, hypothecate, Transfer or otherwise dispose of (or cause or permit to be created or existing any lien or encumbrance on), directly or indirectly, its membership interest (or any portion thereof or any beneficial interest therein) or its rights, interests or obligations hereunder except in accordance with the terms of this Agreement.

11.4 Tax Treatment. It is intended that, from and after the Effective Date, the Company be treated as a partnership for U.S. federal income and all other applicable income tax purposes. The Control Group may on behalf of the Company make, but shall not be obligated to make, any tax election provided under the Code, or any provision of state, local or foreign tax law. All decisions and other matters concerning the computation of items of income, gain, loss, deduction and credit of the Company, and accounting procedures not specifically and expressly provided for by the terms of this Agreement, shall be determined by the Control Group. The Control Group shall prepare or cause to be prepared all tax returns required to be prepared by or on behalf of the Company.

11.5 Other Business. The Members may engage in or possess an interest in other business ventures (unconnected with the Company) of every kind and description, independently or with others; provided, that engaging in Competition shall result in such Member and his Group becoming a Disqualified Holder. The Company shall not have any rights in or to such independent ventures or the income or profits therefrom by virtue of this Agreement.

11.6 Issuer Acknowledgment. The Issuer hereby acknowledges the terms of this Agreement and hereby agrees, upon request by the Company, to execute and deliver any additional documents reasonably deemed by the Company to be necessary to carry out, or are otherwise in connection with, the terms and conditions of this Agreement.

11.7 Amendments.

(a) This Agreement and the Certificate of Formation may not, in either case, be modified, altered, supplemented or amended except pursuant to a written agreement executed and delivered: (i) prior to the Expansion Date, by each Original Control Member and a majority of the members of the Executive Committee who are not Original Control Persons; (ii) on or after the Expansion Date until the Sunset, by at least four Members and a majority of the members of the Executive Committee who are not Original Control Persons; and (iii) on or after the Sunset, by a majority of the votes of the Members and, only if such amendment relates to the Issuer, a majority of the members of the Executive Committee who are not Original Control Persons; provided, that any amendment that is materially adverse to the Issuer or creates (or worsens) a material conflict of interest between the Issuer and any of the Members shall also require the consent of a majority of the Independent Directors; and provided further, with respect to an amendment to the definition or timing of a Sunset, (A) no such amendment may be made without the prior written consent of each Founder who is living and legally competent and (B) at least one (1) Founder must affirmatively vote for any such amendment to be effective; and provided further, any amendment that alters the rights or obligations of a specific Member shall require the consent of such Member. Notwithstanding the foregoing, Schedule II and Schedule III shall be deemed to be automatically amended from time to time to reflect such Persons designated in accordance with Section 4.6 and Section 4.7 to serve on the board of directors of the Issuer or the Committees.

(b) Notwithstanding clause (a), modifications, alterations, supplements and amendments may be made to or restatements made of this Agreement (or any exhibits or schedules attached to it), from time to time by the Control Group, without the consent of any other party (a) to correct any printing, stenographic, typographical or clerical errors or omissions, (b) to cure any ambiguity or correct or supplement any provisions of this Agreement which may be inconsistent with any other provision hereof (c) for legal, regulatory or tax reasons as required by applicable law and (d) to effect any other non-material amendments to the extent not adverse to any Member, in each case, in the discretion of the Control Group.

(c) The TPH Partners are intended third party beneficiaries of the provisions of this Agreement that are effective after the Sunset, and such provisions and (with respect to such provisions only) the definitions used in such provisions shall not be modified, altered, supplemented or amended except pursuant to a written agreement approved by the holders of a majority of the then outstanding TPH Units, other than any amendment to declare a particular Member a Disqualified Member or to reduce the number of Members, which amendment shall not require the consent of those Members adversely affected but shall require the consent of those TPH Partners (excluding any TPH Partner who is a Member or has an Affiliate who is a Member) who hold a majority of the then outstanding TPH Units held by all TPH Partners (excluding any TPH Partner who is a Member or has an Affiliate who is a Member).

(d) If the Company makes a written request to a TPH Partner for its consent to an amendment to this Agreement under this Section 11.7, and such TPH Partner does not object in writing to such request within ten (10) Business Days of the date of such request, then such TPH Partner shall be deemed to have consented to such action.

11.8 Remedies and Waivers. No delay or omission on the part of any party to this Agreement in exercising any right, power or remedy provided by law or provided hereunder shall impair such right, power or remedy or operate as a waiver thereof. The single or partial exercise of any right, power or remedy provided by law or provided hereunder shall not preclude any other or further exercise of any other right, power or remedy. The rights, powers and remedies provided hereunder are cumulative and are not exclusive of any rights, powers and remedies provided by law.

11.9 Severability. Each provision of this Agreement shall be considered separable and if for any reason any provision or provisions herein are determined to be invalid, unenforceable or illegal under any existing or future law, such invalidity, unenforceability or illegality shall not impair the operation of or affect those portions of this Agreement which are valid, enforceable and legal unless such invalid or unenforceable provision or clause shall be so significant as to materially affect the expectations of the Members regarding this Agreement. Otherwise, any invalid or unenforceable provision shall be replaced by the Members with a valid provision which most closely approximates the intent and economic effect of the invalid or unenforceable provision.

11.10 Headings. The headings in this Agreement are inserted for convenience or reference only and are in no way intended to describe, interpret, define or limit the scope, extent or intent of this Agreement or any provision of this Agreement.

11.11 Governing Law; Arbitration.

(a) This Agreement and all claims or causes of action (whether in contract, tort or statute) that may be based upon, arise out of or relate to this Agreement shall be governed by, and enforced in accordance with, the laws of the State of Delaware, including its statute of limitations, without reference to any choice of law provision thereof that would mandate the application of the laws of another jurisdiction, except that the arbitration provisions set forth in this Section 11.11 shall be construed and enforced in accordance with the Federal Arbitration Act, Title 9, United States Code.

(b) Any dispute, controversy or claim arising out of, relating to or in connection with this Agreement, including, without limitation, any dispute regarding the validity or termination of this Agreement, or the performance or breach hereof, shall be finally settled by arbitration administered by the American Arbitration Association ("AAA"), in accordance with its Commercial Arbitration Rules in effect at the time of the arbitration. The place of arbitration shall be Fort Worth, Texas and the proceedings shall be conducted in the English language. The arbitration shall be conducted by three arbitrators. Each arbitrator shall be a person with significant experience in the financial services industry or representing persons in the financial services industry. Each of the parties to such arbitration shall nominate one arbitrator within 15 days after delivery of a request for arbitration in writing by any of the parties. In the event that any of the

parties to the arbitration fail to nominate an arbitrator as and within such time period provided in the preceding sentence, upon request of either of such parties, such arbitrator shall instead be appointed by the AAA within 15 days of receiving such request. The two (2) arbitrators appointed in accordance with the above provisions shall nominate the third arbitrator within 15 days of their appointment. If the first two (2) appointed arbitrators fail to nominate a third arbitrator, then, upon request of the parties to the arbitration, the third arbitrator shall be appointed by the AAA within 30 days of receiving such request. The third arbitrator shall serve as Chairman of the arbitral tribunal. The arbitrators shall endeavor to render a final award within 90 days of submission of a request for arbitration. Failure to adhere to this time limit shall not be a basis for challenging the award. The award rendered by the arbitrators shall be final and binding on the parties thereto and judgment on such award may be entered in any court of competent jurisdiction. All costs and expenses incurred by the parties in connection with any arbitration hereunder shall be borne by the party against whom the arbitrators' award is rendered, and such party shall promptly reimburse the party in whose favor the arbitrators' award is rendered for any of such costs and expenses incurred by such party.

(c) By agreeing to arbitration, the parties do not intend to deprive any court with jurisdiction of its ability to issue a preliminary injunction, attachment or other form of provisional remedy in aid of the arbitration, and a request for such provisional remedies by a party to a court shall not be deemed a waiver of this agreement to arbitrate. In addition to the authority conferred upon the arbitrators by the rules specified above, the arbitrators shall also have the authority to grant provisional remedies, including injunctive relief.

(d) Except as may be required by applicable law or court order, the parties agree to maintain confidentiality as to all aspects of any arbitration arising out of, relating to or in connection with this Agreement, including any such arbitration's existence and results, except that nothing herein shall prevent a party from disclosing information regarding such arbitration for purposes of enforcing the award or this arbitration clause, or in any court proceeding requesting the issuance of provisional remedies in accordance with Section 11.11(c). The parties further agree to obtain the arbitrators' agreement to preserve the confidentiality of the arbitration.

(e) Without limiting the foregoing, each party agrees that service of process on such party as provided in Section 11.1 shall be deemed effective service of process on such party.

11.12 Jury Trial Waiver. ANY RIGHT TO TRIAL BY JURY WITH RESPECT TO ANY LAWSUIT, ACTION, CLAIM OR OTHER PROCEEDING BASED UPON, ARISING OUT OF OR RELATING TO THIS AGREEMENT IS EXPRESSLY AND IRREVOCABLY WAIVED BY EACH OF THE PARTIES HERETO.

11.13 Limited Liability Company. The Members intend to form a limited liability company and do not intend to form a partnership under the laws of the State of Delaware or any other laws.

11.14 Entire Agreement. This Agreement constitutes the entire agreement of the Members with respect to the subject matter hereof and supersedes any prior agreement or understanding among or between them with respect to such subject matter.

11.15 Specific Performance. The Members agree that irreparable damage would occur in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms. It is accordingly agreed that the Members shall be entitled to specific performance of the terms hereof, this being in addition to any other remedies to which they are entitled at law or equity.

11.16 Third-Party Beneficiaries. The Covered Persons, the TPH Partners (with respect to the provisions of this Agreement that are effective after the Sunset) and the Original Control Persons are intended third-party beneficiaries of this Agreement. No other person or entity shall be treated as a direct, indirect, intended or incidental third-party beneficiary of this Agreement for any purpose whatsoever.

11.17 Right of Direct Action. To the fullest extent permitted by law and notwithstanding anything to the contrary in this Agreement, each Member shall have the right through a direct action brought in accordance with Section 11.11 to enforce any provision of this Agreement benefiting such Member. To the extent that, notwithstanding the preceding sentence, a court or arbitrator determines that a Member does not have the right through a direct action brought in accordance with Section 11.11 to enforce any provision of this Agreement benefiting such Member because such right must be brought as a derivative action, all of the parties hereto agree that the demand requirement otherwise applicable to a derivative action shall not apply and demand shall be deemed excused for all purposes.

11.18 Power of Attorney. Each Member irrevocably constitutes and appoints the Company as the true and lawful attorney-in-fact, with power of substitution, of such Member to execute, acknowledge, swear to and file any and all consents, ballots, approvals, waivers, certificates, agreements, instruments and other documents required to be executed, acknowledged, sworn to or filed by such Member under the terms of this Agreement. It is expressly acknowledged by each Member that the foregoing power of attorney is coupled with an interest and shall survive death, incapacity, bankruptcy, dissolution or insolvency of such Member.
